ITEM 8.01. OTHER EVENTS

On June 15, 2006, the company issued the following press release:

**WEYERHAEUSER INCREASES REGULAR THIRD QUARTER
DIVIDEND BY 20 PERCENT TO 60 CENTS PER SHARE**

FEDERAL WAY, Wash. The board of directors of Weyerhaeuser Company (NYSE: WY) today declared a dividend of 60 cents per share on the common stock of the corporation payable August 28, 2006 to shareholders of record at the close of business August 4, 2006. This is an increase of 20 percent from the second quarter dividend of 50 cents per share.

Due to the company's ability to generate strong free cash flow, Weyerhaeuser has the financial capability to increase its regular quarterly dividend, as well as repurchase shares and continue to invest in certain businesses to enhance its leadership position in the industry. said Steven R. Rogel, chairman, president and chief executive officer. This dividend increase delivers on the board's commitment to return capital to shareholders, and it underscores the board's confidence in Weyerhaeuser's prospects for long-term growth and profitability. Independent of the dividend increase, we continue to execute our business strategies, including actively evaluating alternatives for our fine paper business. Weyerhaeuser Company (NYSE: WY), one of the world's largest integrated forest products companies, was incorporated in 1900. In 2005, sales were \$22.6 billion. It has offices or operations in 18 countries, with customers worldwide. Weyerhaeuser is principally engaged in the growing and harvesting of timber; the manufacture, distribution and sale of forest products; and real estate construction, development and related activities. Additional information about Weyerhaeuser's businesses, products and practices is available at <http://www.weyerhaeuser.com>.
