DUPONT
CAN BE
GREAT

Trian
has a track
record of making
good companies
GREAT

We have been a DuPont owner for almost 30 years and expect to own the stock for another 30 years. We have also invested with and alongside Trian and have seen them create long-term value for shareholders. As a long-term owner, we appreciate the lasting value Trian fosters through its constructive engagement with leadership teams...We see the performance of the companies they engage on a positive trajectory, from the time Trian initially takes a position to well after they exit. Very simply, Trian is top notch.”

As one of DuPont’s largest stockholders, Trian has a clear interest in the long-term success of the Company — our interests are fully aligned with those of DuPont’s employees, customers, stockholders and the Wilmington community.

Trian first invested in DuPont in March 2013. We are highly motivated to see DuPont grow and innovate once again, and we support increased dividends.

Trian offers fresh perspectives and new ideas. We have nominated four highly qualified independent directors who will seek to work collaboratively on the Board to increase value and make DuPont GREAT again.
