DIRECTORS

Our board of directors (the Board) is currently comprised of the following five individuals. Set forth below are descriptions of the backgrounds and principal occupations of each director and the period during which he has served on the Board.

Lewis W. Dickey, Jr., age 49, is our Chairman, President and Chief Executive Officer. Mr. L. Dickey has served as Chairman, President and Chief Executive Officer since December 2000. Mr. Dickey was one of our founders and initial investors, and served as Executive Vice Chairman from March 1998 to December 2000. Mr. L. Dickey is a nationally regarded consultant on radio strategy and the author of *The Franchise Building Radio Brands*, published by the National Association of Broadcasters, one of the industry's leading texts on competition and strategy. Mr. L. Dickey also serves as a member of the National Association of Broadcasters Radio board of directors. Mr. L. Dickey is the brother of John W. Dickey, our Executive Vice President and Co-Chief Operating Officer.

Mr. L. Dickey has over 27 years of experience in the radio broadcasting industry in a variety of strategic, operational and financing areas. As a founder of Cumulus, Mr. L. Dickey was instrumental in our development and growth. His service as our Chairman and Chief Executive Officer over the past ten years has resulted in his having a unique level of knowledge of the opportunities and challenges associated with our business. Among other things, he brings to our Board his extensive background in station acquisition, integration and management. Mr. L. Dickey's familiarity with us, our industry and various market participants makes him uniquely qualified to lead and advise the Board as Chairman.

Ralph B. Everett, age 59, has served as one of our directors since July 1998. Since January 2007, Mr. Everett has served as the President and Chief Executive Officer of the Joint Center for Political and Economic Studies, a national, nonprofit research and public policy institution located in Washington, D.C. Prior to 2007, and for more than eighteen years, Mr. Everett had been a partner with the Washington, D.C. office of the law firm of Paul, Hastings, Janofsky & Walker LLP, where he headed the firm's Federal Legislative Practice Group. He had previously worked in the U.S. Senate for more than a decade, including serving as a staff director and chief counsel of the Committee on Commerce, Science and Transportation. In 1998, Mr. Everett was appointed by President Clinton as United States Ambassador to the 1998 International Telecommunication Union Plenipotentiary Conference and in the same year, he led the U.S. delegation to the Second World Telecommunication Development Conference in Malta, joining participants from more than 190 nations. He is also a member of the Board of Visitors of Duke University Law School and serves on the boards of Connection Nation and Independent Sector.

Mr. Everett possesses an extensive legal background, particularly in FCC/radio broadcasting matters, as evidenced by his various legal and advisory positions held during his career. In addition, Mr. Everett's management experience as a chief executive officer of a public policy institution focused on political and economic matters provides a valuable perspective to our Board, and enables Mr. Everett to provide value in the oversight of the Company through his service on the Audit Committee and the Compensation Committee.

Eric P. Robison, age 51, has served as one of our directors since August 1999. Mr. Robison is currently the President and Chief Executive Officer of Lynda.com, an Internet-based software and education training company, which he joined in January 2008. CNET Networks. Mr. Robison has particular skill and experience in business development and investments and acquisitions, and particularly in connection with internet initiatives and related ventures, all of which is useful given our business strategy, and provides value in the oversight of the Company through his service on the Audit Committee and as Chairman of the Compensation Committee.

Robert H. Sheridan, III, age 48, has served as one of our directors since July 1998. Mr. Sheridan is currently a partner at Ridgemont Equity Partners, a private equity firm that provides buyout and growth capital to closely-held private companies and new business platforms. Prior to joining Ridgemont Equity Partners in August 2010, Mr. Sheridan served as Managing Director, and Co-Head of the Americas, for BAML Capital Partners (BAMLCP), the private equity and mezzanine group within Bank of America Corporation, since January 1998, and was a Senior Vice President and Managing Director of BA Capital Company, L.P. (BA Capital), which was formerly known as NationsBanc Capital Corp. Affiliates of Ridgemont Equity Partners are the successor general partners to certain affiliates of BAMLCP, which previously served as general partners of two of our principal stockholders, Banc of America Capital Investors SBIC, L.P. and BA Capital (together, the BofA Entities). Mr. Sheridan has an economic interest in the entities comprising the general partners of the BofA Entities. He was a Director of NationsBank Capital Investors, the predecessor of BAMLCP, from January 1996 to January 1998.

Mr. Sheridan's expertise in a variety of financial matters, in private equity and in capital markets and acquisition transactions, makes him a valuable member of our Board, and enhances the value of his service as Chairman of the Audit Committee, and a member of the Compensation Committee. Mr. Sheridan's significant experience as a senior-level private equity professional provides a solid platform for him to advise and consult with our Board on financial, strategic and acquisition-related matters.

Pursuant to our certificate of incorporation and a voting agreement entered into in 1998 by Cumulus, BA Capital (through its predecessor entity) and the holders of our Class C Common Stock, the holders of our Class C Common Stock (all of which is currently owned by Mr. L. Dickey) have the right, voting as a single class, to elect one director to our board of directors, referred to as the Class C Director, and such stockholders are obligated to elect a person designated by BA Capital to serve as such director. The rights and obligations under the voting agreement shall continue until such time that BA Capital, together with its affiliates, no longer own at least 50% of the number of shares of our common stock as BA Capital held on June 30, 1998. At such time, the term of the Class C Director, and the right of the holders of our Class C Common Stock to elect the Class C Director, shall terminate. Mr. Sheridan has served as BA Capital's designee for such position since July 1998.

David M. Tolley, age 43, has served as one of our directors since January 31, 2011. Mr. Tolley is currently a Senior Managing Director of Blackstone Group L.P. (Blackstone). Mr. Tolley has been employed by Blackstone since 2000. Prior to joining Blackstone, he held a series of positions at Morgan Stanley & Co. He has served as a director of Cumulus Media Partners, LLC (CMP) since 2006, and is the former Chairman of the board of directors of NewSkies Satellites.

Mr. Tolley has over fifteen years of experience in private equity investments and investment banking, with extensive experience in mergers, acquisitions and financings. He has particular experience in the telecommunications and media sectors. His competence in critical financial analysis and strategic planning, and vast experience in both transactions in, and overseeing operations of, numerous companies in the telecommunications and media industries, bring essential skills and a unique perspective to the Board.

Pursuant to a voting agreement entered into by Cumulus, Blackstone and Mr. L. Dickey, Jr., his brother, John W. Dickey, our Executive Vice President and Co-Chief Operating Officer, and their father, Lewis W. Dickey, Sr., together with other members of their family (collectively, the Dickeys) in connection with entering into a share exchange agreement to complete the pending acquisition of the remaining equity interests of CMP (the CMP Acquisition) that the Company does not currently own, for each of our next three successive annual stockholders meetings, beginning in 2011, our Board is obligated to nominate a Blackstone designee for election, until such time as affiliates of Blackstone as a group cease to beneficially own at least one-half of the aggregate amount of the Company's common stock that they receive upon consummation of the CMP Acquisition. Mr. Tolley has served as Blackstone's designee for such position since January 31, 2011.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Securities Exchange Act of 1934, our directors and executive officers, and any persons who beneficially own more than 10% of our common stock, are required to file initial reports of ownership and reports of changes in ownership with the SEC. Based upon our review of copies of such reports for our 2010 fiscal year and written representations from our directors and executive officers, we believe that our directors and executive officers, and beneficial owners of more than 10% of our common stock, have complied with all applicable filing requirements for our 2010 fiscal year.

CODE OF ETHICS

We have adopted a Code of Business Conduct and Ethics, referred to as our Code of Ethics, that applies to all of our employees, executive officers and directors and meets the requirements of the rules of the SEC and the current listing standards of the NASDAQ Global Select Market (the "NASDAQ Rules"). The Code of Ethics is available on our website, www.cumulus.com, or can be obtained without charge by written request to Richard S. Denning, Corporate Secretary, at our principal executive offices. If we make any substantive amendments to this Code of Ethics, or if our Board grants any waiver, including any implicit waiver, from a provision thereof to our executive officers or directors, we will disclose the nature of such amendment or waiver, the name of the person to whom the waiver was granted and the date of the waiver in a current report on Form 8-K.

AUDIT COMMITTEE

The Board has formed an Audit Committee comprised of three members, each of whom meets the definition of independent under the NASDAQ Rules. The current members of the Audit Committee are Robert H. Sheridan, III (Chairman), Ralph B. Everett, and Eric P. Robison, none of whom is an employee of ours. Our Board has determined that each Audit Committee member is independent, as such term is defined under the rules of the SEC and the NASDAQ Rules applicable to audit committee members, and meets the financial literacy requirements of the NASDAQ Rules. None of the aforementioned members has participated in the preparation of the financial statements of Cumulus or its subsidiaries at any time during the past three years. Our Board has determined that Mr. Sheridan (1) is an audit committee financial expert, as such term is defined under the rules of the SEC, and (2) meets the NASDAQ Rules professional experience requirements.

Item 11. Executive Compensation

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Board has formed a Compensation Committee, which is responsible for developing, overseeing and implementing our compensation program for executive officers. The Compensation Committee consists entirely of non-employee, independent members of the Board and operates under a written charter approved by the Board. The Compensation Committee has historically consulted, and expects to continue to consult, with the Chief Executive Officer in the exercise of its duties. The Compensation Committee, nevertheless, retains absolute discretion over all compensation decisions with respect to the named executive officers. The Compensation Committee did not retain a compensation consultant in connection with making compensation decisions for 2010.

This compensation discussion and analysis provides an overview of our compensation objectives and policies, the elements of compensation that we provide to our top executive officers, and the material factors that we considered in making the decisions to pay such compensation. Following this analysis, we have provided a series of tables containing specific information about the compensation earned in or paid for 2010 to the following individuals, whom we refer to as our named executive officers:

Lewis W. Dickey, Jr., our Chairman, President and Chief Executive Officer;

Joseph P. Hannan, our Senior Vice President, Treasurer and Chief Financial Officer;

Table of Contents

Jonathan G. (John) Pinch, our Executive Vice President and Co-Chief Operating Officer; and

John W. Dickey, our Executive Vice President and Co-Chief Operating Officer.

The discussion below is intended to help you understand the information provided in those tables and put that information in context within our overall compensation program.

Executive Compensation Program Objectives

Our compensation program has three primary and related objectives:

to provide a total compensation package that allows us to compete effectively in attracting, rewarding and retaining executive leadership talent;

to reward executives for meaningful performance that contributes to enhanced long-term stockholder value and our general long-term financial health; and

to align the interests of our executives with those of our stockholders.

In accordance with these goals, we provide a material portion of each named executive officer's compensation in the form of at-risk incentive awards that measure individual performance and our success as a company in achieving our business strategy and objectives. With respect to our performance, we focus primarily on the performance and results of our stations, as measured by Station Operating Income, which is a financial measure that isolates the amount of income generated solely by our stations, and Adjusted EBITDA, another financial measure that isolates the amount of income generated by our stations after the incurrence of corporate general and administrative expenses. These measures assist our management in evaluating the earnings potential of our station portfolio and the cash flow generated by our business.

Compensation Program Elements and Their Purpose

The compensation program for our named executive officers consists primarily of the following integrated components: base salary, annual incentive awards and long-term incentive opportunities. The program also contains elements relating to retirement, severance and other employee benefits.

Base salary. Base salary is the fixed portion of a named executive officer's annual compensation and is intended to recognize fundamental market value for the skills and experience of the individual relative to the responsibilities of his position with us. Changes to base salary are generally intended to reflect, among other things, the officer's performance as indicated through functional progress, career and skill development and mastery of position competency requirements. Base salary is the fundamental element of the total compensation package to which most other elements relate.

Annual incentive. Unlike base salary, which is fixed, annual incentive compensation is intended to vary as a direct reflection of Company and individual performance over a twelve-month period. The incentive opportunity is typically expressed as a percentage of base salary and is typically paid in the form of a cash bonus, although the Compensation Committee has discretion to grant bonuses, in whole or in part, in the form of equity awards. In addition to amounts that may be awarded pursuant to annual incentive performance awards, the Compensation Committee has the authority to make discretionary bonus awards, including awards based on Company or individual performance.

Long-term incentives. Long-term incentive awards, which have historically been made in the form of grants of options exercisable shares of for our common stock or awards of restricted shares of our common stock, are granted with the intent to reward performance over a multi-year period with clear links to performance criteria, continued service and long-term stockholder value. For Mr. L. Dickey, the incentive opportunity through May 2013 has been set pursuant to the terms of his current employment agreement, which took effect on December 20, 2006, and was designed to maintain a desired balance between short- and long-term compensation over the term of the agreement,

Table of Contents

as discussed further below. The incentive opportunity for our other named executive officers, which is determined on an annual basis by the Compensation Committee, is designed to maintain a similar balance. The realized compensation from these incentives will vary as a reflection of stock price or other financial performance over time. For 2010, we used awards of restricted stock to deliver long-term incentive opportunity to our named executive officers.

Employee retirement/health and welfare benefit plans. These benefits are intended to provide competitive levels of medical, retirement and income protection, such as life and disability insurance coverage, for the executives and their families. Our named executive officers generally participate in the same programs pertaining to medical coverage (active employee and retiree), life insurance, disability and retirement offered to all of our eligible employees. In addition, our named executive officers participate in an executive life insurance program. We believe that our benefits and retirement programs are comparable to those offered by other companies in our peer group and, as a result, are needed to ensure that compensation for our named executive officers remains competitive.

Severance and other termination payments. Other than Mr. Hannan, each named executive officer currently employed by us is party to an employment agreement under which he may receive severance benefits upon his termination of employment in various circumstances, including following a change of control. The severance-related agreements available to those named executive officers are described in more detail under Potential Payments upon Termination or Change of Control. We believe that our severance arrangements, including the amount of the severance benefit, are comparable to those offered by the companies in our peer group and, as a result, are needed to ensure that compensation for our named executive officers remains competitive.

Executive perquisites. We have typically provided a car allowance to each of our named executive officers. We do not provide other perquisites such as financial planning or country club memberships.

Compensation levels among named executive officers. There are no policy differences with respect to the compensation of individual named executive officers even though the level of compensation may differ based on scope of responsibilities and performance. The compensation disparity between our Chief Executive Officer and the other named executive officers is primarily due to the Chief Executive Officer having significantly greater responsibilities for management and oversight of a large enterprise and the corresponding market factors reflecting this difference. From an operations oversight perspective, we have divided responsibility for our radio markets in half, and Mr. J. Dickey and Mr. Pinch, who each serve as Executive Vice President and Co-Chief Operating Officer, are each responsible for one-half of our operating markets. Mr. J. Dickey also has responsibility for overseeing our programming, market promotion and engineering across all markets. Consequently, Mr. J. Dickey's base salary and incentive awards reflect the multiple categories of responsibilities that he holds. Mr. Hannan was named Senior Vice President, Treasurer and Chief Financial Officer in March 2010, after having served as Interim Chief Financial Officer since July 2009. Mr. Hannan's base salary was increased in connection with the March 2010 appointment.

Determining the Amount of Each Element

Base salary. We are party to employment agreements with each of our current named executive officers, other than Mr. Hannan. Each of these agreements provides for a contractual level of base salary. Mr. L. Dickey's employment agreement provides for annual increases of \$40,000, subject to further merit increases as the Compensation Committee deems appropriate, while the agreements with Messrs. Pinch and J. Dickey provide for discretionary annual increases. The Compensation Committee seeks to set base salaries at levels that it considers fair, after considering a variety of factors, including the scope and complexity of the officer's position; the officer's expertise; the officer's experience relative to his position and responsibilities; the officer's contributions and importance to us; the officer's historical compensation; the salary ranges for persons in comparable positions at comparable companies (to the extent available); the competitiveness of the market for the officer's services; and the recommendations of our Chief Executive Officer (except in the case of his own performance).

Determinations as to appropriate base salaries of our named executive officers (other than Mr. L. Dickey's, whose salary is generally set pursuant to his employment agreement) historically have not been made by applying a particular formula or the use of designated benchmarks. In March 2010, the Compensation Committee determined to award Messrs. J. Dickey, Pinch and Hannan base salaries of \$597,400, \$525,300 and \$250,000, respectively, which represented 3% increases to each of Messrs. J. Dickey and Pinch, and a 43% increase for Mr. Hannan in

Table of Contents

recognition of his appointment as Chief Financial Officer and commensurate increased responsibilities. While the Compensation Committee approved the \$40,000 increase to base salary mandated by his employment agreement, Mr. L. Dickey, recognizing the uncertain economic conditions, voluntarily elected not to accept the increase in base salary as recommended by the Compensation Committee until these conditions improved or stabilized. As a result, while he was contractually entitled to a base salary of \$1,020,000 for 2010, Mr. L. Dickey's base salary did not increase from \$940,000 in 2010.

Annual incentive. Like base salary, the parameters of the annual bonus also are set forth in the employment agreements with each of the named executive officers who have such agreements. However, the Compensation Committee maintains a level of discretion and flexibility, including the ability to make annual bonus awards to executives even in circumstances where pre-established performance targets have not been established or are not satisfied, and to make bonus awards in stock in lieu of cash. The decision to increase or decrease annual bonuses from year to year is generally based on a variety of factors the Compensation Committee deems appropriate, including our overall performance, the executive's individual performance, the business environment over the course of the prior year, and any extraordinary accomplishments by the Company or the individual during the prior year, as further described below. The Compensation Committee believes this flexibility, coupled with a history of appropriately rewarding performance, provide an effective incentive for the continued superior performance of our executives.

With regard to the annual bonus paid to Mr. L. Dickey in 2011, awarded for performance in 2010, in March 2010 the Compensation Committee reviewed management's 2010 operating budget, including budgeted Adjusted EBITDA (defined as operating income before local marketing agreement fees, depreciation and amortization, non-cash stock compensation, impairment charge and terminated transaction expense) of \$84.117 million and approved the following targets for his annual incentive bonus for 2010:

If Adjusted EBITDA was 90% of the budgeted Adjusted EBITDA, then Mr. L. Dickey would have been eligible for a bonus of 50% of his 2010 base salary, or \$470,000;

If Adjusted EBITDA was 100% of the budgeted Adjusted EBITDA, then Mr. L. Dickey would have been eligible for a bonus of 75% of his 2010 base salary, or \$705,000; and

If Adjusted EBITDA was 105% of the budgeted Adjusted EBITDA, then Mr. L. Dickey would have been eligible for a bonus of 100% of his 2010 base salary, or \$940,000.

To the extent that Adjusted EBITDA was between the targeted amounts, the bonus would be adjusted on a sliding scale between 50% and 100% of base salary to include an amount proportionate to the amount achieved in excess of the 90% and 110% target amounts.

For fiscal year 2010, Adjusted EBITDA was \$87.5 million, or 104% of the budgeted Adjusted EBITDA amount. In February 2011, the Compensation Committee reviewed the short-term annual bonus targets and recognized that despite the adverse business cycle, Mr. L. Dickey had nevertheless made significant contributions to the Company in 2010, including providing strategic leadership for our operations in an extremely challenging business environment, implementing significant cost-cutting initiatives to meet the realities of our business operations while preserving our quality and efficiency of operations and maintaining cash flow, and providing strategic negotiations for the Company's purchase of all of the outstanding maximum equity interests of our affiliate Cumulus Media Partners, LLC (CMP) that are not currently owned by us. The Compensation Committee determined that, while we had not achieved the maximum Adjusted EBITDA threshold for Mr. L. Dickey to be entitled to the maximum annual cash bonus payment, based upon the significant contributions that Mr. L. Dickey had made to the Company in 2010 by exceeding the budgeted Adjusted EBITDA amount as well as the other operational and strategic leadership Mr. L. Dickey provided, he was deserving of the maximum bonus amount in recognition of those contributions. The bonus awarded to Mr. L. Dickey for 2010 represents 100% of the maximum bonus amount that he would have been eligible to receive under his employment agreement for that year.

With regard to annual bonuses paid to Messrs. J. Dickey, Pinch and Hannan in 2011, awarded for performance in 2010, the Compensation Committee had determined in March 2010 not to set any specific award levels or

Table of Contents

objectives but instead to evaluate bonuses on a discretionary basis after completing an evaluation of both Company and individual performance during 2010 as part of the compensation review process in early 2011. In evaluating potential annual bonuses for the named executive officers, the Compensation Committee considered the following factors:

Management's ability to defend our Adjusted EBITDA, given the difficult economic environment in 2010. Adjusted EBITDA increased 20.5%, to \$87.5 million, from \$72.6 million in 2009 and the Compensation Committee recognized that on a percentage basis, we outperformed many of our peers.

Management's ability to optimize our capital structure and maintain compliance with the restrictive financial covenants in the credit agreement governing our senior secured credit facilities. During 2010, management successfully achieved levels of Adjusted EBITDA and cash flow that enabled the Company to meet the required principal repayment amounts during 2010 and to accelerate our reduction in outstanding debt under our credit facility.

Management's ability to engage in strategic corporate development activities during the year. In 2010, management continued to make significant progress on efforts to create standardization across our station platform where possible by developing and implementing best-in-class practices and to evaluate effectiveness using real-time reporting enabled by our proprietary technologies; as well as to use our national scale and unique communities of listeners to create new digital media properties and e-commerce opportunities.

After consideration of these factors, the Compensation Committee approved discretionary annual cash bonus awards for Messrs. L. Dickey, J. Dickey, Pinch and Hannan in the aggregate amounts of \$939,960, \$290,000, \$240,000 and \$100,000, respectively, all of which paid one-half in cash and one-half in shares of Class A Common Stock, which were issued in accordance with the terms of our 2008 Equity Incentive Plan, were freely traded and contained no restrictions thereon.

Long-term incentives. In connection with determining the long-term equity incentive compensation for each of our named executive officers for 2010, the Compensation Committee considered a number of factors, including:

Annual performance. The Compensation Committee considered our operating performance for 2010 compared to our business plan, and recognized the efforts and success in achieving various plan objectives, even in light of ongoing challenges to business conditions.

Performance relative to our peers in the industry. Our 2010 results were higher than our results for 2009. In addition, the Compensation Committee examined our results as compared to similarly situated competitors in our industry, including Saga Communications, Inc., Radio One, Inc. Entercom Communications Corp. and Emmis Communications Corporation, noting that on a relative basis, our operating performance was stronger than several of our competitors.

Cumulus Media Partners. The Compensation Committee gave considerable weight to the additional responsibilities placed on our named executive officers in managing our affiliate, CMP, a private partnership created by Cumulus and affiliates of Bain Capital Partners LLC, The Blackstone Group and Thomas H. Lee Partners, L.P., and operating the large-market radio stations owned by CMP. The Compensation Committee recognizes, and in making compensation decisions took into account, the fact that our named executive officers now manage an enterprise that is nearly double the size as a result of the CMP partnership, based on station operating income.

As with determinations of base salary and annual short-term incentives, determinations as to appropriate long-term incentives of our named executive officers (other than Mr. L. Dickey's, whose incentives are generally set pursuant to his employment agreement) historically have not depended upon the application of a particular formula or the use of designated benchmarks.

For Mr. L. Dickey, in March 2010 the Compensation Committee awarded 320,000 shares of restricted stock, of which 160,000 are time vested (vesting at a rate of 80,000 shares on the second anniversary of the date of grant, and

Table of Contents

40,000 shares on each of the third and fourth anniversary of the date of grant) and 160,000 have performance-based vesting objectives, all in accordance with the terms of Mr. Dickey's employment agreement. With respect to the performance-based awards, the Compensation Committee considered the various measures discussed above, including our performance relative to budget and to our industry peers, and determined that the performance objective for Mr. L. Dickey's 2010 equity awards would be met, and the shares would vest in full, on March 31, 2013 if the average annual Adjusted EBITDA over the three year period ending December 31, 2012 meets a specified threshold, subject to proportionate adjustment for any acquisitions or divestitures during the performance measurement period. For Messrs. Dickey, Pinch and Hannan in March 2010 the Compensation Committee considered the various measures discussed above, including our performance relative to budget and to our industry peers, and determined to award Messrs. Dickey, Pinch and Hannan 70,000, 40,000 and 10,000 restricted shares, respectively. These restricted shares vest at a rate of 50% on the second anniversary of the date of grant and 25% on the third and fourth anniversaries.

In early 2011, the Compensation Committee also reviewed the three year performance criteria established in February 2008 for the 160,000 performance-based shares of restricted stock awarded to Mr. L. Dickey on February 8, 2008. The vesting conditions for those restricted shares required that the Company achieve an average annual Adjusted EBITDA of \$108 million (subject to adjustment for acquisitions and dispositions) for the three year period ending December 31, 2010. That threshold was not achieved for that cycle. Nevertheless, the Compensation Committee determined that in light of the unprecedented adverse developments in the economy in general, during a significant amount of that performance period, and the radio industry in particular, it would be appropriate to modify the performance requirements and extend the vesting period so that Mr. L. Dickey would retain the ability to achieve vesting on those shares of restricted stock if the revised performance criteria were achieved. Accordingly, and effective as of February 2011, the terms of Mr. L. Dickey's 2008 performance-based restricted stock award of 160,000 shares were amended to provide that those shares would vest in full on February 24, 2014 if the Company achieves a specified average annual Adjusted EBITDA for the three year period ending December 31, 2013.

Compensation of the Chief Executive Officer. As noted above, Mr. L. Dickey is compensated pursuant to the terms of his Employment Agreement, which was entered into on December 20, 2006. See Employment Agreements. The Compensation Committee does retain the ability to subjectively exercise discretion in making compensation decisions and awards, and has exercised that discretion in various circumstances, as described hereinabove.

Allocating Between Long-term and Annual Compensation

We seek to maintain an executive compensation program that is balanced in terms of each element of pay relative to competitive practices, with the incentive emphasis placed on long-term results. The overall program is intended to balance business objectives for executive pay for performance, retention, competitive market practices and stockholder interests. Based on the fair value of equity awards granted to named executive officers in 2010 and the 2010 base salary of the named executive officers, approximately 16% of the annual total direct compensation target opportunity was subject to performance risk for named executive officers through the annual and long-term incentive plans. Annual cash-incentive awards, which constitute short-term incentives, accounted for approximately 15% of annual target compensation for the named executive officers. Long-term incentive awards made up approximately 26% of the annual target compensation mix for the named executive officers. The Compensation Committee allocates total compensation between short- and long-term incentives for 2010 based upon its own analysis of general compensation practices at similar companies and based on its view of how best to maintain key personnel.

When Long-term Grants are Made

The Compensation Committee typically grants long-term incentive awards annually at a regularly-scheduled meeting of our Board, usually in the first quarter of the fiscal year. The meeting date is scheduled well in advance and without regard to potential stock price movement.

Table of Contents

The Role of Executive Officers in Determining Executive Compensation

Our Chief Executive Officer develops recommendations regarding executive compensation, including proposals relative to compensation for individual executive officers, using internal and external resources. These resources may include such things as compensation surveys, external data and reports from consultants and data, reports and recommendations from internal staff. Recommendations from our Chief Executive Officer include and consider all aspects of the compensation program philosophy, design, compliance and competitive strategy as well as specific actions regarding individual executive officer compensation. The Compensation Committee reviews and discusses these recommendations, and decides whether to accept, reject, or revise the proposals.

Our Chief Executive Officer and our Chief Financial Officer assist the Compensation Committee in understanding key business drivers included in program designs, especially incentive programs. This may include defining related measures and explaining the mutual influence on or by other business drivers and the accounting and tax treatment relating to certain awards. Our Chief Executive Officer also provides periodic updates to the Compensation Committee regarding current and anticipated performance outcomes and their impact on executive compensation.

Our General Counsel, with the assistance of our outside counsel, ensures that appropriate plan documentation and approvals are received in order to keep executive pay programs in compliance with applicable laws and stock exchange listing requirements. Our General Counsel and outside counsel also advise the Compensation Committee and our Board regarding compliance with appropriate governance standards and requirements.

Discretion to Modify Awards

As previously noted, annual incentive awards are based on our performance and that of each individual named executive officer over the most recently completed fiscal year. The Compensation Committee reserves the right to adjust individual goals during the course of the year in order to reflect changes in our business.

Under our equity incentive plans, the Compensation Committee has certain discretion to adjust or modify the terms of an award that might otherwise be forfeited. The Compensation Committee generally does not have the authority to unilaterally rescind an award. Each award defines the terms under which it would be forfeited according to the terms of the applicable equity incentive plan.

Impact of Restated Earnings on Previously Paid or Awarded Compensation

We have not had to restate earnings in a manner that would impact incentive award payments. If future restatements are necessary, the Compensation Committee and the Board will consider the facts and circumstances relating to the cause of the restatement, as well as the requirements under Section 304 of the Sarbanes-Oxley Act of 2002, in determining whether any payments based upon the financial results were made unjustly and the materiality and methods for recovering such payments.

Accounting and Tax Treatment of Direct Compensation

For executives, all compensation is subject to federal, state and local taxes as ordinary income or capital gains as various tax jurisdictions provide. Section 162(m) of the U.S. tax code places a limit of \$1,000,000 on the amount of compensation that we may deduct in any one year with respect to any one of our named executive officers. However, qualifying performance-based compensation will not be subject to the deduction limit if certain requirements are met. To maintain flexibility in compensating our named executive officers, however, the Compensation Committee reserves the right to use its judgment to authorize compensation payments that may be subject to the limit when the Compensation Committee believes that such payments are appropriate. Accordingly, certain components of the compensation program for our named executive officers are designed to be qualifying performance-based compensation under Section 162(m) while others are not.

Table of Contents

With the adoption of the Financial Accounting Standards Board's ASC Topic 718, *Stock Compensation*, we do not expect accounting treatment of differing forms of equity awards to vary significantly and, therefore, accounting treatment is not expected to have a material effect on the selection of forms of compensation.

Summary of Compensation and Benefit Plan Risk

The Compensation Committee believes that the Company's compensation and benefit policies and practices are not likely to have a material adverse effect on the Company and that the plans currently in place or contemplated are appropriately balanced between retention and incentive to enable the Company to retain its management team and provides the Chief Executive Officer and the other executive officers with incentives focused on meeting the objectives, developed by management and the Board, designed to create long-term stockholder value.

Compensation Committee Report

The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on this review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this annual report.

Table of Contents**Summary Compensation Table**

We have employment agreements with each of our named executive officers except Mr. Hannan, as described under Employment Agreements below. The following table summarizes the total compensation paid or earned by each of the named executive officers for the fiscal years ended December 31, 2010, December 31, 2009, and December 31, 2008.

Based on the fair value of equity awards granted to named executive officers in 2010 and the 2010 base salary of the named executive officers, approximately 73% of the annual total direct compensation was base salary. Cash-incentive awards, which constitute short-term incentives, accounted for approximately 15% of annual target compensation and restricted share grants, which constitute long-term incentives, made up approximately 26% of the annual compensation mix for the named executive officers.

2010 Grants of Plan-Based Awards

The Compensation Committee approved awards of restricted common stock, pursuant to our 2008 Equity Incentive Plan, to each of our executive officers in 2010.

The restricted share grants to Messrs. Hannan, Pinch and Dickey on March 26, 2010 were of time-vested shares: One-half of each grant will vest on the second anniversary of the grant date, with the remainder to vest one-quarter at each of the third and fourth anniversaries. The grants are conditioned on the continuous employment of the grant recipients.

With regard to the grant to Mr. L. Dickey on March 26, 2010, half of the grant was of time-vested restricted shares, which will vest according to the same schedule as the grants to the other executive officers, as described above. The remaining portion of the grant was for performance-based restricted stock awards, which will vest upon achievement of a Compensation Committee-approved target average annual Adjusted EBITDA (calculated on a same-station basis) for the three-year period ending December 31, 2012.

The table below summarizes the grants of plan-based awards to each of the named executive officers for the fiscal year ended December 31, 2010.

Potential Payments upon Termination or Change of Control

The following analyses reflect the amount of compensation payable to each of the named executive officers in the event of termination of employment under the following scenarios: resignation for good reason, termination without cause, termination for cause, resignation without reason (voluntary resignation), termination in connection with a change of control, and termination due to death or disability. The analyses assume that the date of termination was December 31, 2010, and the dollar value of any equity is calculated using a per share price of \$4.31, which was the reported closing price of our Class A Common Stock on that date. In addition, the analyses assume the sale, on that date, of all restricted shares whose vesting is accelerated as a result of termination, and the forfeiture, pursuant to their terms, of all Class A Common Stock issuable upon exercise of unvested options not granted pursuant to an employment agreement, but not the sale of existing holdings of Class A or Class C Common Stock or Class A Common Stock issuable upon exercise of already vested options.

Upon termination or resignation for any reason, the named executive officers are entitled to any earned but unpaid base salary and bonus, as well as reimbursement of any unreimbursed business expenses and payments due under the terms of our benefit plans. Our analyses assume that all such amounts have been paid as of the date of termination and thus are not otherwise reflected.

Unless otherwise specified, all cash payments are lump-sum payments.

Lewis W. Dickey, Jr. The following analysis describes the potential payments upon termination of employment for Lewis W. Dickey, Jr., our Chairman, President and Chief Executive Officer. All potential payments to Mr. L. Dickey upon termination of his employment or upon a change of control are governed by his current employment contract, described under Employment Agreements.

According to Mr. L. Dickey's current employment agreement, he would be entitled to compensation upon resignation for good reason, termination without cause, or by death or disability. He would be eligible for additional compensation upon termination without cause during the six-month period preceding a change of control. According to his current employment agreement:

Table of Contents

good reason means the assignment of duties inconsistent with Mr. L. Dickey's position, authority, duties or responsibilities, or any adverse change in reporting responsibilities, other than isolated or insubstantial actions we take not in bad faith and that we correct;

cause means Mr. L. Dickey's conviction of a felony, conviction of a crime involving Cumulus, willful misconduct or failure to substantially perform his duties in an way that materially adversely affects us, or willful fraud or material dishonesty; and

change of control means the occurrence of any of the following: (i) the sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of our assets taken as a whole to any person or group of related persons (as such terms are used in Section 13(d)(3) of the Securities Exchange Act of 1934), (ii) the adoption of a plan relating to our liquidation or dissolution, (iii) the consummation of any transaction (including, without limitation, any purchase, sale, acquisition, disposition, merger or consolidation) the result of which is that any Person or Group becomes the beneficial owner (as such term is defined in Rule 13d-3 and Rule 13d-5 under the Securities Exchange Act of 1934) of more than 50% of the aggregate voting power of all classes of our capital stock having the right to elect directors under ordinary circumstances, or (iv) the first day on which a majority of the members of the Board are not Continuing Directors (as defined in the employment agreement).

Any severance payment payable to Mr. L. Dickey would be payable in four equal consecutive installments, provided that if the payment would constitute a deferral of compensation under Section 409A of the Internal Revenue Code of 1986, as amended, and Mr. L. Dickey were to be a specified employee under Section 409A, then the payment would be payable upon the earlier of 6 months from the date of termination or death. Any bonus payment payable to Mr. L. Dickey would be payable upon the final preparation of audited financial statements for the year of termination.

Mr. L. Dickey's current employment agreement contains a confidentiality provision, an 18-month non-compete covenant, an 18-month prohibition on the solicitation of employees, customers or suppliers, and a covenant of confidentiality.

Assuming a termination had occurred on December 31, 2010, Mr. L. Dickey would have been entitled to receive: for resignation for good reason or termination without cause (other than during the six-month period preceding a change of control), a total of \$4,286,214, which consists of: \$1,880,000 (representing a severance payment equal to two years' base salary), plus, in the case of termination without cause other than during the six-month period preceding a change of control only, \$2,402,010 (representing the proceeds from the sale at \$4.31 per share of 557,311 shares, or 50%, of his unvested restricted shares as of the date of termination), plus \$4,204 (the value of 12 months' continued coverage under our employee benefit plans);

for termination without cause during the six-month period preceding a change of control, a total of \$6,688,225, which consists of: \$1,880,000 (representing a severance payment of two years' base salary), plus \$4,804,021 (representing the proceeds from the sale at \$4.31 per share of 1,114,622 shares, or 100%, of his unvested restricted shares as of the date of termination), plus \$4,204 (the value of 12 months' continued coverage under our employee benefit plans); and

for termination upon death or disability, a total of \$6,248,225, which consists of: \$940,000 (representing one year's salary continuation), plus \$4,804,021 (representing the proceeds from the sale at \$4.31 per share of 1,114,622 shares, or 100%, of his unvested restricted shares as of the date of termination), plus \$4,204 (the value of 12 months' continued coverage under our employee benefit plans), plus a benefit of \$500,000 under his executive life insurance policy.

Assuming Mr. L. Dickey's employment was terminated for cause or he resigned without good reason, Mr. L. Dickey would have received no severance payments, forfeited any bonus for 2010, forfeited any unvested restricted

shares or options and, pursuant to the terms of his current employment agreement, would have been obligated to promptly pay a \$2.5 million retention plan payment to us in cash.

John Pinch and John W. Dickey. The following analysis describes the potential payments upon termination of employment for John Pinch, our Executive Vice President and Co-Chief Operating Officer, and John W. Dickey, our Executive Vice President and Co-Chief Operating Officer. All potential severance payments are governed by their current employment contracts, described under Employment Agreements. All potential accelerated vesting of restricted share awards are governed by the applicable award agreements, and provide for full acceleration upon a change of control and an additional 12 months vesting upon termination for death or disability.

According to their respective current employment agreements, each of Messrs. Pinch and J. Dickey would be entitled to compensation upon resignation for good reason, termination without cause or by death or disability. They each would be eligible for additional compensation upon termination in connection with a change of control.

According to their current employment agreements:

good reason means the assignment of duties materially inconsistent with their respective positions (including status, offices, titles or reporting relationships), authority, duties or responsibilities, any material adverse change in their respective reporting responsibilities, or any action by us that results in a material diminution in their respective positions, authority, duties or responsibilities, but excluding an action not taken in bad faith that we correct; (ii) any failure by us to comply in a material respect with the compensation and benefits provisions their respective employment agreements, but excluding a failure or action not taken in bad faith that we correct; or relocation of their respective job locations by more than a specified amount;

For Messrs. Pinch or J. Dickey, any such severance payment would be payable in four equal consecutive quarterly installments, with the first such payment to be made within 15 days following the date of termination.

Each of their respective current employment agreements contain a confidentiality provision, a 12-month non-compete covenant, a 12-month prohibition on the solicitation of employees, customers or suppliers, and a covenant of confidentiality.

Assuming a termination had occurred on December 31, 2010, Messrs. Pinch and J. Dickey would each have been entitled to receive:

for resignation for good reason or termination without cause, a total of \$525,300 and \$597,400, respectively (representing a severance payment equal to one year's base salary);

for termination in connection with a change of control, a total of \$962,623 and \$1,473,377, respectively, which consists of: \$525,300 and \$597,400, respectively (representing a severance payment of one year's base salary), plus \$437,323 and \$875,977, respectively (representing the proceeds from the sale at \$4.31 per share of 101,467 and 203,243 shares, respectively, or 100%, of each of their unvested restricted shares as of the date of termination); and

for termination upon death or disability, a total of \$1,160,453 and \$1,392,618, respectively, which consists of: \$525,300 and \$597,400, respectively, representing one year's salary continuation, plus \$135,153 and \$295,218, respectively (representing the proceeds from the sale at \$4.31 per share of 31,358 and 68,496 shares, respectively, the number of restricted shares that would have vested during the next 12 months), plus \$500,000 and \$500,000, respectively (representing proceeds from their respective executive life insurance policies).

Assuming termination of employment for cause or voluntary resignation, Messrs. Pinch and J. Dickey would have received no severance payments and would have forfeited any bonus for 2010. In addition, upon termination for cause due to an intentional act by any of them that was adverse to us, the Board would have the right to declare all of such executive's unvested restricted shares forfeited.

In addition to the benefits described above, according to their respective current employment agreements, upon resignation for good reason, termination without cause, death or disability, unvested options that would have vested in the 12 months after the date of termination will immediately vest, and upon termination within one year following a change of control, all unvested options will immediately vest. As of the assumed date of termination, none of Messrs. Pinch or J. Dickey had unvested options granted pursuant to their respective employment agreements.

Director Compensation

We use a combination of cash and stock-based incentive combination to attract and retain qualified candidates to serve on our Board. In setting director compensation, we consider the significant amount of time that directors expend in fulfilling their duties as directors as well as the expertise and knowledge required. Generally, non-employee directors have received a fee of \$7,500 per quarter (\$30,000 annually). Additionally, each non-employee director has received an additional \$2,500 per quarter (\$10,000 annually) for each committee membership he held. Each non-employee director also received a \$1,500 fee for each in-person meeting of our Board (or for each in-person meeting of a committee, if not conducted in connection with a Board meeting) and \$300 for each telephonic meeting of our Board or a committee thereof. In addition, in May 2010, each non-employee director received a grant of 6,000 shares of restricted stock which vest 50% on the second anniversary of the grant date and 25% on each of the two succeeding anniversaries thereof. Finally, each non-employee director received reimbursement of out-of-pocket expenses incurred in connection with attendance at each such meeting.

Employment Agreements

As discussed more particularly below, we have entered into employment agreements with certain of our named executive officers. Subject to certain exceptions, these employment agreements prohibit the respective executive officer from competing with us for a specified period of time after a termination of employment.

Lewis W. Dickey, Jr., serves as our Chairman, President and Chief Executive Officer. On December 20, 2006, we entered into a Third Amended and Restated Employment agreement with Mr. L. Dickey. The agreement has an initial term through May 31, 2013, and is subject to automatic extensions of one-year terms thereafter unless terminated by advance notice by either party in accordance with the terms of the agreement. Mr. L. Dickey received a base salary of \$940,000 in 2010, and is entitled to annual increases of \$40,000, subject to further merit increases as the Compensation Committee deems appropriate. Mr. L. Dickey is also eligible for an annual bonus of between 75% and 100% of his base salary.

The agreement also provides for grants of 160,000 shares of time-vested restricted Class A Common Stock and 160,000 shares of performance restricted Class A Common Stock in each fiscal year during his employment term. The time-vested restricted shares shall vest in three installments, with one-half vesting on the second anniversary of the date of grant, and one-quarter vesting on each of the third and fourth anniversaries of the date of grant, in each case contingent upon Mr. L. Dickey's continued employment. Vesting of performance restricted shares is dependent upon achievement of Compensation Committee-approved criteria for the three-year period beginning on January 1 of the fiscal year of the date of grant, in each case contingent upon Mr. L. Dickey's continued employment. Any performance-restricted shares that do not vest according to this schedule will be forfeited. In the event that we undergo a change of control, as defined in the agreement, then any issued but unvested portion of the restricted stock grants held by Mr. L. Dickey will become immediately and fully vested. In addition, upon such a change of control, we will issue Mr. L. Dickey a predetermined award of shares of Class A Common Stock, such number of shares decreasing by 70,000 shares upon each of the first five anniversaries of the date of the agreement (currently 220,000 shares). Mr. L. Dickey may not transfer any restricted shares, except to us, until they vest. In addition to the specified grants of restricted stock, Mr. L. Dickey remains eligible for the grant of stock options or other equity incentives as determined by the Compensation Committee.

As an inducement to entering into the agreement, the agreement provided for a signing bonus grant of 685,000 deferred shares of Class A Common Stock, issued on December 20, 2007. The agreement also provides that, should Mr. L. Dickey resign his employment or we terminate his employment, in each case other than under certain permissible circumstances, Mr. L. Dickey shall pay to the Company, in cash, a predetermined amount (such amount decreasing by \$1.0 million on each of the first six anniversaries of the date of the agreement; \$2.5 million currently). This payment is automatically waived upon a change of control.

Table of Contents

Mr. L. Dickey's agreement further provides that in the event we terminate his employment without cause, or if he terminates his employment for good reason (as these terms are defined in the agreement), then we must pay an amount equal to two times his annual base salary then in effect, payable in four equal quarterly installments. We must also pay to Mr. L. Dickey a lump-sum amount equal to the sum of (A) his earned but unpaid base salary through the date of termination, (B) any earned but unpaid annual bonus for any completed fiscal year, and (C) any unreimbursed business expenses or other amounts due from us as of the date of termination. Finally, we must pay to Mr. L. Dickey, upon the final preparation of our audited financial statements for the year of termination, a prorated bonus to reflect the partial year of service.

In the event Mr. L. Dickey voluntarily terminates his employment for good reason, he will forfeit all unvested time-vested restricted shares and performance restricted shares. In the event we terminate Mr. L. Dickey's employment without cause, 50% of any unvested time-vested restricted shares and performance restricted shares will become immediately and fully vested, and the remaining 50% of any time-vested restricted shares and performance restricted shares will be forfeited. However, if we terminate his employment without cause within six months prior to a change-of-control, then 100% of any issued but unvested restricted shares will become immediately and fully vested.

In the event Mr. L. Dickey's employment is terminated with cause, or if he terminates his employment without good reason, then we are obligated to pay him only for compensation, bonus payments or unreimbursed expenses that were accrued but unpaid through the date of termination or resignation. Further, Mr. L. Dickey will forfeit all unvested restricted shares.

John Pinch serves as our Executive Vice President and Co-Chief Operating Officer. Under the terms of his Employment Agreement, dated December 1, 2000, he is entitled to merit increases to his annual based salary, as the Compensation Committee deems appropriate. The agreement provides that Mr. Pinch may receive an annual bonus, based upon the achievement of Board-approved budgeted revenue and cash flow targets as adjusted by our Chief Executive Officer and the Compensation Committee in their collective discretion. Mr. Pinch's employment agreement had a three-year term, which expired on December 1, 2003, and since that date has automatically renewed for successive one-year terms.

Mr. Pinch's employment agreement also provides that in the event we terminate his employment without cause, or if he terminates his employment for good reason, then, in addition to amounts that he is owed through the date of termination, he shall also receive a severance payment equal to the greater of (1) two-thirds of his aggregate base salary (at the rate in effect at the time of termination), which would remain payable until the expiration of the employment agreement term, or (2) the amount equal to his annual base salary in effect at the time of termination. In addition, any unvested time-vested stock options that would otherwise vest within one year of the date of termination will become exercisable. Finally, in the event that we undergo a change of control, then, in addition to being entitled to receive the severance payments and equity rights that would be due upon a termination without cause, all unvested stock options held by Mr. Pinch will become immediately exercisable.

John W. Dickey serves as our Executive Vice President and Co-Chief Operating Officer. Under the terms of Mr. J. Dickey's Employment Agreement, dated January 1, 2001, he receives an annual base salary that is subject to merit increases, as the Compensation Committee has deemed appropriate. The agreement provides that Mr. J. Dickey may receive a bonus of up to 50% of his base salary, half of which is based upon the achievement of Board-approved budgeted revenue and cash flow targets, and half of which is based upon the collective discretion of our Chief Executive Officer and the Compensation Committee. The initial term of Mr. J. Dickey's employment agreement expired on January 1, 2003, and since that date has automatically renewed for successive one-year terms.

Mr. J. Dickey's agreement also provides that in the event we terminate his employment without cause, or if he terminates his employment for good reason, then, in addition to amounts that he is owed through the date of termination, he shall also receive a severance payment equal to the greater of (1) two-thirds of the aggregate base salary payments (at the rate in effect at the time of termination) that would remain payable until the expiration of the employment agreement term, or (2) the amount equal to his annual base salary in effect at the time of termination. In addition, any unvested time-vested stock options that would otherwise vest within one year of the date of termination will become exercisable. Finally, in the event we undergo a change of control, then, in addition to being

entitled to receive the severance payments and equity rights that would be due upon a termination without cause, all unvested stock options held by Mr. J. Dickey will become immediately exercisable.

On December 31, 2008, we entered into amendments to the above-described employment agreements for the purpose of ensuring the compliance of such employment agreements with section 409A of the Internal Revenue Code.

Item 13. *Certain Relationships and Related Transactions, and Director Independence*

DIRECTOR INDEPENDENCE

Our Board has reviewed the standards of independence for directors established by applicable laws and regulations, including the NASDAQ Rules, and has reviewed and evaluated the relationships of directors with us and our management. Based upon this review and evaluation, our Board has determined that none of the current non-employee members of the Board has a relationship with us or our management that would interfere with such directors' exercise of independent judgment, and that each non-employee member of the Board—Messrs. Everett, Robison, Sheridan and Tolley—is an independent director.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Board recognizes that related person transactions present a heightened risk of conflicts of interest. The Audit Committee has been delegated the authority to review and approve all related party transactions involving directors or executive officers of the Company. Generally, a related person transaction is a transaction in which we are a participant and the amount involved exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest. Related persons include our executive officers, directors, and holders of more than 5% of our common stock, and any of their immediate family members.

Under the policy, when management becomes aware of a related person transaction, management reports the transaction to the Audit Committee and requests approval or ratification of the transaction. Generally, the Audit Committee will approve only related party transactions that are on terms comparable to those that could be obtained in arm's length dealings with an unrelated third person. The Audit Committee will report to the full Board all related person transactions presented to it.

DM Luxury Agreement

During the third quarter of 2010, we entered into a management agreement (the "DM Luxury Agreement") with DM Luxury, LLC ("DM Luxury"). DM Luxury is 50% owned by Dickey Publishing, Inc. and Dickey Media Investments, LLC, each of which is partially owned by Lewis W. Dickey, Jr., our Chief Executive Officer. The remaining interest in DM Luxury is held by Macquarie Capital (USA) Inc. Pursuant to the DM Luxury Agreement, we have agreed to provide certain back office shared services, including finance, accounting, use of corporate headquarters, legal, human resources and other services, for an annual management fee equal to the greater of \$0.5 million and 5.0% of DM Luxury's adjusted EBITDA on an annual basis. The Company recorded \$0.1 million of revenues from the DM Luxury Agreement during the year ended December 31, 2010. The DM Luxury Agreement will expire on September 15, 2013.

Translator sale

During the fourth quarter of 2010, we entered into an agreement to sell a translator to Dickey Broadcasting Company, Inc. ("DBC"), which is partially owned by Mr. Lewis W. Dickey, Jr., our Chief Executive Officer, and Mr. John W. Dickey, our Co-Chief Operating Officer, for a purchase price of \$597,000. This transaction is pending.

Other relationships

DBC has entered into an agreement with Atlanta National League Baseball Club, Inc. (the "Atlanta Braves") relating to the 2010–2014 major league baseball seasons (the "Braves Agreement"). The Braves Agreement sets out certain rights and obligations of DBC with respect to the production and broadcast of Atlanta Braves baseball games and related programming. Pursuant to the Braves Agreement, DBC is entitled to share in the related net revenues from, among other things, the sale of programming, advertising inventory, sponsorships and entitlements relating thereto. Pursuant to the terms of the Braves Agreement, DBC is obligated to cause Cumulus and CMP to perform certain of its broadcasting obligations thereunder. In exchange for the assumption of these obligations, CMP received revenues under the Braves Agreement of less than \$0.1 million in 2010.

Table of Contents

DBC, CMP and Atlanta Hawks, L.P., among others, are party to a Radio License Agreement relating to the 2010-2013 national basketball association seasons (the Hawks Agreement). The Hawks Agreement sets out certain rights and obligations of DBC and CMP with respect to the promotion, production and broadcast of Atlanta Hawks basketball games and related programming. Pursuant to the Hawks Agreement, each of DBC and CMP is entitled to a portion of the related net revenues from, among other things, the sale of programming, advertising inventory, sponsorships and entitlements. Pursuant to the Hawks Agreement, CMP received revenues of less than \$0.1 million in 2010.

DBC and Susquehanna Pfalzgraff Corp. (Susquehanna) are parties to a Sublease Agreement (the Sublease), pursuant to which Susquehanna subleases certain office space to DBC. The Sublease commenced on September 24, 2010 and expires on March 31, 2016. Under the Sublease, DBC pays annual base rent of approximately \$52,000 (subject to annual increases), plus a pro rata share of all property taxes, insurance and utilities. DBC accrued approximately \$13,000 to be paid to Susquehanna for 2010 pursuant to the terms of the Sublease.

In January 2009, CMP and Cumulus Broadcasting LLC (CBL), an indirect wholly-owned subsidiary of Cumulus, entered into a Facilities and Services Agreement (the F&S Agreement), pursuant to which CMP provides CBL access to certain radio studios (the Stations) and services, including maintenance, administrative and management services, in connection with CBL's provision of programming and broadcast services on the Stations. In consideration for the facilities and services provided, CBL pays CMP a monthly fee based on average of the percentage of revenue and EBITDA (as defined) which the Stations represent at the combined group of Cumulus and CMP stations, respectively. CBL paid CMP approximately \$100,000 under the Agreement in 2010. This agreement expires in January 2012.

In March 2009, CMP and CBL entered into a Translator Agreement (the Translator Agreement), relating to the operation of a translator station in Riverdale, Georgia (the Translator Station).
