Edgar Filing: MITTAL STEEL CO N.V. - Form 6-K

On June 4, 2007, Mittal Steel Company N.V. (ArcelorMittal) announced the termination of ArcelorMittal's combined mandatory tender offer and delisting offer (Offer) for Arcelor Brasil S.A. (Arcelor Brasil), and that the consideration for the cash option would be R\$53.89 in cash.

On June 5, 2007, ArcelorMittal announced the results of the Offer. In the aggregate, 191.3 million Arcelor Brasil shares were tendered in the auction held on June 4, 2007 following the expiry of the Offer period, representing 29.5% of the total share capital and 89.7% of the free float of Arcelor Brasil. ArcelorMittal will pay for the tendered shares with US\$3,699 million in cash and 27.0 million ArcelorMittal shares. Subsequent to the auction, an additional amount of 5.4 million Arcelor Brasil shares were acquired for cash. The total number of shares acquired by ArcelorMittal represented 30.4% of the total share capital and 92.3% of the free float of Arcelor Brasil.

As a result of the acceptance of shareholders representing more than two thirds (2/3) of the shares qualified for the auction, Arcelor Brasil's registration as a listed company will be cancelled in accordance with regulations of the Comissão de Valores Mobiliários (CVM), the Brazilian securities regulator.

As required by Brazilian regulations, from June 5, 2007 through September 4, 2007 at the latest, remaining shareholders in Arcelor Brasil may sell their shares to ArcelorMittal for R\$53.89, adjusted by the interest rate accrued until the sale date. Any remaining Arcelor Brasil shareholder who wants to sell its shares during this period shall post a selling order in the São Paulo Stock Exchange (through any broker dealer that is a member thereof) and Santander Brasil S.A. Corretora de Títulos e Valores Mobiliários, on behalf of ArcelorMittal, will guarantee the purchase of such shares.

After the CVM confirms cancellation of Arcelor Brasil's registration as a listed company (which confirmation is expected in 15 days after the auction and which shall be immediately disclosed to the public by Arcelor Brasil), all remaining shareholders in Arcelor Brasil who still wish to sell their shares to ArcelorMittal shall send a request to Arcelor Brasil and to the Intermediary Institution, Banco Santander Banespa S.A. The form of request to be completed and delivered by such shareholders will be available at the addresses and websites of Arcelor Brasil and the Intermediary Institution.

Additionally, if at any time prior to September 4, 2007 (inclusive), ArcelorMittal receives confirmation from the CVM that Arcelor Brasil's registration as a listed company has been cancelled, given that following the Offer it will hold more than 95% of the total capital of Arcelor Brasil, ArcelorMittal will cause a shareholders' meeting of Arcelor Brasil to be called to approve the redemption of the remaining shares at a price of R\$53.89, adjusted by the interest rate accrued until the sale date. When ArcelorMittal exercises this right, a further press release will detail the conditions of such squeeze-out and the sell-out proceedings will then be terminated.
