\_\_\_\_\_  
(Name)                                      (Area Code)      (Telephone Number)

(2) Have all other periodic reports under Section 13 or 15(d) of  
the Securities Exchange Act of 1934 or Section 30 of the  
Investment Company Act of 1940 during the preceding twelve  
months or for such shorter period that the registrant was  
required to file such report(s) been filed?

If the answer is no, identify report(s).       YES       NO

(3) Is it anticipated that any significant change in  
results of operations from the corresponding period  
for the last fiscal year will be reflected by the  
earnings statements to be included in the subject  
report, or portion thereof?                       YES       NO

If so, attach an explanation of the anticipated change, both narratively and  
quantitatively, and, if appropriate, state the reasons why a reasonable  
estimate of the results cannot be made.

It is anticipated that the Registrant's net income for the quarter ended  
September 30, 2002, will be approximately \$1,556,000 and after giving effect to  
the recording by the Registrant of approximately \$48,000 in preferred stock  
dividends in such quarter, a net income of approximately \$1,508,000 (or  
approximately \$.04 per diluted share of Common Stock). In comparison, for the  
quarter ended September 30, 2001, the Registrant recorded a net loss of  
\$581,000 and after giving effect to the recording by the Registrant of  
approximately \$32,000 in preferred stock dividends in such quarter, a net loss  
of approximately \$613,000 (or approximately \$.02 per share of Common Stock).

The Registrant believes the changed results may be attributed, among other  
things, to an increase in revenue in the Nuclear Waste Management Services  
segment of approximately \$7,909,000 resulting from growth in mixed waste  
revenues, as these facilities continue to expand and demonstrate their  
processing capabilities, increase their related sales and marketing efforts and  
continue to receive greater volumes of waste.
