PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON FEBRUARY 14, 2007

QUESTIONS AND ANSWERS

Why am I receiving these proxy materials?

We sent you this proxy statement and the enclosed proxy card because the Board of Directors of Charlotte Russe Holding, Inc., referred to as Charlotte Russe, is soliciting your proxy to vote at its 2007 Annual Meeting of Stockholders. You are invited to attend the annual meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the accompanying proxy card.

We intend to mail this proxy statement and accompanying proxy card on or about January 15, 2007 to all stockholders of record entitled to vote at the annual meeting.

Who can vote at the annual meeting?

Only stockholders of record at the close of business on January 4, 2007 will be entitled to vote at the annual meeting. At the close of business on the record date, there were 25,311,364 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If at the close of business on the record date, your shares were registered directly in your name with our transfer agent, Mellon Investor Services LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy using the accompanying proxy card. Whether or not you plan to attend the meeting, we urge you to fill out and return the accompanying proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent

If at the close of business on the record date, your shares were held, not in your name, but rather in an account at a brokerage firm, bank or other agent, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your broker, bank or other agent. The broker, bank or other agent holding your account is considered to be the stockholder of record for purposes of voting at the annual meeting.

As a beneficial owner, you have the right to direct your broker, bank or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy issued in your name from your broker, bank or other agent.

What am I voting on?

There are two matters scheduled for a vote at the annual meeting:

the election of directors to hold office until our 2008 Annual Meeting of Stockholders, and

the approval of an amendment to our Amended and Restated Bylaws to permit our Board of Directors to fix the authorized number of our directors from time to time.

How do I vote?

For the election of directors, you may either vote For all nominees or you may Withhold your vote for any nominee you specify. For any other matter to be voted on, you may vote For or Against or abstain from voting. The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the annual meeting. Alternatively, you may vote by proxy using the accompanying proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

To vote in person, come to the annual meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the accompanying proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is counted. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of the close of business on January 4, 2007, the record date for the annual meeting.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted For the election of all nominees for director and For the approval of an amendment to our Amended and Restated Bylaws to permit our Board of Directors to fix the authorized number of our directors from time to time. If any other matter is properly presented at the meeting, one of the individuals named on your proxy card as your proxy will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the applicable vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

you may submit another properly completed proxy with a later date,

you may send a written notice that you are revoking your proxy to our Corporate Secretary at 4645 Morena Boulevard, San Diego, California 92117, or

you may attend the annual meeting and vote in person (however, simply attending the meeting will not, by itself, revoke your proxy). If your shares are held by your broker, bank or other agent, you should follow the instructions provided by them.

When are stockholder proposals due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by September 17, 2007, to our Corporate Secretary at 4645 Morena Boulevard, San Diego, California 92117. If you wish to bring a matter before the stockholders at next year's annual meeting and you do not notify us before December 1, 2007, our management will have discretionary authority to vote all shares for which it has proxies in opposition to the matter. Please review our Amended and Restated Bylaws, which contain additional requirements regarding advance notice of stockholder proposals.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count For and Withhold and, with respect to any proposals other than the election of directors, Against votes, abstentions and broker non-votes. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner, despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions. Abstentions will be counted towards the presence of a quorum and the vote total for each proposal, and will have the same effect as Against votes. Broker non-votes will be counted towards the presence of a quorum but will not be counted towards the vote total for any proposal.

If your shares are held by your broker, bank or other agent as your nominee (that is, in street name), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker, bank or other agent to vote your shares. If you do not give instructions to your broker, bank or other agent, they can vote your shares with respect to discretionary items, but not with respect to non-discretionary items. Discretionary items are proposals considered routine under the rules of the New York Stock Exchange on which your broker, bank or other agent may vote shares held in street name in the absence of your voting instructions. On non-discretionary items for which you do not give instructions to your broker, bank or other agent, the shares will be treated as broker non-votes.

How many votes are needed to approve each proposal?

For the election of directors, the seven nominees receiving the most For votes (among votes properly cast in person or by proxy) will be elected. Only votes For or Withheld will affect the outcome of the vote.

To be approved, the amendment to our Amended and Restated Bylaws must receive a For vote from the majority of shares present and entitled to vote either in person or by proxy. If you Abstain from voting, it will have the same effect as an Against vote. Broker non-votes will have no effect on the outcome of the vote.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares as of the close of business on the record date are represented by stockholders present at the meeting or by proxy. At the close of business on the record date, there were 25,311,364 shares outstanding and entitled to vote. Therefore, in order for a quorum to exist, 12,655,683 shares must be represented by stockholders present at the meeting or by proxy.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other agent) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our quarterly report on Form 10-Q for the second quarter of fiscal 2007.

Independence of the Board of Directors and its Committees

As required under Nasdaq Stock Market listing standards, a majority of the members of a listed company's Board of Directors must qualify as independent, as affirmatively determined by the board. Our Board of Directors consults with our counsel to ensure that the Board's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of independent, including those set forth in applicable Nasdaq listing standards, as in effect from time to time.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and Charlotte Russe, our senior management and our independent auditors, our Board of Directors has affirmatively determined that all of our directors are independent directors within the meaning of the applicable Nasdaq listing standards, except for Mr. Zeichner, the Chairman of the Board, and Mr. Hoffman, our President and Chief Executive Officer.

As required under applicable Nasdaq listing standards, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present. All of the committees of our Board of Directors are comprised entirely of directors determined by the Board to be independent within the meaning of the applicable Nasdaq listing standards.

Information Regarding the Board of Directors and its Committees

Our Board of Directors currently has an Audit Committee and a Compensation Committee. The following is a description of each current committee and its functions.

Audit Committee

The Audit Committee operates pursuant to a written charter that is available on our website at <http://www.charlotte-russe.com>. A copy of the charter is also included as Appendix A to this proxy statement. The Audit Committee met 12 times during the fiscal year ended September 30, 2006 and currently consists of Messrs. Del Rossi and Mogil and Ms. Salopek, with Mr. Mogil serving as chair of the committee. The functions of the Audit Committee include, among other things:

reviewing and pre-approving the engagement of our independent auditors to perform audit services and any permissible non-audit services;

evaluating the performance of and assessing the qualifications of our independent auditors;

monitoring the rotation of partners of our independent auditors on our audit engagement team;

reviewing our annual and quarterly financial statements and reports and discussing the statements and reports with our independent auditors and management;

reviewing with our independent auditors and management significant issues that arise regarding accounting principles and financial statement presentation, and matters concerning the scope, adequacy and effectiveness of our internal controls over financial reporting; and

reviewing procedures for the receipt, retention and treatment of complaints received by us regarding financial controls, accounting or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

Our Board of Directors has determined that each member of the Audit Committee qualifies as an audit committee financial expert, as defined in applicable Securities and Exchange Commission, or SEC, rules. In making this determination, our Board of Directors made a qualitative assessment of each member's level of knowledge and experience based on a number of factors, including his or her formal education and prior work experience.

Compensation Committee

The Compensation Committee operates pursuant to a written charter that is available on our website at <http://www.charlotte-russe.com>. The Compensation Committee met two times during the fiscal year ended September 30, 2006 and currently consists of Messrs. Karp and Rivers, with Mr. Rivers serving as chair of the committee. The functions of the Compensation Committee include, among other things:

recommending to our Board of Directors the compensation and other terms of employment of our Chief Executive Officer;

reviewing and approving the compensation and other terms of employment of our other executive officers and reviewing and approving corporate performance goals and objectives relevant to such compensation;

recommending to our Board of Directors the type and amount of compensation to be paid or awarded to board members;

Edgar Filing: CHARLOTTE RUSSE HOLDING INC - Form DEF 14A

evaluating and recommending to our Board of Directors the equity incentive plans, compensation plans and similar programs advisable for us, as well as modification or termination of existing plans and programs; and

establishing policies with respect to equity compensation arrangements.

Meetings of the Board of Directors and Board and Committee Member Attendance

Our Board of Directors met four times during the fiscal year ended September 30, 2006. Each Board member attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he or she served, held during the period for which he or she was a director or committee member, respectively.

Director Nomination Process

Currently, all potential director nominees are recommended by a majority of our independent directors and considered by our entire Board of Directors. In December 2006, our Board of Directors approved the establishment of a Nominating and Corporate Governance Committee and the adoption of a written charter for the Nominating and Corporate Governance Committee, each effective as of the annual meeting. We do not currently have a formal policy for consideration of director candidates recommended by stockholders because our Board of Directors believes it can consider any such stockholder-recommended candidates on an *ad hoc* basis. Our Board of Directors will evaluate stockholder-recommended candidates under the same criteria as internally generated candidates. Although our Board of Directors does not currently have formal minimum criteria for nominees, substantial relevant business and industry experience would generally be considered important qualifying criteria. Stockholders wishing to submit candidates for potential nomination as directors to be elected at our 2008 Annual Meeting should submit a written recommendation including the candidate's name; a description of the candidate's business experience for at least the previous five years; complete biographical information for the candidate; a description of the candidate's qualifications as a director; and a representation that the nominating stockholder is a beneficial or record owner of our common stock. Any such submission must be accompanied by the written consent of the candidate to be named as a nominee and to serve as a director if elected and should be sent to the attention of the Chairman of the Board, at our corporate offices at 4645 Morena Boulevard, San Diego, California 92117. While the Board does not currently have a formal deadline for considering stockholder nominee suggestions, suggestions should be submitted by the September 17, 2007 deadline for submitting stockholder proposals in order to allow adequate time for consideration in advance of the preparation of proxy materials for our 2008 Annual Meeting. To date, we have not received a director nominee from a stockholder or stockholders holding more than 5% of our voting stock.

Stockholder Communications With The Board Of Directors

Our Board of Directors has adopted a process by which our stockholders may communicate with the Board or individual directors. Stockholders who wish to communicate with the Board may do so by sending written communications addressed to the Chairman of the Board at our corporate offices at 4645 Morena Boulevard, San Diego, California 92117. Each communication should set forth the name and address of the Charlotte Russe stockholder on whose behalf the communication is sent, and the number of shares of our common stock that are owned beneficially by such stockholder as of the date of the communication. We reserve the right to modify this communication process at any time, and any such modification will be made available on our website at <http://www.charlotte-russe.com>.

CODE OF BUSINESS CONDUCT AND ETHICS

We have adopted a Code of Business Conduct and Ethics that applies to all of our officers, directors and employees and a Code of Ethics for Financial Employees that applies to our Chief Executive Officer and employees serving in a finance, accounting or investor relations capacity. The Code of Business Conduct and Ethics and the Code of Ethics for Financial Employees are available on our website at <http://www.charlotte-russe.com>. If we make any substantive amendments to the Code of Business Conduct and Ethics or grant any waiver from a provision of the Code of Business Conduct and Ethics to any executive officer or director, we will promptly disclose the nature of the amendment or waiver on our website, as well as via any other means then required by Nasdaq listing standards or applicable law.

PROPOSAL 2

APPROVAL OF AMENDMENT TO AMENDED AND RESTATED BYLAWS

Our Board of Directors is requesting stockholder approval of an amendment to our Amended and Restated Bylaws to permit our Board of Directors to fix the authorized number of our directors from time to time. A copy of the Amended and Restated Bylaws, including the proposed amendment, is included as Appendix B to this proxy statement.

Currently, our Amended and Restated Bylaws state that the number of directors of Charlotte Russe shall be fixed from time to time by resolution of our Board of Directors and shall be no less than three and no more than seven. The proposed amendment to the Amended and Restated Bylaws would eliminate the restriction on the size of our Board of Directors to a range of three to seven, and would permit our Board of Directors to fix the number of directors from time to time by resolution of the Board to a number that it deems appropriate.

We believe that the ability to determine the size of our Board of Directors without restriction to a set range is in the best interests of Charlotte Russe and our stockholders as it provides the Board the necessary flexibility to maximize stockholder value by tailoring the composition of the Board to the operating requirements of Charlotte Russe as they may exist from time to time. Furthermore, this flexibility is desirable to allow our Board of Directors to adjust its size so that the Board and its various committees adequately reflect the diversity, age, skills, knowledge, experience and capability needed to fulfill the various responsibilities required.

To be approved, the amendment to our Amended and Restated Bylaws must receive a For vote from the majority of shares present and entitled to vote at the annual meeting either in person or by proxy. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes will be counted towards a quorum, but will not be counted for any purpose in determining whether this matter has been approved.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE AMENDMENT TO OUR AMENDED AND RESTATED BYLAWS.

INDEPENDENT REGISTERED ACCOUNTING FIRM

The Audit Committee of our Board of Directors expects to engage Ernst & Young LLP as our independent registered accounting firm for the fiscal year ending September 29, 2007. Ernst & Young LLP has audited our financial statements since 1996. Representatives of Ernst & Young LLP are expected to be present at the annual meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Principal Accountant Fees and Services

The following table provides information regarding the fees billed to us by Ernst & Young LLP for the fiscal years ended September 30, 2006 and September 24, 2005. All fees described below were approved by the Audit Committee.

Pre-Approval Policies and Procedures

The Audit Committee is required to pre-approve the audit and non-audit services performed by our independent auditors in order to assure that the provision of such services does not impair the auditor's independence. The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee or its delegate pre-approved all of the audit and non-audit services provided by our independent auditors in fiscal 2005 and 2006.

The Audit Committee has determined that the rendering of the services other than audit services by Ernst & Young LLP is compatible with maintaining the Ernst & Young LLP's independence.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table provides information regarding the beneficial ownership of our common stock as of January 2, 2007 by: (i) each of our directors and nominees, (ii) each of our named executive officers, (iii) all of our directors, nominees and executive officers as a group and (iv) each person, or group of affiliated persons, known by us to beneficially own more than five percent of our common stock. The table is based upon information supplied by our officers, directors and principal stockholders and a review of Schedules 13D, 13G or, to the extent more recent, 13F, if any, filed with the SEC. Unless otherwise indicated in the footnotes to the table and subject to community property laws where applicable, we believe that each of the stockholders named in the table has sole voting and investment power with respect to the shares indicated as beneficially owned.

Applicable percentages are based on 25,311,364 shares outstanding on January 2, 2007, adjusted as required by rules promulgated by the SEC. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities. In addition, the rules include shares of common stock issuable pursuant to the exercise of stock options or warrants that are either immediately exercisable or exercisable on March 3, 2007, which is 60 days after January 2, 2007. These shares are deemed to be outstanding and beneficially owned by the person holding those options or warrants for the purpose of computing the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended September 30, 2006, all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with, except that a report of change in ownership was inadvertently filed late by Mr. Rivers, and an initial report of ownership was inadvertently filed late by Mr. Wong.

DIRECTOR COMPENSATION

We provide each of our non-employee directors cash compensation in the form of an annual retainer of \$20,000. In addition, the chairperson of the Audit Committee receives an additional annual retainer of \$4,000, and the chairperson of the Compensation Committee receives an additional annual retainer of \$3,000. Each non-employee director also receives \$1,000 for each in-person Board of Directors meeting attended, and \$500 for each telephonic Board of Directors meeting attended. In addition, each member of the Audit Committee receives \$2,000 for each in-person Audit Committee meeting attended, and \$500 for each telephonic Audit Committee meeting attended, and each member of the Compensation Committee receives \$1,000 for each in-person Compensation Committee meeting attended, and \$500 for each telephonic Compensation Committee meeting attended. We also reimburse our non-employee directors for their reasonable expenses incurred in attending meetings of our Board of Directors and committees of the Board. Any non-employee director may waive his or her director fees. All fees are paid quarterly and expenses are reimbursed as incurred. In the fiscal year ended September 30, 2006, the total compensation paid to non-employee directors was \$140,794, with Mr. Karp having waived his fees.

Each of our non-employee directors also receives stock option grants under our Amended and Restated 1999 Equity Incentive Plan, or the 1999 Plan. Any non-employee director may waive his or her director stock options. Options granted to our non-employee directors under the 1999 Plan are intended by us not to qualify as incentive stock options under the Internal Revenue Code. Each person who becomes a non-employee director receives an initial option grant to purchase 10,000 shares of our common stock upon his or her election or appointment. These grants are referred to as initial grants. In addition, each non-employee directors receives an annual option grant to purchase 5,000 shares of our common stock upon the date of each of our annual meetings of stockholders. These grants are referred to as annual grants.

The exercise price of the options granted to our non-employee directors is equal to 100% of the fair market value of the common stock on the date of grant. Initial grants vest in equal yearly installments over a four-year period following the date of grant. Annual grants are fully vested on the date of grant. In the event of a change in our control, all initial and annual grants become vested in full and fully exercisable. The term of initial and annual grants may not exceed ten years.

If a non-employee director's service relationship with us, or any affiliate of ours, ceases for any reason other than cause, the non-employee director, or his or her beneficiary in the event of death, may exercise any vested options up to 12 months after the date of cessation of service.

During the fiscal year ended September 30, 2006, we made annual grants to purchase 2,500 shares to Mr. Del Rossi and 5,000 shares to Mr. Rivers at exercise prices of \$15.63 and \$21.19 per share, respectively. In addition, during the fiscal year ended September 30, 2006, we made an initial grant to purchase 10,000 shares to Ms. Salopek at an exercise price of \$16.93 per share. During the fiscal year ended September 30, 2006, stock options to purchase 37,500 shares granted to our non-employee directors had been exercised.

Stock Option Grants And Exercises

We currently grant stock options to our executive officers under the 1999 Plan. As of January 2, 2007, options to purchase a total of 1,167,859 shares were outstanding under the 1999 Plan and a preceding plan, and a total of 924,000 shares remained available for grant under the 1999 Plan.

All stock options granted to our named executive officers are non-qualified stock options. Generally, the shares subject to options vest in equal yearly installments over a five-year period following the date of grant. Options expire ten years from the date of grant.

The exercise price per share of each option granted to our named executive officers was equal to the fair market value of our common stock on the date of the grant.

The following table provides information regarding grants of options to purchase shares of our common stock to the named executive officers in the fiscal year ended September 30, 2006.

Name	Number of Securities Underlying Options Granted (#)	Individual Grants			Potential Realizable Value at	
		% of Total Options Granted to Employees in Fiscal Year (1)	Exercise Or Base Price (\$/Sh)	Expiration Date	Assumed Annual Rates of Stock Price Appreciation for Option Term (2)

- (1) Based on options for 765,500 shares granted during the fiscal year ended September 30, 2006 under the 1999 Plan, including grants to named executive officers.
- (2) Potential realizable values are computed by (a) multiplying the number of shares of common stock subject to a given option by the exercise price per share, (b) assuming that the aggregate stock value derived from that calculation compounds at the annual 5% or 10% rate shown in the table for the entire ten-year term of the option and (c) subtracting from that result the aggregate option exercise price. The 5% and 10% assumed annual rates of stock price appreciation are mandated by the rules of the SEC and do not represent our estimate or projection of future common stock prices.

Employment Agreements

We entered into an employment agreement with Mr. Zeichner dated August 31, 2003 that remains effective for one year and is automatically extended for successive one year terms until terminated by either party. Under the terms of the employment agreement, Mr. Zeichner has agreed to serve as the Chairman of the Board and to perform such executive-level duties as assigned by Charlotte Russe or our Board of Directors. Mr. Zeichner received an annual base salary of \$200,000 through December 31, 2006 and will receive an annual base salary of \$50,000 effective as of January 1, 2007. Mr. Zeichner is also eligible for an annual incentive bonus and will receive certain medical and other benefits for the term of the agreement. The incentive bonus is determined at the discretion of our Board of Directors. If Mr. Zeichner's employment is terminated without cause or Mr. Zeichner resigns his position as a consequence of material breach of the employment agreement, he will be entitled to one year of his base salary at the time of termination, payable in 12 equal monthly installments.

We entered into an employment agreement with Mr. Hoffman dated July 9, 2003 and amended August 31, 2005 that remains effective through the last day of our 2007 fiscal year. Under the terms of the employment agreement, Mr. Hoffman has agreed to serve as Chief Executive Officer of our operating subsidiary and as a member of our Board of Directors and each of our subsidiaries. For fiscal 2007, Mr. Hoffman is currently entitled to an annual base salary of \$636,694 and certain medical and other benefits. The Compensation Committee of our Board of Directors is evaluating whether there should be any changes to Mr. Hoffman's compensation for fiscal 2007, including his annual incentive bonus for fiscal 2007, which is based on a percentage of up to 0.75% of our earnings before interest, taxes, depreciation and amortization, depending on the growth in such earnings. If Mr. Hoffman's employment is terminated without cause or Mr. Hoffman resigns his position as a consequence of material breach of the employment agreement, he will be entitled to one year of his base salary at the time of termination, payable in 12 equal monthly installments.

We entered into at-will employment agreements with Mr. Wong and Ms. Shields dated August 10, 2005 and August 11, 2006, respectively, under which Mr. Wong and Ms. Shields will receive annual base salaries, as adjusted, of \$300,000 and \$325,000, respectively. Mr. Wong and Ms. Shields are eligible for annual bonuses as determined by our Board of Directors in its sole discretion based upon each executive's achievement and our achievement of annual performance goals. Mr. Wong and Ms. Shields are also eligible to participate in all benefit

and welfare plans made generally available to our senior management executives. If the employment of Mr. Wong or Ms. Shields is terminated for a reason other than cause, as defined in each executive's employment agreements, Mr. Wong and Ms. Shields are entitled to 12 months of severance benefits, provided certain conditions are met and subject to reduction in the event of obtaining new employment of equal or higher compensation prior to the end of the severance period.

In December 2006 we announced that Mr. Carter had indicated that he intends to resign from his position of Executive Vice President, Chief Financial Officer by the end of June 2007 in order to pursue other opportunities within the private sector. We entered into a letter agreement with Mr. Carter dated December 5, 2006 that supersedes Mr. Carter's employment agreement and sets forth the terms of his provision of transition services to us until his employment terminates. The letter agreement also sets forth that Mr. Carter's employment with us will terminate on the earlier of June 30, 2007 or the date on which a new Chief Financial Officer commences employment with us, provided that Mr. Carter may elect to extend his employment with us until September 29, 2007 under certain circumstances. Mr. Carter will continue to receive an annual base salary of \$338,000 during the remainder of his employment with us, but will not be eligible for an annual bonus for fiscal year 2007. In addition, upon the termination of his employment and subject to certain conditions, Mr. Carter will receive separation pay equal to his base salary and reimbursement for specified health insurance premiums for a six month period following the date his employment terminates, unless Mr. Carter elects to extend his employment with us until September 29, 2007, in which case he will receive separation pay equal to his base salary and reimbursement for specified health insurance premiums for the period, if any, beginning on September 30, 2007 and ending six months following the earlier of June 30, 2007 or the date on which a new Chief Financial Officer commences employment with us.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The material in this report is not soliciting material, is not deemed filed with the SEC, and is not to be incorporated by reference into any filing of Charlotte Russe under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

Introduction

The primary purpose of the Compensation Committee is to act on behalf of our Board of Directors in overseeing our compensation policies, plans and programs and determining the compensation to be paid to our executive officers. The Compensation Committee charter describes in greater detail the full responsibilities of the Compensation Committee. The members of the Compensation Committee are currently Allan W. Karp and Mark J. Rivers. The Board has determined that all members of the Compensation Committee are independent within the meaning of the applicable Nasdaq listing standards.

The purpose of this report is to summarize the Compensation Committee's philosophy regarding executive compensation, explain the elements of our executive compensation structure, and describe the basis upon which the Compensation Committee determined the compensation of our Chief Executive Officer for the fiscal year ended September 30, 2006.

Compensation Philosophy

The Compensation Committee believes that a well-designed compensation program for our executive officers should:

align the goals of our executive officers with the goals of our stockholders by creating and enhancing stockholder value through the accomplishment of corporate performance goals and by providing executive officers with long-term incentives through equity ownership,

provide total compensation that enables us to compete with companies in the retail apparel industry for similarly sized companies in order to attract and retain high-caliber candidates on a long-term basis, and

align compensation with our short-term and long-term corporate objectives and strategy, focusing executive officer behavior on the fulfillment of those objectives.

Elements of Executive Compensation

Currently, our compensation structure for executive officers consists of a combination of base salary, incentive compensation and equity compensation (typically, stock option awards). Executive officers are also entitled to participate in benefit plans generally available to all full-time employees.

Base Salary. As a general matter, we establish an initial base salary for each executive officer through negotiation at the time the executive officer is hired, taking into account the executive officer's qualifications, experience and independent compensation survey data for comparable companies in the retail apparel industry. The base salaries of executives are reviewed annually and, as warranted, are adjusted to reflect prevailing salary practices as determined through analysis of independent compensation survey data for comparable companies in the retail apparel industry.

Incentive Compensation. We may award incentive bonuses equal to a percentage of base salary to motivate and reward executive officers based upon our achievement of corporate performance goals. Corporate performance goals are established annually by the Compensation Committee and reflect high priority corporate objectives. Our Chief Executive Officer recommends to the Compensation Committee which executive officers

will be eligible to participate in the incentive bonus program. We believe using corporate performance goals to determine incentive bonuses establishes a direct link between executive officer compensation and our corporate performance. For example, in November 2006, the Compensation Committee approved an executive bonus program for executives other than our Chief Executive Officer for the fiscal year ending September 29, 2007 that provides for the payment of cash bonuses to certain employees that are contingent upon, and calculated by reference to, our achievement of specified EBITDA (earnings before interest, taxes, depreciation and amortization) targets for such fiscal year.

Equity Compensation. Equity compensation is primarily in the form of stock option grants. The objective of these grants is to emphasize long-term performance and the creation of stockholder value. As the exercise price per share of options we grant to our executive officers is equal to the fair market value of our common stock on the date of grant, the options will only produce value if the price of our stock appreciates, thereby directly linking the interests of our executive officers with those of stockholders. In determining the amount of stock options granted to an executive officer, the Compensation Committee takes into account the anticipated contributions by such executive officer in helping us achieve our strategic goals and objectives, and periodically evaluates independent equity compensation survey data.

Chief Executive Officer Compensation

The base salary of Mark A. Hoffman, our Chief Executive Officer, was \$612,206 for the fiscal year ended September 30, 2006, an increase of \$29,153 from his base salary for the prior year. Mr. Hoffman was granted an incentive bonus of \$498,219 for the fiscal year ended September 30, 2006. Additionally, Mr. Hoffman received stock options to purchase 100,000 shares of our common stock at an exercise price of \$25.89 per share in September 2006 in recognition of the achievement of corporate performance goals in fiscal year 2006.

The Compensation Committee sets Mr. Hoffman's base salary within the range of salary that is competitive for similar positions in comparable companies in the retail apparel industry, based in part on a review of industry salary surveys and other publicly available information. The Compensation Committee used the median of the range of base salaries for comparable companies as a target for Mr. Hoffman's base salary level, and adjusts this amount based on his experience, tenure, performance and level of equity ownership in Charlotte Russe. Mr. Hoffman is entitled to incentive bonuses in accordance with his employment contract. Mr. Hoffman's equity compensation was determined in accordance with the criteria set forth above.

Section 162(m) Compliance

Section 162(m) of the Internal Revenue Code generally prohibits us from deducting any compensation over \$1 million per taxable year paid to any of our named executive officers unless such compensation is treated as performance-based compensation within the meaning of the Internal Revenue Code. The Compensation Committee considers the anticipated tax treatment to Charlotte Russe and the executive officers in its review and establishment of compensation programs and payments. The deductibility of some types of compensation payments can depend on the timing of an executive's vesting or exercise of previously granted rights. Interpretations of and changes in applicable tax laws and regulations as well as other factors beyond the Compensation Committee's control also can affect deductibility of compensation. For these and other reasons, the Compensation Committee has determined that it will not necessarily seek to limit executive compensation to that deductible under Section 162(m). The Compensation Committee will continue to monitor developments and assess alternatives for preserving the deductibility of compensation payments and benefits to the extent reasonably practicable, consistent with its compensation policies and as determined to be in the best interests of Charlotte Russe and its stockholders.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The material in this report is not soliciting material, is not deemed filed with the SEC, and is not to be incorporated by reference into any filing of Charlotte Russe under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

The purpose of the Audit Committee is to assist the Board in its general oversight of, among other things: our financial reporting and the integrity of our financial statements and related financial information; our internal control environment, systems and performance; the qualifications and independence of the independent accountants; and the performance of the independent accountants.

In carrying out these responsibilities, the Audit Committee, among other things: oversees the preparation of our annual and quarterly financial statements by management and reviews with management and the independent accountants, prior to issuance, the information to be released and our Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q; oversees the work of the independent accountants, including appointment, reviewing the scope of audit services, approving all audit and non-audit services and fees to be paid, evaluating performance, and confirming independence; and oversees management's implementation and maintenance of effective systems of internal and disclosure controls, including review of the processes with respect to the certifications by our Chief Executive Officer and Chief Financial Officer that are required in periodic reports filed by Charlotte Russe with the SEC, the internal auditing plans and programs and our policies relating to legal and regulatory compliance.

The Audit Committee charter describes in greater detail the full responsibilities of the Audit Committee. The members of the Audit Committee are currently Paul R. Del Rossi, Leonard H. Mogil and Jennifer C. Salopek. The Board has determined that all members of the Audit Committee are independent and financial experts within the meaning of the applicable Nasdaq listing standards.

Management is responsible for the preparation, presentation and integrity of the financial statements, accounting and financial reporting principles, and internal controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. The independent accountants are responsible for annually performing an audit of our financial statements and expressing an opinion as to their conformity with generally accepted accounting principles and the effectiveness of our internal control over financial reporting. In addition, the independent accountants conduct quarterly reviews of our financial statements.

The Audit Committee reviews with the independent accountants the scope of their services, the results of their audits and reviews, their evaluation of our internal controls, and the overall quality of our financial reporting. The independent accountants also periodically update the Audit Committee about new accounting developments and their potential impact on our reporting. The Audit Committee meets regularly with the independent accountants without management present. The Audit Committee also meets regularly with management without the independent accountants present, and discusses management's evaluation of the independent accountants' performance. The Audit Committee is not, however, employed by us, nor does it provide any expert assurance or professional certification regarding our financial statements. The Audit Committee relies, without independent verification, on the accuracy and integrity of the information provided, and representations made, by management and the independent accountants.

With respect to fiscal year 2006, the Audit Committee has reviewed and discussed the audited financial statements with management and the independent accountants. The Audit Committee has reviewed and discussed with management its process for preparing its report on its assessment of the internal control over financial reporting, and at regular intervals received updates on the status of this process and actions taken by management to respond to issues and deficiencies identified. The Audit Committee discussed and reviewed with the independent accountants their audit of internal control over financial reporting and their attestation report on

management's assessment of the effectiveness of internal control over financial reporting, and the overall scope, plan and results of the independent accountants' examination of the financial statements.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent accountants a formal written statement describing all relationships between the accountants and us that might bear on the accountants' independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Audit Committee discussed with the independent accountants any relationships that may impact their objectivity and independence, including fees paid relating to the audit and any non-audit services performed, and satisfied itself as to that firm's independence. The Audit Committee also discussed and reviewed with the independent accountants all communications required by generally accepted accounting standards, including those described in Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees.

Based upon the Audit Committee's discussion with management and the independent accountants and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, subject to the limitations on the role and responsibility of the Audit Committee referred to in the written charter of the Audit Committee, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the year ended September 30, 2006 for filing with the SEC. The Audit Committee also approved the selection of the independent accountants and the Board concurred in such authorization.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

As indicated above, the Compensation Committee consists of Messrs. Karp and Rivers. No member of the Compensation Committee has ever been an officer or employee of ours. None of our executive officers currently serves, or has served during the last completed fiscal year, on the Compensation Committee or Board of Directors of any other entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee. Mr. Karp, a member of the Compensation Committee during all of fiscal year 2006, was also a partner of Apax Partners, L.P. during the same period. Apax Partners, L.P. received a fee of \$250,000 during fiscal year 2006 in exchange for its financial advisory services to Charlotte Russe, as discussed under Certain Relationships and Related Transactions.

PERFORMANCE MEASUREMENT COMPARISON

The material in this section is not soliciting material, is not deemed filed with the SEC, and is not to be incorporated by reference into any filing of Charlotte Russe under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

The following graph shows a comparison of the five year total cumulative returns of an investment of \$100 in cash in (i) our common stock on September 29, 2001, (ii) the Standard & Poor's 500 Index and (iii) the Standard & Poor's Apparel Retail Index. The comparisons in the graph are required by the SEC and are not intended to forecast or be indicative of the possible future performance of our common stock. The graph assumes that all dividends have been reinvested (to date, we have not declared any dividends).

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We are a party to a Stockholders Agreement with the Apax Funds and Mr. Zeichner. This agreement provides that (i) so long as the Apax Funds own at least 25% of the total outstanding shares of our common stock, they will have the right to nominate three directors and designate the Chairman of our Board of Directors and (ii) as long as the Apax Funds own at least 1,820,735 shares of our common stock, including shares of our common stock issuable upon the exercise of outstanding warrants, they will have the right to nominate two directors and include one director elected by the Apax Funds on each committee of our Board of Directors. The Stockholders Agreement also grants Mr. Zeichner certain tag along rights in the event of a private sale by the Apax Funds of their shares of our common stock. The Stockholders Agreement also grants, subject to limitations and exceptions, demand and piggyback registration rights to the Apax Funds and piggyback registration rights to Mr. Zeichner. The Company is responsible for certain costs of registered offerings in which shares are sold by the Apax Funds and Mr. Zeichner. In addition, the Stockholders Agreement provides for Apax Partners, L.P., an affiliate of the Apax Funds, to render financial advisory services, including review and analysis of operational results and budgets, to us in exchange for an annual fee of \$250,000, payable in advance, plus reimbursement for out-of-pocket expenses. This fee terminates when the Apax Funds own less than 1,820,735 shares of our common stock, including shares of our common stock issuable upon exercise of outstanding warrants.

In September 2006, the Apax Funds sold 5,750,000 shares of our common stock in an underwritten public offering at a price to the public of \$26.25 per share. As a result of this offering, all rights of the Apax Funds and Mr. Zeichner relating to the composition of our Board of Directors and the registration of shares of our common stock terminated. In addition, the annual fee to the Apax Funds terminated as discussed above.

During the fiscal year ended September 30, 2006, we granted options to purchase an aggregate of 307,500 shares of our common stock to our directors and executive officers, with exercise prices ranging from \$15.63 to \$25.89.

We have entered, and intend to continue to enter, into indemnification agreements with our directors and executive officers, in addition to the indemnification provided for in our bylaws. These agreements, among other things, require us to indemnify our directors and executive officers for certain expenses, including attorneys' fees, judgments, fines and settlement amounts incurred by a director or executive officer in any action or proceeding arising out of their services as one of our directors or executive officers, or any of our subsidiaries or any other company or enterprise to which the person provides services at our request.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers, banks or other agents) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of broker, banks or other agents with account holders who are stockholders of Charlotte Russe will be householding our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker, bank or other agent that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker, bank or other agent, and direct a written request for the separate proxy statement and annual report to Charlotte Russe Holding, Inc., 4645 Morena Boulevard, San Diego, California 92117, Attn: Corporate Secretary, or contact Ms. Bolinger at (858) 587-1500. Stockholders whose shares are held by their broker, bank or other agent as nominee and who currently receive multiple copies of the proxy statement at their address that would like to request householding of their communications should contact their broker, bank or other agent.

OTHER MATTERS

Our Board of Directors knows of no other matters that will be presented for consideration at the annual meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

By Order of the Board of Directors

(a) Whenever stockholders are required or permitted to take any action at a meeting, a written notice of the meeting shall be given which shall state the place, date and hour of the meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called. Unless otherwise provided by the General Corporation Law of the State of Delaware as the same exists or may hereafter be amended (Delaware Law), such notice shall be given not less than 10 nor more than 60 days before the date of the meeting to each stockholder of record entitled to vote at such meeting. (a) Unless otherwise provided in the certificate of incorporation, any action required to be taken at any annual or special meeting of stockholders, or any action which may be taken at any annual or special meeting of stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding capital stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Corporation by delivery to its registered office in Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing.

(b) Every written consent shall bear the date of signature of each stockholder who signs the consent, and no written consent shall be effective to take the corporate action referred to therein unless, within 60 days of the earliest dated consent delivered in the manner required by this Section and Delaware Law to the Corporation, written consents signed by a sufficient number of holders to take action are delivered to the Corporation by delivery to its registered office in Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Section 1. GENERAL POWERS. Except as otherwise provided in Delaware Law or the certificate of incorporation, the business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

Section 2. NUMBER, ELECTION AND TERM OF OFFICE. The number of directors which shall constitute the whole Board shall be fixed from time to time by resolution of the Board of Directors. The directors shall be elected at the annual meeting of the stockholders, except as provided in Section 12 of this Article III, and each director so elected shall hold office until his successor is elected and qualified or until his earlier death, resignation or removal. Unless the certificate of incorporation or these bylaws require a greater number, a majority of the total number of directors shall constitute a quorum for the transaction of business, and the affirmative vote of a majority of the directors present at meeting at which a quorum is present shall be the act of the Board of Directors. When a meeting is adjourned to another time or place (whether or not a quorum is present), notice need not be given of the adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the Board of Directors may transact any business which might have been transacted at the original meeting. Section 5. ANNUAL MEETING. The Board of Directors shall meet for the purpose of organization, the election of officers and the transaction of other business, as soon as practicable after each annual meeting of stockholders, on the same day and at the same place where such annual meeting shall be held. Notice of such meeting need not be given. In the event such annual meeting is not so held, the annual meeting of the Board of Directors may be held at such place either within or without the State of Delaware, on such date and at such time as shall be specified in a notice thereof given as hereinafter provided in Section 7 of this Article III or in a waiver of notice thereof signed by any director who chooses to waive the requirement of notice.

Section 6. REGULAR MEETINGS. After the place and time of regular meetings of the Board of Directors shall have been determined and notice thereof shall have been once given to each member of the Board of Directors, regular meetings may be held without further notice being given.

Section 7. SPECIAL MEETINGS. Special meetings of the Board of Directors may be called by the Chairman of the Board or the President and shall be called by the Chairman of the Board, President or Secretary on the written request of three directors. Notice of special meetings of the Board of Directors shall be given to each director at least three days before the date of the meeting in such manner as is determined by the Board of Directors.

Section 8. COMMITTEES. The Board of Directors may, by resolution passed by a majority of the whole Board, designate one or more committees, each committee to consist of one or more of the directors of the

Corporation. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. Any such committee, to the extent provided in the resolution of the Board of Directors, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it; but no such committee shall have the power or authority in reference to amending the certificate of incorporation, adopting an agreement of merger or consolidation, recommending to the stockholders the sale, lease or exchange of all or substantially all of the Corporation's property and assets, recommending to the stockholders a dissolution of the Corporation or a revocation of a dissolution, or amending the bylaws of the Corporation; and unless the resolution of the Board of Directors or the certificate of incorporation expressly so provide, no such committee shall have the power or authority to declare a dividend or to authorize the issuance of stock. Each committee shall keep regular minutes of its meetings and report the same to the Board of Directors when required.

Section 9. ACTION BY CONSENT. Unless otherwise restricted by the certificate of incorporation or these bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all members of the Board or committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board or committee.

Section 10. TELEPHONIC MEETINGS. Unless otherwise restricted by the certificate of incorporation or these bylaws, members of the Board of Directors, or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors, or such committee, as the case may be, by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

Section 11. RESIGNATION. Any director may resign at any time by giving written notice to the Board of Directors or to the Secretary of the Corporation. The resignation of any director shall take effect upon receipt of notice thereof or at such later time as shall be specified in such notice; and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 12. VACANCIES. Unless otherwise provided in the certificate of incorporation, vacancies and newly created directorships resulting from any increase in the authorized number of directors elected by all the stockholders having the right to vote as a single class may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director. Whenever the holders of any class or classes of stock or series thereof are entitled to elect one or more directors by the certificate of incorporation, vacancies and newly created directorships of such class or classes or series may be filled by a majority of directors elected by such class or classes or series thereof then in office, or by a sole remaining director so elected. Each director so chosen shall hold office until his successor is elected and qualified, or until his earlier death, resignation or removal. If there are no directors in office, then an election of directors may be held in accordance with Delaware Law. Unless otherwise provided in the certificate of incorporation, when one or more directors shall resign from the Board, effective at a future date, a majority of the directors then in office, including those who have so resigned, shall have the power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective, and each director so chosen shall hold office as provided in the filling of other vacancies.

Section 13. REMOVAL. Any director or the entire Board of Directors may be removed, with or without cause, at any time by the affirmative vote of the holders of a majority of the outstanding capital stock of the Corporation entitled to vote and the vacancies thus created may be filled in accordance with Section 12 of this Article III.

Section 14. COMPENSATION. Unless otherwise restricted by the certificate of incorporation or these bylaws, the Board of Directors shall have authority to fix the compensation of directors, including fees and reimbursement of expenses.

ARTICLE IV

The resignation of any officer shall take effect upon receipt of notice thereof or at such later time as shall be specified in such notice; and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 6. POWERS AND DUTIES. The officers of the Corporation shall have such powers and perform such duties incident to each of their respective offices and such other duties as may from time to time be conferred upon or assigned to them by the Board of Directors.
