Renewed Asset Management Agreement

The Company and AMC entered into the Asset Management Agreement on December 30, 2008. The term of the Asset Management Agreement will be extended until December 31, 2010 pursuant to the terms of renewal of the agreement, and the annual cap for year 2010 will remain at RMB 800 million.

AMC is a connected person of the Company under Rule 14A.11(5) of the Listing Rules. In accordance with Rule 14A.34 of the Listing Rules, the Continuing Connected Transaction under the Asset Management Agreement is only subject to reporting, announcement and annual review requirements under the Listing Rules and is exempt from independent shareholders' approval requirements under the Listing Rules.

RENEWED ASSET MANAGEMENT AGREEMENT

The Company and AMC entered into the Asset Management Agreement on December 30, 2008 for a term ending on December 31, 2009. Pursuant to the terms of renewal of the agreement, its term will be automatically extended until December 31, 2010.

Under the Asset Management Agreement, AMC will invest and manage assets entrusted to it by the Company, on a discretionary basis, within the scope granted by the Company and in accordance with the requirements of the applicable laws and regulations and the investment guidelines of the Company. The Company retains the title of the entrusted assets and AMC is authorized to operate the accounts associated with the entrusted assets for and on behalf of the Company. The Company also agreed to pay AMC in cash a fixed service fee and a variable service fee. The fixed service fee is payable monthly and is calculated with reference to the net asset value of the assets in each specified category managed by AMC and the applicable management fee rates pre-determined by the parties on an arm's length basis. The variable service fee is payable annually and is calculated with reference to the fixed service fee per annum and the results of the annual appraisal of AMC conducted by the Company.

CAP AMOUNT*Historical figures*

The service fees for asset management paid by the Company to AMC for the years ended December 31, 2007 and 2008 and the six-month period ended June 30, 2009 were as follows:

Period	Amount of Service Fees Paid by the Company (RMB in million)
Year ended December 31, 2007	390
Year ended December 31, 2008	362
Six months ended June 30, 2009	228

Cap Amount

The Company's 2009 annual cap is RMB800 million and the annual cap for the year ending December 31, 2010 will remain at RMB800 million.

The above annual caps were determined by reference to the historical figures, the size and composition of the assets managed and to be managed by AMC, and the inherent volatility of the capital market.

REASONS AND BENEFITS FOR THE CONTINUING CONNECTED TRANSACTIONS

Taking into account the past performance of the Asset Management Agreement whereby the terms of the agreement generally satisfy the asset management needs of the Company and the historical relationship between the parties, the parties consider it appropriate to continue the Continuing Connected Transaction by automatic renewal of the Asset Management Agreement.

The Directors, including the independent non-executive Directors, are of the opinion that the Continuing Connected Transaction has been conducted on normal commercial terms, was entered into in the ordinary and usual course of business of the Company, is fair and reasonable and in the interests of the Company and the Shareholders as a whole, and that the annual cap of the Continuing Connected Transaction is fair and reasonable.

LISTING RULES IMPLICATIONS

CLIC is a connected person of the Company by virtue of its being a controlling shareholder of the Company. AMC, a 60% owned subsidiary of the Company, is owned as to 40% by CLIC and is thus a connected person of the Company under Rule 14A.11(5) of the Listing Rules. Given that the annual consideration payable for the Continuing Connected Transaction under the Asset Management Agreement represents less than 2.5% of the applicable percentage ratios, as defined in the Listing Rules, the Continuing Connected Transaction falls within Rule 14A.34 of the Listing Rules and is only subject to reporting, announcement and annual review requirements under the Listing Rules and is exempt from independent Shareholders' approval requirements under the Listing Rules.
