REPORT OF INDEPENDENT AUDITORS

To The Compensation Committee of the Board of Directors
AvalonBay Communities, Inc.
1996 Non-Qualified Employee Stock Purchase Plan:

We have audited the accompanying statement of financial condition of the AvalonBay Communities, Inc. 1996 Non-Qualified Employee Stock Purchase Plan as amended and restated (the Plan) as of December 31, 2002, and the related statement of changes in plan equity for the year ended December 31, 2002. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of the Plan as of and for each of the two years in the period ended December 31, 2001 were audited by other auditors who have ceased operations and whose report dated March 25, 2002, expressed an unqualified opinion on those statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of the Plan at December 31, 2002, and the changes in plan equity for the year ended December 31, 2002, in conformity with accounting principles generally accepted in the United States.

AVALONBAY COMMUNITIES, INC.
1996 NON-QUALIFIED EMPLOYEE STOCK PURCHASE PLAN
NOTES TO FINANCIAL STATEMENTS

1. The Plan

In October 1996, Bay Apartment Communities, Inc. (Bay) adopted the 1996 Non-Qualified Employee Stock Purchase Plan, as amended and restated (the Plan). On June 4, 1998, Avalon Properties, Inc. merged with and into Bay, and in connection with such merger Bay was renamed AvalonBay Communities, Inc. (the Company). The primary purpose of the Plan is to encourage common stock ownership by eligible directors and associates (the Participants) in the belief that such ownership will increase each Participant's interest in the success of the Company. Until January 1, 2000, the Plan provided for two purchase periods per year. A purchase period was a six month period beginning each January 1 and July 1 and ending each June 30 and December 31, respectively. Since January 1, 2000, there has been one purchase period per year, which begins May 1 and ends October 31. The Plan was recently amended to provide that, beginning in 2003, there will be one seven-month purchase period which will begin on May 1 and end on November 30. Participants may contribute portions of their compensation during a purchase period and purchase common stock at the end thereof. Participation in the Plan entitles each Participant to purchase the Company's common stock at 85% of the lesser of the fair market value on the first business day of the applicable purchase period or the last business day of the applicable purchase period.

The Company has reserved 1,000,000 shares of common stock for Participants under the Plan of which 702,342 were available for issuance at December 31, 2002.

Participant Contributions

Full time employees who have completed one month of service with the Company as of the last day of the applicable election period are eligible to participate in the Plan. Part time employees who have worked for the Company at least 1,000 hours during the twelve consecutive months preceding enrollment in the Plan are also eligible to participate. Contributions may be made to the Plan by employees by payroll withholding only. Directors who have completed one month as a member of the Board of Directors are eligible to participate in the Plan by making cash payments at any time during each purchase period. Participants elect to participate in the Plan by completing and submitting an election form to the Company as plan administrator (the Plan Administrator).

Employer Contributions

Employer contributions represent the discount or aggregate difference between the market value price of the Company's common stock and the established discount purchase price at the end of a purchase period.

Distributions

The Company's transfer agent and registrar issues shares of common stock upon receipt of Participant and Company contributions. The transfer agent and registrar then prepares stock certificates, which are registered in the Participant's name, and holds such certificates on behalf of the Participants or issues stock certificates to the Participant upon their written request. Accordingly, all shares purchased under the provisions of the Plan are deemed to be immediately distributed to the Participants. Participants generally may not sell shares they acquire under the Plan until at least six months have elapsed from the date of purchase.

Withdrawals

A Participant may withdraw all or any part of the contributions made during a purchase period by delivering an amended election form to the plan administrator on or before the last day of such purchase period. Upon such a withdrawal, the participant may no longer have amounts withheld from payroll and

contributed to the Plan during that purchase period. Participant contributions on the accompanying Statements of Changes in Plan Equity are net of any withdrawals made during the purchase periods shown.

Plan Termination

The Board of Directors of the Company (the Board) may terminate this Plan and any purchase period at any time (together with any related contribution elections), provided, however, no such termination shall be retroactive unless the Board determines that applicable law requires a retroactive termination of this Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Administrative Expenses

All administrative expenses of the Plan are paid by the Company.

Distributions

Distributions are recorded when common stock has been distributed to Participants.

3. Internal Revenue Service Status

The Plan is not a qualified plan under Section 423(b) of the Internal Revenue Code. Participants are subject to any required tax withholding by the Company on the discount/compensation earned under the Plan.
