cellcom israel announces ila+/stable rating reaffirmed for possible public offering of debentures in israel

Netanya, Israel – June 17, 2014 – Cellcom Israel Ltd. (NYSE: CEL) (TASE: CEL) (hereinafter: the "Company") announced today that following its previous announcement regarding preparation for a potential public offering of two new series of debentures in Israel only, Standard & Poor's Maalot reaffirmed an ilA+/stable rating for such offering of debentures of up to NIS 400 million, which the Company may issue.

The execution, timing, terms and amount of such contemplated offering have not yet been determined and are subject to further approval of the Company's Board of Directors, publication of a shelf prospectus and a supplemental offering report and the prior approval of the Israeli Securities Authority and the Tel Aviv Stock Exchange, or TASE, for the publication of the shelf prospectus and the TASE's for the supplemental offering report. There is no assurance that such offering will be executed, nor as to its timing, terms and amount.

For additional details regarding the Company's debentures see the Company's annual report for the year ended December 31, 2013 on Form 20-F dated March 6, 2014 under "Item 5B. Liquidity and Capital Resources – Debt Service".

The contemplated offering described in this press release, will be made, if made, in Israel to residents of Israel only. The said debentures will not be registered under the U.S. Securities Act of 1933 and will not be offered or sold in the United States. This press release shall not constitute an offer to sell or the solicitation of an offer to buy any debentures.

A security rating is not a recommendation to buy, sell or hold securities, it may be subject to revision or withdrawal at any time by the assigning rating organization, and each rating should be evaluated independently of any other rating.
