## NOTICE OF ANNUAL MEETING OF SHAREHOLDERS TO BE HELD MAY 10, 2002

The annual meeting of shareholders of Selas Corporation of America (the "Corporation") will be held at the Holiday Inn, 432 Pennsylvania Avenue, Fort Washington, Pennsylvania, 19034, on Friday, May 10, 2002, at 11:00 a.m. for the following purposes:

- (1) election of directors;
- (2) ratification of the appointment of KPMG LLP as the Corporation's auditors for the year ending December 31, 2002; and
- (3) transaction of such other business as may properly come before the meeting.

The Board of Directors has fixed the close of business on March 20, 2002, as the record date for the determination of shareholders entitled to notice of and to vote at the meeting.

All shareholders are cordially invited to attend the meeting, but whether or not you expect to attend the meeting in person, please mark, sign and date the enclosed proxy and return it promptly in order that your shares may be voted. If you attend the meeting, you may revoke your proxy and vote in person.

### PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of the Corporation. The proxy is revocable at any time prior to its use by delivery of a subsequently executed proxy or written notice of revocation to the Secretary of the Corporation. The Board of Directors has fixed the close of business on March 20, 2002, as the record date for determination of the shareholders entitled to vote at the Annual Meeting. As of March 20, 2002, there were 5,119,214 common shares outstanding, each of which is entitled to one vote on all matters to be presented at the meeting. The annual report of the Corporation, including consolidated financial statements, for the year ended December 31, 2001, on which no action will be requested at the annual meeting, is included herewith. It is not to be regarded as proxy solicitation material.

### ELECTION OF DIRECTORS

The Board of Directors currently consists of six members divided into three classes.

John H. Austin, whose term was to expire at the 2002 meeting retired from the Board of Directors effective December 31, 2001. The Board of Directors elected John H. Duerden and Robert N. Masucci to the Board effective February 19, 2002, with terms to expire at the 2002 Annual Meeting. Simultaneously the Board voted to increase the size of the Board from five to six.

The Board intends to cause Messrs. Duerden and Masucci to be nominated for re-election at the 2002 Annual Meeting to serve until the annual meeting in

Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

2005 and until their respective successors have been duly elected and have qualified.

If either of the nominees should be unavailable on May 10, 2002, the persons named in the proxy may vote the proxies for such other person as they may choose, unless the Board of Directors reduces the number of directors to be elected.

Assuming a quorum is present, the two nominees receiving the highest number of votes cast at the Annual Meeting will be elected directors. For such purposes, the withholding of authority to vote or the specific direction not to cast a vote, such as broker non-vote, will not constitute the casting of a vote in the election of directors.

The following table sets forth certain information concerning the nominees and the persons whose terms as directors will continue after the Annual Meeting, including their ages and principal occupations during the past five years:

KPMG LLP or predecessors have served as the Corporation's auditors for many years. The persons named in the accompanying proxy will vote to ratify the appointment of KPMG LLP as the Corporation's auditors for 2002 unless contrary instructions are received. If a majority of the votes cast on this matter are not cast in favor of ratification of this appointment, other auditors will be considered and appointed by the Board of Directors. Abstentions, or the specific direction not to cast a vote, such as a broker non-vote, will not constitute the casting of a vote concerning the ratification of such appointment. A representative of KPMG LLP is expected to be present at the annual meeting of shareholders to make a statement if desired and be available to respond to appropriate questions.

#### Employment Agreement

In connection with Mr. Gorder's election as President and Chief Executive Officer of the Corporation, the Corporation and Mr. Gorder entered into an employment agreement. The agreement provides for Mr. Gorder to serve as President and Chief Executive officer of the Corporation until April 30, 2004, and to be compensated at the annual rate of \$250,000 for the period of January 1, through April 30, 2001 and at the annual rate of \$275,000 for the period of May 1, 2001 through December 31, 2001. Mr. Gorder's annual compensation after December 31, 2001 is to be as established by the Board, but is required to be no less than \$275,000. If Mr. Gorder's employment is terminated for any reason, other than for cause, he will be entitled to the continued payment of his salary and bonus until April 30, 2004, or, at his election, a lump sum payment equal to the present value of these payments.

#### Separation Agreements

## Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

In connection with Mr. Ryan's retirement from the Corporation, effective at the time of the 2001 Annual Meeting, the Corporation and Mr. Ryan entered into a retirement and consulting agreement. The agreement provides for Mr. Ryan to provide consulting services to the Corporation for a five-year period beginning April 24, 2001, in return for payments of \$75,000 per year. It also provides for the Corporation to extend the expiration date of his outstanding stock options (which would otherwise expire three months after his retirement) to the fifth anniversary of his retirement or the stated expiration date of the options, whichever is earlier. The exercise prices and other terms of the options were not affected.

In connection with Mr. Ross's separation from the Corporation, effective as of November 30, 2001, the Corporation and Mr. Ross entered into a separation agreement. The agreement provides for Mr. Ross to provide consulting services to the Corporation for one year beginning November 30, 2001 in return for payments of \$16,087 per month, with the possibility of an additional payment of up to \$50,000. It also modifies the Supplemental Retirement Plan to provide for Mr. Ross to receive \$24,000 per year, beginning when he turns 55.

### Change-of-Control Arrangements

Under agreements expiring December 31, 2002, with Messrs. Gorder, Deuer and Toczykowski, the Corporation would be required to pay two years' salary to them upon involuntary termination (defined to include a reduction in salary, change of location or adverse change in responsibilities) following a hostile change in control or hostile sale of substantial assets of the Corporation or, in the case of Mr. Gorder, Resistance Technology, Inc. or, in the case of Mr. Deuer, Deuer Manufacturing, Inc.

### Retirement Plan

Contributions to the Corporation's Retirement Plan adopted in 1986 covering certain officers and salaried employees are not reflected in the preceding executive compensation tables. The Corporation's Retirement Plan is a funded, qualified, defined benefit pension plan that provides benefits for eligible employees. The Corporation's Supplemental Retirement Plan, adopted in 1994, is a non-qualified supplemental plan that provides benefits that would otherwise be denied to eligible employees by reason of certain Internal Revenue Code limitations on qualified plan benefits. In the case of Messrs. Ryan and Ross, the Supplemental Retirement Plan provides an additional benefit such that the aggregate annual benefit payable as a single life annuity under the Plan is equal to 40% of the average of the employee's base salary for the three years prior to retirement. The total

8

annual benefit payable as a life annuity to Mr. Ryan is \$103,537, and to Mr. Ross will be \$24,000, following the date he turns 55.

### Resistance Technology, Inc.

Mr. Gorder is a general partner (with a one-third interest) of Arden Partners I, L.L.P., a Minnesota limited liability partnership ("Arden") that owns and leases to RTI under a lease entered into October, 1991, and amended and restated effective November 1, 1996, one of RTI's two manufacturing facilities. In connection with the RTI acquisition, Arden executed an agreement with RTI to extend the term of such lease from November 1, 1996 to October 31, 2003, and to grant RTI two successive renewal term options of five years each. Under the extension agreement, the base monthly rent during each

extension term is to be tied to the fair rental value at the commencement of the applicable extension term. Under the current lease, RTI pays Arden a base monthly rent of approximately \$27,500.

### Compensation Committee Report

The Corporation's compensation program for officers, which is administered by the Compensation Committee of the Board of Directors, is designed to align a significant portion of officer compensation with the Corporation's business objectives and performance. The Compensation Committee consists of two outside directors, none of whom has ever been an employee of the Corporation or any of its subsidiaries.

The Corporation's officer compensation program consists of base salary, potential annual cash incentive compensation and long-term incentive compensation in the form of stock options. Officers are also covered under medical, life insurance, pension and savings plans generally available to employees of the Corporation or the business unit managed by the officer.

Through the use of data on comparable companies and its evaluation of officers' performance, the Compensation Committee's objective is to recommend to the Board of Directors the setting of total base salary and potential incentive compensation for the Corporation's Chief Executive Officer and other officers at levels designed to achieve the Corporation's objectives of attracting, retaining, motivating and rewarding talented executives. The Committee's philosophy is that a significant portion of the total potential compensation of the Chief Executive Officer and other senior executives should be leveraged to be dependent upon the degree of the Corporation's or a business unit's financial success in a particular year.

In 2001 the Committee recommended to the Board of Directors and the Board of Directors approved an incentive compensation program for 2001 that applied financial performance measures tailored to the nature of the particular business unit and the desired contribution to the overall financial results of the Corporation. In all cases, incentive compensation was substantially dependent on the achievement of financial performance targets relating to a particular business unit or to the Corporation on a consolidated basis. Because of the financial performance of the Corporation and its business units no bonuses were paid under the 2001 plan.

The Corporation's 1994 and 2001 stock option plans are its long-term incentive plans for officers and key employees. The stock option plans are designed further to align the interests of the Corporation's executives and its shareholders by creating a direct link between long-term executive compensation and long-term increases in shareholder values. Since all options are granted at fair market value at the time of grant, there is no built-in profit and thus the value of the option is tied solely and directly to increases in value of the Corporation's common shares. Stock options are

## Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

granted to the Corporation's officers from time to time as deemed appropriate by the Committee based on various factors, including particularly the executive's ability to influence the Corporation's long-term growth and profitability.

The Audit Committee has prepared the following report on its activities with respect to the Corporation's audited consolidated financial statements for the year ended December 31, 2001, which we refer to here as the Corporation's audited consolidated financial statements.

- o The Audit Committee has received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1, and has discussed with KPMG LLP its independence from the Corporation.
- o Based on the review and discussions referred to above, the Audit Committee has recommended to the Board of Directors that the audited consolidated financial statements be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2001, for filing with the Securities and Exchange Commission.

THE AUDIT COMMITTEE  
Nicholas A. Giordano, Chairman  
Michael J. McKenna  
Robert N. Masucci

technology services for 2001.

11

### Performance Graph

The following graph shows the cumulative total return for the last five years, calculated as of December 31 of each such year, for the Corporation's common shares, the Standard & Poor's 500 Index and the American Stock Exchange Market Value Index. The graph assumes that the value of the investment in each of the three was \$100 at December 31, 1996 and that all dividends were reinvested.

Board and Committee Matters

## Edgar Filing: SELAS CORP OF AMERICA - Form DEF 14A

The Corporation's Board of Directors met seven times in 2001. In fiscal year 2001, Directors who were not officers of the Corporation received an annual retainer of \$24,000 plus \$800 per Board or Committee meeting attended on a particular day and \$400 for each additional Board or Committee meeting attended on the same day. Mr. McKenna also receives \$27,500 per quarter for services performed as Chairman of the Board. Under the Corporation's Non-Employee Directors Stock Option Plan adopted in 1998, directors who are not employees of the Corporation or any of its subsidiaries receive an automatic one-time grant of an option to acquire 5,000 common shares of the Corporation upon their initial election or appointment to the Board of Directors.

The Board of Directors has standing Audit and Compensation Committees. There is no standing Nominating Committee.

12

The Audit Committee, which in 2001 consisted of Mr. Austin (who retired from the Board and committee as Chairman on December 31, 2001), Mr. Giordano and Mr. McKenna, held three formal meetings in 2001. In addition, the Audit Committee, or its Chairman, held informal telephonic meetings with the Corporation's management and independent auditors to review and approve the Corporation's quarterly consolidated financial statements. The Audit Committee receives information from the outside auditors and from management of the Corporation relating to the Corporation's consolidated financial statements and considers recommendations of the auditors and financial management as to audit and accounting matters.

The Compensation Committee, consisting of Mr. McKenna, Chairman and Mr. Bissinger met three times during 2001. The Compensation Committee reviews and makes recommendations to the Board of Directors concerning officer compensation and officer and employee bonus programs and administers the Corporation's 2001 Plan, the Amended and Restated 1994 Stock Option Plan and the Non-Employee Directors Stock Option Plan.

### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Corporation's executive officers and directors and persons who own more than ten percent of a registered class of the Corporation's equity securities (collectively, the "reporting persons") to file reports of ownership and changes in ownership with the Securities and Exchange Commission and to furnish the Corporation with copies of these reports.

Based on the Corporation's review of the copies of these reports received by it and written representations, if any, received from reporting persons with respect to the filing of reports of Forms 3, 4 and 5, the Corporation believes that all filings required to be made by the reporting persons for fiscal 2001 were made on a timely basis.

### Shareholder Proposals

Under Securities and Exchange Commission rules, certain shareholder proposals may be included in the Corporation's proxy statement.
