**Table of Contents****Explanatory Note**

The purpose of this amendment is to make corrections to the Selected Financial Data and Summary Compensation Table. There was a typographical error in the Selected Financial Data in the original filing of the registrant's Annual Report on Form 10-K. Selling, general and administrative expenses for fiscal 2000 should have read \$20,950, and instead read \$29,950.

In addition, bonuses in the aggregate amount of \$145,000 paid to the registrant's chief executive officer, chief financial officer and chief operating officer for fiscal 2003, which were paid in 2004 following approval by the compensation and option committee of the registrant's board of directors, were inadvertently omitted from the original filing of the registrant's Annual Report on Form 10-K.

**PART II****Item 6. Selected Financial Data**
