Item 5.02(e) DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.

On August 14, 2008, Global Industries, Ltd. (the Company) entered into a change-in-control agreement (the Agreement) with Jeffrey Levos, the Company s Senior Vice President and Chief Financial Officer, which sets forth certain understandings concerning the impact of a change-in-control on Mr. Levos.

The Agreement provides for certain benefits upon a change-in-control, including:

immediate vesting of all outstanding restricted stock awards;

target level payout of all outstanding performance unit awards in the form of Company shares, as though the entire performance period had been completed; and

a cash payment equal to the number of unvested option awards outstanding times the excess of the closing price of the Company s stock on the date immediately prior to the change-in-control over the exercise price of the stock options (in return for which, all such options would be surrendered to the Company and cancelled).

Additionally, following a change-in-control, if Mr. Levos employment is terminated other than for cause , or he resigns for good reason within two years following a change-in-control of the Company, then he will be eligible for the certain benefits under the Agreement, including:

a cash payment equal to three times (a) annual base salary and (b) the current target bonus or, if higher, the highest bonus payout received over the previous five (5) years; and

a cash payment for unvested contributions under the Company s 401(k) plan as of the date of termination.

The initial term of the Agreement continues until December 31, 2009, and shall be automatically extended for successive one year terms unless the Company notifies Mr. Levos 30 days prior to January 1st of any subsequent year that the Company does not wish to extend the term of the Agreement. The timing of these payments will be consistent with IRC Section 409A.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference into this Item 5.02(e).
