PROXY STATEMENT

Genesis Health Ventures, Inc. ("Genesis", "we", "our", or "us") will hold its 2003 Annual Meeting of Shareholders on Wednesday, April 9, 2003 at 101 East State Street, Kennett Square, Pennsylvania 19348-3021 at 9:00 a.m. (the "Annual Meeting"). This proxy statement, which together with the accompanying proxy card and/or instruction card is first being mailed to shareholders on or about March 7, 2003, is furnished to the shareholders of Genesis in connection with the solicitation of proxies by our Board of Directors for use in voting at the Annual Meeting, including any adjournment or postponement thereof.

Proxies in the form enclosed, if properly executed and received in time for voting, and not revoked, will be voted as directed in accordance with the instructions thereon. If you sign and return your proxy card but do not indicate how you want your shares voted, the persons named as proxy holders on the proxy card will vote your shares "for" the approval of the election of the nominees for directors. With respect to any other matter that properly comes before the meeting, the proxy holders will vote the proxies in their discretion in accordance with their best judgment and in the manner they believe to be in the best interest of Genesis. Sending in a signed proxy will not affect a shareholder's right to attend the Annual Meeting and vote in person since the proxy is revocable. Any shareholder giving a proxy may revoke it at any time before it is voted at the Annual Meeting by delivering a later dated proxy or by giving written notice to the Secretary of Genesis at any time before the proxy is exercised or attend the Annual Meeting in person and vote.

Notwithstanding the foregoing, if you have an interest in the Genesis Health Ventures, Inc. Retirement Plan, Genesis Health Ventures, Inc. 401(k) Plan for Collective Bargaining Unit Employees or Genesis Health Ventures, Inc. Union Retirement Savings Plan (collectively the "Plans") and your account is invested in Genesis Common Stock, you will find enclosed an instruction card to instruct Wachovia Bank, N.A. directed trustee of each of the Plans (the "Trustee"), how to vote the number of shares of Genesis Common Stock equivalent to the interest in Common Stock credited to your account as of the record date. Genesis has retained an independent service (the "Transfer Agent") to tabulate the votes received from the participants and beneficiaries in the Plans and to report the results on a confidential basis to the Trustee. The Trustee will vote your shares in accordance with your duly executed instructions received by the Transfer Agent by 11:00 p.m., Eastern Standard Time, on April 7, 2003. Genesis has directed the Trustee to vote all shares held by the Plans for which no instructions are received from participants, beneficiaries or alternate payees "for" the approval of the election of the nominees for directors. With respect to any other matter that properly comes before the Annual Meeting, the trustee will vote the shares held by the Plans as directed by Genesis. You may also revoke previously given voting instructions by 11:00 p.m., Eastern Standard Time, on April 7, 2003 by filing with the Transfer Agent either a written notice of revocation or a properly completed and signed instruction card bearing a later date.

If you are permitted to vote or provide voting instructions by telephone or electronically through the Internet, as described below, you may change your vote or voting instructions telephonically or electronically through the Internet by following the procedures used to submit your initial vote or voting instructions. The last vote or voting instructions received chronologically will supercede any prior votes or voting instructions. The deadline for registered shareholders to change their vote telephonically or electronically through the Internet is 11:00 p.m., Eastern Standard Time, on April 8, 2003. The deadline for those with an interest in the Plans to change their voting instructions telephonically or electronically through the Internet is 11:00 p.m., Eastern Standard Time, on April 7, 2003.

The cost of this solicitation will be borne by Genesis. In addition to solicitation by mail, proxies may be solicited in person or by telephone, telegraph or facsimile, by directors, officers or employees of Genesis and its subsidiaries without additional compensation. Genesis will, on request, reimburse shareholders of record who are brokers, dealers, banks or voting trustees, or their nominees, for their reasonable expenses in sending proxy materials and annual reports to the beneficial owners of the shares they hold of record.

Voting Procedures

Only shareholders of record, as shown on the transfer books of Genesis, at the close of business on February 14, 2003, (the "Record Date"), are entitled to receive notice of and to vote at the Annual Meeting, or any adjournment or postponement thereof. On Record Date, there were 41,150,164 shares of common stock, par value \$0.02 per share ("Common Stock"), outstanding, and 421,796 shares of series A convertible preferred stock, par value \$0.01 per share ("Series A Preferred Stock"), outstanding that were convertible into 2,074,747 shares of Common Stock. Each share of Common Stock is entitled to one vote on each matter which may be brought before the Annual Meeting. Holders of shares of Series A Preferred Stock are entitled to vote on all matters voted on by the holders of Common Stock. Each share of Series A Preferred Stock is entitled to the number of votes equal to the number of votes that could be cast by a holder of the number of shares of Common Stock into which such shares of Series A Preferred Stock is convertible on the Record Date. Accordingly, each share of Series A Preferred Stock is entitled to 4.92 votes per share at the Annual Meeting.

The election of directors will be determined by a plurality vote and the two nominees receiving the most "for" votes in a class will be elected. Under the Pennsylvania Business Corporation Law, an abstention, withholding of authority to vote or "broker non-vote", will have no effect on the vote and will not be counted in determining whether the proposal has received the required shareholder vote.

The presence, in person or represented by proxy, of the shareholders entitled to cast at least a majority of the votes that all shareholders are entitled to cast on a particular matter to be acted upon at a meeting of the shareholders will constitute a quorum for the purpose of consideration and action on the matter. To the extent that a quorum is present with respect to consideration of and action on a particular matter or matters but a quorum is not present as to another matter or matters, consideration of and action on the matter or matters for which a quorum is present may occur and, after such consideration and action, the meeting may be adjourned for purposes of the consideration of and action on the matter or matters for which a quorum is not present. All shares of Common Stock and Series A Preferred Stock present in person or represented by proxy (including "broker non-votes") and entitled to vote at the Annual Meeting, no matter how they are voted or whether they abstain from voting, will be counted in determining the presence of a quorum.

Alternate Methods of Voting Your Securities

If you are a registered shareholder (that is, if your stock is registered in your name) or if you have an interest in the Plans, you may vote or provide voting instructions by telephone or electronically through the Internet, by following the instructions included with your proxy card and/or instruction card. The deadline for registered shareholders to vote telephonically or electronically through the Internet is 11:00 p.m., Eastern Standard Time, on April 8, 2003. The deadline for those with an interest in the Plans to provide voting instructions telephonically or electronically through the Internet is 11:00 p.m., Eastern Standard Time, on April 7, 2003.

Genesis encourages you to take advantage of these ways to vote your shares for matters to be covered at the Annual Meeting. Reorganization

On October 2, 2001, we and The Multicare Companies, Inc.(☐Multicare☐) consummated a joint plan of reorganization under Chapter 11 of the Bankruptcy Code pursuant to a September 20, 2001 order entered by the United States Bankruptcy Court approving our joint plan of reorganization. The principal provisions of the reorganization were as follows:

• Multicare became our wholly☐owned subsidiary. We previously owned 43.6% of Multicare and managed its skilled nursing and assisted living facilities under the Genesis Eldercare ® brand name;

☐ New senior notes, new convertible preferred stock, new common stock and new warrants were issued to our and Multicare☐s creditors. Approximately 93% of new common stock, \$242.6 million in new senior notes and new preferred stock with a liquidation preference of \$42.6 million were issued to our and Multicare☐s senior secured creditors. New one year warrants to purchase an additional 11% of the new common stock were issued to our and Multicare☐s unsecured creditors; and approximately 7% of the new common stock has been or will be issued to our and Multicare☐s unsecured creditors.

• Holders of our and Multicare☐s pre☐Chapter 11 preferred and common stock received no distribution and those instruments were cancelled;

• Claims between us and Multicare were set☐off against one another and any remaining claims were waived and released; and

• A new board of directors was constituted.

Subsequent to our emergence from bankruptcy, Mr. Fish was appointed to replace Mr. Walker as interim chief executive officer. Mr. Fish was named interim chairman of the board upon Mr. Walker's resignation from that position. All other executive officers set forth under "Executive Officers of the Registrant" in our annual report on Form 10-K for the fiscal year ended September 30, 2002, were employed by us either prior to or during our Chapter 11 bankruptcy proceedings. Mr. Walker and Dr. Gerbino were members of our board of directors either prior to or during our Chapter 11 bankruptcy proceedings. See "Business Reorganization" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our annual report on Form 10-K for the fiscal year ended September 30, 2002.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information with respect to the beneficial ownership of our Common Stock as of February 1, 2003 for: each person who we know owns beneficially more than 5% of our Common Stock; each of our most highly compensated executive officers; each of our directors; and all of our executive officers and directors as a group. On February 1, 2003, there were 41,699,185 shares of our Common Stock outstanding, including 549,021 shares to be issued in connection with our joint plan of reorganization confirmed by the Bankruptcy Court on September 20, 2001.

Unless otherwise noted below, and subject to applicable community property laws, to our knowledge, each person has sole voting and investment power over the shares shown as beneficially owned, except to the extent authority is shared by spouses under applicable law and except as set forth in the footnotes to the table.

The number of shares beneficially owned by each shareholder is determined under rules promulgated by the SEC. The information does not necessarily indicate beneficial ownership for any other purpose. Beneficial ownership, as set forth in the regulations of the SEC, includes securities owned by or for the spouse, children or certain other relatives of such person as well as other securities as to which the person has or shares voting or investment power or has the right to acquire within 60 days of February 1, 2003. The same shares may be beneficially owned by more than one person. Beneficial ownership may be disclaimed as to certain of the securities. Shares of Common Stock issuable upon the exercise of securities currently exercisable or exercisable within 60 days of February 1, 2003 are deemed outstanding for computing the share ownership and percentage ownership of the person holding such securities, but are not deemed outstanding for computing the percentage of any other person.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors is responsible for the overall affairs of Genesis. In connection with our emergence from bankruptcy on October 2, 2001, we amended and restated our Articles of Incorporation and established a classified Board of Directors pursuant to which the directors of Genesis are to be divided into three classes consisting of Class I, Class II and Class III, respectively, commencing with our first annual meeting after October 2, 2002. Inasmuch as the Annual Meeting represents the first annual meeting at which directors will be elected following the establishment of the three classes, directors for each of the three classes will need to be elected at the Annual Meeting. At subsequent annual meetings, only directors for the class whose term is expiring will be elected at that annual meeting.

The number of directors in each class is determined by the Board of Directors and consists of as nearly equal a number of directors as possible. There are six nominees for directors; therefore, each class will include two directors, which may be adjusted from time to time, should the Board of Directors increase or decrease the number of directors representing a class. The term of the Class I Directors initially expires after the 2004 Annual Meeting of Shareholders; the term of the Class II Directors initially expires after the 2005 Annual Meeting of Shareholders, and the term of the Class III Directors initially expires after the 2006 Annual Meeting of Shareholders. At each annual meeting of shareholders, directors of the respective class whose term expired will be up for re-election, and the directors chosen to succeed those whose terms have expired will be elected to hold office for a three year term. The Board of Directors has nominated the nominees named below, which nominees are currently serving as directors and have indicated their willingness to continue serving as directors. The Board of Directors knows of no reason why such nominees would be unable to serve as directors. If any of the nominees should for any reason become unable to serve, then valid proxies will be voted for the election of such substitute nominee as the Board of Directors may designate. The two nominees for Class I Directors, whose terms would expire at the 2004 Annual Meeting of Shareholders, are Robert H. Fish and Joseph A. LaNasa III. The two nominees for Class II Directors, whose terms would expire at the 2005 Annual Meeting of Shareholders, are James D. Dondero and James H. Bloem. The two nominees for Class III Directors, whose terms would expire at the 2006 Annual Meeting of Shareholders, are James E. Dalton, Jr. and Dr. Philip P. Gerbino.

Each director serves until his or her successor is elected and qualified or until his or her death, retirement, resignation, or removal. Should a vacancy occur or be created, whether arising through death, resignation, retirement or removal of a director, the vacancy will be filled by a majority vote of the remaining directors. A director so elected to fill a vacancy will serve for the remainder of the present term of office of the class to which he or she was elected.

EXECUTIVE COMPENSATION AND CERTAIN TRANSACTIONS

Compensation Committee Report

The Compensation Committee of the Board of Directors for fiscal 2002 was comprised of Mac Crawford (resigned during fiscal year), Philip Gerbino and Joseph LaNasa who were not officers or employees of Genesis during the fiscal year. The Compensation Committee reviews the compensation of executive officers and makes recommendations to the Board of Directors regarding executive compensation. The Compensation Committee also administers Genesis's 2001 Stock Option Plan.

Genesis's compensation policies and practices with respect to executive officers (including the named executive officers) are designed and implemented to motivate and retain senior executives. In determining compensation levels, the Compensation Committee considers compensation packages offered by similar sized companies within the health care industry.

Total compensation is currently divided into two primary components: base salary and cash incentive bonuses based upon performance. In limited circumstances, stock options, and grants of restricted stock are awarded. Cash bonuses, the award and vesting of stock options, and/or grant of restricted stock serve as incentive for superior performance and are based upon both the performance of the executives and Genesis.

Genesis uses the 2001 Stock Option Plan as a long-term incentive plan for executive officers and key employees. The objectives of the 2001 Stock Option Plan are to align the long-term interests of executive officers and shareholders by creating a direct link between executive compensation and shareholder return, and to enable executives to develop and maintain a significant long-term equity interest in Genesis. The 2001 Stock Option Plan authorizes the Compensation Committee to award stock options to officers and key employees. Stock option grants to non-executive officers in fiscal 2002 were determined by the Compensation Committee based upon recommendations of senior management.

The 2002 Incentive Compensation Program is a cash program whereby certain manager level employees are eligible to receive awards based on their contributions to Genesis. The incentive pool is divided into two distinct parts. If employees were successful in achieving their individual targets, they would be eligible for up to half of their maximum bonus, regardless of whether Genesis achieves its consolidated EBITDA target. Only after Genesis surpasses its EBITDA target, would the employees be eligible to receive payment from the remaining half of the incentive compensation pool. Senior officers (including the named executive officers) are eligible for a maximum bonus of 35% of their salary; other officers and senior directors are eligible for a maximum bonus of 30% of their salary; other directors, senior managers and administrators are eligible for a maximum bonus of 25% of their salary; and directors of nursing and pharmacy managers are eligible for a maximum bonus of 20% of their salary. Under Genesis's incentive compensation program for fiscal year 2002, most eligible employees were awarded only cash incentive bonuses.

The amended employment agreements of Michael R. Walker as our chairman and chief executive officer, and Richard R. Howard and David C. Barr as our vice chairmen, and Marc Rubinger have been terminated. See *Transition Agreements*. Genesis has employment agreements with Messrs. Fish, Hager, Smith and Reitz with terms and conditions described below. See *Employment Agreements*.

We have employment contracts with other key executives. The terms of the contracts consider base compensation, incentive compensation, severance, and non-compete provisions. These contracts expire over periods from May 5, 2003, to October 2, 2004.

Edgar Filing: GENESIS HEALTH VENTURES INC /PA - Form DEF 14A

The annual base salary of Messrs. Walker and Fish, our chief executive officers during fiscal year ended September 30, 2002, was established based upon the result of the Compensation Committee's 2001 review of compensation packages of chief executive officers of similarly situated companies on file with the SEC.

Pursuant to an employment agreement, Michael Walker's annual salary was set at \$850,000. In addition, Mr. Walker was eligible for an annual bonus of up to 50% of his base salary and stock options of up to 100,000 shares of the Company's common stock. During fiscal year ended September 30, 2002, Mr. Walker received a cash bonus of \$485,000 pursuant to the 2002 Incentive Compensation Program. He did not receive any stock options.

With his appointment as Interim CEO on May 28, 2002, Robert Fish's annual base salary, was set at \$850,000. He also received a sign-on bonus of \$70,833. Pursuant to a new employment agreement effective February 28, 2003, Mr. Fish's base salary will remain at \$850,000, and he is eligible for an annual bonus of up to 100% of the base salary, and stock options of up to 600,000 shares of common stock, upon the achievement of certain performance based benchmarks established by the Board of Directors.

Messrs. Walker and Fish's compensation for fiscal 2002 is commensurate with Genesis's performance and their contributions thereto. As with Genesis's other executive officers, Messrs. Walker and Fish's total compensation involve certain subjective judgment and are not based solely upon specific objective criteria.

Compensation of the named executive officers for fiscal 2002 was determined in accordance with the employment agreements in effect prior to the adoption of the new employment agreements described above and/or Genesis's compensation policies. In accordance with the previous employment agreements and the newly adopted employment agreements, base salary is reviewed annually and set by the board of directors, based upon the recommendation of the Committee, for Messrs. Walker, Fish and Hager.

In the case of all other executive officers, compensation was set at levels consistent with Genesis's policies and performance.

Generally, Section 162(m) of the Internal Revenue Code of 1986, and the regulations promulgated thereunder (collectively, "Section 162(m)") denies a deduction to any publicly held company such as Genesis for certain compensation exceeding \$1,000,000 paid during each taxable year to the chief executive officer and the four other highest paid executive officers, excluding among other things, certain performance-based compensation. The Compensation Committee will continually evaluate to what extent Section 162(m) will apply to its compensation programs.

Special Recognition Program

On September 5, 2000, we obtained Bankruptcy Court approval for a special recognition program. The special recognition program was established to enhance our ability to reward and retain certain key employees during the reorganization.

Cash payments under the special recognition program were paid out over four payments on the participant's first pay day following September 30, 2000, December 31, 2000, May 31, 2001 and October 2, 2001. The aggregate cost of the cash payments under the special recognition program was \$11,200,000. Although Messrs. Walker, Howard, Barr and Hager were not participants of the special recognition program, each received a Board of Directors approved emergence bonus in the respective amounts of \$812,812, \$361,250, \$361,250, and \$252,875.

Non-Qualified Deferred Compensation Plan

Effective April 1, 2001 we adopted the Genesis Health Ventures, Inc. Deferred Compensation Plan for a select group of management and / or highly compensated employees, as such term is defined in the Internal Revenue Code which allows these individuals to defer receipt of compensation and supplement retirement savings under the Genesis Health Ventures, Inc. Retirement Plan. In October of 2001, the Non-Qualified Deferred Compensation Plan was amended and made available to all highly compensated employees as defined by the IRS (in calendar 2002, employees whose base salary meets or exceeds \$90,000).

Beginning January 1, 2002, eligible employees were permitted to defer up to 50% of their base salary and up to 100% of their incentive compensation bonus each year on a pre-tax basis. Participants are able to select from several fund choices and their Plan account will raise or decline in value in accordance with the performance of the funds they have selected.

Senior Executive Stock Ownership Program and Executive Loans

In December 1997, the Board of Directors approved a Senior Executive Stock Ownership Program. Under the terms of the program, certain of our senior executive employees were required to own shares of our Common Stock having a market value based upon a multiple of the executive's salary. Each executive was required to own the shares within three years of the date of the adoption of the program.

Subject to applicable laws, we were authorized to lend funds to one or more of the senior executive employees for his or her purchase of our Common Stock. As of September 30, 2001, we had outstanding loan and accrued interest balances of \$3,200,000 from the senior executives. The note agreements were amended in fiscal 2000 to adjust the interest rate to 8% simple interest. Previously, the loans accrued interest based on the market rate at the date of the loan initiation.

On February 23, 2001, the U.S. Bankruptcy Court ordered that the remaining loans be forgiven on the earlier of the termination of the executives' employment (for reasons other than for cause or for the voluntary resignation of the executive without "Good Reason" as defined in the employment agreement) or the first anniversary of our emergence from bankruptcy. Therefore, effective October 2, 2002, all of these loans were forgiven and the executives were held harmless for all and any of the tax consequences resulting from the forgiveness of the loans.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Pursuant to the Senior Executive Officer Stock Ownership Plan at September 30, 2001, we had loans outstanding to Richard Howard, David Barr, George Hager and Marc Rubinger in the principal amounts of \$646,889, \$820,962, \$624,244 and \$492,812, respectively. On February 23, 2001, the U.S. Bankruptcy Court ordered that the remaining loans be forgiven on the first anniversary of our emergence from bankruptcy. Therefore, effective October 2, 2002, these loans were forgiven and the executives held harmless for all and any of the tax consequences resulting from the forgiveness of the loans.

Michael R. Walker, our former chairman and chief executive officer, is chairman of the board for the real estate investment trust, ElderTrust. ElderTrust leases 18 eldercare centers to us at an annual lease cost of \$16,742,000. A majority of ElderTrust's owned real estate was formerly owned by us and sold to ElderTrust in sale lease back transactions. In the first quarter of 2002, we utilized \$23,000,000 from the Delayed Draw Term Loan to pay certain outstanding amounts owed to Eldertrust on four loans secured by mortgages. We leased office space to ElderTrust at an annual rate of \$46,000 until the lease was terminated in October 2002. When Mr. Walker served on our Board of Directors, he abstained from voting on all board of director resolutions involving any matter with an ElderTrust entity.

Joseph A. LaNasa III is an elected member of our Board of Directors. In this capacity, he will participate and have the opportunity to vote on matters that are presented to our Board of Directors. Mr. LaNasa is employed by Goldman Sachs & Co. as a managing director. Mr. LaNasa has acquired stock options that were granted under our 2001 Stock Option Plan. He has an understanding with the Goldman Sachs Group pursuant to which he holds the options for the benefit of the Goldman Sachs Group. The Goldman Sachs Group beneficially owns 15.69% of our Common Stock.

We engaged Goldman Sachs to act as joint lead financial advisor, together with UBS Warburg, in connection with the potential sale or spin-off of a significant portion of our capital stock or assets. As compensation for services provided, we agreed to pay Goldman Sachs a transaction fee based on the value of the consummated transaction or transactions. A termination fee would be payable to Goldman Sachs in the event that a sale transaction fails to close and we receive compensation as a result of the termination. This agreement excludes any transactions involving assets located in Florida, Illinois, or Wisconsin. The Goldman Sachs engagement shall continue under this agreement until February 28, 2003.

James Dondero is an elected member of our Board of Directors. Mr. Dondero has acquired stock options that were granted under our 2001 Stock Option Plan. In addition to stock held directly by Mr. Dondero, he may be deemed to beneficially own stock held by Highland Capital Management, L.P, Highland Crusader Offshore Partners, L.P., Prospect Street High Income Portfolio Inc., and PCMG Trading Partners XXIII LP. In total, Mr. Dondero beneficially owns 7.16% of our Common Stock.

Compensation Committee Interlocks and Insider Participation

Joseph A. LaNasa III is a member of our Compensation Committee. Mr. LaNasa is employed by Goldman, Sachs & Co. as a managing director. We engaged Goldman, Sachs & Co. to act as joint lead financial advisor together with UBS Warburg in connection with the potential sale or spin-off of a significant portion of our capital stock or assets. As compensation for services provided, we agreed to pay Goldman, Sachs & Co. a transaction fee based on the value of the consummated transaction or transactions.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16 (a) of the Exchange Act requires our directors and executive officers and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our Common Stock and other equity securities. Officers, directors and greater than 10% shareholders are required by the SEC regulation to furnish us with copies of all Section 16 (a) forms they file.

To our knowledge, based solely on review of the copies of such reports submitted to us with respect to the fiscal year ended September 30, 2002, all Section 16 (a) filing requirements applicable to our executive officers, directors and greater than 10% beneficial owners were complied with, except that Marilyn G. Wood filed a late report on Form 4.

INDEPENDENT PUBLIC ACCOUNTANTS

The accounting firm of KPMG LLP acted as Genesis's independent public accountants for the fiscal year ended September 30, 2002 and has been selected by the Audit Committee of the Board of Directors to serve as Genesis's independent public accountants for the fiscal year ending September 30, 2003. A representative of KPMG LLP is expected to be present at the shareholders's meeting and to have the opportunity to make a statement, if he desires to do so, and is expected to be available to respond to appropriate questions.

Relationship with Independent Public Accountants

We incurred the following fees from KPMG LLP for services provided during the fiscal year ended September 30, 2002:

Audit Fees

Aggregate fees billed for audit services amounted to \$1,142,000 for the fiscal year ended September 30, 2002. These services included the base audit of Genesis, quarterly review procedures, consents, and review of registration statements.

Audit Related Fees

Aggregate fees billed for audit related services amounted to \$281,000 for the fiscal year ended September 30, 2002. These services included the retirement plan audits and the separate audits of certain ElderCare centers as required under debt agreements.

Tax

Aggregate fees billed for tax services amounted to \$569,000 for the fiscal year ended September 30, 2002. These services primarily related to assistance and preparation of tax returns.

All Other Fees

Aggregate fees billed for all other services amounted to \$561,000. This amount primarily related to post bankruptcy assistance to Genesis. KPMG LLP did not perform any financial information system design and implementation services during the fiscal year ended September 30, 2002.

The Audit Committee has also considered whether the provision of non-audit services by the independent auditors to us is compatible with maintaining the auditor's independence.

OTHER MATTERS

As of the date hereof, Genesis knows of no other business that will be presented for consideration at the Annual Meeting. However, the enclosed proxy card confers discretionary authority to vote with respect to any and all of the following matters that may come before the meeting: (i) matters that Genesis's Board of Directors did not have notice of at least 45 days before the date on which Genesis first mailed its proxy materials for the 2003 Annual meeting of shareholders; (ii) approval of the minutes of a prior meeting of shareholders, if such approval does not amount to ratification of the action taken at the meeting; (iii) the election of any person to any office for which a bona fide nominee is named in this proxy and such nominee is unable to serve or for good cause will not serve; (iv) any proposal omitted from this proxy statement and the form of proxy pursuant to Rule 14a-8 or Rule 14a-9 under the Securities Exchange Act of 1934 (the "Exchange Act"); and (v) matters incidental to the conduct of the meeting. If any such matters come before the meeting, the proxy agents named in the accompanying proxy card will vote in accordance with their best judgment.

SHAREHOLDER PROPOSALS FOR 2004 ANNUAL MEETING OF SHAREHOLDERS

Pursuant to recent amendments to the proxy rules under the Exchange Act, Genesis's shareholders are notified that the deadline for providing Genesis timely notice of any shareholder proposal to be submitted outside of the Rule 14a-8 process for consideration at Genesis's 2004 Annual Meeting of Shareholders (the "2004 Meeting") will be November 7, 2003. As to all such matters which Genesis does not have notice on or prior to November 7, 2003, discretionary authority shall be granted to such person(s) designated in Genesis's proxy related to the 2004 Meeting to vote on such proposals. In addition, the Rule 14a-8 requirements applicable to inclusion of shareholder proposals in Genesis's proxy materials related to the 2004 Meeting require that a shareholder proposal regarding the 2004 Meeting must be submitted to Genesis at its office located at 101 East State Street, Kennett Square, Pennsylvania, 19348-3021 by November 7, 2003 to receive consideration for inclusion in Genesis's proxy materials for the 2004 Meeting. Any such proposal must comply with the proxy rules under the Exchange Act, including Rule 14a-8.

EACH PERSON SOLICITED HEREUNDER CAN OBTAIN A COPY OF GENESIS'S ANNUAL REPORT ON FORM 10-K FOR THE YEAR ENDED SEPTEMBER 30, 2002 AS FILED WITH THE SECURITIES AND EXCHANGE COMMISSION, WITHOUT CHARGE EXCEPT FOR EXHIBITS TO THE REPORT, BY SENDING A WRITTEN REQUEST TO:

GENESIS HEALTH VENTURES, INC.

Audit Committee Charter

Composition

There shall be a committee of the board of directors (the "Board") to be known as the audit committee which, no later than October 14, 2001, shall have at least three (3) members, comprised solely of independent directors, as such term is defined in Rule 4200(a)(14) of the National Association of Securities Dealers' ("NASD") listing standards, subject to the exception in Rule 4350(d)(2)(B) of the NASD listing standards.

Each member of the audit committee shall be able to read and understand fundamental financial statements, including the company's balance sheet, income statement and cash flow statement or will become able to do so within a reasonable period of time after his or her appointment to the audit committee. In addition, at least one member of the audit committee shall have past employment experience in financing or accounting, requisite professional certification in accounting or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

The Board shall elect or appoint a chair of the audit committee who will have authority to act on behalf of the audit committee between meetings.

Responsibilities

The responsibilities of the audit committee are as follows:

- Ensure its receipt from the outside auditor of a formal written statement, delineating all relationships between the outside auditor and the company consistent with the Independence Standards Board No. 1.
- Actively engage in a dialogue with the outside auditor with respect to any disclosed relationship or services that may impact the objectivity and independence of the outside auditor and be responsible for taking, or recommending that the board of directors take, appropriate action to oversee the independence of the outside auditor.
- In view of the outside auditor's ultimate accountability to the Board and the audit committee, as representatives of the shareholders, the audit committee, acting together with the Board, has the ultimate authority and responsibility to select, evaluate, and, where appropriate, replace the outside auditor (or nominate an outside auditor for shareholder approval in any proxy statement).
- Review with the outside auditor, the company's internal auditor (if any), and financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the company, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable.

A-1

- Consider, in consultation the outside auditor and management of the company, the audit scope and procedures.
- Review the financial statements contained in the annual report to shareholders with management and the outside auditor to determine that the outside auditor is satisfied with the disclosure and content of the financial statements to be presented to the shareholders.
- Meet with internal auditor (if any), outside auditor or the management privately to discuss any matters that the audit committee, the internal auditor (if any), the outside auditor or the management believe should be discussed privately with the audit committee.
- Review and reassess the adequacy of the audit committee's charter annually.
- Make such other recommendations to the Board on such matters, within the scope of its functions, as may come to its attention and which in its discretion warrant consideration by the Board.

Limitations

The audit committee is responsible for the duties set forth in this charter but is not responsible for either the preparation of the financial statements or the auditing of the financial statements. Management has the responsibility for preparing the financial statements and implementing internal controls and the independent accountants have the responsibility for auditing the financial statements and monitoring the effectiveness of the internal controls. The review of the financial statements by the audit committee is not of the same quality as the audit performed by the independent accountants. In carrying out its responsibilities, the audit committee believes its policies and procedures should remain flexible in order to best react to a changing environment.
