  - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

**Item 1.01 Entry into a Material Definitive Agreement.**

On September 1, 2009, Calumet Shreveport Fuels, LLC ( *Calumet* ), a wholly-owned subsidiary of Calumet Specialty Products Partners, L.P. (the *Partnership* ), entered into a Crude Oil Supply Agreement (the *Agreement* ) with Legacy Resources Co., L.P. ( *Legacy* ). Under the Agreement, Legacy will supply the Partnership's Shreveport refinery with a portion of its crude oil requirements on a just in time basis utilizing a market-based pricing mechanism. The Partnership anticipates it will purchase a portion of the crude oil requirements for its Shreveport refinery under the Agreement and not the Master Crude Oil Purchase and Sale Agreement previously entered into by Calumet and Legacy on January 26, 2009, which shall remain in effect. The Agreement is effective as of September 1, 2009 and will continue to be in effect until terminated by either party by written notice, such notice not to be given until on or after April 30, 2010. Such written termination notice on or after April 30, 2010 will begin a wind up period which generally lasts 90 days, upon which termination is effective. The terms of the Agreement provide for Legacy to have exclusive rights to store crude oil in various storage tanks owned and under the control of Calumet that are located at or in close proximity to the Shreveport refinery. Title and risk of loss of the crude oil will pass from Legacy to Calumet as crude oil is transferred out of such crude oil storage tanks at the Shreveport refinery. Calumet will provide Legacy with a nonbinding indication of need for crude oil on a monthly basis to provide Legacy with guidance for purposes of seeking out and procuring the crude oil from other crude oil suppliers for resale to Calumet. The crude oil must meet certain specifications as outlined in the Agreement. Based on historical usage, the estimated volume of crude oil to be sold by Legacy and purchased by Calumet pursuant to the Agreement will be approximately 15,000 to 20,000 barrels per day.

Because Legacy is owned in part by The Heritage Group, an affiliate of our general partner, and our chief executive officer and president, F. William Grube, the terms of the Agreement were reviewed by the Partnership's conflicts committee, which consists entirely of independent directors. The conflicts committee approved the Agreement after determining that the terms of the Agreement are fair and reasonable to the Partnership.

The foregoing description is qualified in its entirety by reference to the Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated into this Current Report on Form 8-K by reference
