U.S. BANCORP TO PURCHASE UNITED FINANCIAL CORP. IN MONTANA

MINNEAPOLIS and GREAT FALLS, Mont. (Nov. 6, 2006) U.S. Bancorp (NYSE: USB) and United Financial Corp. (NASDAQ: UBMT) announced today the signing of a definitive agreement for U.S. Bancorp to acquire United Financial Corp., the parent company of Heritage Bank. This acquisition will nearly double the branch presence in Montana for U.S. Bancorp's lead bank, U.S. Bank National Association and give the bank a deposit base exceeding \$1 billion. United Financial Corp., headquartered in Great Falls, Mont., had consolidated assets of \$412 million and \$314 million in deposits, as of June 30, 2006.

John R. Elmore, executive vice president of community banking at U.S. Bank, stated, "This is a great fit for both companies since Heritage Bank and U.S. Bank share a similar community banking model, which will help to ensure a smooth transition for customers and employees during the conversion process. In addition, the transaction gives U.S. Bancorp a much stronger presence throughout the state of Montana, both in cities where we don't currently have branch locations, and in cities where we'll increase our current market presence."

Edgar Filing: US BANCORP \DE\ - Form 425

The agreement provides for a stock-for-stock merger in which 0.6825 shares of U.S. Bancorp will be exchanged for each common share of United Financial Corp. Based upon stock prices of both companies on Nov. 3, 2006, this represents approximately \$22.91 per share.

United Financial's board of directors has unanimously approved the merger agreement. The board of directors of United Financial has also declared a special dividend of \$0.50 per share that will be paid prior to the close of the transaction. Completion of the transaction, which is expected to occur in the first quarter of 2007, is contingent upon customary closing conditions, including regulatory approval and the approval of United Financial's shareholders, who will vote on the proposed transaction at a special meeting that will be held on a date to be announced. John M. Morrison, the largest shareholder of United Financial, has agreed to vote his shares in favor of the proposed transaction.

We're pleased to be a part of U.S. Bancorp's strategy for growth in Montana," stated Kevin P. Clark, chief executive officer of United Financial Corp. "Now our customers will be able to take advantage of an even broader range of products and services, with the capability and convenience of a bank that has a national presence."

Heritage Bank provides a wide range of commercial and consumer banking services to small and middle market businesses, real estate developers, agribusiness and individuals. Once the merger is completed, U.S. Bank expects to have more than 20 branch locations and total deposits of approximately \$1 billion in Montana.
