December 6, 2004

To the Preferred Shareholders of Brascan Financial Corporation:

On behalf of the Board of Directors of Brascan Financial Corporation (the Corporation), I would like to invite you to a Special Meeting of the Corporation's preferred shareholders to be held on **Thursday, December 30, 2004 at 11:00 a.m.**, in the Boardroom, at Suite 300, BCE Place, 181 Bay Street, Toronto, Ontario.

The purpose of the meeting is to consider and vote upon a special resolution approving an amalgamation (the Amalgamation) between the Corporation and Trilon Holdings Inc. (Trilon), resulting in the formation of a new corporation (Amalco). Both the Corporation and Trilon are subsidiaries of Brascan Corporation (Brascan). Following the Amalgamation, Amalco will combine with Brascan, with the effect that Brascan will acquire all of the assets and assume all of the liabilities of Amalco. As a result of the Amalgamation, the existing Classes I and II preferred shares of the Corporation that are currently outstanding will be exchanged for Class A preferred shares of Brascan with terms and conditions which are the same, in all material respects, as the preferred shares of the Corporation, and the existing indebtedness of the Corporation will become obligations of Brascan.

The Corporation was privatized in 2002 when Brascan increased its common share ownership from 70% to 100%. However the Corporation has existed since that time as a reporting issuer with publicly traded preferred shares and debt. The Amalgamation and subsequent combination with Brascan will reduce administrative costs and simplify operations for the Brascan group. Furthermore, as a result of the exchange of Class A preferred shares of Brascan for the preferred shares of the Corporation, the holders of the Corporation's preferred shares will benefit from Brascan's higher preferred share credit ratings.

Attached is the Notice of Special Meeting of Shareholders and the Management Information Circular for the Special Meeting of Shareholders that contain important information relating to the Amalgamation. All preferred shareholders of the Corporation are urged to read this information carefully. If you are in doubt as how to deal with the matters described in these materials, you should consult your professional advisors.

The Board of Directors of the Corporation has determined that the Amalgamation is in the best interests of the Corporation and has unanimously recommended that all preferred shareholders vote in favour of the special resolution approving the Amalgamation.

You are invited to attend the special meeting. However, if you are unable to attend, we would appreciate your signing and returning the accompanying form of proxy so that your vote is recorded. In the meantime, if you have any questions, please contact Linda Northwood, Director of Investor Relations at 416-363-0061.

Sincerely,

George E. Myhal

President and Chief Executive Officer

The solicitation of proxies and the transactions contemplated by the Amalgamation involve the securities of a Canadian company. This Circular is subject to Canadian disclosure requirements that are different from those of the United States. Financial statements included or incorporated by reference in this document have been prepared in accordance with Canadian generally accepted accounting standards that may not be comparable to the financial statements of United States companies.

It may be difficult for you to enforce your rights and any claim you may have arising under the United States federal securities laws as Brascan is located in Canada, and some or all of its officers and directors are residents of a foreign country. You may not be able to sue a foreign company or its officers or directors in a foreign court for violations of U.S. securities laws. It may be difficult to compel a foreign company and its affiliates to subject themselves to a U.S. court's judgment.

You should be aware that the acquisition of Brascan Class A Preference Shares in exchange for Preferred Shares in the Amalgamation may have tax consequences both in the United States and in Canada. If the Preferred Shares held by a U.S. shareholder prior to the Amalgamation were not restricted securities within the meaning of Rule 144 under the U.S. Securities Act, and the U.S. shareholder will not be an affiliate of Brascan following the Amalgamation, the Brascan Class A Preference Shares issued to such shareholder may be resold in the United States without restriction under the U.S. Securities Act. As defined in Rule 144, an affiliate of a corporation is a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under the common control with, such corporation.

Transaction Consideration

If the Amalgamation is approved by the Preferred Shareholders, each Preferred Shareholder (other than Dissenting Shareholders and Trilon) will receive the Preferred Share Consideration on the Effective Date.

Following the Amalgamation, the Class I Series A Shares and Class II Series Three Shares will represent the Brascan Class A Preference Shares, Series 13 and the Class II Series Four Shares will represent the Brascan Class A Preference Shares, Series 15 until replaced against transfer. Following the Effective Date, any holder of these shares may tender to Brascan's transfer agent their original share certificate(s) and receive in its place a new certificate

representing the Brascan Class A Preference Shares to which they are then entitled.

The Class II Series Two Shares are held through the book-entry system of CDS and therefore no certificates will be issued representing the Brascan Class A Preference Shares, Series 14.

See Information Regarding the Amalgamation Transaction Consideration.

Recommendation of the Board

The Board has determined that the Amalgamation is in the best interests of the Corporation. **The Board unanimously recommends that all shareholders vote in favour of the Special Resolution.**

See Information Regarding the Amalgamation Recommendation of the Board.

Certain Canadian Federal Income Tax Considerations

A Preferred Shareholder will not realize a capital gain or capital loss for Canadian federal income tax purposes on the exchange of Preferred Shares for Brascan Class A Preference Shares on the Amalgamation.

The tax treatment to a holder of taxable dividends received on a particular series of Brascan Class A Preference Shares will be the same as the treatment of dividends on the Preferred Shares exchanged therefor.

The foregoing is qualified by the more detailed summary that appears under Information Regarding the Amalgamation Certain Canadian Federal Income Tax Considerations .

Shareholder Approvals Required

In order for the Amalgamation to be effective under the Act, the Special Resolution must be passed by at least 66 2/3% of the votes cast in person or represented by proxy at the Meeting by holders of each class of Preferred Shares present.

As of the Record Date, Brascan holds, directly and indirectly, shares representing approximately 16% of the votes attaching to the Class II preferred shares of the Corporation and shares representing 100% of the votes attaching to the Class III preferred shares of the Corporation. Brascan has advised the Corporation that it intends to vote all of its Preferred Shares in favour of the Special Resolution.

Diversified Canadian holds shares representing approximately 32% of the votes attaching to the Class II preferred shares of the Corporation. Diversified Canadian has informed the Corporation that it intends to vote its Preferred Shares in favour of the Special Resolution.

See Information Regarding the Amalgamation Shareholder Approvals Required .

Right to Dissent

Registered holders of Preferred Shares have the right to dissent in respect of the Amalgamation and to be paid the fair value of the Preferred Shares held, as fixed by a court and determined as at the close of business on the day before the Special Resolution approving the Amalgamation is adopted, in cash upon strict compliance with the provisions of applicable law. Failure by a Dissenting Shareholder to adhere strictly to the requirements of section 185 of the Act may result in the loss or unavailability of rights under that section.

See Information Regarding the Amalgamation Right to Dissent .

THE MEETING AND GENERAL PROXY INFORMATION

The information contained in this Circular is furnished in connection with the solicitation by Management of proxies to be used at the Meeting of Preferred Shareholders of the Corporation to be held at the time and place and for the purposes set forth in the accompanying Notice. The solicitation will be made primarily by mail, but proxies may also be solicited personally or by telephone by regular employees of the Corporation at nominal cost. The cost of solicitation will be borne by the Corporation. The information contained herein is given as at November 30, 2004, unless indicated otherwise.

Date, Time and Place of Meeting

The Meeting of Shareholders will be held on Thursday, December 30, 2004, at 11:00 a.m., in the Boardroom, at Suite 300, BCE Place, 181 Bay Street, Toronto, Ontario.

Record Date

The Record Date for the determination of Preferred Shareholders entitled to notice of the Meeting is November 30, 2004.

Purpose of Meeting

At the Meeting, Preferred Shareholders will be asked to consider and, if deemed advisable, to approve, with or without amendment, the Special Resolution approving the Amalgamation on the terms set out in the Amalgamation Agreement, as set out in Appendix 2 to this Circular.

Appointment of Proxies

The persons named in the enclosed form of proxy are representatives of Management and are directors of the Corporation. **Each shareholder has the right to appoint a person, other than the persons named in the enclosed form of proxy, who need not be a shareholder of the Corporation, to represent such shareholder at the Meeting or any adjournment thereof.** Such right may be exercised by inserting such person's name in the blank space provided in the form of proxy. The completed form of proxy must be deposited with the Secretary of the Corporation c/o CIBC Mellon Trust Company, Attention: Proxy Department, Unit 6, 200 Queens Quay East, Toronto, Ontario M5A 4K9, not later than 11:00 a.m. on Friday, December 24, 2004 or, if the Meeting is adjourned, 48 hours (excluding Saturdays and holidays) before any adjournment of the Meeting.

Non-Registered Holders

Only registered holders of Preferred Shares, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Preferred Shares of the Corporation beneficially owned by a holder (a **Non-Registered Holder**) are registered either:

- (a) in the name of the intermediary (an **Intermediary**) that the Non-Registered Holder deals with in respect of the shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self administered registered retirement savings plans, registered retirement income funds, registered education savings plans and similar plans; or
- (b) in the name of a depository (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Edgar Filing: BRASCAN CORP/ - Form CB

In accordance with the requirements of National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer , the Corporation has distributed copies of the Meeting Materials to the depositaries and Intermediaries for onward distribution to Non-Registered Holders.

- 8 -

Intermediaries are required to forward meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Typically Intermediaries will use a service company (such as ADP Investor Communications) to forward the Meeting Materials to Non-Registered Holders.

Non-Registered Holders who have not waived the right to receive Meeting Materials will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

- (a) **Voting Instruction Form.** In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the voting instruction form must be completed, signed and returned in accordance with the directions on the form. Voting instruction forms in some cases permit the completion of the voting instruction form by telephone or through the Internet. If a Non-Registered Holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete, sign and return the voting instruction form in accordance with the directions provided and a form of proxy giving the right to attend and vote will be forwarded to the Non-Registered Holder.
- (b) **Form of Proxy.** Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete the form of proxy and deposit it with the Secretary of the Corporation c/o CIBC Mellon Trust Company, Attention: Proxy Department, Unit 6, 200 Queens Quay East, Toronto, Ontario M5A 4K9 as described above. If a Non-Registered Holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided.

Non-Registered Holders should follow the instructions on the forms they receive and contact their Intermediaries promptly if they need assistance.

The execution or exercise of a proxy does not constitute a written objection for the purposes of section 185 of the Act. For information on dissenting shareholder rights, see Information Regarding the Amalgamation Right to Dissent .

Revocation

A shareholder who has given a proxy has the power to revoke it as to any matter on which a vote has not already been cast pursuant to the authority conferred by such proxy and may do so:

- (a) by delivering another properly executed form of proxy bearing a later date and depositing it as aforesaid;
- (b) by depositing an instrument in writing revoking the proxy executed by the shareholder or by the shareholder's attorney authorized in writing;
 - (i) at the registered office of the Corporation at any time up to and including the last Business Day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used; or

(ii) with the Chairman of the Meeting, prior to its commencement, on the day of the Meeting or any adjournment thereof; or

(c) in any other manner permitted by law.

A Non-Registered Holder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote that is not received by the Intermediary at least seven days prior to the Meeting.

Voting of Shares Represented by Management Proxies

Shares represented by properly executed proxies in favour of the management representatives named in the enclosed form of proxy will be voted on any ballot that may be called for and, where the person whose proxy is solicited specifies a choice with respect to the matters identified in the proxy, the shares shall be voted in accordance with the specifications so made. **Where shareholders have properly executed proxies in favour of the management representatives named in the enclosed form of proxy and have not specified in the form of proxy the manner in which the named proxies are required to vote the shares represented thereby, such shares will be voted for the approval of such matter, as set forth in this Circular.** The enclosed form of proxy confers discretionary authority with respect to amendments or variations to the matters identified in the Notice and with respect to other matters that may properly come before the Meeting. At the date hereof, Management knows of no such amendments, variations or other matters to come before the Meeting.

Voting Shares and Principal Holders Thereof

As of November 30, 2004, the Corporation had outstanding 151,713,608 fully paid and non-assessable Common Shares. The Common Shares include 103,796,049 Class A Shares and 47,917,559 Class B Non-Voting Shares, which are convertible into Class A Shares at the holder's option at any time. The Common Shareholders approved the Amalgamation in a consent resolution dated December 3, 2004 and therefore are not required to vote at the Meeting.

As of November 30, 2004, the Corporation had outstanding the following Preferred Shares: 6,000,000 Class I Series A Shares, 665,000 Class II Series Two Shares, 3,999,000 Class II Series Three Shares, 4,000,000 Class II Series Four Shares, 5,000,000 Class III Series One Shares and 482,888 Class III Series Two Shares. Each holder of Preferred Shares of record at the close of business on November 30, 2004, the Record Date established for notice of the Meeting, will be entitled to one vote in respect of each \$1.00 of issue price of each Preferred Share held by the holder. Therefore holders of the Class II Series Two Shares are entitled to 100 votes per share on all matters proposed to come before the Meeting and all other holders of Preferred Shares are entitled to 25 votes per share on all matters proposed to come before the Meeting.

If a holder has transferred any Preferred Shares after the Record Date and the transferee of such shares establishes ownership of them and demands up to the time of the commencement of the Meeting of shareholders to be included in the list of shareholders entitled to vote at the Meeting, the transferee will be entitled to vote such shares.

To the knowledge of the directors and officers of the Corporation, the only persons who or corporations which beneficially own, directly or indirectly, or exercise control or direction over, voting securities carrying more than 10% or more of the voting rights attached to any class of voting shares of the Corporation entitled to be voted at the Meeting, the approximate number of the shares beneficially owned, directly or indirectly, or controlled or directed by each such person or company, and the percentage of the class of outstanding voting shares of the Corporation represented by such shares so owned, controlled or directed are:

Name	Number and Class of Shares	Number of Votes	Percentage of Class Votes
Brascan Corporation (including private subsidiaries)	314,975 Class II Series Two Shares

SPECIAL BUSINESS

The Meeting has been called to ask Preferred Shareholders to consider and, if deemed advisable, to approve, with or without amendment, the Special Resolution approving the Amalgamation, on the terms set out in the Amalgamation Agreement. A copy of the full text of the Special Resolution and a copy of the Amalgamation Agreement are attached as Appendices 1 and 2, respectively, to this Circular.

INFORMATION REGARDING THE AMALGAMATION

The Corporation

The Corporation was continued under the Act by a certificate and articles of continuance dated February 8, 1994. The Corporation changed its name from Trilon Financial Corporation on May 22, 2002. The Corporation's registered and principal office is at BCE Place, 181 Bay Street, Suite 300, Toronto, Ontario, M5J 2T3.

The Corporation is an asset management company. The Corporation's clients include governments, institutions, corporations and high net-worth individuals. The Corporation also provides select business services and is active in the capital markets.

The Corporation focuses its activities on industries that require substantial amounts of capital, such as real estate, natural resources, energy and financial services. As a subsidiary of Brascan, the Corporation benefits from the knowledge and expertise of Brascan's affiliates which include major companies operating in these industries.

For further information regarding the Corporation and its business, see the documents listed under the heading Additional Information Regarding the Corporation Documents Incorporated by Reference.

Reasons for the Amalgamation

The Corporation was privatized in 2002 when Brascan increased its common share ownership from 70% to 100%. However the Corporation has existed since that time as a reporting issuer with publicly traded Preferred Shares and debt. The Amalgamation is the first step in a series of transactions that will have the effect of combining the Corporation with Brascan. The Amalgamation and subsequent Combination is a further step in Brascan's ongoing strategy to simplify its corporate structure. The Amalgamation and the Combination will reduce administrative costs and simplify operations for the Brascan group. Furthermore, as a result of the exchange of Brascan Class A Preference Shares for the Preferred Shares, the Preferred Shareholders will benefit from Brascan's higher preferred share credit ratings.

Terms of the Amalgamation

The Amalgamation, which is being carried out pursuant to sections 175 and 176 of the Act, will be effected in accordance with the Amalgamation Agreement which is attached as Appendix 2 to this Circular. Subject to obtaining the requisite shareholder approvals, satisfaction or waiver of all other conditions as provided in the Amalgamation Agreement and the filing of articles of amalgamation, the Amalgamation will become effective on the Effective Date, expected to be on or about December 30, 2004.

On the Effective Date, the Corporation and Trilon will amalgamate and continue as Amalco and:

- (a) each issued and outstanding Class A Share (all of which are owned by Trilon) will be cancelled;
- (b) each issued and outstanding Class B Non-Voting Share (all of which are owned by Trilon) will be cancelled;
- (c) each issued and outstanding Class I Series A Share (other than those held by Dissenting Shareholders) will become one Brascan Class A Preference Share, Series 13;
- (d) each issued and outstanding Class II Series Two Share (other than those held by Dissenting Shareholders) will become one Brascan Class A Preference Share, Series 14;
- (e) each issued and outstanding Class II Series Three Share (other than those held by Dissenting Shareholders) will become one Brascan Class A Preference Share, Series 13;
- (f) each issued and outstanding Class II Series Four Share (other than those held by Dissenting Shareholders) will become one Brascan Class A Preference Share, Series 15;
- (g) each issued and outstanding Class III Series One Share (all of which are owned by Trilon) will be cancelled;
- (h) each issued and outstanding Class III Series Two Share (all of which are owned by Trilon) will be cancelled;
- (i) each issued and outstanding Trilon Common Share will become one Amalco Common Share;
- (j) each issued and outstanding Trilon Preference Share (other than those held by Dissenting Shareholders and held directly by Brascan) will become one Brascan Class A Preference Share, Series 16; and
- (k) each issued and outstanding Trilon Preference Share held directly by Brascan will become one Amalco Common Share.

As a result of the Amalgamation, all of the outstanding Preferred Shares of the Corporation will be exchanged for the respective series of Brascan Class A Preference Shares noted above, which shares shall have

terms and conditions that are the same, in all material respects, as the Preferred Shares for which they have been exchanged.

Declared but Unpaid Dividends

Any dividends declared by the Board of Directors for payment to Preferred Shareholders of record on a date prior to the Effective Date, which remain unpaid as at the date of the Amalgamation, will be paid on the payable date to all Preferred Shareholders of record on the record date for the dividend, notwithstanding the completion of the Amalgamation.

Conditions Precedent

The Amalgamation Agreement is subject to several conditions, including that: (a) the Preferred Shareholders of the Corporation approve the Amalgamation; (b) the Brascan Class A Preference Shares, Series 13 and 14 are freely tradable in all jurisdictions in Canada in which Preferred Shareholders reside and are conditionally approved for listing on the TSX; (c) all necessary governmental or regulatory approvals and consents have been obtained; and (d) no change in respect of the Corporation or Trilon (including a legal proceeding or a change in legislation) has occurred that might make it inadvisable for Brascan, the Corporation or Trilon to proceed with the Amalgamation.

Legal Effect of the Amalgamation and the Combination

Promptly following the Amalgamation, Brascan will cause the Combination to be completed. As a result of the Amalgamation and the Combination:

- (a) the property of each of the Corporation and Trilon will be the property of Brascan; and
- (b) Brascan will be liable for all of the obligations of each of the Corporation and Trilon.

Termination

The Amalgamation Agreement may be terminated by the Board prior to the issuance of a certificate of amalgamation, notwithstanding approval of the Special Resolution by Preferred Shareholders.

Transaction Consideration

If the Amalgamation is approved by the Preferred Shareholders, each Preferred Shareholder (other than Dissenting Shareholders and Trilon) will receive the Preferred Share Consideration on the Effective Date.

Following the Amalgamation, share certificates in respect of the Class I Series A Shares and Class II Series Three Shares will represent the Brascan Class A Preference Shares, Series 13 and share certificates in respect of the Class II Series Four Shares will represent the Brascan Class A Preference Shares, Series 15 until replaced against transfer. Following the Effective Date, any holder of these shares may tender to Brascan's transfer agent their original share certificate(s) and receive in its place a new certificate representing the Brascan Class A Preference Shares to which they are then entitled.

The Class II Series Two Shares are held through the book-entry system of CDS and therefore no certificates will be issued representing the Brascan Class A Preference Shares, Series 14.

Preferred Share Ratings

Edgar Filing: BRASCAN CORP/ - Form CB

Brascan has received from each of Standard & Poor's Rating Service (**S&P**) and Dominion Bond Rating Service Limited (**DBRS**) indicative ratings for the Brascan Class A Preference Shares, Series 13, 14 and 15 to be issued on the Amalgamation to holders of Preferred Shares. The following is a summary of the existing

- 13 -

ratings for the Preferred Shares and the indicative ratings received by Brascan in respect of the Brascan Class A Preference Shares, Series 13, 14 and 15.

Preferred Shares	S&P Rating	DBRS Rating
Existing Ratings:		
Class I Series A Shares	P-2 (low)	Pfd-2 (low)
Class II Series Three Shares	P-2 (low)	Pfd-3 (high)
Class II Series Four Shares	P-2 (low)	Pfd-3 (high)
Indicative Ratings:		
Brascan Class A Preference Shares, Series 13	P -2	Pfd-2(low)
Brascan Class A Preference Shares, Series 14	P -2	Pfd-2(low)
Brascan Class A Preference Shares, Series 15	P -2	Pfd-2(low)

A P-2 rating by S&P is the second of the three sub-categories within the second highest rating of the eight standard categories of ratings utilized by S&P for preferred shares. High and Low grades are used to indicate the relative credit standing of a credit within a particular rating category and a lack of one of these designations indicates a rating which is essentially in the middle of the category. A DBRS rating of Pfd-2(low) is the lowest sub-category within the second highest rating of the five standard categories of ratings utilized by DBRS for preferred shares. A DBRS rating of Pfd-3(high) is the highest sub-category within the third highest rating of the five standard categories of ratings utilized by DBRS for Preferred Shares.

Credit ratings are intended to provide investors with an independent measure of the credit quality of an issue of securities. The credit ratings accorded to the Class A Preference Shares, Series 13, 14 and 15 by these rating agencies are not recommendations to purchase, hold or sell the Class A Preference Shares, Series 13, 14 and 15 inasmuch as such ratings do not comment as to market price or suitability for a particular investor. There is no assurance that any rating will remain in effect for any given period of time or that any rating will not be revised or withdrawn entirely by a rating agency in the future if, in its judgment, circumstances so warrant.

Recommendation of the Board

The Board reviewed the proposed terms of the Amalgamation and the rationale for pursuing the Amalgamation with Management and discussed the impact on the Corporation and its shareholders. The Board noted these considerations in its review of the Amalgamation:

Preferred Shareholders will hold Brascan Class A Preference Shares which shares shall have terms and conditions that are the same, in all material respects, to the Preferred Shares for which they have been exchanged;

The Brascan Class A Preference Shares have indicative ratings which are higher than the ratings of the Preferred Shares; and

Brascan has a more diversified asset base than that of the Corporation.

After due consideration of these factors, the Board, at a meeting held on December 3, 2004, determined that the Amalgamation is in the best interests of the Corporation. **The Board unanimously recommends that all shareholders vote in favour of the Special Resolution.**

Certain Canadian Federal Income Tax Considerations

In the opinion of Torys LLP, counsel to the Corporation, the following summary fairly presents the principal Canadian federal income tax consequences under the Tax Act of the Amalgamation generally applicable to Preferred Shareholders who, for the purposes of the Tax Act and at all relevant times, hold their Preferred Shares and will hold their Brascan Class A Preference Shares as capital property, are resident in Canada and deal at arm's length with Brascan, Trilon and the Corporation (**Holders**). Such shares generally will

- 14 -

constitute capital property to a Holder unless the Holder holds such shares in the course of carrying on a business or has acquired such shares in a transaction or transactions considered to be an adventure in the nature of trade. Certain Holders whose shares might not otherwise qualify as capital property may be entitled, in certain circumstances, to obtain such qualification by making the irrevocable election permitted by subsection 39(4) of the Tax Act.

This summary is based on the current provisions of the Tax Act and the regulations issued thereunder (the **Regulations**) and on counsel's understanding of the current published administrative practices of the Canada Revenue Agency (the **CRA**). This summary takes into account all specific proposals to amend the Tax Act and the Regulations that have been publicly announced by the Minister of Finance (Canada) prior to the date hereof (the **Tax Proposals**), but does not otherwise take into account or anticipate any changes in law, whether by judicial, governmental or legislative decision or action, or changes in administrative practices of the CRA. No assurances can be given that the Tax Proposals will be enacted as proposed, if at all. This summary does not take into account the tax legislation of any province or territory of Canada or any non-Canadian jurisdiction. Provisions of provincial income tax legislation vary from province to province in Canada and in some cases differ from federal income tax legislation.

The Tax Act contains certain provisions relating to securities held by certain financial institutions (the **mark to market rules**). This summary does not take into account the mark to market rules and Holders that are financial institutions for the purpose of those rules should consult their own tax advisors.

The following summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any particular Holder. Accordingly, Holders should consult their own tax advisors with respect to their particular circumstances.

Disposition of Shares on Amalgamation

A Holder who, on the Amalgamation, exchanges Preferred Shares for Brascan Class A Preference Shares will realize neither a capital gain nor a capital loss on the exchange. The Holder will be considered to have disposed of the Preferred Shares for proceeds of disposition equal to their adjusted cost base to the Holder immediately before the Amalgamation and to have acquired Brascan Class A Preference Shares at an aggregate cost equal to those proceeds of disposition. Where more than one series of Brascan Class A Preference Shares are received, such cost will be allocated between such shares based on their relative fair market value. Under the current administrative practice of the CRA, a Holder may allocate such cost so that the cost of any series of shares received on the Amalgamation equals the adjusted cost base to the Holder immediately before the Amalgamation of the shares exchanged on the Amalgamation for that series.

Dissenting Shareholders

Under the current administrative practice of the CRA, Holders who exercise their right of dissent in respect of the Amalgamation should be considered to have disposed of their Preferred Shares for proceeds of disposition equal to the amount paid to them for such shares less the amount of any interest awarded by the court and will realize a capital gain (or capital loss) to the extent that those proceeds of disposition exceed (or are less than) their adjusted cost base of such shares. Any interest awarded to a Dissenting Shareholder will be included in the Dissenting Shareholder's income. Because of uncertainties under the relevant legislation, Dissenting Shareholders should consult their own tax advisors in this regard.

Brascan Class A Preference Shares

The tax treatment to a Holder under the Tax Act of taxable dividends received on a particular series of Brascan Class A Preference Shares will be the same as the treatment of dividends on the Preferred Shares exchanged

therefor.

- 15 -

Shareholder Approvals Required

In order for the Amalgamation to be effective under the Act, the Special Resolution must be passed by at least 66 2/3% of the votes cast in person or represented by proxy at the Meeting by holders of each class of Preferred Shares present.

It is the intention of the management representatives designated in the enclosed form of proxy to vote the shares in respect of which they are appointed proxy in favour of the Special Resolution unless a shareholder has specified in his proxy that the shareholder's Preferred Shares are to be voted against the Special Resolution.

As of the Record Date, Brascan holds, directly and indirectly, shares representing approximately 16% of the votes attaching to the Class II preferred shares of the Corporation and shares representing 100% of the votes attaching to the Class III preferred shares of the Corporation. Brascan has advised the Corporation that it intends to vote all of its Preferred Shares in favour of the Special Resolution.

Diversified Canadian holds approximately 32% of the votes attaching to the Class II preferred shares of the Corporation. Diversified Canadian has informed the Corporation that it intends to vote its Preferred Shares in favour of the Special Resolution.

Right to Dissent

Under provisions of section 185 of the Act, a registered shareholder of the Corporation is entitled to send to the Corporation a written objection to the Special Resolution in respect of approval of the Amalgamation. In addition to any other right a holder of Preferred Shares may have, when the Amalgamation becomes effective, a registered shareholder of the Corporation who complies with the dissent procedure under section 185 of the Act is entitled to be paid the fair market value of the Preferred Shares held by him in respect of which he dissents, determined as at the close of business on the day before the Special Resolution is adopted.

The dissent procedure provided by section 185 of the Act is summarized in Appendix 3 hereto and the text of section 185 of the Act is set out in Appendix 4 hereto. Holders of Preferred Shares who may wish to dissent are referred to such appendices. **A Preferred Shareholder may only exercise the right to dissent under section 185 of the Act in respect of Preferred Shares which are registered in that Preferred Shareholder's name.** Failure to comply strictly with the provisions of the Act may result in loss or unavailability of the right to dissent.

The execution or exercise of a proxy does not constitute a written objection for the purposes of section 185 of the Act.

As of the Record Date, Brascan holds, directly and indirectly, approximately 16% of the issued and outstanding Class II preferred share capital of the Corporation and 100% of the issued and outstanding Class III preferred share capital of the Corporation. Brascan has advised the Corporation that it does not intend to exercise its dissent rights in respect of any of the Preferred Shares that it holds.

Diversified Canadian holds approximately 32% of the issued and outstanding Class II preferred share capital of the Corporation. Diversified Canadian has informed the Corporation that it does not intend to exercise its dissent rights in respect of any of the Preferred Shares that it holds.

Filing of Articles of Amalgamation

Edgar Filing: BRASCAN CORP/ - Form CB

Assuming the requisite shareholder approvals are received and other conditions precedent are satisfied or waived, the Board intends to file articles of amalgamation under the Act on December 30, 2004. The Amalgamation will take place on the date shown on the certificate of amalgamation to be endorsed by the Director appointed under the Act. In the event shareholder approval is not given to the Amalgamation or the Board otherwise decides to revoke the Special Resolution prior to the Amalgamation coming into force, the Amalgamation will not

- 16 -

be effective. If the Amalgamation is not implemented, the Corporation intends to continue to operate as a subsidiary of Brascan.

Expenses of the Amalgamation

Assuming the Preferred Shareholders approve the Amalgamation and the Amalgamation is completed, the Corporation shall pay the costs of the Amalgamation including legal, accounting, filing and printing costs and the costs for the preparation of this Circular. Report on Executive Compensation

As of the year ended December 31, 2003, the Human Resources and Nominating Committee of the Board of Directors was comprised of Jack L. Cockwell (Chairman), Dr. Sy Eber, Karen Kain, and Donald C. Lowe. The Human Resources and Nominating Committee meets as required, and at least annually, to monitor and review management compensation policies, management succession planning and to review the overall composition and quality of the Corporation's management resources.

The Human Resources and Nominating Committee has a specific written mandate to review and approve executive compensation. This includes an annual evaluation of the performance of at least the five Named Executive Officers and a review of a report on the performance of the other executive officers. The Human Resources and Nominating Committee makes recommendations to the Board of Directors with respect to the compensation of the executive officers, and the Board gives final approval on compensation matters.

Executive compensation is determined based on the relative roles and responsibilities of the executive as compared to other executives in the Corporation and in the Canadian marketplace, as well as on the performance of the executive management team collectively in meeting the Corporation's goal of enhancing shareholder value. A specific objective of the Corporation is to attract and retain highly qualified and motivated individuals and to encourage a strong team approach. Accordingly, compensation levels are monitored to ensure they are competitive within the relevant marketplace and meet the Corporation's objectives.

The compensation arrangements of the Corporation are focussed on rewarding performance and are comprised of two key components: base salaries and a Variable Incentive Plan, which includes cash incentives and participation in the Corporation's long-term share ownership plans. The Corporation emphasizes improving long-term shareholder value, represented by the growth in the value of the Brascan Class A Limited Voting Shares.

Base Salaries

Base salaries for the Corporation's executives are reviewed annually to ensure that they reflect the relative contribution of each executive within the team. The Corporation believes that base salaries for the most senior executives should be set below the median level for comparable companies, taking into consideration the opportunity for the executive to participate at a higher level in the long-term share ownership plans such as allocations under the RSUP and the MSOP. In order to foster a team-based approach, which the Corporation believes is fundamental to meeting its long-term objectives, the difference between the base salaries of the Chief Executive Officer and the other Named Executive Officers is significantly less than in most other corporations.

Variable Incentive Plan

The Variable Incentive Plan provides for variable compensation awards to executives in an aggregate amount determined based primarily on an evaluation of the senior executive team's collective performance in meeting the Corporation's overall business plan objectives, as outlined below under the description of the Chief Executive Officer's compensation. Similar to the Corporation's philosophy towards base salaries, the difference between the Variable Incentive Plan awards for the Chief Executive Officer and other senior executives is relatively small. The performance of the individual is measured by the achievement of financial and other objectives. The performance of the individual

executive is also taken into account on a subjective basis. In order to further align management objectives with those of the Corporation's shareholders, executives may elect to receive all or a portion of their annual Variable Incentive Plan awards in Deferred Share Units, Restricted Share Appreciation Units or options, as described below under Long-Term Share Ownership Plans .

Long-Term Share Ownership Plans

The Corporation's long-term share ownership plans (the **Long-Term Share Ownership Plans**) are intended to reward Management based on increases in the value of Brascan Class A Limited Voting Shares. The purpose of these arrangements is to achieve a commonality of interest between shareholders and Management and to motivate executives to improve the Corporation's long-term financial success, measured in terms of enhanced shareholder wealth over the long term.

The Corporation's Long-Term Share Ownership Plans consist of the following components:

- (a) A Restricted Share Unit Plan (RSUP) under which executives of the Corporation may at their option receive all or a portion of their Variable Incentive Plan awards in Deferred Share Units or Restricted Share Appreciation Units. Deferred Share Units and Restricted Share Appreciation Units vest over a five-year period and may only be redeemed for cash during the year following cessation of employment through retirement, resignation, termination or death.

Deferred Share Units are issued based on the closing price of Brascan Class A Limited Voting Shares on the last trading day preceding the date of the award. Holders of Deferred Share Units will be allotted additional Deferred Share Units as dividends are paid on the Brascan Class A Limited Voting Shares on the same basis as if the dividends were reinvested pursuant to Brascan's dividend reinvestment plan. The redemption value of Deferred Share Units will be equivalent to the market value of an equivalent number of the Brascan Class A Limited Voting Shares.

An executive may also elect to receive all or a portion of their Variable Incentive Plan awards in the form of Restricted Share Appreciation Units within limits approved by the Board of Directors and supported by any accrued value of the executive's Deferred Share Units. Restricted Share Appreciation Units will not be adjusted for dividends paid on Brascan Class A Limited Voting Shares. The redemption value of Restricted Share Appreciation Units will be equal to the difference between the market value of an equivalent number of Brascan Class A Limited Voting Shares and the original Allotment Price for such Restricted Share Appreciation Units. In the event that any Restricted Share Appreciation Units have a negative value, such amount will be deducted from the aggregate value of the Deferred Share Units or other Restricted Share Appreciation Units held by the executive.

- (b) A Management Share Option Plan (MSOP) under which the executives of the Corporation may elect to receive all or a portion of their Variable Incentive Plan awards in the form of options granted to purchase Brascan Class A Limited Voting Shares at a fixed price, being the closing price of Brascan Class A Limited Voting Shares on the TSX on the last trading day preceding the date of the grant. The options vest as to 20% at the end of each year on a cumulative basis and are exercisable over a ten-year period.

Chief Executive Officer

Mr. George Myhal, the Chief Executive Officer of the Corporation, has been charged by the Board of Directors to develop and implement a business strategy focussed on creating shareholder value by building a funds management business.

Mr. Myhal's overall rewards as a shareholder and officer of the Corporation are linked directly to the performance of the Corporation as reflected by the growth in the Corporation's operating cash flows.

Mr. Myhal's personal performance, as well as the performance of the Corporation's senior executive team, is rated each year in relation to the achievement of predetermined objectives. Major achievements in 2003 included:

increasing net income to \$1.97 per share for 2003, which exceeded plan;

-33-

increasing assets under management to \$7 billion, which exceeded plan;

integrating the Corporation's asset management operations, including the launch of the Brascan Real Estate Opportunity Fund and the Brascan Real Estate Finance Fund, and the initiation of the Corporation's Timberland Fund;

realizing a substantial gain from the sale of the Corporation's investment in Northgate Exploration Limited;

introducing a number of new shareholders and asset level institutional partners; and

demonstrating strong leadership to the other senior executives in the execution of the Corporation's business strategy and achievement of related objectives.

Mr. Myhal received a salary of \$325,000 during 2003, compared with \$325,000 in 2002. In addition, taking into account Mr. Myhal's performance as described above, the Human Resources and Nominating Committee, at its meeting in February 2004, awarded Mr. Myhal \$600,000 under the Variable Incentive Plan. Mr. Myhal elected to receive one-half of his variable compensation in the form of Restricted Share Appreciation Units, based on a Black Scholes valuation, and the other half in the form of options, also based on a Black Scholes valuation. As a result, no portion of Mr. Myhal's variable compensation for 2003 was paid to him in cash. The Restricted Share Appreciation Units vest over five years and are only redeemable upon Mr. Myhal's retirement from the Corporation for an amount equal to the increase in the price of the Brascan Class A Limited Voting Shares between the date of the issue of the Restricted Share Appreciation Units and their redemption.

Report presented by the members of the Committee:

Jack L. Cockwell (*Chairman*), Karen Kain, Dr. Sy Eber and Donald C. Lowe.

Indebtedness to the Corporation

In response to changing US guidelines on executive loans, the Corporation discontinued granting any further executive loans under its Management Share Purchase Plan (**MSPP**) and its Executive Share Ownership Plan (**ESOP**) effective June 2002.

As at November 30, 2004, aggregate indebtedness (other than routine indebtedness under applicable Canadian securities laws) of all officers, directors and employees and former officers, directors and employees of the Corporation and its subsidiaries made in connection with the purchase of securities of the Corporation or other approved shares was approximately \$17.8 million. Under the ESOP, loans were made to executive officers of the Corporation to enable them to continue to own shares (the **Approved Shares**) designated by the Board of Directors, excluding shares pledged under the MSPP. Each loan is evidenced by a promissory note of the executive officer and the Approved Shares are pledged as collateral security for the payment of the note. The loans bear interest, payable quarterly, at a rate equal to the prime rate of a Canadian chartered bank.

Compensation of Directors

Directors of the Corporation who are not full-time employees of the Corporation or an associated corporation or who do not represent the major shareholder of the Corporation (**Independent Directors**) are entitled to receive as directors an annual fee of \$30,000. In addition, the chairman of the Audit Committee receives an annual fee of \$3,000 and the lead Independent Director receives an annual fee of \$3,000. Directors who are members of committees no longer receive an attendance fee for each committee meeting attended. In the 2003 fiscal year, directors of the Corporation received a total of \$190,050 compensation and received a total of \$162,000 for 2004 to the date of this Circular. Directors are also reimbursed for travel and other out-of-pocket expenses incurred in attending board or committee meetings.

Directors and Officers Liability Insurance

The Corporation maintains directors and officers insurance with an annual policy limit of \$50,000,000 subject to a corporate deductible of \$250,000 per loss. Under this insurance coverage, the Corporation and certain of its associated companies (the **Group**) are reimbursed for indemnity payments made to directors or officers required or permitted by law or under provisions of its by-laws as indemnity for losses, including legal costs, arising from acts, errors or omissions committed by directors and officers without any deductible if they are not indemnified by the Group. The insurance coverage for directors and officers has certain exclusions including, but not limited to, those acts determined to be deliberately fraudulent or dishonest or to have resulted in personal profit or advantage. The cost of such insurance is borne by the Group and is approximately \$91,401 and \$98,713 (inclusive of GST) annually.

CORPORATE GOVERNANCE PRACTICES

Statement of Corporate Governance Practices

Corporate governance relates to the activities of the Board of Directors who are elected by and are accountable to the shareholders, and takes into account the role of Management who are appointed by the Board of Directors and who are charged with the ongoing management of the Corporation.

The Board of Directors encourages sound corporate governance practices designed to promote the well-being and ongoing development of the Corporation, having always as its ultimate objective the best long-term interests of the Corporation and the enhancement of value for all shareholders. The Board also believes that sound corporate governance benefits the Corporation's employees and the communities in which the Corporation operates.

The Board is of the view that the Corporation's governance policies and practices, outlined below, are appropriate and substantially consistent with the guidelines for improved corporate governance in Canada adopted by the TSX.

Board of Directors

Mandate of the Board

The Board of Directors oversees the management of the Corporation's affairs directly and through its committees. In doing so, the Board acts at all times with a view to the best interests of the Corporation and its shareholders. In fulfilling its mandate, the Board, among other matters, is responsible for: reviewing the Corporation's overall business strategies and its annual business plan for achieving its objectives; reviewing the principal risks of the Corporation's business to ensure that appropriate systems are in place to manage these risks; reviewing strategic initiatives to ensure that the Corporation's proposed actions accord with shareholder objectives; appointing the Corporation's senior executives and reviewing succession planning; assessing Management's performance against approved business plans and industry standards; reviewing and approving the reports issued to shareholders, including annual and interim financial statements, as well as materials prepared for shareholders' meetings; ensuring the effective operation of the Board of Directors; and safeguarding shareholders' equity interests through the optimum utilization of the Corporation's capital resources, including setting an appropriate dividend policy.

Meetings of the Board

The Board of Directors meets at least once in each quarter, with additional meetings held when appropriate. The Board also meets annually to review and approve the Corporation's business plan. In 2003, there were four regular meetings and one special meeting to review the Corporation's strategic business plan. During the period in 2004 prior to the date of this Circular, the Board met four times on regularly scheduled matters and once to consider this proposed Amalgamation. Meeting frequency and agenda items may change depending on the opportunities or risks facing the Corporation.

The Independent Directors of Brascan Financial meet privately at each Board meeting, without Management present, to discuss any matters relevant to the operation and to governance. Subsequent communications and discussion with Management then take place.

Size of Board

The Board of Directors currently consists of 12 members. The Board of Directors considers this to be an appropriate number to ensure an effective and efficient board given the range of its financial services operations.

Composition of the Board and Representation of Shareholder Interests

The Board of Directors is comprised of Independent Directors, individuals nominated by its principal shareholder and directors drawn from Management. The Board believes that this combination leads to a constructive exchange of views in Board deliberations, resulting in objective, well-balanced and informed discussion and decision-making.

The Board considers that nine of its current 12 directors, comprising a majority of the Board, are unrelated directors within the meaning of the Guidelines adopted by the TSX, that is, free from any interest, business or other relationships (other than interest and relationships arising from shareholdings) which could, or could reasonably be perceived to, materially interfere with the director's ability to act in the best interests of the Corporation and all its shareholders. In making this determination, the circumstances of each director have been examined in relation to a number of factors, including whether or not they are, or have been, members of Management or an officer of a subsidiary. The three directors who are related are J.M. Blidner, G.E. Myhal and T.R. Price, all of whom are members of Management.

The Board considers that seven of the current nine unrelated directors are also Independent Directors in the sense that they are free from any interests in or relationships with its major shareholder. These directors are A.G. Craig, S.E. Crocker, W.A. Dimma, S. Eber, K. Kain, D.C. Lowe and F. Potter. The other two unrelated directors, J.L. Cockwell and J.B. Flatt represent the major shareholder.

The Corporation believes that the membership on the Board of the Independent Directors fairly represents the investment in the Corporation by minority shareholders.

Committees of the Board

The Board of Directors believes that Board committees assist in the effective functioning of the Board of Directors and that the composition of Board committees should ensure that the views of unrelated and Independent Directors are effectively represented. The Board of Directors has three standing committees: the Audit Committee, the Governance and Business Conduct Committee and the Human Resources and Nominating Committee. Special committees may be formed from time to time as required to review particular matters or transactions. While the Board of Directors retains overall responsibility for corporate governance matters, each of the committees of the Board has specific responsibilities for certain aspects of corporate governance. These responsibilities and the composition of each standing committee are described below.

Audit Committee

The Audit Committee is responsible for monitoring the Corporation's systems and procedures for financial reporting, risk management and internal controls, reviewing all public disclosure documents and monitoring the performance of the Corporation's external auditors. The Audit Committee is responsible for reviewing the Corporation's interim and annual financial statements and management's financial analysis and review of operations prior to their approval by the full Board of Directors and release to the public. The Audit Committee also meets periodically in private with the Corporation's external auditors to discuss and review specific issues as appropriate. The Audit Committee met five times in 2003 and four times in 2004 prior to the date of this Circular.

The Audit Committee is currently comprised of the following four directors, all of whom are unrelated and Independent Directors: A. Gordon Craig, William A. Dimma, Donald C. Lowe (Chairman) and Frank Potter.

Governance and Business Conduct Committee

It is the responsibility of the Governance and Business Conduct Committee, in consultation with the Chairman of the Board of Directors, to review the effectiveness of the Board's operations and its relations with Management, to assess the performance of the Board, the committees of the Board and its individual directors and to

review the Corporation's statement of corporate governance practices. The Governance and Business Conduct Committee also has the responsibility of reviewing the business ethics and conflicts of interest of employees, directors and shareholders. The Board of Directors has established an Investment, Credit and Risk Management Policy which establishes limits for various transactions. All proposed transactions, which fall under OSC Rule 61-501 Insider Bids, Issuer Bids, Going Private Transactions and Related Party Transactions or are above the limits established by the Board and involve related parties, must be approved in advance by the Governance and Business Conduct Committee. The Governance and Business Conduct Committee met twice in 2003 and once in 2004 prior to the date of this Circular.

The Governance and Business Conduct Committee is currently comprised of the following four directors, all of whom are unrelated and Independent Directors: A. Gordon Craig, Susan E. Crocker, William A. Dimma (Chairman), Frank Potter.

Human Resources and Nominating Committee

The Human Resources and Nominating Committee is responsible for reviewing and reporting to the Board on management resource planning, including responsibilities of senior management; succession planning and proposed senior management appointments; the form of executive compensation in general; the performance of senior management against written objectives and the levels of compensation of senior executives. The Human Resources and Nominating Committee also has the responsibility, in consultation with the Chairman of the Board to periodically assess the size and composition of the Board and its committees, to propose new nominees to the Board, and review and recommend directors' compensation. The Human Resources and Nominating Committee met once in 2003 and once in 2004 prior to the date of this Circular.

The Human Resources and Nominating Committee is currently comprised of the following four directors, a majority of whom are unrelated and Independent Directors: Jack L. Cockwell (Chairman), Dr. Sy Eber, Karen Kain and Donald C. Lowe.

Management

The primary responsibility of Management is to safeguard the Corporation's assets and to create wealth for its shareholders. When Management's performance is found to be inadequate, the directors have the responsibility to bring about change to enable the Corporation to perform satisfactorily. The Corporation's governance principles are intended to encourage autonomy and effective decision making on the part of Management while ensuring scrutiny by the Board of Directors and its committees.

Management's Relationship to the Board

Management reports to and is accountable to the Board of Directors. Jeffrey M. Blidner, the Vice-Chairman of the Corporation, Timothy R. Price, the Chairman of the Corporation and George E. Myhal, the President and Chief Executive Officer of the Corporation are also members of the Board of Directors. At its meetings, the Board regularly engages in a private session with the Corporation's Chairman and President without other members of senior management present. The Board also meets independently of all senior management on a regular basis, under the leadership of an independent lead director, William A. Dimma.

Management Accountability

The Board of Directors believes in the importance of developing business plans to ensure the compatibility of shareholder, Board and Management views on the Corporation's strategic direction and performance targets, and the effective utilization of shareholder capital. A special meeting of the Board is held each year to review the strategic initiatives and annual business plan submitted by senior management. The Board's approval of the annual business plan provides a mandate for senior management to conduct the affairs of the Corporation within the terms of the plan, knowing it has the necessary Board support. Material deviations from the plan are reported to and considered by the Board.

Board Information

The information provided by Management to directors is considered to be critical to their effectiveness. In addition to the reports presented to the Board at its regular and special meetings, the Board is also kept informed on a timely basis by Management of corporate developments and key decisions taken by Management in pursuing the Corporation's strategic plan and the attainment of its objectives. The directors periodically assess the quality, completeness and timeliness of information provided by Management to the Board.

New directors are provided with comprehensive information about the Corporation and its affiliates. Directors have the opportunity to meet and to participate in work sessions with senior management to obtain insight into the operations of the Corporation and its affiliates. Individual directors are also free to consult with members of senior management, whenever they so require, and to engage outside advisors with Board authorization.

Management Rewards

The Corporation's compensation policies are intended to provide a direct link between management rewards and the wealth created for shareholders, so that the largest portion of senior executives' rewards can be earned through share ownership. The Corporation is committed to conducting periodic reviews of its compensation practices to ensure that Management is fairly rewarded over time based on performance.

Communication and Disclosure Policies

The Corporation endeavours to keep its shareholders informed of its progress through a comprehensive annual report, quarterly interim reports and periodic press releases. It also maintains a web site that provides summary information on the Corporation and ready access to its published reports, press releases, statutory filings and supplementary information provided to analysts and investors.

The Corporation also maintains an investor relations program to respond to inquiries in a timely manner. Management meets on a regular basis with investment analysts and financial advisors to ensure that accurate information is available to investors. The Corporation also endeavours to ensure that the media are kept informed of developments as they occur, and have an opportunity to meet and discuss these developments with the Corporation's Chairman.

The Corporation also has a Disclosure Policy which summarizes its policies and practices regarding disclosure of material information to investors, analysts and the media. The purpose of this policy is to ensure that the Corporation's communications with the investment community are timely, consistent and in compliance with all applicable securities legislation.

Code of Business Conduct

In August 2003, the Board of Directors approved a Code of Business Conduct (**Code**) for the directors and employees of the Corporation and its wholly-owned subsidiaries. It has always been the policy of the Corporation that all its activities be conducted with the highest standards of honesty and integrity and in compliance with all legal requirements. The Code formally sets out standards for behaviour and practice and requires all directors and employees to indicate in writing their familiarity with the Code and their agreement to comply with it. This Code is reviewed annually by the Board of Directors.

APPENDIX 3

SUMMARY OF PROCEDURE TO EXERCISE DISSENT RIGHT

The procedure to be followed by a shareholder who intends to dissent from the special resolution approving the amalgamation of Brascan Financial Corporation (the **Corporation**) and Trilon Holdings Inc. (the **Amalgamation**) described in the accompanying management information circular and who wishes to require the Corporation to acquire his shares and pay him fair value thereof, determined as of the close of business on the day before the special resolution is adopted, is set out in section 185 of the *Business Corporations Act* (Ontario) (the **OBCA**).

Section 185 provides that a shareholder may only make a claim with respect to all the shares of a class held by him on behalf of any one beneficial owner and registered in the shareholder's name. One consequence of this provision is that **a shareholder may only exercise the right to dissent under section 185 in respect of shares in that shareholder's name**. In many cases, shares beneficially owned by a person (a **Non-Registered Holder**) are registered either: (a) in the name of an intermediary that the Non-Registered Holder deals with in respect of the shares (such as banks, trust companies, securities dealers and brokers, trustees or administrators of self administered RRSPs, RRIFs, RESPs and similar plans, and their nominees); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (**CDS**)) of which the intermediary is a participant. Accordingly, a Non-Registered Holder will not be entitled to exercise the right to dissent under section 185 directly (unless the shares are re-registered in the Non-Registered Holder's name). A Non-Registered Holder who wishes to exercise the right to dissent should immediately contact the intermediary who the Non-Registered Holder deals with in respect of the shares and either: (i) instruct the intermediary to exercise the right to dissent on the Non-Registered Holder's behalf (which, if the shares are registered in the name of CDS or other clearing agency, would require that the share first be re-registered in the name of the intermediary); or (ii) instruct the intermediary to re-register the shares in the name of the Non-Registered Holder, in which case the Non-Registered Holder would have to exercise the right to dissent directly.

A registered shareholder who wishes to invoke the provisions of section 185 of the OBCA must send to the Corporation a written objection to the special resolution (the **Notice of Dissent**) at or before the time fixed for the shareholders meeting at which the special resolution is to be voted on. The sending of a Notice of Dissent does not deprive a registered shareholder of his right to vote on the special resolution but a vote either in person or by proxy against the special resolution does not constitute a Notice of Dissent. A vote in favour of the special resolution will deprive the registered shareholder of further rights under section 185 of the OBCA.

Within 10 days after the adoption of the special resolution by the shareholders, the Corporation is required to notify in writing each shareholder who has filed a Notice of Dissent and has not voted for the special resolution or withdrawn his objection (a **Dissenting Shareholder**) that the special resolution has been adopted. A Dissenting Shareholder shall, within 20 days after he receives notice of adoption of the special resolution, or, if he does not receive such notice, within 20 days after he learns that the special resolution has been adopted, send to the Corporation a written notice (the **Demand for Payment**) containing his name and address, the number and class of shares in respect of which he dissents, and a demand for payment of the fair value of such shares. Within 30 days after sending his Demand for Payment, the Dissenting Shareholder shall send the certificates representing the shares in respect of which he dissents to the Corporation or its transfer agent. The Corporation or the transfer agent shall endorse on the share certificates notice that the holder thereof is a Dissenting Shareholder under section 185 of the OBCA and shall forthwith return the share certificates to the Dissenting Shareholder.

If a Dissenting Shareholder fails to send the Notice of Dissent, the Demand for Payment or his share certificates, he has no right to make a claim under section 185 of the OBCA.

After sending a Demand for Payment, a Dissenting Shareholder ceases to have any rights as a holder of the shares in respect of which he has dissented other than the right to be paid the fair value of such shares as determined under section 185 of the OBCA, unless: (i) the Dissenting Shareholder withdraws his Demand for Payment before the Corporation makes a written offer to pay (the **Offer to Pay**); (ii) the Corporation fails to make

a timely Offer to Pay to the Dissenting Shareholder and the Dissenting Shareholder withdraws his Demand for Payment; or (iii) the directors of the Corporation revoke the special resolution relating to the Amalgamation, in all of which cases the Dissenting Shareholder's rights as a shareholder are reinstated.

Not later than seven days after the later of the effective date of the Amalgamation and the day the Corporation receives the Demand for Payment, the Corporation shall send, to each Dissenting Shareholder who has sent a Demand for Payment, an Offer to Pay for the shares of the Dissenting Shareholder in respect of which he has dissented in an amount considered by the directors of the Corporation to be the fair value thereof, accompanied by a statement showing how the fair value was determined. Every Offer to Pay made to Dissenting Shareholders for shares of the same class shall be on the same terms. The amount specified in an Offer to Pay which has been accepted by a Dissenting Shareholder shall be paid by the Corporation within 10 days of the acceptance, but an Offer to Pay lapses if the Corporation has not received an acceptance thereof within 30 days after the Offer to Pay has been made.

If an Offer to Pay is not made by the Corporation or if a Dissenting Shareholder fails to accept an Offer to Pay, the Corporation may, within 50 days after the effective date of the Amalgamation or within such further period as a court may allow, apply to the court to fix a fair value for the shares of any Dissenting Shareholder. If the Corporation fails to so apply to the court, a Dissenting Shareholder may apply to the Superior Court of Justice of Ontario for the same purpose within a further period of 20 days or within such further period as the court may allow. A Dissenting Shareholder is not required to give security for costs in any application to the court.

Before making application to the court or not later than 7 days after receiving notice of an application to the court by a Dissenting Shareholder, the Corporation shall give to each Dissenting Shareholder who has sent to the Corporation a Demand for Payment and has not accepted an Offer to Pay, notice of the date, place and consequences of the application and of his right to appear and be heard in person or by counsel. A similar notice shall be given to each Dissenting Shareholder who, after the date of the first mentioned notice and before termination of the proceedings commenced by the application, sends the Corporation a Demand for Payment and does not accept an Offer to Pay, such notice to be sent within 3 days thereafter. All such Dissenting Shareholders shall be joined as parties to any such application to the court to fix a fair value and shall be bound by the decision rendered by the court in the proceedings commenced by such application. The court is authorized to determine whether any person is a Dissenting Shareholder who should be joined as a party to such application.

The court shall fix a fair value for the shares of all Dissenting Shareholders and may in its discretion allow a reasonable rate of interest on the amount payable to each Dissenting Shareholder from the effective date of the Amalgamation until the date of payment of the amount ordered by the court. The final order of the court in the proceedings commenced by an application by the Corporation or a Dissenting Shareholder shall be rendered against the Corporation and in favour of each Dissenting Shareholder, who whether before or after the date of the order, sends the Corporation a Demand for Payment and does not accept an Offer to Pay. The cost of any application to a court by the Corporation or a Dissenting Shareholder will be in the discretion of the court. Where, however, the Corporation fails to make an Offer to Pay, the costs of the application by a Dissenting Shareholder are to be borne by the Corporation unless the court otherwise orders.

The above is only a summary of the dissenting shareholder provisions of the OBCA, which are technical and complex. It is suggested that a shareholder of the Corporation wishing to exercise a right to dissent should seek legal advice, as failure to comply strictly with the provisions of the OBCA may result in the loss or unavailability of the right to dissent.

APPENDIX 4

**SECTION 185 OF THE
BUSINESS CORPORATIONS ACT (ONTARIO)**

185. (1) Rights of dissenting shareholders Subject to subsection (3) and to sections 186 and 248, if a corporation resolves to,

- (a) amend its articles under section 168 to add, remove or change restrictions on the issue, transfer or ownership of shares of a class or series of the shares of the corporation;
- (b) amend its articles under section 168 to add, remove or change any restriction upon the business or businesses that the corporation may carry on or upon the powers that the corporation may exercise;
- (c) amalgamate with another corporation under sections 175 and 176; (d) be continued under the laws of another jurisdiction under section 181; or
- (e) sell, lease or exchange all or substantially all its property under subsection 184(3),

a holder of shares of any class or series entitled to vote on the resolution may dissent.

(2) Idem If a corporation resolves to amend its articles in a manner referred to in subsection 170(1), a holder of shares of any class or series entitled to vote on the amendment under section 168 or 170 may dissent, except in respect of an amendment referred to in,

- (a) clause 170(1)(a), (b) or (e) where the articles provide that the holders of shares of such class or series are not entitled to dissent; or
- (b) subsection 170(5) or (6).

(3) Exception A shareholder of a corporation incorporated before the 29th day of July, 1983 is not entitled to dissent under this section in respect of an amendment of the articles of the corporation to the extent that the amendment,

- (a) amends the express terms of any provision of the articles of the corporation to conform to the terms of the provision as deemed to be amended by section 277; or
- (b) deletes from the articles of the corporation all of the objects of the corporation set out in its articles, provided that the deletion is made by the 29th day of July, 1986.

(4) Shareholder's right to be paid fair value In addition to any other right the shareholder may have, but subject to subsection (30), a shareholder who complies with this section is entitled, when the action approved by the resolution from which the shareholder dissents becomes effective, to be paid by the corporation the fair value of the shares held by the shareholder in respect of which the shareholder dissents, determined as of the close of business on the day before the resolution was adopted.

(5) No partial dissent A dissenting shareholder may only claim under this section with respect to all the shares of a class held by the dissenting shareholder on behalf of any one beneficial owner and registered in the name of the dissenting shareholder.

(6) **Objection** A dissenting shareholder shall send to the corporation, at or before any meeting of shareholders at which a resolution referred to in subsection (1) or (2) is to be voted on, a written objection to the resolution, unless the corporation did not give notice to the shareholder of the purpose of the meeting or of the shareholder's right to dissent.

(7) **Idem** The execution or exercise of a proxy does not constitute a written objection for purposes of subsection (6).

(8) **Notice of adoption of resolution** The corporation shall, within ten days after the shareholders adopt the resolution, send to each shareholder who has filed the objection referred to in subsection (6) notice that the resolution has been adopted, but such notice is not required to be sent to any shareholder who voted for the resolution or who has withdrawn the objection.

(9) **Idem** A notice sent under subsection (8) shall set out the rights of the dissenting shareholder and the procedures to be followed to exercise those rights.

(10) **Demand for payment of fair value** A dissenting shareholder entitled to receive notice under subsection (8) shall, within twenty days after receiving such notice, or, if the shareholder does not receive such notice, within twenty days after learning that the resolution has been adopted, send to the corporation a written notice containing,

(a) the shareholder's name and address;

(b) the number and class of shares in respect of which the shareholder dissents; and

(c) a demand for payment of the fair value of such shares.

(11) **Certificates to be sent in** Not later than the thirtieth day after the sending of a notice under subsection (10), a dissenting shareholder shall send the certificates representing the shares in respect of which the shareholder dissents to the corporation or its transfer agent.

(12) **Idem** A dissenting shareholder who fails to comply with subsections (6), (10) and (11) has no right to make a claim under this section.

(13) **Endorsement on certificate** A corporation or its transfer agent shall endorse on any share certificate received under subsection (11) a notice that the holder is a dissenting shareholder under this section and shall return forthwith the share certificates to the dissenting shareholder.

(14) **Rights of dissenting shareholder** On sending a notice under subsection (10), a dissenting shareholder ceases to have any rights as a shareholder other than the right to be paid the fair value of the shares as determined under this section except where,

(a) the dissenting shareholder withdraws notice before the corporation makes an offer under subsection (15);

(b) the corporation fails to make an offer in accordance with subsection (15) and the dissenting shareholder withdraws notice; or

(c) the directors revoke a resolution to amend the articles under subsection 168(3), terminate an amalgamation agreement under subsection 176(5) or an application for continuance under subsection 181(5), or abandon a sale, lease or exchange under subsection 184(8),

in which case the dissenting shareholder's rights are reinstated as of the date the dissenting shareholder sent the notice referred to in subsection (10), and the dissenting shareholder is entitled, upon presentation and surrender to the corporation or its transfer agent of any certificate representing the shares that has been endorsed in accordance with subsection (13), to be issued a new certificate representing the same number of shares as the certificate so presented, without payment of any fee.

(15) **Offer to pay** A corporation shall, not later than seven days after the later of the day on which the action approved by the resolution is effective or the day the corporation received the notice referred to in subsection (10), send to each dissenting shareholder who has sent such notice,

(a) a written offer to pay for the dissenting shareholder's shares in an amount considered by the directors of the corporation to be the fair value thereof, accompanied by a statement showing how the fair value was determined; or

(b) if subsection (30) applies, a notification that it is unable lawfully to pay dissenting shareholders for their shares.

(16) **Idem** Every offer made under subsection (15) for shares of the same class or series shall be on the same terms.

(17) **Idem** Subject to subsection (30), a corporation shall pay for the shares of a dissenting shareholder within ten days after an offer made under subsection (15) has been accepted, but any such offer lapses if the corporation does not receive an acceptance thereof within thirty days after the offer has been made.

(18) **Application to court to fix fair value** Where a corporation fails to make an offer under subsection (15) or if a dissenting shareholder fails to accept an offer, the corporation may, within fifty days after the action approved by the resolution is effective or within such further period as the court may allow, apply to the court to fix a fair value for the shares of any dissenting shareholder.

(19) **Idem** If a corporation fails to apply to the court under subsection (18), a dissenting shareholder may apply to the court for the same purpose within a further period of twenty days or within such further period as the court may allow.

(20) **Idem** A dissenting shareholder is not required to give security for costs in an application made under subsection (18) or (19).

(21) **Costs** If a corporation fails to comply with subsection (15), then the costs of a shareholder application under subsection (19) are to be borne by the corporation unless the court otherwise orders.

(22) **Notice to shareholders** Before making application to the court under subsection (18) or not later than seven days after receiving notice of an application to the court under subsection (19), as the case may be, a corporation shall give notice to each dissenting shareholder who, at the date upon which the notice is given,

(a) has sent to the corporation the notice referred to in subsection (10); and

(b) has not accepted an offer made by the corporation under subsection (15), if such an offer was made,

of the date, place and consequences of the application and of the dissenting shareholder's right to appear and be heard in person or by counsel, and a similar notice shall be given to each dissenting shareholder who, after the date of such first mentioned notice and before termination of the proceedings commenced by the application, satisfies the conditions set out in clauses (a) and (b) within three days after the dissenting shareholder satisfies such conditions.

(23) **Parties joined** All dissenting shareholders who satisfy the conditions set out in clauses (22)(a) and (b) shall be deemed to be joined as parties to an application under subsection (18) or (19) on the later of the date upon which the application is brought and the date upon which they satisfy the conditions, and shall be bound by the decision rendered by the court in the proceedings commenced by the application.

(24) **Idem** Upon an application to the court under subsection (18) or (19), the court may determine whether any other person is a dissenting shareholder who should be joined as a party, and the court shall fix a fair value for the shares of all dissenting shareholders.

(25) **Appraisers** The court may in its discretion appoint one or more appraisers to assist the court to fix a fair value for the shares of the dissenting shareholders.

(26) **Final order** The final order of the court in the proceedings commenced by an application under subsection (18) or (19) shall be rendered against the corporation and in favour of each dissenting shareholder who, whether before or after the date of the order, complies with the conditions set out in clauses (22)(a) and (b).

(27) **Interest** The court may in its discretion allow a reasonable rate of interest on the amount payable to each dissenting shareholder from the date the action approved by the resolution is effective until the date of payment.

(28) **Where corporation unable to pay** Where subsection (30) applies, the corporation shall, within ten days after the pronouncement of an order under subsection (26), notify each dissenting shareholder that it is unable lawfully to pay dissenting shareholders for their shares.

(29) **Idem** Where subsection (30) applies, a dissenting shareholder, by written notice sent to the corporation within thirty days after receiving a notice under subsection (28), may,

(a) withdraw a notice of dissent, in which case the corporation is deemed to consent to the withdrawal and the shareholder's full rights are reinstated; or

(b) retain a status as a claimant against the corporation, to be paid as soon as the corporation is lawfully able to do so or, in a liquidation, to be ranked subordinate to the rights of creditors of the corporation but in priority to its shareholders.

(30) **Idem** A corporation shall not make a payment to a dissenting shareholder under this section if there are reasonable grounds for believing that,

(a) the corporation is or, after the payment, would be unable to pay its liabilities as they become due; or

(b) the realizable value of the corporation's assets would thereby be less than the aggregate of its liabilities.

(31) **Court order** Upon application by a corporation that proposes to take any of the actions referred to in subsection (1) or (2), the court may, if satisfied that the proposed action is not in all the circumstances one that should give rise to the rights arising under subsection (4), by order declare that those rights will not arise upon the taking of the proposed action, and the order may be subject to compliance upon such terms and conditions as the court thinks fit and, if the corporation is an offering corporation, notice of any such application and a copy of any order made by the court upon such application shall be served upon the Commission.

(32) **Commission may appear** The Commission may appoint counsel to assist the court upon the hearing of an application under subsection (31), if the corporation is an offering corporation.
