Item 1.01 Entry into a Material Definitive Agreement

On August 17, 2017, Southern Missouri Bancorp, Inc. ("Southern"), the parent corporation of Southern Bank, entered into an Agreement and Plan of Merger (the "Merger Agreement") with Southern Missouri Bancshares, Inc. ("Bancshares"), which is the parent company of Southern Missouri Bank of Marshfield ("Marshfield"). The Merger Agreement provides that, upon the terms and subject to the conditions set forth therein, Bancshares will merge with and into Southern (the "Merger"), with Southern as the surviving corporation in the Merger. It is expected that following the Merger, Marshfield will be merged with and into Southern Bank (the "Bank Merger"), with Southern Bank as the surviving bank in the Bank Merger.

Subject to adjustment for Bancshares capital at closing, the deal is valued at approximately \$15.1 million (representing 140% of Bancshares' anticipated capital, as adjusted, at closing). Under the terms of the Merger Agreement, Bancshares shareholders will receive 9.0393 shares of Southern common stock and \$95.82 in cash for each share of Bancshares common stock outstanding. The number of Southern shares to be issued was determined based on Southern's weighted average closing stock price on the NASDAQ Stock Market during the 20 trading days ending on the fifth trading day prior to the execution of the Merger Agreement.

The Merger Agreement contains customary representations and warranties from both Southern and Bancshares, and each party has agreed to customary covenants including, among others, covenants relating to (1) the conduct of its business during the interim period between the execution of the Merger Agreement and the Effective Time, including, in the case of Bancshares, specific forbearances with respect to its business activities, and (2) in the case of Bancshares, its non-solicitation obligations relating to alternative acquisition proposals.

The completion of the Merger is subject to customary conditions, including approval of the Merger Agreement by Bancshares' shareholders and the receipt of required regulatory approvals. The Merger is anticipated to be completed in the first quarter of calendar 2018.

The Merger Agreement provides certain termination rights for both Southern and Bancshares and further provides that a termination fee of \$450,000 will be payable by Bancshares upon termination of the Merger Agreement under certain circumstances as specified therein. Substantially all of Bancshares' directors and executive officers have executed voting agreements pursuant to which they have agreed to vote their Bancshares shares in favor of the Merger Agreement.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The representations, warranties and covenants of each party set forth in the Merger Agreement have been made only for purposes of, and were and are solely for the benefit of the parties in, the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors.

Accordingly, the representations and warranties may not describe the actual state of affairs at the date they were made or at any other time, and investors should not rely on them as statements of fact. In addition, such representations and warranties (1) will not survive the consummation of the Merger, unless otherwise specified therein, and (2) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the parties' public disclosures. Accordingly, the Merger Agreement is included with the filing only to provide investors with information regarding the terms of the Merger Agreement and not to provide investors with any other factual information regarding Southern or Bancshares, their respective affiliates, or their respective businesses.
