**PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
To Be Held On July 22, 2004**

PROXIES AND SOLICITATIONS

This proxy statement is furnished to stockholders in connection with the solicitation of proxies by the Board of Directors (the Board) of Origen Financial, Inc. (Origen) to be used at the Annual Meeting of Stockholders (the Annual Meeting) and at any adjournments. If it is received in time for the Annual Meeting and has not been revoked in accordance with the instructions set forth herein, the shares represented by a valid proxy will be voted in accordance with the specifications, if any, contained in such executed proxy. If no instructions are given, proxies will be voted: (a) FOR election of the six nominees for the Board; and (b) at the discretion of Ronald A. Klein and W. Anderson Geater, Jr., the Board's designated representatives for the Annual Meeting, with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof. A proxy executed in the enclosed form may be revoked by the person signing it at any time before it is exercised. Proxies may be revoked by filing with Origen's Secretary, any time prior to the time set for commencement of the Annual Meeting, a written notice of revocation bearing a later date than the proxy, or by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy).

In addition to the use of mails, proxies may be solicited by personal interview, telephone and telegram, by directors, officers and employees of Origen. Arrangements may also be made with brokerage houses or other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of shares of Origen's common stock (the Common Stock) held of record by such persons, and Origen may reimburse such persons for reasonable out-of-pocket expenses incurred in forwarding material. Origen anticipates that fees and expenses for the foregoing parties will not exceed \$1,000. Origen will bear the costs of all proxy solicitation.

Origen's executive offices are located at 27777 Franklin Road, Suite 1700, Southfield, Michigan 48034. The approximate date of mailing of this proxy statement and the enclosed proxy materials to Origen's stockholders is June 23, 2004.

TIME AND PLACE OF MEETING

The Annual Meeting will be held at the Birmingham Community House, 380 South Bates, Birmingham, Michigan 48009, on Thursday, July 22, 2004, at 10 a.m., local time. This meeting was scheduled as soon as practicable after our initial public offering, which we completed on May 11, 2004. We expect to hold the 2005 annual meeting and subsequent annual meetings in May or June.

**VOTING RIGHTS AND
PRINCIPAL HOLDERS OF VOTING SECURITIES**

Only stockholders of record at the close of business on June 18, 2004 are entitled to notice of and to vote at the Annual Meeting or at any adjournments. As of that date, Origen had 25,118,400 shares of Common Stock issued, outstanding and entitled to vote held by approximately 68 holders of record. Each outstanding share entitles the record holder to one vote. Shares cannot be voted at the Annual Meeting unless the holder is present in person or represented

by proxy. Each share of Common Stock outstanding on the record date entitles the holder thereof to one vote upon each matter to be voted upon at the Annual Meeting.

If your shares are held in street name, your brokerage firm, under certain circumstances, may vote your shares for you if you do not return your proxy. Brokerage firms have authority under the rules of the Nasdaq Stock Market (Nasdaq) to vote customers' unvoted shares on some routine matters. If you do not give a proxy to your brokerage firm to vote your shares, your brokerage firm may either vote your shares on routine matters or leave your shares unvoted. The election of directors is considered a routine matter. Shares held by brokers as to which voting instructions have not been received from the beneficial owners with respect to non-routine matters are referred to as broker non-votes. We encourage you to provide voting instructions to your brokerage firm by returning your completed proxy. This ensures your shares will be voted at the meeting according to your instructions. You should receive directions from your brokerage firm about how to submit your proxy to them at the time you receive this proxy statement.

Table of Contents

The presence, in person or by proxy, of outstanding shares of Common Stock representing a majority of the total votes entitled to be cast is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Shares that reflect abstentions or broker non-votes will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting.

With respect to the election of directors, the directors will be elected by a plurality of all votes cast at the Annual Meeting. Accordingly, abstentions and broker non-votes as to the election of directors will have no effect on the results of the vote.

If there is not a quorum at the Annual Meeting, the chairman of the Annual Meeting may adjourn the Annual Meeting until such time as there is a quorum. The Annual Meeting may be reconvened without notice to the stockholders, other than an announcement at the prior adjournment of the Annual Meeting, within 30 days after the record date, and a quorum must be present at such reconvened Annual Meeting.

Information concerning principal holders of our Common Stock is discussed under Security Ownership of Certain Beneficial Owners and Management.

INCORPORATION BY REFERENCE

To the extent this proxy statement will be specifically incorporated by reference into any filing by Origen under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended (the Exchange Act), the sections of this proxy statement entitled Report of the Audit Committee, and Report of the Compensation Committee on Executive Compensation shall not be deemed to be so incorporated unless specifically otherwise provided in any such filing.

ANNUAL REPORT

Stockholders are concurrently being furnished with a copy of Origen's 2003 Annual Report which contains its audited financial statements as of December 31, 2003. We will provide additional copies of the 2003 Annual Report to each person solicited by this Proxy Statement without charge, upon written request to Origen Financial, Inc., 27777 Franklin Road, Suite 1700, Southfield, Michigan 48034.

STOCKHOLDERS PROPOSALS

Any and all stockholder proposals for inclusion in the proxy materials for Origen's next Annual Meeting of Stockholders must comply with the rules and regulations promulgated under the Exchange Act and must be received by Origen, at its offices at 27777 Franklin Road, Suite 1700, Southfield, Michigan 48034, not later than February 21, 2005, provided, however, that if the next Annual Meeting is held more than 30 days before or after July 22, 2005, the deadline for stockholder proposals will be a reasonable time before we begin to print and mail our proxy materials for the next Annual Meeting. All stockholder proposals should be addressed to Origen's Secretary.

ELECTION OF DIRECTORS

The first matter to be considered at the Annual Meeting will be the election of six directors. It is proposed that these positions be filled by persons nominated to the Board by management. Each director shall be elected by a

plurality of the votes cast at the Annual Meeting. Therefore, if a quorum is present, abstentions and broker non-votes will have no effect on the election of directors. Proxies will be tabulated by Origen's transfer agent. The Inspector of Elections appointed at the Annual Meeting will then combine the proxy votes with the votes cast at the Annual Meeting. Each director elected at the Annual Meeting will serve for a term commencing on the date of the Annual Meeting and continuing until the Annual Meeting of Stockholders to be held in 2005 or until his successor is duly elected and qualified. In the absence of directions to the contrary, proxies will be voted in favor of the election of the nominees listed below.

Table of Contents

If any of the nominees named below are unavailable to serve for any reason, then a valid proxy may be voted for the election of such other persons as the person or persons voting the proxy may deem advisable in accordance with their best judgment. Management has no present knowledge that any of the persons named will be unavailable to serve. In any event, the enclosed proxy can be voted for only the six nominees named in this proxy statement or their substitutes.

THE BOARD RECOMMENDS A VOTE FOR EACH OF THE NOMINEES NAMED BELOW. PROXIES SOLICITED BY THE BOARD WILL BE VOTED FOR THE NOMINEES UNLESS INSTRUCTIONS TO WITHHOLD OR TO THE CONTRARY ARE GIVEN.

The following list identifies each incumbent director and nominee for election to the Board at the Annual Meeting and describes each person's principal occupation for the past five years. Each of the directors has served continuously from the date of his election to the present time.

Board of Directors and Committees

The Board met twice during 2003 and took various actions pursuant to resolutions adopted by unanimous written consent. All directors attended at least 75% of the meetings of the Board and each committee on which they served.

Several important functions of the Board may be performed by committees that are comprised of members of the Board. Origen's Bylaws authorize the formation of these committees and grant the Board the authority to prescribe the functions of each committee and the standards for membership of each committee. In addition, the Board appoints the members of each committee. The Board has four standing committees: an Audit Committee, a Compensation Committee, a Nominating and Governance Committee and an Executive Committee. You may find copies of the charters of the Audit Committee, the Compensation Committee and the Nominating and Governance Committee under the Investors' section of our website at www.origenfinancial.com.

The Audit Committee operates pursuant to a charter that was approved by the Board in January 2004, which is attached as Appendix A to this proxy statement. The Audit Committee, among other functions, (1) has the sole authority to appoint, retain, terminate and determine the compensation of Origen's independent accountants, (2) reviews with Origen's independent accountants the scope and results of the audit engagement, (3) approves professional services provided by Origen's independent accountants, and (4) reviews the independence of Origen's independent accountants. The current members of the Audit Committee are Messrs. Rogel (Chairman), Halpern and Williams, all of whom are independent as that term is defined in the rules of the SEC and applicable Nasdaq rules. The Audit Committee held one formal meeting and several informal meetings during the fiscal year ended December 31, 2003. The Board has determined that each of Messrs. Halpern and Rogel are audit committee financial

experts, as defined by SEC rules. *See* Report of the Audit Committee.

The Compensation Committee operates pursuant to a charter that was approved by the Board in March 2004. The Compensation Committee, among other functions, (1) reviews and approves corporate goals and objectives relevant to the compensation of the Chief Executive Officer, evaluates the performance of the Chief Executive Officer in light of such goals and objectives, and determines and approves the compensation of the Chief Executive Officer based on these evaluations, (2) approves the compensation of Origen's other executive officers, and (3) oversees Origen's incentive-compensation plans and equity-based plans. The current members of the Compensation Committee are Messrs. Williams (Chairman), Wechsler and Rogel, all of whom are independent directors under the Nasdaq rules. Given the shortness of our fiscal year ended December 31, 2003, the Compensation Committee did not hold any formal meetings during that period. Instead the entire Board performed the function of the Compensation Committee during that period.

Table of Contents

The Nominating and Governance Committee operates pursuant to a charter that was approved by the Board in March 2004. The Nominating and Governance Committee, among other functions, is responsible for to (a) developing and monitoring our corporate governance principles; (b) assisting the Board in identifying individuals qualified to become members of the Board and members of its various committees, consistent with criteria approved by the Board; (c) selecting the director nominees for each annual meeting of stockholders and the committee nominees; and (d) overseeing the evaluation of the Board and management. The current members of the Nominating and Governance Committee are Messrs. Halpern, Wechsler and Williams, all of whom are independent under the Nasdaq rules. The Nominating and Governance Committee is currently in the process of establishing a policy with regard to the consideration of director candidates recommended by stockholders. Given the shortness of our fiscal year ended December 31, 2003, the Nominating and Governance Committee did not hold any formal meetings during that period.

The Executive Committee was established to exercise certain enumerated powers and duties of the Board between regular Board meetings. The Executive Committee has the authority to approve the following actions: (1) the acquisition and sale of loans and loan portfolios; (2) financing transactions; and (3) the securitization of loans and loan portfolios. The current members of the Executive Committee are Messrs. Williams, Rogel and Klein. Messrs. Wechsler and Halpern serve as alternate members in the case of an absence of one of the regular Executive Committee members. The Executive Committee did not hold any formal meetings during the fiscal year ended December 31, 2003. Given the shortness of our fiscal year ended December 31, 2003, the Executive Committee did not hold any formal meetings during that period. Instead the entire Board performed the function of the Compensation Committee during that period.

Origen recommends that all correspondence be sent via certified U.S. mail, return receipt requested. All correspondence received by Origen will be forwarded promptly to the addressee(s).

Independence of Non-Employee Directors

The Nasdaq rules require that a majority of the Board consist of members who are independent. There are different measures of director independence under Nasdaq rules, under Section 16 of the Exchange Act and under Section 162(m) of the Internal Revenue Code of 1986, as amended. The Board has reviewed information about each of Origen's non-employee directors and determined that Messrs. Halpern, Rogel, Williams and Wechsler are independent directors.

Report of the Audit Committee

The Board maintains an Audit Committee comprised of three of Origen's directors. The directors who serve on the Audit Committee are all independent for purposes of the Nasdaq Stock Market listing standards and applicable Exchange Act rules. The Audit Committee held one formal meeting and several informal meetings during the 2003 fiscal year.

In accordance with its written charter, the Audit Committee assists the Board with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of Origen. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

reviewed and discussed the audited financial statements with management and Grant Thornton, LLP, Origen's independent auditors, for the fiscal year ended December 31, 2003;

5

Table of Contents

discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards); and

reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No. 1 (Independence Discussions with Audit Committees), and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in Origen's Registration Statement on Form S-11, as filed with the Securities and Exchange Commission on February 5, 2004.

The Audit Committee has considered and determined that the level of fees of Grant Thornton LLP's for provision of services other than the audit services is compatible with maintaining the auditor's independence.

Respectfully Submitted,
Members of the Audit Committee:
Richard H. Rogel
Paul A. Halpern
James A. Williams

Section 162(m) of the Internal Revenue Code disallows a tax deduction to public companies for compensation paid in excess of \$1,000,000 for any fiscal year to the company's chief executive officer and the four other most highly compensated executive officers. To qualify for deductibility under Section 162(m), compensation in excess of \$1,000,000 annual maximum paid to these executive officers must be performance-based compensation, as determined under Section 162(m). For these purposes, compensation generally includes base salary, annual bonuses, stock option exercises, compensation attributable to restricted shares vesting and nonqualified benefits. While it is our intention to structure compensation so that it satisfies the performance-based compensation requirements under Section 162(m) to the fullest extent possible, if we become subject to the provisions of Section 162(m), the Compensation Committee will balance the costs and burdens involved in doing so against the value to us and our stockholders of the tax benefits to be obtained by us. Accordingly, we reserve the right, should Section 162(m) apply, to design compensation programs that recognize a full range of

Table of Contents

performance criteria important to our success, even where the compensation paid under such programs may not be deductible as a result of the application of Section 162(m).

We have adopted a non-qualified capital accumulation plan that provides supplemental compensation to certain executive officers and employees on a deferred basis. We have the discretion to select which employees will be eligible to participate in the plan. The plan is intended to attract and maintain qualified individuals in key positions. The deferred compensation under the plan vests over a ten-year period, with the first 30% vesting beginning on the third anniversary of the employee's participation in the plan, and the remainder vesting at a rate of 10% per year, until the tenth anniversary of the employee's participation in the plan. The deferred compensation is paid to the employee, in a lump sum, following the tenth anniversary of the participant's enrollment in the plan. If a participant's employment is terminated for any reason after the third anniversary, but before the tenth anniversary, of his or her enrollment in the plan, we will pay the participant his or her vested portion of the deferred compensation, in a lump sum, following the tenth anniversary of his or her enrollment in the plan. If a participant dies before he or she has been enrolled in the plan for ten years, we have no obligation to pay any amount to the participant or the participant's beneficiaries. The following table sets forth the compensation payable to our named executive officers under the capital accumulation plan.

Named Executive Officer	Compensation Payable Under Capital Accumulation Plan
Ronald A. Klein	\$ 400,000
W. Anderson Geater, Jr.	\$ 400,000
J. Peter Scherer	\$ 400,000
Mark W. Landschulz	\$ 400,000
Benton Sergi	\$ 225,000

We have adopted a split-dollar life insurance plan that, through individual life insurance policies, provides death benefits to a participant's beneficiaries and coordinates with the capital accumulation plan described above. Under the split-dollar plan, we are the sole owner of each life insurance policy and pay all premiums due under the policies. Upon a participant's death, a portion of the death benefit is paid to the participant's designated beneficiary and a portion of the death benefit is paid to us. It is intended that the policies under the split-dollar plan provide key man insurance benefits to us, and the cash build-up in the policies is intended to fund the payment of benefits under our capital accumulation plan described above. Participation in the split-dollar plan terminates upon the earlier of a participant's death or the tenth anniversary of a participant's enrollment in our capital accumulation plan described above. In addition, the split-dollar plan will terminate, as to all participants, upon the total cessation of our business, if we file for bankruptcy, are put into receivership or upon our dissolution. Upon the plan's termination, participants have the right to acquire the life insurance policy from us for the then current cash surrender value of the policy.

Report of the Compensation Committee on Executive Compensation*Policy of Executive Officer Compensation*

The executive compensation program is administered by the Compensation Committee of the Board, which is currently comprised of Messrs. Williams, Wechsler and Rogel. None of the members of the Compensation Committee are employees of Origen and each of them is an independent director for purposes of the requirements of the Nasdaq rules. The executive compensation program supports Origen's commitment to providing superior stockholder value. It is designed to attract and retain high-quality executives, to encourage them to make career commitments to Origen, and to accomplish Origen's short and long term objectives. The Committee attempts to structure a compensation program for Origen that will reward its top executives with bonuses and stock and option awards upon attainment of specified goals and objectives while striving to maintain salaries at reasonably competitive levels. The Committee reviews the compensation (including salaries, bonuses and stock options) of Origen's Chairman and CEO as well as Origen's other executive officers, administers Origen's incentive and equity based compensation plans and performs such other duties as may be delegated to it by the Board. Given the shortness of our fiscal year ended December 31, 2003, the Compensation Committee did not hold any formal meetings during that period. Instead the entire Board performed the function of the Compensation Committee during that period.

In reviewing the compensation to be paid to Origen's executive officers during the fiscal year ended December 31, 2003, the Committee and the Board sought to ensure that executive officers were rewarded for long term strategic management, for increasing Origen's value for its stockholders, and for achieving internal goals established by the Board.

The key components of executive officer compensation are salary, bonuses, restricted stock awards and stock option awards. Salary is generally based on factors such as an individual officer's level of responsibility, prior years compensation, comparison to compensation of other officers in Origen, and compensation provided at competitive companies and companies of similar size. Bonuses, restricted stock awards and stock option awards are intended to reward exceptional performances. Benchmarks for determining base salary and bonus levels include strength of the

balance sheet and creation of stockholder value. Restricted stock awards and stock option awards are also intended to increase an officer's interest in Origen's long-term success as measured by the market and book value of its Common Stock. Stock awards may be granted to officers and directors of Origen and its subsidiaries and to certain employees who have managerial or supervisory responsibilities under Origen's 2003 Equity Incentive Plan. Stock awards may be stock options, stock appreciation rights, restricted share rights or any variation thereof.

The Chief Executive Officer makes recommendations to the Compensation Committee with respect to the compensation of all executive officers. In addition, the Compensation Committee bases its decisions on the most recent publicly available compensation data for senior executive officers of comparable companies, as well as various compensation studies and surveys, to ensure that compensation packages are in line with our peer group and the manufactured home finance industry in general. While benchmarks and comparative market data are valuable tools to assist the Compensation Committee in setting reasonable and fair compensation for Origen's executive officers, the stated philosophy of Origen's executive compensation program is to recognize individual contributions to the performance of Origen and to create a link between the performance of Origen's stock and executive compensation.

CEO Compensation

Table of Contents

During the fiscal year ended December 31, 2003, Ronald A. Klein served in the capacity of Chief Executive Officer of Origen. As of October 8, 2003, Origen entered into an employment agreement with Mr. Klein which governed the salary and bonus paid to Mr. Klein during the fiscal year ended December 31, 2003. Pursuant to this employment agreement, Mr. Klein was paid a salary at an annual rate of \$400,000. The Committee believes that Mr. Klein's total compensation in 2003 was competitive with the appropriate level for his position, particularly in view of his performance.

Respectfully submitted,
Members of the Compensation Committee:
James A. Williams
Michael J. Wechsler
Richard H. Rogel

Employment Agreements

We and Origen Financial L.L.C. have entered into employment arrangements with the executive officers named in the following table, pursuant to which Origen Financial L.L.C. pays the executives' salaries. Each of our executives is also an officer of Origen Financial L.L.C. These employment agreements are for a three-year term and provide the following annual base salaries for the next three years:

	Twelve Months Ending October 7, 2004	Twelve Months Ending October 7, 2005	Twelve Months Ending October 7, 2006
Ronald A. Klein	\$400,000	\$425,000	\$450,000
W. Anderson Geater, Jr.	205,000	215,000	225,000
J. Peter Scherer	205,000	215,000	225,000
Mark Landschulz	190,000	200,000	210,000

Each such employee will be prohibited from competing with us for a period of one year after termination of his employment under certain conditions. Each employee will also be prohibited from soliciting the employment of any of our other employees and diverting any business from us for a period of up to 12 months after termination of the employment agreement. Each of the employment agreements is for an initial term of three years, and will be automatically renewed for successive one-year terms unless otherwise terminated by us or the employee. Under the employment agreements, each employee will be entitled to a severance payment of one year's salary upon a termination by us without cause, a termination by the executive for good reason, or the failure by us to renew the term of the contract. Each of the executive officers is eligible to receive a bonus payable in cash, equity or a combination of cash and equity, in an amount and in the form determined by the Compensation Committee in its discretion.

Pursuant to Mr. Klein's prior employment arrangement with Origen Financial L.L.C., he was entitled to a change of control payment in the amount of \$600,000 upon our acquisition of Origen Financial L.L.C. in October 2003. Mr. Klein waived his rights to the payment in connection with the offering. In consideration for this waiver, we granted Mr. Klein a restricted stock award of 60,000 shares of our common stock, which vested on April 8, 2004. We have agreed to pay Mr. Klein a bonus payment of not less than \$344,161 to cover the tax liability relating to the grant of restricted stock.

Outside Director Compensation

Directors who are not employees of Origen are entitled to an annual retainer fee of \$25,000, payable quarterly. We pay each non-employee director meeting fees of \$1,000 per meeting attended in person and \$500 per telephonic meeting. We also reimburse all costs and expenses of all directors for attending each meeting. In addition to their annual director's fees, the Chairman of the Audit Committee receives an additional fee of \$15,000 and the other members of the Audit Committee receive an annual fee of \$5,000. Members of the Compensation Committee receive an annual committee fee of \$5,000. For services during the fiscal year ended December 31, 2003, Messrs. Halpern and Wechsler each earned directors' fees of \$7,500, Mr. Rogel earned directors' fees of \$11,500, Mr. Shiffman earned directors' fees of \$6,250 and Mr. Williams earned directors' fees of \$8,750.

Stock Price Performance Graph

Prior to May 6, 2004, Origen was not publicly traded and there was no public market for its securities. Therefore, no quoted market prices for Origen's Common Stock are available for the year ended December 31, 2003. Because there were no quoted market prices for Origen's Common Stock for the year ended December 31, 2003, information regarding cumulative total stockholder return on Origen's Common Stock for that period,

whether presented on a stand-alone basis or in a comparison with all issuers listed on the Nasdaq Stock Market or other indices, would not be meaningful.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires Origen's directors and executive officers and persons who own more than 10% of Origen's Common Stock to file reports of ownership and changes in ownership of Origen's Common Stock with the Securities and Exchange Commission and the Nasdaq Stock Market. Directors, executive officers and greater than 10% stockholders are required by SEC regulations to furnish Origen with copies of all Section 16(a) forms they file.

Origen's directors, officers and 10% stockholders were not subject to the requirements of Section 16 of the Exchange Act until May 5, 2004, the effective date of Origen's initial public offering. Therefore, no Section 16(a) forms were filed for the year ended December 31, 2003. To present date, based solely on its review of the copies of Forms 3 furnished to Origen, or written representations from certain reporting persons that no such forms were required to be filed by such persons, Origen believes that all its directors, executive officers and greater than 10% stockholders complied with all filing requirements applicable to them.

CERTAIN TRANSACTIONS

Our Formation

We began operations on October 8, 2003 when we completed a private placement of \$150 million of our common stock and acquired all of the equity interests of Origen Financial L.L.C. In connection with our formation and our October 2003 private placement, we entered into a contribution agreement pursuant to which we acquired all of the interests of Origen Financial L.L.C., from certain of our founders, including an affiliate of Sun Communities, Bingham, Woodward Holding, LLC, and Shiffman Family, LLC. These founders, severally, and not jointly, made representations and warranties to us regarding their:

- organization and good standing;
- non-violation of any other agreements;
- authority to enter into and perform their obligations under the contribution agreement;
- ownership of clear title to the membership interests contributed; and
- non-payment of a brokerage or finder's fee.

Bingham, alone, made a representation and warranty that its board of directors approved the transaction.

None of the founders received any monetary consideration, nor did they receive any shares of our common stock, in exchange for their respective interests in Origen Financial L.L.C. Under the terms of the contribution agreement, no party is entitled to make any claim against any other party for indemnification arising from any breach of the contribution agreement.

In February 2004, we completed a private placement of \$10 million of our common stock to one institutional investor.

Relationships with Sun Communities

Sun Communities owns approximately 20% of our outstanding common stock. Gary A. Shiffman, one of our directors, is a director, executive officer and shareholder of Sun Communities.

We currently have the following business relationships with Sun Communities:

Remarketing Alliance Program. Sun Communities has agreed to provide us certain concessions on manufactured homes we repossess in its communities. These concessions include marketing and refurbishing assistance, rent abatement during the first 12 months the repossessed home is for sale and commission abatement with respect to

repossessed manufactured homes sold under the program.

Home Buying Made Easy Program. Sun Communities has created a program to fill vacant sites in its communities under which purchasers of manufactured homes sold by an affiliate of Sun Communities are offered low-interest loans. We originate and service the loans made through this program. Interest rates charged to the borrower are below our published rates. However, to the extent we may purchase or own these loans Sun Communities will pay us the interest differential between our published rate at origination and the rate paid by the borrower.

Guaranty of Licensing Bonds. Sun Communities has guaranteed our obligations to certain insurance companies in connection with the issuance to us by those companies of bonds and undertakings required by various state licensing authorities as a condition to the issuance of certain of our licenses. Our aggregate potential obligations under these bonds is approximately \$5.0 million.

Table of Contents

Loan Servicing. We currently service approximately \$10.2 million in principal amount of manufactured home *loans* for Sun Communities. Sun Communities pays us annual servicing fees at rates ranging from 1.00% to 1.50%.

In addition, Origen Financial L.L.C. and we previously entered into the following business relationships with Sun Communities and its affiliates. All of these transactions and relationships have been completed or terminated.

Capital Investment in Origen Financial, Inc. As part of our October 2003 private placement, an affiliate of Sun Communities purchased 5,000,000 shares of our common stock at a price per share equal to the offering price to other investors in the offering.

Contribution of Origen Financial L.L.C. Interest. An affiliate of Sun Communities contributed its membership interest and warrants to purchase membership interests in Origen Financial L.L.C. to us in connection with our formation and the October 2003 private placement. This entity did not receive any shares of our common stock for the contribution of its membership interest and warrants.

Loans to Origen Financial L.L.C. Sun Home Services, Inc. (Sun Home Services), Woodward Holding, LLC and the Milton M. Shiffman Spouse s Marital Trust (the Shiffman Trust) provided financing to Origen Financial L.L.C. Mr. Shiffman and the Estate of Milton M. Shiffman collectively own stock in Sun Home Services representing 5% of the economic interest in Sun Home Services; Sun Communities is the beneficial owner of the remainder of the Sun Home Services stock. Mr. Shiffman and members of his family are beneficiaries of the Shiffman Trust. The financing provided consisted of a \$48.0 million standby line of credit and a \$10.0 million term loan, each bearing interest at a per annum rate equal to 700 basis points over LIBOR, with a minimum interest rate of 11% and a maximum interest rate of 15% (collectively, the Sun Loan Facility). In connection with the Sun Loan Facility, Origen Financial L.L.C. granted to Sun Home Services warrants to purchase 550,000 membership units of Origen Financial L.L.C., to Woodward Holding warrants to purchase 400,000 membership units and to the Shiffman Trust warrants to purchase 50,000 membership units. The exercise price of the warrants was \$0.01 per unit. The warrants were contributed to us and cancelled in connection with our October 2003 private placement. The Sun Loan Facility was collateralized by a security interest in Origen Financial L.L.C. s assets, which was subordinate in all respects to Origen Financial L.L.C. s institutional indebtedness, and a guaranty and pledge of assets by Bingham. Under a participation agreement, Sun Home Services, Woodward Holding, LLC and the Shiffman Trust committed to lend the following amounts:

Lender	Total Committed Amount
Sun Home Services	\$ 35.5 million
Woodward Holding, LLC	\$ 20.0 million
Shiffman Trust	\$ 2.5 million

On October 8, 2003, we repaid the entire principal balance of \$55.5 million and all interest owing under the Sun Loan Facility and the facility was terminated.

Purchases of Manufactured Home Loans. In June 2003, Origen Financial L.L.C. and Sun Home Services entered into a master loan purchase agreement under which Sun Home Services from time to time could purchase from Origen Financial L.L.C. manufactured home loans at a purchase price equal to the book value of the loans (the Sun Purchase Price), plus accrued and unpaid interest on the loans. From June through September 2003, Sun Home Services purchased an aggregate of approximately \$74.1 million in principal amount of manufactured home loans from Origen Financial L.L.C. under the master loan purchase agreement, all at the Sun Purchase Price. In a series of

several transactions from June 2003 through February 2004, Sun Home Services sold back to Origen Financial L.L.C. an aggregate of approximately \$74.3 million in principal amount of the manufactured home loans. Approximately \$73.0 million of these loans were previously purchased by Sun Home Services under the master loan purchase agreement and the remaining \$1.3 million of these loans were made under the Home Buying Made Easy Program described above. The purchase price for each such repurchase was equal to 100.10% of the Sun Purchase Price plus accrued and unpaid interest on the loans. Origen Financial L.L.C. paid approximately \$13.1 million of this aggregate purchase price to Sun Home Services by causing Origen Securitization Company, LLC, Origen Financial L.L.C.'s special purpose entity that holds residual securitization interests, to issue preferred equity interests in itself to Sun Home Services. In addition, on September 30, 2003, Origen Financial L.L.C. assigned to Sun Home Services its right to receive approximately \$7.4 million in preferred equity interests of Origen Securitization Company, LLC in partial satisfaction of indebtedness owing under the Sun Loan Facility, which interests Origen Securitization Company, LLC issued directly to Sun Home Services. Investment. On October 8, 2003, the master loan purchase agreement was terminated.

Origen Securitization Company Investment. In a series of three transactions from June through September 2003, Sun Home Services invested in preferred membership interests of Origen Securitization Company, LLC. The preferred interests accrued a distribution preference of 11.0% per annum on the net capital contributions of the member holding the preferred interests. Origen Securitization Company, LLC issued the preferred interests to Sun Home Services as consideration for its contribution of capital to Origen Securitization Company, LLC in connection with our securitization financing arrangement with Citigroup. On October 8, 2003, we redeemed all of the preferred interests, including those of Sun Home Services. In consideration of the redemption, we paid Sun Home Services approximately \$20.8 million, which represented the net capital contributions of Sun Home Services plus the accrued but unpaid distribution preferences with respect to those interests.

Relationships with Mr. Shiffman

In addition to the transactions with Sun Communities described above, we currently have the following business relationships with Mr. Shiffman and his affiliates:

Guaranty of Securitization Obligations. In connection with our securitization financing arrangement with Citigroup (see Risk Factors Risks Related to our Business We may not have access to capital to meet our anticipated needs, including our distribution obligations), Mr. Shiffman and William M. Related Party Lease. Our executive offices are located in approximately 20,000 square feet of leased space at 27777 Franklin Road, Suite 1700, Southfield, Michigan 48034. We lease our executive offices from an entity in which Mr. Shiffman and certain of his affiliates beneficially own approximately a 21% interest. The lease, which terminates on March 31, 2008, provides for monthly rent of approximately \$32,000. If no event of default exists and no default existed within a period of one year prior to notification of our intent to renew, we have the right to extend the initial term of the lease for two three year terms. The base rent for the option terms will be calculated at 95% of the then prevailing market rates for comparable renewal space, but in any event not less than the base rate payable at the end of the current term of the lease.

In addition, Origen Financial L.L.C. and we previously entered into the following business relationships with Mr. Shiffman and his affiliates. All of these transactions and relationships have been completed or terminated.

Capital Investment in Origen Financial, Inc. As part of our October 2003 private placement, an affiliate of Mr. Shiffman and his family purchased 1,025,000 shares of our common stock at a price per share equal to the offering price to other investors in the offering.

The purchase price was equal to the aggregate principal balance of the loans, plus all accrued but unpaid interest.

Origen Securitization Company Investment. In March 2003, two affiliates of Mr. Shiffman and his family invested in preferred membership interests of Origen Securitization Company, LLC. On October 8, 2003, we redeemed all of the preferred interests, including those of Mr. Shiffman's affiliates.
