instructions have been recorded properly. No recommendation will be made as to how a Shareholder should vote on any proposal other than to refer to the recommendations of the Board. The Trusts have been advised by counsel that these procedures are consistent with the requirements of applicable law. Shareholders voting by telephone in this manner will be asked for their social security number or other identifying information and will be given an opportunity to authorize proxies to vote their shares in accordance with their instructions. To ensure that the Shareholders' instructions have been recorded correctly, they will receive a confirmation of their instructions in the mail. A special toll-free number set forth in the confirmation will be available in case the information contained in the confirmation is incorrect. Although a Shareholder's vote may be taken by telephone, each Shareholder will receive a copy of this Joint Proxy Statement and may vote by mail using the enclosed Proxy Card or by touchtone telephone or the Internet as set forth above. The last

Proxy vote received in time to be voted, whether by Proxy Card, touchtone telephone or Internet, will be the vote that is counted and will revoke all previous votes by the Shareholder. In the event that Computershare is retained as Proxy solicitor, Computershare will be paid a project management fee as well as telephone solicitation expenses incurred for reminder calls, outbound telephone voting, confirmation of telephone votes, inbound telephone contacts, obtaining Shareholders' telephone numbers, and providing additional materials upon Shareholder request, at an estimated cost of \$2,000, which would be borne by each respective Trust.

This Joint Proxy Statement is being used in order to reduce the preparation, printing, handling and postage expenses that would result from the use of a separate proxy statement for each Trust and, because Shareholders may own Shares of more than one Trust, to potentially avoid burdening Shareholders with more than one proxy statement. Shares of a Trust are entitled to one vote each at the respective Trust's Meeting. To the extent information relating to common ownership is available to the Trusts, a Shareholder that owns record shares in two or more of the Trusts will receive a package containing a Joint Proxy Statement and Proxy Cards for the Trusts in which such Shareholder is a record owner. If the information relating to common ownership is not available to the Trusts, a Shareholder that beneficially owns shares in two or more Trusts may receive two or more packages each containing a Joint Proxy Statement and a Proxy Card for each Trust in which such Shareholder is a beneficial owner. If the proposed election of Trustees are approved by Shareholders of one Trust and disapproved by Shareholders of other Trusts, the proposals will be implemented for the Trust that approved the proposals and will not be implemented for any Trust that did not approve the proposals. Thus, it is essential that Shareholders complete, date, sign and return each enclosed Proxy Card or vote by telephone or Internet as indicated in each Trust's Proxy Card.

Only one copy of this Joint Proxy Statement will be delivered to multiple Shareholders sharing an address unless we have received contrary instructions from one or more of the Shareholders. Upon written or oral request, we will deliver a separate copy of this Joint Proxy Statement to a Shareholder at a shared address to which a single copy of this Joint Proxy Statement was delivered. Should any Shareholder wish to receive a separate proxy statement or should Shareholders sharing an address wish to receive a single proxy statement in the future, please contact (888) 421-4015 (toll-free).

ELECTION OF TRUSTEES FOR EACH TRUST

The number of Trustees of each Trust has been fixed by the Trustees, pursuant to each Trust's Declaration of Trust, at ten. There are presently ten Trustees for each Trust. At the Meetings, pursuant to each Trust's Declaration of Trust, three nominees (two nominees with respect to IMC, IIM and IIC) are standing for election to each Trust's Board of Trustees to serve until the year 2012 Annual Meetings by the holders of the Common Shares and the Preferred Shares of each respective Trust voting together as a single class. Additionally, pursuant to each Trust's Declaration of Trust and the Investment Company Act of 1940, as amended (the "1940 Act"), one Trustee is to be elected to the Board of Trustees of IMC, IMT, IIM, IIC, IQI and IQT by the holders of the Preferred Shares of each respective Trust voting separately as a single class, all as set forth below.

IMT, IQI and IQT Until the year 2012 Annual Meeting	IMC, IIM and IIC Until the year 2012 Annual Meeting	OIC Until the year 2012 Annual Meeting
By all Shareholders: Kathleen A. Dennis Joseph J. Kearns Fergus Reid	By all Shareholders: Michael F. Klein W. Allen Reed	By all Shareholders: Michael F. Klein Michael E. Nugent W. Allen Reed
By Preferred Shareholders only: Manuel H. Johnson	By Preferred Shareholders only: Michael E. Nugent	

Nine of the current ten Trustees (Frank L. Bowman, Michael Bozic, Kathleen A. Dennis, Manuel H. Johnson, Joseph J. Kearns, Michael F. Klein, Michael E. Nugent, W. Allen Reed and Fergus Reid) are Independent Trustees, that is, Trustees who are not interested persons of the Trusts, as that term is defined in the 1940 Act. The other current Trustee, James F. Higgins, is an interested trustee, that is, a Trustee who is an interested person (as that term is defined in the 1940 Act) of the Trusts and Morgan Stanley Investment Advisors and thus, is not an Independent Trustee. The nominees for election as Trustee have been proposed by the Trustees now serving, or, in the case of the nominees for positions as Independent Trustees, by the Independent Trustees now serving. All of the members of the Boards have previously been elected by the shareholders of the Trusts.

The nominees of the Boards of Trustees for election as Trustee of each Trust are listed below. It is the intention of the persons named in the enclosed form of Proxy, unless instructed by Proxy to withhold authority to vote for the nominees, to vote all validly executed proxies for the election of the following nominees: for IMT, IQI and IQT Kathleen A. Dennis, Joseph J. Kearns, Fergus Reid and Manuel H. Johnson (Manuel H. Johnson with respect to Preferred Shareholder proxies only), and for IMC, IIM, IIC and OIC Michael F. Klein, W. Allen Reed and Michael E. Nugent (Michael E. Nugent with respect to Preferred Shareholder proxies only). Should any of the nominees become unable or unwilling to accept nomination or election, the persons named in the Proxy will exercise their voting power in favor of such person or persons as the Boards may recommend or, in the case of an Independent Trustee nominee, as the Independent Trustees of each Trust may recommend. All of the nominees have consented to being named in this Joint Proxy Statement and to serve if elected. The Trusts know of no reason why any of the said nominees would be unable or unwilling to accept nomination or election. With respect to each Trust, the election of the nominees listed above to be elected by all Shareholders requires the approval of a majority of the shares of the Trust represented and entitled to vote at the Meeting (Common Shares and Preferred Shares voting together as a single class). The election of the nominee listed above to be elected by only the Preferred Shareholders of each Trust requires the approval of a majority of the Preferred Shares of the Trust represented and entitled to vote at the Meetings (voting separately as a single class).

Pursuant to the provisions of the Declaration of Trust of each Trust, in certain cases as amended, the Trustees are divided into three separate classes, each class having a term of three years. The term of office of one of each of the three classes will expire each year.

The Board of each Trust has previously determined that any nominee for election as Trustee for each Trust will stand for election as Trustee and serve as Trustee in one of the three classes of Trustees as follows: Class I Messrs. Bowman, Bozic and Higgins; Class II Ms. Dennis and Messrs. Johnson, Kearns and Reid; and Class III Messrs. Klein, Nugent and Reed. Each nominee will, if elected, serve a term of up to approximately three years running for the period assigned to that class and terminating at the date of the Annual Meeting of Shareholders so designated by the Boards, or any adjournments thereof. In addition, pursuant to each Trust's Declaration of Trust and the 1940 Act, the Board of each Trust (except OIC) previously determined that one of each of the Class II Trustees and Class III Trustees will be designated to be elected by the Preferred Shareholders voting separately. In this regard, with respect to all Trusts except for OIC, Manuel H. Johnson and Michael E. Nugent serve as Trustees of each Trust's Board of Trustees on behalf of the Preferred Shareholders, the terms of each to expire with his designated Class. As a consequence of this method of election, the replacement of a majority of each of the Boards could be delayed for up to two years. In accordance with the above, four Trustees in Class II for IMT, IQI and IQT and three Trustees in Class III for IMC, IIM, IIC and OIC are standing for election at the Meetings and will, if elected, serve until the 2012 Annual Meetings for each Trust as set forth above or, in each case, until their successors shall have been elected and qualified.

The current Trustees of the Trust also serve as trustees for certain of the funds advised by the Investment Adviser (the Retail Funds) and certain of the funds advised by Morgan Stanley Investment Management Inc. and Morgan Stanley AIP GP LP (the Institutional Funds). The table below sets forth the following information regarding the nominees for election as Trustee, and each of the other Trustees (both the Independent Trustees and the Interested Trustee), as well as the executive officers of the Trusts: their age, address, term of office and length of time served, their principal business occupations during the past five years, the number of portfolios in the Fund Complex (defined below) overseen by each Trustee or nominee Trustee (as of December 31, 2008) and other directorships, if any, held by the Trustees. The Fund Complex includes all open-end and closed-end funds (including all of their portfolios) advised by the Investment Adviser and any funds that have an investment adviser that is an affiliated person of the Investment Adviser (including, but not limited to, Morgan Stanley Investment Management Inc.).

Such deferred compensation is placed in a deferral account and deemed to be invested in one or more of the Retail Funds or Institutional Funds (or portfolio thereof) that are offered as investment options under the plan.

(2) \$50,001-\$100,000 (IMT); over \$100,000 (IQT).

As to each Independent Trustee and his or her immediate family members, no person owned beneficially or of record securities in an investment adviser or principal underwriter of the Trusts, or a person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with an investment adviser or principal underwriter of the Trusts as of the record date.

Independent Trustees and the Committees

Law and regulation establish both general guidelines and specific duties for the Independent Trustees. The Retail Funds seek as Independent Trustees individuals of distinction and experience in business and finance, government service or academia; these are people whose advice and counsel are in demand by others and for whom there is often competition. To accept a position on the Retail Funds Boards, such individuals may reject other attractive assignments because the Retail Funds make substantial demands on their time. The Board has four committees: (1) Audit Committee, (2) Governance Committee, (3) Compliance and Insurance Committee and (4) Investment Committee. Three of the Independent Trustees serve as members of the Audit Committee, three Independent Trustees serve as members of the Governance Committee, four Trustees, including three Independent Trustees, serve as members of the Compliance and Insurance Committee and all of the Trustees serve as members of the Investment Committee.

The Independent Trustees are charged with recommending to the full Board approval of management, advisory and administration contracts, and distribution and underwriting agreements; continually reviewing

fund performance; checking on the pricing of portfolio securities, brokerage commissions, transfer agent costs and performance and trading among funds in the same complex; and approving fidelity bond and related insurance coverage and allocations, as well as other matters that arise from time to time.

The Board of Trustees of each Trust has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act). Each Audit Committee is charged with recommending to the full Board the engagement or discharge of the Trusts' independent registered public accounting firm; directing investigations into matters within the scope of the independent registered public accounting firms' duties, including the power to retain outside specialists; reviewing with the independent registered public accounting firm the audit plan and results of the auditing engagement; approving professional services provided by the independent registered public accounting firm and other accounting firms prior to the performance of such services; reviewing the independence of the independent registered public accounting firm; considering the range of audit and non-audit fees; reviewing the adequacy of each Trust's system of internal controls and reviewing the valuation process.

The members of the Audit Committee of each Trust are Joseph J. Kearns, Michael E. Nugent and W. Allen Reed. None of the members of the Trusts' Audit Committees is an interested person, as defined under the 1940 Act, of any of the Trusts (with such disinterested Trustees being Independent Trustees or individually, Independent Trustee). Each Independent Trustee is also independent from each Trust under the listing standards of the New York Stock Exchange, Inc. (NYSE). The Chairperson of the Audit Committees of each of the Trusts is Joseph J. Kearns. The Board of Trustees for each Trust has adopted a formal written charter for the Audit Committee which sets forth the Audit Committee's responsibilities. A copy of the Audit Committee Charter is attached to this Joint Proxy Statement as Exhibit A.

The Board of Trustees of each Trust also has a Governance Committee. The Governance Committee identifies individuals qualified to serve as Independent Trustees on each Trust's Board and on committees of such Board and recommends such qualified individuals for nomination by the Trusts' Independent Trustees as candidates for election as Independent Trustees, advises each Trust's Board with respect to Board composition, procedures and committees, develops and recommends to each Trust's Board a set of corporate governance principles applicable to the Trusts, monitors and makes recommendations on corporate governance matters and policies and procedures of the Trusts' Board of Trustees and any Board committees and oversees periodic evaluations of the Trusts' Board and its committees. The members of the Governance Committee of each Trust are Kathleen A. Dennis, Michael F. Klein and Fergus Reid, each of whom is an Independent Trustee. The Chairperson of the Governance Committee is Fergus Reid. The Board of Trustees for each Trust has adopted a formal written charter for the Governance Committee which sets forth the Governance Committee's responsibilities. A copy of the Governance Committee Charter is attached to the 2007 Joint Proxy Statement filed for the Trusts with the Securities and Exchange Commission (the SEC) on September 11, 2007.

The Trusts do not have a separate nominating committee. While each Trust's Governance Committee recommends qualified candidates for nominations as Independent Trustees, the Board of Trustees of each Trust believes that the task of nominating prospective Independent Trustees is important enough to require the participation of all current Independent Trustees, rather than a separate committee consisting of only certain Independent Trustees. Accordingly, each current Independent Trustee (Frank L. Bowman, Michael Bozic, Kathleen A. Dennis, Manuel H. Johnson, Joseph J. Kearns, Michael F. Klein, Michael E. Nugent, W. Allen Reed and Fergus Reid) for all Trusts participates in the election and nomination of candidates for election as Independent Trustees for the respective Trusts for which the Independent Trustee serves. Persons recommended by each Trust's Governance Committee as candidates for nomination as Independent Trustees shall

possess such knowledge, experience, skills, expertise and diversity so as to enhance the Board's ability to manage and direct the affairs and business of the Trusts, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or any listing requirements of the NYSE. While the Independent Trustees of each of the Trusts expect to be able to continue to identify from their own resources an ample number of qualified candidates for each Trust's Board as they deem appropriate, they will consider nominations from Shareholders to the Board. Nominations from Shareholders should be in writing and sent to the Independent Trustees as described below under the caption "Shareholder Communications."

The Board formed the Compliance and Insurance Committee to address insurance coverage and oversee the compliance function for each Trust and its Board. The Compliance and Insurance Committee consists of Frank L. Bowman, Michael Bozic, James F. Higgins and Manuel H. Johnson. Frank L. Bowman, Michael Bozic and Manuel H. Johnson are Independent Trustees. The Chairperson of the Compliance and Insurance Committee is Michael Bozic. The Compliance and Insurance Committee has an Insurance Sub-Committee to review and monitor the insurance coverage maintained by each Trust. The Chairperson of the Insurance Sub-Committee is Frank L. Bowman.

The Investment Committee oversees the portfolio investment process for and reviews the performance of each Trust. The Investment Committee also recommends to the Board to approve or renew each Trust's Investment Advisory and Administration Agreements. The members of the Investment Committee are Frank L. Bowman, Michael Bozic, Kathleen A. Dennis, James F. Higgins, Manuel H. Johnson, Joseph J. Kearns, Michael F. Klein, Michael E. Nugent, W. Allen Reed and Fergus Reid. The Chairperson of the Investment Committee is Manuel H. Johnson.

The Investment Committee has three Sub-Committees, each with its own Chairperson. Each Sub-Committee focuses on the Trusts' primary areas of investment, namely equities, fixed income and money market/alternatives. The Sub-Committees and their members are as follows:

- (1) Equity – W. Allen Reed (Chairperson), Frank L. Bowman and Michael E. Nugent.
- (2) Fixed Income – Michael F. Klein (Chairperson), Michael Bozic and Fergus Reid.

During each Trust's fiscal year ended October 31, 2008 (March 31, 2009 for OIC), each

Trustee attended at least seventy-five percent of the aggregate number of meetings of the Board and any committee on which he or she served held during the time such Trustee was a member of the Board.

For annual or special shareholder meetings, Trustees may but are not required to attend the meetings; and for each Trust's last annual shareholder meeting, no Trustees attended the meeting.

Shareholder Communications

Shareholders may send communications to each Trust's Board of Trustees. Shareholders should send communications intended for each Trust's Board by addressing the communications directly to that Board (or individual Board members) and/or otherwise clearly indicating in the salutation that the communication is for the Board (or individual Board members) and by sending the communication to either the Trust's office or directly to such Board member(s) at the address specified for each Trustee previously noted. Other shareholder communications received by a Trust not directly addressed and sent to the Trust's Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.

Each of the nominees for Trustee has consented to be named in this Joint Proxy Statement and to serve as a Trustee of the Trusts if elected. The Board of Trustees of each Trust has no reason to believe that any of the nominees named above will become unavailable for election as a Trustee, but if that should occur before the Meeting for that Trust, the persons named as proxies on the Proxy Card will vote for such persons as the Board of Trustees of the Trust may recommend.

Share Ownership by Trustees

The Trustees have adopted a policy pursuant to which each Trustee and/or his or her spouse is required to invest at least \$100,000 in any of the funds in the Morgan Stanley Retail and Institutional Funds on whose boards the Trustee serves. In addition, the policy contemplates that the Trustees will, over time, increase their aggregate investment in the funds above the \$100,000 minimum requirement. The Trustees may allocate their investments among specific funds in any manner they determine is appropriate based on their individual investment objectives. Any future Trustee will be given a one year period following his or her election within

which to comply with the foregoing. As of the date of this Joint Proxy Statement, each Trustee is in compliance with the policy.

As of the Record Date for these Meetings, the aggregate number of shares of each Trust owned by the respective Trust's officers and Trustees as a group was less than one percent of each Trust's outstanding shares.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that each Trust's executive officers and Trustees, and beneficial owners of more than 10% of its shares, make certain filings on a timely basis under Section 16(a) of the Exchange Act. Based solely on each Trust's review of copies of such reports of ownership furnished to the Trusts, the Trusts believe that during the past fiscal year all of its officers, Trustees and greater than 10% beneficial holders complied with all applicable filing requirements.

Compensation of Trustees

Each Trustee (except for the Chairperson of the Boards) receives an annual retainer fee of \$200,000 for serving the Retail Funds and the Institutional Funds. The Chairperson of the Audit Committee receives an additional annual retainer fee of \$75,000 and the Investment Committee Chairperson receives an additional annual retainer fee of \$60,000. Other Committee Chairpersons receive an additional annual retainer fee of \$30,000 and the Investment Sub-Committee Chairpersons receive an additional annual retainer fee of \$15,000. The aggregate compensation paid to each Trustee is paid by the Retail Funds and the Institutional Funds, and is allocated on a *pro rata* basis among each of the operational funds/portfolios of the Retail Funds and the Institutional Funds based on the relative net assets of each of the funds/portfolios. Michael E. Nugent receives a total annual retainer fee of \$400,000 for his services as Chairperson of the Boards of the Retail Funds and the Institutional Funds and for administrative services provided to each Board.

The Trusts also reimburse the Trustees for travel and other out-of-pocket expenses incurred by them in connection with attending such meetings. Trustees of the Trusts who are employed by the Investment Adviser receive no compensation or expense reimbursement from the Trusts for their services as Trustee.

Effective April 1, 2004, the Trusts began a Deferred Compensation Plan (the "DC Plan"), which allows each Trustee to defer payment of all, or a portion, of the fees he or she receives for serving on the Board of Trustees throughout the year. Each eligible Trustee generally may elect to have the deferred amounts credited with a return equal to the total return on one or more of the Retail Funds or Institutional Funds (or portfolios thereof) that are offered as investment options under the DC Plan. At the Trustee's election, distributions are either in one lump sum payment, or in the form of equal annual installments over a period of five years. The rights of an eligible Trustee and the beneficiaries to the amounts held under the DC Plan are unsecured and such amounts are subject to the claims of the creditors of the Trusts.

Prior to April 1, 2004, the Institutional Funds maintained a similar Deferred Compensation Plan (the "Prior DC Plan"), which also allowed each Independent Trustee to defer payment of all, or a portion, of the fees he or she received for serving on the Board of Trustees throughout the year. The DC Plan amends and supersedes the Prior DC Plan and all amounts payable under the Prior DC Plan are now subject to the terms of the DC Plan (except for amounts paid during the calendar year 2004, which remain subject to the terms of the Prior DC Plan).

The following table shows aggregate compensation payable to each of the Trustees from each Trust for the fiscal year ended October 31, 2008 (IMC, IMT, IIM, IIC, IQI and IQT) or March 31, 2009 (OIC) and the aggregate compensation payable to each of the Trust's Trustees by the Fund Complex (which includes all of the Retail Funds and Institutional Funds) for the calendar year ended December 31, 2008.

As of December 31, 2008, the value (including interest) of the deferral accounts across the Funds Complex for Messrs. Bowman, Kearns, Reed and Reid pursuant to the deferred compensation plan was \$397,110, \$761,543, \$332,876 and \$474,242, respectively. Because the funds in the Fund Complex have different fiscal year ends, the amounts shown in this column are presented on a calendar year basis.

Prior to December 31, 2003, 49 of the Retail Funds (the Adopting Funds), including the Trusts, had adopted a retirement program under which an Independent Trustee who retired after serving for at least five years as an Independent Trustee of any such fund (an Eligible Trustee) would have been entitled to retirement payments, based on

factors such as length of service, upon reaching the eligible retirement age. On December 31, 2003 the amount of accrued retirement benefits for each Eligible Trustee was frozen, and will be payable, together with a return of 8% per annum, at or following each such Eligible Trustee's retirement as shown in the table below.

The following tables illustrate the retirement benefits accrued to the Trusts' Independent Trustees by IMC, IMT, IIM, IIC, IQI, IQT and OIC for the fiscal years ended October 31, 2008 and March 31, 2009, respectively, and by the Adopting Funds for the calendar year ended December 31, 2008, and the estimated retirement benefits for the Independent Trustees from IMC, IMT, IIM, IIC, IQI and IQT as of the fiscal year ended

Each Trust's Audit Committee's policy is to review and pre-approve all auditing and non-auditing services to be provided to the Trust by the Trust's independent registered public accounting firm. The Audit Committee Audit and Non-Audit Pre-Approval Policy and Procedures requires each Trust's Audit Committee to either generally pre-approve certain services without consideration of specific case-by-case services, or requires the specific pre-approval of services by the Audit Committee or its delegate. Authority to Engage Independent Counsel and Advisers

The Audit Committee is authorized to: (a) engage independent counsel, which may also be counsel to the Funds independent Directors/Trustees, and other advisers, as it determines to be necessary to carry out its duties; and (b) require the Funds to provide appropriate funding, as determined by the Audit Committee, for payment of compensation to the Auditor, the independent counsel and other advisers.

Scope of Audit Committee Responsibility

In fulfilling their responsibilities under this Audit Committee Charter, it is recognized that members of the Audit Committee are not full-time employees of the Fund. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or

procedures. Each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations inside and outside the Fund from which the Audit Committee receives information and (ii) the accuracy of the financial, valuation and other information provided to the Audit Committee by such persons or organizations, absent actual knowledge to the contrary (which actual knowledge shall be promptly reported to the Board).

Fund management is responsible for maintaining appropriate systems for accounting. The Auditor is responsible for conducting a proper audit of each Fund's financial statements and is ultimately accountable to the Audit Committee.

Meetings of the Audit Committee

The Audit Committee shall meet independently at each regularly scheduled Board meeting and at such other times as deemed appropriate by the Audit Committee but no less frequently than quarterly, including to approve the scope of the proposed audit of a Fund's financial statements by the Auditors and to review the report of the Auditors following such audit. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in such meeting can hear each other.

Interim Actions by the Audit Committee

From time to time, the Audit Committee may delegate to the Chairperson or other designated Audit Committee member the responsibility to act, on an interim basis between meetings of the Audit Committee or Board, on audit and valuation related matters, including specifically, approval of annual financial statements, provided that the Audit Committee or Board is not required by this Charter or law to take such actions or is not prevented by this Charter or law from delegating such actions. Interim actions may be taken by written consent of the Audit Committee. All other interim actions by the Chairperson or his/her designee will be submitted for ratification at the next meeting of the Audit Committee.

Minutes of Meetings: Reporting the Board

The Audit Committee shall cause to be made and kept minutes of its meetings. The Audit Committee shall report to the Board its activities, findings and recommendations.

Review of Charter

The Audit Committee shall review this Audit Committee Charter at least annually, and shall recommend any changes to the Board. This Audit Committee Charter may be amended only by the Board, with the approval of a majority of the independent Directors/Trustees.

**AUDIT COMMITTEE
AUDIT AND NON-AUDIT SERVICES
PRE-APPROVAL POLICY AND PROCEDURES
OF THE
MORGAN STANLEY RETAIL AND INSTITUTIONAL FUNDS**

AS ADOPTED AND AMENDED JULY 23, 2004²

Statement of Principles

The Audit Committee of the Board is required to review and, in its sole discretion, pre-approve all Covered Services to be provided by the Independent Auditors to the Fund and Covered Entities in order to assure that services performed by the Independent Auditors do not impair the auditor's independence from the Fund.

The SEC has issued rules specifying the types of services that an independent auditor may not provide to its audit client, as well as the audit committee's administration of the engagement of the independent auditor. The SEC's rules establish two different approaches to pre-approving services, which the SEC considers to be equally valid. Proposed services either: may be pre-approved without consideration of specific case-by-case services by the Audit Committee (general pre-approval); or require the specific pre-approval of the Audit Committee or its delegate (specific pre-approval). The Audit Committee believes that the combination of these two approaches in this Policy will result in an effective and efficient procedure to pre-approve services performed by the Independent Auditors. As set forth in this Policy, unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee (or by any member of the Audit Committee to which pre-approval authority has been delegated) if it is to be provided by the Independent Auditors. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval by the Audit Committee.

The appendices to this Policy describe the Audit, Audit-related, Tax and All Other services that have the general pre-approval of the Audit Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Audit Committee considers and provides a different period and states otherwise. The Audit Committee will annually review and pre-approve the services that may be provided by the Independent Auditors without obtaining specific pre-approval from the Audit Committee. The Audit Committee will add to or subtract from the list of general pre-approved services from time to time, based on subsequent determinations.

The purpose of this Policy is to set forth the policy and procedures by which the Audit Committee intends to fulfill its responsibilities. It does not delegate the Audit Committee's responsibilities to pre-approve services performed by the Independent Auditors to management.

The Fund's Independent Auditors have reviewed this Policy and believes that implementation of the Policy will not adversely affect the Independent Auditors' independence.

² This Audit Committee Audit and Non-Audit Services Pre-Approval Policy and Procedures (the Policy), adopted as of the date above, supersedes and replaces all prior versions that may have been adopted from time to time.

Delegation

As provided in the Act and the SEC's rules, the Audit Committee may delegate either type of pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Audit Services

The annual Audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee. Audit services include the annual financial statement audit and other procedures required to be performed by the Independent Auditors to be able to form an opinion on the Fund's financial statements. These other procedures include information systems and procedural reviews and testing performed in order to understand and place reliance on the systems of internal control, and consultations relating to the audit. The Audit Committee will approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Fund structure or other items.

In addition to the annual Audit services engagement approved by the Audit Committee, the Audit Committee may grant general pre-approval to other Audit services, which are those services that only the Independent Auditors reasonably can provide. Other Audit services may include statutory audits and services associated with SEC registration statements (on Forms N-1A, N-2, N-3, N-4, etc.), periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings.

The Audit Committee has pre-approved the Audit services in Appendix B.1. All other Audit services not listed in Appendix B.1 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

Audit-related Services

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Fund's financial statements and, to the extent they are Covered Services, the Covered Entities or that are traditionally performed by the Independent Auditors. Because the Audit Committee believes that the provision of Audit-related services does not impair the independence of the auditor and is consistent with the SEC's rules on auditor independence, the Audit Committee may grant general pre-approval to Audit-related services. Audit-related services include, among others, accounting consultations related to accounting, financial reporting or disclosure matters not classified as Audit services; assistance with understanding and implementing new accounting and financial reporting guidance from rulemaking authorities; agreed-upon or expanded audit procedures related to accounting and/or billing records required to respond to or comply with financial, accounting or regulatory reporting matters; and assistance with internal control reporting requirements under Forms N-SAR and/or N-CSR.

The Audit Committee has pre-approved the Audit-related services in Appendix B.2. All other Audit-related services not listed in Appendix B.2 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

Tax Services

The Audit Committee believes that the Independent Auditors can provide Tax services to the Fund and, to the extent they are Covered Services, the Covered Entities, such as tax compliance, tax planning and tax advice without impairing the auditor's independence, and the SEC has stated that the Independent Auditors may provide such services.

Pursuant to the preceding paragraph, the Audit Committee has pre-approved the Tax Services in Appendix B.3. All Tax services in Appendix B.3 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

All Other Services

The Audit Committee believes, based on the SEC's rules prohibiting the Independent Auditors from providing specific non-audit services, that other types of non-audit services are permitted. Accordingly, the Audit Committee believes it may grant general pre-approval to those permissible non-audit services classified as All Other services that it believes are routine and recurring services, would not impair the independence of the auditor and are consistent with the SEC's rules on auditor independence.

The Audit Committee has pre-approved the All Other services in Appendix B.4. Permissible All Other services not listed in Appendix B.4 must be specifically pre-approved by the Audit Committee (or by any member of the Audit Committee to which pre-approval has been delegated).

Pre-Approval Fee Levels or Budgeted Amounts

Pre-approval fee levels or budgeted amounts for all services to be provided by the Independent Auditors will be established annually by the Audit Committee. Any proposed services exceeding these levels or amounts will require specific pre-approval by the Audit Committee. The Audit Committee is mindful of the overall relationship of fees for audit and non-audit services in determining whether to pre-approve any such services.

Procedures

All requests or applications for services to be provided by the Independent Auditors that do not require specific approval by the Audit Committee will be submitted to the Fund's Chief Financial Officer and must include a detailed description of the services to be rendered. The Fund's Chief Financial Officer will determine whether such services are included within the list of services that have received the general pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the Independent Auditors. Requests or applications to provide services that require specific approval by the Audit Committee will be submitted to the Audit Committee by both the Independent Auditors and the Fund's Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.

The Audit Committee has designated the Fund's Chief Financial Officer to monitor the performance of all services provided by the Independent Auditors and to determine whether such services are in compliance with this Policy. The Fund's Chief Financial Officer will report to the Audit Committee on a periodic basis on the results of its monitoring. Both the Fund's Chief Financial Officer and management will immediately report to

the chairman of the Audit Committee any breach of this Policy that comes to the attention of the Fund's Chief Financial Officer or any member of management.

Additional Requirements

The Audit Committee has determined to take additional measures on an annual basis to meet its responsibility to oversee the work of the Independent Auditors and to assure the auditor's independence from the Fund, such as reviewing a formal written statement from the Independent Auditors delineating all relationships between the Independent Auditors and the Fund, consistent with the PCAOB's Ethics and Independence Rule 3526, and discussing with the Independent Auditors its methods and procedures for ensuring independence.

Covered Entities

Covered Entities include the Fund's investment adviser(s) and any entity controlling, controlled by or under common control with the Fund's investment adviser(s) that provides ongoing services to the Fund(s). Beginning with non-audit service contracts entered into on or after May 6, 2003, the Fund's audit committee must pre-approve non-audit services provided not only to the Fund but also to the Covered Entities if the engagements relate directly to the operations and financial reporting of the Fund. This list of Covered Entities would include:
