WINTRUST FINANCIAL CORPORATION COMPLETES MERGER WITH

WESTAMERICA MORTGAGE COMPANY AND GUARDIAN

REAL ESTATE SERVICES, INC.

LAKE FOREST, ILLINOIS - Wintrust Financial Corporation (Wintrust)
(Nasdaq: WTRF) announced today the completion of its previously announced merger
transactions with SGB Corporation d/b/a WestAmerica Mortgage Company ("WAMC")
and WAMC's affiliate Guardian Real Estate Services, Inc. ("Guardian").

WAMC engages primarily in the origination and purchase of residential
mortgages for sale into the secondary market. It maintains principal origination
offices in Illinois, Colorado, Kansas, Arizona, New Jersey, Florida, and Nevada.
Loans are also originated in other states through wholesale and correspondent
offices. The majority of WAMC's operations are conducted out of its offices
maintained in Oakbrook Terrace, Illinois with accounting, administrative and
secondary marketing operations located in Greenwood Village, Colorado. WAMC has
been in the mortgage lending business since 1978. WAMC currently is licensed (or
exempt from licensing) in 33 states, has mortgage license applications pending
in three other states and currently employs approximately 250 employees. WAMC
originated or purchased approximately \$2.3 billion of residential real estate
loans in 2003 and approximately \$1.7 billion in 2002; WAMC is recognized as one
of the largest privately held mortgage lenders in the nation

and, according to Crain's Chicago Business, WAMC was the 12th largest
residential mortgage lender in the Chicago area based on 2002 total residential
real estate loan volume.

Guardian, incorporated since 1989, is an affiliated company of WAMC through common ownership and provides document preparation and other loan closing services to WAMC and its mortgage broker affiliates. Guardian has its headquarters in Oakbrook Terrace, Illinois.

WAMC and Guardian are now direct subsidiaries of Wintrust's wholly-owned national banking subsidiary, Barrington Bank & Trust Company, N.A.

"This transaction is beneficial for both companies," stated Edward J. Wehmer, President and CEO of Wintrust. "We are partnering with a company that has a terrific history, a dedicated and highly experienced management team and outstanding growth and profit potential. Each of the three owners has signed a multi-year contract and has agreed to stay on and manage the operations of WestAmerica and Guardian thus providing a seamless transition for their organization."

"We are excited about the merger and the increased resources this partnership provides to our companies," said Richard P. George, Chief Executive Officer for WAMC. "The increased funding, capital and distribution capabilities of Wintrust will help WAMC continue to grow in a profitable manner. We clearly see many benefits and we are proud to join Wintrust's entrepreneurial management team."

ANTICIPATED TRANSACTION BENEFITS

The transaction is expected to benefit the combined organization in numerous ways. These strategic benefits include:

- o WAMC will provide Wintrust's community banks with an enhanced loan origination and documentation system which should allow each firm to better utilize existing operational capacity and improve the product offerings for Wintrust's banking customers.
- o Additional revenue from the WAMC and Guardian business will further diversify and enhance Wintrust's revenue stream.
- o WAMC's status as a subsidiary of a nationally chartered bank will allow for accelerated growth nationally as mortgage banking is an allowable activity for nationally chartered banks and the regulatory oversight is generally condensed to the federal regulatory agency overseeing the national bank's activities.
- o Qualified WAMC production can be sold to FNMA increasing Wintrust's servicing portfolio and related income.
- o WAMC's production of adjustable rate mortgage loan products and other variable rate mortgage loan products can be retained by Wintrust's banks in their loan portfolios resulting in additional earning assets to the combined organization, thus adding further desired diversification to Wintrust's earning

2

asset base. Accordingly, these portfolio products will be good investments for Wintrust's banks and will increase WAMC's production and profits.

TERMS OF THE TRANSACTION

Edgar Filing: WINTRUST FINANCIAL CORP - Form 425

The full terms of the transaction are not being disclosed by the parties; however, the initial consideration paid by Wintrust Financial Corporation included a combination of Wintrust's common stock and cash. Wintrust could pay additional contingent consideration, consisting of cash and/or common stock, upon the attainment of certain profitability measures. The common stock was issued at fair market value as determined in accordance with the merger agreements. The shares issued in the transaction will not be registered under the Securities Act of 1933 and will be restricted until a resale registration statement is filed, which is expected to be completed in the second quarter of 2004, and declared effective by the Securities and Exchange Commission. The transaction is expected to be slightly accretive to Wintrust's 2004 earnings.
