Item 1.01. Entry into a Material Definitive Agreement.

On June 13, 2006, Capital Senior Living Corporation (the Company) announced Capmark Finance Inc. (Capmark), formerly known as GMAC Commercial Mortgage Corporation (GMAC), funded loans to subsidiaries of the Company which were placed with the Federal Home Loan Mortgage Corporation and which refinanced loans on 15 senior housing properties of the Company. The aggregate amount of the Capmark loan facility, dated effective as of June 9, 2006, was \$110 million and refinanced loans previously financed by GMAC and Guaranty Bank. As part of this refinancing, the Company paid down approximately \$15 million of principal.

The loans from Capmark financing the 15 properties each have a term of nine years with one year extensions and a fixed interest rate of 6.29% for the first nine years of the term and at the beginning of the tenth year, the loans will convert to a floating interest rate. The loans are payable monthly, with payments consisting of interest and principal based on a 25-year amortization schedule. The loans are secured by mortgages or deeds of trust on the properties, assignments of leases and contracts and other related collateral, and each loan is cross defaulted and cross collateralized with the other Capmark loans in the facility. The loans are nonrecourse but with typical exceptions, which recourse exceptions are guaranteed by the Company. The loans require compliance with typical representations and warranties and on-going covenants. Each property securing the loans can be released from the lien of the mortgage or deed of trust on that property provided certain conditions are met, including that minimum debt service coverage ratios are maintained on the remaining properties in the Capmark loan facility.
