Information contained in this Schedule 13D with respect to each Reporting Person and, if applicable, its executive officers, directors and controlling persons, is given solely by such Reporting Person, and no other Reporting Person has responsibility for the accuracy or completeness of information supplied by such other Reporting Person.

Except as set forth herein, the 2014 Filing is unmodified.

Item 3. Source and Amount of Funds or Other Consideration.

Item 3 of the 2014 Filing is hereby amended and supplemented by adding the following information:

Final share allocations in connection with the Plan resulted in an increase in OMF's Common Share allocation thereunder from 36,044,388 Common Shares to 36,045,291 Common Shares, an increase of 903 Common Shares.

On October 27, 2015, OMF acquired Debentures in an aggregate principal amount of \$5,350,000 for a purchase price of \$5,350,000. OMF's acquisition of the Debentures was funded by cash on hand.

This Item 4 is amended and restated in its entirety as follows:

The Common Shares held of record by OMF were acquired in connection with the restructuring of the Issuer in accordance with the Plan and are held for investment purposes.

The Issuer issued the Debentures to raise working capital. OMF acquired the Debentures for investment purposes.

The Reporting Persons intend to review on a continuing basis OMF's investment in the Issuer. As a result of the Reporting Persons' continuous review and evaluation of the business of the Issuer, the Reporting Persons may communicate with the board of the Issuer, members of management and/or other shareholders from time to time with

The Reporting Persons may seek to sell or otherwise dispose of some or all of the Issuer's securities (which may include, but is not limited to, transferring some or all of such securities to its affiliates or distributing some or all of such securities to such Reporting Person's respective partners or members, as applicable) from time to time, and/or may seek to acquire additional securities of the Issuer (which may include rights or securities exercisable or convertible into securities of the Issuer) from time to time, in each case, in open market or private transactions, block sales or otherwise. Any transaction that the Reporting Persons may pursue may be made at any time and from time to time without prior notice and will depend on a variety of factors, including, without limitation, the price and availability of the Issuer's securities, subsequent developments affecting the Issuer, the Issuer's business and the Issuer's prospects, other investment and business opportunities available to the Reporting Persons, general industry and economic conditions, the securities markets in general, tax considerations and other factors deemed relevant by the Reporting Persons.

In the event that all Debentures owned by OMF were converted, OMF would have ownership and control of an additional 46,979,276 Common Shares, for a total of 83,024,567 Common Shares (representing approximately 52.5% of outstanding Common Shares on a post-exercise basis, assuming no conversions by other Debenture holders).<sup>7</sup>
