The Reporting Persons believe that in this historically low interest rate environment, there are a number of attractive financing alternatives to replace the Shares that the Issuer should be exploring and that would be in the Issuer's best interests. A copy of this letter is attached hereto as Exhibit A and incorporated herein by reference.

The Reporting Persons continue to consider all of their alternatives, which could include seeking new and more effective representation on the Issuer's board of trustees for the holders of the Shares. In this regard, the Reporting Persons intend to engage in discussions with management, the board of trustees, other shareholders of the Issuer and other relevant parties concerning the business, operations, board composition, management, strategy and future plans of the Issuer.

The Reporting Persons evaluate their investment in the Shares and purposes for holding such Shares on an ongoing basis and reserve the right to change their intentions and develop plans or proposals at any time, as they deem appropriate.

Re: Auction Market Preferred Shares of PIMCO funds

Dear Mr. Shlissel,

Thank you for taking the time to return my call today.

Brigade Capital Management, LLC is the investment manager of Brigade Leveraged Capital Structures Fund Ltd. and other private funds that own Auction Market Preferred Shares (the "Shares") of various PIMCO funds, including, but not limited to, PIMCO Income Strategy Fund ("PFL") and PIMCO Income Strategy Fund II ("PFN", and together with PFL, the "Funds"). We beneficially own approximately 32.8% of PFL's outstanding Shares and 25.9% of PFN's outstanding Shares.

As I explained briefly during our call, we believe that in this historically low interest rate environment, that there are a number of attractive financing alternatives to replace the Shares that the Funds should be exploring and that would be in the Funds' best interests. We would appreciate a meeting to discuss further our concerns regarding the Shares and, to explore these potential financing strategies, which we believe would be advantageous to both the common and preferred shareholders of the Funds.

Finally, we are considering all of our alternatives, which could include seeking new and more effective representation on the Funds' respective boards of trustees for the holders of the Shares.

We look forward to your prompt response.

Sincerely,

s/ Neal P. Goldman
