The accompanying proxy is solicited on behalf of the Board of Directors of Dawson Geophysical Company (the Company) for use at the Annual Meeting of Stockholders of the Company to be held on Tuesday, January 23, 2007, and at any adjournment or adjournments thereof. In addition to the use of the mails, proxies may be solicited by personal interview, telephone and telegraph by officers, directors and other employees of the Company, who will not receive additional compensation for such services. The Company may also request brokerage houses, nominees, custodians and fiduciaries to forward the soliciting material to the beneficial owners of stock held of record and will reimburse such persons for forwarding such material. The Company will bear the cost of this solicitation of proxies. Such costs are expected to be nominal. Proxy solicitation will commence with the mailing of this Proxy Statement on or about December 18, 2006.

Any stockholder giving a proxy has the power to revoke the same at any time prior to its exercise by executing a subsequent proxy or by written notice to the Secretary of the Company or by attending the meeting and withdrawing the proxy.

PURPOSE OF MEETING

As stated in the Notice of Annual Meeting of Stockholders accompanying this Proxy Statement, the business to be conducted and the matters to be considered and acted upon at the annual meeting are as follows:

1. Electing Directors of the Company;
2. Considering and voting upon a proposal to approve the Dawson Geophysical Company 2006 Stock and Performance Incentive Plan;

Table of Contents

Abstentions and broker non-votes (shares held by brokers or nominees as to which they have no discretionary power to vote on a particular matter and have received no instructions from the beneficial owners of such shares or persons entitled to vote on the matter) will be counted for the purpose of determining whether a quorum is present. For purposes of determining the outcome of any matter to be voted upon as to which the broker has indicated on the proxy that the broker does not have discretionary authority to vote, these shares will be treated as not present at the meeting and not entitled to vote with respect to that matter, even though those shares are considered to be present at the meeting for quorum purposes and may be entitled to vote on other matters. Abstentions, on the other hand, are considered to be present at the meeting and entitled to vote on the matter abstained from.

With regard to the election of directors, votes may be cast in favor of or withheld from each nominee. Votes that are withheld will be excluded entirely from the vote and will have no effect. Broker non-votes and other limited proxies will have no effect on the outcome of the election of directors.

With regard to the proposed special resolution to approve the Dawson Geophysical Company 2006 Stock and Performance Incentive Plan, and the proposal to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2007, an abstention will have the same effect as a vote against the proposal. Broker non-votes and other limited proxies will have no effect on the outcome of the vote with respect to any of such proposals.

If the enclosed Proxy is properly executed and returned prior to the Annual Meeting, the shares represented thereby will be voted as specified therein. IF A STOCKHOLDER DOES NOT SPECIFY OTHERWISE ON THE RETURNED PROXY, THE SHARES REPRESENTED BY THE STOCKHOLDER'S PROXY WILL BE VOTED FOR THE ELECTION OF THE NOMINEES LISTED BELOW UNDER ELECTION OF DIRECTORS, FOR THE APPROVAL OF THE DAWSON GEOPHYSICAL COMPANY 2006 STOCK AND PERFORMANCE INCENTIVE PLAN, FOR THE APPOINTMENT OF KPMG LLP AND ON SUCH OTHER BUSINESS AS MAY PROPERLY COME BEFORE THE ANNUAL MEETING OR ANY ADJOURNMENTS THEREOF.

PROPOSAL 2: APPROVAL OF THE DAWSON GEOPHYSICAL COMPANY 2006 STOCK AND PERFORMANCE INCENTIVE PLAN

Introduction

On November 28, 2006, our Board adopted the Dawson Geophysical Company 2006 Stock and Performance Incentive Plan (the Plan). The proposed Plan replaces our current 2004 Incentive Stock Plan and 2000 Incentive Stock Plan (which we refer to as the 2004 Plan and 2000 Plan, respectively, throughout this Proxy Statement). No further restricted stock or stock option grants will be made under the 2004 Plan or the 2000 Plan, assuming approval of the proposed Plan. The stockholders are now being requested to approve the Plan.

The purpose of the Plan is to further the interests of the Company, its subsidiaries, if any, and its shareholders by providing incentives in the form of awards to employees, consultants and nonemployee directors who can contribute materially to the success and profitability of the Company and its subsidiaries. These awards will recognize and reward outstanding performances and individual contributions and give participants in the Plan an interest in the Company parallel to that of the shareholders, thus enhancing the proprietary and personal interest of such participants in the Company s continued success and progress. The Plan will support the Company s and its subsidiaries ongoing efforts to attract and retain such employees, consultants and non-employee directors.

Summary of the Plan

The following general description of material features of the Plan is qualified in its entirety by reference to the provisions of the Plan set forth in Exhibit B.

General

Awards to participants under the Plan may be made in the form of stock options; stock appreciation rights; stock awards in the form of Common Stock or Stock Units, including restricted stock or restricted stock units; cash awards; or performance awards based on objective performance goals pre-established by the Committee (collectively Awards).

Shares Subject to Plan

The Plan provides for the award of up to 750,000 shares of the Company s Common Stock, including both shares of Common Stock issued plus shares covered by or subject to awards then outstanding under the Plan. The aggregate number of shares under the Plan, the number of shares covered by each outstanding Award, the grant price or other price of such Awards, the Fair Market Value (as defined below) or other price determinations of such Awards and the Award limitations are subject to adjustment in the event of a stock split or dividend, recapitalization or capital reorganization or certain other corporate transactions. Shares of Common Stock underlying Awards that are forfeited, terminated, settled in cash, exchanged for Awards that do not involve Common Stock or expire unexercised become immediately available for additional Awards under the Plan.

Administration and Eligibility

Administration. The Compensation Committee of the Board of Directors (the Committee) selects the employees and consultants to whom Awards will be granted and determines the number and type of Awards to be granted to such individual. The Board selects the nonemployee directors eligible to whom Awards will be granted and determines the number and type of Award to be granted to such individual.

Eligibility. All employees, nonemployee directors and consultants of the Company and its subsidiaries will be eligible to receive Awards under the Plan if it is approved by stockholders. No determination has been made as to which of those eligible employees, nonemployee directors and consultants will receive grants under

Table of Contents

the Plan, and therefore, the benefits to be allocated to any individual or to any group of employees, consultants and nonemployees are not presently determinable.

Employee Awards

Each Award may be embodied in an agreement containing such terms, conditions and limitations as determined by the Compensation Committee. Awards may be granted singly, in combination or in tandem. Awards to participants may also be made in combination or in tandem with, in replacement of, or as alternatives to, grants or rights under the Plan or any other employee benefit plan of the Company. All or part of an Award may be subject to conditions established by the Compensation Committee, including continuous service with the Company, achievement of specific business objectives and other comparable measurements of performance.

The type of Awards to employees that may be made under the Plan are as follows:

Stock Options. The Committee may grant an Award in the form of a stock option. In the case of an option granted to an employee, such option may be either an incentive stock option under section 422 of the Internal Revenue Code or a nonqualified stock option. The Committee determines the exercise price, whether the stock option is intended to qualify as an incentive stock option under the Internal Revenue Code or not and other provisions not inconsistent with the Plan. The grant price of a stock option shall not be less than the Fair Market Value of the Common Stock subject to such option at the date of grant. Fair Market Value of a share of Common Stock means, as of a particular date, (i) (A) if shares of Common Stock are listed on a national securities exchange, the mean between the highest and lowest sales price per share of the Common Stock on the consolidated transaction reporting system for the principal national securities exchange on which shares of Common Stock are listed on that date, or, if there shall have been no such sale so reported on that date, on the last preceding date on which such a sale was so reported, or, at the discretion of the Committee, the price prevailing on the exchange at the time of exercise or other relevant time (as determined under procedures established by the Committee), (B) if shares of Common Stock are not so listed but are quoted by The Nasdaq Stock Market, Inc., the mean between the highest and lowest sales price per share of Common Stock reported on the consolidated transaction reporting system for The Nasdaq Stock Market, Inc., or, if there shall have been no such sale so reported on that date, on the last preceding date on which such a sale was so reported, or, at the discretion of the Committee, the price prevailing as quoted by The Nasdaq Stock Market, Inc. at the time of exercise, (C) if the Common Stock is not so listed or quoted, the mean between the closing bid and asked price on that date, or, if there are no quotations available for such date, on the last preceding date on which such quotations shall be available, as reported by The Nasdaq Stock Market, Inc., or, if not reported by The Nasdaq Stock Market, Inc., by the National Quotation Bureau Incorporated or (D) if shares of Common Stock are not publicly traded, the most recent value determined by an independent appraiser appointed by the Company for such purpose. The term shall not exceed ten years from the date of grant. Options may not be repriced and may not include provisions that reload the option upon exercise

Stock Appreciation Rights (SARs). Every SAR entitles the participant, upon exercise of the SAR, to receive value equal to the excess of the Fair Market Value of a specified number of shares of Common Stock at the time of exercise, over the Fair Market Value of such shares on the grant date, as determined by the Committee. The grant price for SARs will not be less than the Fair Market Value of the Common Stock subject to the SAR. The term of the SAR shall not exceed ten years from the date of grant. SARs may not be repriced and may not include provisions that reload the SAR upon exercise

Stock Awards. The Committee may grant stock awards. Such awards may be subject to such terms, conditions and limitations, not inconsistent with the Plan, as may be determined by the Committee.

Cash Awards. The Committee may grant cash awards. Such awards may be subject to such terms, conditions and limitations, not inconsistent with the Plan, as may be determined by the Committee.

Table of Contents

Performance Awards. Any Award available under the Plan may be made as a performance award. Performance awards not intended to qualify as qualified performance-based compensation under Internal Revenue Code Section 162(m) shall be based on achievement of such goals and are subject to such terms, conditions and restrictions as the Committee shall determine. Performance awards granted under the Plan that are intended to qualify as qualified performance-based compensation under Code Section 162(m) shall be paid, vested or otherwise deliverable solely on account of the attainment of one or more pre-established, objective performance goals established by the Committee. A performance goal may be based on one or more business criteria that apply to the participant, one or more business units, divisions or sectors of the Company, or the Company as a whole, and if so desired by the Committee, by comparison with a peer group of companies. A Performance Goal may include one or more of the following: increased revenue; net income measures; stock price measures (including total shareholder return); market share; earnings per share; earnings before interest, taxes, depreciation and amortization (EBITDA); economic value added (EVA); cash flow measures (including net cash flow and net cash flow before financing activities), return measures (including return on equity, return on average assets, return on capital, risk-adjusted return on capital, return on investors' capital and return on average equity); operating measures (including operating income, funds from operations, cash from operations, after-tax operating income, sales volumes, production volumes and production efficiency); expense measures (including, but not limited to, finding and development costs, overhead cost and general and administrative expense); margins; shareholder value; total shareholder return; proceeds from dispositions; production volumes; and corporate value measures (including ethics compliance, environmental and safety). Unless otherwise stated, such a performance goal need not be based upon an increase or positive result under a particular business criterion and could include, for example, maintaining the status quo or limiting economic losses (measured, in each case, by reference to specific business criteria).

Award Limits. No employee may be granted, during any calendar year, options or SARs that are exercisable for more than 100,000 shares of Common Stock or stock awards covering more than 100,000 shares of Common Stock.

Consultant Awards. The Committee shall have the sole responsibility and authority to determine the type or types of Awards to be made to a consultant under the Plan and the terms, conditions and limitations applicable to such Awards.

Nonemployee Director Awards. Each Award may be embodied in an agreement containing such terms, conditions and limitations as determined by the Board. Awards may be granted singly, in combination or in tandem. Awards to nonemployee directors may be in the form of options, SARs, stock awards or performance awards. The Board may grant options to nonemployee directors, provided that the options granted to nonemployee directors shall not be incentive stock options. The Board may grant SARs and stock awards to nonemployee directors. Additional terms, conditions and limitations applicable to any SAR or stock award granted to a nonemployee director pursuant to the Plan, including the grant price, the term and the dates upon which they become exercisable, if the Award is an SAR, or including but not limited to rights to dividend equivalents, if the Award is a stock award, shall be determined by the Board. The Board may also grant performance awards to nonemployee directors. Additional terms, conditions and limitations applicable to any performance award granted to a nonemployee director pursuant to the Plan, as well as performance goals and the value and amount of performance awards, shall be determined by the Board. Nonemployee directors may not be granted, during any fiscal year, options or SARs (including performance awards) that are exercisable for more than 100,000 shares of Common Stock or stock awards (including performance awards) covering or relating to more than 100,000 shares of Common Stock.

Payment of Awards. Payment made to a participant pursuant to an Award may be made in the form of cash or Common Stock, or a combination thereof. The Committee may provide for the payment of dividends on shares of Common Stock granted in connection with Awards or dividend equivalents with respect to any shares of Common Stock subject to an award that have not actually been issued under the Award.

Change of Control. In the event of a change of control of the Company as defined in the Plan, all Awards automatically vest and become exercisable and any restrictions applicable to the Award shall lapse.

Table of Contents

Duration; Plan Amendments. The Plan has a term of ten years from the date of shareholder approval. The Board may at any time amend, modify, suspend or terminate the Plan, but in doing so cannot adversely affect any outstanding Award without the grantee's written consent or make any amendment without shareholder approval, to the extent such shareholder approval is required by applicable law or the exchange upon which the shares are traded.

Federal Income Tax Consequences

Set forth below is a brief summary of the federal income tax consequences of awards under the Plan. This summary is not a complete description of the applicable tax consequences, and it is subject to any changes in applicable tax rules.

Stock Awards. A grant of shares of Common Stock or a cash equivalent that is not subject to vesting restrictions will result in taxable income for federal income tax purposes to the recipient at the time of grant in an amount equal to the Fair Market Value of the shares or the amount of cash awarded. The Company would be entitled to a corresponding deduction at that time for the amount included in the recipient's income.

Generally, a grant of shares of Common Stock under the Plan subject to vesting and transfer restrictions will not result in taxable income to the recipient for federal income tax purposes or a tax deduction to the Company in the year of the grant. Instead, the value of the shares will generally be taxable to the recipient as taxable income in the years in which the restrictions on the shares lapse. Such value will be the Fair Market Value of the shares on the dates the restrictions terminate. Any recipient, however, may elect pursuant to Internal Revenue Code Section 83(b) to treat the Fair Market Value of the shares on the date of such grant as taxable income in the year of the grant of restricted shares, provided the recipient makes the election pursuant to Internal Revenue Code Section 83(b) within 30 days after the date of the grant. In any case, the company will receive a deduction for federal income tax purposes corresponding in amount to the amount of compensation included in the recipient's income in the year in which that amount is so included.

Cash Awards. Cash awards are taxable income to the recipient for federal income tax purposes at the time of payment. The recipient will have taxable income equal to the amount of cash paid, and the Company will have a corresponding deduction for federal income tax purposes.

Nonqualified Stock Options. Nonqualified stock options granted under the Plan will not be taxable to a recipient at the time of grant. Upon the exercise of a nonqualified stock option, the amount by which the Fair Market Value of the shares of Common Stock received, determined as of the date of exercise, exceeds the exercise price will be treated as taxable income received by the Participant in the year of exercise. Generally, the Company will be entitled to a deduction for compensation paid in the same amount treated as compensation received by the Participant.

Incentive Stock Options. A recipient of an incentive stock option under the plan will not generally recognize any taxable income for federal income tax purposes upon receipt of an incentive stock option or, generally, at the time of exercise of an incentive stock option, except possibly under the alternative minimum income tax rules. If a Participant exercises an incentive stock option and does not dispose of the shares received in a subsequent disqualifying disposition (generally, a sale, gift or other transfer within two years after the date of grant of the stock option or within one year after the shares are transferred to the Participant), the recipient receives long-term capital gains treatment on the difference between the price at which the recipient of the incentive stock option sells the shares of Common Stock and his or her tax basis in the shares (generally the amount paid upon exercise of such options). In the event of a disqualifying disposition, the difference between the Fair Market Value of the shares of Common Stock received on the date of exercise and the exercise price will generally be treated as taxable income in the year of disposition. The Company will not be entitled to a deduction with respect to shares received by a recipient of an incentive stock option upon exercise if the Common Stock received is not disposed of in a disqualifying disposition. If, however, an amount is treated as taxable income to the recipient of an incentive stock option due to a disqualifying disposition, the Company will be entitled to a corresponding deduction in the same amount for compensation paid.

Table of Contents

Stock Appreciation Rights. A recipient of a stock appreciation right will not recognize any taxable income for federal income tax purposes upon receipt of a stock appreciation right. Upon the exercise of a stock appreciation right, the amount paid to the recipient of the stock appreciation right will be treated as taxable income in the year of exercise. Generally, the Company will be entitled to a deduction for compensation paid in the same amount treated as compensation received by the Participant.

Deductibility of Awards. Section 162(m) of the Internal Revenue Code places a \$1,000,000 annual limit on the compensation deductible by the Company paid to certain of its executives. The limit, however, does not apply to qualified performance-based compensation. The Company believes that awards of stock options, SARs and certain other performance-based compensation awards under the Plan will qualify for the performance-based compensation exception to the deductibility limit.

Deferred Compensation. Any deferrals made under the Plan, including awards granted under the Plan that are considered to be deferred compensation, must satisfy the requirements of Section 409A of the Internal Revenue Code to avoid adverse tax consequences to participating recipients. These requirements include limitations on election timing, and acceleration of payments and distributions. The Company intends to structure any deferrals and awards under the Plan to meet the applicable tax law requirements.

Other Tax Consequences. State tax consequences may in some cases differ from those described above. Awards under the Plan will in some instances be made to persons who are subject to tax in jurisdictions other than the United States and may result in tax consequences differing from those described above.

Recommendation and Required Affirmative Vote

The affirmative vote of the holders of a majority of our Common Stock entitled to vote and who do vote (in person or by proxy) at the annual meeting is required for approval of the proposal to approve the Plan. Our Board believes that the Plan is in the best interests of the Company and our stockholders. **Accordingly, our Board recommends that you vote FOR approval of the proposal.**

REPORT OF THE AUDIT COMMITTEE

To the Stockholders of Dawson Geophysical Company:

It is the responsibility of the members of the Audit Committee to contribute to the reliability of the Company's Financial Statements. In keeping with this goal, the Board of Directors adopted a written charter (attached to this Proxy Statement as Exhibit A) to govern the Audit Committee. The Audit Committee is satisfied with the adequacy of the charter based upon its evaluation of the charter during fiscal 2006. The Audit Committee met ten times during fiscal 2006. The members of the Audit Committee are independent directors.

The audit committee oversees the Company's financial reporting process on behalf of the entire Board. Management has the primary responsibility for the Company's financial statements and the reporting process, including the systems of internal controls. The primary responsibilities of the Audit Committee are to select and retain the Company's auditors (including review and approval of the terms of engagement and fees), to review with the auditors the Company's financial reports (and other financial information) provided to the SEC and the investing public, to prepare and publish this report and to assist the Board with oversight of the following:

integrity of the Company's financial statements,

compliance by the Company with standards of business ethics and legal and regulatory requirements,

qualifications and independence of the Company's independent auditors and

performance of the Company's independent auditors.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management. It has also discussed with the independent auditors the matters required to be discussed by Statement on Accounting Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants. Additionally, the Audit Committee has received the written disclosures and the letter from the independent accountants at KPMG LLP, as required by Independent Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with the independent accountants that firm's independence from the Company and its management. The Audit Committee has concluded that non-audit services provided by KPMG LLP do not result in conflict in maintaining that firm's independence.

Audit fees billed to the Company by KPMG LLP during the Company's 2006 fiscal year for the audit of the Company's annual financial statements and the review of those financial statements included in the Company's quarterly reports of Form 10-Q totaled approximately \$661,879. The Company was billed approximately \$8,865 by KPMG LLP for tax related services.

Based on reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the financial statements for fiscal 2006 be included in the Company's Annual Report on Form 10-K.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and officers, and persons who own more than 10 percent of the Company's outstanding Common Stock, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock held by such persons. These persons are also required to furnish the Company with copies of all forms they file under this regulation.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and without further inquiry, during the fiscal year ended September 30, 2006, the Company's directors, officers and beneficial owners of more than 10 percent of Common Stock complied with all applicable Section 16(a) filing requirements.

STOCKHOLDER PROPOSALS FOR NEXT ANNUAL MEETING

The next Annual Meeting of the Company's stockholders is scheduled to be held on January 22, 2008. Stockholders may submit proposals appropriate for stockholder action at the next Annual Meeting consistent with the regulations of the Securities and Exchange Commission. If a stockholder desires to have such proposal included in the proxy statement and form of proxy distributed by the Board of Directors with respect to such meeting, the proposal must be received at the Company's principal executive offices, 508 West Wall, Suite 800, Midland, Texas 79701, Attention: Ms. Christina W. Hagan, Secretary, no later than August 25, 2007.

In addition, the Company's Bylaws establish advance notice procedures with regard to certain matters, including shareholder proposals not included in the Company's proxy statement, to be brought before an Annual Meeting. In general, the Secretary of the Company must receive notice of any such proposal not less than 80 days prior to the date of the Annual Meeting at the address of the Company's principal executive offices above. Such notice must include the information specified in Article II, Section 14 of the Company's Bylaws.

HOUSEHOLDING

The SEC permits a single set of annual reports and proxy statements to be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate information stockholders receive and reduces mailing and printing expenses. A number of brokerage firms have instituted householding.

As a result, if you hold your shares through a broker and you reside at an address at which two or more stockholders reside, you will likely be receiving only one annual report and proxy statement unless any stockholder at that address has given the broker contrary instructions. However, if any such beneficial stockholder residing at such an address wishes to receive a separate annual report or proxy statement in the future, or if any such beneficial stockholder that elected to continue to receive separate annual reports or proxy statements wishes to receive a single annual report or proxy statement in the future, that stockholder should contact their broker or send a request to our corporate secretary at our principal executive offices, 508 West Wall, Suite 800, Midland, Texas 79701, telephone number (432) 684-3000. We will deliver, promptly upon written or oral request to the corporate secretary, a separate copy of the 2006 annual report and this proxy statement to a beneficial stockholder at a shared address to which a single copy of the documents was delivered.

OTHER MATTERS

B-8

Table of Contents

(ii) consented to by such Participant.

Section 6.2 *Liability of the Committee.* No member of the Committee shall be liable for anything done or omitted to be done by him or her, by any member of the Committee or by any officer of the Company in connection with the performance of any duties under this Plan, except for his or her own willful misconduct or as expressly provided by statute.

Each Employee Award may, in the discretion of the Committee, be embodied in an Employee Award Agreement, which shall contain such terms, conditions and limitations as shall be determined by the Committee in its sole discretion and, if required by the Committee, shall be signed by the Participant to whom the Employee Award is granted and signed for and on behalf of the Company. Employee Awards may consist of those Awards listed in this ARTICLE VII and may be granted singly, in combination or in tandem. Employee Awards may also be granted in combination or in tandem with, in replacement of (subject to the last sentence of ARTICLE XIV), or as alternatives to, grants or rights under this Plan or any other employee plan of the Company or any of its Subsidiaries, including the plan of any acquired entity. An Employee Award may provide for the grant or issuance of additional, replacement or alternative Employee Awards upon the occurrence of specified events, including the exercise of the original Employee Award granted to a Participant. All or part of an Employee Award may be subject to conditions established by the Committee, which may include, but are not limited to, continuous service with the Company and its Subsidiaries, achievement of specific business objectives, items referenced in Section 7.1(e)(ii)(B) below, and other comparable measurements of performance. Upon the termination of employment by a Participant who is an Employee, any unexercised, deferred, unvested, or unpaid Employee Awards shall be treated as set forth in the applicable Employee Award Agreement or as otherwise specified by the Committee.

(a) *Options.* An Employee Award may be in the form of an Option, which may be an Incentive Stock Option or a Nonqualified Stock Option. The Grant Price of an Option shall be not less than the Fair Market Value of the Common Stock subject to such Option on the Grant Date. The term of the Option shall extend no more than 10 years after the Grant Date. Options may not include provisions that Reload the Option upon exercise. Similarly, Options may not be repriced or otherwise modified in any way that would constitute a reduction in the Grant Price associated with such Options. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any Options awarded to Employees pursuant to this Plan, including the Grant Price, the term of the Options, the number of share subject to the Option and the date or dates upon which they become exercisable, shall be determined by the Committee.

provisions that Reload the SAR upon exercise. Similarly, SARs may not be repriced or otherwise modified in any way that would constitute a reduction in the Grant Price associated with such SARs. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any SARs awarded to Employees pursuant to this Plan, including the Grant Price, the term of any SARs, and the date or dates upon which they become exercisable, shall be determined by the Committee.

(c) Stock Awards. An Employee Award may be in the form of a Stock Award. The terms, conditions and limitations applicable to any Stock Awards granted pursuant to this Plan shall be determined by the Committee, subject to the limitations set forth below.

(d) Cash Awards. An Employee Award may be in the form of a Cash Award. The terms, conditions and limitations applicable to any Cash Awards granted pursuant to this Plan shall be determined by the Committee.

(e) Performance Awards. Any Employee Award may be in the form of a Performance Award. The terms, conditions and limitations applicable to any Performance Awards granted to Participants pursuant to this Plan shall be determined by the Committee, subject to the limitations set forth below. Any Stock Award granted as an Employee Award which is a Performance Award shall have a minimum Restriction Period of twelve months from the Grant Date, provided that the Committee may provide for earlier vesting upon a termination of employment by reason of death, disability, layoff, retirement or change in control. The Committee shall set Performance Goals in its discretion which, depending on the extent to which they are met, will determine the value and/or amount of Performance Awards that will be paid out to the Participant and/or the portion of an Award that may be exercised.

(i) Nonqualified Performance Awards. Performance Awards granted to Employees that are not intended to qualify as qualified performance-based compensation under section 162(m) of the Code, or that are Options or SARs, shall be based on achievement of Performance Goals and be subject to such terms, conditions and restrictions as the Committee or its delegate shall determine.

(ii) Qualified Performance Awards

(A) Performance Awards granted to Employees under the Plan that are intended to qualify as qualified performance-based compensation under Section 162(m) of the Code shall be paid, vested, or otherwise deliverable solely on account of the attainment of one or more pre-established, objective Performance Goals, which are established by the Committee while the outcome is substantially uncertain and prior to the earlier to occur of the following:

(I) 90 days after the commencement of the period of service to which the Performance Goal relates, and

(II) the lapse of 25% of the period of service (as scheduled in good faith at the time the goal is established).

(B) A Performance Goal is objective if a third party having knowledge of the relevant facts could determine whether the goal is met. Such a Performance Goal may be based on one or more business criteria that apply to the Employee, one or more business units, divisions or sectors of the Company, or the Company as a whole, and if so desired by the Committee, by comparison with a peer group of companies. A Performance Goal may include one or more of the following:

(I) Increased revenue;

(II) Net income measures (including but not limited to income after capital costs and income before or after taxes);

In interpreting Plan provisions applicable to Performance Awards that are intended to qualify as qualified performance-based compensation under Section 162(m) of the Code, it is the intent of the Plan to conform with the standards of Section 162(m) of the Code and Treasury Regulation §1.162-27(e)(2)(i), as to grants to those Employees whose compensation is, or is likely to be, subject to Section 162(m) of the Code, and the Committee in establishing such goals and interpreting the Plan shall be guided by such provisions. Prior to the payment of any compensation based on the achievement of Performance Goals for such Performance Awards, the Committee must certify in writing that applicable Performance Goals and any of the material terms thereof were, in fact, satisfied. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any Performance Awards, which are intended to qualify as qualified performance-based compensation under Section 162(m) of the Code, shall be determined by the Committee.

Section 7.2 *Limitations*. Notwithstanding anything to the contrary contained in this Plan, the following limitations shall apply to any Employee Awards made hereunder:

The holder of a tandem SAR may elect to exercise either the option or the SAR, but not both. The exercise period for an SAR shall extend no more than 10 years after the Grant Date. SARs may not include provisions that Reload the SAR upon exercise. Similarly, SARs may not be repriced or otherwise modified in any way that would constitute a reduction in the Grant Price associated with such SARs. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any SARs awarded to Directors pursuant to this Plan, including the Grant Price, the term of any SARs, and the date or dates upon which they become exercisable, shall be determined by the Board.

Section 8.4 Stock Awards. A Director Award may be in the form of a Stock Award. Any terms, conditions and limitations applicable to any Stock Awards granted to a Nonemployee Director pursuant to this Plan, including but not limited to rights to Dividend Equivalents, shall be determined by the Board.

Section 8.5 Performance Awards. Without limiting the type or number of Director Awards that may be made under the other provisions of this Plan, a Director Award may be in the form of a Performance Award. Any additional terms, conditions and limitations applicable to any Performance Awards granted to a Nonemployee Director pursuant to this Plan shall be determined by the Board. The Board shall set Performance Goals in its discretion which, depending on the extent to which they are met, will determine the value and/or amount of Performance Awards that will be paid out to the Nonemployee Director.

Section 8.6 Limitations. Notwithstanding anything to the contrary contained in this Plan the following limitations shall apply to any Director Awards made hereunder:

(a) no Participant may be granted, during any fiscal year, Director Awards consisting of Options or SARs (including Options or SARs that are granted as Performance Awards) that are exercisable for more than 100,000 shares of Common Stock and

(b) no Participant may be granted, during any fiscal year, Director Awards consisting of Stock Awards (including Stock Awards that are granted as Performance Awards) covering or relating to more than 100,000 shares of Common Stock.

ARTICLE IX

CHANGE OF CONTROL

Section 9.1 Acceleration of Vesting. Except as provided in ARTICLE XVI, notwithstanding any other provisions of the Plan, including ARTICLE VII and ARTICLE VIII hereof, unless otherwise expressly provided in the applicable Award Agreement, in the event of a Change of Control during a Participant's employment (or service as a Nonemployee Director or Consultant) with the Company or one of its Subsidiaries, each Award granted under this Plan to the Participant shall become immediately vested and fully exercisable and any restrictions applicable to the Award shall lapse (regardless of the otherwise applicable vesting or exercise schedules or performance goals provided for under the Award Agreement).

Section 9.2 Exercise Period for Options and SARs. In the event of a Change of Control, outstanding Options and SARs shall remain exercisable until:

- (a) the expiration of the term of the Award or,
- (b) if the Participant should die before the expiration of the term of the Award, until the earlier of:
 - (i) the expiration of the term of the Award or
 - (ii) two (2) years following the date of the Participant's death.

ARTICLE X

NON-UNITED STATES PARTICIPANTS

The Committee may grant Awards to persons outside the United States under such terms and conditions as, in the judgment of the Committee, may be necessary or advisable to comply with the laws of the applicable foreign jurisdictions and, to that end, may establish sub-plans, modified option exercise procedures and other terms and procedures. Notwithstanding the above, no actions may be taken by the Committee, and no Awards shall be granted, that would violate the Exchange Act, the Code, any securities law, any governing statute, or any other applicable law.

ARTICLE XI

PAYMENT OF AWARDS

Section 11.1 General. Payment made to a Participant pursuant to an Award may be made in the form of cash or Common Stock, or a combination thereof.

Section 11.2 Dividends, Earnings and Interest. Rights to dividends or Dividend Equivalents may be extended to and made part of any Stock Award, subject to such terms, conditions and restrictions as the Committee may establish, including such terms, conditions and restrictions as may be necessary to ensure that the Stock Awards do not provide for the deferral of compensation within the meaning of section 409A of the Code.

Section 11.3 *Cash-out of Awards*. At the discretion of the Committee, an Award that is an Option or SAR may be settled by a cash payment equal to the difference between the Fair Market Value per share of Common Stock on the date of exercise and the Grant Price of the Award, multiplied by the number of shares with respect to which the Award is exercised. With respect to all Awards other than Options or SARs, at the discretion of the Board or the Committee, as applicable, such Awards may be settled by a cash payment in an amount that the Board or the Committee, as applicable, shall determine in its sole discretion is equal to the fair market value of such Awards.

ARTICLE XII

OPTION EXERCISE

Section 12.1 *Exercise in General.* The Grant Price shall be paid in full at the time of exercise in cash or, if permitted by the Committee and elected by the optionee, the optionee may purchase such shares by means of tendering Common Stock or surrendering another Award, including Restricted Stock, valued at Fair Market Value on the date of exercise, or any combination thereof. The Committee shall determine acceptable methods for Participants who are Employees or Consultants to tender Common Stock or other Employee Awards or Consultant Awards; provided that any Common Stock that is or was the subject of an Employee Award or Consultant Award may be so tendered only if it has been held by the Participant for six months unless otherwise determined by the Committee. The Committee may provide for procedures to permit the exercise or purchase of such Awards by use of the proceeds to be received from the sale of Common Stock issuable pursuant to an Award. Unless otherwise provided in the applicable Award Agreement, in the event shares of Restricted Stock are tendered as consideration for the exercise of an Option, a number of the shares issued upon the exercise of the Option, equal to the number of shares of Restricted Stock used as consideration therefor, shall be subject to the same restrictions as the Restricted Stock so submitted as well as any additional restrictions that may be imposed by the Committee. The Committee may adopt additional rules and procedures regarding the exercise of Options from time to time, provided that such rules and procedures are not inconsistent with the provisions of this ARTICLE XII.

Section 12.2 *Exercise through Attestation.* An optionee desiring to pay the Grant Price of an Option by tendering Common Stock using the method of attestation may, subject to any such conditions and in compliance with any such procedures as the Committee may adopt, do so by attesting to the ownership of Common Stock of the requisite value in which case the Company shall issue or otherwise deliver to the optionee upon such exercise a number of shares of Common Stock subject to the Option equal to the result obtained by dividing (a) the excess of the aggregate Fair Market Value of the shares of Common Stock subject to the Option for which the Option (or portion thereof) is being exercised over the Grant Price payable in respect of such exercise by (b) the Fair Market Value per share of Common Stock subject to the Option, and the optionee may retain the shares of Common Stock the ownership of which is attested.

ARTICLE XIII

TAXES

The Company or its designated third party administrator shall have the right to deduct applicable taxes from any Employee Award payment and withhold, at the time of delivery or vesting of cash or shares of Common Stock under this Plan, an appropriate amount of cash or number of shares of Common Stock or a combination thereof for payment of taxes or other amounts required by law or to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for withholding of such taxes. The Committee may also permit withholding to be satisfied by the transfer to the Company of shares of Common Stock theretofore owned by the holder of the Employee Award with respect to which withholding is required. If shares of Common Stock are used to satisfy tax withholding, such shares shall be valued based on the Fair Market Value when the tax withholding is required to be made. The Committee may provide for loans, to the extent not otherwise prohibited by law, on either a short term or demand basis, from the Company to a Participant who is an Employee or Consultant to permit the payment of taxes required by law.

ARTICLE XIV

AMENDMENT, MODIFICATION, SUSPENSION, OR TERMINATION OF THE PLAN

Section 14.1 *In General*. The Board may amend, modify, suspend, or terminate this Plan for the purpose of meeting or addressing any changes in legal requirements or for any other purpose permitted by law, except that:

(a) no amendment or alteration that would adversely affect the rights of any Participant under any Award previously granted to such Participant shall be made without the consent of such Participant, and

(b) no amendment or alteration shall be effective prior to its approval by the stockholders of the Company to the extent such approval is required by applicable legal requirements or the applicable requirements of the securities exchange on which the Company's Common Stock is listed.

Section 14.2 *Exceptions*. Notwithstanding anything herein to the contrary, Options issued under the Plan will not be repriced, replaced, or regranted through cancellation or by decreasing the exercise price of a previously granted Option except as expressly provided by the adjustment provisions of ARTICLE XVI.

ARTICLE XV

ASSIGNABILITY

Unless otherwise determined by the Committee and provided in the Award Agreement or the terms of the Award, no Award or any other benefit under this Plan shall be assignable or otherwise transferable except by will, by beneficiary designation, or by the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by the Code or Title I of the Employee Retirement Income Security Act of 1974, as amended, or the rules thereunder. In the event that a beneficiary designation conflicts with an assignment by will or the laws of descent and distribution, the beneficiary designation will prevail. The Committee may prescribe and include in applicable Award Agreements or the terms of the Award other restrictions on transfer. Any attempted assignment of an Award or any other benefit under this Plan in violation of this ARTICLE XV shall be null and void.

ARTICLE XVI

ADJUSTMENTS

Section 16.1 *Adjustments in General*. The existence of outstanding Awards shall not affect in any manner the right or power of the Company or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations, or other changes in the capital stock of the Company or its business or any merger or consolidation of the Company, or any issue of bonds, debentures, preferred or prior preference stock (whether or not such issue is prior to, on a parity with or junior to the existing Common Stock) or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding of any kind, whether or not of a character similar to that of the acts or proceedings enumerated above.

Section 16.2 *Proportionate Adjustments* (a) In the event of any subdivision or consolidation of outstanding shares of Common Stock, declaration of a dividend payable in shares of Common Stock or other stock split, each of the following shall be proportionately adjusted by the Board as appropriate to reflect such transaction:

(i) the number of shares of Common Stock reserved under this Plan and the number of shares of Common Stock available for issuance pursuant to specific types of Awards as described in ARTICLE V,

- (ii) the number of shares of Common Stock covered by outstanding Awards,
- (iii) the Grant Price or other price in respect of such Awards,

B-15

(iv) the appropriate Fair Market Value and other price determinations for such Awards, and

(v) the Stock Based Awards Limitations.

(b) In the event of any other recapitalization or capital reorganization of the Company, any consolidation or merger of the Company with another corporation or entity, the adoption by the Company of any plan of exchange affecting Common Stock or any distribution to holders of Common Stock of securities or property (including cash dividends that the Board determines are not in the ordinary course of business but excluding normal cash dividends or dividends payable in Common Stock), the Board shall make appropriate adjustments to:

(i) the number of shares of Common Stock reserved under this Plan and the number of shares of Common Stock available for issuance pursuant to specific types of Awards as described in ARTICLE V,

(ii) the number of shares of Common Stock covered by Awards,

(iii) the Grant Price or other price in respect of such Awards,

(iv) the appropriate Fair Market Value and other price determinations for such Awards, and

(v) the Stock Based Awards Limitations to reflect such transaction; provided that such adjustments shall only be such as are necessary to maintain the proportionate interest of the holders of the Awards and preserve, without increasing, the value of such Awards.

(c) In the event of a corporate merger, consolidation, acquisition of assets or stock, separation, reorganization, or liquidation, the Board shall be authorized to:

(i) to assume under the Plan previously issued compensatory awards, or to substitute Awards for previously issued compensatory awards as part of such adjustment; if such event constitutes a Change of Control,

(ii) to cancel Awards that are Options or SARs and give the Participants who are the holders of such Awards notice and opportunity to exercise for 15 days prior to such cancellation, or

(iii) to cancel any such Awards and to deliver to the Participants cash in an amount that the Board shall determine in its sole discretion is equal to the fair market value of such Awards on the date of such event, which in the case of Options or SARs shall be the excess of the Fair Market Value of Common Stock on such date over the exercise or strike price of such Award.

ARTICLE XVII

RESTRICTIONS

No Common Stock or other form of payment shall be issued with respect to any Award unless the Company shall be satisfied based on the advice of its counsel that such issuance will be in compliance with applicable federal and state securities laws. Certificates evidencing shares of Common Stock delivered under this Plan (to the extent that such shares are so evidenced) may be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any securities exchange or transaction reporting system upon which the Common Stock is then listed or to which it is admitted for quotation and any applicable federal or state securities law. The Committee may cause a legend or legends to be placed upon such certificates (if any) to make appropriate reference to such restrictions.

ARTICLE XVIII

bookkeeping accounts established by a third party administrator retained by the Company to administer the Plan. The Company shall not be required to segregate any assets for purposes of this Plan or Awards hereunder, nor shall the Company, the Board or the Committee be deemed to be a trustee of any benefit to be granted under this Plan. Any liability or obligation of the Company to any Participant with respect to an Award under this Plan shall be based solely upon any contractual obligations that may be created by this Plan and any Award Agreement or the terms of the Award, and no such liability or obligation of the Company shall be deemed to be secured by any pledge or other encumbrance on any property of the Company. Neither the Company nor the Board nor the Committee shall be required to give any security or bond for the performance of any obligation that may be created by this Plan.

ARTICLE XIX

RIGHT TO EMPLOYMENT

Nothing in the Plan or an Award Agreement shall interfere with or limit in any way the right of the Company or its Subsidiaries to terminate any Participant's employment or other service relationship at any time, or confer upon any Participant any right to continue in the capacity in which he or she is employed or otherwise serves the Company or its Subsidiaries.

ARTICLE XX

SUCCESSORS

All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

ARTICLE XXI

GOVERNING LAW

This Plan and all determinations made and actions taken pursuant hereto, to the extent not otherwise governed by mandatory provisions of the Code or the securities laws of the United States, shall be governed by and construed in accordance with the laws of the State of Texas.
