SUN COMMUNITIES, INC.
PROXY STATEMENT

INTRODUCTION

This Proxy Statement contains information related to the 2014 Annual Meeting of Shareholders (the "Annual Meeting") of Sun Communities, Inc. (the "Company"), which will be held on Tuesday, July 22, 2014, at 11:00 a.m. local time at 27777 Franklin Road, Suite 100, Southfield, MI 48034. On or about May 16, 2014, we began mailing a notice containing instructions on how to access these proxy materials to all shareholders of record at the close of business on May 9, 2014 (the "Record Date").

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

What is the Purpose of the Annual Meeting?

At the Annual Meeting, shareholders will vote on the following proposals (the "Proposals"):

- Proposal No. 1 — Elect seven directors to serve until our 2015 annual meeting of shareholders or until their successors shall have been duly elected and qualified;
- Proposal No. 2 — Ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for 2013; and
- Proposal No. 3 — Non-binding advisory vote on executive compensation.

In addition, shareholders shall consider any other business properly brought before the Annual Meeting.

We have sent these proxy materials to you because our Board of Directors (the "Board") is requesting that you allow your shares of our common stock ("Common Stock") to be represented at the Annual Meeting by the proxies named in the enclosed proxy card. This Proxy Statement contains information that we are required to provide you under the rules of the Securities and Exchange Commission ("SEC") and that is designed to assist you in voting your shares of Common Stock.

Who is Entitled to Vote?

You will be entitled to vote your shares of Common Stock on the Proposals if you held your shares of Common Stock at the close of business on the Record Date. As of the Record Date, a total of 41,022,842 shares of Common Stock were outstanding and entitled to vote held by 228 holders of record. Shares cannot be voted at the Annual Meeting unless the holder is present in person or represented by proxy. Each share of Common Stock entitles its holder to cast one vote for each matter to be voted upon.

What is Required to Hold the Annual Meeting?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding and entitled to vote on the Record Date will constitute a quorum permitting business to be conducted at the Annual Meeting. If you have returned valid proxy instructions or you attend the Annual Meeting and vote in person, your shares of Common Stock will be counted for purposes of determining whether there is a quorum, even if you abstain from voting on any or all matters introduced at the Annual Meeting. If there is not a quorum at the Annual Meeting, the shareholders entitled to vote at the Annual Meeting, whether present in person or represented by proxy, will only have the power to adjourn the Annual Meeting until such time as there is a quorum. The Annual Meeting may be reconvened without notice to the shareholders, other than an announcement at the prior adjournment of the Annual Meeting, within 120 days after the Record Date, and a quorum must be present at such reconvened

Annual Meeting.

How do I Vote?

Your vote is important. Shareholders have a choice of voting over the Internet, by telephone or by using a traditional proxy card.

To vote by Internet, go to www.proxyvote.com and follow the instructions there. You will need the 12 digit number included on your proxy card, voter instruction form or notice.

- To vote by telephone, shareholders should dial the phone number listed on their voter instruction form and follow the instructions. You will need the 12 digit number included on the voter instruction form or notice.

If you received a notice and wish to vote by traditional proxy card, you can receive a full set of materials at no charge through one of the following methods:

(i) by internet: www.proxyvote.com;

(ii) by phone: (800) 579-1639; or

(iii) by email: sendmaterial@proxyvote.com (your email should contain the 12 digit number in the subject line included on the voter instruction form or notice).

The deadline for voting by phone or electronically is 11:59 p.m., Eastern Time, on July 21, 2014.

If you complete your proxy via the internet, telephone or properly sign and return you proxy card, your shares will be voted as you direct. You may specify whether your shares should be voted: (1) for all, some or none of the nominees for director, (2) for or against Proposal No. 2 and (3) for or against Proposal No. 3.

We encourage you to provide voting instructions to your brokerage firm by returning a completed proxy. This ensures your shares will be voted at the meeting according to your instructions. You should receive directions from your brokerage firm about how to submit your proxy to them at the time you receive notice of this Proxy Statement.

Can I Change or Revoke My Proxy?

Yes, you may change your proxy at any time before the Annual Meeting by timely delivery of a properly executed, later-dated proxy or by voting in person at the Annual Meeting. You may also revoke your proxy by filing with our Secretary, any time prior to the time set for commencement of the Annual Meeting, a written notice of revocation bearing a later date than the proxy. However, attendance (without further action) at the Annual Meeting will not by itself constitute revocation or change of a previously granted proxy.

What are the Board's Recommendations?

If no instructions are indicated on your valid proxy, the representatives holding your proxy will vote in accordance with the recommendations of the Board. The Board unanimously recommends a vote:

- FOR the election of each of the nominees for director;
- FOR the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for 2014; and
- FOR the non-binding approval of the executive compensation as disclosed in this Proxy Statement.

With respect to any other matter that properly comes before the Annual Meeting or any adjournment or postponement thereof, the representatives holding proxies will vote in their own discretion.

How Can I Receive a Proxy Statement and Annual Report?

Our Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2013, as filed with the SEC on February 20, 2014, is available electronically via the Internet at www.proxyvote.com. In addition, we will provide without charge to each person to whom this Proxy Statement is delivered, upon written or verbal request, a copy of this Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2013, which contains our audited financial statements. Written

or telephone requests should be directed to us at 27777 Franklin Road, Suite 200, Southfield, Michigan 48034. Our telephone number is (248) 208-2500.

If you received a notice and wish to vote by traditional proxy card, you can receive a full set of materials at no charge through one of the following methods:

(i) by internet: www.proxyvote.com;

(ii) by phone: (800) 579-1639; or

(iii) by email: sendmaterial@proxyvote.com (your email should contain the 12 digit number in the subject line included on the voter instruction form or notice).

What Vote is Needed to Approve Each Proposal?

Following are the votes needed in order for each Proposal to be approved at the Annual Meeting. For all Proposals a quorum must be present at the Annual Meeting.

Proposal No. 1: The affirmative vote by a majority of all the votes cast in person or by proxy at the Annual Meeting is necessary for the election of seven directors to serve until our 2015 annual meeting of shareholders, or until their successors shall have been duly elected and qualified.

Proposal No. 2: The affirmative vote by a majority of all the votes cast in person or by proxy at the Annual Meeting is required for the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for 2014.

Proposal No. 3: The affirmative vote by a majority of all the votes cast in person or by proxy at the Annual Meeting is required for the non-binding approval of the executive compensation of our named executive officers as disclosed in this Proxy Statement.

We will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence or absence of a quorum. Abstentions do not constitute a vote "for" or "against" any matter being voted on at the Annual Meeting and will not be counted as "votes cast." Therefore, abstentions will have no effect on any of the proposals. Broker "non-votes," or proxies from brokers or nominees indicating that such broker or nominee has not received instructions from the beneficial owner or other entity entitled to vote such shares on a particular matter with respect to which such broker or nominee does not have discretionary voting power, will be treated in the same manner as abstentions for purposes of the Annual Meeting. If you are a beneficial owner whose shares of Common Stock are held of record by a broker, your broker has discretionary voting authority under New York Stock Exchange ("NYSE") rules to vote your shares on Proposal No. 2 even if the broker does not receive voting instructions from you. However, under NYSE rules, your broker does not have discretionary authority to vote on Proposal No. 1 or Proposal No. 3 without instructions from you, in which case a broker "non-vote" will occur and your shares of Common Stock will not be voted on these matters.

How is My Vote Counted?

If the proxy in the form enclosed is duly executed, dated and returned, and it has not been revoked in accordance with the instructions enclosed, the shares of Common Stock represented by the proxy will be voted by Gary A. Shiffman and Karen J. Dearing, the Board's proxy agents for the Annual Meeting, in the manner specified in the proxy. If no specification is made, the Common Stock will be voted "for" the election of the seven nominees for the Board, "for" the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for 2014, "for"

the executive compensation as disclosed in this Proxy Statement, and at the discretion of Gary A. Shiffman and Karen J. Dearing, the Board's designated representatives for the Annual Meeting, with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting. It is not anticipated that any matters other than those set forth in this Proxy Statement will be presented at the Annual Meeting. If other matters are presented, proxies will be voted in accordance with the discretion of the proxy holders. In addition, no shareholder proposals or nominations were received on a timely basis, so no such matters may be brought to a vote at the Annual Meeting.

Who is Soliciting My Proxy?

This solicitation of proxies is made by and on behalf of our Board. Proxies may be solicited by personal interview, telephone, facsimile or email or by our directors, officers and employees. Arrangements may also be made with brokerage houses or other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of Common Stock held of record by such persons, and we may reimburse them for reasonable out-of-pocket expenses incurred in forwarding the material. We anticipate fees and expenses for these parties will not exceed \$1,000. The costs of all proxy solicitation will be borne by us.

Our principal executive offices are located at 27777 Franklin Road, Suite 200, Southfield, Michigan 48034.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board of Directors and Committees

Pursuant to our Amended and Restated Articles of Incorporation, each of our directors serves for a one-year term or until his or her successor is duly elected and qualified. Our current directors are Stephanie W. Bergeron, Brian M. Hermelin, Paul D. Lapidés, Clunet R. Lewis, Robert H. Naftaly, Ronald L. Piasecki, Gary A. Shiffman and Arthur A. Weiss. The terms of each of our directors expires at the Annual Meeting or until such director's successor is duly elected and qualified or until the earlier resignation or removal of such director.

Pursuant to the Board's age-based retirement policy, Mr. Naftaly has decided to retire, but will continue to serve on the Board of Directors until the date of the Annual Meeting. All of the other incumbent directors are nominees for re-election at the Annual Meeting. Because no one has been nominated to be elected at the Annual Meeting to serve as a director with respect to the Board seat currently held by Mr. Naftaly, that seat will be vacant immediately after the Annual Meeting. After the Annual Meeting, the Board, as permitted by our bylaws, may by resolution reduce the size of the Board to seven directors. Alternatively, the Board may elect a director to fill the vacancy upon identification of a qualified candidate. If the Board elects a director to fill the vacancy, that director will serve until the annual meeting of shareholders to be held in 2015 or until such director's successor is elected and qualified or until the earlier resignation or removal of such director.

The Board meets quarterly, or more often as necessary. The Board met five times during 2013 and took various actions pursuant to resolutions adopted by unanimous written consent. All directors attended at least 75% of the meetings of the Board and each committee on which they served. Except for Messrs. Paul D. Lapidés and Ronald L. Piasecki, all of our board members attended the 2013 annual meeting.

Effective January 1, 2014, the Board increased the number of members of the Board from seven to eight as permitted under our bylaws and appointed Mr. Hermelin to serve as a director of the Company until our 2014 annual shareholders meeting and until his successor is elected and qualifies. In addition, Mr. Hermelin has been appointed to the Audit Committee and Executive Committee of the Board, and has been designated as an audit committee financial expert.

Several important functions of the Board may be performed by committees that are comprised of members of the Board. Our bylaws authorize the formation of these committees and grant the Board the authority to prescribe the functions of each committee and the standards for membership of each committee. In addition, the Board appoints the members of each committee. The Board has four standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, and an Executive Committee. You may find copies of the charters of the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Executive Committee under the "Investors-Officers and Directors" section of our website at www.suncommunities.com. You may also find a copy of our corporate governance guidelines and our code of business conduct and ethics under the "Investors-Officers and Directors" section of our website at www.suncommunities.com. All of the committee charters, our corporate governance guidelines and our code of business conduct and ethics are available in print to any shareholder who requests them.

The Audit Committee operates pursuant to a fourth amended and restated charter that was approved by the Board in April 2013, and is reviewed annually. It is available under the "Investors-Officers and Directors" section of our website at www.suncommunities.com. The Audit Committee, among other functions, (i) has the sole authority to appoint, retain, terminate and determine the compensation of our independent accountants, (ii) reviews with our independent accountants the scope and results of the audit engagement, (iii) approves professional services provided by our independent accountants, (iv) reviews the independence of our independent accountants, and (v) directs and controls our internal audit functions. The current members of the Audit Committee are Messrs. Robert H. Naftaly, Clunet R.

Lewis (Chairman), Brian M. Hermelin and Ms. Stephanie W. Bergeron, all of whom are “independent” as that term is defined in the rules of the SEC and applicable rules of the NYSE. Pursuant to the Board's age-based retirement policy, Mr. Naftaly has decided to retire as of the Annual Meeting. The Audit Committee held four formal meetings during the year ended December 31, 2013. The Board has determined that each member of the Audit Committee is an “audit committee financial expert”, as defined by SEC rules.

The Compensation Committee operates pursuant to a charter that was approved by the Board in March 2004. A copy of the Compensation Committee Charter is available under the “Investors-Officers and Directors” section of our website at www.suncommunities.com. The Compensation Committee, among other functions, (i) reviews and approves corporate goals and objectives relevant to the compensation of the Chief Executive Officer and such other executive officers as may be designated by the Chief Executive Officer, evaluates the performance of such officers in light of such goals and objectives, and determines and approves the compensation of such officers based on these evaluations, (ii) approves the compensation of our other executive officers, (iii) recommends to the Board for approval the compensation of the non-employee directors and (iv) oversees our incentive-

compensation plans and equity-based plans. The current members of the Compensation Committee are Messrs. Robert H. Naftaly (Chairman), Clunet R. Lewis and Paul D. Lapidés, all of whom are independent directors under the NYSE rules. Pursuant to the Board's age-based retirement policy, Mr. Naftaly has decided to retire as of the Annual Meeting. At or before the Annual Meeting, the Board will appoint an additional director to the Compensation Committee and will appoint a new Chairman of the Compensation Committee. During the year ended December 31, 2013, the Compensation Committee held two formal meetings and took various actions by unanimous written consent (see "Report of the Compensation Committee on Executive Compensation").

The Nominating and Corporate Governance Committee (the "NCG Committee") operates pursuant to a charter that was approved by the Board in March 2004. A copy of the NCG Committee Charter is available under the "Investors-Officers and Directors" section of our website at www.suncommunities.com. The NCG Committee, among other functions, is responsible for (i) identifying individuals qualified to become Board members, consistent with criteria approved by the Board, (ii) recommending that the Board select the committee-recommended nominees for election at each annual meeting of shareholders, (iii) developing and recommending to the Board a set of corporate governance guidelines applicable to us, and (iv) periodically reviewing such guidelines and recommending any changes, and overseeing the evaluation of the Board. The current members of the NCG Committee are Messrs. Paul D. Lapidés (Chairman), Clunet R. Lewis and Ronald L. Piasecki, all of whom are independent under the NYSE rules. The NCG Committee held one formal meeting during the year ended December 31, 2013. The NCG Committee considers diversity and skills in identifying nominees for service on our Board. Regarding diversity, the NCG Committee considers the entirety of the board and a wide range of economic, social and ethnic backgrounds and does not nominate representational directors from any specific group.

The Executive Committee operates pursuant to a charter that was approved by the Board in January 2014. The Executive Committee was established to generally manage our day-to-day business and affairs between regular Board meetings. The Executive Committee has specific authority to approve any and all acquisitions and/or financings (including refinancings of existing debt) by us or our subsidiaries up to a maximum purchase price or loan amount of \$50 million per transaction. In no event may the Executive Committee, without the prior approval of the Board acting as a whole: (i) recommend to the shareholders an amendment to our charter; (ii) amend our bylaws; (iii) adopt an agreement of merger or consolidation; (iv) recommend to the shareholders the sale, lease or exchange of all or substantially all of our property and assets; (v) recommend to the shareholders our dissolution or a revocation of a dissolution; (vi) fill vacancies on the Board; (vii) fix compensation of the directors for serving on the Board or on a committee of the Board; (viii) declare distributions or authorize the issuance of our stock; (ix) approve or take any action with respect to any related party transaction involving us; or (x) take any other action which is forbidden by our bylaws or charter. All actions taken by the Executive Committee must be promptly reported to the Board as a whole and are subject to ratification, revision and alteration by the Board, except that no rights of third persons created in reliance on authorized acts of the Executive Committee can be affected by any such revision or alteration. The current members of the Executive Committee are Messrs. Gary A. Shiffman, Arthur A. Weiss and Brian M. Hermelin. The Executive Committee did not hold any formal meetings during the year ended December 31, 2013.

The Board oversees and implements its risk management function several different ways. Specifically, the Audit Committee discusses our risk assessment and risk management policies with the Chief Financial Officer and other accounting staff, our internal auditor and our independent accountants in conjunction with its review of our financial statements as they deem necessary. In addition, the Board discusses the general risks facing us, the risk factors disclosed in our annual and period reports and our risk management policies with our executive management team from time to time throughout the year. In the event that a specific risk is identified, the Board or the Audit Committee directs management to assess, evaluate and provide remedial recommendations to the Board or the Audit Committee.

You are welcome to make any such report anonymously but we prefer that you identify yourself so that we may contact you for additional information if necessary or appropriate.

If you wish to communicate with our non-management directors as a group, you may do so by writing to Non-Management Directors of Sun Communities, Inc., c/o Compliance Officer, Sun Communities, Inc., 27777 Franklin Road, Suite 200, Southfield, MI 48034.

We recommend that all correspondence be sent via certified U.S. mail, return receipt requested. All correspondence received by the Compliance Officer will be forwarded by the Compliance Officer promptly to the addressee(s).

Board Leadership Structure and Independence of Non-Employee Directors

The Board and the Nominating and Corporate Governance Committee assess and revise our leadership structure from time to time. The Board does not have a fixed policy regarding the separation of the offices of Chairman and Chief Executive Officer and believes that it should maintain the flexibility to select the Chairman and its Board leadership structure, from time to time, based on the criteria that it deems to be in the best interests of the company and its shareholders. Gary A. Shiffman currently serves as our Chairman of the Board and Chief Executive Officer. The Board believes that combining the Chairman and Chief Executive Officer positions is the right corporate governance structure for us at this time because it most effectively utilizes Mr. Shiffman's extensive experience and knowledge regarding the company and the manufactured home industry and provides for the most efficient leadership of our Board and company. The Board believes that Mr. Shiffman, rather than an independent director, is in the best position, as Chairman and Chief Executive Officer, to lead Board discussions regarding our business and strategy and to help the Board respond quickly and effectively to the many business challenges affecting the company. The Board also believes that this structure is preferable because it allows one person to speak for and lead the company and the Board and that splitting the roles of Chairman and Chief Executive Officer may cause the company's leadership to be less effective.

Although the Board believes that it is more effective to have one person serve as our Chairman and Chief Executive Officer at this time, it also recognizes the importance of strong independent leadership on the Board. Accordingly, in addition to maintaining a significant majority of independent directors (as described below) and independent Board committees, the Board appoints a Lead Independent Director on an annual basis to serve for a term of one year. Mr. Clunet R. Lewis is currently serving as Lead Independent Director. The Lead Independent Director calls and presides at the executive sessions of our independent directors, acts as a liaison between our management team and the Board and is responsible for identifying, analyzing and making recommendations to the Board with respect to certain strategic and extraordinary matters. The Board believes that its Lead Independent Director structure including the duties and responsibilities described above provides the same independent leadership, oversight, and benefits for the company and the Board that would be provided by an independent Chairman.

The NYSE rules require that a majority of the Board consist of members who are independent. There are different measures of director independence— independence under NYSE rules, under Section 16 of the Exchange Act and under Section 162(m) of the Code. The Board has reviewed information about each of our non-employee directors and determined that Ms. Stephanie W. Bergeron and Messrs. Brian M. Hermelin, Paul D. Lapidés, Clunet R. Lewis, Robert H. Naftaly, and Ronald L. Piasecki are independent directors. The independent directors meet on a regular basis in executive sessions without management participation. In 2013, the executive sessions occurred after some of the regularly scheduled meetings of the entire Board and may occur at such other times as the independent directors deem appropriate or necessary.

Consideration of Director Nominees

Board Membership Criteria

The Board of Directors has established criteria for Board membership. These criteria include the following specific, minimum qualifications that the NCG Committee believes must be met by an NCG Committee-recommended

nominee for a position on the Board:

• The candidate must have experience at a strategic or policymaking level in a business, government, non-profit or academic organization of high standing;

• The candidate must be highly accomplished in his or her field, with superior credentials and recognition;

• The candidate must be well regarded in the community and must have a long-term reputation for high ethical and moral standards;

• The candidate must have sufficient time and availability to devote to our affairs, particularly in light of the number of boards on which the nominee may serve; and

7

- The candidate's principal business or occupation must not be such as to place the candidate in competition with us or conflict with the discharge of a director's responsibilities to us or to our shareholders.

In addition to the minimum qualifications for each nominee set forth above, the NCG Committee will recommend director candidates to the full Board for nomination, or present director candidates to the full Board for consideration, to help ensure that:

• A majority of the Board of Directors shall be "independent" as defined by the NYSE rules;

• Each of its Audit, Compensation and NCG Committees shall be comprised entirely of independent directors; and

• At least one member of the Audit Committee shall have such experience, education and qualifications necessary to qualify as an "audit committee financial expert" as defined by the rules of the SEC.

Consideration of Shareholder Nominated Directors

The NCG Committee's current policy is to review and consider any director candidates who have been recommended by shareholders in compliance with the procedures established from time to time by the NCG Committee. All shareholder recommendations for director candidates must be submitted in writing to our Secretary at Sun Communities, Inc., 27777 Franklin Road, Suite 200, Southfield, MI 48034, who will forward all recommendations to the NCG Committee. All shareholder recommendations for director candidates for election at our 2015 annual meeting of shareholders must be submitted to our Secretary not earlier than the 120th day and not later than the 90th day prior to the first anniversary of the Annual Meeting provided, however, that if the 2015 annual meeting is more than 30 days earlier or later than the first anniversary of the Annual Meeting, notice by the shareholder must be delivered not earlier than the 120th day and not later than the 90th day prior to the date of the 2015 annual meeting or, if the first public announcement of the date of the 2015 annual meeting is less than 100 days prior to the date of the 2015 annual meeting, the tenth day following the day on which public announcement of the date of the 2015 annual meeting is first made by us. All shareholder recommendations for director candidates must include the following information:

• The shareholder's name, address, number of shares owned, length of period held and proof of ownership;

• The name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five full fiscal years of the proposed director candidate;

• A description of the qualifications and background of the proposed director candidate which addresses the minimum qualifications and other criteria for Board membership as approved by the Board from time to time;

• A description of all arrangements or understandings between the shareholder and the proposed director candidate;

• The consent of the proposed director candidate (1) to be named in the proxy statement relating to our annual meeting of shareholders and (2) to serve as a director if elected at such annual meeting; and

• Any other information regarding the proposed director candidate that is required to be included in a proxy statement filed pursuant to the rules of the SEC.

Identifying and Evaluating Nominees

The NCG Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, executive officers, third-party search firms or any other source it deems appropriate. The NCG Committee will review and evaluate the qualifications of any proposed director candidate that it is considering or has been recommended to it by a shareholder in compliance with the NCG Committee's procedures for that purpose, and conduct inquiries it deems appropriate into the background of these proposed director candidates. When nominating a sitting director for re-election, the NCG Committee will consider the director's performance on the Board and the director's qualifications in respect to the criteria set forth above. Other than circumstances in which we are legally required by contract or otherwise to provide third parties with the ability to nominate directors, the NCG Committee will evaluate all proposed director candidates based on the same criteria and in substantially the same manner, with no regard to the source of the initial recommendation of the proposed director candidate.

In addition to each director's qualifications, experience and skills outlined in their biographical data above and the minimum Board qualifications set forth above, our NCG Committee looked for certain attributes in each director nominee and based on these attributes, and the mix of attributes of the other incumbent directors, determined that each

director nominee should serve on our Board. The NCG Committee does not require that each director nominee possess all of these attributes but rather that the Board is comprised of directors that, taken together, provide us with a variety and depth of knowledge, judgment and experience necessary to provide effective oversight and vision. These attributes include: (a) significant leadership skills as a chief executive officer and/or relevant board member experience, (b) real estate industry experience, (c) transactional experience, especially within the real estate industry, (d) relevant experience in property operations, (e) financial expertise, and (f) legal or regulatory experience. The following table lists the attributes of each incumbent director, as determined by the NCG Committee:

To the best of our knowledge, as of the date of this Proxy Statement, there are no material proceedings to which any director or nominee is currently a party, or has a material interest, adverse to the Company. Except as described below, to the best of our knowledge, during the past ten years: (i) there have been no events under any bankruptcy act, no criminal proceedings and no judgments or injunctions that are material to the evaluation of the ability or integrity of any director or nominee, (ii) no director or nominee has been the subject of a or a party to any judicial or administrative proceedings relating to an alleged violation of (a) mail or wire fraud; (b) fraud in connection with any business entity; (c) violations of federal or state securities, commodities, banking or insurance laws and regulations, and (iii) no director or nominee has been the subject of a or a party to any sanction or order of any self-regulatory organization, any registered entity (as defined in Section 1(a)(29) of the Commodity Exchange Act), or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

As announced on February 27, 2006, the SEC completed its inquiry regarding the accounting for our SunChamp investment during 2000, 2001 and 2002, and the entry of an agreed-upon Administrative Order (the "Order"). The Order required us to cease and desist from violations of certain non-intent based provisions of the federal securities laws, without admitting or denying any such violations. On February 27, 2006, the SEC filed a civil action against Mr. Shiffman, in his capacity as our Chief Executive Officer, Jeffrey P. Jorissen, our then (and now former as of February 2008) Chief Financial Officer and a former Controller in the United States District Court for the Eastern District of Michigan alleging various claims generally consistent with the SEC's findings set forth in the Order. On July 21, 2008, the U.S. District Court for the Eastern District of Michigan approved a settlement whereby the SEC dismissed its civil lawsuit against Mr. Shiffman and our former Controller. The SEC concurrently reached a settlement with Mr. Jorissen.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The first matter to be considered at the Annual Meeting will be the election of seven directors. Our current directors are:

Stephanie W. Bergeron;
Brian M. Hermelin;
Paul D. Lapidès;
Clunet R. Lewis;
Robert H. Naftaly;
Ronald L. Piasecki;
Gary A. Shiffman; and
Arthur A. Weiss.

The term of each of our directors expires at the Annual Meeting, or until his or her successor is duly elected and qualified or until the earlier resignation or removal of such director.

Pursuant to the Board's age-based retirement policy, Mr. Naftaly has decided to retire, but he will continue to serve on the Board of Directors until the date of the Annual Meeting. Following the recommendation of the NCG Committee, the Board of Directors has nominated each of the following incumbent directors for election at the Annual Meeting:

Stephanie W. Bergeron;
Brian M. Hermelin;
Paul D. Lapidès;
Clunet R. Lewis;
Ronald L. Piasecki
Gary A. Shiffman; and
Arthur A. Weiss.

Each director elected at the Annual Meeting will serve for a term commencing on the date of the Annual Meeting and continuing until our 2015 annual meeting of shareholders or until his or her successor is duly elected and qualified or until the earlier resignation or removal of such director.

Because no one has been nominated to be elected at the Annual Meeting to serve as a director with respect to the Board seat currently held by Mr. Naftaly, that seat will be vacant immediately after the Annual Meeting. After the Annual Meeting, the Board, as permitted by our bylaws, may by resolution reduce the size of the Board to seven directors. Alternatively, the Board may elect a director to fill the vacancy upon identification of a qualified candidate. If the Board elects a director to fill the vacancy, that director will serve until the annual meeting of shareholders to be held in 2015 or until such director's successor is elected and qualified or until the earlier resignation or removal of such director.

In the absence of directions to the contrary, proxies will be voted in favor of the election of the seven nominees named above.

Vote Required

A majority of the votes cast in person or by proxy at the Annual Meeting is required for the election of directors. Abstentions will not be counted in determining which nominees received a majority of votes cast since abstentions do not represent votes cast for or against a candidate. Brokers are not empowered to vote on the election of directors without instruction from the beneficial owner of the shares and thus broker non-votes likely will result. Because broker non-votes are not considered votes cast for or against a candidate, they will not be counted in determining which nominees receive a majority of votes cast. Although we know of no reason why any nominee would not be able to serve, if any nominee should become unavailable for election, the persons named as proxies will vote your shares of common stock to approve the election of any substitute nominee proposed by the Board.

Board Recommendation

The Board unanimously recommends that you vote "FOR" each of the seven nominees named above.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF GRANT THORNTON LLP

The third proposal to be considered at the Annual Meeting will be the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm. The Audit Committee has selected and appointed Grant Thornton LLP as our independent registered public accounting firm to audit its consolidated financial statements for the year ending December 31, 2014. Grant Thornton LLP has audited our consolidated financial statements since 2003. Although ratification by shareholders is not required by law or by our bylaws, the Audit Committee believes that submission of its selection to shareholders is a matter of good corporate governance. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in our best interests and our shareholders. If our shareholders do not ratify the appointment of Grant Thornton, the Audit Committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of independent auditors.

It is anticipated that a representative of Grant Thornton LLP will attend the Annual Meeting, will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Auditor Fees

Aggregate fees for professional services rendered by Grant Thornton, LLP, our independent auditors, for the years ended December 31, 2013 and 2012 were as follows:

Category	December 31, 2013	December 31, 2012
Audit Fees: For professional services rendered for the audit of our financial statements, the audit of internal controls relating to Section 404 of the Sarbanes-Oxley Act, the reviews of the quarterly financial statements and consents	\$ 569,376	\$ 734,170
Audit-Related Fees: For professional services rendered for accounting assistance with new accounting standards and potential transactions and other SEC related matters	\$ 123,204	\$ 7,019
Tax Fees	\$—	\$—
All Other Fees	\$—	\$—

Auditor Fees Policy

The Audit Committee has a policy concerning the pre-approval of audit and non-audit services to be provided by our independent auditors. The policy requires that all services provided by the independent auditors to us, including audit services, audit-related services, tax services and other services, must be pre-approved by the Audit Committee. In some cases, pre-approval is provided by the full Audit Committee for up to a year, and relates to a particular category or group of services and is subject to a particular budget. In other cases, specific pre-approval is required. All of the services provided by our independent auditor in 2013 and 2012 including services related to audit, audit-related fees, tax fees and all other fees described above, were approved by the Audit Committee under its pre-approval policies.

Vote Required

A majority of the votes cast in person or by proxy at the Annual Meeting is required to ratify the selection of Grant Thornton LLP. Abstentions will not be counted as votes cast for this proposal and do not represent votes cast for or against the ratification of the selection of Grant Thornton LLP. In the absence of your voting instructions, your broker

or nominee may vote your shares for this proposal in its discretion.

Board Recommendation

The Board unanimously recommends that you vote “FOR” the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for 2014.

REPORT OF THE AUDIT COMMITTEE

The Board maintains an Audit Committee comprised of four of our directors. The directors who serve on the Audit Committee are all “independent” for purposes of the NYSE listing standards. The Audit Committee held four formal meetings and several informal meetings during the 2013 fiscal year.

In accordance with its written charter, the Audit Committee assists the Board with fulfilling its oversight responsibility regarding quality and integrity of our accounting, auditing and financial reporting practices. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

reviewed and discussed the audited financial statements with management and Grant Thornton, LLP, our independent auditors, for the fiscal year ended December 31, 2013;

discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards), as amended, as adopted by the Public Company Accounting Oversight Board; and

received and reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board’s Standard No. 1 (Independence Discussions with Audit Committees), and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013 be filed with the SEC.

The Audit Committee has considered and determined that the level of fees of Grant Thornton LLP for provision of services other than the audit services is compatible with maintaining the auditor’s independence.

Respectfully Submitted,
Members of the Audit Committee:
Clunet R. Lewis (Chairman)
Stephanie W. Bergeron
Brian M. Hermelin
Robert H. Naftaly

Compensation Discussion and Analysis

Compensation Committee Composition and Charter

The Compensation Committee assists the Board in fulfilling its responsibilities for determining the compensation offered to our executive officers. The Compensation Committee, among other functions:

- consults with executive management in developing a compensation philosophy;
- reviews and approves the goals and objectives relevant to the compensation of the Chief Executive Officer and other executive officers ensuring those goals are aligned with our short and long-term objectives;
- reviews and approves salary, annual and long-term incentive compensation performance objectives and payments for the executive officers;
- evaluates the performance of the executives in light of the goals and objectives of our executive compensation plans and establishes future compensation levels based upon this evaluation;
- reviews and approves grants and awards to the executive officers and other participants under our equity based compensation plans; and
- reviews and approves any employment agreements and severance agreements to be made with any existing or prospective executive officer.

The Compensation Committee has the authority to retain and terminate independent, third-party compensation consultants and to obtain independent advice and assistance from internal and external legal, accounting and other advisors. The Compensation Committee did not engage a compensation consultant firm for 2013 compensation year. Each member of the Compensation Committee is independent under NYSE rules. A copy of the Compensation Committee Charter is available under the “Investors-Officers and Directors” section of our website at www.suncommunities.com.

In late 2010, the Compensation Committee engaged FPL Associates (“FPL”), a nationally recognized consulting firm specializing in the real estate industry, to: (1) assist the Compensation Committee with identifying a peer group; (2) assess the overall framework of our executive compensation program; (3) assess the compensation levels compared to the selected peer group; and (4) provide guidance and recommendations in establishing the overall compensation structure and individual compensation opportunities that were in place during 2010 and those established for 2011. The compensation of our Chief Executive Officer, Chief Financial Officer and Chief Operating Officer were reviewed and compared to a Public REIT Peer Group (the “Peer Group”) generally comparable to Sun in terms of asset class, size and/or geography. The Peer Group contained the following companies:

Associated Realty Corporation
Colonial Properties Trust
EastGroup Properties, Inc.
Equity LifeStyle Properties, Inc.
Glimcher Realty Trust
Home Properties, Inc.
Mid-America Apartment Communities, Inc.
Post Properties, Inc.
Ramco-Gershenson Properties Trust
UMH Properties, Inc.

The compensation data for each company was reviewed over a three-year period and compared to our compensation data for the same period. Each compensation component and total compensation of our three officers generally ranked between the 25th percentile to median of the total compensation levels of the Peer Group. The Compensation Committee believed this to be an appropriate level of compensation, although the Compensation Committee does not set a specific target level of compensation for our officers in relation to peers. As part of the review, FPL and the Compensation Committee discussed long-term equity plans with multi-year performance components including the types of programs being utilized in the marketplace, an analysis of all the peer long-term incentive plans, and key considerations with regards to such a plan for us. The Compensation Committee evaluated the possibility of adding a long-term equity plan with multi-year performance metrics as a component of our compensation program in future years. FPL has not provided any other services to us.

Compensation Philosophy and Objectives

The goals and objectives of our executive compensation program are to attract and retain a skilled executive team to manage, lead and direct our personnel and capital to obtain the best possible economic results.

The executive compensation program supports our commitment to providing superior shareholder value. This program is designed to:

- attract, retain and reward executives who have the motivation, experience and skills necessary to lead us effectively and encourage them to make career commitments to us;

- base executive compensation levels on our overall financial and operational performance and the individual contribution of an executive officer to our success;

- create a link between the performance of our stock and executive compensation; and

- position executive compensation levels to be competitive with other similarly situated public companies including the real estate industry in general and manufactured housing REITs in particular.

Annual salary and incentive awards are intended to be competitive in the marketplace to attract and retain executives. Stock options and restricted stock awards are intended to provide longer-term motivation which has the effect of linking stock price performance to executive compensation. Restricted stock is also intended to provide post-retirement financial security in lieu of other forms of more costly supplemental retirement programs. We have not implemented any policies related to stock ownership guidelines for our executive management or for members of the Board.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all decisions regarding the compensation of executive officers, including cash-based and equity-based incentive compensation programs. The Compensation Committee reviews the performance, and determines the annual incentive compensation, of the Chief Executive Officer. The Compensation Committee and the Chief Executive Officer annually review the performance metrics of the short and long-term performance plans and the performance of the other executive officers. The conclusions reached and recommendations based on the reviews of the other executive officers, including with respect to annual incentive and equity award amounts, are presented by the Chief Executive Officer to the Compensation Committee, which can exercise its discretion in modifying any recommended incentive or equity awards. From time to time, the Compensation Committee may request our Senior Vice President of Human Resources or Chief Financial Officer to collect publicly available information on compensation levels and programs for executives. In addition, our Chief Financial Officer analyzes implications of various executive compensation awards or plan designs.

Compensation Components and Processes

In order to implement our executive compensation philosophy, the Compensation Committee exercises its independent discretion in reviewing and approving the executive compensation program as a whole, as well as specific compensation levels for each executive officer. Final aggregate compensation determinations for each fiscal year are generally made after the end of the fiscal year, after financial statements for such year become available. At that time, the Compensation Committee determines the annual incentive award, if any, for the past year's performance, sets base salaries for those executive officers whose base salaries are not bound by employment agreements for the following fiscal year and makes awards of equity-based compensation, if any. Prior to the engagement of FPL in late 2010, the Compensation Committee did not formally benchmark executive compensation but did, on occasion, review

salary and compensation information for companies with comparable market capitalization, number of employees and business sectors as published in the National Association of Real Estate Investment Trusts Compensation Survey (the "NAREIT Survey") and various other compensation studies and surveys. The Compensation Committee used this information to gain a general understanding of current compensation practices and guidelines and did not tie its compensation decisions to any particular target or level of compensation noted in the NAREIT Survey or other surveys. The Compensation Committee considers (a) internal equity among executive officers, (b) market data for the positions held by these executives, (c) each executive's duties, responsibilities, and experience level, (d) each executive's performance and contribution to our success, and (e) cost to us when determining levels of compensation.

The Compensation Committee also considered the results of the advisory vote by shareholders on executive compensation, or the "say-on-pay" proposal, presented to shareholders at our July 23, 2013 annual meeting of shareholders. As reported in our Form 8-K, filed with the SEC on July 29, 2013, approximately 98% of the shares that voted on the say-on-pay proposal approved our

2012 executive compensation. Based on the votes from our 2013 annual meeting of shareholders, we will continue to offer an annual non-binding advisory vote on the executive compensation. Accordingly, the Compensation Committee made no direct changes to the Company's executive compensation program as a result of the say-on-pay vote and our executive compensation program for the year ended December 31, 2013 continued to focus on the factors and objectives described above.

The key components of executive officer compensation are base salary, annual incentive awards, and long-term equity incentive awards. Base salary is generally based on factors such as an individual officer's level of responsibility, prior years' compensation, comparison to compensation of other officers, and compensation provided at competitive companies and companies of similar size.

Annual incentive awards are cash bonuses that motivate the executive officers to maximize our annual operating and financial performance and reward participants based on annual performance. The Compensation Committee annually reviews the performance measures for determining award levels which include individual performance, our performance against budget and growth in FFO and CNOI, in each case as measured against targets established by the Compensation Committee. A definition of FFO and NOI is included under the heading "Supplemental Measures" in Item 7 of our Annual Report on Form 10-K, and CNOI is described further below. The Compensation Committee, in its sole discretion, may make adjustments to the NAREIT definition of FFO in determining FFO performance targets and achievement. The specific performance measures of the 2013 annual incentive award plan are further enumerated below.

Long-term equity incentive awards are provided to the executive officers in order to increase their personal stake in our success and motivate them to enhance our long-term value while better aligning their interests with those of other shareholders. Equity awards are generally awarded in the form of restricted stock although stock options are utilized from time to time. The value of the restricted shares awarded is the price of a share of our stock as of the close of business on the grant date. On an annual basis the Compensation Committee reviews and approves the equity incentives to be issued to each of the executive officers for the prior year's performance. There is no established target for long-term equity incentive awards for any of the executive officers either as a dollar value or percentage of their total compensation. Rather, the Compensation Committee reviews this component of each executive officer's total compensation on an annual basis. As such, during the year ended December 31, 2013, the Compensation Committee awarded 290,000, 15,000, 3,000 and 15,000 shares of restricted stock to Messrs. Shiffman, McLaren, Colman and Ms. Dearing, respectively. In February 2014, a grant of 8,000 shares of restricted stock was awarded to Mr. Colman. Restricted stock awards generally begin to vest after three to four years from the date of grant and then vest over the following four to five years. Our executive officers (as well as our employees that receive restricted stock awards) receive distributions on the restricted stock awards that have been granted to date, including restricted stock awards that have not vested.

Employment Agreements

Gary A. Shiffman

In June 2013, we entered into an employment agreement with Gary A. Shiffman, under which he serves as our Chief Executive Officer. He also served as our President until February 2014. We and Mr. Shiffman entered into a prior employment agreement in 2005, which expired on December 31, 2011 and was automatically renewed for a one-year term in both 2012 and 2013. This agreement supersedes the 2005 employment agreement. Mr. Shiffman's employment agreement has an initial term ending June 20, 2018 and will be automatically renewed for successive one year terms thereafter unless either party timely terminates the agreement. Pursuant to this employment agreement, Mr. Shiffman is paid an annual base salary of \$671,000, which will be increased by an annual cost of living adjustment on January 1 of each year of the term, beginning in 2014. In addition to his base salary, we may pay Mr. Shiffman annual incentive compensation in an amount up to 100% of his then current base salary, as follows: (i) if, in the sole discretion of the

Compensation Committee of our Board, Mr. Shiffman fulfills his annual individual goals and objectives as approved by the Compensation Committee, he will receive incentive compensation in the amount of 25% of his then current base salary; (ii) if, in the sole discretion of the Compensation Committee, the Company achieves the FFO and financial budget objectives approved by our Board at the beginning of the applicable year, Mr. Shiffman will receive incentive compensation in the amount of 50% of his then current base salary; and (iii) the remaining 25% of the incentive compensation may be awarded to Mr. Shiffman in the sole discretion of the Compensation Committee for extraordinary performance during the applicable year. Incentive compensation paid or payable to Mr. Shiffman under the employment agreement shall not be deemed to be fully earned and vested, and must be repaid to the extent such incentive compensation becomes subject to clawback pursuant to the provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act, any rules promulgated thereunder or the rules and regulations of the New York Stock Exchange. The non-competition clauses of Mr. Shiffman's employment agreement preclude him from engaging, directly or indirectly: (a) in the real estate business or any other business competitive with our business during the period he is employed by us; and (b) in the manufactured housing community business or any other business competitive with our business for a period of 18 months following the period he is employed by us. However, Mr. Shiffman's employment agreement does allow

him to make passive investments relating to real estate in general. See "Change in Control and Severance Agreements" for a description of the terms of Mr. Shiffman's employment agreement relating to change in control and severance payments.

In connection with the execution of the employment agreement, and pursuant to a restricted stock award agreement, we also issued Mr. Shiffman 250,000 restricted shares of our common stock.

A copy of Mr. Shiffman's employment agreement is attached as an exhibit to our periodic filings under the Exchange Act.

Karen J. Dearing

On March 7, 2011 with an effective date of January 1, 2011 (the "Effective Date"), we entered into an employment agreement with Karen J. Dearing pursuant to which Ms. Dearing serves as our Executive Vice President, Chief Financial Officer, Secretary, and Treasurer. Ms. Dearing's employment agreement is for an initial term commencing on the Effective Date and ending on December 31, 2015. The employment agreement is automatically renewable for successive one year terms thereafter unless either party timely terminates the agreement. Pursuant to the employment agreement, Ms. Dearing is paid an annual base salary of \$335,000 thereafter, subject to adjustments in accordance with the annual cost of living provided that if the base salary for the calendar year 2014 is less than 115% of the base salary for calendar year 2011, for 2014 and 2015 only, the annual increase in the base salary shall be the greater of five percent or the otherwise applicable cost of living adjustment. Upon signing the employment agreement, Ms. Dearing was paid a one-time signing bonus of \$150,000. In addition to her base salary and in accordance with the terms of her employment agreement and in sole discretion of the Compensation Committee, Ms. Dearing is eligible for annual incentive compensation of up to 50% of her base salary if certain annual individual and/or Company performance criteria, as established by the Compensation Committee in its sole discretion, are met and up to 50% of her base salary at the sole discretion of the Compensation Committee. The clawback clause of Ms. Dearing's employment agreement deems that the bonus payment or any other incentive compensation is not deemed fully earned and vested, and Ms. Dearing shall reimburse us if previously paid, to the extent such incentive compensation becomes subject to clawback pursuant to the provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act or NYSE rules. The non-competition clauses of Ms. Dearing's employment agreement preclude her from engaging, directly or indirectly, in the development, ownership, leasing, management, financing, or sales of manufactured housing communities or manufactured homes anywhere in the continental United States or Canada during the period she is employed by us and for a period of up to twenty four months following the period she is employed by us; provided, however, that if Ms. Dearing is terminated without "cause" the period of non-competition shall be reduced to twelve months following the period she is employed by us. Notwithstanding, Ms. Dearing's employment agreement does allow her to make passive investments in publicly-traded entities engaged in our business during the period she is employed by us. See "Change in Control and Severance Payments" for a description of the terms of Ms. Dearing's employment agreement relating to change of control and severance payments.

A copy of Ms. Dearing's employment agreement is attached as an exhibit to our periodic filings under the Exchange Act.

John B. McLaren

On March 7, 2011 but effective as of the Effective Date, we entered into an employment agreement with John B. McLaren pursuant to which Mr. McLaren serves as our Chief Operating Officer. Since February 2014, he has also served as our President. Prior to that, he was our Executive Vice President. Mr. McLaren's employment agreement is for an initial term commencing on the Effective Date and ending on December 31, 2015. The employment agreement is automatically renewable for successive one year terms thereafter unless either party timely terminates the agreement. Pursuant to the employment agreement, Mr. McLaren is paid an annual base salary of \$345,000 in the first

year, \$375,000 in the second year, \$400,000 in the third year, and \$425,000 thereafter, subject to adjustments in accordance with the annual cost of living. Upon signing the employment agreement, Mr. McLaren was paid a one-time signing bonus of \$150,000. In addition to his base salary and in accordance with the terms of his employment agreement and sole discretion of the Compensation Committee, Mr. McLaren is eligible for annual incentive compensation of up to 50% of his base salary if certain annual individual and/or Company performance criteria, as established by the Compensation Committee in its sole discretion, are met and up to 50% of his base salary at the sole discretion of the Compensation Committee. The clawback clause of Mr. McLaren's employment agreement deems that the bonus payment or any other incentive compensation is not deemed fully earned and vested, and Mr. McLaren shall reimburse us if previously paid, to the extent such incentive compensation becomes subject to clawback pursuant to the provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act or NYSE rules. The non-competition clauses of Mr. McLaren's employment agreement preclude him from engaging, directly or indirectly, in the development, ownership, leasing, management, financing, or sales of manufactured housing communities or manufactured homes anywhere in the continental United States or Canada during the period he is employed by us and for a period of up to twenty four months following the period he is employed by us; provided, however, that if Mr. McLaren is terminated without "cause" the period of non-competition shall be reduced to twelve months following the period he is employed by us. Notwithstanding, Mr. McLaren's employment agreement does allow him to make passive investments in publicly-traded

entities engaged in our business during the period he is employed by us. See “Change in Control and Severance Payments” for a description of the terms of Mr. McLaren's employment agreement relating to change of control and severance payments.

2013 Compensation

The base salaries for the named executive officers for the year ended December 31, 2013, were paid in accordance with existing employment agreements or arrangements.

For 2013, the Compensation Committee established the following targets for the executive officers in relation to annual incentive awards. The achievement of such targets was used to determine a portion of the executive's annual incentive award. As indicated in each executive's employment agreement, the payment of any or all of the incentive compensation, whether or not set targets are achieved, is in the sole discretion of the Compensation Committee. The structure of the bonus plans for Mr. Shiffman and Ms. Dearing are set forth in the tables below:

Compensation Committee Discretion ⁽²⁾	88,245	\$—	\$—	\$—	\$88,245	88,245
Total	\$352,980					\$176,490

⁽¹⁾ See Target Level Table below for achievement ranges.

⁽²⁾ The Compensation Committee has the discretion to award the CEO and CFO a cash bonus in any amount up to a maximum of 25% of their base salary.

The individual goals for Mr. Shiffman were focused on strategic leadership of the organization and communication of our mission and values, implementation of systems and processes that assure physical, financial and human resources of our organization, providing strategic planning and guidance for growth through acquisitions and expansions and opportunistically accessing capital markets to fund growth and strengthen the balance sheet. The individual goals for Ms. Dearing were focused on evaluation and implementation of strategies associated with our capital requirements and structure including debt and equity transactions, effectively leading our accounting, tax and information technology departments, and creating and communicating along with the other executive officers, our strategic vision. The Compensation Committee determined that for fiscal year 2013 both Mr. Shiffman and Ms. Dearing “excelled” in

the achievement of their individual goals and as such, achieved annual incentive awards of \$167,778 and \$88,245, respectively, for the achievement of this target.

Based on the results achieved in 2013, including significant community acquisitions, financing transactions and diligent management of the Company's balance sheet, the Compensation Committee, elected to exercise its sole discretion to award Mr. Shiffman and Ms. Dearing additional discretionary amounts of \$167,778 and \$88,245, respectively, bringing their total annual incentive bonuses to \$335,556 and \$176,490, respectively.

The following tables provide a summary of the various target levels that we established compared to the actual results to evaluate the achievement of certain executive goals:

Achievement Level	Target Ranges		
	FFO	CNOI ⁽²⁾	Revenue Producing Sites ("RPS")
Met	\$3.19 - \$3.23	\$221,068,057	> 1,623
Exceed	\$3.24 - \$3.27	\$222,173,397	> 1,673
Excel	\$3.27 or greater	\$223,278,738	> 1,723

Result Achievement Level	Company Results		
	Revised FFO ⁽¹⁾	CNOI ⁽²⁾	Revenue Producing Sites ("RPS")
	\$3.16	\$219,673,284	1,885
	Not Achieved	Not Achieved	Excel

⁽¹⁾ The reconciliation for Revised FFO as deemed by the Compensation Committee is below.

⁽²⁾ CNOI is comprised of NOI/Gross Profit excluding any Gross Profit (Loss) on fixed asset home sales.

The following table provides information regarding the Compensation Committee's calculation of Revised FFO (shown as diluted per share):

	Year Ended December 31, 2013
Funds from operations (FFO)	\$3.11
Acquisition related costs	0.11
Adjustment to reflect certain items including unbudgeted acquisitions and financing events	(0.06)
Revised FFO as deemed by the Compensation Committee	\$3.16

Targets for FFO achievement were developed from the Company's budget including community acquisitions and common stock offerings completed through March 31, 2013. Adjustments were made to remove the operating results of properties acquired after March 31, 2013 including the assumed interest charge associated with the purchase price of the communities, as well as certain financing charges related to unbudgeted financing transactions.

We achieved Revised FFO/share of \$3.16 as adjusted by the Compensation Committee and as such Messrs. Shiffman and McLaren and Ms. Dearing did not receive an incentive payout with respect to this target.

The structure of the annual incentive plan for Mr. McLaren is set forth in the table below:

COO Bonus Plan	Allocation of Base Salary	% of Salary			Maximum Discretionary Award (2)	Total Bonus Awarded
		30% Minimum	60% Target	100% Maximum		
CNOI ⁽¹⁾	\$100,000	\$30,000	\$60,000	\$100,000	\$—	\$—
Company achievement of FFO	80,000	\$24,000	\$48,000	\$80,000	\$—	—
Achievement of Revenue Producing Sites ("RPS")	20,000	\$6,000	\$12,000	\$20,000	\$—	20,000
Compensation Committee Discretion ⁽²⁾	200,000				\$200,000	180,000
Total	\$400,000					\$200,000

(1) See Target Ranges Table above for achievement ranges and definition of CNOI.

(2) The Compensation Committee has the discretion to award the COO a cash bonus in any amount up to a maximum of 50% of his base salary.

Combined net operating income for this purpose may not be the same as net operating income as disclosed in our financial statements included in our Annual Report on Form 10-K as certain items that are not under Mr. McLaren's control or that are recorded solely for GAAP financial purposes are excluded from the computation of combined net operating income. Mr. McLaren achieved the maximum award for the achievement of revenue producing sites and did not achieve an annual incentive award for CNOI or FFO. The Compensation Committee, in its sole discretion, elected to award Mr. McLaren a discretionary bonus of

\$180,000 due to his significant efforts with respect to our core portfolio, acquired communities and leadership of the operations, sales and human resource departments.

For Jonathan M. Colman:

Mr. Colman's annual incentive award is determined in the sole discretion of the CEO and recommended to the Compensation Committee after review of his overall responsibilities, his individual performance during the year, the annual incentives of the other executive officers and his overall compensation. For the fiscal year 2013, the CEO recommended and the Compensation Committee approved an annual incentive award of \$265,000 related to his work on the acquisition of the 15 communities completed in 2013.

Tax and Accounting Implications

Deductibility of Executive Compensation

Section 162(m) of the Code limits the deductibility on our tax return of compensation over \$1.0 million to any of our named executive officers. We believe that, because we qualify as a REIT under the Code and therefore are not subject to federal income taxes on our income to the extent distributed, the payment of compensation that does not satisfy the requirements of section 162(m) has not and will not generally affect our net income. However, to the extent that compensation does not qualify for deduction of section 162(m), a larger portion of shareholder distributions may be subject to federal income taxation as dividend income rather than return of capital. We do not believe that section 162(m) has materially affected or will materially affect the taxability of shareholder distributions, although no assurance can be given in this regard due to the variety of factors that affect the tax position of each shareholder. For these reasons, section 162(m) is not a significant factor in the Compensation Committee's compensation policy and practices. In 2013, we did not pay any compensation to any of our named executive officers that was subject to section 162(m).

409A Considerations

We have also taken into consideration Code Section 409A in the design and implementation of our compensation programs. If an executive is entitled to nonqualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the executive is subject to regular federal income tax, interest and an additional federal income tax of 20% of the benefit includible in income.

Risks Arising from Compensation Policies and Practices

Our senior management has assessed the enterprise-wide risks facing us and processes and procedures to mitigate such risks. In connection with such enterprise risk process, our compensation programs, including program features that could potentially encourage excessive or impudent risk taking, did not rise to levels of risk exposure that senior management determined would require an elevated level of monitoring. Following this review, our management, Compensation Committee and full Board of Directors affirmatively determined that there were no risks arising from the compensation policies and practices that are reasonably likely to have a material adverse effect on us.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Robert H. Naftaly, Clunet R. Lewis and Paul D. Lapidés served as members of the Compensation Committee of our Board during 2013. None of the members of the Compensation Committee has been or will be one of our officers or employees. We do not have any interlocking relationships between our executive officers and the Compensation Committee and the executive officers and compensation committees of any other entities, nor has any such interlocking relationship existed in the past.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Respectfully submitted,
Members of the Compensation Committee:

Paul D. Lapidès
Clunet R. Lewis

PROPOSAL NO. 3

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

The fourth proposal to be considered at the Annual Meeting will be a non-binding advisory vote on executive compensation. Section 14A of the Exchange Act requires us to allow shareholders an opportunity to cast a non-binding advisory vote on executive compensation as disclosed in this Proxy Statement. The following proposal, commonly known as a “say on pay” proposal, gives shareholders the opportunity to approve, reject or abstain from voting with respect to our fiscal 2013 executive compensation programs and policies and the compensation paid to our “named executive officers” listed in the Summary Compensation Table below.

“RESOLVED, that the compensation paid to our named executive officers, as disclosed pursuant to the SEC’s rules and regulations, including the Compensation Discussion and Analysis, the compensation tables and narrative discussion is, hereby approved on an advisory basis.”

As discussed in the “Compensation Discussion and Analysis” section of this Proxy Statement, the primary objectives of our executive compensation program are to attract and retain a skilled executive team to manage, lead and direct our personnel and capital to obtain the best possible economic results. The compensation of our executive officers reflects the success of our management team in attaining certain operational goals which leads to the success of the company and serves the best interests of our shareholders.

This proposal allows our shareholders to express their opinions regarding the decisions of the Compensation Committee on the prior year’s annual compensation to the named executive officers. Your non-binding advisory vote will serve as an additional tool to guide the Board and the Compensation Committee in continuing to improve the alignment of our executive compensation programs with our interests and the interests of our shareholders, and is consistent with our commitment to high standards of corporate governance.

Vote Required

Advisory approval of this say on pay proposal requires the affirmative vote of holders of a majority of all the votes cast in person or by proxy at the Annual Meeting. Abstentions will not be counted as votes cast for the say on pay proposal and do not represent votes cast for or against the advisory approval of the proposal. Brokers are not empowered to vote on the say on pay proposal without instruction from the beneficial owner of the shares and thus broker non-votes likely will result. Since broker non-votes are not considered votes cast on the say on pay proposal, they will not be counted in determining whether the say on pay proposal is approved. Because the vote on this proposal is non-binding and advisory in nature, it will not affect any compensation already paid or awarded to any named executive officer and will not be binding on or overrule any decisions by the Board; it will not create or imply any additional fiduciary duty on the part of the Board; and it will not restrict or limit the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation. To the extent there is any significant vote against our named executive officer compensation as disclosed in this Proxy Statement, the Compensation Committee will evaluate whether any actions are necessary to address the concerns of shareholders. The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our named executive officers, as described in this Proxy Statement in accordance with the compensation disclosure rules of the SEC.

Board Recommendation

The Board unanimously recommends that you vote “FOR” the executive compensation of our named executive officers as disclosed in this Proxy Statement.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, requires our directors, executive officers and beneficial owners of more than 10% of our capital stock to file reports of ownership and changes of ownership with the SEC and the NYSE. However, in May 2014, Mr. Arthur A. Weiss filed a Form 5 relating to the distribution in 2012 of 1,598 shares of common stock by a trust of which he is a co-trustee, but not a beneficial owner.

Relationship with Equity Affiliates

We have entered into the following transactions with Origen Financial Services, LLC (“OFS LLC”):

OFS LLC purchased the loan origination platform of Origen. The purpose of the venture is to originate manufactured housing installment contracts for its members. We accounted for our investment in OFS LLC using the equity method of accounting which we have since suspended. As of December 31, 2013, we had an ownership interest in the OFS LLC of 22.9%, and the carrying value of our investment was zero.

Loan Origination, Sale and Purchase Agreement. OFS LLC agreed to fund loans that meet our underwriting guidelines and then transfer those loans to us pursuant to a Loan Origination, Sale and Purchase Agreement. We paid OFS LLC a fee of \$650 per loan pursuant to a Loan Origination, Sale and Purchase Agreement which totaled approximately \$0.1 million during the year ended December 31, 2013. We purchased, at par, \$7.7 million of these loans during the year ended December 31, 2013.

Any such disclosure provided by an executive officer or director is reviewed by the NCG Committee and approved or disapproved. In determining whether to approve such a transaction or arrangement, the NCG Committee takes into account, among other factors, whether the transaction was on terms no less favorable to us than terms generally available to third parties and the extent of the executive officer's or director's involvement in such transaction or arrangement.

The current policy was adopted and approved in 2004. All related party transactions disclosed above were approved by either the NCG Committee or the full Board.

SHAREHOLDER PROPOSALS FOR THE 2015 ANNUAL MEETING

In order to be considered for inclusion in our proxy statement and on the proxy card that will be solicited by the Board in connection with the 2015 annual meeting of shareholders, shareholder proposals intended to be presented at the 2015 annual meeting of shareholders must be received by our Secretary no later than January 16, 2015.

In addition, if a shareholder desires to bring business before an annual meeting of shareholders, which is not the subject of a proposal for inclusion in our proxy materials, the shareholder must follow the advance notice procedures outlined in our bylaws. These advance notice procedures are the same as the advance notice procedures for shareholder nominated directors, which are described under "Board of Directors and Corporate Governance - Consideration of Director Nominees - Consideration of Shareholder Nominated Directors" above. Our bylaws provide that: (i) with respect to an annual meeting of shareholders, nominations of individuals for election to the Board of Directors and the proposal of other business to be considered by the shareholders may be made only (a) pursuant to our notice of the meeting, (b) by or at the direction of the Board of Directors, or (c) by any shareholder who was a shareholder of record at the time of giving of notice provided for in the bylaws and at the time of the annual meeting, is entitled to vote at the meeting and has complied with the advance notice procedures set forth in the bylaws; and (ii) with respect to special meetings of shareholders, only the business specified in our notice of meeting may be brought before the meeting of shareholders, and nominations of persons for election to the Board of Directors may be made (a) pursuant to our notice of meeting, (b) by or at the direction of the Board of Directors, or (c) provided that the Board of Directors has determined that directors shall be elected at such special meeting, by any shareholder who is a shareholder of record both at the time of giving of notice provided for in the bylaws and at the time of the special meeting, is entitled to vote at the meeting and has complied with the advance notice provisions set forth in the bylaws.

OTHER MATTERS

The Board knows of no other matters to be presented for shareholder action at the Annual Meeting. If any other matters are properly presented at the Annual Meeting for action, it is intended that the persons named in the accompanying proxy and acting thereunder will vote in accordance with their best judgment on such matters.
