Item 8.01 Other Events

Settlement of Certain Litigation Relating to the Merger

On or about May 30, 2018, a lawsuit was filed in the Circuit Court for the State of Oregon in Washington County, under the caption Parshall v. Premier Commercial Bancorp, et. al., Case No. 18CV22242 (the "Action"). The complaint generally alleges that Premier Commercial Bancorp's ("Premier Commercial") directors breached their fiduciary duties to Premier Commercial and its shareholders by agreeing to the proposed merger with Heritage Financial Corporation ("Heritage") and by failing to disclose to Premier Commercial shareholders in the Form S-4 Registration Statement all material information concerning the proposed merger. Premier Commercial and Heritage are alleged to have aided and abetted the directors' alleged breaches of their fiduciary duties. The complaint seeks, among other things, an order enjoining the defendants from consummating the proposed merger, as well as attorneys' and experts' fees and certain other damages.

Solely to avoid the costs, risks and uncertainties inherent in litigation and to allow the Premier Commercial shareholders to vote on the proposals required in connection with the proposed merger with Heritage at the Premier Commercial special meeting of shareholders, Premier Commercial has agreed to make additional disclosures to supplement the disclosures contained in the proxy statement/prospectus ("Additional Disclosures"). The Additional Disclosures are set forth below and should be read in conjunction with the proxy statement/prospectus.

The Additional Disclosures moot plaintiff's disclosure claims asserted in the Action, and, as a result, plaintiff has agreed to dismiss the Action with prejudice as to his individual claims and without prejudice to the claims of the putative members of the class.

This agreement to make the Additional Disclosures will not affect the merger consideration to be paid in connection with the merger of Premier Commercial into Heritage or the timing of the special meeting of Premier Commercial's shareholders.

Premier Commercial and the other defendants, including Heritage, vigorously deny that they have committed or aided and abetted in the commission of any violation of law or engaged in any of the wrongful acts that were or could have been alleged in the lawsuit, and expressly maintain that, to the extent applicable, they diligently and scrupulously complied with their fiduciary and other legal duties and are entering into the agreement to make the Additional Disclosures solely to eliminate the burden and expense of further litigation, to put the claims that were or could have been asserted to rest, and to avoid any possible delay to the closing of the merger that might arise from further litigation. Nothing in this document shall be deemed an admission of the legal necessity or materiality under any applicable laws for any of the disclosures set forth herein.

SUPPLEMENT TO PROXY STATEMENT/PROSPECTUS

The following information supplements the proxy statement/prospectus and should be read in connection with the proxy statement/prospectus, which should be read in its entirety. To the extent that information herein differs from or updates information contained in the proxy statement/prospectus, the information contained herein supersedes the information contained in the proxy statement/prospectus. All page references in the information below are to pages in the proxy statement/prospectus, and terms used below have the meanings set forth in the proxy statement/prospectus, unless otherwise defined below. Without admitting in any way that the disclosures below are material or otherwise required by law, Premier Commercial and Heritage make the following supplemental disclosures:

Unaudited Prospective Financial Information

The disclosure under the heading "THE MERGER—Recommendation of the Premier Commercial Board of Directors and Reasons of Premier Commercial for the Merger" is supplemented by the adding of the following disclosure under the heading "Unaudited Prospective Financial Information" starting on page 30 of the proxy statement/prospectus.

Premier Commercial

Premier Commercial does not as a matter of course make public projections as to future performance, revenues, earnings or other financial results given, among other reasons, the uncertainty of realizing the underlying assumptions and estimates. However, Premier Commercial is including in this proxy statement/prospectus certain unaudited prospective financial information that was provided to the Premier Commercial board of directors in connection with its evaluation of the merger. Unaudited prospective financial information relating to Premier Commercial was also provided to Sandler O'Neill, financial advisor to the Premier Commercial board of directors. The inclusion of this information should not be regarded as an indication that any of Premier Commercial, Heritage, their respective affiliates, officers, directors, advisors or other representatives or any other recipient of this information considered, or now considers, it necessarily to be predictive of actual future results, or that it should be construed as financial guidance, and it should not be relied on as such. This information was prepared solely for internal use and is subjective in many respects. While presented with numeric specificity, the unaudited prospective financial information reflects numerous estimates and assumptions made with respect to business, economic, market, competition, regulatory and financial conditions and matters specific to Premier Commercial's business, all of which are difficult to predict and many of which are beyond Premier Commercial's control. The unaudited prospective financial information reflects both assumptions as to certain business decisions that are subject to change and, in many respects, subjective judgment, and thus is susceptible to multiple interpretations and periodic revisions based on actual experience and business developments. Premier Commercial can give no assurance that the unaudited prospective financial information and the underlying estimates and assumptions will be realized. In addition, since the unaudited prospective financial information covers multiple years, such information by its nature becomes less predictive with each successive year.

Actual results may differ materially from those set forth below, and important factors that may affect actual results and cause the unaudited prospective financial information not to be realized include, but are not limited to, risks and uncertainties relating to Premier Commercial's business, industry performance, general business and economic conditions, customer requirements, competition and adverse changes in applicable laws, regulations or rules. For other factors that could cause actual results to differ,

please see the sections entitled "Risk Factors" and "Cautionary Statement Regarding Forward-Looking Statements" in this proxy statement/prospectus and in Premier Commercial's financial information available on the Premier Community Bank website <https://www.pcboregon.com/>.

The unaudited prospective financial information does not take into account any circumstances or events occurring after the date it was prepared. Premier Commercial can give no assurance that, had the unaudited prospective financial information been prepared as of the date of this proxy statement/prospectus, similar estimates and assumptions would be used. **PREMIER COMMERCIAL DOES NOT INTEND TO, AND DISCLAIMS ANY OBLIGATION TO, MAKE PUBLICLY AVAILABLE ANY UPDATE OR OTHER REVISION TO THE UNAUDITED PROSPECTIVE FINANCIAL INFORMATION TO REFLECT CIRCUMSTANCES EXISTING SINCE ITS PREPARATION OR TO REFLECT THE OCCURRENCE OF UNANTICIPATED EVENTS, EVEN IN THE EVENT THAT ANY OR ALL OF THE ASSUMPTIONS UNDERLYING THE UNAUDITED PROSPECTIVE FINANCIAL INFORMATION ARE NOT REALIZED, OR TO REFLECT CHANGES IN GENERAL ECONOMIC OR INDUSTRY CONDITIONS, EXCEPT AS MAY BE REQUIRED BY APPLICABLE LAW.** The unaudited prospective financial information does not take into account the possible financial and other effects on Premier Commercial of the merger and does not attempt to predict or suggest future results of the combined company. The unaudited prospective financial information does not give effect to the merger, including the impact of negotiating or executing the merger agreement, the expenses that may be incurred in connection with consummating the merger, potential synergies that may be achieved by the combined company as a result of the merger or the effect of any business or strategic decisions or actions which would likely have been taken if the merger agreement had not been executed, but which were instead altered, accelerated, postponed or not taken in anticipation of the merger. Further, the unaudited prospective financial information does not take into account the effect on Premier Commercial of any possible failure of the merger to occur. None of Premier Commercial, Heritage or their respective affiliates, officers, directors, advisors or other representatives has made, makes or is authorized in the future to make any representation to any shareholder of Premier Commercial or Heritage or other person regarding Premier Commercial's ultimate performance compared to the information contained in the unaudited prospective financial information or that the forecasted results will be achieved.

The following table presents certain internal financial projections for Premier Commercial for the fiscal years ending December 31, 2018 through December 31, 2020, as directed by the management of Premier Commercial, as well as an estimated long-term earnings per share growth rate for the years thereafter, as directed by the management of Premier Commercial.

The unaudited prospective financial information was not prepared with a view toward public disclosure, nor was it prepared with a view toward compliance with GAAP, published guidelines of the

SEC or the guidelines established by the American Institute of Certified Public Accountants for the preparation and presentation of prospective financial information. Neither Premier Commercial's independent registered public accounting firm, nor any other independent accountants, have compiled, examined or performed any procedures with respect to the unaudited prospective financial information contained herein, nor have they expressed any opinion or any other form of assurance on such information or its achievability.

In light of the foregoing, and considering that Premier Commercial's special meeting will be held after the unaudited prospective financial information was prepared, as well as the uncertainties inherent in forecasting information, Premier Commercial shareholders are cautioned not to place unwarranted reliance on such information, and Premier Commercial urges all Premier Commercial shareholders to review Premier Commercial's most recent FDIC filings for a description of Premier Commercial's reported financial results. Heritage does not as a matter of course make public projections as to future performance, revenues, earnings or other financial results given, among other reasons, the uncertainty of realizing the underlying assumptions and estimates. However, Heritage is including in this proxy statement/prospectus certain unaudited prospective financial information related to Heritage that was discussed with Sandler O'Neill, financial advisor to the Premier Commercial board of directors, and was considered by the Premier Commercial board of directors in connection with its evaluation of the merger. This information was prepared solely for internal use and is subjective in many respects.

While presented with numeric specificity, the unaudited prospective financial information reflects numerous estimates and assumptions made with respect to business, economic, market, competition, regulatory and financial conditions and matters specific to Heritage's business, all of which are difficult to predict and many of which are beyond Heritage's control. The unaudited prospective financial information reflects both assumptions as to certain business decisions that are subject to change and, in many respects, subjective judgment, and thus is susceptible to multiple interpretations and periodic revisions based on actual experience and business developments. For other factors that could cause actual results to differ, please see the sections entitled "Risk Factors" and "Cautionary Statement Regarding Forward-Looking Statements" in this proxy statement/prospectus and in Heritage's Annual Report on Form 10-K for the fiscal year ended December 31, 2017 and the other reports filed by Heritage with the SEC.

The unaudited prospective financial information does not take into account any circumstances or events occurring after the date it was prepared. Heritage can give no assurance that, had the unaudited prospective financial information been prepared as of the date of this proxy statement/prospectus, similar estimates and assumptions would be used. HERITAGE DOES NOT INTEND TO, AND DISCLAIMS ANY OBLIGATION TO, MAKE PUBLICLY AVAILABLE ANY UPDATE OR OTHER REVISION TO THE UNAUDITED PROSPECTIVE FINANCIAL INFORMATION TO REFLECT CIRCUMSTANCES EXISTING SINCE ITS PREPARATION OR TO REFLECT THE OCCURRENCE OF UNANTICIPATED EVENTS, EVEN IN THE EVENT THAT ANY OR ALL OF THE ASSUMPTIONS UNDERLYING THE UNAUDITED PROSPECTIVE FINANCIAL INFORMATION ARE NOT REALIZED, OR TO REFLECT CHANGES IN GENERAL ECONOMIC OR INDUSTRY CONDITIONS, EXCEPT AS MAY BE REQUIRED BY APPLICABLE LAW. The unaudited prospective financial information does not take into account the possible financial and other effects on Heritage of the merger and does not attempt to predict or suggest future results of the combined company. The unaudited prospective financial information does not give effect to the merger, including the impact of negotiating or executing the merger agreement, the expenses that may be incurred in connection with consummating the merger, potential synergies that may be achieved by the combined company as a result of the merger or the effect of any business or strategic decisions or actions which would likely have been taken if the merger agreement had not been executed, but which were instead altered, accelerated, postponed or not taken in anticipation of the merger. Further, the unaudited prospective financial information does not take into account the effect on Heritage of any possible failure of the merger to occur. None of Premier Commercial, Heritage or their respective affiliates, officers, directors, advisors or other representatives has made, makes or is authorized in the future to make any representation to any shareholder of Premier Commercial or Heritage or other person regarding Heritage's ultimate performance compared to the information contained in the unaudited prospective financial information or that the forecasted results will be achieved.

The disclosure under the heading "THE MERGER—Opinion of Premier Commercial's Financial Advisor—Heritage Net Present Value Analyses" is hereby supplemented by deleting the first sentence of this section starting on page 39 of the proxy statement/prospectus and replacing it with the following:

Sandler O'Neill performed an analysis that estimated the net present value per share of Heritage common shares assuming that Heritage performed in accordance with publicly available consensus mean analyst earnings per share estimates for the years ending December 31, 2018 and December 31, 2019, or \$1.78 and \$2.05, respectively, as well as an estimated long-term annual earnings per share growth rate and dividend payout ratio for Heritage for the years thereafter, as directed by the senior management of Heritage and their representatives. See "—Certain unaudited prospective financial information of Heritage."

The disclosure under the heading "THE MERGER—Opinion of Premier Commercial's Financial Advisor—Heritage Net Present Value Analyses" is hereby supplemented by adding the following sentence after the sentence following the number 270% on page 39 of the proxy statement/prospectus:

Sandler O'Neill selected these price to earnings and tangible book value multiples based on Sandler O'Neill's review of, among other matters, the trading multiples of selected companies that Sandler O'Neill deemed to be comparable to Heritage.

The disclosure under the heading "THE MERGER—Opinion of Premier Commercial's Financial Advisor—Heritage Net Present Value Analyses" is hereby supplemented by adding the following narrative and table after the Earnings Per Share Multiples chart on page 40 of the proxy statement/prospectus:

The following table describes the discount rate calculation for Heritage common stock prepared by Sandler O'Neill. In its normal course of business, Sandler O'Neill employs the Duff & Phelps valuation handbook in determining an appropriate discount rate in which the discount rate equals the sum of the risk free rate plus the product of the two year beta of the relevant company's common stock and the equity risk premium. Since this formulation utilizes a two year beta it does not use a size premium.

Risk Free Rate	2.89%	Based on 10yr US Treasury as of March 7, 2018
2 Year Beta of Stock	1.22	Per Bloomberg
Equity Risk Premium	5.86%	Per Duff & Phelps 2017 Valuation Handbook
Discount Rate	10.05%
