Item 7.01 Regulation FD Disclosure

On September 14, 2005, Century Aluminum Company (the "Company") issued a press release that discussed the impact of recent storms, including Hurricane Katrina, on its Louisiana-and Jamaica based alumina and bauxite operations. The press release also disclosed a fuel-surcharge recently imposed under the electrical power contract at the Mt. Holly facility. A copy of the Company's press release is attached hereto as Exhibit 99.1.

The information in this Form 8-K and Exhibit 99.1 attached hereto may contain "forward-looking statements" within the meaning of U.S. federal securities laws. The Company has based its forward-looking statements on current expectations and projections about the future, however, these statements are subject to risks, uncertainties and assumptions, any of which could cause the Company's actual results to differ materially from those expressed in its forward-looking statements. More information about these risks, uncertainties and assumptions can be found in the risk factors and forward-looking statements cautionary language contained in the Company's Annual Report on Form 10-K and in other filings made with the Securities and Exchange Commission. The Company does not undertake, and specifically disclaims, any obligation to revise any forward-looking statements to reflect the occurrence of anticipated or unanticipated events or circumstances after the date such forward-looking statements are made.
