SECTION 1 – REGISTRANT’S BUSINESS AND OPERATIONS

Item 1.01. Entry Into a Material Definitive Agreement.

Merger Agreement

On March 31, 2010, AZZ incorporated, a Texas corporation (“AZZ”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) by and among AZZ, Big Kettle Merger Sub, Inc., a Delaware corporation and an indirect wholly-owned subsidiary of AZZ (“Purchaser”), and North American Galvanizing & Coatings, Inc., a Delaware corporation (“NGA”), pursuant to which AZZ will acquire NGA, a leading provider of corrosion protection for iron and steel components fabricated by its customers.

Pursuant to the Merger Agreement, and subject to the terms and conditions thereof, Purchaser will commence a cash tender offer (the “Offer”) to purchase all of the outstanding shares of common stock, par value \$0.10 per share, of NGA (the “NGA Common Stock”), at a purchase price of \$7.50 per share to be paid in cash, without interest thereon (less any applicable withholding taxes) (as such may be increased pursuant to the Merger Agreement, the “Offer Price”). Upon successful completion of the Offer, and subject to the terms and conditions of the Merger Agreement, Purchaser will be merged with and into NGA (the “Merger”) and NGA will survive the Merger as a wholly owned subsidiary of AZZ.

Purchaser has agreed to commence the Offer promptly after April 30, 2010, but no later than May 7, 2010, and the Offer shall remain open until the 20th business day from and including such commencement date unless extended in accordance with the terms of the Merger Agreement and applicable law. The obligations of AZZ and Purchaser to consummate the Offer are subject to customary conditions, including that (i) there is validly tendered (and not withdrawn) at least two thirds ($\frac{2}{3}$) of the issued and outstanding NGA Common Stock (determined on a fully diluted basis and including NGA Common Stock issuable upon exercise of options, shares of NGA Common Stock held in NGA's Director Stock Unit Program and restricted shares of NGA Common Stock, in each case whose holders have executed the Stockholders Agreement (as defined below)), (ii) the waiting period under the Hart-Scott Rodino Antitrust Improvements Act of 1976, as amended, has expired and (iii) the other conditions set forth in the Merger Agreement have been satisfied or waived.

Pursuant to the Merger Agreement, NGA has granted Purchaser, subject to certain conditions and limitations (including but not limited to Purchaser owning at least 80% of the NGA Common Stock outstanding immediately following the termination of the Offer), an irrevocable option to purchase, following completion of the Offer and at the Offer Price, a number of authorized but unissued shares of the NGA Common Stock that, when added to the number of shares of NGA Common Stock owned by AZZ or Purchaser at the time of exercise of such option and the shares of NGA Common Stock otherwise deliverable pursuant to the Stockholders Agreement, constitutes one share more than 90% of the then issued and outstanding shares of NGA Common Stock, on a fully diluted basis (the “Top-Up Option”). The Top-Up Option is intended to facilitate the completion of the Merger by allowing Purchaser to effect the Merger pursuant to Delaware’s “short form” merger statute. In the event that Purchaser consummates the Offer and does not own at least 80% of the NGA Common Stock outstanding immediately following the termination of the Offer, Purchaser shall cause NGA to call a special meeting of the stockholders of NGA to allow for a stockholder vote upon the Merger. In such case, the approval of the Merger at a meeting of the stockholders of NGA would be assured because of Purchaser’s ownership of at least two thirds ($\frac{2}{3}$) of the shares of NGA Common Stock following completion of the Offer.

At the effective time of the Merger (the “Effective Time”), the certificate of incorporation and bylaws of NGA, as in effect immediately prior to the Effective Time, shall be amended and restated as of the Effective Time to be in the form of (except with respect to the name of NGA) the certificate of incorporation and bylaws, respectively, of Purchaser.

AZZ, Purchaser and NGA have made customary representations and warranties in the Merger Agreement and agreed to certain customary covenants, including covenants regarding operation of the business of NGA and its subsidiaries prior to closing of the Offer. The Merger Agreement permits NGA to solicit alternative acquisition proposals from third parties until April 30, 2010. In addition, NGA may, at any time, upon the terms and subject to the conditions of the Merger Agreement, respond to unsolicited proposals, that are, or could reasonably be expected to result in, a proposal financially superior to the transactions contemplated by the Merger Agreement. In the case of such a proposal, NGA may not terminate the Merger Agreement if AZZ makes a proposal to adjust the terms and conditions of the Merger Agreement so that such terms and conditions would be at least as favorable as such proposal.

The Merger Agreement further provides that, upon acceptance for payment of the NGA Common Stock pursuant to the Offer, AZZ shall be entitled to designate a number of directors to the Board of Directors of NGA (the “Board”) and the Board of Directors of any direct or indirect subsidiary of NGA in proportion with the percentage of NGA Common Stock Purchaser owns following the Offer. Between such time and the Effective Time, the Board will have at least two directors who are directors of NGA on the date of the Merger Agreement, who are not officers of NGA and who are independent directors.

The Merger Agreement also includes customary termination provisions for AZZ and NGA and provides that, in connection with the termination of the Merger Agreement under specified circumstances, NGA will be required to pay a termination fee of \$3 million (inclusive of expenses incurred by AZZ and Purchaser), except that the termination fee will be \$2 million (inclusive of expenses incurred by AZZ and Purchaser) in the event the Merger Agreement is terminated by NGA in order to accept a superior proposal from a third party who has been identified in writing to AZZ (to the extent that AZZ elects not to adjust the terms and conditions of the Merger Agreement in response to such superior proposal, as described above).

The foregoing description of the Merger Agreement is only a summary, does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K and incorporated herein by reference.

Additional Agreements

As inducement to AZZ to enter into the Merger Agreement, the directors of NGA (the “Tendering Stockholders”) owning approximately 19% of NGA’s outstanding Common Stock (without giving effect to shares of NGA Common Stock issuable to such individuals upon vesting of options upon a change of control or to shares held by NGA in trust under the Director Stock Unit Plan) have agreed to tender their shares of NGA Common Stock in connection with the Offer, to provide Purchaser with an option to purchase any shares of NGA Common Stock held by such individuals that are not tendered in the Offer and to vote in favor of the Merger pursuant to the Stockholders Agreement, dated March 31, 2010, by and among AZZ, Purchaser and the Tendering Stockholders identified therein (the “Stockholders Agreement”). In addition, such Tendering Stockholders have agreed, subject to certain exceptions, to refrain from disposing of their shares of NGA Common Stock and soliciting alternative acquisition proposals to the Merger.

The foregoing description of the Stockholders Agreement is only a summary, does not purport to be complete and is qualified in its entirety by reference to the Stockholders Agreement, a form of which is filed as Exhibit 2.2 to this Form 8-K and incorporated herein by this reference.

Cautionary Note Regarding the Merger Agreement

The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about NGA, AZZ or Purchaser. In particular, the representations and warranties contained in the Merger Agreement were made only for the purposes of the Merger Agreement as of the specific dates therein and were solely for the benefit of the parties to the Merger Agreement.

These confidential disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement may be subject to a standard of materiality provided for in the Merger Agreement and have been used for the purpose of allocating risk

among NGA, AZZ and Purchaser, rather than establishing matters of fact. Information concerning the subject matter of the representations and warranties may also change after the date of the Merger Agreement, which subsequent information may not be fully disclosed in the parties' public disclosures. Accordingly, the representations and warranties in the Merger Agreement may not constitute the actual state of facts about NGA, AZZ or Purchaser. Investors are not third party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or conditions of NGA, AZZ or Purchaser, or any of their respective subsidiaries or affiliates.
