Income Fund, Inc. ("ANMIF"), Alliance California Municipal Income Fund, Inc. ("ACMIF") and Alliance New York Municipal Income Fund, Inc. ("ANYMIF"), each of which is a Maryland corporation (each, a "Fund" and collectively, the "Funds"), to be voted at a Joint Annual Meeting of Stockholders of the Funds (the "Meeting"), to be held at the offices of the Funds, 1345 Avenue of the Americas, New York, New York 10105, on March 29, 2012 at 3:00 p.m., Eastern Time. PROPOSAL ONE ELECTION OF DIRECTORS

At the Meeting, three Directors of each Fund will be elected to serve for terms of three years and, in each case, until his successor is elected and qualifies. The affirmative vote of a majority of the votes cast by a Fund's stockholders is required to elect a Director. It is the intention of the persons named in the enclosed proxy to nominate and vote in favor of the election of each of the nominees.

At the Meeting, the holders of each series of preferred stock of ANMIF, ACMIF and ANYMIF (the "Preferred Stockholders") will have equal voting rights with the holders of the common stock of ANMIF, ACMIF and ANYMIF (i.e., one vote per share), respectively, and will vote together with the holders of the common stock as a single class on proposals that may be properly presented at the Meeting applicable to their respective Funds, as described below. The Preferred Stockholders, voting separately as a class, have the right to elect two Directors of their Fund ("Preferred Directors"). The Preferred Directors are John H. Dobkin and Michael J. Downey and each is a member of Class One of ANMIF, ACMIF and ANYMIF. While the Preferred Stockholders have the right to elect the Preferred Directors, they are not standing for election at the Meeting because the terms of the Class One Directors do not expire until 2013.

Under the Funds' respective Charters and Bylaws, the Board has been divided into three classes. For all of the Funds, the terms of Class Three Directors will expire as of the Meeting, the terms of Class One Directors will expire as of the annual meeting of stockholders to be held in 2013 and the terms of Class Two Directors will expire as of the annual meeting of stockholders to be held in 2014. Upon expiration of the terms of the Directors of each class as set forth above, the terms of their successors in that class will continue until the end of their terms and until their successors are duly elected and qualify.

Under this classified Board structure, only those Directors in a single class are required to be elected at the annual meeting of stockholders. It would require two years of annual meeting elections to change a majority of the Board of Directors of a Fund, although Maryland law provides that stockholders may remove Directors under certain circumstances, even if such Directors are not then standing for re-election. This classified Board structure, which may

Edgar Filing: ALLIANCEBERNSTEIN NATIONAL MUNICIPAL INCOME FUND - Form DEF 14A

be regarded as an "anti-takeover" provision, may make it more difficult for a Fund's stockholders to change the majority of Directors of the Fund and, thus, have the effect of maintaining the continuity of management.

At the Meeting, Garry L. Moody, Marshall C. Turner, Jr. and Earl D. Weiner are standing for election in Class Three of each Fund. Each nominee has consented to serve as a Director. The Board knows of no reason why any of the nominees will be unable to serve, but in the event any nominee is unable to serve, or for good cause will not serve, the proxies received indicating a vote in favor of such nominee will be voted for such substitute nominee as the Board may recommend.

The business and affairs of the Funds are managed under the direction of the Board. Directors who are not "interested persons" of the Funds as defined in the 1940 Act, are referred to as "Independent Directors," and the Director who is an "interested person" of the Funds is referred to as an "Interested Director." Certain information concerning each Director and the Funds'

governance structure is set forth below.

Experience, Skills, Attributes and Qualifications of the Funds' Directors. The Governance and Nominating Committee of the Board, which is composed of Independent Directors, reviews the experience, qualifications, attributes and skills of potential candidates for nomination or election by the Board, and conducts a similar review in connection with the proposed nomination of current Directors for re-election by stockholders at any annual or special meeting of stockholders. In evaluating a candidate for nomination or election as a Director, the Governance and Nominating Committee takes into account the contribution that the candidate would be expected to make to the diverse mix of experience, qualifications, attributes and skills that the Governance and Nominating Committee believes

8

contributes to good governance for the Fund. Additional information concerning the Governance and Nominating Committee's consideration of nominees appears in the description of the Committee below.

The Board believes that, collectively, the Directors have balanced and diverse experience, qualifications, attributes and skills, which allow the Board to operate effectively in governing the Funds and protecting the interests of stockholders. The Board has concluded that, based on each Director's experience, qualifications, attributes and skills on an individual basis and in combination with those of the other Directors, each Director is qualified and should continue to serve as such.

In determining that a particular Director was and continues to be qualified to serve as a Director, the Board has considered a variety of criteria, none of which, in isolation, was controlling. In addition, the Board has taken into account the actual service and commitment of each Director during his or her tenure (including the Director's commitment and participation in Board and committee meetings, as well as his or her current and prior leadership of standing and ad hoc committees) in concluding that each should continue to serve as a Director. Additional information about the specific experience, skills, attributes and qualifications of each Director, which in each case led to the Board's conclusion that the Director should serve (or continue to serve) as Director, is provided in the table above and in the next paragraph.

Among other attributes and qualifications, common to all Directors are their ability to review critically, evaluate, question and discuss information provided to them (including information requested by the Directors); to interact effectively with the Adviser, other service providers, counsel and the Funds' independent registered public accounting firm, and to exercise effective business judgment in the performance of their duties as Directors. In addition to his or her service as a Director of the Funds and other AllianceBernstein Funds as noted in the table above: Mr. Dobkin has experience as an executive of a number of organizations and served as Chairman of the Audit Committee of many of the AllianceBernstein Funds from 2001 to 2008; Mr. Downey has experience in the investment advisory business including as Chairman and Chief Executive Officer of a large fund complex and as director of a number of non-AllianceBernstein funds and as Chairman of a non-AllianceBernstein closed-end fund; Mr. Foulk has experience in the investment advisory and securities businesses, including as Deputy Comptroller and Chief Investment Officer of the State of New York (where his responsibilities included bond issuances, cash management and oversight of the New York Common Retirement Fund), has served as Chairman of the AllianceBernstein Funds and of the Independent Directors Committee since 2003, and is active in a number of mutual fund related organizations and committees; Mr. Guzy has experience as a

corporate director including as Chairman of a public company and Chairman of the Finance Committee of a large public technology company; Ms. Jacklin has experience as a financial services regulator including as U.S. Executive Director of the International Monetary Fund, which is responsible for ensuring the stability of the

9

international monetary system, and as a financial services lawyer in private practice; Mr. Keith has experience as an executive of the Adviser, with responsibility to, among other things, the AllianceBernstein Funds; Mr. Moody has experience as a certified public accountant, including experience as Vice Chairman and U.S. and Global Investment Management Practice Partner for a major accounting firm, is a member of the governing council of an organization of independent directors of mutual funds, and has served as Chairman of the Audit Committee of most of the AllianceBernstein Funds since 2008; Mr. Turner has experience as a director (including Chairman and Chief Executive officer of a number of companies) and as a venture capital investor, including serving as general partner of three institutional venture capital partnerships; and Mr. Weiner has experience as a securities lawyer whose practice includes representing registered investment companies and as Chairman, director or trustee of a number of boards, and has served as Chairman of the Governance and Nominating Committee of most of the AllianceBernstein Funds. The disclosure herein of a Director's experience, qualifications, attributes and skills does not impose on such Director any duties, obligations, or liability that are greater than the duties, obligations and liability imposed on such Director as a member of the Board and any committee thereof in the absence of such experience, qualifications, attributes and skills.

Board Structure and Oversight Function. The Board is responsible for oversight of the Funds. Each Fund has engaged the Adviser to manage the Fund on a day-to-day basis. The Board is responsible for overseeing the Adviser and the Funds' other service providers in the operations of the Funds in accordance with each Fund's investment objective and policies, and otherwise in accordance with the Fund's prospectus, the requirements of the 1940 Act and other applicable Federal laws, applicable state laws and the Fund's charter and bylaws. The Board meets in-person at regularly scheduled meetings 8 times throughout the year. In addition, the Directors may meet in-person or by telephone at special meetings or on an informal basis at other times. The Independent Directors also regularly meet without the presence of any representatives of management. As described below, the Board has established four standing committees - the Audit Committee, the Governance and Nominating Committee, the Independent Directors Committee and the Fair Value Pricing Committee - and may establish ad hoc committees or working groups from time to time to assist the Board in fulfilling its oversight responsibilities. Each committee is composed exclusively of Independent Directors. The responsibilities of each committee, including its oversight responsibilities, are described further below. The Independent Directors have also engaged independent legal counsel, and may from time to time engage consultants and other advisors, to assist them in performing their oversight responsibilities.

An Independent Director serves as Chairman of the Board. The Chairman's duties include setting the agenda for each Board meeting in consultation with management, presiding at each Board meeting, meeting with management between Board meetings and facilitating communication and coordination between the

10

Independent Directors and management. The Directors have determined that the Board's leadership by an Independent Director and its committees composed exclusively of Independent Directors is appropriate because they believe it sets the proper tone to the relationships between the Funds, on the one hand, and the Adviser and other service providers, on the other, and facilitates the exercise of the Board's independent judgment in evaluating and managing such relationships. In addition, each Fund is required to have an Independent Director as Chairman pursuant to certain 2003 regulatory settlements involving the Adviser.

Risk Oversight. Each Fund is subject to a number of risks, including investment, compliance and operational risks. Day-to-day risk management of the Funds resides with the Adviser or other service providers (depending on the nature of the risk), subject to supervision by the Adviser. The Board has charged the Adviser and its affiliates with (i) identifying events or circumstances, the occurrence of which could have demonstrable and material adverse effects on the Funds; (ii) to the extent appropriate, reasonable or practicable, implementing processes and controls reasonably designed to lessen the possibility that such events or circumstances will occur or to mitigate the effects of such events or circumstances if they do occur; and (iii) creating and maintaining a system designed to evaluate continuously, and to revise as appropriate, the processes and controls described in (i) and (ii) above.

Risk oversight forms part of the Board's general oversight of the Funds' investment programs and operations, and is addressed as part of various regular Board and committee activities. Each Fund's investment management and business affairs are carried out by or through the Adviser and other service providers. Each of these persons has an independent interest in ensuring effective risk management, but the policies and the methods by which one or more risk management functions are carried out may differ from the Fund's and each other's in the setting of priorities, resource availability and/or the effectiveness of relevant controls. Oversight of risk management is provided by the Board and the Audit Committee. The Directors regularly receive reports from, among others, management (including the Global Heads of Investment Risk and Trading Risk of the Adviser), the Fund's Senior Officer (who is also the Fund's chief compliance officer), the Fund's independent registered public accounting firm, counsel and internal auditors for the Adviser, as appropriate, regarding risks faced by the Funds and the Adviser's risk management programs.

Not all risks that may affect the Funds can be identified, nor can controls be developed to eliminate or mitigate their occurrence or effects. It may not be practical or cost-effective to eliminate or mitigate certain risks, processes and controls employed to address certain risks may be limited in their effectiveness, and some risks are simply beyond the reasonable control of the Funds or the Adviser, its affiliates or other service providers. Moreover, it is necessary for the Funds to bear certain risks (such as investment-related risks) to achieve the Funds' goals. As a result of the foregoing and other factors, the Funds' ability to manage risk is subject to substantial limitations.

During each Fund's fiscal year ended 2011, the Board met 8 times. The Funds do not have a policy that requires a Director to attend annual meetings of stockholders.

Board Committees. The Board has four standing committees: the Audit Committee, the Governance and Nominating Committee, the Independent Directors Committee, and the Fair Value Pricing Committee. The members of the Committees are identified above in the table listing the Directors.

The function of the Audit Committee is to assist the Board in its oversight of each Fund's financial reporting process. The members of the Audit Committee are "independent" as required by applicable listing standards of the New York Stock Exchange ("NYSE"). During each Fund's fiscal year ended 2011, the Audit Committee of ABIF met 3 times; of AGHIF, 4 times; of ANMIF, 3 times; of ACMIF, 3 times; and of ANYMIF, 3 times.

The Board has adopted a charter for its Governance and Nominating Committee, a current copy of which is available at www.alliancebernstein.com (click on "AllianceBernstein Mutual Fund Investors" then "U.S." then "Investment Products/Closed End" then the name of a Fund (e.g., "Alliance New York Municipal Income Fund") then "Fund Information" then "Governance and Nominating Committee Charter"). Pursuant to the charter of the Governance and Nominating Committee, the Committee assists the Board in carrying out its responsibilities with respect to Fund governance and identifies, evaluates and selects and nominates candidates for the Board. The Committee may also set standards or qualifications for Directors and reviews at least annually the performance of each Director, taking into account factors such as attendance at meetings, adherence to Board policies, preparation for and participation at meetings, commitment and contribution to the overall work of the Board and its committees, and whether there are health or other reasons that might affect the Director's ability to perform his or her duties. The Committee may consider candidates as Directors submitted by a Fund's current Board members, officers, the Adviser, stockholders (subject to the following paragraph), and other appropriate sources.

The Governance and Nominating Committee will consider candidates submitted by a stockholder or group of stockholders who have beneficially owned at least 5% of a Fund's outstanding common stock for at least two years prior to the time of submission and who timely provides specified information about the candidates, and the nominating stockholder or group. To be timely for consideration by the Committee, the submission, including all required information, must be submitted in writing to the attention of the Secretary at the principal executive offices of the Funds not less than 120 days before the date of the proxy statement for the previous year's annual meeting of stockholders. The Committee will consider only one candidate submitted by such a stockholder or group for nomination for election at an annual meeting of stockholders. The Committee will not consider self-nominated candidates.

The Governance and Nominating Committee will consider and evaluate candidates submitted by stockholders on the basis of the same criteria as those used to

12

consider and evaluate candidates submitted from other sources. These criteria include the candidate's relevant knowledge, experience, and expertise, the candidate's ability to carry out his or her duties in the best interests of the Funds, and the candidate's ability to qualify as an Independent Director. When assessing a candidate for nomination, the Committee considers whether the individual's background, skills, and experience will complement the background, skills and experience of other nominees and will contribute to the diversity of the Board. During each Fund's fiscal year ended 2011, the Governance and Nominating Committee met 4 times.

The function of the Independent Directors Committee is to consider and take action on matters that the Committee or the Board believes should be addressed in executive session of the Independent Directors, such as review and approval of the Advisory and Shareholder Inquiry Agency Agreements. During each Fund's

Edgar Filing: ALLIANCEBERNSTEIN NATIONAL MUNICIPAL INCOME FUND - Form DEF 14A

fiscal year ended 2011, the Independent Directors Committee met 7 times. The Independent Directors meet in executive session without representation of management present at every Board meeting. In the fiscal year ended 2011, the approval of the Advisory and Shareholder Inquiry Agreements was considered at such an executive session.

The function of the Fair Value Pricing Committee is to consider, in advance if possible, any fair valuation decision of the Adviser's Valuation Committee relating to a security held by a Fund made under unique or highly unusual circumstances not previously addressed by the Adviser's Valuation Committee that would result in a change in the Fund's net asset value by more than \$0.01 per share. The Fair Value Pricing Committee did not meet during the Funds' most recently completed fiscal years.

The Board has adopted a process for stockholders to send communications to the Board. To communicate with the Board or an individual Director of a Fund, a stockholder must send a written communication to the Fund's principal office at the address listed in the Notice of Joint Annual Meeting of Stockholders accompanying this Proxy Statement, addressed to the Board or the individual Director. All stockholder communications received in accordance with this process will be forwarded to the Board or the individual Director to whom or to which the communication is addressed.

Board Compensation. None of the Funds pays any fees to, or reimburses expenses of, any Director during a time when the Director is considered an "interested person" of the Fund. Information concerning the aggregate compensation paid by the Funds to the Directors during each Fund's fiscal year ended 2011; the aggregate compensation paid to the Directors during calendar year 2011 by all of the investment companies overseen by the Director within the AllianceBernstein Fund Complex; the total number of investment companies in the AllianceBernstein Fund Complex for which each Director serves as a director or trustee; and the number of investment portfolios for which each Director serves as a director or trustee, is set forth below. Neither the Funds nor any other investment company in the AllianceBernstein Fund Complex provides compensation in the form of pension or retirement benefits to any of its directors or trustees.

THE BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR EACH OF THE NOMINEES TO SERVE AS A DIRECTOR OF THE APPLICABLE FUND. FOR EACH FUND, APPROVAL OF PROPOSAL ONE REQUIRES THE AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES ENTITLED TO BE CAST.

PROXY VOTING AND STOCKHOLDER MEETING

All properly executed and timely received proxies will be voted at the Meeting in accordance with the instructions marked thereon or as otherwise provided therein. Accordingly, unless instructions to the contrary are marked on the proxies, the votes will be cast for the election of the nominees as Directors for each Fund. If no specification is made on a properly executed

proxy, it will be voted for the matters specified on the Proxy Card. Any stockholder may revoke that stockholder's proxy at any time prior to exercise thereof by (i) giving written notice to the Secretary of the Funds at 1345 Avenue of the Americas, New York, New York 10105, (ii) signing and delivering to the Secretary another proxy of a later date, or (iii) voting in person at the Meeting.

Properly executed proxies may be returned with instructions to abstain from voting or to withhold authority to vote (an "abstention"). For each Fund, the approval of Proposal One requires an affirmative vote of the holders of a majority of the votes entitled to be cast. An abstention will be considered present for purposes of determining the existence of a quorum but will have the effect of a vote against Proposal One. If any proposal, other than Proposal One, properly comes before the Meeting, shares represented by proxies will be voted on all such proposals in the discretion of the person or persons holding the proxies. The Funds have not received notice of, and are not otherwise aware of, any other matter to be presented at the Meeting.

For each Fund, a quorum for the Meeting will consist of the presence in person or by proxy of the holders of a majority of the total outstanding shares of common stock, and preferred stock, if any, of the Fund. In the event that (i) a quorum is not present at the Meeting for a Fund; or (ii) a quorum is present but sufficient votes in favor of the position recommended by the Board for Proposal One (as described in the Proxy Statement) have not been timely received, the Chairman of the Board may authorize, or the persons named as proxies may propose and vote for, one or more adjournments of the Meeting up to 120 days after the Record Date for that Fund, with no other notice than an announcement at the Meeting, in order to permit further solicitation of proxies. Shares represented by proxies indicating a vote contrary to the position recommended by the Board for Proposal One will be voted against adjournment of the Meeting.

The Meeting is scheduled as a joint meeting of the stockholders of the Funds, because the stockholders of all the Funds are to consider and vote on the election of Directors. Stockholders of each Fund will vote separately on the election of Directors

15

for that Fund and on any other matter that may properly come before the Meeting for such Fund. An unfavorable vote by the stockholders of one Fund will not affect the vote on the election of Directors or on any other matter by the stockholders of another Fund.

Each Fund has engaged Boston Financial Data Services ("BFDS"), 30 Dan Road - Second Floor, Canton, MA 02021, to assist in soliciting proxies for the Meeting. BFDS will receive a total fee of approximately \$2,500 for its services, to be divided equally among the Funds (\$500 per Fund).

AUDIT COMMITTEE REPORT

The following Audit Committee Report was adopted by the Audit Committee for each Fund.

The Audit Committee operates pursuant to a written charter, a copy of which may be found on the Adviser's website at www.alliancebernstein.com (click on "AllianceBernstein Mutual Fund Investors," then "U.S." then "Investment Products/Closed-End" then the name of a Fund (e.g., "Alliance New York Municipal Income Fund") then "Fund Information" then "Closed-End Funds Audit Committee Charter"). The purposes of the Audit Committee are to (1) assist the Board in its oversight of the accounting and financial reporting policies and practices of the Fund, including (i) the quality and integrity of the Fund's financial statements and the independent audit thereof; (ii) the Fund's compliance with legal and regulatory requirements, particularly those that relate to the Fund's accounting, financial reporting, internal controls over financial reporting, and independent audits; (iii) the retention, independence, qualifications and performance of the independent

registered public accounting firm; (iv) meeting with representatives of the internal audit department of the Adviser regarding such department's activities relating to the Fund; and (v) the Fund's compliance with applicable laws by receiving reports from counsel who believe there is credible evidence of a material violation of law by the Fund or by someone owing a fiduciary or other duty to the Fund; and (2) to prepare this report. As set forth in the Audit Committee Charter, management of the Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements, the Fund's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for auditing the Fund's financial statements and expressing an opinion as to their conformity with U.S. generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent registered public accounting firm of the Fund. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 114, Auditors Communication with those Charged with Governance, and other professional standards, as currently in effect. The Audit Committee has also considered whether the provision of any non-audit services not pre-approved by the Audit Committee provided by the Fund's independent registered public accounting firm to the Adviser and to any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Fund is compatible with maintaining the independent registered public accounting firm's independence. Finally, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Public Company Accounting Oversight Board Rule 3526, Communications with Audit Committees Concerning Independence, as currently in effect, and has discussed the independent registered public accounting firm's independence with such firm.

The members of the Fund's Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Audit Committee necessarily rely on the information provided to them by management and the independent registered public accounting firm. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with U.S. generally accepted accounting principles or that the Fund's independent registered public accounting firm is in fact "independent".

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to

19

above and in the Audit Committee Charter, the Audit Committee recommended to the Board that the audited financial statements of the Fund be included in the Fund's annual report to stockholders for the most recent fiscal year.

Submitted by the Audit Committee of each Fund's Board of Directors:

John H. Dobkin	Nancy P. Jacklin
Michael J. Downey	Garry L. Moody
William H. Foulk, Jr.	Marshall C. Turner, Jr.
D. James Guzy	Earl D. Weiner

APPROVAL OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRMS BY THE BOARD

The Audit Committee is responsible for the appointment, compensation, retention and oversight of the work of the Funds' independent registered public accounting firm. In addition, on the dates specified below, the Board approved the selection of the Funds' independent registered public accounting firm as required by, and in accordance with the 1940 Act. At meetings held on February 1-2, 2011 (AGHIF) and November 1-3, 2011 (ABIF, ANMIF, ACMIF and ANYMIF), the Board approved by the vote, cast in person, of a majority of the

Edgar Filing: ALLIANCEBERNSTEIN NATIONAL MUNICIPAL INCOME FUND - Form DEF 14A

Directors of each Fund, including a majority of the Directors who are not "interested persons" of each Fund, the selection of Ernst & Young LLP as the independent registered public accounting firm to audit, regarding each Fund, the accounts for the fiscal year ending, as applicable, March 31, 2012 (AGHIF); October 31, 2012 (ANMIF, ACMIF and ANYMIF) and December 31, 2012 (ABIF).

Ernst & Young LLP has audited the accounts of ABIF, AGHIF, ANMIF, ACMIF and ANYMIF since the respective dates of the commencement of each of the Fund's operations, and has represented that it does not have any direct financial interest or any material indirect financial interest in any of the Funds. Representatives of Ernst & Young LLP are expected to attend the Meeting, to have the opportunity to make a statement and to respond to appropriate questions from the stockholders.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM'S FEES

The following table sets forth the aggregate fees billed by the independent registered public accounting firm for each Fund's last two fiscal years for professional services rendered for: (i) the audit of the Fund's annual financial statements included in the Fund's annual report to stockholders; (ii) assurance and related services that are reasonably related to the performance of the audit of the Fund's financial statements and are not reported under (i), which include advice and education on accounting and auditing issues, quarterly press release reviews and preferred stock maintenance testing (for those Funds that issue preferred stock); (iii) tax compliance, tax advice and tax return preparation; and (iv) aggregate

non-audit services provided to the Fund, the Fund's Adviser and entities that control, are controlled by or under common control with the Adviser that provide ongoing services to the Fund ("Service Affiliates"). No other services were provided by the independent registered public accounting firm to any Fund during this period.

* The fees vary because they are presented based on each Fund's last two fiscal years and reflect fees for non-audit services for different periods.

Beginning with audit and non-audit service contracts entered into on or after May 6, 2003, the Funds' Audit Committee policies and procedures require the pre-approval of all audit and non-audit services provided to a Fund by the Fund's independent registered public accounting firm. A Fund's Audit Committee policies and procedures also require pre-approval of all audit and non-audit services provided to the Adviser and any Service Affiliates to the extent that these services are directly related to the operations or financial reporting of the Fund. Accordingly, all of the amounts in the table for Audit Fees, Audit-Related Fees and Tax Fees for 2011 are for services pre-approved by each Fund's Audit Committee. The amounts of the Fees for Non-Audit Services provided to the Fund, the Adviser and Service Affiliates in the table for each Fund that were subject to pre-approval by the Audit Committee for 2011 were ABIF, \$26,554 (comprising \$8,128 of audit related fees and \$18,426 of tax fees); AGHIF, \$24,971 (comprising \$8,000 of audit related fees and \$16,971 of tax fees); ANMIF, \$20,762 (comprising \$8,295 of audit related fees and \$12,467 of tax fees); ACMIF, \$20,762 (comprising \$8,295 of audit related fees and \$12,467 of tax fees); and ANYMIF, \$20,762 (comprising \$8,295 of audit related fees and \$12,467 of tax fees). The Audit Committee has considered whether

21

the provision, to the Adviser and/or any Service Affiliate by the Funds' independent registered public accounting firm, of any non-audit services that were not pre-approved by the Audit Committee is compatible with maintaining the independent registered public accounting firm's independence.

Proposals of stockholders intended to be presented at the next annual meeting of stockholders of a Fund must be received by the Fund by October 26, 2012 for inclusion in the Fund's proxy statement and proxy card relating to that meeting. The submission by a stockholder of a proposal for inclusion in the proxy statement does not guarantee that it will be included. In addition, stockholder proposals are subject to certain requirements under the federal securities laws and the Maryland General Corporation Law and must be submitted in accordance with each Fund's Bylaws. To be presented at the 2013 Annual Meeting of Stockholders, a stockholder proposal that is not otherwise includable in the Proxy Statement for the 2013 Annual Meeting must be delivered by a stockholder of record to the Fund no sooner than September 26, 2012 and no later than October 26, 2012.

The persons named as proxies for the 2013 Annual Meeting of Stockholders will, regarding the proxies in effect at the meeting, have discretionary authority to vote on any matter presented by a stockholder for action at that meeting unless the Fund receives notice of the matter no sooner than September 26, 2012 and no later than October 26, 2012. If a Fund receives such timely notice, these persons will not have this authority except as provided in the applicable rules of the Securities and Exchange Commission.
