PROXY STATEMENT

General. This Proxy Statement is furnished by the Board of Directors of Commercial Net Lease Realty, Inc. (the Company) in connection with the solicitation by the Board of Directors of proxies to be voted at the annual meeting of stockholders to be held on May 11, 2006, and at any adjournment thereof, for the purposes set forth in the accompanying notice of such meeting. All stockholders of record at the close of business on March 10, 2006 (the Record Date) will be entitled to vote.

Voting/Revocation of Proxy. If you complete and properly sign and mail the accompanying proxy card, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. Street name stockholders who wish to vote at the meeting will need to obtain a proxy from the institution that holds their shares.

If you are a registered stockholder, you may vote by telephone (1-800-690-6903), or electronically through the Internet (<http://www.proxyvote.com>), by following the instructions included with your proxy card. If your shares are held in street name, please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically.

Any proxy, if received in time, properly signed and not revoked, will be voted at such meeting in accordance with the directions of the stockholder. If no directions are specified, the proxy will be voted **FOR** each of the proposals contained herein. Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. A proxy may be revoked (1) by delivery of a written statement to the Secretary of the Company stating that the proxy is revoked, (2) by presentation at the annual meeting of a subsequent proxy executed by the person executing the prior proxy, or (3) by attendance at the annual meeting and voting in person.

Vote Required for Approval; Quorum. The eight nominees for director who receive the most votes will be elected. If you indicate withhold authority to vote for a particular nominee by entering the number of any nominee (as designated on the proxy card) below the pertinent instruction on the proxy card, your vote will not count either for or against the nominee. As of the Record Date, 55,938,318 shares of the common stock of the Company (the Common Stock) were outstanding. Each share of Common Stock entitles the holder thereof to one vote on each of the matters to be voted upon at the annual meeting. As of the Record Date, our executive officers and directors had the power to vote approximately 1.63% of the outstanding shares of Common Stock. Our executive officers and directors have advised us that they intend to vote their shares of Common Stock **FOR** each of the proposals contained herein.

Votes cast in person or by proxy at the annual meeting will be tabulated and a determination will be made as to whether or not a quorum is present. We will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence or absence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders. If a broker submits a proxy indicating that it does not have discretionary authority as to certain shares to vote on a particular matter (broker non-votes), those shares will not be considered as present and entitled to vote with respect to such matter. Broker non-votes with respect to the election of directors will have no effect on the outcome of the vote on this proposal.

YOUR VOTE AT THE ANNUAL MEETING IS VERY IMPORTANT TO US.

Solicitation of Proxies. Solicitation of proxies will be primarily by mail. However, our directors and officers may also solicit proxies by telephone or telegram or in person. All of the expenses of soliciting proxies, including preparing, assembling, printing and mailing the materials used in the solicitation of proxies, will be paid by us. Corporate Governance

General. We are currently managed by an eight-member Board of Directors that consists of Messrs. Beckwith, Habicht, Jennings, Lanier, Legler, Macnab, Martinez and Hinkle. Mr. Hinkle serves as Chairman. The Board has adopted a set of corporate governance guidelines, which, along with the written charters for our Board committees described below, provide the framework for the Board's governance of the Company. Our corporate governance guidelines are available both on our website at <http://www.nnnreit.com> and in print to any stockholder who requests it.

Independence and Composition. Our corporate governance guidelines and the rules and regulations of the New York Stock Exchange, which we refer to as the NYSE listing standards, each require that a majority of our Board of Directors are independent directors, as that term is defined in the NYSE listing standards.

The Board of Directors, upon the unanimous recommendation of the Governance and Nominating Committee, has determined that Messrs. Beckwith, Hinkle, Jennings, Lanier, Legler and Martinez, representing a majority of our Board of Directors, qualify as independent directors (the Independent Directors) as that term is defined in the NYSE listing standards. The Board made its determination based on information furnished by all directors regarding their relationships with us and our affiliates and research conducted by management. In addition, the Board consulted with our outside counsel to ensure that the Board's determination would be consistent with all relevant securities laws and regulations as well as the NYSE listing standards.

Meetings and Attendance. The Board of Directors met seven times in the fiscal year ended December 31, 2005. Each of the nominees currently serving on the Board of Directors, other than Mr. Beckwith who did not serve on the Board of Directors in 2005, attended 100% of the meetings of (i) the Board of Directors and (ii) the committees of the Board of Directors that he was eligible to attend. Our corporate governance guidelines provide that it is the responsibility of individual directors to make themselves available to attend scheduled and special Board meetings on a consistent basis. All of our directors as of the date of the 2005 annual meeting of the Company's stockholders were in

attendance for the 2005 annual meeting. In addition, non-management members of the Board of Directors met in executive session four times in the fiscal year

ended December 31, 2005. Pursuant to our corporate governance guidelines, the Chairman of the Board presides at all executive sessions of the Board of Directors, except for executive sessions to discuss the compensation of the Company's chief executive officer, which are chaired by the chairman of the Compensation Committee.

Stockholder Communications. The Board of Directors has adopted a process whereby our stockholders can send communications to our directors. Any stockholder wishing to communicate directly with one or more directors may do so in writing addressed to the director or directors, c/o Commercial Net Lease Realty, Inc., 450 South Orange Avenue, Suite 900, Orlando, Florida 32801. All correspondence will be reviewed by the Company and forwarded directly to the addressee.

Audit Committee

General. The Board of Directors has established an Audit Committee, which is governed by a written charter, which is available both on our website at <http://www.nnnreit.com> and in print to any stockholder who requests it. Among the duties, powers and responsibilities of the Audit Committee as provided in its charter, the Audit Committee:

has sole power and authority concerning the engagement and fees of independent public accountants;

reviews with the independent accountants the plans and results of the audit engagement;

pre-approves all audit services and permitted non-audit services provided by the independent public accountants;

reviews the independence of the independent public accountants;

reviews the adequacy of our internal control over financial reporting; and,

reviews accounting, auditing and financial reporting matters with our independent accountants and management.

Independence and Composition. The composition of the Audit Committee is subject to the independence and other requirements of the Securities Exchange Act of 1934 and the rules and regulations promulgated by the SEC thereunder, which we refer to as the Exchange Act, and the NYSE listing standards.

The Board of Directors, upon the unanimous recommendation of the Governance and Nominating Committee, has determined that all current members of the Audit Committee meet the audit committee composition requirements of the Exchange Act and the NYSE listing standards and that Mr. Lanier qualifies as an audit committee financial expert as that term is defined in the Exchange Act.

Meetings. The Audit Committee met seven times in the fiscal year ended December 31, 2005. In fiscal year 2005, Messrs. Lanier, Hinkle and Martinez were the members of the Audit Committee, with Mr. Lanier serving as Chairman. As of February 8, 2006, the Audit Committee consists of Messrs. Lanier, Jennings and Martinez, with Mr. Lanier serving as Chairman.

Governance and Nominating Committee

General. The Board of Directors has established a Governance and Nominating Committee, which is governed by a written charter, a copy of which is available both on our website at <http://www.nnnreit.com> and in print to any stockholder who requests it. As provided in the Governance and Nominating Committee charter, the Governance and Nominating Committee:

identifies and recommends to the Board of Directors individuals to stand for election and reelection to the Board at our annual meeting of stockholders and to fill vacancies that may arise from time to time;

develops and makes recommendations to the Board for the creation, and ongoing review and revision of, a set of effective corporate governance principles that promote our competent and ethical operation and a policy governing ethical business conduct of our employees and Directors; and,

makes recommendations to the Board of Directors as to the structure and membership of committees of the Board of Directors.

Selection of Director Nominees. Our corporate governance guidelines provide that the Governance and Nominating Committee will endeavor to identify individuals to serve on the Board who have expertise that is useful to us and complimentary to the background, skills and experience of other Board members. The Governance and Nominating Committee's assessment of the composition of the Board includes (a) skills—business and management experience, real estate experience, accounting experience, finance and capital markets experience, and an understanding of corporate governance regulations and public policy matters, (b) character—ethical and moral standards, leadership abilities, sound business judgment, independence and innovative thought, and (c) composition diversity, age and public company experience. The principal qualification for a director is the ability to act in the best interests of the Company and its stockholders. Each of the candidates for director named in this proxy statement have been recommended by the Governance and Nominating Committee and approved by the Board of Directors for inclusion on the attached proxy card.

The Governance and Nominating Committee also considers director nominees recommended by stockholders. See the section of this proxy statement entitled "PROPOSALS FOR NEXT ANNUAL MEETING" for a description of how stockholders desiring to make nominations for directors and/or to bring a proper subject before a meeting should do so. The Governance and Nominating Committee evaluates director candidates recommended by stockholders in the same manner as it evaluates director candidates recommended by our directors, management or employees.

Independence and Composition. The NYSE listing standards require that the Governance and Nominating Committee consist solely of independent directors. The Board of Directors, upon the unanimous recommendation of the Governance and Nominating Committee, has determined that all current members of the Governance and Nominating Committee are independent as that term is defined in the NYSE listing standards.

Meetings. The Governance and Nominating Committee met five times in the fiscal year ended December 31, 2005. In fiscal year 2005, Messrs. Hinkle, Jennings and Legler were the members of the Governance and Nominating Committee, with Mr. Legler serving as Chairman. As of February 8, 2006, the Governance and Nominating Committee consists of Messrs. Hinkle, Jennings and Beckwith, with Mr. Hinkle serving as Chairman.

Compensation Committee

General. The Board of Directors has established a Compensation Committee, which is governed by a written charter, a copy of which is available both on our website at <http://www.nnnreit.com> and in print to any stockholder who requests it. The Compensation Committee is responsible for:

- approving and evaluating the compensation plans, policies and programs for our executive officers and directors; and,

- approving all awards to any employees and directors under our equity incentive plan.

Independence and Composition. The NYSE listing standards require that the Compensation Committee consist solely of independent directors. The Board of Directors, upon the unanimous recommendation of the Governance and Nominating Committee, has determined that all current members of the Compensation Committee are independent as that term is defined in the NYSE listing standards.

Meetings. The Compensation Committee met six times in the fiscal year ended December 31, 2005. In fiscal year 2005, Messrs. Jennings, Legler and Martinez were the members of the Compensation Committee, with Mr. Jennings serving as Chairman. As of February 8, 2006, the Compensation Committee consists of Messrs. Legler, Beckwith and Martinez, with Mr. Legler serving as Chairman.

Code of Business Conduct

Our directors, as well as our officers and employees, are also governed by our code of business conduct. Our code of business conduct is available both on our website at <http://www.nnnreit.com> and in print to any stockholder who requests it. Amendments to, or waivers from, a provision of the code of business conduct that applies to our directors, executive officers or employees will be posted to our website promptly following the date of the amendment or waiver.

Compensation of Directors

The Company only compensates non-employee directors for services provided as directors of the Company. During the year ended December 31, 2005, the Company paid each director who was a director for the entire year \$20,000 for serving on the Board of Directors. Each non-employee director received \$1,000 per Board of Directors meeting attended, \$1,000 per committee meeting attended and \$500 per telephonic board or committee meeting attended. Additionally, the Company awarded each Independent Director 2,000 shares of restricted stock, which vests over two years. In 2005, each of the non-employee directors was awarded \$1,000 which was used to acquire one share of preferred stock of Orange Avenue Mortgage Investments, Inc. (OAMI).

In November 2005 and February 2006, the Compensation Committee recommended, and the Board of Directors unanimously approved, non-employee director compensation for the year ended December 31, 2006 as follows:

annual stock grant of 3,750 shares of common stock each year for each director;

chairmanship fees of \$18,000 per year for Chairman of the Board of Directors, \$10,000 per year for Chairman of the Audit Committee, and \$6,000 per year for Chairmen of the Compensation Committee, the Governance and Nominating Committee and other committees; and

meeting fees of \$1,000 per Board of Directors meeting attended, \$1,000 per committee meeting attended and \$500 per telephonic board or committee meeting attended.

We have also established a Deferred Fee Plan for Directors, which permits non-employee directors to elect to defer receipt of their annual retainer, meeting fees and committee chairman fees. The deferred fees are credited to either a cash or phantom share account, at the option of the director. At the earlier to occur of either the time specified in each director's deferred fee agreement or a change of control of the Company, amounts credited to a cash account shall be paid in cash in a lump sum and phantom shares credited to a director's phantom share account shall be paid in either cash, Common Stock or a combination of both. In 2005, we did not distribute any amounts under this plan.

The following table sets forth the number of shares of Common Stock credited to each non-employee director nominee's phantom share account under the Deferred Fee Plan for Directors in 2005:

The Audit Committee is governed by a charter, which is available both on our website at <http://www.nnnreit.com> and in print to any stockholder who

requests it. The Audit Committee charter is designed to assist the Audit Committee in complying with applicable provisions of the Exchange Act and the NYSE listing standards, all of which relate to corporate governance and many of which directly or indirectly affect the duties, powers and responsibilities of the Audit Committee. Among the duties, powers and responsibilities of the Audit Committee as provided in the Audit Committee charter, the Audit Committee:

- has sole power and authority concerning the engagement and fees of independent accountants,
- reviews with the independent accountants the scope of the annual audit and the audit procedures to be utilized,
- pre-approves audit and permitted non-audit services provided by the independent accountants,
- reviews the independence of the independent accountants,
- reviews the adequacy of the Company's internal accounting controls, and,
- reviews accounting, auditing and financial reporting matters with the Company's independent accountants and management.

Review and Discussions with Management and Independent Accountants. In this context, the Committee has met and held discussions with management and the independent accountants. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Committee has reviewed and discussed the audited consolidated financial statements with management and the independent accountants. The Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU § 380), issues regarding accounting and auditing principles and practices and the adequacy of internal controls that could significantly affect the Company's financial statements.

The Company's independent accountants also provided to the Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with the independent accountants that firm's independence. The Committee has reviewed the original proposed scope of the annual audit of the Company's financial statements and the associated fees and any significant variations in the actual scope of the audit and fees.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Accountants. Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent accountants. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent accountants.

Prior to engagement of the independent accountants for the next year's audit, management will submit to the Audit Committee for approval an aggregate of services expected to be rendered during that year for each of the three categories of services listed in the table below.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent accountants and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent accountants for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent accountants.

For the fiscal years ended December 31, 2005 and 2004, the Audit Committee pre-approved 100% of services described below in the captions Audit Related Fees and Tax Fees. For the fiscal year ended December 31, 2005, no hours expended on KPMG LLP's engagement to audit our financial statements were attributed to work performed by persons other than full-time, permanent employees of KPMG LLP.

Pursuant to our Audit Committee charter, the Audit Committee may delegate pre-approval authority to the chairman of the Audit Committee, who shall promptly advise the remaining members of the Audit Committee of such approval at the next regularly scheduled meeting.

Fiscal 2005 and 2004 Audit Firm Summary. During the fiscal years ended December 31, 2005 and 2004, we retained KPMG LLP to provide services in the following categories and amounts:

Audit Related Fees (2)	7,500	26,200
Audit and Audit Related Fees	531,093	414,170
Total		
Tax Fees (3)	27,500	71,000
Total Fees	\$ 558,593	\$ 485,170

- (1) Audit fees include the audit fee and fees for comfort letters, attest services, consents and assistance with and review of documents filed with the SEC.
- (2) Audit related fees consist of fees incurred for consultation concerning financial accounting and reporting standards, performance of agreed-upon procedures, and other audit or attest services not required by statute or regulation.

The Audit Committee has determined that the provision of audit related and tax services by KPMG LLP during 2005 is compatible with maintaining KPMG LLP's independence.

Conclusion. Based on the review and discussions referred to above, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 filed with the SEC.

COMPENSATION COMMITTEE REPORT

The information contained in this report shall not be deemed to be soliciting material or to be filed with the SEC, nor shall such information be incorporated by reference into any previous or future filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 except to the extent that the Company incorporated it by specific reference.

The Board of Directors appointed a Compensation Committee comprised of the undersigned, Messrs. Jennings, Legler and Martinez. Members of the Compensation Committee, all of whom must be independent directors of the Company, are selected each year by the full Board of Directors. The Compensation Committee is responsible for establishing and administering executive compensation programs including administration of the 2000 Commercial Net Lease Realty, Inc. Performance Incentive Plan (the 2000 Plan) and the 2003 Employee Stock Purchase Plan (the 2003 Plan), as well as approval of changes in directors' compensation. The Compensation Committee currently operates under a written charter adopted by the Board of Directors in November 2003, a copy of which is available both on the Company's website at <http://www.nnnreit.com> and in print to any stockholder who requests it.

The Compensation Committee believes the Company's degree of success is largely attributable to the talent and dedication of its associates and to the management and leadership efforts of its executive officers. The goal of the Compensation Committee is to establish a compensation program that will attract and retain talented corporate officers, motivate them to perform to their fullest potential, as well as align their long-term interests with the interests of the Company's stockholders.

Historically, the key elements in the Company's executive compensation program have consisted of salary, annual bonus (which may be paid in cash and/or restricted stock) and long-term incentive compensation (paid in restricted stock). In making compensation decisions, the Compensation Committee considers the compensation practices and financial performance of other REIT industry participants and from time to time receives assessments and advice regarding compensation practices from independent compensation consultants. In evaluating performance, the Compensation Committee considers quantitative and qualitative improvement in the Company's Funds From Operations (FFO), capital structure, absolute and relative shareholder returns and individual performance and contribution to corporate goals and objectives. Additionally, the Compensation Committee makes a subjective assessment of the general performance of the Company, the officer's contribution to the Company's performance, the officer's anticipated performance and contribution to the Company's achievement of its long-term goals and the position, level, and scope of the officer's responsibility.

In keeping with its belief that tying the financial interests of executive officers of the Company to those of the shareholders will result in enhanced alignment of interests and shareholder value, the Committee has evaluated the stock ownership levels of executive management and determined them to be adequate. The Committee also established stock ownership guidelines of \$100,000 for directors.

For 2005, Mr. Macnab received total cash payments of \$468,000 in salary. The Compensation Committee considered these levels of payments appropriate in light of Mr. Macnab's responsibilities and the Company's performance. A bonus of \$585,000 was paid to Mr. Macnab in 2005 based on FFO per share operating results for 2005. Additionally, 50,383 shares of restricted common stock were awarded to Mr. Macnab as long-term incentive compensation for the year 2005, of which 30,230 shares vest over time and 20,153 shares vest over time only if the Company meets certain total shareholder return thresholds. Salary increases in 2005 for Executive Officers were based on individual performance, position, tenure, experience, leadership and competitive data in compensation surveys of comparable companies.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the New York Stock Exchange. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all

Forms 3, 4 and 5 they file.

Based solely on the Company's review of the copies of such forms it has received, written representations from certain reporting persons that they were not required to file Forms 5 for the last fiscal year and other information known to the Company, the Company believes that all its officers, directors and greater than ten percent beneficial owners complied with all filing requirements applicable to them with respect to transactions filed during fiscal year 2005.

CERTAIN TRANSACTIONS

In September 2000, a wholly-owned subsidiary of Commercial Net Lease Realty Services, Inc. (Services) entered into a \$6,000,000 promissory note with an affiliate in which James M. Seneff, Jr., a former director of the Company, and Kevin B. Habicht, an officer and director of the Company, own a majority equity interest. The note was secured by the affiliate's common stock in OAMI, a wholly-owned subsidiary of the affiliate. In July 2003, the promissory note was paid in full. In addition, the wholly-owned subsidiary of Services had an option with the affiliate to purchase up to 79 percent of all of the common shares of OAMI equal to the purchase price paid by the affiliate for such common stock. In May 2005, the wholly-owned subsidiary of Services exercised its option with the affiliate and purchased approximately 78.9 percent of all of the common shares of OAMI for \$9,379,000. Prior to January 2005, the Company held a 98.7 percent, non-controlling and non-voting interest in Services. Kevin B. Habicht, an officer and director of the Company, James M. Seneff, Jr., a former director of the Company, and Gary M. Ralston, a former officer and director of the Company (collectively, the Services Investors) owned the remaining 1.3 percent interest, which was 100 percent of the voting interest of Services. In January 2005, the Company purchased the 1.3 percent interest from the Services Investors for \$870,000, as determined by a third-party valuation.
