**PROXY STATEMENT
OF
BANNER CORPORATION
10 S. First Avenue
Walla Walla, Washington 99362
(509) 527-3636**

**ANNUAL MEETING OF SHAREHOLDERS
APRIL 24, 2003**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Banner Corporation ("Company") to be used at the 2003 Annual Meeting of Shareholders ("Annual Meeting") of the Company. The Company is the holding company for Banner Bank (sometimes referred to herein as the "Bank"). The Annual Meeting will be held at the Marcus Whitman Hotel at 6 W. Rose Street, Walla Walla, Washington, on Thursday, April 24, 2003, at 10:00 a.m., local time. This Proxy Statement and the enclosed proxy card are being first mailed to shareholders on or about March 24, 2003.

VOTING AND PROXY PROCEDURE

Shareholders Entitled to Vote. Shareholders of record as of the close of business on March 1, 2003 are entitled to one vote for each share of common stock of the Company ("Common Stock") then held. As of March 1, 2003, the Company had 11,338,510 shares of Common Stock issued and outstanding.

Edgar Filing: BANNER CORP - Form DEF 14A

If you are a beneficial owner of Common Stock held by a broker, bank or other nominee (i.e., in "street name"), you will need proof of ownership to be admitted to the Annual Meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of Common Stock held in street name in person at the Annual Meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

Quorum. The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Abstentions will be counted as shares present and entitled to vote at the Annual Meeting for purposes of determining the existence of a quorum. Broker non-votes will be considered shares present and will be included in determining whether a quorum is present.

Voting. The Board of Directors solicits proxies so that each shareholder has the opportunity to vote on the proposals to be considered at the Annual Meeting. When a proxy card is returned properly signed and dated, the shares represented thereby will be voted in accordance with the instructions on the proxy card. Where no instructions are indicated, proxies will be voted in accordance with the recommendations of the Board of Directors. If a shareholder of record attends the Annual Meeting, he or she may vote by ballot.

The Board recommends a vote "FOR" the election of the nominees for director.

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. Shareholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld and broker non-votes will have no effect on the outcome of the election because the nominees receiving the greatest number of votes will be elected.

Revocation of a Proxy. Shareholders who execute proxies retain the right to revoke them at any time before they are voted. Proxies may be revoked by written notice delivered in person or mailed to the Secretary of the Company

<PAGE>

or by filing a later dated proxy prior to a vote being taken on a particular proposal at the Annual Meeting. Attendance at the Annual Meeting will not automatically revoke a proxy, but a shareholder of record in attendance may request a ballot and vote in person, thereby revoking a prior granted proxy.

If your Common Stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker or bank may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form that accompanies this proxy statement. If you wish to change your voting instructions after you have returned your voting instruction form to your broker or bank, you must contact your broker or bank.

Participants in the Banner Corporation ESOP. If a shareholder is a participant in the Banner Corporation Employee Stock Ownership Plan ("ESOP"), the proxy card represents a voting instruction to the trustees of the ESOP as to the number of shares in the participant's plan account. Each participant in the ESOP may direct the trustees as to the manner in which shares of Common Stock allocated to the participant's plan account are to be voted. The instructions are confidential and will not be disclosed to the Company. Unallocated shares of Common Stock held by the ESOP and allocated shares for which no voting instructions are received will be voted by the trustees in the same proportion as shares for which the trustees have received voting instructions.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Persons and groups who beneficially own in excess of five percent of the Company's Common Stock are required to file certain reports disclosing such ownership pursuant to the Securities Exchange Act of 1934, as amended ("Exchange Act"). Based on such reports, the following table sets forth, as of the Record Date, certain information regarding those persons who were beneficial owners of more than five percent of the outstanding shares of Common Stock. To the Company's knowledge, no other person or entity beneficially owned more than five percent of the Common Stock as of the Record Date.

The following table also sets forth, as of the Record Date, information as to the shares of Common Stock beneficially owned by (a) each director, (b) each of the executive officers named in the Summary Compensation Table contained in this Proxy Statement (the "named executive officers") and (c) all executive officers and directors of the Company as a group.

PROPOSAL 1 - ELECTION OF DIRECTORS

The Board of Directors is divided into three classes with three-year staggered terms, with approximately one-third of the directors elected each year. Two directors will be elected at the Annual Meeting to serve for a three-year period, or until their respective successors have been elected and qualified. The nominees for election this year are Gordon E. Budke and David B. Casper, both of whom are current members of the Board of Directors. On October 24, 2002, the Board of Directors voted to increase the size of the Board from ten to eleven members, and appointed Mr. Budke to fill the vacancy. Ms. Langlie and Mr. Sundquist, whose terms expire in 2003, have indicated their desire to not stand for reelection. The Board voted on February 13, 2003 to decrease its size from eleven to nine members upon the retirement of Ms. Langlie and Mr. Sundquist effective as of the Annual Meeting.

It is intended that the proxies solicited by the Board of Directors will be voted for the election of the above named nominees. If any nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend or the Board of Directors may adopt a resolution to amend the Bylaws and reduce the size of the Board. At this time, the Board of Directors knows of no reason why any nominee might be unavailable to serve.

Edgar Filing: BANNER CORP - Form DEF 14A

The Board of Directors recommends a vote "FOR" the election of Messrs. Budke and Casper.

The following table sets forth certain information regarding the nominees for election at the Annual Meeting, as well as information regarding those directors continuing in office after the Annual Meeting.

In December 2002, the Board of Directors adopted a revised Audit Committee Charter to reflect the new responsibilities imposed by the Sarbanes-Oxley Act of 2002. A copy of the revised Charter is attached to this proxy statement as Appendix A. Each member of the Audit Committee is "independent," in accordance with the requirements for companies quoted on The Nasdaq Stock Market. In addition, Mr. Budke meets the definition of "audit committee financial expert," as defined by the Securities and Exchange Commission ("SEC"). The Company has established a grantor trust to hold the Common Stock investments. The assets of the trust are considered part of the Company's general assets and the directors have the status of unsecured creditors of the Company with respect to the trust assets. - (1) The reported option grant vests at the rate of 20% per annum. Options become immediately exercisable in the event of a change in control of the Company.
- (2) The dollar gains under these columns result from calculations required by the SEC's rules and are not intended to forecast future price appreciation of the Common Stock of the Company. It is important to note that options have value to the listed executives only if the stock price increases above the exercise price shown in the table during the effective option period. In order for the listed executives to realize the potential values set forth in the 5% and 10% columns in the table, the price per share of the Common Stock would be approximately \$31.60 and \$50.32, respectively, as of the expiration of the options granted on February 11, 2002.

(1) Value of unexercised in-the-money options equals market value of shares covered by in-the-money options on December 31, 2002 less the option exercise price. Options are in-the-money if the market value of the shares covered by the options is greater than the option exercise price.

Employment Agreements with Named Executive Officers. The Company entered into employment agreements with Messrs. Sirmon, Larsen and Baker (individually, the "Executive") on July 1, 1998 and with Mr. Jones (also, the "Executive") on February 11, 2002. The agreements provide that the Executive's base salary is subject to annual review. The current base salaries for Messrs. Jones, Sirmon, Larsen and Baker are \$365,000, \$275,000, \$195,000 and \$160,000, respectively. In addition to base salary, the agreements provide for the Executive's participation in the employee benefit plans and other fringe benefits applicable to executive personnel. The initial three-year term of each agreement may be extended annually for an additional year at the discretion of the Board of Directors of Banner Bank. The agreements for Messrs. Sirmon, Larsen and Baker were extended on July 1, 2002, and the agreement for Mr. Jones was extended on January 23, 2003. The employment of the Executive is terminable at any time

8

<PAGE>

for cause as defined in the agreements. In addition, the employment of the Executive may be terminated without cause in which case he would continue to receive his base salary over the remaining term of the agreement.

The agreements also provide for the payment of severance benefits to the Executive in the event of his termination of employment following a change in control of Banner Bank or the Company. Such benefits would include a lump sum payment equal to 2.99 times the average of the Executive's five preceding years' compensation and continuation of retirement, life, health and disability coverage for a three-year period. In the event of a change in control of Banner Bank or the Company, the total cash payment due under the agreements, excluding any benefits payable under any employee benefit plan, would be approximately \$902,686, \$2,109,223, \$1,015,904 and \$448,569 for Messrs. Jones, Sirmon, Larsen and Baker, respectively. For purposes of the agreements, "change in control" includes, among other things, a change in control within the meaning of the rules and regulations promulgated by the Board of Governors of the Federal Reserve System under the Change in Bank Control Act of 1978, the acquisition by any person of securities representing 20% or more of the outstanding securities of Banner Bank or the Company (or for Mr. Jones, 25% or more of the outstanding securities of the Company), or a plan of reorganization, merger, consolidation or sale of substantially all of the assets of Banner Bank or the Company in which Banner Bank or the Company is not the resulting entity.

The agreements restrict the right of the Executive to compete against Banner Bank or the Company for a period of one year following retirement in the area of Walla Walla or any other area in which Banner Bank maintains a full service branch office.

Banner Bank of Oregon (formerly known as Inland Empire Bank) entered into an employment agreement with Mr. Foster on September 30, 1994. The agreement was continued, with certain modifications, following the acquisition of Banner Bank of Oregon by the Company and its merger into Banner Bank. The initial term of the agreement expired on September 30, 1999. The agreement provides for an automatic one-year extension unless either party gives notice of an intention not to renew at least 60 days prior to the expiration date. Mr. Foster's base salary, which is subject to periodic review, is currently \$195,000. In the event of Mr. Foster's termination without cause, Banner Bank is obligated to continue his then current salary through the expiration date of the agreement. In the event of Mr. Foster's resignation following a change in control of Banner Bank (as defined in the agreement), Banner Bank is obligated to continue his base salary for the sooner of one year or the expiration date of the agreement. The agreement restricts Mr. Foster's ability to compete with Banner Bank within a 50-mile radius of the former Banner Bank of Oregon's main and branch office locations during any period in which he is receiving compensation from Banner Bank.

Salary Continuation and Deferred Compensation Agreements. Banner Bank has entered into salary continuation agreements with Messrs. Sirmon and Larsen (individually, the "Executive") to ensure their continued service with Banner Bank through retirement. Banner Bank has purchased life insurance to finance the benefits payable under the agreements. Assuming that the Executive remains in the employ of Banner Bank to age 65, the agreements provide for monthly payments over a minimum of a 180-month period following retirement. The annual payment for Messrs. Sirmon and Larsen would be \$112,000 and \$64,000, respectively. In the event of the Executive's termination of employment by reason of death or disability prior to age 65, the salary continuation benefit would be payable to the Executive or his designated beneficiary.

For 1994 and subsequent years, Section 401(a)(17) of the Internal Revenue Code of 1986, as amended, limits to \$150,000 (indexed) per employee the amount of compensation that is considered for purposes of determining the maximum contribution to Banner Bank's tax-qualified profit sharing plan on behalf of each eligible employee. Banner Bank credits certain executive officers whose total compensation exceeds \$150,000 with additional deferred compensation to restore amounts that may not be contributed to the profit sharing plan as a consequence of the Section 401(a)(17) limitation. For the fiscal year ended December 31, 2002, \$3,217 was credited as deferred compensation for Mr. Sirmon.

Banner Bank of Oregon entered into an agreement with Mr. Foster to provide him with supplemental retirement benefits. The agreement was continued, with certain modifications, following the acquisition of Banner Bank of Oregon by the Company and its merger into Banner Bank. The agreement provides that, following Mr. Foster's retirement at or after attaining age 62 (or in the event of his prior death or disability) and for a 12-year period thereafter, Banner Bank

<PAGE>

will pay him (or his beneficiary) an annual benefit equal to 40% of his average annual salary during the three years preceding his retirement. The agreement also restricts Mr. Foster's ability to compete with the Bank within a 50-mile radius of the former Banner Bank of Oregon's main and branch office locations for a one-year period following his termination of employment.

Supplemental Executive Retirement Program. The Company has adopted a Supplemental Executive Retirement Program ("SERP") for selected senior executives, including Messrs. Jones, Sirmon, Larsen and Baker (individually, the "Executive"). At termination of employment at or after attaining age 62 with at least 15 years of service (age 65 with at least five years of service in the case of Mr. Jones), the Executive's annual benefit under the SERP would be computed as the product of 3% of the Executive's final average compensation (defined as the three calendar years of the Executive's annual cash compensation, including bonuses, which produce the highest average within the Executive's final eight (five in the case of Mr. Jones) full calendar years of employment) and the Executive's annual years of service, reduced by certain amounts, such as the amount payable to the Executive under the Company's 401(k) profit sharing plan and its ESOP, employer-contributed deferred compensation and any amount payable to an Executive under the salary continuation agreements described above. The maximum benefit would be 60% of final average compensation, less applicable reductions. A reduced benefit is payable at termination of employment at or after attaining age 59 1/2 with at least 15 (five in the case of Mr. Jones) years of service. At December 31, 2002, only Mr. Larsen was eligible for benefits under the SERP. At December 31, 2002, the estimated annual benefit payable to Messrs. Sirmon, Larsen and Baker upon normal retirement would be approximately \$99,930, \$32,161 and \$89,368, respectively. There was no annual benefit payable to Mr. Jones at December 31, 2002 because his SERP agreement was not entered into until 2003.

AUDIT COMMITTEE MATTERS

Audit Committee Charter. The Audit Committee operates pursuant to a Charter approved by the Company's Board of Directors. The Audit Committee reports to the Board of Directors and is responsible for overseeing and monitoring financial accounting and reporting, the system of internal controls established by management and the audit process of the Company. The Audit Committee Charter sets out the responsibilities, authority and specific duties of the Audit Committee. The Charter specifies, among other things, the structure and membership requirements of the Audit Committee, as well as the relationship of the Audit Committee to the independent auditors, the internal audit department and management of the Company.

Report of the Audit Committee. The Audit Committee reports as follows with respect to the Company's audited financial statements for the year ended December 31, 2002:

- The Audit Committee has completed its review and discussion with management of the Company's 2002 audited financial statements;
- The Audit Committee has discussed with the independent auditors, Deloitte & Touche LLP, the matters required to be discussed by Statement on Auditing Standards ("SAS") No. 61, *Communication with Audit Committees*, as amended by SAS No. 90, *Audit Committee Communications*, including matters related to the conduct of the audit of the Company's financial statements;

independence, and the letter from the independent auditors confirming that, in their professional judgment, they are independent from the Company and its related entities, and has discussed with the auditors the auditors' independence from the Company; and

<PAGE>

- The Audit Committee has, based on its review and discussions with management of the Company's 2002 audited financial statements and discussions with the independent auditors, recommended to the Board of Directors that the Company's audited financial statements for the year ended December 31, 2002 be included in the Company's Annual Report on Form 10-K.

COMPENSATION COMMITTEE MATTERS

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Report of the Compensation Committee and Performance Graph shall not be incorporated by reference into any such filings.

Report of the Compensation Committee. Under rules established by the SEC, the Company is required to provide certain data and information in regard to the compensation and benefits provided to its Chief Executive Officer and other executive officers. The disclosure requirements for the Chief Executive Officer and other executive officers include the use of tables and a report explaining the rationale and considerations that led to the fundamental executive compensation decisions affecting those individuals. The Compensation Committee of the Board of Directors of the Company is responsible for setting the policies and compensation levels for directors, officers and employees of the Company, while the Compensation Committee of the Board of Directors of the Bank is responsible for setting the policies and compensation levels for directors, officers and employees of the Bank.

General. The Compensation Committees' duties are to recommend and administer policies that govern executive compensation. Each Committee is responsible for evaluating the performance of its Chief Executive Officer while the Chief Executive Officer evaluates the performance of other senior officers and makes recommendations to the appropriate Committee regarding compensation levels. The Compensation Committee of the Company has final authority to set compensation levels with respect to all Company directors, officers and employees, and the Compensation Committee of the Bank has final authority to set compensation levels with respect to all Bank directors, officers and employees.

Compensation Policies. The executive compensation policies of the Company and the Bank are designed to establish an appropriate relationship between executive pay and the Company's and the Bank's annual performance, to reflect the attainment of short- and long-term financial performance goals and to enhance the ability of the Company and the Bank to attract and retain qualified executive officers. The principles underlying the executive compensation policies include the following:

- To attract and retain key executives who are vital to the long-term success of the Company and the Bank and are of the highest caliber;
- To provide levels of compensation competitive with those offered throughout the financial industry and consistent with the Company's and the Bank's level of performance;

- To motivate executives to enhance long-term shareholder value by building their equity interest in the Company; and
- To integrate the compensation program with the Company's and the Bank's annual and long-term strategic planning and performance measurement processes.

<PAGE>

The Committees consider a variety of subjective and objective factors in determining the compensation package for individual executives including: (1) the performance of the Company and the Bank as a whole with emphasis on annual performance factors and long-term objectives; (2) the responsibilities assigned to each executive; and (3) the performance of each executive of assigned responsibilities as measured by the progress of the Company and the Bank during the year.

Base Salary. The current compensation plans involve a combination of salary, at-risk incentives to reward short-term performance, stock options to reward long-term performance and deferred compensation. The salary levels of executive officers are designed to be competitive within the banking and financial services industries. In setting competitive salary levels, the Compensation Committees continually evaluate current salary levels by surveying similar institutions in Washington, Oregon, the Northwest and the United States. The Committees' peer group analyses focus on asset size, nature of ownership, type of operation and other common factors. Specifically, the Committees annually review the Northwest Financial Industry Salary Survey prepared by Milliman USA (actuaries and consultants) in association with the Washington Bankers Association, the Washington Financial League and the Oregon Bankers Association, covering 107 Northwest financial organizations, the America's Community Bankers' Compensation Survey which covers 428 responding financial institutions, the Moss Adams Pacific Northwest Bankers' Compensation Survey covering 73 respondents in Washington, Oregon, Idaho and Montana, the SNL Executive Compensation Review of banks and thrifts with assets greater than \$400 million, the Watson Wyatt Survey of Top Management Compensation and an individualized review of executive compensation prepared by Watson Wyatt.

Incentive (at-risk) Compensation Program. A short-term incentive plan is in effect for the officers of the Bank which is designed to compensate for performance. The plan is designed to provide for incentive compensation of up to 35% of salary for the chief executive officer, up to 25% of salary for executive vice presidents, up to 20% of salary for senior vice presidents and up to 15% of salary for vice presidents and certain other officers. In certain circumstances, incentive compensation may be payable at higher levels based on exceptional performance in excess of established targets. The performance incentive is based primarily on quantifiable data such as return on assets, return on equity, loan and deposit growth, asset quality and level of operating expenses. Subjective evaluation of performance is limited.

Deferred Compensation. To the extent that executive officers' contributions to the Company's retirement programs are limited by applicable law, the Company credits each affected executive with deferred compensation in the amount of the additional annual contribution the executive would have received if such limits were not applicable.

Long Term Incentive Compensation. The Company, with shareholder approval, adopted both the 1996 Management Recognition and Development Plan and the 1996 Stock Option Plan on July 26, 1996, the 1998 Stock Option Plan on July 24, 1998 and the 2001 Stock Option Plan on April 20, 2001, under which officers may receive grants and awards. The Company believes that stock ownership by the Company's and the Bank's officers is a significant factor in aligning the interests of the officers with those of shareholders. Stock options and stock awards under such plans were allocated based upon regulatory practices and policies, the practices of other recently converted financial institutions as verified by external surveys and based upon the officers' level of responsibility and contributions to the Company and the Bank. The Company also provides a 401(k) profit sharing plan. A committee appointed by the Board of Directors administers the 401(k) profit sharing plan and the named executive officers participate in the 401(k) profit sharing plan.

Compensation of the Chief Executive Officer. During the calendar year ended December 31, 2002, D. Michael Jones, President and Chief Executive Officer of the Company and of Banner Bank, earned \$299,295 in base salary. In addition, he was credited with \$3,300 in other compensation, in the form of a 401(k) contribution by the Company. This resulted in total compensation of \$302,595. The Committee believes that Mr. Jones' compensation is appropriate

Compensation Committee Interlocks and Insider Participation. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater than 10% shareholders are required by regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms it has received and written representations provided to the Company by the above referenced persons, the Company believes that during the fiscal year ended December 31, 2002 all filing requirements applicable to its reporting officers, directors and greater than 10% shareholders were properly and timely complied with.

TRANSACTIONS WITH MANAGEMENT

Federal regulations require that all loans or extensions of credit to executive officers and directors of insured financial institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, except for loans made pursuant to programs generally available to all employees, and must not involve more than the normal risk of repayment or present other unfavorable features. The Bank is therefore prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public, except for loans made pursuant to programs generally available to all employees, and has adopted a policy to this effect. In addition, loans made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to such person and his or her related interests, are in excess of the greater of \$25,000 or 5% of the institution's capital and surplus (up to a maximum of \$500,000) must be approved in advance by a majority of the disinterested members of the Board of Directors.

INDEPENDENT AUDITORS

Deloitte & Touche LLP served as the Company's independent auditors for the fiscal year ended December 31, 2002. Due to the expanded responsibilities imposed on the Audit Committee and the Board of Directors by the Sarbanes-Oxley Act of 2002, the Audit Committee is still considering the appointment of the independent auditors for the year ending December 31, 2003. A representative of Deloitte & Touche LLP will be present at the Annual Meeting to respond to shareholders' questions and will have the opportunity to make a statement if he or she so desires.

Audit Fees

The aggregate fees billed, or expected to be billed, to the Company by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu and their respective affiliates (collectively "Deloitte & Touche") for professional services rendered for the audit of the Company's financial statements for fiscal year ended December 31, 2002 and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q, including travel and out-of-pocket expenses for that year, are \$285,000.

Financial Information Systems Design and Implementation Fees

There were no professional services rendered by Deloitte & Touche in fiscal 2002 relating to financial information systems design and implementation. Deloitte & Touche provides no consulting services to the Company.

All Other Fees

Other than audit fees, the aggregate fees billed to the Company by Deloitte & Touche for fiscal 2002, none of which were financial information systems design and implementation fees, were \$5,000. The Audit Committee of the

<PAGE>

Board of Directors determined that the services performed by Deloitte & Touche other than audit services are compatible with Deloitte & Touche maintaining its independence. Deloitte & Touche was not engaged to provide any internal audit or accounting record-keeping services.

OTHER MATTERS

The Board of Directors is not aware of any business to come before the Annual Meeting other than those matters described above in this Proxy Statement. However, if any other matters should properly come before the Annual Meeting, it is intended that proxies in the accompanying form will be voted in respect thereof in accordance with the judgment of the person or persons voting the proxies.

MISCELLANEOUS

The cost of solicitation of proxies will be borne by the Company. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of the Common Stock. In addition to solicitations by mail, directors, officers and regular employees of the Company may solicit proxies personally or by telecopier or telephone without additional compensation.

The Company's 2002 Annual Report to Shareholders, including financial statements, has been mailed to all shareholders of record as of the close of business on March 1, 2003. Any shareholder who has not received a copy of such Annual Report may obtain a copy by writing to the Company. The Annual Report is not to be treated as part of the proxy solicitation material or having been incorporated herein by reference.

A copy of the Company's Form 10-K for the calendar year ended December 31, 2002, as filed with the SEC, will be furnished without charge to shareholders of record as of March 1, 2003 upon written request to Albert H. Marshall, Secretary, Banner Corporation, 10 S. First Avenue, Post Office Box 907, Walla Walla, Washington 99362.

SHAREHOLDER PROPOSALS

Proposals of shareholders intended to be presented at the Company's annual meeting to be held in 2004 must be received by the Company no later than November 25, 2003 to be considered for inclusion in the proxy materials and form of proxy relating to such meeting. Any such proposals shall be subject to the requirements of the proxy rules adopted under the Exchange Act.

In addition, the Company's Articles of Incorporation provide that in order for business to be brought before the Annual Meeting, a shareholder must deliver notice to the Secretary not less than 30 nor more than 60 days prior to the date of the Annual Meeting; provided that if less than 31 days' notice of the Annual Meeting is given to shareholders, such notice must be delivered not later than the close of the tenth day following the day on which notice of the Annual Meeting was mailed to shareholders. The notice must state the shareholder's name, address and number of shares of Common Stock held, and briefly discuss the business to be brought before the Annual Meeting, the reasons for conducting such business at the Annual Meeting and any interest of the shareholder in the proposal.

The Company's Articles of Incorporation provide that if a shareholder intends to nominate a candidate for election as a director, the shareholder must deliver written notice of his or her intention to the Secretary of the Company not less than 30 days nor more than 60 days prior to the date of the Annual Meeting of shareholders; provided, however, that if less than 31 days' notice of the Annual Meeting is given to shareholders, such written notice must be delivered to the Secretary of the Company not later than the close of the tenth day following the day on which notice of the Annual Meeting was mailed to shareholders. The notice must set forth (i) the name, age, business address and, if known, residence address of each nominee for election as a director, (ii) the principal occupation or employment of each

nominee, (iii) the number of shares of Common Stock of the Company which are beneficially owned by each such nominee, (iv) such other information as would be required to be included pursuant to the Exchange Act in a proxy statement soliciting proxies for the election of the proposed nominee, including, without limitation, such person's written consent to being named in the proxy statement as a nominee and to serving as a director, if elected, and (v) as to the shareholder giving such notice (a) his or her name and address as they appear on the Company's books and (b) the class and number of shares of the Company which are beneficially owned by such shareholder.

BANNER CORPORATION AUDIT COMMITTEE CHARTER

I. Purpose

The primary function of the Audit Committee ("Audit Committee" or "Committee") is to assist the Board of Directors ("Board") in fulfilling its oversight responsibilities by reviewing the quality and integrity of financial reports and other financial information provided by Banner Corporation ("Corporation"); the Corporation's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Corporation's auditing, accounting and financial reporting processes generally. Consistent with the function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Corporation's policies, procedures and practices at all levels. The Audit Committee's primary duties and responsibilities are to:

1. Serve as an independent and objective party to monitor the Corporation's financial reporting process and internal control system.
2. Review and appraise the audit efforts of the Corporation's independent accountants and internal auditing department.
3. Provide an open avenue of communication among the independent accountants, financial and senior management, the internal auditing department and the Board of Directors.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of this charter.

II. Composition

The Audit Committee shall be comprised of three or more directors as determined by the Board, each of whom shall be independent directors, and free from any relationships that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment, as a member of the Committee. All members of the Committee shall have a working familiarity with basic finance and accounting practices. Member independence, experience and financial expertise will be in conformance with rules established by the SEC, NASD, and the AICPA. The members of the Committee shall be elected by the Board at the annual organizational meeting of the Board and shall serve until their successors shall be duly elected and qualified. Unless a Chair is selected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

III. Meetings

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee should meet at least annually with management, the Internal Audit Officer and the independent accountants in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee or at least its Chair should meet with the independent accountants and management quarterly to review the Corporation's financials consistent with IV.4 below.

IV. Responsibilities and Duties

To fulfill its responsibilities and duties, the Audit Committee shall:

Documents/Reports Review

1. Review and update this Charter periodically, at least annually, as conditions dictate.

The Committee shall recommend to the Board whether or not the audited financial statements should be included in the Corporation's 10-K.

Independent Accountants

6. Have the sole authority to appoint or replace the independent accountants.

8. Be directly responsible for the oversight of the work of the independent accountants, reviewing their performance regularly.
9. Ensure receipt from the independent accountants of a formal written statement delineating all relationships between the accountants and the Corporation, consistent with Independence Standards Board Standard 1. On an annual basis, the Committee should review and discuss with the accountants any such relationships to determine the accountants' independence and objectivity. The Committee should take, or recommend to the Board that it take, appropriate action to oversee the independence of the accountants.
10. Ensure the independent accountants' ultimate accountability to the Board and the Committee, as representatives of the shareholders, receiving direct reports from the accountants.
11. Periodically consult with the independent accountants out of the presence of management about internal controls and the completeness and accuracy of the organization's financial statements.

16. Consider and approve, if appropriate, major changes to the Corporation's auditing and accounting principles and practices as suggested by the independent accountants, management, or the internal auditing department.

Process Improvements

17. Establish regular and separate systems of reporting to the Audit Committee by each of management, the independent accountants and the internal auditors regarding any significant judgments made in

management's preparation of the financial statements and the view of each as to appropriateness of such judgments.

18. Establish procedures that allow employees of the Corporation or any of its subsidiaries to submit confidential and anonymous concerns regarding questionable accounting or auditing matters.
19. Establish procedures for the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls or auditing matters.

Following completion of the annual audit, review separately, as needed, with each of management, the independent accountants and the internal auditing department any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required information.
21. Review (and in the case of the independent accountants, settle) any disagreement among management and the independent accountants or the internal auditing department in connection with the preparation of the financial statements.
22. Review with the independent accountants, the internal auditing department and management the adequacy and effectiveness of the accounting and financial controls of the Corporation and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable.
