Dear Nabors Stockholder:

We are pleased to present for your approval a proposal for reorganizing your company and changing its place of incorporation from Delaware to Bermuda. If the reorganization is completed, the shares you own of Nabors Industries, Inc. (which we refer to as Nabors Delaware) will automatically be converted into the right to receive common shares of Nabors Industries Ltd., a Bermuda exempted company that we recently formed (which we refer to as Nabors Bermuda). The number of Nabors Bermuda shares you will own will be the same as the number of Nabors Delaware shares you own immediately prior to the completion of the reorganization, and your relative economic ownership in the company will remain unchanged. After completion of the reorganization, Nabors Bermuda and its subsidiaries will continue to conduct the business now conducted by Nabors Delaware and its subsidiaries.

We believe this reorganization will facilitate the growth of your company by enabling it to gain business, financial and strategic advantages that are not available under our current corporate structure. The reorganization should enhance our access to international capital markets and our competitiveness regarding international opportunities. It should also increase our operational flexibility and improve our global tax position and cash flow. Additionally, the company should be a more attractive investment alternative to a wider range of investors.

Nabors Delaware common stock is currently traded on the American Stock Exchange under the symbol "NBR" and, immediately following the reorganization, Nabors Bermuda common shares will be traded on the American Stock Exchange under the same symbol.

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

Generally, for U.S. federal income tax purposes, stockholders of Nabors Delaware who are U.S. persons, will recognize gain, if any, but not loss, on the receipt of Nabors Bermuda common shares in exchange for Nabors Delaware common stock pursuant to the reorganization. Further, the holding period for any Nabors Bermuda common shares received by a U.S. holder recognizing gain with respect to the reorganization should begin the day after the effective date of the reorganization. WE STRONGLY URGE YOU TO CONSULT YOUR OWN TAX ADVISORS REGARDING YOUR PARTICULAR TAX CONSEQUENCES OF THE REORGANIZATION.

This proxy statement/prospectus provides you with detailed information regarding the reorganization. We encourage you to read this entire document carefully. PLEASE CONSIDER THE RISK FACTORS BEGINNING ON PAGE 13.

The reorganization cannot be completed unless the holders of a majority of our outstanding shares of common stock on April 17, 2002 approve it. The reorganization will be accomplished through a merger of a newly formed acquisition company into Nabors Delaware, which will be the surviving company and continue to exist. Nabors Bermuda will become the indirect parent holding company of Nabors Delaware. Your Board of Directors has unanimously approved the Agreement and Plan of Merger to facilitate the reorganization, and it recommends that you vote "FOR" its adoption.

Whether or not you plan on attending the special meeting in person, it is important that your shares be represented and voted. After reading the enclosed notice of special meeting and proxy statement, please sign, date and return the enclosed proxy card. We urge you to join us in supporting this important opportunity.

Sincerely yours,

/s/ Eugene M. Isenberg
EUGENE M. ISENBERG

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This document contains or incorporates by reference forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, with respect to the reorganization and our financial condition, results of operations and business. This Act protects public companies from liability for forward-looking statements in private securities actions if the forward-looking statement is identified and is accompanied by meaningful cautionary statements identifying important factors that could cause actual results to differ materially. Forward-looking statements by their nature involve a degree of uncertainty. All statements regarding the expected benefits of the reorganization are forward-looking statements. The forward-looking statements may include statements for the period following completion of the reorganization. You can find many of these statements by looking for words such as "believes," "expects," "anticipates," "estimates," "continues," "may," "intends," "plans," or similar expressions in this document or in the documents incorporated by reference. Any forward-looking statements, including statements regarding the intent, belief or current expectations of Nabors or its management, are not guarantees of future performance and involve uncertainties and assumptions about us, the reorganization and the industry in which we operate, including, among other things:

- an inability to realize expected benefits of the reorganization within the anticipated time frame, or at all;
- changes in tax laws, tax treaties or tax regulations and the interpretation or enforcement thereof or differing interpretation or enforcement of applicable law by the U.S. Internal Revenue Service (the "IRS") or other taxing authority;
- an inability to execute our business strategy;
- costs or difficulties related to the reorganization and related transactions, which could be greater than expected;
- fluctuations in worldwide prices and demand for oil and gas;
- fluctuations in levels of oil and gas exploration and development activities;
- fluctuations in the demand for contract drilling and workover services;
- the existence of operating risks inherent in the industry;
- changes in the rate of economic growth in the United States and other major international economies;
- changes in trade, monetary and fiscal policies worldwide;
- currency fluctuations;

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

- outcomes of pending and future litigation;
- the existence of competitors, technological changes and developments in the industry;
- changes in capital needs;

iv

- the existence of regulatory uncertainties and the possibility of political instability in any of the countries in which Nabors does or will do business; and
- changing rates of inflation and other economic or business conditions.

Actual results may differ materially from those expressed or implied by forward-looking statements. As you make your decision how to vote, please take into account that forward-looking statements speak only as of the date of this document or, in the case of documents incorporated by reference, the date of any such document and we do not intend to update or revise any of such forward-looking statements, whether as a result of new information, future events or otherwise.

v

QUESTIONS AND ANSWERS ABOUT THE REORGANIZATION

WHAT AM I BEING ASKED TO VOTE ON?

You are being asked to vote in favor of a merger by which Nabors Delaware will become a wholly-owned, indirect subsidiary of a new holding company, Nabors Bermuda. Your shares of Nabors Delaware common stock will automatically be converted into the right to receive an identical number of Nabors Bermuda common shares.

HOW WILL THE REORGANIZATION BE ACCOMPLISHED?

A new Delaware company, Nabors Acquisition Corp. VIII, which has been formed specifically for the merger, will merge into Nabors Delaware. Nabors Delaware will be the surviving company in the merger and become a wholly-owned, indirect subsidiary of Nabors Bermuda. As a result of the merger, each share of Nabors Delaware outstanding immediately prior to the effective time of the merger will automatically convert into the right to receive a common share of Nabors Bermuda. This procedure allows you to become a shareholder in Nabors Industries Ltd., the new Bermuda parent company of the entire Nabors Industries group of companies. After this merger, you will own an interest in a Bermuda holding company which, together with its subsidiaries, will continue to be engaged in the same business that Nabors Delaware and its subsidiaries were engaged in before the merger. The additional steps in the reorganization are more fully described in "The Reorganization -- Structure of the Reorganization" on page 15.

WHAT ARE THE BENEFITS TO THE COMPANY OF COMPLETING THIS REORGANIZATION?

We believe that a significant portion of our business is currently generated from non-U.S. markets. We believe the reorganization will allow us to take advantage of financial and other business opportunities that are not available under our current corporate structure, including:

- Maximization of our potential business growth and cash flow;

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

- Expansion of our international businesses as a result of greater flexibility in financing arrangements, transaction structuring and access to global capital;
- Increased competitiveness regarding domestic and international acquisition opportunities;
- Potential improvement of our global tax position and global cash management;
- Use of the greater cash flow to invest for further earnings growth; and
- Expansion of our investor base as our company's shares may become more attractive to non-U.S. investors.

We believe these benefits should enhance stockholder value. However, we cannot predict what impact, if any, the reorganization will have in the long-term in light of the fact that the achievement of our objectives depends on many things, including our ability to react to any changes in the tax laws and treaties of the various jurisdictions where we operate. See "The Reorganization -- Background and Reasons for the Reorganization" on page 15.

It is important to note that several senior members of the United States Congress have introduced legislation that, if enacted, would have the effect of eliminating the anticipated tax benefits of the transaction. In addition, several other members of the United States Congress and the Treasury Department have recently announced the intent to investigate transactions such as the reorganization. As a result of the increased scrutiny of such transactions, changes in the tax laws, tax treaties or tax regulations may occur, with prospective or retroactive effect, which could eliminate or substantially reduce the anticipated tax benefits of the reorganization or have a material adverse effect on the tax consequences of the reorganization to the company. If in response to any such changes the reorganized company or its subsidiaries undertake a corporate restructuring, such restructuring could result in additional material adverse tax consequences to the company or its shareholders.

WILL THE REORGANIZATION DILUTE MY OWNERSHIP INTEREST?

No. The reorganization will not dilute your ownership interest. Immediately after the reorganization is consummated you will own the same percentage of Nabors Bermuda common shares as you own of Nabors Delaware common stock immediately prior to the completion of the reorganization. After completion of the reorganization, the total number of outstanding common shares of Nabors Bermuda will be equal to the number of shares of common stock of Nabors Delaware that were outstanding immediately prior to the effective time of the merger. As of April 17, 2002, Nabors Delaware had 141,099,335 shares of common stock outstanding.

WILL NABORS DELAWARE STOCKHOLDERS BE TAXED AS A RESULT OF THE REORGANIZATION?

Generally, for U.S. federal income tax purposes, stockholders who are U.S. persons will recognize gain, if any, but not loss, on the receipt of Nabors Bermuda common shares in exchange for Nabors Delaware common stock pursuant to the reorganization. Such a holder will generally recognize gain equal to the excess, if any, of the fair market value of the Nabors Bermuda common shares received in exchange for Nabors Delaware common stock in the reorganization over the holder's adjusted tax basis in the shares of Nabors Delaware common stock exchanged therefor. Generally, any such gain will be capital gain. Further, the holding period for any Nabors Bermuda common shares received by a U.S. holder recognizing gain with respect to the reorganization should begin the day after

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

the effective date of the reorganization. Stockholders will not be permitted to recognize any loss realized on the exchange of their shares of Nabors Delaware common stock in the reorganization. In such case, the aggregate adjusted tax basis in the Nabors Bermuda common shares received would equal the aggregate adjusted tax basis of their shares of Nabors Delaware common stock. Thus, subject to any subsequent changes in the fair market value of the Nabors Bermuda common shares, any loss would be preserved.

WE STRONGLY URGE YOU TO CONSULT YOUR TAX ADVISORS REGARDING YOUR PARTICULAR TAX CONSEQUENCES OF THE REORGANIZATION.

WILL NABORS DELAWARE BE TAXED AS A RESULT OF THE REORGANIZATION?

We believe that Nabors Delaware should not incur a material amount of U.S. federal income or withholding tax as a result of the reorganization. It should be noted, however, that the IRS may not agree with this conclusion. If the IRS were to successfully challenge the tax treatment of the reorganization, this could have a material adverse effect on the company.

It is important to note that several senior members of the United States Congress have introduced legislation that, if enacted, would have the effect of eliminating the anticipated tax benefits of the transaction. In addition, several other members of the United States Congress and the Treasury Department have recently announced the intent to investigate transactions such as the reorganization. As a result of the increased scrutiny of such transactions, changes in the tax laws, tax treaties or tax regulations may occur, with prospective or retroactive effect, which could eliminate or substantially reduce the anticipated tax benefits of the reorganization or have a material adverse effect on the tax consequences of the reorganization to the company. If in response to any such changes the reorganized company or its subsidiaries undertake a corporate restructuring, such restructuring could result in additional material adverse tax consequences to the company or its shareholders.

WHEN DO YOU EXPECT TO COMPLETE THE REORGANIZATION?

We hope to complete the reorganization shortly after the special meeting of Nabors Delaware stockholders, assuming that the merger agreement is adopted by stockholders at that meeting.

WHY WAS BERMUDA SELECTED AS THE DOMICILE OF THE NEW PARENT COMPANY?

We chose Bermuda for its political stability, legal framework and business friendly environment. The first international (i.e., not locally owned) company was incorporated in Bermuda in the 1930s, and there are

2

currently many companies domiciled there which are publicly traded on U.S. and European markets. We also chose Bermuda because of our familiarity with Bermuda and its corporate legal system through our experience with certain subsidiaries of Nabors Delaware which have been incorporated in Bermuda since 1992. Under current Bermuda law, a Bermuda company is not required to pay taxes in Bermuda on either income or capital gains. In addition, despite certain differences, the corporate legal system, based on English law, is such that your rights as a Nabors Bermuda shareholder will be substantially unchanged from your rights as a stockholder in Nabors Delaware. We encourage you to read the section "Comparison of Rights of Stockholders" beginning on page 28 for a more detailed description of the differences between your rights under Delaware law and under Bermuda law.

Although Nabors Bermuda will be incorporated under Bermuda law, Nabors Bermuda will be legally managed and controlled through an executive office

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

located in Barbados. Therefore, in order to conduct business in Barbados, Nabors Bermuda will be registered as an external company in Barbados under the Barbados Companies Act, Cap. 308 of the laws of Barbados and licensed to operate as an "International Business Corporation" or "IBC". As a resident of Barbados, Nabors Bermuda should be entitled to the benefits under the income tax treaty entered into between the United States and Barbados. Under current Barbados law, an IBC will be required to pay a maximum rate of 2.5% income tax, which is gradually reduced to a minimum of 1% as income increases, on its non-Barbados source income.

WILL THE PROPOSAL AFFECT CURRENT OPERATIONS? WHAT ABOUT THE FUTURE?

The reorganization, which will move the company's domicile from Delaware to Bermuda, will have no immediate major impact on how we conduct day-to-day operations. The location of future operations will depend on the needs of our business, independent of our place of incorporation.

WHAT VOTE IS REQUIRED TO APPROVE THE TRANSACTION?

In order for us to effect the reorganization, we need affirmative votes from holders of a majority of the shares of Nabors Delaware common stock outstanding on April 17, 2002. SHARES FOR WHICH NO VOTES ARE CAST EFFECTIVELY WILL BE TREATED AS THOUGH THEY WERE VOTED AGAINST THE AGREEMENT AND PLAN OF MERGER, SO IT IS VERY IMPORTANT FOR ALL STOCKHOLDERS TO VOTE. See "The Special Meeting -- Vote Required for Approval" on page 23.

WILL I BE ABLE TO TRADE MY SHARES DURING THE TIME IT TAKES TO COMPLETE THE REORGANIZATION?

Yes.

HOW DO I VOTE IF MY SHARES ARE REGISTERED IN MY NAME?

You may vote by marking, signing and mailing your proxy card in the enclosed postage-prepaid envelope.

Please vote as soon as possible even if you currently plan to attend the meeting in person, so that your shares may be represented and voted at the special meeting.

HOW DO I VOTE IF MY BROKER HOLDS MY SHARES IN "STREET NAME"?

You should follow the voting instructions provided by your broker.

IF MY BROKER HOLDS MY SHARES IN "STREET NAME," WILL MY BROKER VOTE MY SHARES FOR ME?

No. If you do not provide your broker with instructions on how to vote your "street name" shares, your broker will not be permitted to vote them. You should complete and return the enclosed form of proxy or be sure to provide your broker with instructions on how to vote your shares.

3

WHAT DO I DO IF I WANT TO CHANGE MY VOTE?

There are three ways in which you may revoke your proxy and change your vote:

- First, you may send a written notice to our proxy solicitor, Georgeson Shareholder Communications Inc., stating that you would like to revoke

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

your proxy. This notice must be received prior to the special meeting.

- Second, you may complete and submit a new, later-dated proxy as described above. The latest dated proxy actually received by the company prior to the special meeting will be the one that is counted, and all earlier proxies will be revoked.
- Third, you may attend the special meeting and vote in person. Simply attending the meeting, however, will not revoke your proxy. At the special meeting, the chairman of the meeting will announce instructions for you to follow if you wish to revoke your proxy and vote in person at the meeting.

If you have instructed a broker to vote your shares, you must follow directions received from your broker to change or revoke your proxy.

DO I HAVE TO CHANGE MY STOCK CERTIFICATES?

Yes. At the effective time of the merger, two subsidiaries of Nabors Bermuda who are parties to the Agreement and Plan of Merger, Nabors US Holdings Inc. and Nabors Acquisition Corp. VIII, will cause a sufficient number of Nabors Bermuda common shares to be deposited with an exchange agent for the purpose of enabling stockholders to exchange their Nabors Delaware common stock certificates for certificates representing an equal number of Nabors Bermuda common shares. PLEASE DO NOT SEND ANY STOCK CERTIFICATES AT THIS TIME. After the merger occurs, the exchange agent previously appointed by Nabors US Holdings Inc. and Nabors Acquisition Corp. VIII in connection with the merger will send a letter of transmittal to shareholders that will provide instructions on these exchange procedures.

For further information, please see "The Reorganization -- Share Conversion; Exchange of Shares" on page 19.

We also maintain over 290 fluid hauling trucks, approximately 700 fluid storage tanks, eight salt water disposal wells and other auxiliary equipment used in domestic drilling and well-servicing operations. In addition, we market a fleet of 30 marine transportation and support vessels, primarily in the Gulf of Mexico, that provides transportation of drilling materials, supplies and crews for offshore rig operations and support for other offshore operations. And we manufacture and lease or sell top drives for a broad range of drilling rig applications, rig instrumentation and data collection equipment, and rig reporting software.

RECENT DEVELOPMENTS (SEE PAGE 21)

On April 26, 2002, Nabors Delaware announced that it had completed the previously announced acquisition of Enserco Energy Service Company Inc., a Canadian corporation. Under the terms of the acquisition, Nabors Exchangeco (Canada) Inc., a Canadian subsidiary of Nabors Delaware, acquired all of the outstanding common shares of Enserco pursuant to a plan of arrangement under the Canada Business Corporation Act in exchange for approximately Cdn. \$184 million in cash and approximately 3.55 million exchangeable shares of Nabors Exchangeco (Canada) Inc. which are exchangeable into Nabors Delaware common stock on a 1:1 basis. Approximately 2.64 million of the issued exchangeable shares were immediately exchanged for shares of Nabors Delaware common stock in accordance with the instructions of the holders of such exchangeable shares. The exchangeable shares of Nabors Exchangeco (Canada) Inc. have provisions which effectively confer on the holders of the exchangeable shares the same voting and economic rights in Nabors Delaware as the holders of Nabors Delaware common stock. The exchangeable shares will be listed on The Toronto Stock Exchange under the symbol "NBX". If the reorganization is completed, the exchangeable shares will, after the effective time of the reorganization, become exchangeable for Nabors Bermuda common shares.

On March 18, 2002, Nabors Delaware also separately acquired from two Enserco shareholders Enserco common shares representing approximately 20.5% of the issued and outstanding Enserco shares for Cdn. \$15.50 per share.

Enserco is an integrated energy services company providing production and drilling services to the North American oil and gas industry. Through its subsidiaries, Bonus Well Servicing and H&R Drilling, Enserco operates over 200 Canadian well-servicing rigs and 30 drilling rigs. See "Recent Developments" on page 21.

THE REORGANIZATION (SEE PAGE 15)

Our Board of Directors has unanimously approved and recommends that you adopt the Agreement and Plan of Merger which effectively changes your company's place of incorporation from Delaware to Bermuda. The reorganization will be accomplished through the merger of Nabors Acquisition into Nabors Delaware. Nabors Delaware will be the surviving company in the merger and will become a wholly-owned, indirect subsidiary of Nabors Bermuda. The terms of the merger are set forth in the Agreement and Plan of Merger attached as annex I to this proxy statement/prospectus. As a result of the merger, your shares of Nabors Delaware common stock will automatically convert into the right to receive Nabors Bermuda common shares so that you will own shares in a Bermuda corporation rather than a Delaware corporation. For a more detailed description of the differences between

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

your rights under Delaware law and under Bermuda law, please see "Comparison of Rights of Stockholders" on page 28. After completion of the reorganization, Nabors Bermuda and its subsidiaries will continue to conduct the business that Nabors Delaware and its subsidiaries now conduct.

6

The reorganization involves the following steps:

1. Nabors Acquisition will merge into Nabors Delaware. Nabors Delaware will be the surviving entity and become a wholly-owned, indirect subsidiary of Nabors Bermuda.

2. In the merger, each outstanding share of common stock of Nabors Delaware will automatically convert by operation of law into the right to receive one common share of Nabors Bermuda, and the current stockholders of Nabors Delaware will own exactly the same number of Nabors Bermuda common shares as they currently own in Nabors Delaware. For a description of the terms of the Nabors Bermuda common shares, please see the discussion under "Description of Authorized Shares of Nabors Industries Ltd." on page 24.

Stockholders will be required to exchange their stock certificate(s) as a result of the merger. Each outstanding certificate representing shares of Nabors Delaware shall automatically represent the right to receive the same number of Nabors Bermuda common shares. Following the merger, certificates bearing the name of Nabors Bermuda will be issued upon surrender of certificates bearing the name of Nabors Delaware for exchange or transfer to an exchange agent appointed by Nabors US Holdings and Nabors Acquisition.

REASONS FOR THE REORGANIZATION (SEE PAGE 15)

International activities are an important part of our current business and we believe that international operations will account for a greater percentage of our total revenues in the future. Expansion of our international business is an important part of our current business strategy and significant growth opportunities exist in the international marketplace. We believe that reorganizing as a Bermuda corporation will allow us to implement our business strategy more effectively.

We believe that the reorganization should increase our access to international capital markets and acquisition opportunities, increase our attractiveness to non-U.S. investors, improve global cash management, improve global tax position and result in a more favorable corporate structure for expansion of our current business. We anticipate that the reorganization may result in significant tax savings net of tax costs. However, we cannot give any assurance as to what our tax savings net of tax costs will be after the reorganization. In addition, a number of our competitors have reincorporated outside of the United States to achieve these competitive advantages. We believe the reorganization will allow us to compete more effectively on a global scale.

For a discussion of the risk factors associated with the reorganization, please see the discussion under "Risk Factors" on page 13.

CONDITIONS TO CONSUMMATION OF THE MERGER (SEE PAGE 17)

The consummation of the reorganization is conditioned on several factors, including the affirmative vote of the holders of a majority of the outstanding shares of common stock of Nabors Delaware entitled to vote at the special meeting and that none of the parties to the Agreement and Plan of Merger is subject to any governmental authority which prohibits the consummation of the reorganization.

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

For additional factors, please see "The Reorganization -- Conditions to Consummation of the Merger" on page 17.

REGULATORY APPROVALS (SEE PAGE 18)

Through various subsidiaries, Nabors Delaware owns a fleet of approximately 30 vessels which provide transportation of drilling materials, supplies and crews for offshore rig operations and support for other offshore operations to third parties, principally through time charter contracts. Under United States laws and regulations of the United States Coast Guard, these vessels are considered to be operating in the "coastwise trades" and accordingly must be owned by an entity which is a United States citizen for these purposes as determined by the Coast Guard. After the reorganization is completed, Nabors Bermuda will be deemed to be the ultimate owner of the vessels and will not qualify as a United States citizen for the purposes of these

7

regulations. If the merger agreement is adopted by stockholders, Nabors Delaware anticipates it will undertake transactions with respect to the vessels to satisfy United States law and the Coast Guard regulations while retaining legal title and an economic participation in the utilization of the vessels. By letter dated March 20, 2002, the Coast Guard granted preliminary approval for the structure Nabors Delaware will utilize for these transactions. Formal application will be made to the Coast Guard for final approval to document the vessels in the name of a Nabors Delaware subsidiary and approve such transactions. While Nabors Delaware expects that such applications will be approved, there can be no assurance that the Coast Guard will approve such applications. If the Coast Guard does not approve such applications, Nabors Delaware will consider alternative methods to satisfy the citizenship requirements. For further discussion of the vessel transactions and the Coast Guard approval see "The Reorganization -- Regulatory Approvals" on page 18.

CREDIT FACILITIES (SEE PAGE 21)

As a result of the merger, we may fail to comply with certain covenants contained in a credit agreement, dated as of September 5, 1997, as amended, among Nabors Delaware, its subsidiaries, Bank of America National Trust and Savings Association, Wells Fargo Bank (Texas), National Association and some other financial institutions. Currently, there is no indebtedness outstanding under this \$200 million credit agreement. Due to its current cash position, Nabors Delaware does not anticipate having to borrow under this facility for the foreseeable future. Nabors Delaware presently intends to seek a waiver in connection with this potential default, although there can be no assurance that Nabors Delaware will obtain such a waiver. If no waiver is obtained, we cannot borrow under the credit agreement. In addition, this default would cause a cross-default under a \$30 million letter of credit facility with Bank of America, N.A., dated January 7, 2002. As of March 20, 2002, there is approximately \$25 million outstanding under such letter of credit facility. Nabors Delaware presently intends to seek a waiver in connection with this potential cross-default, although there can be no assurance that Nabors Delaware will obtain such a waiver. If no waiver is obtained, we will have to replace this letter of credit facility or cash collateralize such letters of credit. Nabors Delaware does not believe such potential defaults will adversely affect it, its operations or its stockholders or Nabors Bermuda or its shareholders if the merger is completed. The credit agreement and letter of credit facility are currently scheduled to expire in September 2002. It is currently anticipated that Nabors Delaware (or Nabors Bermuda if the merger is completed) would seek to obtain a replacement credit facility and letter of credit facility beginning in the second quarter of 2002.

U.S. FEDERAL INCOME TAX CONSEQUENCES TO STOCKHOLDERS (SEE PAGE 40)

Generally, for U.S. federal income tax purposes, stockholders who are U.S. persons will recognize gain, if any, but not loss, on the receipt of Nabors Bermuda common shares in exchange for Nabors Delaware common stock pursuant to the reorganization. Such a holder will generally recognize gain equal to the excess, if any, of the fair market value of the Nabors Bermuda common shares received in exchange for Nabors Delaware common stock in the reorganization over the holder's adjusted tax basis in the shares of Nabors Delaware common stock exchanged therefor. Generally, any such gain will be capital gain. Further, the holding period for any Nabors Bermuda common shares received by a U.S. holder recognizing gain with respect to the reorganization should begin the day after the effective date of the reorganization. Stockholders will not be permitted to recognize any loss realized on the exchange of their shares of Nabors Delaware common stock in the reorganization. In such case, the aggregate adjusted tax basis in the Nabors Bermuda common shares received would equal the aggregate adjusted tax basis of their shares of Nabors Delaware common stock. Thus, subject to any subsequent changes in the fair market value of Nabors Bermuda common shares, any loss would be preserved. The holding period for any Nabors Bermuda common shares received by U.S. holders with a loss on their Nabors Delaware common stock will include the holding period of the Nabors Delaware common stock exchanged therefor.

WE STRONGLY URGE YOU TO CONSULT YOUR TAX ADVISORS REGARDING YOUR PARTICULAR TAX CONSEQUENCES OF THE REORGANIZATION.

8

A more detailed discussion of the material U.S. federal income tax consequences of the reorganization to the stockholders of Nabors Delaware is set forth under the heading "Income Tax Consequences of the Reorganization -- U.S. Federal Income Tax Consequences to Stockholders" on page 40.

RIGHTS OF STOCKHOLDERS (SEE PAGE 28)

The principal attributes of the Nabors Delaware common stock and the Nabors Bermuda common shares will be substantially similar. There are differences, however, between the rights of stockholders under Delaware law and shareholders under Bermuda law. In addition, there are differences between our current certificate of incorporation and by-laws and Nabors Bermuda's memorandum of association and bye-laws. We encourage you to read the section titled "Comparison of Rights of Stockholders" on page 28 for a more detailed discussion of these differences.

STOCK EXCHANGE LISTING; RECENT STOCK PRICES (SEE PAGE 21)

Immediately following the merger, Nabors Bermuda's common shares will be listed on the American Stock Exchange under the symbol "NBR", the same symbol under which Nabors Delaware's common stock is currently listed. Based on prior transactions similar to the reorganization by member companies of the S&P 500 Index, we believe that the pending change of domicile to Bermuda should not affect the company's status as a member of the S&P 500 Index.

The closing price per share of our shares on the American Stock Exchange was \$46.14 on May 9, 2002. The high and low sales prices of Nabors Delaware's common stock on the American Stock Exchange were \$35.49 and \$34.30 on December 31, 2001, the last trading day before the public announcement of the reorganization.

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

NO RIGHTS OF DISSENTING STOCKHOLDERS (SEE PAGE 20)

Under the Delaware General Corporation Law, you will not have "dissenters" or appraisal rights in connection with the merger and the reorganization.

ACCOUNTING TREATMENT OF THE REORGANIZATION (SEE PAGE 21)

The reorganization will be accounted for as a reorganization of entities under common control which will not result in changes in our historical consolidated carrying amount of assets, liabilities and stockholders' equity.

SPECIAL MEETING (SEE PAGE 22)

Time, Date, Place. The special meeting of stockholders will be held at 11:00 a.m., local time, on Friday, June 14, 2002 at the Sofitel Hotel, 425 N. Sam Houston Parkway E., Houston, Texas 77060.

Record Date. Only stockholders of record at the close of business on April 17, 2002, as shown in our records, will be entitled to vote, or to grant proxies to vote, at the special meeting.

Quorum. The presence, in person or by proxy, of stockholders holding a majority of the shares of Nabors Delaware entitled to vote will constitute a quorum.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS OF NABORS DELAWARE UNANIMOUSLY APPROVED THE AGREEMENT AND PLAN OF MERGER AND DECLARED ITS ADVISABILITY AND RECOMMENDS THAT YOU VOTE "FOR" ITS ADOPTION.

VOTE REQUIRED (SEE PAGE 23)

ADOPTION OF THE AGREEMENT AND PLAN OF MERGER REQUIRES THE AFFIRMATIVE VOTE OF HOLDERS OF A MAJORITY OF THE SHARES OF NABORS DELAWARE

9

COMMON STOCK OUTSTANDING ON APRIL 17, 2002. ABSTENTIONS AND BROKER NON-VOTES WILL THEREFORE EFFECTIVELY BE COUNTED AS VOTES AGAINST ADOPTION OF THE MERGER AGREEMENT. As of the April 17, 2002 record date, there were 141,099,335 Nabors Delaware shares outstanding and entitled to vote. As of the record date, our directors and executive officers and their affiliates directly owned or are entitled to vote, in the aggregate, approximately 1,846,378 shares of Nabors Delaware common stock, which represents approximately 1.3% of the outstanding shares of Nabors Delaware common stock. These persons have informed us that they intend to vote their shares in favor of the proposal to adopt the Agreement and Plan of Merger. Like other Nabors Delaware stockholders, for U.S. federal income tax purposes, certain of such directors and executive officers, including the Chairman of the board of Nabors Delaware, will recognize gain on the receipt of Nabors Bermuda common shares in exchange for their Nabors Delaware common stock pursuant to the reorganization.

PROXIES (SEE PAGE 23)

GENERAL

Stockholders of record may vote by marking, signing and mailing your proxy card in the enclosed postage-prepaid envelope.

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

If you hold your Nabors Delaware shares in the name of a bank, broker or other nominee, you should follow the instructions provided by your bank, broker or nominee when voting your shares. To be effective, a form of proxy must be received by us prior to the beginning of voting at the special meeting.

REVOCATION

There are three ways in which you may revoke your proxy and change your vote:

- First, you may send a written notice to our proxy solicitor, Georgeson Shareholder Communications Inc., stating that you would like to revoke your proxy. This notice must be received prior to the special meeting.
- Second, you may complete and submit a new later-dated proxy as described above. The latest dated proxy actually received by the company prior to the special meeting will be the one that is counted, and all earlier proxies will be revoked.
- Third, you may attend the special meeting and vote in person. Simply attending the meeting, however, will not revoke your proxy. At the special meeting, the chairman of the meeting will announce instructions for you to follow if you wish to revoke your proxy and vote in person at the meeting.

If you have instructed a broker to vote your shares, you must follow directions received from your broker to change or revoke your proxy.

SELECTED HISTORICAL CONSOLIDATED FINANCIAL DATA

The selected historical consolidated financial data of Nabors Delaware in the table below were derived from Nabors Delaware's audited consolidated financial statements as of and for the four years ended December 31, 2001, as of and for the year ended September 30, 1997 and a transition period for the three months ended December 31, 1997. Nabors Delaware changed its fiscal year end from September 30 to December 31, effective for the fiscal year beginning January 1, 1998. A three-month transition period from October 1, 1997 through December 31, 1997 preceded the start of Nabors Delaware's new fiscal year. Nabors Delaware has recast its financial data to conform to the presentation of the twelve months ended December 31, 1997 by adjusting its audited results for the year ended September 30, 1997 to exclude the unaudited results for the quarter ended December 31, 1996 and to include the audited results for the quarter ended December 31, 1997. This data should be read in conjunction with the audited consolidated financial statements of Nabors Delaware, including the notes to the financial statements, incorporated by reference into this proxy statement/prospectus.

We have not included data for Nabors Bermuda, Nabors Acquisition or Nabors US Holdings because they did not conduct business during any of the periods discussed below.

SUMMARY PRO FORMA FINANCIAL INFORMATION

A pro forma condensed consolidated balance sheet for Nabors Bermuda is not presented in this proxy statement/prospectus because there would be no significant pro forma adjustments required to be made to the historical consolidated balance sheet of Nabors Delaware as of December 31, 2001. That balance sheet is included in Nabors Delaware's Annual Report on Form 10-K for the year ended December 31, 2001.

A pro forma condensed consolidated income statement for Nabors Bermuda is not presented in this proxy statement/prospectus because there would be no significant pro forma adjustments required to be made to income from operations in the historical consolidated income statement of Nabors Delaware for the year ended December 31, 2001. That income statement is included as an exhibit to Nabors Delaware's Annual Report on Form 10-K for the fiscal year ended December 31, 2001.

Costs incurred in connection with the reorganization are not expected to be material and are expensed as incurred.

RISK FACTORS

CERTAIN NABORS DELAWARE STOCKHOLDERS WILL RECOGNIZE A TAXABLE GAIN AS A RESULT OF THE REORGANIZATION.

Generally, for U.S. federal income tax purposes, stockholders who are U.S.

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

persons will recognize gain, if any, but not loss, on the receipt of Nabors Bermuda common shares in exchange for Nabors Delaware common stock pursuant to the reorganization. Such a holder will generally recognize gain equal to the excess, if any, of the fair market value of the Nabors Bermuda common shares received in exchange for Nabors Delaware common stock in the reorganization over the holder's adjusted tax basis in the shares of Nabors Delaware common stock exchanged therefor. Generally, any such gain will be capital gain. Further, the holding period for any Nabors Bermuda common shares received by a U.S. holder recognizing gain with respect to the reorganization should begin the day after the effective date of the reorganization. Stockholders will not be permitted to recognize any loss realized on the exchange of their shares of Nabors Delaware common stock in the reorganization. In such case, the aggregate adjusted tax basis in the Nabors Bermuda common shares received would equal the aggregate adjusted tax basis of their shares of Nabors Delaware common stock. Thus, subject to any subsequent changes in the fair market value of Nabors Bermuda common shares, any loss would be preserved.

WE STRONGLY URGE YOU TO CONSULT YOUR TAX ADVISORS REGARDING YOUR PARTICULAR TAX CONSEQUENCES OF THE REORGANIZATION.

NABORS BERMUDA AND ITS SUBSIDIARIES COULD INCUR A MATERIAL AMOUNT OF TAXES IF THERE ARE UNFAVORABLE CHANGES IN, OR INTERPRETATIONS OF, TAX LAWS.

Several senior members of the United States Congress have introduced legislation that, if enacted, would have the effect of eliminating the anticipated tax benefits of the transaction. Each of the proposed bills, for U.S. federal tax purposes, would treat a foreign corporation, such as Nabors Bermuda, that undertakes a corporate expatriation transaction such as the reorganization as a domestic corporation and, thus, such foreign corporation would be subject to U.S. federal tax. Each of the proposed bills would have retroactive effect to inversion transactions occurring after specified dates in 2001 or 2002. If any of the proposed legislation were enacted in their present forms and with their proposed effective dates, the anticipated tax savings from the reorganization would not be realized.

In addition, several other members of the United States Congress and the Treasury Department have recently announced the intent to investigate transactions such as the reorganization. As a result of the increased scrutiny of such transactions, changes in the tax laws, tax treaties or tax regulations may occur, with prospective or retroactive effect, which could eliminate or substantially reduce the anticipated tax benefits of the reorganization or subject the company to material tax liability as a result of the reorganization. If in response to any such changes the reorganized company or its subsidiaries undertake a corporate restructuring, such restructuring could result in additional material adverse tax consequences to the company or its shareholders.

In addition, the IRS or other taxing authority could disagree with our assessment of the effects or interpretation of existing laws, regulations and treaties, which could have a material adverse effect on the tax consequences of the reorganization, the tax consequences of the future operations of the reorganized company and its subsidiaries or otherwise have a material adverse effect on the tax consequences to the company or its shareholders.

THE REORGANIZATION COULD RESULT IN A MATERIAL AMOUNT OF TAXES TO NABORS DELAWARE.

Although we believe that Nabors Delaware should not incur a material amount of U.S. federal income or withholding tax as a result of the reorganization, the IRS may not agree with this conclusion. If the IRS were to successfully challenge the tax treatment of the reorganization, Nabors Delaware could incur a material amount of U.S. federal income or withholding tax as a result of the reorganization.

NABORS BERMUDA MAY BECOME SUBJECT TO U.S. CORPORATE INCOME TAX.

Although Nabors Delaware and its subsidiaries will continue to be subject to U.S. corporate income tax on their operations after the reorganization, Nabors Bermuda anticipates that its non-U.S. operations will not be subject to U.S. corporate income tax, other than withholding taxes imposed on certain U.S. source income. If, however, Nabors Bermuda becomes subject to U.S. corporate income tax, Nabors Bermuda's net income could be reduced.

Nabors Bermuda and other non-U.S. Nabors affiliates will conduct their operations in a manner intended to ensure that Nabors Bermuda and its non-U.S. affiliates do not engage in the conduct of a U.S. trade or business and, thus, Nabors Bermuda and its non-U.S. affiliates believe that they should not be required to pay U.S. corporate income tax, other than withholding tax on certain U.S. source income. However, if the IRS successfully contends that Nabors Bermuda or any of its non-U.S. affiliates are engaged in a trade or business in the U.S., Nabors Bermuda or that non-U.S. affiliate would be required to pay U.S. corporate income tax on income that is subject to the taxing jurisdiction of the U.S., and possibly the U.S. branch profits tax.

THE ENFORCEMENT OF JUDGMENTS IN STOCKHOLDER SUITS AGAINST NABORS BERMUDA MAY BE MORE DIFFICULT.

Nabors Bermuda is a Bermuda exempted company. As a result, it may be difficult for you to effect service of process within the United States or to enforce judgments obtained against Nabors Bermuda in United States courts. This difficulty may adversely affect your rights in this regard as a shareholder of Nabors Bermuda when compared to your rights as a stockholder of Nabors Delaware. Nabors Bermuda will irrevocably agree that it may be served with process with respect to actions based on offers and sales of securities made in the United States and other violations of U.S. securities laws by having Nabors Industries, Inc. (Nabors Delaware) located at 515 West Greens Road, Suite 1200, Houston, Texas 77067, be its United States agent appointed for that purpose.

Nabors Bermuda has been advised by its Bermuda counsel, Appleby, Spurling & Kempe, that a judgment for the payment of money rendered by a court in the United States based on civil liability would not be automatically enforceable in Bermuda. Nabors Bermuda has also been advised by Appleby, Spurling & Kempe that a final and conclusive judgment obtained in a court of competent jurisdiction in the United States under which a sum of money is payable (not being a sum payable in respect of taxes or other charges of a like nature, in respect of a fine or other penalty, or in respect of multiple damages as defined in the Protection of Trading Interests Act of 1981) may be the subject of an action in the Supreme Court of Bermuda under the common law doctrine of obligation, by action on the debt evidenced by the court's judgment. Such an action should be successful upon proof that the sum of money is due and payable, and without having to prove the facts supporting the underlying judgment, as long as:

- the court that gave the judgment was competent to hear the action in accordance with private international law principles as applied by the courts in Bermuda; and
- the judgment is not contrary to public policy in Bermuda, was not obtained by fraud or in proceedings contrary to natural justice of Bermuda and is not based on an error in Bermuda law.

A Bermuda court may impose civil liability on Nabors Bermuda or its directors or officers in a suit brought by shareholders or others in the Supreme

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

Court of Bermuda against Nabors Bermuda or such persons with respect to facts that constitute a violation of U.S. federal securities laws only if the facts surrounding such violation would constitute or give rise to a cause of action under Bermuda law.

ANTI-TAKEOVER PROVISIONS IN NABORS BERMUDA'S BYE-LAWS WILL MAINTAIN CERTAIN EXISTING ANTI-TAKEOVER PROVISIONS OF NABORS DELAWARE WHICH COULD DISCOURAGE OR MAKE MORE DIFFICULT UNSOLICITED TAKEOVER BIDS FROM THIRD PARTIES OR THE REMOVAL OF INCUMBENT MANAGEMENT OF NABORS BERMUDA.

Similar to the current authority of Nabors Delaware's board of directors, the board of directors of Nabors Bermuda may issue preferred shares and determine their rights and qualifications. The issuance of preferred shares might discourage or make more difficult unsolicited takeover bids from third parties.

14

In addition, provisions in Nabors Bermuda's bye-laws, which replicate or are similar to certain provisions of Nabors Delaware's restated certificate of incorporation and by-laws, similarly could discourage or make more difficult unsolicited takeover bids from third parties or the removal of incumbent management. These provisions include:

- a classified board of directors; and
- the requirement that the written request of the holders of record of not less than 10% of the Nabors Bermuda common shares then outstanding is necessary for shareholders to validly call a special meeting.

YOUR RIGHTS AS A STOCKHOLDER WILL CHANGE AS A RESULT OF THE REORGANIZATION.

Because of differences in Bermuda law and Delaware law and differences in the governing documents of Nabors Bermuda and Nabors Delaware, your rights as a stockholder will change if the reorganization is completed. For example, in general, it may be more difficult for you to bring a shareholder derivative suit on behalf of the company under Bermuda law than it is to bring such a suit under Delaware law. In addition, provisions in Nabors Bermuda's bye-laws will place time limitations on your ability to submit shareholder proposals and nominations for directors which are not included in Nabors Delaware's by-laws. For a description of these and other differences, see "Comparison of Corporate Governance Provisions" beginning on page 30.

THE REORGANIZATION

STRUCTURE OF THE REORGANIZATION

The Board of Directors has unanimously approved and recommends that you adopt the Agreement and Plan of Merger whereby we will change our domicile from Delaware to Bermuda. The reorganization will be accomplished through the merger of Nabors Acquisition into Nabors Delaware. Nabors Delaware will be the surviving company in the merger and become a wholly-owned, indirect subsidiary of Nabors Bermuda. The terms of the merger are set forth in the Agreement and Plan of Merger attached as annex I to this proxy statement/prospectus. As a result of the merger your shares of Nabors Delaware common stock will automatically convert into the right to receive the same number of Nabors Bermuda common shares.

After completion of the reorganization, you will own an interest in a Bermuda holding company which, through Nabors Delaware and its other subsidiaries, will be engaged in the same business that Nabors Delaware and its

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

subsidiaries were engaged in prior to the reorganization.

The reorganization involves the following steps:

1. Nabors Acquisition will merge into Nabors Delaware. Nabors Delaware will be the surviving entity and become a wholly-owned, indirect subsidiary of Nabors Bermuda.

2. In the merger, each outstanding share of common stock of Nabors Delaware will automatically convert by operation of law into the right to receive one common share of Nabors Bermuda, and the current stockholders of Nabors Delaware will own exactly the same number of Nabors Bermuda common shares. For a description of the terms of the Nabors Bermuda common shares, please see the discussion under "Description of Authorized Shares of Nabors Industries Ltd." on page 24.

BACKGROUND AND REASONS FOR THE REORGANIZATION

INTERNATIONAL EXPANSION

International activities are an important part of our current business. Internationally, operating revenues and earnings from unconsolidated affiliates were approximately \$279 million in 2000 and \$344.5 million in 2001, accounting for approximately 20% and 16%, respectively, of our total operating revenues and earnings from unconsolidated affiliates in such years. Approximately 142 rigs of our approximately 596 land drilling rig

15

fleet currently are located outside of the United States and approximately 14 rigs of our 60 offshore rig fleet currently are positioned outside of United States waters. We believe that a substantial portion of future opportunities for our services will be outside of the United States and accordingly, we believe international operations will account for a greater percentage of our total revenues in the future. We believe that reorganizing Nabors Delaware as a Bermuda corporation will give us competitive advantages not available to a U.S. company. As a Bermuda company, we believe we will have greater access to international capital markets and international acquisition opportunities, which will allow us to implement our international expansion strategy more effectively. In addition, a number of our competitors have reincorporated outside of the United States to achieve these competitive advantages. We believe the reorganization will allow us to compete more effectively on a global scale.

GLOBAL TAX POSITION

The board is recommending the reorganization in part because it believes that the reorganization will improve our global tax position and should maximize potential growth and cash flow. We anticipate that the reorganized structure may enhance our ability to realize significant tax savings net of tax costs. However, we cannot give any assurance as to what our tax savings net of tax costs will be after the reorganization. After the reorganization our tax rate will depend on, among other things, profitability and the relative mix of our operations worldwide and our ability to react to any changes in tax laws, treaties and policies and the interpretation of such laws, treaties and policies in the jurisdictions where we operate. Our actual effective tax rate may vary materially from our expectation.

As a result of an improvement in cash flow we believe we will be able to:

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

- maximize existing business growth and cash flow; and
- commit additional capital to international expansion.

Nabors Bermuda will be indirectly subject to U.S. tax on income earned from its U.S. business much as we are now. However, we believe the reorganization:

- will potentially improve our global tax position;
- may facilitate foreign tax savings through a more flexible corporate structure; and
- may provide future U.S. tax savings to the extent that new foreign businesses may be held by Nabors Bermuda without any intervening U.S. owners.

Thus the new corporate structure should give us greater flexibility in seeking to lower our worldwide tax liability and effective tax rate.

In addition, Nabors Delaware's board believes that the reorganization will result in a more favorable corporate structure for expansion of our current business because it will facilitate the cost effective acquisition and operation of non-U.S. businesses.

It is important to note that several senior members of the United States Congress have introduced legislation that, if enacted, would have the effect of eliminating the anticipated tax benefits of the transaction. In addition, several other members of the United States Congress and the Treasury Department have recently announced the intent to investigate transactions such as the reorganization. As a result of the increased scrutiny of such transactions, changes in the tax laws, tax treaties or tax regulations may occur, with prospective or retroactive effect, which could eliminate or substantially reduce the anticipated tax benefits of the reorganization or have a material adverse effect on the tax consequences of the reorganization to the company. If in response to any such changes the reorganized company or its subsidiaries undertake a corporate restructuring, such restructuring could result in additional material adverse tax consequences to the company or its shareholders.

16

POTENTIAL EXPANSION OF INVESTOR BASE

The board also believes that the reorganization may increase Nabors Bermuda's attractiveness to non-U.S. investors. Estate taxes are payable in some cases in respect of the value of shares in a U.S. corporation owned by a non-U.S. investor. Although Nabors Delaware has not paid any dividends on its common stock since 1982, distributions with respect to stock in a U.S. corporation to nonresident aliens could be subject to withholding taxes under the Internal Revenue Code of 1986, as amended (the "Code"). As we will be a non-U.S. corporation following the reorganization, these taxes will generally no longer be applicable to non-U.S. investors. Under existing Bermuda law, there will be no Bermuda income or withholding tax on dividends, if any, paid by Nabors Bermuda to its shareholders. Furthermore, no Bermuda tax or other levy is payable on the sale or other transfer (including by gift or on the death of the shareholder) of Nabors Bermuda common shares (other than by shareholders resident in Bermuda). Likewise, under existing Barbados law, there will be no Barbados income or withholding tax on dividends, if any, paid by Nabors Bermuda to its shareholders. Furthermore, U.S. shareholders will not be subject to any Barbados taxation on the sale or other transfer (including by gift or on the death of the shareholder) of Nabors Bermuda common shares. Nabors Bermuda is not aware of any other taxes that non-U.S. residents might incur that could

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

discourage an investment in Nabors Bermuda as compared to an investment in Nabors Delaware. As a result, non-U.S. investors may be more receptive to an investment in Nabors Bermuda common shares.

In addition to the potential benefits described above, the reorganization will expose you to some risks. Please see the discussion under "Risk Factors" on page 13. There are also differences between the Delaware and the Bermuda corporate law and the organizational documents of Nabors Delaware and Nabors Bermuda. For a discussion of these differences, please see "Comparison of Rights of Stockholders" on page 28. The board of directors has determined that the potential advantages of the reorganization substantially outweigh these risks and differences. Accordingly, the board of directors of Nabors Delaware has unanimously approved the Agreement and Plan of Merger and declared its advisability and recommends that stockholders vote "FOR" its adoption. However, no assurances can be given that the anticipated benefits of the reorganization will be realized.

THE MERGER AGREEMENT

Nabors Delaware, Nabors Bermuda, Nabors Acquisition and Nabors US Holdings have entered into the merger agreement, which is the legal document that governs the merger. We recommend that you read carefully the complete merger agreement for the precise legal terms of the merger and other information that may be important to you. The merger agreement is included in this proxy statement/prospectus as annex I and is incorporated in this document by reference.

CONDITIONS TO CONSUMMATION OF THE MERGER

The merger will not be completed unless, among other things, the following conditions are satisfied or, if allowed by law, waived:

- the merger agreement is adopted by the affirmative vote of holders of a majority of the shares of Nabors Delaware common stock outstanding on the record date;
- none of the parties to the merger agreement is subject to any governmental decree, order or injunction that prohibits the consummation of any of the steps in the reorganization;
- the registration statement of which this proxy statement/prospectus is a part is declared effective by the Securities and Exchange Commission, and no stop order is in effect;
- the Nabors Bermuda common shares to be issued pursuant to the merger are approved for listing on the American Stock Exchange, subject to official notice of issuance;
- all filings required by a governmental or regulatory agency are made; and
- all consents and approvals required by any governmental or regulatory agency and all other material third-party consents are received.

17

We are parties to agreements that require the consent of third parties prior to the implementation of the merger. We believe that we will obtain all material consents required prior to the completion of the merger and that the failure to obtain any other consents will not have a material impact on our business or our ability to consummate the reorganization.

REGULATORY APPROVALS

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

Through various subsidiaries, Nabors Delaware owns a fleet of approximately 30 vessels which provide transportation of drilling materials, supplies and crews for offshore rig operations and support for other offshore operations to third parties, principally through time charter contracts. Under a time charter contract, an operator, a subsidiary of Nabors Delaware, operates the vessels to provide the transportation services required by the third parties. Annual revenues generated by this vessel fleet for each of the years 2000 and 2001 were less than 3.5% of Nabors Delaware's total consolidated revenues in such years. Under United States laws and regulations of the United States Coast Guard, these vessels are considered to be operating in the "coastwise trades" and accordingly must be owned by an entity which is a United States citizen for these purposes as determined by the Coast Guard. After the reorganization is completed, Nabors Bermuda will be deemed to be the ultimate owner of the vessels and will not qualify as a United States citizen for these purposes.

Accordingly, if stockholders of Nabors Delaware adopt the merger agreement, Nabors Delaware will undertake actions to satisfy these citizenship requirements. Specifically, Nabors Delaware anticipates that it will transfer title of the vessels and assign charter contracts to Nabors US Finance LLC, an indirect, Delaware subsidiary of Nabors Delaware. Nabors US Finance will enter into a contract called a "bareboat charter" with an independent third party which will "time charter" the vessels back to a subsidiary of Nabors Bermuda. Under the terms of the bareboat charter, the independent third party will have full possession, control and command of the vessels, will man, equip, maintain and repair the vessels and will operate them as directed by the Nabors Bermuda subsidiary under the time charter. The time charter contract will be between the Nabors Bermuda subsidiary and the independent third party pursuant to which the independent third party will operate the vessels to provide transportation services to the Nabors Bermuda subsidiary at such subsidiary's direction. The independent third party will qualify as a United States citizen under sections 2(a) and (c) of the Shipping Act, 1916, as amended, and for purposes of the Coast Guard regulations. This transaction structure will allow the Nabors group to retain legal title and an economic participation in the utilization of the vessels through their employment under the time charter while satisfying the Coast Guard's citizenship requirements. By letter dated March 20, 2002, the Coast Guard granted preliminary approval for the structure Nabors Delaware will utilize for these transactions. If shareholders adopt the merger agreement, Nabors US Finance will submit formal applications to the Coast Guard to document the vessels in its name and approve the transactions described above. While Nabors Delaware expects that such applications will be approved, there can be no assurance that the Coast Guard will approve such applications. If the Coast Guard does not approve such applications, Nabors Delaware will consider alternative methods to satisfy the citizenship requirements.

EFFECTIVE TIME

If the merger agreement is adopted by the requisite vote of our stockholders, the merger will become effective upon the filing of a certificate of merger with the Secretary of State of the State of Delaware in accordance with Delaware law. If the merger agreement is adopted, Nabors Delaware expects to file the certificate of merger and have the merger become effective promptly following the special meeting.

In the event the conditions to the merger are not satisfied, the merger may be abandoned or delayed even after the merger agreement has been adopted by our stockholders. In addition, the merger may be abandoned or delayed for any reason by the board of directors of Nabors Delaware at any time prior to its becoming effective, even though the merger agreement has been adopted by our stockholders and all conditions to the merger have been satisfied.

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

AMENDMENT OR TERMINATION

The merger agreement may be amended, modified or supplemented at any time before or after its adoption by our stockholders. However, after adoption, no amendment, modification or supplement may be made or effected that does any of the following:

- alters or changes the amount or kind of shares to be received by stockholders in the merger;
- alters or changes any term of the certificate of incorporation of the surviving corporation; or
- alters or changes any other terms and conditions of the merger agreement if any of the alterations or changes would adversely affect the holders of Nabors Delaware common stock.

Our board of directors may terminate the merger agreement and abandon the merger at any time prior to its effectiveness.

SHARE CONVERSION; EXCHANGE OF SHARES

Each share of Nabors Delaware common stock will automatically convert by operation of law into the right to receive one common share of Nabors Bermuda upon the consummation of the merger.

If you desire to sell some or all of your Nabors Bermuda common shares after the effective date of the merger, delivery of the stock certificate(s) which previously represented shares of Nabors Delaware common stock will be sufficient. The holding period for any Nabors Bermuda common shares received by a U.S. holder recognizing gain with respect to the reorganization should begin the day after the effective date of the reorganization. The holding period for any Nabors Bermuda common shares received by U.S. holders with a loss on their Nabors Delaware common stock will include the holding period of the Nabors Delaware common stock exchanged therefor. Your right to sell shares of Nabors Delaware before the effective date of the merger will not be affected.

Prior to the merger, an exchange agent will be appointed by Nabors US Holdings and Nabors Acquisition to handle the exchange of Nabors Delaware stock certificates for Nabors Bermuda common share certificates. Prior to the merger, Nabors US Holdings and Nabors Acquisition will cause a sufficient number of Nabors Bermuda common shares to be deposited with the exchange agent for the purpose of enabling stockholders to exchange their Nabors Delaware common stock certificates for certificates representing an equal number of Nabors Bermuda common shares. Soon after the closing of the merger, the exchange agent will send a letter of transmittal, which is to be used to exchange Nabors Delaware stock certificates for Nabors Bermuda share certificates, to each former Nabors Delaware stockholder. The letter of transmittal will contain instructions explaining the procedure for surrendering Nabors Delaware stock certificates. YOU SHOULD NOT RETURN STOCK CERTIFICATES WITH THE ENCLOSED PROXY CARD.

Nabors Delaware stockholders who surrender their stock certificates, together with a properly completed letter of transmittal, will receive share certificates representing the common shares of Nabors Bermuda into which their shares of Nabors Delaware have been converted in the merger. After the merger, each certificate that previously represented shares of Nabors Delaware common stock will represent only the right to receive the common shares of Nabors Bermuda into which those shares of Nabors Delaware common stock have been converted.

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

Although Nabors Bermuda anticipates that it will not pay any dividends on its common shares for the foreseeable future, if it does pay any dividends it will not pay dividends to holders of Nabors Delaware stock certificates in respect of the common shares of Nabors Bermuda into which the Nabors Delaware shares represented by those certificates have been converted until the Nabors Delaware stock certificates are surrendered to the exchange agent.

After the merger becomes effective, Nabors Delaware will not register any further transfers of shares of Nabors Delaware common stock. Any certificates for Nabors Delaware shares that you present for registration after the effective time of the merger will be exchanged for Nabors Bermuda common shares.

19

If you surrender a Nabors Delaware stock certificate and request the new Nabors Bermuda certificate to be issued in a name other than the one appearing on the surrendered certificate, you must endorse the stock certificate or otherwise prepare it to be in proper form for transfer.

MANAGEMENT OF NABORS BERMUDA

When the reorganization is completed, all of the directors and all of the executive officers of Nabors Delaware will become the directors and executive officers of Nabors Bermuda. Assuming the merger agreement is adopted, the current directors of Nabors Delaware will carry over their remaining terms of office to Nabors Bermuda.

REQUIRED VOTE FOR THE REORGANIZATION

In order to complete the reorganization, the merger agreement must be adopted by the affirmative vote of holders of a majority of the shares of Nabors Delaware common stock outstanding on April 17, 2002. Because of this vote requirement, ABSTENTIONS WILL HAVE THE SAME EFFECT AS VOTES AGAINST THE PROPOSAL TO ADOPT THE MERGER AGREEMENT. THE FAILURE OF A STOCKHOLDER TO SUBMIT A FORM OF PROXY OR TO VOTE IN PERSON AT THE MEETING WILL ALSO HAVE THE EFFECT OF A VOTE AGAINST THE ADOPTION OF THE MERGER AGREEMENT. Under the rules of the American Stock Exchange, brokers who hold shares in street name for customers have the authority to vote on many "routine" proposals when they have not received instructions from beneficial owners. Under these rules, brokers are precluded from exercising their voting discretion with respect to proposals for non-routine matters like the merger. THUS, ABSENT SPECIFIC INSTRUCTIONS FROM YOU, YOUR BROKER IS NOT EMPOWERED TO VOTE YOUR SHARES WITH RESPECT TO THE ADOPTION OF THE MERGER AGREEMENT (I.E., "BROKER NON-VOTES"). Since the affirmative vote of holders of a majority of the shares of Nabors Delaware common stock is required for adoption of the merger agreement, A BROKER NON-VOTE WILL HAVE THE SAME EFFECT AS A VOTE AGAINST ADOPTION OF THE MERGER AGREEMENT.

As of the record date for the special meeting, there were 141,099,335 shares of Nabors Delaware common stock outstanding and entitled to vote. As of the record date, our directors and executive officers owned or are entitled to vote, in the aggregate, approximately 1,846,378 shares of our common stock, which represents approximately 1.3% of the outstanding Nabors Delaware common stock. These persons have informed us that they intend to vote their shares in favor of the proposal to adopt the merger agreement.

NO RIGHTS OF DISSENTING STOCKHOLDERS

Under Delaware law, you will not have "dissenters" or appraisal rights in connection with the merger or the reorganization because, among other reasons, Nabors Delaware common stock is listed on the American Stock Exchange and Nabors Bermuda common shares will be listed on the American Stock Exchange following

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

the effective time of the merger.

DIVIDENDS

Nabors Delaware has not declared or paid any cash dividends on its common stock since 1982. We do not intend to pay any cash dividends on our common stock for the foreseeable future. If the merger agreement is adopted and the reorganization is completed, Nabors Bermuda anticipates that it will not pay any dividends on its common shares for the foreseeable future.

STOCK COMPENSATION PLANS AND EMPLOYMENT AGREEMENTS

If the reorganization is completed, we will amend and revise our employee and director stock option and other stock-based plans and arrangements to (1) provide that Nabors Delaware will continue to sponsor the employee plans and Nabors Bermuda will assume sponsorship of certain director plans, (2) provide that common shares of Nabors Bermuda will be issued upon the exercise of any options or the payment of any other stock-based awards under the plans and arrangements, and (3) otherwise appropriately reflect the substitution of common shares of Nabors Bermuda for common stock of Nabors Delaware under the plans and arrangements and related agreements. Your approval of the merger will also constitute approval of those

20

amendments and revisions to our stock option and other stock-based plans and arrangements providing for future use of Nabors Bermuda common shares in lieu of common stock of Nabors Delaware after the merger. In addition, Nabors Delaware will amend or obtain waivers with respect to employment agreements with certain executive officers to provide that the reorganization does not constitute a "change in control" under such agreements, and Nabors Bermuda will agree to assume the rights and obligations of Nabors Delaware under such agreements. Such executive officers have agreed to such amendments and waivers in principle, subject to mutual agreement on documentation.

STOCK EXCHANGE LISTING

Our common stock is currently listed on the American Stock Exchange. There is currently no established public trading market for the common shares of Nabors Bermuda. We have made an application so that, immediately following the reorganization, the common shares of Nabors Bermuda will be listed on the American Stock Exchange under the symbol "NBR", the same symbol under which Nabors Delaware common stock is currently listed. Based on prior transactions similar to the reorganization by member companies of the S&P 500 Index, we believe that the pending change of domicile to Bermuda should not affect the company's status as a member of the S&P 500 Index.

ACCOUNTING TREATMENT OF THE REORGANIZATION

The reorganization will be accounted for as a reorganization of entities under common control which will not result in changes in our historical consolidated carrying amounts of assets, liabilities and stockholders' equity.

CREDIT FACILITIES

As a result of the merger, we may fail to comply with certain covenants contained in a credit agreement, dated as of September 5, 1997, as amended, among Nabors Delaware, its subsidiaries, Bank of America National Trust and Savings Association, Wells Fargo Bank (Texas), National Association and some other financial institutions. Currently, there is no indebtedness outstanding under this \$200 million credit agreement. Due to its current cash position, Nabors Delaware does not anticipate having to borrow under this facility for the

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

foreseeable future. Nabors Delaware presently intends to seek a waiver in connection with this potential default, although there can be no assurance that Nabors Delaware will obtain such a waiver. If no waiver is obtained, we cannot borrow under the credit agreement. In addition, this default would cause a cross-default under a \$30 million letter of credit facility with Bank of America, N.A., dated January 7, 2002. As of March 20, 2002, there is approximately \$25 million outstanding under such letter of credit facility. Nabors Delaware presently intends to seek a waiver in connection with this potential cross-default, although there can be no assurance that Nabors Delaware will obtain such a waiver. If no waiver is obtained, we will have to replace this letter of credit facility or cash collateralize such letters of credit. Nabors Delaware does not believe such potential defaults will adversely affect it, its operations or its stockholders or Nabors Bermuda or its shareholders if the merger is completed. The credit agreement and letter of credit facility are currently scheduled to expire in September 2002. It is currently anticipated that Nabors Delaware (or Nabors Bermuda if the merger is completed) would seek to obtain a replacement credit facility and letter of credit facility beginning in the second quarter of 2002.

RECENT DEVELOPMENTS

On April 26, 2002, Nabors Delaware announced that it had completed the previously announced acquisition of Enserco Energy Service Company Inc., a Canadian corporation. Under the terms of the acquisition, Nabors Exchangeco (Canada) Inc., a Canadian subsidiary of Nabors Delaware, acquired all of the outstanding common shares of Enserco pursuant to a plan of arrangement under the Canada Business Corporations Act in exchange for approximately Cdn. \$1.84 million in cash and approximately 3.55 million exchangeable shares of Nabors Exchangeco (Canada) Inc. which are exchangeable into Nabors Delaware common stock on a 1:1 basis. Approximately 2.64 million of the issued exchangeable shares were immediately

21

exchanged for shares of Nabors Delaware common stock in accordance with the instructions of the holders of such exchangeable shares. The exchangeable shares will be listed on The Toronto Stock Exchange under the symbol "NBX". The exchangeable shares of Nabors Exchangeco (Canada) Inc. have provisions which effectively confer on the holders of the exchangeable shares the same voting and economic rights in Nabors Delaware as the holders of Nabors Delaware common stock. Specifically, the exchangeable shares:

- will effectively have the same voting rights, dividend entitlements and other attributes of Nabors Delaware common stock (or Nabors Bermuda common shares if the reorganization is completed);
- will be exchangeable, at the holder's option, on a one-for-one basis into Nabors Delaware common stock (or Nabors Bermuda common shares if the reorganization is completed);
- subject to compliance with listing requirements, will be listed on the Toronto Stock Exchange; and
- will automatically be exchanged five years after completion of the Enserco acquisition or upon the occurrence of other specified events.

If the reorganization is completed, the exchangeable shares will, after the effective time of the reorganization, become exchangeable for Nabors Bermuda common shares.

On March 18, 2002, Nabors Delaware also separately acquired from two

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

Enserco shareholders Enserco common shares representing approximately 20.5% of the issued and outstanding Enserco shares for Cdn. \$15.50 per share.

Enserco is an integrated energy services company providing production and drilling services to the North American oil and gas industry. Through its subsidiaries, Bonus Well Servicing and H&R Drilling, Enserco operates over 200 Canadian well-servicing rigs and 30 drilling rigs.

THE SPECIAL MEETING

This proxy statement/prospectus is being furnished in connection with the solicitation of proxies from the holders of Nabors Delaware common stock by the Nabors Delaware board of directors relating to the merger and other matters to be voted upon at the special meeting and at any adjournment or postponement of the meeting. This proxy statement/prospectus is also a prospectus for Nabors Bermuda common shares to be issued in the merger. Nabors Delaware mailed this proxy statement/prospectus to stockholders beginning on or about May 16, 2002. You should read this proxy statement/prospectus carefully before voting your shares.

WHEN AND WHERE THE SPECIAL MEETING WILL BE HELD

The special meeting of stockholders will be held at 11:00 a.m., local time, on Friday, June 14, 2002, at the Sofitel Hotel, 425 N. Sam Houston Parkway E., Houston, Texas 77060.

WHAT WILL BE VOTED UPON

At the special meeting, you will be asked to consider and vote upon the following items:

- To adopt the Agreement and Plan of Merger, substantially in the form attached to this proxy statement/prospectus as annex I, among Nabors Delaware, Nabors Acquisition, Nabors Bermuda and Nabors US Holdings whereby the company will effectively change its place of incorporation from Delaware to Bermuda by merging Nabors Acquisition with Nabors Delaware, which will be the surviving entity and become a wholly-owned, indirect subsidiary of Nabors Bermuda, and pursuant to which each share of Nabors Delaware will automatically be converted into the right to receive a share of Nabors Bermuda and all current stockholders of Nabors Delaware will become shareholders of Nabors Bermuda; and
- To transact such other business as may properly come before the special meeting.

22

ONLY NABORS DELAWARE STOCKHOLDERS OF RECORD ON APRIL 17, 2002 ARE ENTITLED TO VOTE

Only stockholders of record at the close of business on April 17, 2002, as shown in our records, will be entitled to vote, or to grant proxies to vote, at the special meeting. On the record date, there were 141,099,335 million shares of Nabors Delaware common stock outstanding and entitled to vote at the special meeting.

MAJORITY OF OUTSTANDING SHARES MUST BE REPRESENTED FOR A VOTE TO BE TAKEN

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

In order to have a quorum, the holders of a majority of the shares of Nabors Delaware common stock outstanding on the record date must be represented in person or by proxy at the special meeting.

VOTE REQUIRED FOR APPROVAL

The Agreement and Plan of Merger must be adopted by the affirmative vote of holders of a majority of the shares of Nabors Delaware common stock outstanding on April 17, 2002. Each share of Nabors Delaware common stock is entitled to cast one vote. As of the record date, directors and executive officers of Nabors Delaware owned and were entitled to vote 1,846,378 shares (or approximately 1.3%) of Nabors Delaware common stock. These persons have advised us that they intend to vote their shares in favor of the proposal. Like other Nabors Delaware stockholders, for U.S. federal income tax purposes, certain of such directors and executive officers, including the Chairman of the board of Nabors Delaware, will recognize gain on the receipt of Nabors Bermuda common shares in exchange for their Nabors Delaware common stock pursuant to the reorganization.

VOTING YOUR SHARES AND CHANGING YOUR VOTE

VOTING YOUR SHARES

The Nabors Delaware board of directors is soliciting proxies from the Nabors Delaware stockholders. This will give you the opportunity to vote at the special meeting. When you deliver a valid proxy, the shares represented by that proxy will be voted in accordance with your instructions. If you do not vote by marking, signing and mailing your proxy card or by attending the special meeting and voting in person, it will have the same effect as voting against the adoption of the merger agreement.

Stockholders of record may vote by marking, signing and mailing your proxy card in the enclosed postage-prepaid envelope.

If you hold your Nabors Delaware shares in the name of a bank, broker or other nominee, you should follow the instructions provided by your bank, broker or nominee when voting your shares. To be effective, a form of proxy must be received by us prior to the beginning of voting at the special meeting.

CHANGING YOUR VOTE BY REVOKING YOUR PROXY

There are three ways in which you may revoke your proxy and change your vote:

- First, you may send a written notice to our proxy solicitor, Georgeson Shareholder Communications Inc., stating that you would like to revoke your proxy. This notice must be received prior to the special meeting.
- Second, you may complete and submit a new later-dated proxy by marking, signing and mailing a new proxy card. The latest dated proxy actually received by the company prior to the special meeting will be the one that is counted, and all earlier proxies will be revoked.
- Third, you may attend the special meeting and vote in person. Simply attending the meeting, however, will not revoke your proxy. At the special meeting, the chairman of the meeting will announce instructions for you to follow if you wish to revoke your proxy and vote in person at the meeting.

If you have instructed a broker to vote your shares, you must follow the directions you receive from your broker to change or revoke your proxy.

HOW PROXIES ARE COUNTED

If you return a signed and dated proxy card but do not indicate how the shares are to be voted, those shares represented by your proxy card will be voted as recommended by the Nabors Delaware board of directors. A valid proxy also gives the individuals named as proxies authority to vote in their discretion when voting the shares on any other matters that are properly presented for action at the special meeting. A properly executed proxy marked "ABSTAIN" will not be voted. However, it may be counted to determine whether there is a quorum present at the special meeting. Accordingly, since the affirmative vote of holders of a majority of the shares of Nabors Delaware common stock entitled to vote at the special meeting is required to adopt the merger agreement, a proxy marked "ABSTAIN" will have the effect of a vote against this proposal. Broker non-votes (i.e., shares held by brokers or nominees which are represented at a meeting but with respect to which the broker or nominee is not empowered to vote on a particular proposal) will be counted for purposes of determining whether there is a quorum at the special meeting. The American Stock Exchange rules do not permit brokers and nominees to vote the shares that they hold beneficially either for or against the adoption of the merger agreement without specific instructions from the person who beneficially owns those shares. Therefore, if your shares are held by a broker or other nominee and you do not give them instructions on how to vote your shares, this will have the same effect as voting against the merger.

COST OF SOLICITATION

Nabors Delaware will pay the cost of soliciting proxies. In addition to solicitation by mail, telephone or other means, Nabors Delaware will make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxy material to beneficial owners. Nabors Delaware will, upon request, reimburse these institutions for their reasonable expenses. Nabors Delaware has retained Georgeson Shareholder Communications Inc. to aid in the solicitation of proxies. Nabors Delaware will pay Georgeson a fee of \$15,000 and reimburse Georgeson for its expenses in connection with such services.

NABORS DELAWARE STOCKHOLDERS SHOULD NOT SEND IN THEIR STOCK CERTIFICATES WITH THEIR PROXY CARDS.

We encourage you to read those documents carefully.

Nabors Bermuda's bye-laws do not provide for cumulative voting. Except as specifically provided in Nabors Bermuda's bye-laws or in the Companies Act, any action to be taken by the shareholders

24

at any meeting at which a quorum is in attendance shall be decided by a majority of the issued shares present in person or represented by proxy and entitled to vote thereat.

Nabors Bermuda does not anticipate that it will pay any dividends on its common shares for the foreseeable future.

Nabors Bermuda common shares will not be convertible into shares of any other class or series or be subject to redemption either by Nabors Bermuda or the holder of the common shares.

STOCK EXCHANGE LISTING

Subject to the Companies Act, the rights attached to any class or series of shares of Nabors Bermuda, unless otherwise provided by the terms of that class or series, may be altered or abrogated by a resolution passed at a separate general meeting of the holders of shares of that class, voting in person or by proxy and representing at least a majority of the issued shares of that class entitled to vote. Every holder of shares of the relevant class shall be entitled on a poll to one vote for each share held by such holder and any holder of shares of the relevant class present in person or by proxy may demand a poll. Outstanding shares will not be deemed to be varied by the creation or issue of shares that rank in any respect prior to or equivalent with those shares.

QUORUM FOR GENERAL MEETINGS

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

The holders of shares present in person or by proxy entitling them to exercise a majority of the voting power of Nabors Bermuda on the relevant record date shall constitute a quorum to hold a general meeting of the shareholders.

RIGHTS UPON LIQUIDATION

Upon the liquidation of Nabors Bermuda, after the full amounts that holders of any issued shares ranking senior to the common shares as to distribution on liquidation or winding up are entitled to receive have been paid or set aside for payment, the holders of Nabors Bermuda's common shares are entitled to receive, pro rata, any remaining assets of Nabors Bermuda available for distribution to the holders of common shares. The liquidator may deduct from the amount payable in respect of those common shares any liabilities the holder has to or with Nabors Bermuda. The assets received by the holders of Nabors Bermuda common shares in a liquidation may consist in whole or in part of property. That property is not required to be of the same kind for all shareholders.

25

SINKING FUND

Nabors Bermuda's common shares have no sinking fund provisions.

LIABILITY FOR FURTHER CALLS OR ASSESSMENTS

Nabors Bermuda's common shares to be issued in the merger will be duly and validly issued, fully paid and nonassessable.

PREEMPTIVE RIGHTS

Holders of Nabors Bermuda's common shares will have no preemptive or preferential right to purchase any securities of Nabors Bermuda.

REPURCHASE RIGHTS

The board of directors may, at its discretion, authorize the purchase by Nabors Bermuda of its own shares of any class, at any price (whether at par or above or below par), as long as such purchase is made in accordance with the provisions of the Companies Act.

COMPULSORY ACQUISITION OF SHARES HELD BY MINORITY HOLDERS

An acquiring party is generally able to acquire compulsorily the common shares of minority holders in one of the following ways:

- By a procedure under the Companies Act known as a "scheme of arrangement." A scheme of arrangement is made by obtaining the consent of Nabors Bermuda, the consent of the court and approval of the arrangement by holders of the common shares, (1) representing in the aggregate a majority in number of the shareholders present at the meeting held to consider the arrangement and (2) holding at least 75% of all the issued common shares taken together as a class. If a scheme of arrangement receives all necessary consents, all holders of common shares could be compelled to sell their shares under the terms of the scheme of arrangement.
- If the acquiring party is a company, by acquiring pursuant to a tender offer 90% of the shares or class of shares not already owned by the acquiring party (the "offeror"). If an offeror has, within four months after the making of an offer for all the shares or class of shares not

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

owned by the offeror, obtained the approval of or acquired 90% or more of all the shares to which the offer relates, the offeror may, at any time within two months beginning with the date on which such approval was obtained or such percentage of shares were acquired, require by a "Notice of Acquisition" any nontendering shareholder to transfer its shares on the same terms as the original offer. In those circumstances, nontendering shareholders will be compelled to sell their shares. Nontendering shareholders have a one-month period from the date of the Notice of Acquisition in which to apply to a court to enjoin the company acquisition.

- By acquiring, pursuant to a notice given to the remaining shareholders or class of shareholders, where the acquiring party holds not less than 95% of the shares or the class of shares of the company, the shares of such remaining shareholders or class of shareholders. When such a notice is given, the acquiring party is entitled and bound to acquire the shares of the remaining shareholders on the terms set out in such notice, unless a remaining shareholder, within one month of receiving such notice, applies to the court for an appraisal of the value of their shares. This provision only applies where the acquiring party offers the same terms to all holders of shares whose shares are being acquired.

26

TRANSFER AGENT

The transfer agent and registrar for the Nabors Bermuda common shares will be EquiServe.

PREFERRED SHARES

The board of directors of Nabors Bermuda may issue preferred shares in one or more classes or series, and fix for each such class or series such voting power, full or limited, or no voting power, and such designations, preferences and relative, participating, optional or other special rights and such qualifications, limitations or restrictions thereof, as are provided in the resolutions adopted by the board of directors providing for the issuance of such class or series. The Nabors Bermuda board of directors in authorizing such class or series may provide that any such class or series may be:

- subject to redemption at the option of the company or the holders, or both, at such time or times and at such price or prices;
- entitled to receive dividends (which may be cumulative or non-cumulative) at such rates, on such conditions, and at such times, and payable in preference to, or in relation to, the dividends payable on any other class or classes or any other series;
- entitled to such rights upon the dissolution of, or upon any distribution of the assets of, Nabors Bermuda; or
- convertible into, or exchangeable for, shares of any other class or classes of shares, or of any other series of the same or any other class or classes of shares, of Nabors Bermuda at such price or prices or at such rates of exchange and with such adjustments;

in each case, as set forth in the resolutions authorizing the class or series of preferred shares.

ANTI-TAKEOVER PROVISIONS

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

Nabors Bermuda's bye-laws have provisions that could have an anti-takeover effect. Generally, these provisions are intended to substantively replicate provisions currently in Nabors Delaware's certificate of incorporation and by-laws. In addition, Nabors Bermuda's bye-laws include an "advance notice" provision which places time limitations on shareholders' nominations of directors and submission of proposals for consideration at an annual general meeting. These provisions are intended to enhance the likelihood of continuity and stability in the composition of the board of directors and in the policies formulated by the board of directors and to encourage negotiations with the board of directors in transactions that may involve an actual or potential change of control of Nabors Bermuda.

The bye-laws provide that Nabors Bermuda's board of directors will be divided into three classes serving staggered three-year terms. Directors can be removed from office prior to the expiration of their term only for cause by the affirmative vote of the holders of a majority of the voting power of Nabors Bermuda on the relevant record date. The board of directors does not have the power to remove directors. As long as a quorum of directors remains and is present, vacancies on the board of directors may be filled by a majority vote of the remaining directors. Any general meeting can authorize the board of directors to fill any vacancy left unfilled at a general meeting. Each of these provisions can delay a shareholder from obtaining majority representation on the board of directors.

The bye-laws also provide that the board of directors will consist of not less than five nor more than eighteen persons, the exact number to be set from time to time by the affirmative vote of a majority of the directors then in office. Accordingly, the board of directors, and not the shareholders, has the authority to determine the number of directors and could delay any shareholder from obtaining majority representation on the board of directors by enlarging the board of directors and filling the new vacancies with its own nominees.

The bye-laws of Nabors Bermuda provide that at any annual general meeting, only such business shall be conducted as shall have been brought before the meeting by or at the direction of the board of directors, by

27

any shareholder who complies with certain procedures set forth in the bye-laws or by any shareholder pursuant to the valid exercise of the power granted under the Companies Act.

For business to be properly brought before an annual general meeting by a shareholder in accordance with the terms of the bye-laws the shareholder must have given timely notice thereof in proper written form to the Secretary of Nabors Bermuda and satisfied all requirements under applicable rules promulgated by the Securities and Exchange Commission. To be timely for consideration at the annual general meeting, a shareholder's notice must be received by the Secretary at Nabors Bermuda's principal executive offices and its registered office in Bermuda not less than 60 days nor more than 90 days prior to the anniversary date of the immediately preceding annual general meeting, provided that in the event that the annual general meeting is called for a date that is not within 30 days before or after such anniversary date, not later than the 10th day following the day on which such notice of the date of the annual general meeting was mailed or public disclosure of the date of the annual general meeting was made, whichever occurs first. In order for a shareholder to nominate directors in connection with an annual general meeting of shareholders, a shareholder's notice of his intention to make such nominations must be received in proper written form as specified in the bye-laws of Nabors Bermuda by the Secretary of Nabors Bermuda within the time limits described above.

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

In addition, the Companies Act provides for a mechanism by which 100 shareholders acting together or shareholders holding at least 5% of the voting power of a Bermuda company may properly propose a resolution for consideration at a general meeting of the company. See "Comparison of Corporate Governance Provisions -- Advance Notice Requirements for Matters to be Considered at a General Meeting" on page 34.

Subject to the terms of any other class of shares in issue, any action required or permitted to be taken by the holders of Nabors Bermuda's common shares must be taken at a duly called annual or special general meeting of shareholders unless taken by written consent of all holders of common shares. Under the bye-laws, special general meetings may be called at any time by the board of directors or when requisitioned by shareholders pursuant to the provisions of the Companies Act. The Companies Act currently permits shareholders holding 10% of the shares of a company entitled to vote at general meeting to requisition a special general meeting.

The board of directors is authorized, without obtaining any vote or consent of the holders of any class or series of shares unless expressly provided by the terms of issue of a class or series, to from time to time issue any authorized and unissued shares on such terms and conditions as it may determine. For example, the board of directors could authorize the issuance of preferred shares with terms and conditions that could discourage a takeover or other transaction that holders of some or a majority of the Nabors Bermuda common shares might believe to be in their best interests or in which holders might receive a premium for their shares over the then market price of the shares.

COMPARISON OF RIGHTS OF STOCKHOLDERS

Your rights as a stockholder of Nabors Delaware are governed by Delaware law and Nabors Delaware's restated certificate of incorporation and by-laws. After the merger, you will become a holder of Nabors Bermuda common shares and your rights will be governed by the Companies Act and Nabors Bermuda's memorandum of association and amended and restated bye-laws.

The principal attributes of the Nabors Delaware common stock and the Nabors Bermuda common shares will be substantially similar; however, there are certain differences between your rights as a stockholder under Delaware law and as a shareholder under Bermuda law, which is modeled after the law of England. In addition, there are certain differences between Nabors Delaware's restated certificate of incorporation and by-laws and Nabors Bermuda's memorandum of association and bye-laws. Other than the addition of the advance notice provision in the bye-laws and an increase in the maximum number of directors the company may have, it is our intention that your rights as a stockholder be substantially the same before and after the merger and, accordingly, any differences which may arise would be as a consequence of the difference between Bermuda and Delaware law. In addition, there are similarities between those actions that constitute violations of the

U.S. federal securities laws that would also constitute or give rise to a cause of action under Bermuda law and would therefore result in civil liability on Nabors Bermuda or its directors or officers in a suit brought in the Supreme Court of Bermuda. For example, a fraudulent misstatement made by a Bermuda company in a document filed as a prospectus for a public offering of securities would give rise to a criminal offense under Bermuda law and would give rise to civil liability on the Bermuda company and its directors or officers to shareholders who purchased the shares in the offering. In addition, any use of any deceptive or manipulative devices by the company or by its officers or directors on behalf of the company in connection with the purchase or sale of

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

the company's securities would give rise to civil liability on the Bermuda company and its directors or officers under Bermuda and U.S. securities laws.

The memorandum of association and the bye-laws of Nabors Bermuda, as they will be in effect immediately following the merger, are included in this proxy statement/prospectus as annexes II and III, respectively, and are incorporated by reference herein. The restated certificate of incorporation of Nabors Delaware is included as Exhibit 3.1 to Nabors Delaware's Quarterly Report on Form 10-Q, for the quarter ended March 30, 1997, filed May 16, 1997, and an amendment to the restated certificate of incorporation of Nabors Delaware is included as Exhibit 3.1 to Nabors Delaware's Current Report on Form 8-K dated June 22, 2000. The restated by-laws of Nabors Delaware are included as Exhibit 3.2 to Nabors Delaware's Annual Report on Form 10-K for the fiscal year ended September 30, 1997, filed December 29, 1997. The restated certificate of incorporation and the restated by-laws of Nabors Delaware are incorporated by reference in this proxy statement/prospectus. Indemnification of Directors and Officers

Nabors Bermuda shall indemnify and hold harmless to the fullest extent permitted by law any current or former director, officer, committee member or resident representative, against expenses actually and reasonably incurred in connection with any threatened, pending or completed action, suit or proceeding.

Nabors Delaware's restated certificate of incorporation makes indemnification of directors and officers and advancement of expenses to defend claims against directors and officers mandatory on part of Nabors Delaware to the fullest extent permitted by Delaware General Corporation Law.

Under the Companies Act, no indemnification is permitted if the individual is adjudged to be liable for fraud or dishonesty in the performance of his or her duties to Nabors Bermuda (unless a court determines otherwise).

The indemnification provided for in the bye-laws is not exclusive of other rights to which a director or officer may be entitled, including rights provided pursuant to the memorandum of association, bye-laws, any agreement, any insurance purchased by Nabors Bermuda, vote of stockholders or disinterested directors, or otherwise.

If the reorganization is completed, Nabors Bermuda anticipates that it will enter into indemnification agreements with its directors and officers with terms and conditions substantially similar to the agreements Nabors Delaware has entered into with its directors and officers (subject always to Bermuda law and any limitations on such agreements contained

Without court approval, however, no indemnification may be provided in respect of any derivative action in which an individual is adjudged liable to the corporation.

Delaware law requires

indemnification of directors and officers for expenses relating to a successful defense on merits or otherwise of a derivative or third-party action. Delaware law permits a corporation to advance expenses relating to the defense of a proceeding to directors and officers contingent upon the individuals' commitment to any advances, unless it is determined ultimately that the individuals are entitled to be indemnified.

Nabors Delaware has entered into indemnification agreements with each of its directors and officers indemnifying each of them against expenses, settlements, judgments and fines in connection with any threatened or pending or completed action, suit, arbitration or proceeding where the individual's involvement is by reason of the fact that he is or was a director or officer or senior manager of Nabors Delaware's request as a director or officer of another organization, except that such indemnification is not provided against judgments or fines in a derivative suit unless permitted by Delaware law.

In addition to the terms of Nabors Bermuda's bye-laws, in order to maintain a derivative action on behalf of the company, a shareholder must satisfy the requirements described under "Shareholder Derivative Suits" on page 38.

The bye-laws provide that the board of directors of Nabors Bermuda may from time to time authorize by means of a board resolution the issuance of preferred shares in one or more class or series, and in the resolution or resolutions providing for the issue of such shares, the board of directors is expressly authorized to fix for each such class or series the number of shares which shall constitute such class or series, voting power, (full or limited, or no voting power) and designations, preferences and relative, participating, optional or other special rights and qualifications, limitations or restrictions thereof. SHAREHOLDER DERIVATIVE SUITS

Bermuda courts ordinarily follow English law precedent, which permits a shareholder action:

- where the act complained of is alleged to be beyond the corporate power of Nabors Bermuda or to be illegal;
- where an act requires approval by a greater percentage of Nabors Bermuda's shareholders than actually approved it; or
- to restrain a violation of Nabors Bermuda's organizational documents.

A shareholder may also bring a derivative suit to enforce a right of the company. In order to bring a derivative suit the shareholder must establish two things. First, the shareholder must establish that there is a "fraud on the minority." This concept includes any act that amounts to an unconscionable act of majority power likely to result in either financial loss or unfair discriminatory treatment of the minority shareholders. Second, the shareholder must establish that the alleged wrongdoers, or those who are taking advantage of the fraud, control the company. Control for this purpose means sufficient influence such that it would be futile to call a meeting of shareholders, because the wrongdoers would exercise a decisive influence over the result.

In general, it may be more difficult for you to bring a shareholder derivative suit on behalf of the company

Delaware law requires that a stockholder bringing a derivative suit against a Delaware corporation have been a stockholder at the time of the disputed transaction, or have acquired the shares thereafter passed to the stockholder by operation of law from a person who was a stockholder at that time.

Under Delaware law, a complaint in a derivative suit must:

- state the plaintiff was a stockholder at the time of the transaction with respect to which the plaintiff complains or that the plaintiff acquired the shares thereafter became a stockholder by operation of law; and
- (1) allege with particularity the efforts plaintiff has made to obtain the action or that the plaintiff desires from the directors of the corporation; or (2) state the reasons why the plaintiff's failure to obtain the action or for not making the effort to obtain the action.

INCOME TAX CONSEQUENCES OF THE REORGANIZATION

U.S. FEDERAL INCOME TAX CONSEQUENCES TO STOCKHOLDERS

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

In the opinion of Skadden, Arps, Slate, Meagher & Flom LLP, the following general discussion constitutes a fair and accurate summary of the anticipated principal U.S. federal income tax consequences of the receipt of Nabors Bermuda common shares by certain holders of Nabors Delaware common stock pursuant to the reorganization. This discussion does not address all of the U.S. federal income tax consequences that may be relevant to particular Nabors Delaware stockholders in light of their individual circumstances or to stockholders who, for U.S. federal income tax purposes, are subject to special rules, such as:

- dealers or traders in securities or currencies;
- tax-exempt entities;
- banks, financial institutions, or insurance companies;
- grantor trusts;
- real estate investment trusts or regulated investment companies;
- holders who hold Nabors Delaware common stock as part of a position in a straddle or as part of a hedging or conversion transaction for U.S. federal income tax purposes;
- investors whose functional currency is not the U.S. dollar;
- holders who acquired their Nabors Delaware common stock within twelve months of the effective date of the merger pursuant to the exercise of employee stock options or otherwise as compensation;
- holders that, for U.S. federal income tax purposes, are nonresident alien individuals, foreign corporations, foreign partnerships, foreign trusts, or foreign estates; and
- holders who own, or are deemed to own, 10% or more, determined by voting power or value, of Nabors Delaware common stock or Nabors Bermuda common shares.

Further, this discussion does not address any U.S. federal estate and gift or alternative minimum tax consequences or any state, local, or foreign tax consequences relating to the reorganization or the ownership and disposition of Nabors Bermuda common shares. Nor does this discussion address the tax consequences of the reorganization to Nabors Delaware or Nabors Bermuda.

EACH NABORS DELAWARE STOCKHOLDER IS STRONGLY URGED TO CONSULT HIS OR HER TAX ADVISOR AS TO THE PARTICULAR TAX CONSEQUENCES TO HIM OR HER OF THE RECEIPT OF NABORS BERMUDA COMMON SHARES PURSUANT TO THE REORGANIZATION CONTEMPLATED BY THIS PROXY STATEMENT/PROSPECTUS AND THE OWNERSHIP AND DISPOSITION OF NABORS BERMUDA COMMON SHARES, INCLUDING THE APPLICABILITY AND EFFECT OF FEDERAL, STATE, LOCAL, AND FOREIGN INCOME AND OTHER TAX LAWS IN HIS OR HER PARTICULAR CIRCUMSTANCES.

This discussion is based on the Code, the Treasury regulations promulgated thereunder, and judicial and administrative interpretations thereof, in each case as in effect and available on the date of this proxy statement/prospectus. All of the foregoing are subject to change, which change could apply with retroactive effect and could affect the tax consequences described below. Neither Nabors Delaware nor Nabors Bermuda will request any ruling from the IRS as to the U.S. federal income tax consequences of the reorganization.

This discussion assumes that Nabors Delaware stockholders hold their Nabors Delaware common stock and will hold Nabors Bermuda common shares as capital assets. In addition, this discussion is based on certain customary assumptions

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

and representations made or to be made by Nabors Delaware and Nabors Bermuda, including (1) that the facts set forth in this registration statement are true, accurate, and complete and (2) that the reorganization will be consummated as described in this registration statement. Any change in the truth, accuracy or completeness of any of the facts, assumptions or representations on which this discussion is based could affect the tax consequences described below.

40

For purposes of this discussion, a U.S. holder is a beneficial owner of Nabors Delaware common stock that, for U.S. federal income tax purposes, is:

- a citizen or resident of the U.S.;
- a corporation or partnership created or organized in or under the laws of the U.S. or any State thereof, including the District of Columbia;
- an estate, the income of which is subject to U.S. federal income taxation regardless of its source;
- a trust, if such trust validly has elected to be treated as a U.S. person for U.S. federal income tax purposes or if (1) a U.S. court can exercise primary supervision over its administration and (2) one or more U.S. persons have the authority to control all of the substantial decisions of such trust; or
- otherwise subject to U.S. federal income taxation on a net income basis on their shares of Nabors Delaware common stock.

THE REORGANIZATION

Receipt of Nabors Bermuda Common Shares. Because Nabors Bermuda is not a U.S. corporation, U.S. holders will recognize gain, but not loss, on the receipt of Nabors Bermuda common shares in exchange for Nabors Delaware common stock pursuant to the reorganization. Each U.S. holder will recognize gain on the receipt of Nabors Bermuda common shares in exchange for Nabors Delaware common stock pursuant to the reorganization in an amount equal to the excess, if any, of (1) the fair market value on the effective date of the reorganization of the Nabors Bermuda common shares received by such U.S. holder (which generally may be determined by reference to the trading price of the Nabors Bermuda common shares on the American Stock Exchange) over (2) such U.S. holder's adjusted tax basis in its Nabors Delaware common stock surrendered in exchange therefor. Any gain recognized will be capital gain and will be long-term capital gain if the Nabors Delaware common stock has been held for more than 12 months at the time of the reorganization. A U.S. holder that recognizes gain with respect to the reorganization will have an aggregate adjusted tax basis in its Nabors Bermuda common shares equal to the aggregate adjusted tax basis in the Nabors Delaware common stock exchanged therefor, increased by the amount of gain recognized. A U.S. holder will not be permitted to recognize any loss realized on the exchange of his or her shares of Nabors Delaware common stock in the reorganization. In such case, the aggregate adjusted tax basis of the Nabors Bermuda common shares received by a U.S. holder with a loss on its Nabors Delaware common stock will be equal to such U.S. holder's aggregate adjusted tax basis in its Nabors Delaware common stock surrendered in exchange therefor. Thus, subject to any subsequent changes in the fair market value of Nabors Bermuda common shares, any loss would be preserved. The holding period for any Nabors Bermuda common shares received by a U.S. holder recognizing gain with respect to the reorganization should begin the day after the effective date of the reorganization. A U.S. holder who has a gain with respect to some shares of Nabors Delaware common stock, but a loss with respect to other shares of Nabors Delaware common stock which cannot be recognized pursuant to the foregoing, will recognize the full

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

amount of the gain without any reduction for the loss. The holding period for any Nabors Bermuda common shares received by U.S. holders with a loss on their Nabors Delaware common stock will include the holding period of the Nabors Delaware common stock exchanged therefor.

Reporting Requirements. In addition to the return and reporting requirements imposed on taxpayers generally, additional requirements may be applicable to U.S. holders. A U.S. holder will be subject to penalties if that holder fails to report the gain recognized in the reorganization on that holder's U.S. federal income tax return for the taxable year of the reorganization.

NABORS BERMUDA COMMON SHARES

Distributions. Nabors Bermuda does not anticipate that it will pay any dividends on its common shares for the foreseeable future. Subject to this and the discussion below under "-- Passive Foreign Investment Company Considerations," the gross amount of any distribution by Nabors Bermuda of cash or property (other than certain distributions, if any, of common shares distributed pro rata to all shareholders of Nabors

41

Bermuda) with respect to common shares would be includible in income by a U.S. holder as dividend income to the extent such distributions are paid out of the current or accumulated earnings and profits of Nabors Bermuda as determined under U.S. federal income tax principles. Such dividends would not be eligible for the dividends received deduction generally allowed to U.S. holders that are corporations. Subject to the discussion below under "-- Passive Foreign Investment Company Considerations," to the extent, if any, that the amount of any distribution by Nabors Bermuda exceeds Nabors Bermuda's current and accumulated earnings and profits as determined under U.S. federal income tax principles, it would be treated first as a tax-free return of the U.S. holder's adjusted tax basis in the common shares and thereafter as capital gain. Nabors Bermuda will maintain calculations of its earnings and profits under U.S. federal income tax principles.

The amount of any distribution of property other than cash would be the fair market value of such property on the date of distribution.

It is anticipated that only a portion of any dividends received by a U.S. holder with respect to Nabors Bermuda common shares would be treated as foreign source income for purposes of calculating such holder's foreign tax credit limitation. This is because it is anticipated that (1) U.S. persons will own a majority of the Nabors Bermuda common shares after the reorganization and (2) a portion of the income derived by Nabors Bermuda will be U.S. source income. To the extent that dividends distributed by Nabors Bermuda are treated as foreign source income, they generally would constitute passive income, or, in the case of certain U.S. holders, financial services income.

Sale or Exchange of Common Shares. Subject to the discussion below under "-- Passive Foreign Investment Company Considerations," a U.S. holder generally will recognize gain or loss on the sale or exchange of Nabors Bermuda common shares equal to the difference between the amount realized on such sale or exchange and the U.S. holder's adjusted tax basis in such Nabors Bermuda common shares. Such gain or loss will be capital gain or loss. In the case of a noncorporate U.S. holder, the maximum marginal U.S. federal income tax rate applicable to such gain will be lower than the maximum marginal U.S. federal income tax rate applicable to ordinary income if such U.S. holder's holding period for such common shares exceeds 12 months. Gain or loss, if any, recognized by a U.S. holder generally will be treated as U.S. source income or loss for U.S. foreign tax credit purposes. The deductibility of capital losses

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

is subject to limitations.

Passive Foreign Investment Company Considerations. A non-U.S. corporation will be classified as a passive foreign investment company (a "PFIC") for U.S. federal income tax purposes in any taxable year in which, after applying certain look-through rules, either (1) at least 75 percent of its gross income is passive income or (2) at least 50 percent of the gross value of its assets is attributable to assets that produce passive income or are held for the production of passive income. Passive income for this purpose generally includes dividends, interest, royalties, rents, and gains from commodities and securities transactions.

Based on certain estimates of its gross income and gross assets and the nature of its business, Nabors Bermuda believes that it will not be classified as a PFIC for its current taxable year. Nabors Bermuda's status in future years will depend on its assets and activities in those years. Nabors Bermuda has no reason to believe that its assets or activities will change in a manner that would cause it to be classified as a PFIC. However, the tests for determining PFIC status are applied annually, and it is difficult to predict accurately future income and assets, which are relevant to this determination. Accordingly, Nabors Bermuda cannot assure that it will not become a PFIC. If Nabors Bermuda were a PFIC, a U.S. holder of common shares generally would be subject to imputed interest charges and other disadvantageous tax treatment with respect to any gain from the sale or exchange of, and certain distributions with respect to, the Nabors Bermuda common shares.

Alternatively, a U.S. holder generally could elect, subject to certain limitations, to annually take into gross income the appreciation or depreciation in its Nabors Bermuda common shares' value during the tax year (the "mark-to-market election"). If a U.S. holder makes the mark-to-market election, the U.S. holder will not be subject to the above-described rule. If a U.S. holder makes the mark-to-market election, the U.S. holder recognizes each year an amount equal to the difference as of the close of the taxable year between the U.S. holder's fair market value of the common shares and the adjusted basis in the common shares. Losses would be allowed only to the extent of net gain previously included by the U.S. holder under the mark-to-market election for prior taxable years. Amounts included in or deducted from income under the mark-to-

42

market election and actual gains and losses realized upon the sale or disposition of the common shares, subject to certain limitations, will be treated as ordinary gains or losses. Another alternative election which would allow a U.S. holder to elect to take its pro rata share of Nabors Bermuda's undistributed income into gross income as it is earned by Nabors Bermuda (the "QEF election") would only be available to a U.S. holder if Nabors Bermuda provided certain information to the IRS. Because Nabors Bermuda generally will not satisfy the IRS's record keeping requirements, a U.S. holder may only be able to make the mark-to-market election and not the QEF election if Nabors Bermuda were a PFIC.

U.S. holders are strongly urged to consult their tax advisors regarding the tax consequences that would arise if Nabors Bermuda were treated as a PFIC.

Backup Withholding Tax and Information Reporting Requirements. Currently, any distributions with respect to Nabors Delaware common stock and proceeds from the sale or redemption of Nabors Delaware common stock would be subject to U.S. backup withholding tax and information reporting rules. After the reorganization, it is anticipated that the same rules would apply to distributions with respect to Nabors Bermuda common shares and to proceeds from the sale or redemption of Nabors Bermuda common shares.

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

In general, information reporting requirements will apply to dividends with respect to the Nabors Bermuda common shares or the proceeds received on the sale or redemption of the Nabors Bermuda common shares paid within the U.S., and in some cases, outside of the U.S., to holders other than certain exempt recipients, such as corporations. In addition, backup withholding at the then applicable rate will apply to these payments unless the holder or beneficial owner provides an accurate taxpayer identification number in the manner required by U.S. law and applicable regulations, certifies that the holder or beneficial owner is not subject to backup withholding, and the holder or beneficial owner otherwise complies with applicable requirements of the backup withholding rules. Amounts withheld under the backup withholding rules may be credited against a U.S. holder's U.S. federal income tax liability, and a holder may obtain a refund of any excess amounts withheld under the backup withholding rules by filing the appropriate claim for refund with the IRS.

BERMUDA INCOME TAX CONSEQUENCES OF THE REORGANIZATION

Under current Bermuda law, Nabors Bermuda is not subject to tax on income or capital gains. Furthermore, Nabors Bermuda has obtained from the Minister of Finance of Bermuda under the Exempted Undertakings Tax Protection Act 1966 (as amended), an undertaking that, in the event that Bermuda enacts any legislation imposing tax computed on profits, income, any capital asset, gain or appreciation, or any tax in the nature of estate duty or inheritance tax, then the imposition of such tax will not be applicable to Nabors Bermuda or to any of its operations, or the shares, capital or common shares of Nabors Bermuda, until March 28, 2016. This undertaking does not, however, prevent the imposition of property taxes on Nabors Bermuda to the extent that it owns real property or leasehold interests in Bermuda or certain other taxes on Nabors Bermuda if it were to employ persons in Bermuda.

Nabors Bermuda believes that no significant portion of its income or capital gains will be subject to tax in Bermuda, which currently has no corporate income tax. However, this belief is based upon the anticipated nature and conduct of the business of Nabors Bermuda, which may change, and upon Nabors Bermuda's understanding of its position under the tax laws of Bermuda and other countries, which position is subject to review and possible challenge by taxing authorities and to possible changes in law (which may have retroactive effect). The extent to which certain taxing jurisdictions may require Nabors Bermuda to pay tax or to make payments in lieu of tax cannot be determined in advance. There can be no assurance that these factors will not have a material adverse effect on Nabors Bermuda.

Under existing Bermuda law, there will be no Bermuda income or withholding tax on dividends, if any, paid by Nabors Bermuda to its shareholders. Furthermore, no Bermuda tax or other levy is payable on the sale or other transfer (including by gift or on the death of the shareholder) of Nabors Bermuda common shares (other than by shareholders resident in Bermuda).

43

BARBADOS INCOME TAX CONSEQUENCES OF THE REORGANIZATION

Nabors Bermuda will be registered to operate as an IBC for Barbados tax purposes and Nabors Bermuda will be legally managed and controlled through an executive office located in Barbados.

In the opinion of David King & Co., the following general discussion constitutes a fair and accurate summary of the anticipated principal Barbados

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

income tax consequences of the reorganization. Under current Barbados law, an IBC is subject to tax on its international business profits generated outside of Barbados at a maximum rate of 2.5%. This tax rate gradually decreases to 1% as taxable income increases. The benefits of these lower tax rates for companies registered as IBCs can be guaranteed by the Minister for up to fifteen (15) years. Barbados imposes no income tax on capital gains. In addition to Barbados income tax, Nabors Bermuda will be subject to Barbados property transfer tax to the extent that it transfers real property owned in Barbados and certain other taxes to the extent that it employs persons in Barbados.

Under existing Barbados law, there will be no Barbados income or withholding tax imposed on any dividends, interest, royalties or other income amounts paid by Nabors Bermuda to any person resident outside of Barbados. Furthermore, U.S. shareholders will not be subject to any Barbados taxation on the sale or other transfer (including by gift or on the death of the shareholder) of Nabors Bermuda common shares.

Directors and certain other plans and agreements providing for the grant or award to its directors of options or other rights to purchase or receive Nabors Delaware Common Stock (the "Director Stock Plans"). Nabors Delaware shall continue to maintain and sponsor the Employee Stock Plans and Nabors Bermuda shall assume the rights and obligations of Nabors Delaware under the Director Stock Plans. The outstanding options and other awards under the Employee Stock Plans and Director Stock Plans shall be exercisable or issuable upon the same terms and conditions as under such plans and the agreements relating thereto immediately prior to the Effective Time of the Merger, except that upon the exercise or issuance of such options or awards, Nabors Bermuda Common Shares shall be issuable in lieu of shares of Nabors Delaware Common Stock. The number of Nabors Bermuda Common Shares issuable upon the exercise or issuance of such an option or award immediately after the Effective Time and the option price of each such option or award shall be the number of shares and option price in effect immediately prior to the Effective Time. All options or awards issued under the Employee Stock Plans and Director Stock Plans after the Effective Time shall entitle the holder thereof to purchase Nabors Bermuda Common Shares in accordance with the terms of the Employee Stock Plans and Director Stock Plans.

3.4 Exchange Agent; Exchange of Shares.

(a) Exchange Agent. As soon as reasonably practicable, US Holdings and Merger Sub shall designate a bank or trust company reasonably acceptable to Nabors Delaware (the "Exchange Agent") for the purpose of exchanging certificates representing shares of Nabors Bermuda Common Shares (the "Bermuda Certificates") upon surrender of certificates representing shares of Nabors Delaware Common Stock (the "Delaware Certificates"). Not later than the Effective Time, US Holdings and Merger Sub will cause to be deposited with the Exchange Agent, for the benefit of the holders of shares of Nabors Delaware Common Stock, certificates representing Nabors Bermuda Common Shares issuable upon consummation of the Merger as set forth in Section 3.1(a) (the "Exchange Fund").

(b) Exchange Procedure. As soon as reasonably practicable after the Effective Time, the Exchange Agent shall mail to each holder of record of a Delaware Certificate(s) that immediately prior to the Effective Time represented outstanding shares of Nabors Delaware Common Stock whose shares were converted into and became the right to receive Nabors Bermuda Common Shares pursuant to

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

Section 3.1(a), (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Delaware Certificates shall pass, only upon delivery of the Delaware Certificates to the Exchange Agent and shall be in such form and have such other provisions as Nabors Bermuda may reasonably specify) and (ii) instructions for use in effecting the surrender of the Delaware Certificates in exchange for Nabors Bermuda Common Shares. Upon surrender of a Delaware Certificate for cancellation to the Exchange Agent, together with such letter of transmittal, properly completed and duly executed, and such other documents as may be reasonably required by the Exchange Agent, the holder of such Delaware Certificate shall be entitled to receive in exchange therefor a Bermuda Certificate or Bermuda Certificates representing the number of Nabors Bermuda Common Shares which such holder has the right to receive pursuant to the provisions of this Article III, and the Delaware Certificate so surrendered shall be canceled. In the event of a transfer of ownership of a Delaware Certificate after the Effective Time, exchange may be made to a person other than the person in whose name the Delaware Certificate so surrendered is registered, if such Delaware Certificate shall be properly endorsed or otherwise in proper form for transfer and shall be accompanied by evidence satisfactory to the Exchange Agent that any transfer or other taxes required by reason of such exchange in the name other than that of the registered holder of such Delaware Certificate or instrument either has been paid or is not payable. Until surrendered as contemplated by this Section 3.4, each Delaware Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender Nabors Bermuda Common Shares in accordance with Section 3.1(a).

(c) No Further Ownership Rights in Nabors Delaware Common Stock. All Nabors Bermuda Common Shares issued upon the Merger, including any Bermuda Certificates issued upon the surrender for exchange of Delaware Certificates in accordance with the terms of this Article III, shall be deemed to have been issued (and paid) in full satisfaction of all rights pertaining to the shares of Nabors Delaware Common Stock theretofore represented by such certificates, subject, however, to the Surviving Corporation's obligation (if any) to pay any dividends or make any other distributions with a record date prior to the Effective Time which

A-I-3

may have been declared or made by Nabors Delaware on such shares of Nabors Delaware Common Stock in accordance with the terms of this Agreement or prior to the date of this Agreement and which remain unpaid at the Effective Time, and there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of the shares of Nabors Delaware Common Stock which were outstanding immediately prior to the Effective Time. If, after the Effective Time, Delaware Certificates are presented to the Surviving Corporation or Exchange Agent they shall be canceled and exchanged as provided in this Article III, except as otherwise provided by law.

(d) Termination of Exchange Fund; No Liability. At any time following the first anniversary of the Effective Time, the Surviving Corporation shall be entitled to require the Exchange Agent to deliver to it any remaining portion of the Exchange Fund, and holders shall be entitled to look only to the Surviving Corporation (subject to abandoned property, escheat or other similar laws) with respect to the Nabors Bermuda Common Shares and any dividends or other distributions with respect thereto payable upon due surrender of their Delaware Certificates, without any interest thereon. Notwithstanding the foregoing, neither the Surviving Corporation nor the Exchange Agent shall be liable to any holder of a Delaware Certificate for Nabors Bermuda Common Shares (or dividends or distributions with respect thereto) from the Exchange Fund in each case delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

(e) Lost, Stolen or Destroyed Certificates. In the event any Delaware Certificates shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Delaware Certificate(s) to be lost, stolen or destroyed and, if required by Nabors Bermuda, the posting by such person of a bond in such sum as Nabors Bermuda may reasonably direct as indemnity against any claim that may be made against it or the Surviving Corporation with respect to such Delaware Certificate(s), the Exchange Agent will issue the Nabors Bermuda Common Shares pursuant to Section 3.1(a) deliverable in respect of the shares of Nabors Delaware Common Stock represented by such lost, stolen or destroyed Delaware Certificates.

(f) Dividends; Distributions. No dividends or other distributions with respect to Nabors Bermuda Common Shares with a record date after the Effective Time shall be paid to the holder of any unsurrendered Delaware Certificate with respect to the Nabors Bermuda Common Shares represented thereby, and all such dividends, other distributions, if any, shall be paid by Nabors Bermuda to the Exchange Agent and shall be included in the Exchange Fund, in each case until the surrender of such Delaware Certificate in accordance with this Article III. Subject to the effect of applicable abandoned property, escheat or similar laws, following surrender of any such Delaware Certificate there shall be paid to the holder of a Delaware Certificate representing the right to receive Nabors Bermuda Common Shares issued in exchange therefor, without interest, (i) at the time of such surrender, the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such Nabors Bermuda Common Shares and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and with a payment date subsequent to such surrender payable with respect to such Nabors Bermuda Common Shares. Nabors Bermuda shall make available to the Exchange Agent cash for these purposes, if necessary.

3.5 Warrants. Effective at the Effective Time, the outstanding warrants of Nabors Delaware to acquire Nabors Delaware Common Stock shall be thereafter exercisable, in accordance with their terms, for the number of Nabors Bermuda Common Shares to which a holder of the shares of Nabors Delaware Common Stock issuable at the time of the Merger upon the exercise of such warrants would have been entitled to receive as a result of the Merger, in accordance with this Article III, if such exercise had taken place immediately prior to the Merger.

3.6 Withholding Taxes. US Holdings shall be entitled to deduct and withhold, or cause the Exchange Agent to deduct and withhold, from the consideration otherwise payable to any person pursuant to this Article III any such amounts as are required under the Internal Revenue Code of 1986, as amended, or any applicable provision of state, local or foreign tax law; provided, however, that if such withholding may be eliminated or reduced through the delivery of any certificate or other documentation, US Holdings shall

A-I-4

provide each holder of Nabors Delaware Common Stock with a reasonable opportunity to deliver such certificate or other documentation. To the extent that amounts are so withheld by US Holdings, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of shares of Nabors Delaware Common Stock in respect of which such deduction and withholding was made by US Holdings.

ARTICLE IV

To the extent any Employee Benefit Plan or Director Benefit Plan provides for the issuance or purchase of, or otherwise relates to, Nabors Delaware Common Stock, after the Effective Time, such plan shall be deemed to provide for the issuance or purchase of, or otherwise relate to, Nabors Bermuda Common Shares. Nabors Delaware shall assign to Nabors Bermuda and Nabors Bermuda shall agree to assume, on substantially similar terms and conditions, each employment agreement with each executive officer and key employee of Nabors Delaware who, immediately prior to the Effective Time, is a party to an employment agreement with Nabors Delaware, subject to any required consent of any such executive officer or key employee.

Subject to the other provisions of these Bye-laws, the unissued Shares of the Company (whether forming part of the original Share capital or any increased capital) shall be at the disposal of the Board, which may offer, allot, grant options, warrants or other rights over or otherwise deal with or dispose of them to such persons, at such times and for such consideration and generally on such terms and conditions as the Board may from time to time determine. Shares may be issued in fractional denominations and in such event the Company shall deal with such fractions to the same extent as its whole Shares, so that a Share in a fractional denomination shall have, in proportion to the fraction of a whole Share that it represents, all the rights of a whole Share, including (but without limiting the generality of the foregoing) the right to vote, to receive dividends and distributions and to participate in a winding up.

7. Board May Pay Commissions. The Board may, in connection with the issue of any Shares, exercise all powers of paying commissions and brokerages conferred or permitted by Applicable Law.

8. Board May Repurchase Shares. Subject to the Companies Acts, the Company may purchase its own Shares and the Board may (without the sanction of a Resolution) authorise any exercise of the Company's power to purchase its own Shares, whether in the market, by tender or by private agreement, at such prices (whether at par or above or below par) and otherwise on such terms and conditions as the Board may from time to time determine. 12. Shareholder Approval to Alteration of Capital. The Shareholders may (subject to Bye-law 12.1) from time to time by Resolution:

(1) divide the Company's Shares into several classes and attach to them respectively any preferential, deferred, qualified or special rights, privileges or conditions;

(2) consolidate and divide all or any of the Company's share capital into Shares of larger par value than any of its existing Shares;

(3) sub-divide the Company's Shares or any of them into Shares of smaller par value than is fixed by its memorandum, provided, however, that in the sub-division the proportion between the amount paid and the amount, if any, unpaid on each reduced Share shall be the same as it was in the case of the Share from which the reduced Share is derived;

(4) make provision for the issue and allotment of Shares which do not carry any voting rights;

(5) cancel Shares which, at the date of the passing of the relevant Resolution, have not been taken or agreed to be taken by any person, and diminish the amount of the Company's authorised share capital by the amount of the Shares so cancelled; and

(6) change the currency denomination of the Company's share capital.

12.1 Where any disagreement arises in regard to any division, consolidation or sub-division under this Bye-law 12, the Board may settle the same as it thinks expedient and, in particular, may arrange for the sale of the Shares representing fractions, and the distribution of the net proceeds of sale in due proportion among the Shareholders who would have been entitled to the fractions, except that any proceeds in respect of any holding which are less than a sum fixed by the Board may be retained for the benefit of the Company. For the purpose of any such sale, the Board may authorise some person to transfer the Shares representing fractions to the purchaser, who shall not be bound to see to the application of the purchase money, nor shall such purchaser's title to the Shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

13. Conversion of Preferred Shares. Subject to the Companies Acts and to any confirmation or consent required by Applicable Law or these Bye-laws, the Shareholders may from time to time by Resolution convert any Preferred Shares in the Company (unless otherwise expressly provided by the rights attaching to or by the terms of issue of the Preferred Shares in question) into redeemable Preferred Shares.

REDUCTION OF CAPITAL

14. Shareholder Approval to Reduction of Capital. Subject to the Companies Acts and to any confirmation or consent required by Applicable Law or these Bye-laws, the Shareholders may from time to time by Resolution authorise the reduction in any manner of the Company's issued share capital (but not to a sum less than the minimum share capital prescribed by its memorandum) or any share premium account.

14.1 In relation to any such reduction, the Shareholders may by Resolution determine the terms upon which the reduction is to be effected, including, in the case of a reduction of part only of a class of Shares, those Shares to be

affected.

Except as otherwise provided by these Bye-laws and the Companies Acts, no business other than that stated in the notice shall be transacted at any meeting without the unanimous consent of all the Shareholders entitled to vote thereat. When a meeting is adjourned to another time or place, notice need not be given if the time and place thereof are announced at the meeting at which the adjournment is taken. If the adjournment is for more than thirty (30) days after the date of the original meeting, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each Shareholder of record entitled to vote at the meeting. The accidental omission to give notice of a meeting, or (in cases where instruments of proxy are sent out with the notice) the accidental omission to send such instrument of proxy to, or the non-receipt of notice of a meeting or such instrument of proxy by, any person entitled to receive such notice shall not invalidate the proceedings at that meeting.

18.4 No business shall be conducted at the Annual General Meeting of Shareholders except business brought before the Annual General Meeting in accordance with the procedures set forth in this Bye-law; provided, however, that, once business has been properly brought before the Annual General Meeting in accordance with such procedures, nothing in this Bye-law shall be deemed to preclude discussion by any Shareholder of any such business. If the Chairman of an Annual General Meeting determines that business was not properly brought before the Annual General Meeting in accordance with the foregoing procedures, the Chairman shall declare to the meeting that the business was not properly brought before the meeting and such business shall not be transacted.

19. Quorum. 19.1 As to any matter with respect to which a separate class vote is required by the terms of the Companies Acts, the holders of a majority of the Shares of such class which are then outstanding and entitled to vote shall be present in person or represented by proxy in order to constitute a quorum for the purpose of any separate vote required by such class.

19.2 The absence from any meeting of the number of Shares required by Applicable Law or these Bye-laws for action upon one matter shall not prevent action at such meeting upon any other matter or matters which may properly come before the meeting, if the number of Shares required in respect of such other matters shall be present.

20. Organization. At each meeting of the Shareholders, the Chairman of the Board or, in his absence or inability to act, the most senior present Vice Chairman or, in the absence or inability to act of any Vice Chairman, the President or, in his absence or inability to act, a Vice President or, in his absence or inability to act, any person as may be designated by the Board or, in the absence of such designation, a chairman to be chosen at the meeting by the majority of those Shareholders present in person or represented by proxy shall act as chairman of the meeting. Any such proxy shall be delivered to the secretary of such meeting at or prior to the time designated in the order of business for so delivering such proxies. Each such proxy shall be in writing in any common form or in such other form as the Board may approve and, executed by the Shareholder or his duly authorized attorney-in-fact, but no such proxy shall be voted after three years from its date unless such proxy provides for a longer period. A duly executed proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A proxy may be made irrevocable regardless of whether the interest with which it is coupled is an interest in the Share itself or an interest in the Company generally.

23.1 The appointment of a proxy in relation to a particular meeting shall,

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

unless the contrary is stated, be valid for any adjournment of the meeting and the appointment of a proxy in relation to a particular meeting or adjourned meeting shall unless the contrary is stated, be valid for any poll demanded at the meeting or adjourned meeting.

23.2 Subject to the Companies Act, the Board may also at its discretion waive any of the provisions of these Bye-laws relating to the execution and deposit of an instrument or other form of communication appointing or evidencing the appointment of a proxy or any ancillary matter (including, without limitation, any requirement for the production or delivery of any instrument or other communication to any particular place or by any particular time or in any particular way) and, in any case in which it considers it appropriate, may accept such instrument or other form of communication evidencing the appointment of a proxy or such verbal or other assurances as it thinks fit as to the right of any person to attend and vote on behalf of any Shareholder at any general meeting.

24. List of Shareholders. A complete list of the Shareholders entitled to vote at any meeting, arranged in alphabetical order, with the address of each, and the number of Shares held by each, shall be prepared, or shall be caused to be prepared, by the Secretary and shall be open to examination of any Shareholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city in which the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the place of the meeting during the whole time thereof, and may be inspected by any Shareholder who is present. The Share ledger shall be the only evidence as to the Shareholders entitled to examine the Share ledger, the list required by these Bye-laws or the books of the Company, or to vote in person or by proxy at any meeting of the Shareholders.

25. Voting by Fiduciaries, Pledgors and Joint Owners. Persons holding Shares in a fiduciary capacity shall be entitled to vote the Shares so held. Persons whose Shares are pledged shall be entitled to vote, unless in the transfer by the pledgor on the books of the Company he has expressly empowered the pledgee to vote thereon, in which case only the pledgee, or his proxy, may represent such Shares and vote thereon.

25.1 If Shares or other securities having voting power stand of record in the names of two or more persons, whether fiduciaries, members of a partnership, joint tenants, tenants-in-common, tenants by the entirety or otherwise, or if two or more persons have the same fiduciary relationship respecting the same Shares, unless the Secretary is given written notice to the contrary and is furnished with a copy of the

A-III-8

instrument or order appointing them or creating the relationship wherein it is so provided, their acts with respect to voting shall have the following effect:

- (a) if only one votes, his act binds all;
- (b) if more than one votes, the act of the majority so voting binds all; and
- (c) if more than one votes, but the vote is evenly split on any particular matter, each faction may vote the securities in question proportionally, or any person voting the Shares, or a beneficiary, if any, may apply to such court as may have jurisdiction to appoint an additional person to act with the persons so voting the Shares, which shall then be

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

voted as determined by a majority of such persons and the person appointed by a court of competent jurisdiction. If the instrument so filed shows that any such tenancy is held in unequal interest, a majority or even-split for the purpose of this paragraph shall be a majority or even-split in interest.

26. Consent of Shareholders in Lieu of Meeting. Except in the case of the removal of auditors and Directors, anything which may be done by Resolution in general meeting may, without a meeting and without any previous notice being required, be done by Resolution in writing, signed by all of the Shareholders or their proxies, or in the case of a Shareholder that is a corporation (whether or not a company within the meaning of the Companies Acts) on behalf of such Shareholder, being all of the Shareholders of the Company who at the date of the Resolution in writing would be entitled to attend a meeting and vote on the Resolution. Such Resolution in writing may be signed in as many counterparts as may be necessary.

To be timely, a Shareholder's notice to the Secretary must be delivered to or mailed and received at the Registered Office and the principal executive offices of the Company as set forth in the Company's filings with the Securities and Exchange Commission (a) in the case of an Annual General Meeting, not less than sixty (60) days nor more than ninety (90) days prior to the anniversary date of the immediately preceding Annual General Meeting; provided, however, that in the event that the Annual General Meeting is called for a date that is not within thirty (30) days before or after such anniversary date, notice by the Shareholder in order to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the Annual General Meeting was mailed or such public disclosure of the date of the Annual General Meeting was made, whichever first occurs; and (b) in the case of a Special General Meeting called for the purpose of electing directors, not later than the close of business on the tenth (10th) day following the day on which notice of the date of the Special General Meeting was mailed or public disclosure of the date of the Special General Meeting was made, whichever first occurs.

27.2 To be in proper written form, a Shareholder's notice to the Secretary must set forth (a) as to each person whom the Shareholder proposes to nominate for election as a Director (i) the name, age, business address and residential address of the person, (ii) the principal occupation or employment of the person, (iii) the class or series and number of Shares which are owned beneficially or of record by the person, and (iv) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the U.S. Securities Exchange

Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a Director if elected.

27.3 No person shall be eligible for election as a Director of the Company unless nominated in accordance with the procedures set forth in this Bye-law 27. If the Chairman of the meeting determines that a nomination was not made in accordance with the foregoing procedures, the Chairman shall declare to the meeting that the nomination was defective and such defective nomination shall be disregarded.

BOARD OF DIRECTORS

28. General Powers. The business and affairs of the Company shall be managed by or under the direction of a Board, which may exercise all such authority and powers of the Company and do all such lawful acts and things as are not by Applicable Law, or by these Bye-laws, directed or required to be exercised or done by the Shareholders or such other persons as provided therein.

29. Number, Election and Term of Directors. The Board shall consist of not less than five (5) and not more than eighteen (18) Directors. Directors shall be elected or appointed at the Annual General Meeting or at any Special General Meeting called for that purpose by a plurality of votes of the Shareholders, except that any vacancies which result from the death, resignation, retirement, disqualification or removal of a Director may be filled by a majority of the Board then in office provided that any Director elected to fill such a vacancy shall be subject to the same term of office as the director being replaced. Any general meeting may authorize the Board to fill any vacancy left unfilled at a general meeting. The number of Directors to be elected at any time within the minimum and maximum limitations specified herein shall be determined from time to time by the Board pursuant to a resolution adopted by the vote of a majority of the Board then in office provided always that there are at least two Directors to manage the affairs of the Company and provide a quorum for a meeting of the Board. Subject to the quorum requirements set forth in Bye-law 36, during the existence of a vacancy on the Board the remaining Directors shall have full power to act. No Director may appoint any other person as an alternate director to replace himself or herself.

29.1 The Board shall be divided as equally as may be practical into three classes. Each Director of the first class shall (unless his or her office is vacated in accordance with these Bye-laws) serve initially until the conclusion of the Annual General Meeting of the Shareholders held in the calendar year 2003, and subsequently shall (unless his or her office is vacated in accordance with these Bye-laws) serve for three-year terms, each concluding at the third Annual General Meeting after such class of Directors was last appointed or reappointed. Each Director of the second class shall (unless his or her office

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

is vacated in accordance with these Bye-laws) serve initially until the conclusion of the annual general meeting of the Shareholders held in the calendar year 2004, and subsequently shall (unless his or her office is vacated in accordance with these Bye-laws) serve for three-year terms, each concluding at the third Annual General Meeting after such class of Directors was last appointed or reappointed. Each Director of the third class shall (unless his or her office is vacated in accordance with these Bye-laws) serve initially until the conclusion of the Annual General Meeting of the Shareholders held in the calendar year 2005, and subsequently shall (unless his or her office is vacated in accordance with these Bye-laws) serve for three-year terms, each concluding at the third annual general meeting after such class of Directors together was last appointed or reappointed. At each annual election thereafter, the successors of the Directors of the class whose term expires in that year shall be elected to hold office for a term of three years, so that the term of office of one class of Directors shall expire each year. All

A-III-10

Directors upon election or appointment (but not on reappointment) must provide written acceptance of their appointment, in such form as the Board may think fit, by notice in writing to the Registered Office within thirty (30) days of their appointment.

29.2 If the number of Directors is changed, any increase in directorships or decrease in directorships shall be apportioned among the classes so as to make all classes as nearly equal in number as practical. In case of any increase in the number of Directors within the minimum and maximum limitations specified in this Bye-law, additional Directors may be appointed by the Board to fill such vacancy. Any such Director so appointed shall hold office for a term that shall coincide with the remaining term of that class to which he is elected and until his or her successor shall have been elected and qualified. No decrease in the number of Directors shall shorten the term of any incumbent Director.

29.3 The Shareholders may remove a Director prior to the expiration of his or her term, only for cause, at a Special General Meeting called for that purpose by the affirmative vote of a majority of the outstanding Shares entitled to vote at such meeting, provided notice of any such meeting shall be served upon the Director concerned not less than fourteen (14) days before the meeting and he or she shall be entitled to be heard at that meeting. Any vacancy created by the removal of a Director may be filled by the affirmative vote of a majority of the outstanding shares entitled to vote at the same meeting by the election of another Director in his or her place or, in the absence of any such election, by the Board.

30. Resignations. In addition to those circumstances in which a Director may be removed from office pursuant to these Bye-laws, the office of a Director shall be vacated:

(1) if the Director resigns from office, on the date on which notice of his or her resignation is delivered to the Registered Office or tendered at a meeting of the Board or on such later date as may be specified in such notice; or

(2) if the Director dies, becomes physically incapable of discharging his or her duty to the Company in accordance with Applicable Laws or becomes of unsound mind or a patient for any purpose of any statute or applicable law relating to mental health, on the date of death or the date on which the Board resolves that his or her office is vacated; or

(3) on his or her becoming bankrupt; or

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

(4) on his or her being prohibited by Applicable Law from being a Director;
or

(5) on his or her ceasing to be a Director by virtue of any provision of the Companies Acts.

31. Annual Board Meetings. The annual meeting of the Board for the purpose of organizing the Board, appointing officers and members of committees and transacting other business, shall be held immediately following the Annual General Meeting of the Shareholders at the same place where such meeting of Shareholders shall be held or at such place and time as may be determined by the Board; provided, however, that the time so fixed shall permit the giving of notice as provided in these Bye-laws.

32. Regular Board Meetings. Additional regular meetings of the Board may be held at such time and place as shall from time to time be determined by the Board; provided, however, that the time so fixed shall permit the giving of notice as provided in these Bye-laws.

33. Special Board Meetings. Special meetings of the Board may be called at any time by the Chairman of the Board, the Vice Chairman, the President or any Vice President or by two or more Directors and shall be held at such time and place as may be fixed by the person or persons calling the meeting; provided, however, that the time so fixed shall permit the giving of notice as provided in these Bye-laws.

34. Notice of Board Meetings. Notice of a meeting of the Board shall be deemed to be duly given to a Director if it is given to the Director personally or by word of mouth or sent to the Director by post, facsimile or other electronic means at his or her last known address or any other address given by him or her to the Company for this purpose. A Director may retrospectively waive the requirement for notice of any meeting by consenting in writing to the business conducted at the meeting.

35. Organization of Board Meetings. The Chairman of the Board shall preside over all meetings of the Board at which he or she is present. In his or her absence or inability to act, the most senior Vice Chairman present at the meeting shall preside. In the absence or inability to act of the Chairman or any Vice Chairmen, the Board shall select a chairman of the meeting from among the Directors present. The Secretary or, in his or her absence or inability to act, an Assistant Secretary, or in his or her absence or inability to act, another Director selected by the Board shall act as secretary of the meeting and keep the minutes thereof.

36. Quorum and Voting at Board Meetings. At all meetings of the Board the presence in person of the greater of two Directors, and one-third of the total number of Directors constituting the entire Board then in office, shall be necessary and sufficient to constitute a quorum for the transaction of any business by the Board at such meeting, except as otherwise provided by these Bye-laws or Applicable Law. At any meeting of the Board, no action shall be taken (except adjournment, in the manner provided below) until after a quorum has been established.

36.1 Except as otherwise provided by Applicable Law or these Bye-laws, the act of a majority of Directors who are present at a meeting at which a quorum previously has been established (or at any adjournment of such meeting, provided that a quorum shall have previously been established at such adjourned meeting) shall be the act of the Board, regardless of whether or not a quorum is present at the time such action is taken. In determining the number of directors who are

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

present at the time any such action is taken, any Director who is in attendance at such meeting but who, for just cause, is disqualified to vote on such matter, shall not be considered as being present at the time of such action for the purpose of establishing the number of votes required to take action on any matter submitted to the Board, but shall be considered as being present for purposes of determining the existence of a quorum.

36.2 In the event a quorum cannot be established at the beginning of a meeting, a majority of the Directors present at the meeting, or the Secretary of the Company, if there be no Director present, may adjourn the meeting from time to time until a quorum be present. Only such notice of such adjournment need be given as the Board may from time to time prescribe.

37. Regulations of the Board. The Board may adopt such rules and regulations for the conduct of its meetings and or the management of the business and affairs of the Company as it may deem proper and not inconsistent with Applicable Law and these Bye-laws.

38. Written Consent in Lieu of Board Meetings. A resolution in writing signed or approved by all the Directors shall be as valid and effectual as a resolution passed at a meeting of the Board duly called and constituted. Such a resolution may be contained in one document or in several documents in like form, each signed or approved by one or more of the Directors and shall take effect as of the time of the last signature is affixed.

39. Telephonic Participation in Board Meetings. Any and all members of the Board may participate in a meeting of the Board by means of a conference telephone, satellite, video-conference or similar communications equipment by means of which all persons participating in such meeting shall hear each other; participation in a meeting pursuant to this Bye-law 39 shall constitute presence in person at such meeting.

40. Compensation of Directors. Directors shall be entitled to such compensation for their services as Directors and to such reimbursement for any reasonable expense incurred in attending meetings of the Board as may from time to time be fixed by the Board. The compensation may be on such basis as is determined by the Board. Any Director may waive compensation for any meeting. Any Director receiving compensation under these provisions shall not be barred from serving the Company in any other capacity and receiving compensation and reimbursement for reasonable expenses for such other services.

The Board may revoke or vary any such appointment or delegation, but no person dealing in good faith and without notice of such revocation or variation shall be affected by any such revocation or variation. Any such power of attorney or other

documentation may contain such provisions for the protection and convenience of persons dealing with any such attorney or agent as the Board may think fit.

41.1 The Board may entrust to and confer upon any Officer any of its powers, authorities and discretions (with power to sub-delegate) on such terms and conditions with such restrictions as it thinks fit and either collaterally with, or to the exclusion of, its own powers and may from time to time revoke or vary all or any of such powers, but no person dealing in good faith and without notice of such revocation or variation shall be affected by any revocation or variation.

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

41.2 The Board may delegate any of its powers, authorities and discretions (with power to sub-delegate) to any committee of the Board, consisting of such number of Directors as it thinks fit. The Board may make any such delegation on such terms and conditions with such restrictions as it thinks fit and either collaterally with, or to the exclusion of, its own powers and may from time to time revoke or vary such delegation, but no person dealing in good faith and without notice of such revocation or variation shall be affected by any revocation or variation. Any committee so formed shall, in the exercise of the powers, authorities and discretions so delegated, conform to any regulations that may be imposed on it by the Board. The power to delegate to a committee extends to all the powers, authorities and discretions of the Board generally and shall not be limited by the fact that certain provisions of these Bye-laws expressly refer to a committee or to the particular powers, authorities or discretions of the Board or a Board committee.

COMMITTEES

42. Executive Committee. The Board may appoint an Executive Committee consisting of one or more Directors, one of whom shall be designated as Chairman of the Executive Committee. Each member of the Executive Committee shall continue as a member thereof until the expiration of his or her term as a Director or his or her earlier resignation or removal as a member of the Executive Committee or as a Director or until his or her death.

50. Written Consent in Lieu of Committee Meetings. A resolution in writing signed or approved by all the members of any committee of the Board shall be as valid and effectual as a resolution passed at a meeting of the committee duly called and constituted. Such a resolution may be contained in one document or in several documents in like form, each signed or approved by one or more of the committee members and shall take effect as of the time of the last signature is affixed.

70. Regulations, Governing Issuance and Transfer of Shares. The Board shall have the power and authority to make all such rules and regulations, not inconsistent with these Bye-laws, as it may deem expedient concerning the issue, transfer and registration of Shares. It may appoint, or authorize any officer or officers to appoint, one or more transfer agents or one or more transfer clerks and one or more registrars and may require all Share certificates to bear the signature or signatures of any of them.

71. Fixing Record Date. In order that the Company may determine the Shareholders of record entitled to notice of, or to vote at, any meeting of Shareholders or any adjournment thereof, or entitled to express consent to corporate action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of Share or for the purpose of any other lawful action, the Board may fix, in advance, a record date, which shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting, nor more than sixty (60) days prior to any other action. Except as otherwise provided by Applicable Law, or these Bye-laws or by resolution of the Board:

(1) The record date for determining Shareholders entitled to notice of or to vote at a meeting of Shareholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held;

(2) The record date for determining Shareholders entitled to express consent to corporate action in writing without a meeting, when no prior action by the Board is necessary, shall be the day on which the first written consent is expressed; and

(3) The record date for determining Shareholders for any other purpose shall be at the close of business on the day on which the Board adopts the resolution relating thereto.

71.1 A determination of Shareholders of record entitled to notice of or to vote at a meeting of Shareholders shall apply to any adjournment of the meeting; provided, however, that the Board may fix a new record date for the adjourned meeting.

72. Lost, Stolen or Destroyed Share Certificates. The holder of any certificates representing Shares shall immediately notify the Company of any loss, theft, destruction or mutilation of such certificate, and the Board may authorize the issuance of a new certificate in lieu thereof upon satisfactory proof of such loss, theft or destruction upon the giving of an open penalty bond with surety satisfactory to the Treasurer and the Company's counsel, to protect the Company or any person injured on account of the alleged loss, theft or destruction of any such certificate or the issuance of a new certificate from any liability or expense which it or they may incur by reason of the original

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

certificates remaining outstanding and upon payment of the Company's reasonable costs incident thereto.

DIVIDENDS

73. Dividends and Reserves. Subject to the Companies Act and the rights attaching to a particular class or series of Shares, the Board may, out of funds available therefor, declare dividends upon Shares to be paid to the Shareholders, according to their respective rights and interests as and when they deem expedient, and may fix the time for payment of such dividends. The Company may deduct from any dividend, distribution or other monies payable to a Shareholder by the Company on or in respect of any Shares all sums of money (if any)

A-III-18

presently payable by the Shareholder to the Company on account of calls or otherwise in respect of Shares. No dividend, distribution or other monies payable by the Company on or in respect of any Share shall bear interest against the Company.

WINDING UP

74. Winding-Up. If the Company is wound up, the liquidator may, with the sanction of a Resolution and any other sanction required by the Companies Acts:

(1) divide among the Shareholders in cash or in kind the whole or any part of the assets of the Company (whether they consist of property of the same kind or not) and for such purposes set such value as the liquidator deems fair on any property to be so divided, and determine how such division shall be carried out as between the Shareholders or different classes of Shareholders, provided that in all events, amounts will be distributed pursuant to the rights attached to those Shares then outstanding; and

(2) vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as the liquidator, with the like sanction, thinks fit, but so that no Shareholder shall be compelled to accept any Shares or other assets upon which there is any liability.

EXEMPTION AND INDEMNIFICATION OF DIRECTORS AND OFFICERS

75. Exemption and Indemnification of Officers. Subject always to these Bye-laws, no Officer shall be liable for the acts, receipts, neglects or defaults of any other Officer nor shall any Officer be liable in respect of any negligence, default or breach of duty on his or her own part in relation to the Company or any Subsidiary, or for any loss, misfortune or damage which may happen, in or arising out of the actual or purported execution or discharge of his or her duties or the exercise or purported exercise of his or her powers or otherwise in relation to or in connection with his or her duties, powers or office.

75.1. Subject always to these Bye-laws, every Officer shall be indemnified and held harmless out of the funds of the Company against all liabilities, losses, damages or expenses (including but not limited to liabilities under contract, tort and statute or any applicable foreign law or regulation and all legal and other costs and expenses properly payable) incurred or suffered by the Officer arising out of the actual or purported execution or discharge of the Officer's duties (including, without limitation, in respect of his or her service at the request of the Company as a director, officer, partner, trustee, employee, agent or similar functionary of another person) or the exercise or purported exercise of the Officer's powers or otherwise, in relation to or in

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

connection with the Officer's duties, powers or office (including but not limited to liabilities attaching to the Officer and losses arising by virtue of any rule of law in respect of any negligence, default, breach of duty or breach of trust of which such Officer may be guilty in relation to the Company or any Subsidiary of the Company).

75.2. Every Officer shall be indemnified out of the funds of the Company against all liabilities arising out of the actual or purported execution or discharge of the Officer's duties or the exercise or purported exercise of the Officer's powers or otherwise, in relation to or in connection with the Officer's duties, powers or office, incurred by such Officer in defending any proceedings, whether civil or criminal, in which judgement is given in the Officer's favour, or in which the Officer is acquitted, or in connection with any application under the Companies Acts in which relief from liability is granted to the Officer by the court.

75.3. In this Bye-law 75 (i) the term "Officer" includes, in addition to the persons specified in the definition of that term in Bye-law 1, the Resident Representative, a member of a committee constituted under these Bye-laws, any person acting as an Officer or committee member in the reasonable belief that the Officer has been so appointed or elected, notwithstanding any defect in such appointment or election, and any person who formerly was an Officer or acted in any of the other capacities described in this clause (i) and (ii) where the context so admits, references to an Officer include the estate and personal representatives of a deceased Officer or any such other person.

A-III-19

75.4. The provisions for exemption from liability and indemnity contained in this Bye-law shall have effect to the fullest extent permitted by Applicable Law, but shall not extend to any matter which would render any of them void pursuant to the Companies Acts.

75.5. To the extent that any person is entitled to claim an indemnity pursuant to these Bye-laws in respect of an amount paid or discharged by him or her, the relevant indemnity shall take effect as an obligation of the Company to reimburse the person making such payment (including advance payments of fees or other costs) or effecting such discharge.

75.6. The rights to indemnification and reimbursement of expenses provided by these Bye-laws shall not be deemed to be exclusive of, and are in addition to, any other rights to which a person may be entitled. Any repeal or amendment of this Bye-law 75 shall be prospective only and shall not limit the rights of any Officer or the obligation of the Company with respect to any claim arising prior to any such repeal or amendment.

75.7. In so far as it is permissible under Applicable Law, each Shareholder and the Company agree to waive any claim or right of action the Shareholder or it may at any time have, whether individually or by or in the right of the Company, against any Officer on account of any action taken by such Officer or the failure of such Officer to take any action in the performance of his duties with or for the Company, provided however, that such waiver shall not apply to any claims or rights of action arising out of the fraud or dishonesty of such Officer or to recover any gain, personal profit or advantage to which such Officer is not legally entitled.

75.8. Subject to the Companies Acts, expenses incurred in defending any civil or criminal action or proceeding for which indemnification is required pursuant to this Bye-law 75 shall be paid by the Company in advance of the final disposition of such action or proceeding upon receipt of an undertaking by or on behalf of the indemnified party to repay such amount if it shall ultimately be

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

determined that the indemnified party is not entitled to be indemnified pursuant to this Bye-law 75.

75.9 Each Shareholder of the Company, by virtue of its acquisition and continued holding of a Share, shall be deemed to have acknowledged and agreed that the advances of funds may be made by the Company as aforesaid, and when made by the Company under this Bye-law 75 are made to meet expenditures incurred for the purpose of enabling such Officer to properly perform his or her duties as an Officer.

ACCOUNTING RECORDS

76. Accounting Records. The Board shall cause accounting records of the Company to be kept in accordance with the requirements of the Companies Acts.

76.1. The records of account shall be kept at the Registered Office or at such other place or places as the Board thinks fit. If the records of account are kept at some place outside Bermuda, there shall be kept at an office of the Company in Bermuda such records as are required by the Companies Acts to be so kept. The records of account shall at all times be open to inspection by the Directors and, to the extent prescribed by the Companies Acts, by the Resident Representative. No Shareholder (other than a Director) shall have any right to inspect any accounting record or book or document of the Company except as conferred by Applicable Law or authorised by the Board or by Resolution.

76.2. The Board shall arrange for the financial statements of the Company to be prepared and audited in respect of each year or other period from time to time fixed by the Board and shall arrange for those financial statements to be made available to Shareholders and laid before the Shareholders in general meeting in accordance with the requirements of the Companies Acts.

AUDITORS

77. Auditors. Auditors shall be appointed and their duties regulated in accordance with the Companies Acts, Applicable Law and such requirements not inconsistent with the Companies Acts and Applicable Law as the Board may from time to time determine.

A-III-20

GENERAL PROVISIONS

78. Execution of Contracts, Papers and Documents. Except as otherwise required by Applicable Law or these Bye-laws, any contract or other instrument may be executed and delivered in the name and on behalf of the Company by such officers or employees of the Company, or such other person as the Board may from time to time determine, or in the absence of such determination, by the Chairman or the President. Such authority may be general or confined to specific instances as the Board may determine. Unless authorized by the Board or expressly permitted by these Bye-laws, no officer or agent or employee shall have any power or authority to bind the Company by any contract or engagement or to pledge its credit or to incur a pecuniary liability for any purpose.

79. Voting Shares in Other Companies. The Company may vote any and all shares and other securities having voting rights which may at any time and from time to time be held by it in any other company or companies and such vote may be cast either in person or by proxy by such officer of the Company as the Board may appoint or, in the absence of such appointment, by the Chairman or President.

80. Cheques, Drafts, etc. All cheques, drafts, bills of exchange or other orders for the payment of money out of the funds of the Company, and all notes

or other evidences of indebtedness of the Company, shall be signed in the name and on behalf of the Company by such persons and in such manner as shall from time to time be authorized by the Board.

81. Corporate Seal. The Seal shall consist of a circular metal device with the name of the Company around its outer margin and the country and the year of incorporation across its centre. The Company may also have for use in any territory outside Bermuda one or more additional Seals, each of which shall be a duplicate of the Seal.

81.1 The Board shall provide for the custody of every Seal. A Seal shall only be used by authority of the Board or of a committee of the Board. Subject to the Companies Acts, and except as otherwise provided in these Bye-laws, any instrument to which a Seal is affixed shall be signed by an Officer or by any person who has been authorised by the Board either generally or specifically to attest to the use of a Seal.

82. Fiscal Year. The fiscal year of the Company shall be a period of twelve (12) calendar months beginning January 1 and ending on the following December 31 in the same year.

TRANSACTIONS WITH DIRECTORS AND OFFICERS

83. Affiliated Transactions. A Director may hold any other office or place of profit with the Company (except that of auditor) in addition to his or her office of Director for such period and upon such terms as the Board may determine, and may be paid such extra remuneration for so doing (whether by way of salary, commission, participation in profits or otherwise) as the Board may determine, in addition to any remuneration or other amounts payable to a Director pursuant to any other Bye-law.

83.1 A Director may act in a professional capacity for the Company (otherwise than as auditor) and the Director shall be entitled to remuneration for professional services as if he or she were not a Director.

83.2 Subject to the Companies Acts, a Director, (i) may be a party to, or otherwise interested in, any transaction or arrangement with the Company or in which the Company is otherwise interested, and (ii) may be a director or other officer of, or employed by, or a party to any transaction or arrangement with, or otherwise interested in, any company or other person promoted by the Company or in which the Company is interested. A Director who in any way, whether directly or indirectly, to his or her knowledge has a material interest in a contract with the Company or any of its subsidiaries shall declare the nature of the Director's interest at the first opportunity at a meeting of the Board at which the question of entering into the contract is first taken into consideration, if the Director knows this interest then exists, or in any other case at the first meeting of the Board after learning that he or she is or has become so interested.

83.3 Subject to the Companies Acts and any further disclosure required thereby, a general notice to the Directors by a Director or other Officer declaring that he or she is a director or officer of any company, or has a

A-III-21

material interest in, any company or person and is to be regarded as interested in any transaction or arrangement made with that company or person, shall be a sufficient declaration of interest in relation to any transaction or arrangement so made.

83.4 So long as, where it is necessary, a Director declares the nature of

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

his or her interest in accordance with this Bye-law, a Director shall not by reason of his or her office be accountable to the Company for any benefit the Director derives from any office or employment to which these Bye-laws allow him or her to be appointed or from any transaction or arrangement in which these Bye-laws allow the Director to be interested, and no such transaction or arrangement shall be avoided on the ground of any such interest or benefit.

84. Determining Quorum in the Event of Common or Interested Director. Upon declaring their interest, common or interested Directors may be counted in determining the presence of a quorum and, subject to these Bye-laws, may vote at a meeting of the Board or of a committee thereof which considered or authorized the contract or transaction.

CONTINUATION

85. Continuance. Subject to the Companies Acts, approval of the Board and a Resolution passed by a majority of the issued Shares entitled to vote may approve the discontinuation of the Company in Bermuda and the continuation of the Company in a jurisdiction outside Bermuda.

AMALGAMATION

86. Amalgamation. Any resolution proposed for consideration at any general meeting to approve the amalgamation of the Company with any other company, wherever incorporated, shall require the approval of the majority provided for in Bye-law 22 at such meeting and the quorum for such meeting shall be that required in Bye-law 19 and a poll may be demanded in respect of such resolution in accordance with the provisions of the Companies Act.

ALTERATION OF BYE-LAWS

87. Alteration of Bye-laws. These Bye-laws may be revoked or amended only by the Board, which may from time to time revoke or amend them in any way by a resolution of the Board, but no such revocation or amendment shall be operative unless and until it is approved by a Resolution of the holders of a majority of the issued Shares entitled to vote.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 145 of the Delaware General Corporation Law permits the indemnification of directors, employees and agents of Delaware corporations.

Consistent with Section 145, Article Seventh of the Restated Certificate of Incorporation of Nabors Delaware states as follows:

(a) Each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter collectively referred to as a "proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as a director,

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the Delaware General Corporation Law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators.

(b) The right to indemnification conferred in this Section shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that if the Delaware General Corporation Law requires, the payment of such expenses incurred by a director or officer in advance of the final disposition of a proceeding, shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to be indemnified under this Section or otherwise. The Corporation may, by action of its Board of Directors, provide indemnification to employees and agents of the Corporation with the same scope and effect as the foregoing indemnification of directors and officers.

(c) The right to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this Section shall not be exclusive of any other right which any person may have or hereafter acquired under any statute, provision of the Certificate of Incorporation or By-laws, agreement, vote of stockholders or disinterested directors or otherwise.

(d) The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any such expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the Delaware General Corporation law.

(e) Any repeal or modification of this Section directly or indirectly, such as by adoption of an inconsistent provision of this Certificate of Incorporation, shall not apply to or have any effect on the rights of any officer and director to indemnification and advancement of expenses with respect to any acts or omissions occurring prior to such repeal or modification.

(f) If this Section or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify each director and officer of the

II-1

corporation as to expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) with respect to any proceeding to the full extent permitted by any applicable portion of this Section that shall not have been invalidated and to the full extent permitted by applicable law.

Nabors Delaware has entered into agreements with each of its directors and

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

officers indemnifying each of them against expenses, settlements, judgments and fines in connection with any threatened, pending or completed action, suit, arbitration or proceeding where the individual's involvement is by reason of the fact that he is or was a director or officer or served at Nabors Delaware's request as a director or officer of another organization, except that indemnification is not provided against judgments or fines in a derivative suit unless permitted by Delaware law.

The officers and directors of Nabors Delaware and Nabors Bermuda are covered by directors and officers insurance aggregating \$50,000,000.

Nabors Industries Ltd. is a Bermuda exempted company. Section 98 of the Companies Act of 1981 of Bermuda, as amended (the "Companies Act"), provides generally that a Bermuda company may indemnify its directors, officers and auditors against any liability which by virtue of Bermuda law otherwise would be imposed on them, except in cases where such liability arises from fraud or dishonesty of which such director, officer or auditor may be guilty in relation to the company. Section 98 further provides that a Bermuda company may indemnify its directors, officers and auditors against any liability incurred by them in defending any proceedings, whether civil or criminal, in which judgment is awarded in their favor or they are acquitted or in which they are acquitted or granted relief by the Supreme Court of Bermuda in certain proceedings arising under Section 281 of the Act.

Nabors Industries Ltd. has adopted provisions in its bye-laws that provide that it shall indemnify its officers and directors to the maximum extent permitted under the Companies Act. If the reorganization is completed, Nabors Bermuda anticipates that it will enter into indemnification agreements with its directors and officers with terms and conditions substantially similar to the agreements Nabors Delaware has entered into with its directors and officers (subject always to Bermuda law and any limitations on such agreements contained in the Companies Act).

ITEM 22. UNDERTAKINGS

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other times of the applicable form.

II-3

The registrant undertakes that every prospectus: (1) that is filed pursuant to the immediately preceding paragraph, or (2) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered

Edgar Filing: NABORS INDUSTRIES LTD - Form S-4/A

therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

II-4

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant has duly caused this Amendment No. 4 to the Registrant's Registration Statement on Form S-4 to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Houston, Texas on the 10th day of May, 2002.
