### ITEM 11. ADDITIONAL INFORMATION

(a) The subsection under the heading "CERTAIN LITIGATION" in Section 15 - "Legal Matters; Required Regulatory Approvals" is hereby amended and supplemented by the following:

On June 14, 2004, the plaintiffs in GEHRER V. ALARIS MEDICAL SYSTEMS, INC., ET AL., ALARIS, the members of the ALARIS Board, Cardinal Health and Mr. Picower (and certain affiliates) entered into a memorandum of understanding (the "MOU") setting forth their agreement in principle to a settlement of the Gehrer action, subject to a number of conditions including the completion of the Offer and the consummation of the Merger, completion of certain confirmatory discovery by plaintiff's counsel, preparation of definitive settlement documents and Court approval of the settlement. In the MOU, defendants and the other persons to be released in the proposed settlement deny that they have violated any law or breached any duty owed to ALARIS stockholders but agreed to provide the additional disclosures provided in Item 4(c) of the Amendment No. 4 to the Schedule 14D-9 in settlement of plaintiff's claims. The MOU provides that the parties will use their best efforts to agree upon formal settlement documents that will expressly provide, inter alia, (i) for certification by the Superior Court of the State of California for the County of San Diego of a settlement class of ALARIS stockholders from May 18, 2004 through the date of the consummation of the Merger (the "Class"), (ii) for dismissal of the action with prejudice and a complete release by the Class of all known and unknown claims relating to the Offer, the Merger, the Merger Agreement, the Support Agreement, the Transaction (as defined in the MOU) or the related disclosure materials, and (iii) payment of plaintiff's attorneys' fees and expenses in the aggregate amount of \$750,000 (with this payment not coming out of moneys that otherwise would have been paid to ALARIS' shareholders). The foregoing summary of the MOU is qualified in its entirety by reference to the MOU, a copy of which is filed as Exhibit (d)(4) hereto and is incorporated herein by reference.

(b) The subsection under the heading "ANTITRUST" in Section 15 - "Legal Matters; Required Regulatory Approvals" is hereby amended and supplemented by the following:
