Internet Gold Extends Net-Express Partnership

Tuesday October 11, 2:00 am ET

PETACH TIKVA, Israel, October 11 /PRNewswire-FirstCall/ -- Internet Gold, operating under the brand name "smile", (NASDAQ: IGLD - News) today announced that it has signed a long-term agreement extending the period of its strategic partnership with Net-Express Ltd. ("Netex") effective August 1, 2005.

Net-Express is the founder of www.netex.co.il, one of Israel's most popular Hebrew-language Internet search engines and Web Directory sites. For the last three years, Internet Gold has partnered with Net-Express, assuming responsibility for its Internet hosting, billing and collections activities and others in exchange for a portion of its revenues. In extending the partnership, Internet Gold has pledged to continue with all these activities.

Commenting on the news, Mr. Eli Holtzman, Internet Gold's CEO, said, "Our cooperation with Net-Express has been extremely successful, with revenue growth of over 200% during the last two years. As such, we believe that the cooperation with Net-Express is a solid part of the strong platform we need to maintain our leadership of Israel's rapidly growing Internet advertising market."

Aviv Refuah, CEO of Net-Express, added, "This cooperation is a natural extension of the successful relationship and joint ventures that we have developed over the past three years. We are confident that the ongoing relationship between the companies will continue to bear fruits for both sides."

About Internet Gold

Internet Gold is a group of communications companies that provide Internet access and related value-added services, international telephony, e-advertising, content and e-Commerce services throughout Israel under the brand name "smile". The broad range and popularity of these services have established Internet Gold as one of Israel's leading Internet Communications groups.

The Internet Gold Group includes four subsidiaries. MSN-Israel, its (50.1% owned) joint-venture with Microsoft Corp. (49.9% owned), provides Microsoft-branded Search, Instant Messaging, Hotmail and a variety of portal services. Internet Gold International, a fully-owned subsidiary, provide international Internet and communication services. GoldMind, a fully-owned subsidiary, provides value-added services to Internet subscribers. GoldTrade, the Group's fully-owned e-Commerce subsidiary, operates e-Commerce sites.

For additional information about Internet Gold, please visit its Website at www.igld.com.

About Net-Express

Net-Express simplifies the way people surf the Internet. The company's patented Netex navigation system offers Internet users a more intuitive way to locate

Edgar Filing: INTERNET GOLD GOLDEN LINES LTD - Form 6-K

websites, web services, products, and all other available content.

Popular in Israel, Net-Express has already penetrated most of the Israeli Internet market with over three million downloads of the Netex software in Israel only.

Net-Express's unique language information retrieval technology allows users to reach desired information by simply typing the website name, subject or key word in free text in any language in their regular browser address bar.

The company's business model is based on charging website owners an annual fee for preferred positions on relevant displayed Netex search results.

The company owns several worldwide patents applications in the Internet field.

Certain statements made herein that use the words "estimate," "project," "intend," "expect," "believe" and similar expressions are intended to identify forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements involve known and unknown risks and uncertainties which could cause the actual results, performance or achievements of the Company to be materially different from those which may be expressed or implied by such statements, including, among others, changes in general economic and business conditions and specifically, decline in demand for the Company's services, inability to timely develop and introduce new technologies, services and applications and loss of market share and pressure on prices resulting from competition. For additional information regarding these and other risks and uncertainties associated with the Company's business, reference is made to the Company's Annual Report filed with the Securities and Exchange Commission and its other reports as filed from time to time with the Securities and Exchange Commission.
