Item 1. Security and Issuer

This Amendment No.1 (the "Amendment") to Schedule 13D is being filed by Valero Energy Corporation ("Valero Energy") and certain of its subsidiaries, TPI Petroleum, Inc., Diamond Shamrock Refining and Marketing Company, Sigmor Corporation, The Shamrock Pipe Line Corporation, Diamond Shamrock Refining Company, L.P., TPI Pipeline Corporation and UDS Logistics, LLC (collectively, the "Subsidiaries" and together with Valero Energy, the "Reporting Persons") to amend the Schedule 13D that was previously filed on January 10, 2002. This statement relates to the common units representing limited partner interests (the "Common Units") of Valero L.P., a Delaware limited partnership (the "Partnership"), which has its principal executive offices at One Valero Place 1604 West, San Antonio, Texas 78212.

Item 2. Identity and Background

The information previously furnished in response to Item 2 is amended to add the following:

On March 18, 2003, the Partnership redeemed 3,809,750 Common Units pursuant to the Common Unit Redemption Agreement (the "Redemption Agreement") dated as of March 12, 2003, among the Partnership and UDS Logistics, LLC, a Delaware limited liability company ("UDS Logistics"). For approximately \$134.1 million, the Partnership redeemed from UDS Logistics 3,809,750 Common Units at a price of \$35.19 per unit, which is equal to the net proceeds per unit, after underwriting discounts and commissions, received by the Partnership in a public offering of 5,750,000 of the Partnership's Common Units. An Underwriting Agreement (see below) with respect to the Common Unit offering was entered into immediately prior to the execution of the Redemption Agreement. The closing of the redemption took place immediately after the closing of the Common Unit offering on March 18, 2003. The redemption reduced the amount of Common Units Valero Energy beneficially owns through UDS Logistics from 4,424,322 to 614,572 Common Units, reducing Valero Energy's ownership of the Partnership's Common Units from 46.1% to 5.29%, assuming the overallotment option granted to the

Edgar Filing: VALERO L P - Form SC 13D/A

underwriters in the public offering of Common Units is not exercised. The Redemption Agreement is incorporated by reference into this Amendment No. 1 from Exhibit No. 10.1 to the Partnership's Current Report on Form 8-K filed on March 17, 2003. Schedule I is amended and restated as attached hereto. Appendices A through G are hereby amended and restated as attached hereto.

Item 4. Purpose of Transaction

The information previously furnished in response to Item 4 is amended to add the following:

See Item 2.

Pursuant to the Redemption Agreement, the Partnership redeemed 3,809,750 Common Units from UDS Logistics at a price of \$35.19 per unit, which is equal to the net proceeds per unit received by the Partnership in a concurrent underwritten public offering of 5,750,000 Common Units, after underwriting discount and commissions. The purpose of the Common Unit redemption was to decrease Valero Energy's aggregate ownership of all partner interests of the Partnership to 49.5% or less. Valero Energy continues to own and control the general partner of the Partnership and thus continues to control and manage the Partnership.

Item 5. Interest in Securities of the Partnership

The information previously furnished in response to Item 5 is amended to add the following:

The Reporting Persons are deemed to be the beneficial owners of 614,572 Common Units, which constitute approximately 5.29% of the total issued and outstanding Common Units as of March 18, 2003 (based on 11,624,822 Common Units outstanding after giving effect to the redemption and the Common Unit offering). The Reporting Persons also hold, through UDS Logistics, 9,599,322 subordinated limited partner interests in the Partnership.

Page 11 of 22 Pages

Item 6. Contracts, Arrangements, Understandings or Relationships with respect to Securities of the Company

The information previously furnished in response to Item 6 is amended to add the following:

In addition to the Redemption Agreement, the Partnership has entered into an Underwriting Agreement (the "Underwriting Agreement") dated March 12, 2003 with Lehman Brothers Inc., Goldman, Sachs & Co., Morgan Stanley & Co. Incorporated, Salomon Smith Barney Inc., UBS Warburg LLC, Credit Suisse First Boston LLC, RBC Dain Rauscher Inc., and Sanders Morris Harris Inc. (collective, the "Underwriters") pursuant to which the Partnership has agreed to grant to the Underwriters an option (the "Option") to purchase 862,500 Common Units (the "Option Units") at \$36.75 per unit. The Option will expire 30 days after the date of the Underwriting Agreement.

The Chairman, the President, the Executive Vice President and Chief Operating Officer and an employee of Valero Energy are also directors of the Partnership.

The Executive Vice President and Chief Operating Officer, the Vice

Edgar Filing: VALERO L P - Form SC 13D/A

President--Finance and two employees of Valero Energy are also executive officers of the Partnership.

Except as set forth in the Partnership's agreement of limited partnership, as amended and restated to the date hereof, or in the exhibits hereto, none of the Reporting Persons, nor to the best knowledge and belief of the Reporting Persons, any of their respective directors or executive officers, is a party to any other contract, arrangement, understanding or relationship with respect to any securities of the Partnership, except for interests in restricted units and unit options granted by the Partnership to its executive officers and directors who are affiliated with Valero Energy.

Item 7. Material to be filed as Exhibits

The information previously furnished in response to this item is amended by adding reference to the following new exhibit being filed with this Amendment No.1:

Exhibit I: Common Unit Redemption Agreement dated as of March 12, 2003, among UDS Logistics, LLC and the Partnership, incorporated herein by reference from Exhibit No. 10.1 to the Partnership's Current Report on Form 8-K filed on March 17, 2003.
