EXPLANATORY NOTE

This Form S-8 relates to 8,429,695 Class A Subordinate Shares which may be issued upon the exercise of options granted under the IMR Stock Plans. Pursuant to the Merger Agreement, the following events, among others, occurred:

- (a) IMR was acquired by, and became a wholly-owned subsidiary of, the Company through the merger of Sub with and into IMR; and
- (b) outstanding options to purchase shares of IMR common stock granted under the IMR Stock Plans were converted into options to purchase Class A Subordinate Shares of the Company.

On various dates prior to this merger transaction, IMR filed registration statements on Form S-8 (registration nos. 333-24027, 333-86753, 333-87095 and 333-57628) and paid a total registration fee with respect to 19,340,955 shares (adjusted for two 3-for-2 stock splits) registered thereunder equal to \$23,940 to the Securities and Exchange Commission (the "Commission"). Of these shares, 11,219,318 shares were issued pursuant to exercised options and 8,121,637 shares remain unsold. None of the unsold shares have been deregistered by IMR. The total registration fee paid by IMR under the registration statements with respect to the unsold shares is \$14,640. Pursuant to Rule 457(p) of the Securities Act of 1933, the Company hereby applies the \$14,640 fee as a partial payment of the registration fee for this Registration Statement which thereby leaves a registration fee due of \$1,751.

Item 4. Description of Securities

Not Applicable.

Item 5. Interests of Named Experts and Counsel

Not Applicable.

Item 6. Indemnification of Directors and Officers

The Companies Act (Quebec) provides as follows:

123.87 [DEFENCE] A company shall assume the defence of its mandatary prosecuted by a third person for an act done in the exercise of his duties and shall pay damages, if any, resulting from that act, unless the mandatary has committed a grievous offence or a personal offence separable from the exercise of his duties.

[CRIMINAL PROCEEDINGS] However, in a penal or criminal proceeding the company shall assume only the payment of the expenses of its mandatary if he had reasonable grounds to believe that his conduct was in conformity with the law, or the payment of the expenses of its mandatary if he has been freed or acquitted.

123.88 [EXPENSES] A company shall assume the expenses of its mandatary if, having prosecuted him for an act done in the exercise of his duties it loses its case and the court so decides.

[EXPENSES] If the company wins its case only in part, the court may determine the amount of the expenses it shall assume.

123.89 [OBLIGATIONS] A company shall assume the obligations contemplated in sections 123.87 and 123.88 in respect of any person who acted at its request as director for a legal person of which it is a shareholder or creditor.

The Company's By-Laws provide as follows:

17. INDEMNIFICATION. In addition to the provisions of the applicable laws governing the indemnification of the Company's representatives, the Board of Directors may purchase, to the benefit of the directors, officers or their predecessors or any other person who has assumed or who is about to assume a responsibility on behalf of the Company or any corporation controlled by it, insurance covering the liability they incur for having

Edgar Filing: CGI GROUP INC - Form S-8

acted in their capacity as directors or officers of the Company, with the exception of the liability resulting from their own negligence or a personal fault separable from the performance of their duties.

The Company has purchased a policy of insurance for the benefit of the directors and officers of the Company against liability incurred by the directors and officers in the performance of their duties. The aggregate amount of coverage is \$100,000,000 in respect of any once occurrence. By the terms of the policy, in circumstances where a director or officer has a claim against the Company in respect of a loss covered by the policy, the Company may claim on the policy for 100% of the loss less the deductible (\$100,000 for suits brought and maintained outside the U.S. and \$250,000 for suits brought or maintained within the U.S.) applicable to a personal suit against directors claim which may be indemnified by the Company under the policy. In addition, where a director or officer has a claim against the insurers in respect of a loss covered by the policy, the director or officer may claim on the policy for 100% of the loss.

Item 9. Undertakings

(1) The undersigned registrant hereby undertakes:

a. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

Edgar Filing: CGI GROUP INC - Form S-8

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in this Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(i) and (a)(ii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Company pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement;

b. that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

c. to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(2) The undersigned registrant hereby undertakes, that for purposes of determining any liability under the Securities Act of 1933, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in that Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication

Edgar Filing: CGI GROUP INC - Form S-8

of such issue.
