PART I

Item I. Description of Business

General

Star Struck, Ltd. (the "Company") is a holding company whose operating subsidiary corporation is primarily engaged in the distribution of watch batteries and related products, and sports apparel. The Company's principal executive offices are located in Larchmont, New York.

Star Struck, Inc.

The Company's operating subsidiary is Star Struck, Inc., a Connecticut corporation ("SSI"), whose principal offices are in Bethel, Connecticut. SSI is a distributor throughout the United States of watch batteries and watch straps. SSI also sells related products, such as alkaline, photo and hearing aid batteries, jewelry findings, tools and supplies.

SSI also distributes a line of sports apparel. These products consist principally of caps and shirts bearing logos of various professional and college sports teams. These products are manufactured for SSI by various apparel manufacturers under license from the respective teams whose logos are being used. In 2001, sales of sports apparel products were approximately \$2.4 million.

Edgar Filing: STAR STRUCK LTD - Form 10KSB

SSI sells its watch batteries and related products through direct mail and telemarketing to jewelry stores, discount store chains and other retail vendors. SSI sells its sports apparel products directly to customers through direct mail, print media advertising and through its internet site, www.starstruck.com.

SSI competes in competitive, but highly fragmented, industries.

SSI's business does not depend on the availability of raw materials. SSI distributes watch batteries for Sony, Eveready, Maxell, Renata, Rayovac and Varta under the manufacturer's and SSI's private label. SSI sells its watch straps under the Sahara and Town & Country tradenames. SSI sells its sports apparel under the "Star Struck" trade name.

SSI has approximately 6,000 active customers for its watch batteries and related products. SSI's two largest customers account for 43% and 3%, respectively, of its sales.

Governmental regulation is not a specific influence on the business of SSI, and generally compliance with environmental regulations have not been burdensome to SSI.

SSI has approximately 55 full-time employees.

RC Manufacturing, Inc.

RC Manufacturing, Inc. ("RC"), which the Company acquired in 1994, ceased doing business in November 1999. Prior to its closing, RC manufactured and sold leather accessories and watch straps. The Company wrote off its entire investment in RC in 1999.

Acquisition

On January 7, 2002, the Company's wholly owned subsidiary, SSI, transferred its sports apparel business, including its sports apparel inventory, to a newly formed corporation, Star Struck/Proteam, Inc. ("SSPT"). On the same date, SSPT acquired from ProTeam.com, Inc. its sports apparel business, including its sports apparel inventory, and a related mailing list. In consideration of these transfers, SSI received 80% of the shares of SSPT, and ProTeam.com, Inc. received 20% of the shares of SSPT, a payment of \$300,000 and a \$200,000 promissory note due January 31, 2002. The funds were loaned to SSI by People's Bank. The amount of consideration paid to ProTeam.com, Inc. was determined through arm's length negotiations. SSPT intends to continue using the assets acquired in the sports apparel business.

Investments

The Company generally holds its liquid assets in government securities. Government securities include only such securities as defined in the Investment Company Act of 1940, as amended.

General

The Company does not hold any patents, trademarks, licenses,

The Company expended no money on research and development in 2001 or 2000.

Item 2. Description of Property.

The Company leases offices in Larchmont, New York for use as its executive offices.

SSI owns property located in the Francis J. Clarke Industrial Park at 8 Francis J. Clarke Circle in Bethel, Connecticut. The property consists of 2.344 acres of land and a warehouse/office building. The building comprises approximately 20,500 square feet. Approximately sixty percent of the building is used as a warehouse and the remaining forty percent is used as offices by SSI. The warehouse space contains a loading dock. The property is encumbered by two mortgages. SSI also leases a warehouse facility, comprising approximately 7,000 square feet, in the Francis J. Clarke Industrial Park.

In the opinion of management, the properties are adequately covered by insurance.
