This Form 8-K relates solely to an administrative matter concerning the ManTech International 401(k) Plan. The ManTech International 401(k) Plan will be changing record keepers effective September 8, 2004. To implement this change administratively, participants in the plan will be temporarily unable to engage in certain plan transactions. This blackout period is expected to begin on August 16, 2004 at 4:00 p.m., Eastern Standard Time and is expected to end during the week of September 19, 2004. During this blackout period, participants will be unable to take new loans or other distributions from the plan, and, for a portion of this period, direct or change investments in the plan, including any investments in Company stock held in the ManTech International 401(k) Plan.

During this blackout period, Section 306(a) of the Sarbanes Oxley Act prohibits ManTech directors and executive officers from, directly or indirectly, purchasing, selling or otherwise acquiring or transferring ManTech common stock.

The ManTech International 401(k) Plan originally mailed notice of the blackout dates to ManTech and 401(k) Plan participants on July 9, 2004 and sent an updated notification on August 2, 2004. ManTech is notifying its directors and executive officers of relevant trading restrictions contemporaneously with this filing.
