Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On May 22, 2013, Superior Industries International, Inc. (the “Company”) entered into the Amended and Restated 2008 Equity Incentive Plan (the “Plan”). The Plan increases the number of “full-value” awards that may be granted under the Plan from 100,000 shares to 600,000 shares, but does not increase the overall number of shares that may be issued under the Plan. The Plan also makes the following changes:

- expands the types of awards that may be granted to include service-vesting restricted stock units;
- imposes an annual limit on grants to non-employee directors;
- specifies that awards made under the Plan are subject to any compensation recoupment or “clawback” policy adopted by the Company from time to time;
- prohibits payment of dividends or dividend equivalents with respect to performance-based awards until the performance condition is satisfied;
- prohibits “liberal” share counting for the plan;
- expands the current prohibition on repricing of options and stock appreciation rights;
- expands the possible methods of exercising stock options to include net exercise as permitted under current accounting standards; and
- adds provisions to facilitate compliance with Section 409A of the Internal Revenue Code.

The Plan is included as Exhibit 10.1 to this Current Report on Form 8-K, which exhibit is incorporated into this Item 5.02 by reference.
