How are nominees selected?

The Board of Directors of the Fund (the Board or the Directors) has a Nominating Committee consisting of Edith E. Holiday (Chairperson), Frank J. Crothers and Frank A. Olson, none of whom is an interested person of the Fund as defined by the Investment Company Act of 1940, as amended (the 1940 Act). Directors who are not interested persons of the Fund are referred to as the Independent Directors, and Directors who are interested persons of the Fund are referred to as the Interested Directors.

The Nominating Committee is responsible for selecting candidates to serve as Directors and recommending such candidates (a) for selection and nomination as Independent Directors by the incumbent Independent Directors and the full Board; and (b) for selection and nomination as Interested Directors by the full Board. In considering a candidate's qualifications, the Nominating Committee generally considers the potential candidate's educational background, business or professional experience, and reputation. In addition, the Nominating Committee has established as minimum qualifications for Board membership as an Independent Director: (1) that such candidate be independent from relationships with the Fund's investment manager and other principal service providers both within the terms and the spirit of the statutory independence requirements specified under the 1940 Act and the rules thereunder; (2) that such candidate demonstrate an ability and willingness to make the considerable time commitment, including personal attendance at Board meetings, believed necessary to his or her function as an effective Board member; and (3) that such candidate have no continuing relationship as a director, officer or board member of any U.S. registered investment company other than those within the Franklin Templeton Investments fund complex or a closed-end business development company primarily investing in non-public entities. The Nominating Committee has not adopted any specific policy on the issue of diversity, but will take this into account, among other factors, in its consideration of new candidates to the Board.

When the Board has or expects to have a vacancy, the Nominating Committee receives and reviews information on individuals qualified to be recommended to the full Board as nominees for election as Directors, including any recommendations by Qualifying Fund Shareholders (as defined below). Such individuals are evaluated based upon the criteria described above. To date, the Nominating Committee has been able to identify, and expects to continue to be able to identify, from its own resources an ample number of qualified candidates. The Nominating Committee, however, will review recommendations from Qualifying Fund Shareholders to fill vacancies on the Board if these recommendations are submitted in writing and addressed to the Nominating Committee at the Fund's offices and are presented with appropriate background material concerning the candidate that demonstrates his or her ability to serve as a Director, including as an Independent Director, of the Fund. A Qualifying Fund Shareholder is a shareholder who (i) has continuously owned of record, or beneficially through a financial intermediary, shares of the Fund having a net asset value of not less than two hundred fifty thousand dollars (\$250,000) during the twenty-four month period prior to submitting the recommendation; and

(ii) provides a written notice to the Nominating Committee containing the following information: (a) the name and address of the Qualifying Fund Shareholder making the recommendation; (b) the number of shares of the Fund which are owned of record and beneficially by the Qualifying Fund Shareholder and the length of time that the shares have been owned by the Qualifying Fund Shareholder; (c) a description of all arrangements and understandings between the Qualifying Fund Shareholder and any other person or persons (naming such person or persons) pursuant to which the recommendation is being made; (d) the name, age, date of birth, business address and residence address of the person or persons being recommended; (e) such other information regarding each person recommended by the Qualifying Fund Shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the U.S. Securities and Exchange Commission (SEC) had the nominee been nominated by the Board; (f) whether the shareholder making the recommendation believes the person recommended would or would not be an interested person of the Fund, as defined in the 1940 Act; and (g) the written consent of each person recommended to serve as a Director of the Fund if so nominated and elected/appointed.

The Nominating Committee may amend these procedures from time to time, including the procedures relating to the evaluation of nominees and the process for submitting recommendations to the Nominating Committee.

The Board has adopted and approved a formal written charter for the Nominating Committee. A copy of the charter is attached as Exhibit A to this proxy statement.

Who are the nominees and Directors?

The Board is divided into three classes. Each class has a term of three years. Each year the term of office of one class expires. This year, the terms of four Directors expire. Harris J. Ashton, Frank J. Crothers, J. Michael Luttig and Constantine D. Tseretopoulos have been nominated for three-year terms, set to expire at the 2014 Annual Meeting of Shareholders. These terms continue, however, until their successors are duly elected and qualified. All of the nominees are currently members of the Board and are deemed to be Independent Directors. In addition, all of the current nominees and Directors are also directors or trustees of other investment companies within the Franklin Templeton Investments fund complex.

Interested Directors of the Fund hold director and/or officer positions with Franklin Resources, Inc. (Resources) and its affiliates. Resources is a publicly owned holding company, the principal stockholders of which are Charles B. Johnson and Rupert H. Johnson, Jr., who owned approximately 16.7% and 16.5%, respectively, of its outstanding shares as of December 31, 2010. The shares deemed to be beneficially owned by Charles B. Johnson include certain shares held by two private charitable foundations, of which he disclaims beneficial ownership. The shares deemed to be beneficially owned by Rupert H. Johnson, Jr. include certain shares held by a private charitable foundation and his spouse, of which he disclaims beneficial ownership. Resources, a global investment management organization operating as Franklin Templeton Investments, is primarily engaged through various subsidiaries, in providing investment management, share distribution, transfer agent and administrative services to a family of investment companies. Resources is a New York Stock Exchange (NYSE) listed holding company (NYSE: BEN). Charles B. Johnson, Chairman of the Board, Director and Vice President of the Fund, and Gregory E. Johnson, Director of the Fund, are father and son. Rupert H. Johnson, Jr., Vice President of the Fund, is the brother of Charles B. Johnson and the uncle of Gregory E. Johnson. There are no other family relationships among the Directors or nominees for Director.

Each nominee currently is available and has consented to serve if elected. If any of the nominees should become unavailable, the designated proxy holders will vote in their discretion for another person or persons who may be nominated to serve as Directors.

In addition to personal qualities, such as integrity, in considering candidates for the Fund Board, the Nominating Committee seeks to find persons of good reputation whose experience and background evidences that such person has the ability to comprehend, discuss and critically analyze materials and issues presented in exercising judgments and reaching informed conclusions relevant to fulfillment of a Fund Director's duties and fiduciary obligations. Information on the business activities of the nominees and other Directors during the past five years and beyond appears below and it is believed that the specific background of each Director evidences such ability and is appropriate to his or her serving on the Fund's Board. As indicated, Harris J. Ashton and Frank A. Olson have both served as chief executive officers of NYSE listed public corporations; Larry D. Thompson and Edith E. Holiday each have legal backgrounds, including high level legal positions with departments of the U.S. Government; David W. Niemiec and Ann Torre Bates each have been chief financial officers of major corporations; J. Michael Luttig has fifteen years of judicial experience as a Federal Appeals Court Judge; Robert E. Wade has over thirty years of experience as a practicing attorney; Constantine D. Tseretopoulos has professional and executive experience as founder and Chief of Staff of a hospital; Frank J. Crothers has served as the chief executive officer of several foreign closely held corporations; and Charles B. Johnson and Gregory E. Johnson are both high ranking executive officers of Resources.

Listed below with the business activities of the nominees and Directors, are their names and years of birth, their positions and length of service with the Fund and the number of portfolios in the Franklin Templeton Investments fund complex that they oversee.

How often do the Directors meet and what are they paid?

The role of the Directors is to provide general oversight of the Fund's business and to ensure that the Fund is operated for the benefit of all of the Fund's shareholders. The Directors anticipate meeting at least five times during the current fiscal year to review the operations of the Fund and the Fund's investment performance, and will meet more frequently as necessary. The Directors also oversee the services furnished to the Fund by Templeton Asset Management Ltd. Hong Kong branch, the Fund's investment manager (the Investment Manager), and various other service providers.

The Fund's Independent Directors constitute the sole independent Board members of 14 investment companies in the Franklin Templeton Investments fund complex for which each Independent Director currently is paid a \$145,000 annual retainer fee, together with a \$7,000 per meeting fee for attendance at each regularly scheduled Board meeting, a portion of which fees are allocated to the Fund. To the extent held, compensation also may be paid for attendance at specially called Board meetings. The Fund's Lead Independent Director is paid an annual supplemental retainer of \$15,000 for service to such investment companies, a portion of which is allocated to the Fund. Board members who serve on the Audit Committee of the Fund and such other investment companies receive a flat fee of \$3,000 per Committee meeting attended in person and \$2,000 per telephonic meeting, a portion of which is allocated to the Fund. The Chairman of the Audit Committee of the Fund and such other investment companies receives an additional fee of \$15,000 per year, a portion of which is allocated to the Fund. Members of a Committee are not separately compensated for any committee meeting held on the day of a regularly scheduled Board meeting.

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

During the fiscal year ended December 31, 2010, there were five meetings of the Board, three meetings of the Audit Committee, and four meetings of the Nominating Committee. Each Director then in office attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which the Director served. The Fund does not currently have a formal policy regarding Directors' attendance at the annual shareholders' meeting. No Directors attended the Fund's last annual meeting held on May 21, 2010.

Independent Directors are also reimbursed for expenses incurred in connection with Board meetings. The Interested Directors and certain officers of the Fund who are shareholders of Resources are not compensated by the Fund for their services, but may receive indirect remuneration due to their participation in management fees and other fees received by the Investment Manager and its affiliates from the funds in Franklin Templeton Investments. The Investment Manager or its affiliates pay the salaries and expenses of the officers and the Interested Directors. No pension or retirement benefits are accrued as part of Fund expenses.

The table below indicates the total fees paid to the Independent Directors by the Fund individually and by all of the funds in the Franklin Templeton Investments fund complex. These Directors also serve as directors or trustees of other funds in Franklin Templeton Investments, many of which hold meetings at different dates and times. The Directors and the Fund's management believe that having the same individuals serving on the boards of many of the funds in Franklin Templeton Investments enhances the ability of each fund to obtain, at a relatively modest cost to each separate fund, the services of high caliber, experienced and knowledgeable Independent Directors who can bring their experience and talents to, and effectively oversee the management of, several funds.

- (1) Compensation received for the fiscal year ended December 31, 2010.
- (2) Compensation received for the 12 months ended December 31, 2010.
- (3) We base the number of boards on the number of U.S. registered investment companies in the Franklin Templeton Investments fund complex. This number does not include the total number of series or funds within each investment company for which the Board members are responsible. Franklin Templeton Investments currently includes 45 U.S. registered investment companies, with approximately 144 U.S. based funds or series.
- (4) Ms. Bates and Mr. Wade also are independent trustees of Franklin Mutual Series Funds and may, in the future, receive payments pursuant to a discontinued retirement plan that generally provides payments to independent board members who have served seven years or longer for such fund.

Board members historically have followed a policy of having substantial investments in one or more of the funds in Franklin Templeton Investments, as is consistent with their individual financial goals. In February 1998, this policy was formalized through adoption of a requirement that each Board member invest one-third of the fees received for serving as a director or trustee of a Templeton fund (excluding committee fees) in shares of one or more Templeton funds (which may include the Fund) until the value of such investments equals or exceeds five times the annual retainer and regular Board meeting fees paid to such Board member. Investments in the name of family members or entities controlled by a Board member constitute fund holdings of such Board member for purposes of this policy, and a three-year phase-in period applies to such investment requirements for newly elected Board members. In implementing such policy, a Board member's fund holdings existing on February 27, 1998, were valued as of such date with subsequent investments valued at cost.

Who are the Executive Officers of the Fund?

Officers of the Fund are appointed by the Directors and serve at the pleasure of the Board. Listed below, for the Executive Officers, are their names, years of birth and addresses, as well as their positions and length of service with the Fund, and principal occupations during the past five years.

PROPOSAL 2: RATIFICATION OF THE SELECTION OF INDEPENDENT AUDITORS

How are independent auditors selected?

The Board has a standing Audit Committee currently comprised of David W. Niemiec (Chairman), Ann Torre Bates, Frank J. Crothers and Constantine D. Tseretopoulos, all of whom are Independent Directors and considered to be independent as that term is defined by the NYSE's listing standards. The Audit Committee is responsible for the appointment, compensation and retention of the Fund's independent registered public accounting firm (independent auditors), including evaluating their independence, recommending the selection of the Fund's independent auditors to the full Board, and meeting with such independent auditors to consider and review matters relating to the Fund's financial reports and internal auditing.

Which independent auditors did the Board select?

The Audit Committee and the Board have selected the firm of PricewaterhouseCoopers LLP (PwC) as the independent registered public accounting firm of the Fund for the current fiscal year. PwC has examined and

reported on the fiscal year-end financial statements dated December 31, 2010, and certain related SEC filings. You are being asked to ratify the Board's selection of PwC for the current fiscal year. Services to be performed by the independent auditors include examining and reporting on the fiscal year-end financial statements of the Fund and certain related filings with the SEC.

The selection of PwC as the independent registered public accounting firm of the Fund for the fiscal year ending December 31, 2011, was recommended by the Audit Committee and approved by the Board on March 1, 2011. PwC's reports on the financial statements of the Fund for the fiscal years for which it has served as auditors did not contain an adverse opinion or a disclaimer of opinion, nor were qualified or modified as to uncertainty, audit scope or accounting principles.

The Audit Committee and the Board have been advised by PwC that neither PwC nor any of its members have any material direct or indirect financial interest in the Fund. Representatives of PwC are not expected to be present at the Meeting, but will have the opportunity to make a statement if they wish, and will be available should any matter arise requiring their presence.

Audit Fees. The aggregate fees paid to PwC for professional services rendered by PwC for the audit of the Fund's annual financial statements or for services that are normally provided by PwC in connection with statutory and regulatory filings or engagements were \$41,987 for the fiscal year ended December 31, 2010, and \$41,066 for the fiscal year ended December 31, 2009.

Audit-Related Fees. The aggregate fees paid to PwC for assurance and related services rendered by PwC to the Fund that are reasonably related to the performance of the audit or review of the Fund's financial statements and not reported under **Audit Fees** above were \$6,270 for the fiscal year ended December 31, 2010, and \$6,000 for the fiscal year ended December 31, 2009. The services for which these fees were paid included attestation services.

In addition, the Audit Committee pre-approves PwC's engagement for audit-related services to be provided to the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. For the fiscal years ended December 31, 2010, and December 31, 2009 there were no fees paid to PwC for such services.

Tax Fees. There were no fees paid to PwC for professional services rendered by PwC for tax compliance, tax advice and tax planning for the fiscal years ended December 31, 2010, and December 31, 2009.

In addition, the Audit Committee pre-approves PwC's engagement for tax services to be provided to the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. The fees for these services were \$35,000 for the fiscal year ended December 31, 2010, and \$2,000 for the fiscal year ended December 31, 2009. The services for which these fees were paid included technical tax consultation for capital gain tax reporting to foreign governments and derivative instruments.

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

All Other Fees. The aggregate fees paid for products and services provided by PwC to the Fund, other than the services reported above, were \$441 for the fiscal year ended December 31, 2010 and \$0 for the fiscal year ended December 31, 2009. The services for which these fees were paid included review of materials provided to the Board in connection with the investment management contract renewal process.

In addition, the Audit Committee pre-approves PwC's engagement for other services to be provided to the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. The fees for these services were \$144,359 for the fiscal year ended December 31, 2010, and \$0 for the fiscal year ended December 31, 2009.

Aggregate Non-Audit Fees. The aggregate fees paid to PwC for non-audit services provided by PwC to the Fund, to the Investment Manager or to any entity controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund were \$186,070 for the fiscal year ended December 31, 2010, and \$8,000 for the fiscal year ended December 31, 2009. The aggregate non-audit fees for the fiscal year ended December 31, 2010, include the amounts shown under *Audit-Related Fees* (\$6,270); *Tax Fees* (including services provided to the Investment Manager (\$35,000)) and *All Other Fees* (\$441) (including services provided to the Investment Manager (\$144,359)).

The Audit Committee has determined that the provision of the non-audit services that were rendered to the Investment Manager and to any entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund is compatible with maintaining PwC's independence.

Audit Committee Pre-Approval Policies and Procedures. As of the date of this proxy statement, the Audit Committee has not adopted written pre-approval policies and procedures. As a result, all such services described above and provided by PwC must be directly pre-approved by the Audit Committee.

Audit Committee Charter. The Board has adopted and approved a formal written charter for the Audit Committee which sets forth the Audit Committee's responsibilities. A copy of the charter is attached as Exhibit B to this proxy statement.

As required by the charter, the Audit Committee reviewed the Fund's audited financial statements and met with management, as well as with PwC, the Fund's auditors, to discuss the financial statements.

Audit Committee Report. The Audit Committee received the written disclosures and the letter from PwC required by the applicable requirements of the Public Company Accounting Oversight Board regarding PwC's communications with the Audit Committee concerning independence. The Audit Committee also received the report of PwC regarding the results of their audit. In connection with the Audit Committee's review of the financial statements and PwC's report, the members of the Audit Committee discussed with a representative of PwC, PwC's independence, as well as the following: PwC's responsibilities in accordance with generally accepted auditing standards; PwC's responsibilities for information prepared by management that accompanies the Fund's audited financial statements and any procedures performed and the results; the initial selection of, and whether there were any changes in, significant accounting policies or their application; management's judgments and accounting estimates; whether there were any significant audit adjustments; whether there were any disagreements with management; whether there was any consultation with other accountants; whether there were any major issues discussed with management prior to PwC's retention; whether the auditors encountered any difficulties in dealing with management in performing the audit; and PwC's judgments about the quality of the Fund's accounting principles.

Based on its review and discussions with management and PwC, the Audit Committee did not become aware of any material misstatements or omissions in the financial statements. Accordingly, the Audit Committee recommended to the Board that the audited financial statements be included in the Fund's Annual Report to Shareholders for the fiscal year ended December 31, 2010, for filing with the SEC.

Board Role in Risk Oversight. The Board, as a whole, considers risk management issues as part of its general oversight responsibilities throughout the year at regular Board meetings, through regular reports that have been developed by management, in consultation with the Board and its counsel. These reports address certain investment, valuation and compliance matters. The Board also may receive special written reports or presentations on a variety of risk issues, either upon the Board's request or upon the Investment Manager's initiative. In addition, the Audit Committee of the Board meets regularly with the Investment Manager's internal audit group to review reports on their examinations of functions and processes within Franklin Templeton Investments that affect the Fund.

With respect to investment risk, the Board receives regular written reports describing and analyzing the investment performance of the Fund. In addition, the portfolio managers of the Fund meet regularly with the Board to discuss portfolio performance, including investment risk. To the extent that the Fund changes a particular investment strategy that could have a material impact on the Fund's risk profile, the Board generally is consulted with respect to such change. To the extent that the Fund invests in certain complex securities, including derivatives, the Board receives periodic reports containing information about exposure of the Fund to such instruments. In addition, the Investment Manager's investment risk personnel meet regularly with the Board to discuss a variety of issues, including the impact on the Fund of the investment in particular securities or instruments, such as derivatives.

With respect to valuation, the Fund's administrator provides regular written reports to the Board that enable the Board to monitor the number of fair valued securities in the Fund's portfolio, the reasons for the fair valuation and the methodology used to arrive at the fair value. Such reports also include information concerning illiquid securities within the Fund's portfolio. The Board also reviews dispositional analysis information on the sale of securities that require special valuation considerations such as illiquid or fair valued securities. In addition, the Fund's Audit Committee reviews valuation procedures and results with the Fund's independent auditors in connection with such Committee's review of the results of the audit of the Fund's year-end financial statements.

With respect to compliance risks, the Board receives regular compliance reports prepared by the Investment Manager's compliance group and meets regularly with the Fund's Chief Compliance Officer (CCO) to discuss compliance issues, including compliance risks. As required under SEC rules, the Independent Directors meet at

least quarterly in executive session with the CCO and the Fund's CCO prepares and presents an annual written compliance report to the Board. The Fund's Board adopts compliance policies and procedures for the Fund and approves such procedures for the Fund's service providers. The compliance policies and procedures are specifically designed to detect and prevent violations of the federal securities laws.

The Investment Manager periodically provides an enterprise risk management presentation to the Board to describe the way in which risk is managed on a complex-wide level. The presentation covers such areas as investment risk, reputational risk, personnel risk, and business continuity risk.

Board Structure. Seventy-five percent or more of the Fund's Board members consist of Independent Directors who are not deemed to be interested persons by reason of their relationship with the Fund's management or otherwise as provided under the 1940 Act. While the Chairman of the Board is an interested person, the Board is also served by a Lead Independent Director. The Lead Independent Director, together with independent counsel, reviews proposed agendas for Board meetings and generally acts as a liaison with Fund management with respect to questions and issues raised by the Independent Directors. The Lead Independent Director also presides at separate meetings of Independent Directors held in advance of each scheduled Board meeting where various matters, including those being considered at such Board meeting, are discussed. It is believed such structure and activities assure that proper consideration is given at Board meetings to matters deemed important to the Fund and its shareholders.

Solicitation of Proxies. Your vote is being solicited by the Directors. The cost of soliciting proxies, including the fees of a proxy soliciting agent, is borne by the Fund. The Fund reimburses brokerage firms and others for their expenses in forwarding proxy material to the beneficial owners and soliciting them to execute proxies. In addition, the Fund may retain a professional proxy solicitation firm to assist with any necessary solicitation of proxies. The Fund expects that the solicitation would be primarily by mail, but also may include telephone, facsimile, electronic or other means of communication. If the Fund does not receive your proxy by a certain time, you may receive a telephone call from a proxy soliciting agent asking you to vote. If professional proxy solicitors are retained, it is expected that soliciting fees would be approximately \$5,000, plus expenses. The Fund does not reimburse Directors and officers of the Fund, or regular employees and agents of the Investment Manager involved in the solicitation of proxies. The Fund intends to pay all costs associated with the solicitation and the Meeting.

Voting by Broker-Dealers. The Fund expects that, before the Meeting, broker-dealer firms holding shares of the Fund in street name for their customers will request voting instructions from their customers and beneficial owners. If these instructions are not received by the date specified in the broker-dealer firms' proxy solicitation materials, the Fund understands that current NYSE Rules permit the broker-dealers to vote on the Proposals on behalf of their customers and beneficial owners. Certain broker-dealers may exercise discretion over shares held in their name for which no instructions are received by voting these shares in the same proportion as they vote shares for which they received instructions.

Quorum. A majority of the Fund's shares entitled to vote present in person or represented by proxy constitutes a quorum at the Meeting. The shares over which broker-dealers have discretionary voting power, the shares that represent broker non-votes (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), and the shares whose proxies reflect an abstention on any item will all be counted as shares present and entitled to vote for purposes of determining whether the required quorum of shares exists.

Method of Tabulation. Provided a quorum is present or represented at the Meeting, Proposal 1, the election of Directors, requires the affirmative vote of a plurality of the votes cast of the holders of the shares present in person or represented by proxy at the Meeting. Proposal 2, ratification of the selection of the independent registered public accounting firm, requires the affirmative vote of a majority of the votes cast. Abstentions and broker non-votes will be treated as votes present at the Meeting, but will not be treated as votes cast and, therefore, will not be counted for purposes of obtaining approval of either proposal.

Adjournment. The holders of a majority of shares entitled to vote at the Meeting and present in person or by proxy, whether or not sufficient to constitute a quorum, or any officer present entitled to preside or act as Secretary of the Meeting may adjourn the Meeting. Such authority to adjourn the Meeting may be used in the event that a quorum is not present at the Meeting or in the event that a quorum is present but sufficient votes have not been received to approve the Proposals or to permit further solicitation of proxies or for any other reason consistent with Maryland law and the Fund's Articles of Incorporation and By-Laws. Unless otherwise instructed by a shareholder granting a proxy, the persons designated as proxies may use their discretionary authority to vote as instructed by management of the Fund on questions of adjournment and on any other proposals raised at the Meeting to the extent permitted by the SEC's proxy rules, including proposals for which management of the Fund did not have timely notice, as set forth in the SEC's proxy rules and the Fund's proxy statement for the 2010 annual meeting.

Shareholder Proposals. The Fund anticipates that its 2012 Annual Meeting of Shareholders will be held on or about May 25, 2012. A shareholder who wishes to submit a proposal for consideration for inclusion in the Fund's proxy statement for the 2012 Annual Meeting of Shareholders must send such written proposal to the Fund's offices, at 500 East Broward Boulevard, Suite 2100, Fort Lauderdale, Florida 33394-3091, Attention: Secretary, so that it is received no later than December 16, 2011, in order to be included in the Fund's proxy statement and proxy card relating to that meeting and presented at the meeting.

A shareholder of the Fund who has not submitted a written proposal for inclusion in the Fund's proxy statement by December 16, 2011, as described above, may nonetheless present a proposal at the Fund's 2012 Annual Meeting of Shareholders if such shareholder notifies the Fund in writing, at the Fund's offices, of such proposal by February 24, 2012. If a shareholder fails to give notice by this date, then the persons designated as proxies for the 2012 Annual Meeting of Shareholders may exercise discretionary voting power with respect to any such proposal.

A shareholder proposal may be presented at the 2012 Annual Meeting of Shareholders only if such proposal concerns a matter that may be properly brought before the meeting under applicable federal proxy rules and state law.

Submission of a proposal by a shareholder does not guarantee that the proposal will be included in the Fund's proxy statement or presented at the meeting.

By Order of the Board of Directors,

Robert C. Rosselot
Vice President and Secretary

NOMINATING COMMITTEE CHARTER

I. The Committee.

The Nominating Committee (the Committee) is a committee of, and established by, the Board of Directors/Trustees of the Fund (the Board). The Committee consists of such number of members as set by the Board from time to time and its members shall be selected by the Board. The Committee shall be comprised entirely of independent members. For purposes of this Charter, independent members shall mean members who are not interested persons of the Fund (Disinterested Board members) as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the 1940 Act).

II. Board Nominations and Functions.

1. The Committee shall make recommendations for nominations for Disinterested Board members on the Board to the incumbent Disinterested Board members and to the full Board. The Committee shall evaluate candidates' qualifications for Board membership and the independence of such candidates from the Fund's investment manager and other principal service providers. Persons selected must be independent in terms of both the letter and the spirit of the 1940 Act. The Committee shall also consider the effect of any relationships beyond those delineated in the 1940 Act that might impair independence, e.g., business, financial or family relationships with investment managers or service providers.

2. The Committee also shall evaluate candidates' qualifications and make recommendations for interested members on the Board to the full Board.

3. The Committee may adopt from time to time specific, minimum qualifications that the Committee believes a candidate must meet before being considered as a candidate for Board membership and shall comply with any rules adopted from time to time by the U.S. Securities and Exchange Commission regarding investment company nominating committees and the nomination of persons to be considered as candidates for Board membership.

4. The Committee shall review shareholder recommendations for nominations to fill vacancies on the Board if such recommendations are submitted in writing and addressed to the Committee at the Fund's offices. The Committee shall adopt, by resolution, a policy regarding its procedures for considering candidates for the Board, including any recommended by shareholders.

III. Committee Nominations and Functions.

The Committee shall make recommendations to the full Board for nomination for membership on all committees of the Board.

IV. Other Powers and Responsibilities.

1. The Committee shall meet at least once each year or more frequently in open or executive sessions. The Committee may invite members of management, counsel, advisers and others to attend its meetings as it deems appropriate. The Committee shall have separate sessions with management and others, as and when it deems appropriate.

2. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including authority to retain special counsel and other experts or consultants at the expense of the Fund.
3. The Committee shall report its activities to the Board and make such recommendations as the Committee may deem necessary or appropriate.
4. A majority of the members of the Committee shall constitute a quorum for the transaction of business at any meeting of the Committee. The action of a majority of the members of the Committee present at a meeting at which a quorum is present shall be the action of the Committee. The Committee may meet in person or by telephone, and the Committee may act by written consent, to the extent permitted by law and by the Fund's by-laws. In the event of any inconsistency between this Charter and the Fund's organizational documents, the provisions of the Fund's organizational documents shall be given precedence.
5. The Committee shall review this Charter at least annually and recommend any changes to the full Board.

ADDITIONAL STATEMENT FOR CLOSED-END FUNDS ONLY

The Committee shall comply with any rules of any stock exchange, if any, applicable to nominating committees of closed-end funds whose shares are registered thereon.

EXHIBIT B

AUDIT COMMITTEE CHARTER

I. The Committee.

The Audit Committee (Committee) is a committee of, and established by, the Board of Directors/Trustees of the Fund (the Board). The Committee shall consist of such number of members as set by the Board from time to time, but in no event less than three, and its members shall be selected by the Board. The Committee shall be comprised entirely of independent members, as defined in Item 3(a)(2) of SEC Form N-CSR (Disinterested Board members). Members shall be financially literate, meaning that each member is able to read and understand fundamental financial statements, including the Fund's balance sheet and income statement. At least one member of the Committee shall be designated by the Board as an audit committee financial expert, as defined in Item 3(b) of SEC Form N-CSR, unless the Board determines that the Fund does not have an audit committee financial expert on the Committee.

II. Purposes of the Committee.

The function of the Committee is to be directly responsible for overseeing the Fund's accounting and auditing processes, which shall include the appointment, compensation, retention and oversight of the work of the Fund's independent registered public accounting firm (auditors) engaged (including resolution of disagreements between management and the auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Fund. It is management's responsibility to maintain appropriate systems for accounting and internal controls. It is the auditors' responsibility to plan and carry out an audit in accordance with the standards of the Public Company Accounting Oversight Board and to report directly to the Committee. It is not the duty of the Committee to plan or conduct audits or to determine that the Fund's financial statements are complete and in accordance with generally accepted accounting principles; it is the responsibility of the auditors to conduct audits and the responsibility of management to prepare the Fund's financial statements in accordance with generally accepted accounting principles.

In giving its recommendations to the Board with respect to the Fund's financial statements, the Committee will rely on:

1. management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles,
2. the report of the Fund's auditors with respect to such financial statements.

Consistent with such allocation of functions, the purposes of the Committee are:

- (a) To oversee the Fund's accounting and financial reporting policies and practices and its internal controls, and to obtain, where it deems appropriate, reports on internal controls of service providers to the Fund;
- (b) To oversee the quality, objectivity and integrity of the Fund's financial statements and the independent audit thereof;
- (c) To act as a liaison between the Fund's auditors and the Board; and

(d) To receive and consider reports from the auditors:

(i) as required by generally accepted accounting standards; and

(ii) annually and by update as required by SEC Regulation S-X, regarding: (w) all critical accounting policies and practices of the Fund to be used; (x) alternative treatments within generally accepted accounting principles for policies and practices related to material items that have been discussed with management of the Fund, including ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the auditors; (y) other material written communications between the auditors and management of the Fund, such as any management letter or schedule of unadjusted differences; and (z) all non-audit services provided to any entity in an investment company complex, as defined in SEC Regulation S-X, that were not pre-approved by the Committee pursuant to SEC Regulation S-X.

(e) To consider the effect upon the Fund of any changes in accounting principles or practices proposed by management or the auditors.

(f) In considering the independence of the auditors, to request from, and discuss with, the auditors a written statement, and other reports as necessary, describing all relationships between the auditors and the Fund, the Fund's investment adviser and service providers, and other entities advised or serviced by, including any entities controlling, controlled by or under common control with, the investment adviser or any other service providers to the Fund that, in the auditors' judgment, could be thought to bear upon the auditors' independence; to receive and consider, if applicable, periodic reports from the auditors regarding whether the provision of non-audit services is compatible with maintaining the auditors' independence; and to request from the auditors a certificate that they are independent auditors under the Federal securities laws and are in compliance with all standards adopted by the Independence Standards Board.

(g) To require that the auditors regularly provide timely information to the Committee with respect to new rules and pronouncements by applicable regulatory and accounting standards agencies, along with an explanation of how such developments may affect the Fund's financial statements and accounting principles and practices.

(h) To review, at such times and in the manner deemed appropriate by the Committee, the results of the annual audit of, and the report of the auditors on the Fund's annual financial statements, including footnotes and any significant audit findings.

(i) To consider any reports of difficulties that may have arisen during the course of the audit, including any limitations of the scope of the audit, and management's response thereto.

(j) To review certifications of the Fund's Chief Executive Officer, Finance and Administration, and Chief Financial Officer and Chief Accounting Officer concerning (i) all significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting which are reasonably likely to adversely affect the Fund's ability to record, process, summarize and report financial information; and (ii) any fraud, whether or not material, that involves management or other employees who have a significant role in the Fund's internal controls over financial reporting, and for any other purposes the Committee deems appropriate, as required by §302 of the Sarbanes-Oxley Act.

B-3

(e) The Committee shall report its activities to the Board and make such recommendations as the Committee may deem necessary or appropriate.

(f) The Committee shall review and assess the adequacy of this Charter annually, or more frequently if it chooses, and recommend any changes to the Board.

(g) The Chair of the Committee shall meet periodically on an informal basis with the Chairpersons of the Audit Committees of other Funds within the Franklin/Templeton/Mutual Series complex to share information and discuss items of mutual interest and shall report back to the Committee on any issues of substance discussed at such periodic meetings. In addition, the Committee shall meet jointly with Audit Committees of other Funds within the Franklin/Templeton/Mutual Series complex as may be appropriate, to attend presentations and review proposals and other matters of common concern to all such Audit Committees.

ADDITIONAL STATEMENTS FOR CLOSED-END FUNDS ONLY

(The provisions set forth in Appendix A hereto are intended to cover specific requirements and wording mandated by applicable Stock Exchange listing requirements.)

B-5

Appendix A

In addition to the purposes set forth above, the purposes of the Committee include:

(a) preparation of the Audit Committee Disclosure Report required to be included in the Fund's annual proxy statement; and

(b) the assistance of oversight, as either part of the full Board or as a Committee, of the Fund's compliance with legal and regulatory requirements.

In addition to the powers and duties set forth above, the Committee shall have the following powers and duties to carry out its purposes:

(a) To obtain and review a report by the auditors, at least annually, describing:

(i) All relationships between the auditors and the Fund, the Fund's adviser, and any control affiliate of the adviser that provides ongoing services to the Fund;

(ii) Any material issues raised by the most recent internal quality-control review, or peer review, of the auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditors, and any steps taken to deal with any such issues; and

(iii) The auditors' internal quality-control procedures;

(b) To discuss generally, to the extent the Fund issues any earnings press releases or any financial information and earnings guidance provided to analysts and rating agencies, any such releases or information and guidance;

(c) To discuss in a general manner, as either part of the full Board or as a Committee, the Fund's processes with respect to risk assessment and risk management;

(d) To review and approve, as either part of the full Board or as a Committee, clear policies relating to the hiring by entities within Franklin Templeton Investments of employees or former employees of the auditors;

(e) To evaluate, as either part of the full Board or as a Committee, its performance at least annually; and

(f) Upon appointment of a member (i) to the Committee or (ii) to the audit committee of another public company, who simultaneously serves on the audit committees of three or more public companies, to request the Board to determine that such simultaneous service would not impair the ability of such member to effectively serve on the Committee.

The Committee shall comply with such other rules of the New York Stock Exchange, Inc., other applicable national securities exchanges and the U.S. Securities and Exchange Commission applicable to closed-end funds, as such may be adopted and amended from time to time.
