PROXY STATEMENT

April 19, 2001

SOLICITATION OF PROXIES

DATE, TIME, AND PLACE

This Proxy Statement and the accompanying proxy/voting instruction form ("Proxy Form") are being mailed beginning on or about the date shown above, to holders of common shares (the "Stockholders") in connection with the solicitation of proxies by the Board of Directors (the "Board of Directors" or "Board") of LIQUITEK ENTERPRISES, INC., a Nevada corporation (the "Company"), to be used at the Annual Meeting of Stockholders (the "Meeting"), to be held May 19, 2001 at the Salt Palace Convention Center, 90 South West Temple, Salt Lake City, Utah 84101, telephone number (801) 521-2822, at 1:00 p.m. local time, or any adjournment thereof.

QUORUM AND VOTING

Proxies are solicited to give all Stockholders of record at the close of business on April 12, 2001 (the "Record Date"), an opportunity to vote on matters that come before the Meeting. This procedure is necessary because Stockholders live in various states and many may not be able to attend the Meeting. Shares of Common Stock (the "Shares") can be voted only if the Stockholder is present in person or is represented by proxy. The presence in person or by proxy of the holders of a majority of the total outstanding voting Shares is necessary to constitute a quorum at the Meeting.

When your Proxy Form is returned properly signed, the Shares represented will be voted in accordance with your directions. You can specify your choices by marking the appropriate boxes on the enclosed Proxy Form. If your Proxy Form is signed and returned without specifying choices, the Shares will be voted as recommended by the Board of Directors. Abstentions marked on the Proxy Form and broker non-votes are voted neither "for" nor "against" items being voted upon, but are counted in the determination of a quorum.

As of the Record Date, there were 53,666,841 Shares outstanding. Each outstanding Share is entitled to one vote on each matter properly brought before the Meeting other than the election of Directors if any stockholders elect to vote by cumulative voting.

Edgar Filing: LIQUITEK ENTERPRISES INC - Form DEF 14A

No stockholder may cumulate votes in the election of directors unless the candidates' names have been placed in nomination prior to commencement of the voting and the stockholder has given notice at the Meeting, prior to the voting, of the stockholder's intention to cumulate votes. If any stockholder has given such a notice, then every stockholder entitled to vote may cumulate votes for candidates in nomination and give one candidate a number of votes equal to the number of directors to be elected, multiplied by the number of votes to which that stockholder's shares are entitled, or distribute the stockholder's votes on the same principle among any or all of the candidates, as the stockholder thinks fit. The candidates receiving the highest number of votes, up to the number of directors to be elected, shall be elected.

1

SOLICITATION AND COST

The Company will bear all costs and expenses related to this solicitation of proxies by the Board of Directors, including the costs of preparing, printing, and mailing to the Stockholders this Proxy Statement and accompanying materials. In addition to the solicitation of proxies by use of the mails, the Directors, Officers, and employees of the Company, without receiving additional compensation, may solicit proxies personally, by telephone, or by any other means of communication.

REVOCABILITY OF PROXY

If you wish to give your proxy to someone other than the persons designated by the Board of Directors, all names appearing on the enclosed Proxy Form must be crossed out and the name of another person or persons inserted. The signed Proxy Form must be presented at the Meeting by the person or persons representing you. You may revoke your proxy at any time before it is voted at the Meeting by executing a later-dated proxy, by voting by ballot at the Meeting, or by filing a written revocation of your proxy with the Company before the Meeting.

YOUR VOTE IS IMPORTANT. ACCORDINGLY, YOU ARE URGED TO SIGN AND RETURN THE ACCOMPANYING PROXY FORM WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING. If you do attend, you may vote by ballot at the Meeting, thereby canceling any proxy previously given.

As a matter of policy, proxies, ballots, and voting tabulations that identify individual Stockholders are kept private by the Company. Such documents are available for examination only by the inspectors of election and certain personnel associated with processing Proxy Forms and tabulating the vote. The vote of any Stockholder is not disclosed except as may be necessary to meet legal requirements.

DOCUMENTS INCORPORATED BY REFERENCE

The Company specifically incorporates the Financial Statements for the year ended December 31, 2000, filed as part of the 2000 Annual Report on Form 10-KSB in response to Item 13 of the 10-KSB. In February 1997, the Board of Directors of the Company approved the assignment of a continuing royalty equal to 2% of revenues derived by the Company from the VitriSeal process to Dennis A. COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16 (a) of the Securities Exchange Act requires the Company's officers, Directors, and persons who own more than 10% of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the SEC. Officers, Directors, and greater than 10% beneficial owners are required by Securities and Exchange Commission ("SEC") regulation to furnish the Company with copies of all Section 16 (a) forms they file. Officers of the Company did not file Form 4's regarding some shares acquired and options granted to them during 2000. Form 4's and 5's were filed in 2001 regarding the transactions during 2000; accordingly, the Company believes all filing requirements applicable to its Officers, Directors, and greater than 10% beneficial owners have now been complied with.

BOARD OF DIRECTORS

The Board of Directors has the responsibility for establishing broad corporate policies and for overseeing the overall performance of the Company. However, in accordance with corporate governance principles, the Board is not involved in day-to-day operating details. Members of the Board of Directors are kept informed of the Company's business through discussions with the Chairman and other officers, by reviewing analyses and reports sent to them, and by participating in Board and committee meetings.

The Board held five meetings during 2000. All Directors attended more than 75% of the Meetings held.

COMMITTEES OF THE BOARD

In October 2000, the Board of Directors approved the establishment of five standing committees including an Executive Committee; Board Nominating Committee; Audit and Finance Committee; Compensation, Policy, and Human Resources Committee; and Marketing and Sales Committee. Committee members were appointed in March 2001. Upon the election of Directors at the Meeting, the Committees may be reconstituted for the ensuing year. In general, these committees will provide counsel, constructive critiques, and ideas. The focus will be primarily in the areas of long range strategic planning and operating planning.

The Executive Committee, chaired by the Chairman of the Board, interfaces with the President on a periodic basis on material matters delegated to the Board by the Committee. The Committee consists of Lester W.B. Moore, Chairman, Culley W. Davis, and Robert C. Gay, with Bruce H. Haglund, the Company's Secretary and general counsel, serving as an EX OFFICIO member.

The Board Nominating Committee operates to search for, find, and nominate members to the Board and committees and to nominate executive officers. Committee members include Lester W.B. Moore, Chairman, Culley W. Davis, Robert C. Gay, and O. Guy Eady.

Edgar Filing: LIQUITEK ENTERPRISES INC - Form DEF 14A

The Audit and Finance Committee meets with management, independent auditors, and appropriate Company financial personnel to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The committee recommends to the Board of Directors the appointment of the independent auditors, subject to ratification by the Stockholders at the Annual Meeting. Both the internal auditors and the independent auditors periodically meet alone with the committee and always have unrestricted access to the committee. The committee consists of O. Guy Eady, Chairman, Lester W.B. Moore, and David A. Dattilo, with John W. Nagel, the Company's Chief Financial Officer, and Bruce H. Haglund, the Company's Secretary and general counsel, serving as EX OFFICIO members.

The Compensation, Policy, and Human Resources Committee reviews, assesses, and approves compensation programs; receives reports on training and development, staffing, performance evaluations, employee relations, health and safety, and personnel research; develops an understanding of the competition and overall market compensation parameters; and reviews and approves any operations and personnel policies and procedures. The committee consists of Robert C. Gay, Chairman, O. Guy Eady, and Robert D. Petersen.

The Marketing and Sales Committee reviews, assesses, and approves all marketing and sales objectives and strategies; receives periodic progress reports; reviews competitive profiles; reviews customer profiles, market research, and analysis; and meets with advertising and public relations firms. The committee consists of David C. Dattilo, Chairman, Dudley E.J. Ward, and Robert D. Petersen.

COMPENSATION OF DIRECTORS

The Company's policy is not to pay cash compensation to directors who are employees or consultants of the Company for their services as directors, but reimburses reasonable out-of-pocket expenses of directors for attendance at meetings. In 2000, directors received options to purchase shares of Common Stock at \$1.00 per share as reflected in the beneficial ownership table on page 3 hereof.

LIMITATION OF LIABILITY AND INDEMNIFICATION MATTERS

The Company's Certificate of Incorporation limits the liability of directors to the maximum extent permitted by Nevada law. Such limitation of liability does not apply to liabilities arising under the federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission.

The Company's Bylaws provide that the Company shall indemnify its directors and executive officers and may indemnify its other officers and employees and other agents to the fullest extent permitted by law. The Company believes that indemnification under its Bylaws covers at least negligence and gross negligence on the part of indemnified parties. The Company's Bylaws also permit it to secure insurance on behalf of any officer, director, employee, or other agent for any liability arising out of his or her actions in such capacity, regardless of whether the Bylaws permit such indemnification.

At present, there is no pending litigation or proceeding involving any director, officer, employee, or agent of the Company where indemnification will be required or permitted. The Company is not aware of any threatened litigation or proceeding that might result in a claim for such indemnification.

Edgar Filing: LIQUITEK ENTERPRISES INC - Form DEF 14A

ELECTION OF DIRECTORS (ITEM 1 ON PROXY FORM)

The Bylaws of the Company provide for the Directors to number at least three and no more than seven. Seven members of the Board of Directors are to be elected at the Meeting. The nominees selected by the Board of Directors are listed on the following pages. Stockholders have cumulative voting rights when voting for Directors; accordingly, any Stockholder may multiply the number of Shares he or she is entitled to vote by the number of Directors to be elected and allocate votes among the candidates in any manner provided such candidate was in nomination prior to the meeting. Stockholders may exercise such cumulative voting rights, either in person or by proxy, with or without advance notice to the Company. Any Shares not voted, whether by abstention, broker non-vote, or otherwise, have no impact on the vote.

The Board of Directors intends to vote proxies equally for the nominees unless otherwise instructed on the Proxy Form. If you do not wish your Shares to be voted for particular nominees, please identify the exceptions in the designated space provided on the Proxy Form.

If at the time of the Meeting one or more of the nominees have become unavailable to serve, Shares represented by proxies will be voted for the remaining nominees and for any substitute nominee or nominees designated by the Board of Directors.

Directors elected at the Meeting will hold office until the next Annual Meeting or until their successors have been elected and qualified. For each nominee there follows a brief listing of principal occupation for at least the past five years, other major affiliations, and age as of April 1, 2001.

APPROVAL OF LIQUITEK ENTERPRISES, INC. 2000 STOCK OPTION AND INCENTIVE PLAN (ITEM 2 ON THE PROXY FORM)

On December 31, 2000, the Board of Directors of the Company, subject to stockholder approval, adopted the 2000 Stock Option and Incentive Plan (the "Plan"), a copy of which is attached hereto as Exhibit "B." The Plan is intended to provide incentive to key employees and Directors of, and key consultants, vendors, customers, and others expected to provide significant services to, the Company, to encourage proprietary interest in the Company, to encourage such key employees to remain in the employ of the Company and its subsidiaries, to attract new employees with outstanding qualifications, and to afford additional incentive to consultants, vendors, customers, and others to increase their efforts in providing significant services to the Company. The Company has reserved 3,500,000 shares of Common Stock for issuance under the Plan. The Plan provides that incentive stock options ("Incentive Stock Options") may be granted to full-time employees (who may also be Directors) and non-statutory stock options ("Non-statutory Stock Options") may be granted to non-employee Directors and consultants from time to time on a discretionary basis by the Board or the Committee. The Plan also provides for the grant of Non-statutory Stock Options to outside members of the Board of Directors on a "formula award" basis as provided in Rule 16b-3 of the Securities Exchange Act of 1934 ("Rule 16b-3").

The Plan provides for administration by the Board in compliance with Rule 16b-3, or by a Committee (the "Committee") appointed by the Board, which Committee shall be constituted to permit the Plan to comply with Rule 16b-3, and which shall consist of not less than two members, each of whom has not

Edgar Filing: LIQUITEK ENTERPRISES INC - Form DEF 14A

participated in the Plan by way of receipt of any discretionary grant of an option (Incentive Stock Options and Non-statutory Stock Options are together hereinafter referred to as "Option" or "Options", unless the context otherwise requires), and who will not so participate while serving as a member of the Committee, and each of whom has not participated under any other plan or have received options of the Company during the year preceding adoption of the Plan by the stockholders (other than pursuant to a formula award grant under the Plan). A member of the Board or a Committee member shall in no event participate in any determination related to Options held by or to be granted on a discretionary basis to such Board or Committee member.

The aggregate number of shares of the Company's authorized but unissued Common Stock which may be issued upon exercise of Options under the Plan may not exceed the Shares reserved under the Plan. If any unexercised option, or any portion thereof, for any reason expires or is terminated, does not vest or is not delivered, the unexercised or unvested shares allocable to such Option may again be made subject to any Award.

Options must be evidenced by written stock option agreements in such form as the Committee may from time to time determine. Each Option must state the number of shares to which it pertains and must provide for the adjustment thereof if the outstanding shares of Common Stock are exchanged for cash or a different number or kind of shares or securities of the Company, or if the outstanding shares of

11

the Common Stock are increased, decreased, exchanged for, or otherwise changed, or if additional shares or new or different shares or securities are distributed with respect to the outstanding shares of the Common Stock, through a reorganization or merger in which the Company is the surviving entity or through a combination, consolidation, recapitalization, reclassification, stock split, stock dividend, reverse stock split, stock consolidation, or other capital change or adjustment. In addition, the Board or the Committee may grant such additional rights in the foregoing circumstances as the Board or the Committee deems to be in the best interests of any participant and the Company in order to preserve for the participant the benefits of the Award.

The exercise price in the case of any Incentive Stock Option must not be less than the fair market value on the date of grant and, in the case of any Option granted to an optionee who owns more than 10% of the total combined voting power of all classes of outstanding stock of the Company, must not be less than 110% of the fair market value on the date of grant. The exercise price, in the case of any Non-statutory Stock Option, must not be less than 85% of the fair market value on the date of grant.

The purchase price is payable in full in United States dollars upon the exercise of the Option; provided, however, that if the applicable Option agreement so provides, the purchase price may be paid (i) by the surrender of shares in good form for transfer, owned by the participant and having a fair market value on the date of exercise equal to the purchase price, or in any combination of cash and shares, as long as the sum of the cash so paid and the fair market value of the shares so surrendered equals the purchase price; (ii) by cancellation of indebtedness owed by the Company to the participant; (iii) with a full recourse promissory note executed by the participant; or (iv) any combination of the foregoing. The interest rate and other terms and conditions of such note must be determined by the Board or the Committee. The Board or Committee may require that the participant pledge his or her shares of Common Stock to the Company for the purpose of securing the payment of such note, in which event the stock certificate(s) representing such shares may not be

Edgar Filing: LIQUITEK ENTERPRISES INC - Form DEF 14A

released to the participant until such note has been paid in full.

Each Option must state the time or times which all or part thereof becomes exercisable. No Option may be exercised after the expiration of 10 years from the date it was granted, and no Option granted to an optionee who owns more than 10% of the total combined voting power of all classes of outstanding stock of the Company may be exercised after the expiration of five years from the date it was granted. During the lifetime of a participant in the Plan, such Options may be exercisable only by the participant and shall not be assignable or transferable. If a participant dies while Options are exercisable, they may be exercised, subject to the condition that no option shall be exercisable after the expiration of 10 years from the date granted and to the extent the right to exercise the Option accrued at any time within 12 months after the death of the participant, by the executors or administrators of the deceased participant or by persons who acquired the option directly from the deceased option holder by bequest or inheritance.

Within the limitations of the Plan, the Board or Committee may modify, extend, or renew outstanding Options or accept the cancellation of outstanding Options (to the extent not previously exercised) for the granting of new Options in substitution therefor. No modification of an Option may, without the consent of the participant, alter or impair any rights or obligations under any Option previously granted.

In the case of Incentive Stock Options granted under the Plan, the aggregate fair market value (determined as of the date of the grant thereof) of the shares with respect to which Incentive Stock Options become exercisable by any participant for the first time during any calendar year (under the Plan and all other plans maintained by the Company) may not exceed \$100,000. The Board or Committee may, however, with the participant's consent, authorize an amendment to the Incentive Stock Option which renders it a Nonstatutory Stock Option.

12

The stock option agreements authorized under the Plan may contain such other provisions not inconsistent with the terms of the Plan (including, without limitation, restrictions upon the exercise of the Options) as the Board or the Committee deems advisable.

VOTE REQUIRED

The affirmative vote of a majority of the outstanding Shares is required to approve this proposal. Management intends to vote "FOR" the proposal to approve the 2000 Stock Option and Incentive Plan.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE COMPANY'S STOCKHOLDERS VOTE "FOR" THE PROPOSAL TO APPROVE THE 2000 STOCK OPTION AND INCENTIVE PLAN, AND YOUR PROXY WILL BE SO VOTED UNLESS YOU SPECIFY OTHERWISE.

RATIFICATION OF APPOINTMENT OF AUDITORS (ITEM 3 ON PROXY FORM)

GENERAL

In conjunction with a merger and reorganization in 1999, the Company changed auditors in May 1999. The Company's former accountants, Jones, Jensen & Co., were dismissed effective May 3, 1999, and Squar, Milner, Reehl & Williamson ("Squar Milner"), LLP were appointed as the Company's principal accountants. There were no disagreements with the former accountants, and there are no disagreements with the current accountants on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or

Edgar Filing: LIQUITEK ENTERPRISES INC - Form DEF 14A

procedure. At a meeting on March 23, 2001, the Board of Directors unanimously approved the recommendation of the Audit Committee for the appointment of Squar Milner to audit the financial statements of the Company for 2001. This selection is subject to ratification or rejection by the Stockholders.

Squar Milner has no financial interest in the Company. A representative of Squar Milner is expected to be present at the Annual Meeting, will have an opportunity to make a statement if he or she so desires and is expected to be available to respond to appropriate questions.

Squar Milner performed various audit and other services for the Company during 2000. Such services included an audit of annual financial statements, interim reviews of quarterly financial statements, review and consultation connected with certain filings with the SEC, internal control reviews required by certain contractual agreements or requested by the Company's management, consultation on tax, financial accounting and reporting matters, and meetings with the Audit Committee of the Board of Directors.

AUDIT FEES

Following is a summary of the 2000 fees paid to Squar Milner for the audit of the Company's December 31, 1999 financial statements and reviews of quarterly reports filed with the SEC in 2000:

PAYMENTS IN YEAR ENDED -----	ANNUAL AUDIT -----	TAX ---	ALL OTHER -----		TOTAL ALL OTHER -----
			AUDIT- RELATED -----	NON-AUDIT- RELATED -----	
December 31, 2000	\$63,526	\$20,471	\$1,000	\$116,528	\$117,528

The Company has accrued approximately \$60,000 through March 31, 2001 for the audit of the December 31, 2000 consolidated financial statements by Squar Milner, and the Company is current in the payment of fees due Squar Milner.

13

ALL OTHER FEES

The Company paid fees of approximately \$117,528 to Squar Milner for all other services provided by it during 2000, including audit-related services of \$1,000 and non-audit services of \$116,528. Non-audit-related services generally include fees for services relating to the Company's acquisitions of Thermoflow Corporation, Liquitek Corporation, Interfluid Recycling, Inc., and Distech Limited, and filings with the SEC related to such acquisitions. The Audit Committee has considered the compatibility of non-audit services with the auditors' independence.

REPORT OF THE AUDIT COMMITTEE

The Board of Directors of the Company has appointed an Audit Committee currently composed of three directors, O. Guy Eady, Chairman, Lester W.B. Moore, and David A. Dattilo, with John W. Nagel, the Company's Chief Financial Officer, and Bruce H. Haglund, the Company's Secretary and general counsel, serving as EX OFFICIO members. Mr. Eady and Mr. Dattilo are "independent" as defined in the Nasdaq-listing standards.

Edgar Filing: LIQUITEK ENTERPRISES INC - Form DEF 14A

The Board of Directors has adopted a written charter for the Audit Committee. A copy of that Charter is included as Exhibit "A" to this Proxy Statement. The Audit Committee's job is one of oversight as set forth in its Charter. It is not the duty of the Audit Committee to prepare the Company's financial statements, to plan or conduct audits, or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. The Company's management is responsible for preparing the Company's financial statements and for maintaining internal control. The independent auditors are responsible for auditing the financial statements and for expressing an opinion as to whether those audited financial statements fairly present the financial position, results of operations, and cash flows of the Company in conformity with generally accepted accounting principles. The Audit Committee met four times in 2000.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and with Squar Milner, the Company's independent auditors for 2000.

The Audit Committee has discussed with Squar Milner the matters required to be discussed by Statement on Auditing Standards No. 61.

The Audit Committee has received from Squar Milner the written statements required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed Squar Milner's independence with them, and has considered the compatibility of non-audit services with the auditors' independence.

Based on the review and discussions referred to above, the Audit Committee has recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2000 for filing with the Securities and Exchange Commission.

Ratification of the appointment of auditors requires a majority of the votes cast thereon. Any Shares not voted, whether by abstention, broker non-vote, or otherwise, have no impact on the vote. Subject to the terms and conditions of Section 5.2 below, the Participants shall be such persons as the stockholders may approve or as the Committee may select from among the following classes of persons: (i) Eligible Employees of the Corporation or of a Subsidiary (who may be officers, whether or not they are directors); and (ii) consultants, vendors, customers, and others expected to provide significant services to the Corporation or a Subsidiary.

For purposes of this Plan, a Participant who is a director or a consultant, vendor, customer, or other provider of significant services to the Corporation or a Subsidiary shall be deemed to be an Eligible Employee, and service as a director, consultant, vendor, customer, or other provider of significant services to the Corporation or a Subsidiary shall be deemed to be employment, except that no Incentive Stock Option may be granted to a non-employee director or non-employee consultant, vendor, customer, or other provider of significant services to the Corporation or a Subsidiary, and except that no Nonstatutory Stock Option may be granted to a non-employee director or non-employee consultant, vendor, customer, or other provider of significant services to the Corporation or a Subsidiary other than upon a vote of a majority of disinterested directors finding that the value of the services rendered or to be rendered to the Corporation or a Subsidiary by such non-employee director or non-employee consultant, vendor, customer, or other provider of services is at least equal to the value of the Awards granted.

5.2 TEN-PERCENT STOCKHOLDERS. An Eligible Employee who owns more than 10% of the total combined voting power of all classes of outstanding stock of the Corporation, its parent or any of its Subsidiaries shall not be eligible to receive an Award for an Incentive Stock Option unless (i) the Exercise Price of the Shares subject to such Award is at least 110% of the Fair Market Value of such Shares on the date of grant; and (ii) such Award by its terms is not exercisable after the expiration of five years from the date of grant.

5.3 STOCK OWNERSHIP. For purposes of Section 5.2 above, in determining stock ownership an Eligible Employee shall be considered as owning the stock owned, directly or indirectly, by or for his brothers, sisters, spouses, ancestors, and lineal descendants. Stock owned, directly or indirectly, by or for a corporation, partnership, estate, or trust shall be considered as being owned proportionately by or for its stockholders, partners, or beneficiaries. Stock with respect to which such Eligible Employee holds an Award shall not be counted.

5.4 OUTSTANDING STOCK. For purposes of Section 5.2 above, "outstanding stock" shall include all stock actually issued and outstanding immediately after the grant of the Award to the Participant. "Outstanding stock" shall not include shares authorized for issue under outstanding Options or Purchase Rights held by the Participant or by any other person.

The stock subject to Awards granted under the Plan shall be Shares of the Corporation's authorized but unissued or reacquired Common Stock. The aggregate number of Shares which may be issued as Awards or upon exercise of Awards under the Plan shall not exceed 3,500,000 shares. The number of Shares subject to unexercised Options plus the number of Shares previously issued under the Plan shall not at any time exceed the number of Shares available for issuance under the Plan. In the event that any unexercised Option, or any portion thereof, for any reason expires or is terminated, the unexercised or unvested Shares allocable to such Option may again be made subject to any Award. Any Shares withheld by the Corporation pursuant to Section 9.3 shall not be deemed to be issued. The number of withheld Shares shall be deducted from the applicable Award and shall not entitle the Participant to receive additional Shares. The limitations established by this Article VI shall be subject to adjustment in the manner provided in Section 8.5 hereof upon the occurrence of an event specified therein.

VII. OPTIONS

7.1 STOCK OPTION AGREEMENTS. Options shall be evidenced by written Stock Option Agreements in such form as the Committee shall from time to time determine. Such agreements shall comply with and be subject to the terms and conditions set forth below.

7.2 TYPE AND NUMBER OF SHARES. Each Option shall state the type of Award and the number of Shares to which it pertains and shall provide for the adjustment thereof in accordance with the provisions of Section 8.5 hereof.

7.3 EXERCISE PRICE. Each Option shall state the Exercise Price thereof. The Exercise Price in the case of any Incentive Stock Option shall not be less than the Fair Market Value on the date of grant and, in the case of any Option granted to an Optionee described in Section 5.2 hereof, shall not be less than 110% of the Fair Market Value on the date of grant. The Exercise Price in the case of any Nonstatutory Stock Option shall not be less than 85% of the Fair Market Value on the date of grant.

7.4 MEDIUM AND TIME OF PAYMENT. The Purchase Price shall be payable in full in United States dollars upon the exercise of the Option; provided, however, that if the applicable Stock Option Agreement so provides the Purchase Price may be paid (i) by the surrender of Shares in good form for transfer, owned by the Participant and having a Fair Market Value on the date of exercise equal to the Purchase Price, or in any combination of cash and Shares, as long as the sum of the cash so paid and the Fair Market Value of the Shares so surrendered equal the Purchase Price, (ii) by cancellation of indebtedness owed by the Corporation to the Participant, (iii) with a full recourse promissory note executed by the Participant, or (iv) any combination of the foregoing. The interest rate and other terms and conditions of such note shall be determined by the Committee. The Committee may require that the Participant pledge his or her Shares to the Corporation for the purpose of securing the payment of such note. In no event shall the stock certificate(s) representing such Shares be released to the Participant until such note is paid in full.

7.5 TERM AND NON-TRANSFERABILITY OF OPTIONS. Each Option shall state the time or times which all or part thereof becomes exercisable. No Option shall be exercisable after the

B-9

Edgar Filing: LIQUITEK ENTERPRISES INC - Form DEF 14A

expiration of 10 years from the date it was granted, and no Option granted to a Participant described in Section 5.2 hereof shall be exercisable after the expiration of five years from the date it was granted. During the lifetime of the Participant, the Option shall be exercisable only by the Participant and shall not be assignable or transferable. In the event of the Participant's death, the Option shall not be transferable by the Participant other than by will or the laws of descent and distribution.

7.6 MODIFICATION, EXTENSION, AND RENEWAL OF OPTION. Within the limitations of the Plan, the Committee may modify, extend, or renew outstanding Options or accept the cancellation of outstanding Options (to the extent not previously exercised) for the granting of new Options in substitution therefor. The foregoing notwithstanding, no modification of an Option shall, without the consent of the Participant, alter or impair any rights or obligations under any Option previously granted.

7.7 LIMITATION ON GRANT OF INCENTIVE STOCK OPTIONS. In the case of Incentive Stock Options granted hereunder, the aggregate Fair Market Value (determined as of the date of the grant thereof) of the Shares with respect to which Incentive Stock Options become exercisable by any Participant for the first time during any calendar year (under this Plan and all other Plans maintained by the Corporation, its parent, or its Subsidiaries) shall not exceed \$100,000. The Board or Committee may, however, with the Participant's consent authorize an amendment to the Incentive Stock Option which renders it a Nonstatutory Stock Option.

7.8 "FORMULA AWARD" GRANTS TO CERTAIN DIRECTORS. Each Director of the Company who is a member of the Compensation Committee shall be eligible to receive a grant of Nonstatutory Options for 25,000 Shares at an exercise price of at an exercise price equal to the Fair Market Value on the date of grant on January 1st of each year during the term of the Plan, commencing on January 1, 2001, for so long as there shall remain shares available for grant. The "formula award" options shall vest ratably over a three-year period on each anniversary of the grant date; however, in the event of a change of control of the Company that results in a change in the majority of the members of the Board of Directors, all of the Options granted shall immediately vest. In the event that there shall at any time be an insufficient number of shares remaining available to award and grant to each of the eligible Directors hereunder an Option covering the full number of shares then to be awarded, then and in such event each Director shall receive an Option covering a pro rata number of shares, calculated on the basis of the number of Directors then eligible to participate in the formula award hereunder. Nothing in this Plan or any Stock Option Agreement shall obligate the Company to increase the number of shares subject to the Plan so that the Company may grant Options to eligible Directors throughout the entire term of this Plan or to grant Options or other rights to any Director after Options covering the total number of shares covered by the Plan have been granted or after the expiration of the term of the Plan.

7.9 OTHER PROVISIONS. The Stock Option Agreements authorized under the Plan may contain such other provisions not inconsistent with the terms of the Plan (including, without limitation, restrictions upon the exercise of the Option) as the Committee shall deem advisable.

XIII. RIGHTS OF ELIGIBLE EMPLOYEES, PARTICIPANTS, AND BENEFICIARIES

B-10

8.1 EMPLOYEE STATUS. Status as an Eligible Employee shall not be construed as a commitment that any Award will be made under the Plan to an Eligible Employee or to Eligible Employees generally.

Edgar Filing: LIQUITEK ENTERPRISES INC - Form DEF 14A

8.2 NO EMPLOYMENT CONTRACT. Nothing contained in the Plan (or in the Award Agreements or in any other documents related to the Plan or to Awards) shall confer upon any Eligible Employee or any Participant any right to continue in the employ of the Corporation or constitute any contract or agreement of employment, or interfere in any way with the right of the Corporation to reduce such person's compensation or to terminate the employment of such Eligible Employee or Participant, with or without cause, but nothing contained in the Plan or any document related thereto shall affect any other contractual right of any Eligible Employee or Participant. Nothing contained in the Plan (or in the Award Agreements or in any other documents related to the Plan or the Awards) shall confer upon any director of the Corporation any right to continue as a director of the Corporation.

8.3 NO TRANSFERABILITY. Awards may be exercised only by, and amounts payable or shares issuable pursuant to an Award shall be paid only to or registered only in the name of, the Participant or, in the event of the Participant's death, to the Participant's Beneficiary or, in the event of the Participant's Disability, to the Participant's Personal Representative or, if there is none, to the Participant. Other than by will or the laws of descent and distribution, no right or benefit under the Plan or any Award, including, without limitation, any Option or share of Restricted Stock that has not vested, shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, or charge and any such attempted action shall be void and no such right or benefit shall be, in any manner, liable for, or subject to, debts, contract, liabilities, engagements, or torts of any Eligible Employee, Participant, or Beneficiary, in any case except as may otherwise be expressly required by applicable law. The Board or the Committee shall disregard any attempt at transfer, assignment, or other alienation prohibited by the preceding sentence and shall pay or deliver such cash or shares of Common Stock in accordance with the provisions of the Plan. Notwithstanding the foregoing, the Board or the Committee may authorize exercise by or transfers or payments to a third party in a specific case or more generally; provided, however, with respect to any option or similar right (including any Stock Appreciation Right), such discretion may only be exercised to the extent that applicable rules under Section 16 of the Exchange Act would so permit without disqualifying the Plan from certain benefits thereunder.

8.4 PLAN NOT FUNDED. No Participant, Beneficiary, or other person shall have any right, title, or interest in any fund or in any specific asset (including shares of Common Stock) of the Corporation by reason of any Award granted hereunder. There shall be no funding of any benefits which may become payable hereunder. Neither the provisions of the Plan (or of any documents related hereto), nor the creation or adoption of the Plan, nor any action taken pursuant to the provisions of the Plan shall create, or be construed to create, a trust of any kind or a fiduciary relationship between the Corporation and any Participant, Beneficiary, or other person. To the extent that a Participant, a Beneficiary, or other person acquires a right to receive an Award hereunder, such right shall be no greater than the right of any unsecured general creditor of the Corporation. Awards payable under the Plan shall be paid in shares of Common Stock or from the general assets of the Corporation, and no special or separate fund or deposit shall be

B-11

established and no segregation of assets or shares shall be made to assure payment of such Awards.

8.5 ADJUSTMENT UPON RECAPITALIZATIONS AND CORPORATE CHANGES. If the outstanding shares of Common Stock are changed into or exchanged for cash or a different number or kind of shares or securities of the Corporation, or if the

Edgar Filing: LIQUITEK ENTERPRISES INC - Form DEF 14A

outstanding shares of the Common Stock are increased, decreased, exchanged for, or otherwise changed, or if additional shares or new or different shares or securities are distributed with respect to the outstanding shares of the Common Stock, through a reorganization or merger in which the Corporation is the surviving entity or through a combination, consolidation, recapitalization, reclassification, stock split, stock dividend, reverse stock split, stock consolidation, or other capital change or adjustment, an appropriate adjustment shall be made in the number and kind of shares of other consideration that is subject to or may be delivered under the Plan and pursuant to outstanding Awards. A corresponding adjustment to the consideration payable with respect to Awards granted prior to any such change and to the price, if any, to be paid in connection with Restricted Stock Awards shall also be made as appropriate. Corresponding adjustments shall be made with respect to Stock Appreciation Rights related to Options to which they are related. In addition, the Board or the Committee may grant such additional rights in the foregoing circumstances as the Board or the Committee deems to be in the best interest of any Participant and the Corporation in order to preserve for the Participant the benefits of an Award.

8.6 TERMINATION OF EMPLOYMENT, EXCEPT BY DEATH, DISABILITY, OR RETIREMENT. If a Participant ceases to be an Employee for any reason other than his or her death, Disability or Retirement, such Participant shall have the right, subject to the restrictions of Section 8.3 above, to exercise any Award at any time within three months after termination of employment, but only to the extent that, at the date of termination of employment, the Participant's right to exercise such Award had accrued pursuant to the terms of the applicable agreement and had not previously been exercised; provided, however, that if the Participant was terminated (i) "for cause" as defined in any applicable employment agreement, (ii) pleads or is found guilty of a felony involving an act of dishonesty or moral turpitude by a court of competent jurisdiction; (iii) has engaged in serious misconduct; (iv) has made any material misrepresentation to the Company; (v) has committed a willful, unexcused breach of his duty in the course of Executive's employment; (vi) has been guilty of habitual neglect of Executive's duties; or (vii) has usurped a corporate opportunity, is guilty of fraudulent embezzlement of property or funds of the Company, or committed any act of fraud or intentional misrepresentation or any other act involving moral turpitude, dishonesty, or other misconduct that would constitute a felony, any Award not exercised in full prior to such termination shall be canceled. For this purpose, the employment relationship shall be treated as continuing intact while the Participant is on military leave, sick leave, or other bona fide leave of absence (to be determined in the sole discretion of the Board or the Committee). The foregoing notwithstanding, in the case of an Incentive Stock Option, employment shall not be deemed to continue beyond the 90th day after the Participant's reemployment rights are guaranteed by statute or by contract.

8.7 DEATH OF PARTICIPANT. If a Participant dies while an Employee, or after ceasing to be an Employee but during the period while he or she could have exercised the Award under this Section 8.7, and has not fully exercised the Award, then the Award may be exercised in full at any time within 12 months after the Participant's death (but not later than the date of termination

fixed in the applicable agreement), by the executors or administrators of his or her estate or by any person or persons who have acquired the Award directly from the Participant by bequest or inheritance, but only to the extent that, at the date of death, the Participant's right to exercise such Award had accrued and had not been forfeited pursuant to the terms of the applicable agreement and had not previously been exercised.

8.8 DISABILITY OF PARTICIPANT. If a Participant ceases to be an Employee

by reason of Disability, such Participant shall have the right to exercise the Award at any time within 12 months after termination of employment (but not later than the termination date fixed in the applicable Agreement), but only to the extent that, at the date of termination of employment, the Participant's right to exercise such Award had accrued pursuant to the terms of the applicable Award Agreement and had not previously been exercised.

8.9 RETIREMENT OF PARTICIPANT. If a Participant ceases to be an Employee by reason of Retirement, such Participant shall have the right to exercise the Award at any time within three months after termination of employment (but not later than the termination date fixed in the applicable Award Agreement), but only to the extent that, at the date of termination of employment, the Participant's right to exercise such Award had accrued pursuant to the terms of the applicable Award Agreement and had not previously been exercised.

8.10 RIGHTS AS A STOCKHOLDER. A Participant, or a transferee of a Participant, shall have no rights as a stockholder with respect to any Shares covered by his or her Award until the date of the issuance of a stock certificate for such Shares. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities, or other property), distributions or other rights for which the record date is prior to the date such stock certificate is issued, except as provided in Section 8.5 hereof.

8.11 DEFERRAL OF PAYMENTS. The Board or the Committee may approve the deferral of any payments that may become due under the Plan. Such deferrals shall be subject to any conditions, restrictions, or requirements as the Board or the Committee may determine.

8.12 ACCELERATION OF AWARDS. Immediately prior to the occurrence of an Event, (i) each Option and Stock Appreciation Right under the Plan shall become exercisable in full; (ii) Restricted Stock delivered under the Plan shall immediately vest free of restrictions; and (iii) each other Award outstanding under the Plan shall be fully vested or exercisable, unless, prior to the Event, the Board or the Committee otherwise determines that there shall be no such acceleration or vesting of an Award or otherwise determines those Awards which shall be accelerated or vested and to the extent to which they shall be accelerated or vested, or that an Award shall terminate, or unless in connection with such Event the Board provides (A) for the assumption of such Awards theretofore granted; or (B) for the substitution for such Awards of new awards covering securities or obligations (or any combination thereof) of a successor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to number and kind of shares and prices; or (C) for the payment of the fair market value of the then outstanding Awards. In addition, the Board or the Committee may grant such additional rights in the foregoing circumstances as the Board or the Committee deems to be in the best interest of the Participant and the Corporation in order to preserve for the Participant the benefits of an Award. For purposes of this Section 8.12 only, Board shall mean the Board of Directors of the

B-13

Corporation as constituted immediately prior to the Event. In addition, the Board may in its sole discretion accelerate the exercisability or vesting of any or all Awards outstanding under the Plan in circumstances under which the Board or the Committee determines such acceleration appropriate.

IX. MISCELLANEOUS

9.1 TERMINATION, SUSPENSION, AND AMENDMENT. The Board or the Committee may, at any time, suspend, amend, modify, or terminate the Plan (or any part thereof) and may, with the consent of a Participant, authorize such

Edgar Filing: LIQUITEK ENTERPRISES INC - Form DEF 14A

modifications of the terms and conditions of such Participant's Award as it shall deem advisable; provided that, except as permitted under the provisions of Section 8.5 hereof, no amendment or modification of the Plan may be adopted without approval by a majority of the shares of the Common Stock represented (in person or by proxy) at a meeting of stockholders at which a quorum is present and entitled to vote thereat, if such amendment or modification would:

(i) materially increase the benefits accruing to Participants under the Plan within the meaning of Rule 16b-3 under the Exchange Act or any successor provision;

(ii) materially increase the aggregate number of shares which may be delivered pursuant to Awards granted under the Plan; or

(iii) materially modify the requirements of eligibility for participation in the Plan.

Neither adoption of the Plan nor the provisions hereof shall limit the authority of the Board to adopt other Plans or to authorize other payments of compensation and benefits under applicable law. No Awards under the Plan may be granted or amended during any suspension of the Plan or after its termination. The amendment, suspension, or termination of the Plan shall not, without the consent of the Participant, alter or impair any rights or obligations pertaining to any Awards granted under the Plan prior to such amendment, suspension, or termination.

9.2 NO FRACTIONAL SHARES. No Award or installment thereof shall be exercisable except in respect of whole shares, and fractional share interests shall be disregarded.

9.3 TAX WITHHOLDING. As required by law, federal, state, or local taxes that are subject to the withholding of tax at the source shall be withheld by the Corporation as necessary to satisfy such requirements. The Corporation is entitled to require deduction from other compensation payable to each Participant or, in the alternative: (i) the Corporation may require the Participant to advance such sums; or (ii) if a Participant elects, the Corporation may withhold (or require the return of) Shares having the Fair Market Value equal to the sums required to be withheld. If the Participant elects to advance such sums directly, written notice of that election shall be delivered prior to such exercise and, whether pursuant to such election or pursuant to a requirement imposed by the Corporation, payment in cash or by check of such sums for taxes shall be delivered within 10 days after the exercise date. If the Participant elects to have the Corporation withhold Shares (or be entitled to the return of Shares) having a Fair Market Value

B-14

equal to the sums required to be withheld, the value of the Shares to be withheld (or returned) will be equal to the Fair Market Value on the date the amount of tax to be withheld (or subject to return) is to be determined (the "Tax Date").

9.4 RESTRICTIONS ON ELECTIONS MADE BY PARTICIPANTS. Elections by Participants to have Shares withheld (or subject to return) for this purpose will be subject to the following restrictions: (i) the election must be made prior to the Tax Date; (ii) the election must be irrevocable; (iii) the election will be subject to the Board's disapproval; and (iv) if the Participant is an "officer" within the meaning of Section 16 of the Exchange Act, the election shall be subject to such additional restrictions as the Board or the Committee may impose in an effort to secure the benefits of any regulations thereunder.

Edgar Filing: LIQUITEK ENTERPRISES INC - Form DEF 14A

9.5 LIMITATIONS ON THE CORPORATION'S OBLIGATIONS. The Corporation shall not be obligated to issue shares and/or distribute cash to the Participant upon any Award exercise until such payment has been received or Shares have been withheld, unless withholding (or offset against a cash payment) as of or prior to the exercise date is sufficient to cover all such sums due or which may be due with respect to such exercise. In addition, the Board or the Committee may grant to a Participant a cash bonus in any amount required by federal, state, or local tax law to be withheld with respect to an Award.

9.6 COMPLIANCE WITH LAWS. The Plan, the granting of Awards under the Plan, the Stock Option Agreements, and Stock Purchase Agreements and the delivery of Options, Shares, and Awards (and/or the payment of money or Common Stock) pursuant thereto and the extension of any loans hereunder are subject to such additional requirements as the Board or the Committee may impose to assure or facilitate compliance with all applicable federal and state laws, rules and regulations (including, without limitation, securities laws and margin requirements) and to such approvals by any regulatory or governmental agency which may be necessary or advisable in connection therewith. In connection with the administration of the Plan or the grant of any Award, the Board or the Committee may impose such further limitations or conditions as in its opinion may be required or advisable to satisfy, or secure the benefits of, applicable regulatory requirements (including those rules promulgated under Section 16 of the Exchange Act or those rules that facilitate exemption from or compliance with the Securities Act or the Exchange Act), the requirements of any stock exchange upon which such shares or shares of the same class are then listed, and any blue sky or other securities laws applicable to such shares.

9.7 GOVERNING LAWS. The Plan and all Awards granted under the Plan and the documents evidencing Awards shall be governed by, and construed in accordance with, the laws of the State of Utah as the Corporation's principle place of business.

9.8 SECURITIES LAW REQUIREMENTS.

(a) LEGALITY OF ISSUANCE. The issuance of any Shares upon the exercise of any Option and the grant of any Option shall be contingent upon the following:

(i) the Corporation and the Participant shall have taken all actions required to register the Shares under the Securities Act of 1933, as amended (the "Securities

B-15

Act"), and to qualify the Option and the Shares under any and all applicable state securities or "blue sky" laws or regulations, or to perfect an exemption from the respective registration and qualification requirements thereof;

(ii) any applicable listing requirement of any stock exchange on which the Common Stock is listed shall have been satisfied; and

(iii) any other applicable provision of state or Federal law shall have been satisfied.

(b) RESTRICTIONS ON TRANSFER. Regardless of whether the offering and sale of Shares under the Plan has been registered under the Securities Act or has been registered or qualified under the securities laws of any state, the Corporation may impose restrictions on the sale, pledge, or other transfer of such Shares (including the placement of appropriate legends on stock certificates) if, in the judgment of the Corporation and its counsel, such restrictions are necessary or desirable in order to achieve compliance with the

Edgar Filing: LIQUITEK ENTERPRISES INC - Form DEF 14A

provisions of the Securities Act, the securities laws of any state, or any other law. In the event that the sale of Shares under the Plan is not registered under the Securities Act but an exemption is available which required an investment representation or other representation, each Participant shall be required to represent that such Shares are being acquired for investment, and not with a view to the sale or distribution thereof, and to make such other representations as are deemed necessary or appropriate by the Corporation and its counsel. Any determination by the Corporation and its counsel in connection with any of the matters set forth in this Section 9.8(b) shall be conclusive and binding on all persons. Stock certificates evidencing Shares acquired under the Plan pursuant to an unregistered transaction shall bear a restrictive legend reading substantially as follows and such other restrictive legends as are required or deemed advisable under the provisions of any applicable law:

THESE SHARES OF COMMON STOCK REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1993, AS AMENDED (THE "ACT"), OR APPLICABLE STATE SECURITIES LAWS AND HAVE BEEN ISSUED IN RELIANCE UPON EXEMPTIONS FROM SUCH REGISTRATION REQUIREMENTS. THESE SHARES OR ANY INTEREST HEREIN MAY NOT, BE OFFERED, SOLD OR TRANSFERRED UNLESS REGISTERED UNDER THE ACT AND APPLICABLE STATE SECURITIES LAWS OR AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE ACT AND APPLICABLE STATE SECURITIES LAWS IS AVAILABLE.

(c) REGISTRATION OR QUALIFICATION OF SECURITIES. The Corporation may, but shall not be obligated to register or qualify the issuance of Awards and/or the sale of Shares under the Securities Act or any other applicable law. The Corporation shall not be obligated to take any affirmative action in order to cause the issuance of Awards or the sale of Shares under the Plan to comply with any law.

B-16

(d) EXCHANGE OF CERTIFICATES. If, in the opinion of the Corporation and its counsel, any legend placed on a stock certificate representing shares issued under the Plan is no longer required, the holder of such certificate shall be entitled to exchange such certificate for a certificate representing the same number of Shares but lacking such legend.

B-17

9.9 EXECUTION. To record the adoption of the Plan in the form set forth above by the Board effective as of December 28, 2000, the Corporation has caused this Plan to be executed in the name and on behalf of the Corporation where provided below by an officer of the Corporation thereunto duly authorized.
