(f) All of the Reporting Persons are United States citizens.

Item 3. Source and Amount of Funds or Other Consideration

The Units that each of the Reporting Persons own were acquired through the contribution of assets of their affiliates in the transactions in which the Issuer was formed, through distributions from their affiliates for no additional consideration, through distributions by certain trusts, through open market purchases using personal or other funds or through each of such Reporting Person s service as an officer or director of the General Partner.

Item 4. Purpose of Transaction

On April 3, 2009, the Board of Directors of the Issuer s General Partner (the **Board of Directors**) received a proposal (the **Proposal**) from Apollo Management VII, LP, a private equity fund (**Apollo Management**), to acquire all of the outstanding Units of the Issuer at a cash purchase price of \$14.00 per unit, subject to adjustment for any distributions paid to the limited partners of the Issuer. In the letter submitting the Proposal, Apollo Management stated that it plans that the Issuer s management and employees will remain in place following the proposed transaction and that the Reporting Persons informed Apollo Management that if the Board of Directors approves the transaction, the Reporting Persons expect to support the approved transaction and invest with Apollo Management in the acquisition of the Issuer.

The Reporting Persons have engaged in discussions with Apollo Management regarding their relationship with Apollo Management if a transaction pursuant to the Proposal is approved by the Board of Directors. There is no certainty that the Board of Directors will approve any transaction with Apollo Management or the timing of such transaction, if any. The discussions of the Reporting Persons with Apollo Management have included, among other things, the equity participation by the Reporting Persons in the company (the **Private Company**) following the completion of the proposed going private transaction, including the roll-over of a portion of their existing equity ownership in the Issuer into the Private Company, the sharing of profits of the Private Company and the continued involvement of the Reporting Persons as the senior management team of the Private Company. The Reporting Persons have not entered into any agreement with Apollo Management. The Reporting Persons expect to continue their discussions with Apollo Management contemporaneously with negotiations between Apollo Management and the Conflicts Committee of the Board of Directors of a merger agreement, although there can be no assurances that Apollo Management and the Board of Directors will agree upon a transaction.

If a transaction pursuant to the Proposal is consummated, the Units will no longer be traded on the NASDAQ Stock Market and the registration of the Units under Section 12 of the Exchange Act will be terminated. The Conflicts Committee of the Board of Directors, which is comprised of the independent members of the Board of Directors, will consider the terms of the Proposal and recommend to the Board of Directors whether to approve the Proposal.

On April 3, 2009, a press release related to the Proposal was issued by the Issuer. A copy of the press release is being filed herewith as Exhibit 7.03.

The foregoing is a summary of the Proposal and should not be construed as an offer to purchase any Units. A proxy statement will be distributed to the holders of Units of the Issuer if and when definitive documentation is entered into by the Issuer and all other appropriate parties. Unitholders should read the Issuer's proxy statement and other relevant documents regarding a transaction pursuant to the Proposal filed with the SEC when they become available because they will contain important information relevant to the decision to approve the proposed transaction. Unitholders will be able to receive these documents (when they become available), as well as other documents filed by the Reporting Persons or their respective affiliates with respect to the Proposal and the proposed transaction, free of charge at the SEC's web site, www.sec.gov.

Other than as set forth herein or in the letter with respect to the Proposal, the Reporting Persons have no plans or proposals that relate to or would result in any of the events set forth in Items 4(a) through (j) of Schedule 13D. However, if a transaction pursuant to the Proposal is not consummated for any reason, the Reporting Persons intend to review continuously the Issuer's business affairs and strategic direction, capital needs and general industry and economic conditions, and, based on such review, the Reporting Persons may from time to time in the future take such actions with respect to their investment in the Issuer as they deem appropriate, including, without limitation, determining to increase their respective ownership of Units, pursuing an extraordinary transaction with regard to the Issuer or engaging in any of the events set forth in Items 4(a) through (j) of Schedule 13D, but, except as otherwise provided herein, the Reporting Persons currently have no intention of selling any Units.

There can be no assurance that a transaction pursuant to the Proposal will be consummated. No binding obligation on the part of the Issuer or any of the Reporting Persons shall arise with respect to any transaction pursuant to the Proposal unless and until mutually acceptable definitive documentation has been executed and delivered.

The information set forth in response to this Item 4 is qualified in its entirety by reference to the Proposal, which is being filed herewith as Exhibit 7.02 and is incorporated herein by reference.
