PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS MAY 14, 2004

This Proxy Statement is furnished in connection with the solicitation by ScanSoft, Inc. (the "Company") on behalf of the Board of Directors (the "Board" or the "Board of Directors") of proxies for use at the Annual Meeting of Stockholders of the Company to be held on May 14, 2004 at 9:00 a.m., local time, at the Marriott Hotel, 8A Centennial Drive, Peabody, Massachusetts 01960 (the "Annual Meeting"). We intend to mail this proxy statement and the accompanying form of proxy to stockholders on or about April 14, 2004.

VOTING RIGHTS

Each share of Common Stock entitles the holder thereof to one vote on matters to be acted upon at the Annual Meeting, including the election of directors. The Company's Series B Preferred Stock is not entitled to a vote on matters to be acted upon at the Annual Meeting. Votes cast in person or by proxy at the Annual Meeting will be tabulated by U.S. Stock Transfer Corporation, the Inspector of Elections. Any proxy that is returned using the form of proxy enclosed will be voted in accordance with the instructions thereon, and if no instructions are given, will be voted (i) FOR the election of the director nominees as provided under Proposal 1 herein, (ii) FOR the amendment to the Company's Amended and Restated Certificate of Incorporation under Proposal 2 herein, (iii) FOR the approval of the amended and restated 2000 Stock Option Plan under Proposal 3 herein, (iv) FOR the amendments to the 1995 Employee Stock Purchase Plan under Proposal 4 herein, (v) FOR ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent auditors under Proposal 5 herein, and (vi) as the proxy holders deem advisable in their sole discretion on any other matters that may properly come before the Annual Meeting. A stockholder may indicate on the enclosed proxy or its substitute that it is abstaining from voting on a particular matter (an "abstention"). A broker may indicate on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter (a "broker non-vote"). Abstentions and broker non-votes are each tabulated separately.

The Inspector of Elections will determine whether or not a quorum is present at the Annual Meeting. In general, Delaware law provides that a majority of the shares entitled to vote present in person or represented by proxy constitutes a quorum. Abstentions and broker non-votes of shares that are entitled to vote are treated as shares that are present in person or represented by proxy for purposes of determining the presence of a quorum.

In determining whether a proposal has been approved, abstentions of shares that are entitled to vote are treated as present in person or represented by proxy, but not as voting for such proposal, and hence have the same effect as votes against such proposal, while broker non-votes of shares that are entitled to vote are not treated as present in person or represented by proxy, and hence have no effect on the vote for such proposal, except with respect to Proposal 2, for which such broker non-votes will be treated as a vote AGAINST Proposal 2.

RECORD DATE AND SHARE OWNERSHIP

Edgar Filing: SCANSOFT INC - Form PRE 14A

Holders of record of Common Stock as of the close of business on March 15, 2004 have the right to receive notice of and to vote at the Annual Meeting. On March 15, 2004, the Company had issued and outstanding 104,378,973 shares of Common Stock.

PROXIES

Proxies for use at the Annual Meeting are being solicited by the Company on behalf of the Board of Directors from its stockholders. Any person giving a proxy in the form accompanying this Proxy Statement has the power to revoke it at any time before its exercise by (i) filing with the Secretary of the Company a signed written statement revoking his or her proxy or (ii) submitting an executed proxy bearing a date later than that of the proxy being revoked. A proxy may also be revoked by attendance at the Annual Meeting and the election to vote in person. Attendance at the Annual Meeting will not by itself constitute the revocation of a proxy.

STOCKHOLDER PROPOSALS

Proposals of stockholders that are intended to be presented at the Company's 2005 Annual Meeting of Stockholders must comply with the requirements of SEC Rule 14a-8 and must be received by the Company no later than December 10, 2004, in order to be included in the Company's proxy statement and form of proxy relating to the meeting. A stockholder proposal or a nomination for director for the Company's 2005 Annual Meeting of Stockholders that is not to be included in the Company's proxy statement and form of proxy relating to the meeting must be received by the Company no later than February 14, 2005. The Company's bylaws require that certain information and acknowledgements with respect to the proposal be set forth in the stockholder's notice. A copy of the relevant bylaw provision is available upon written request to ScanSoft, Inc., 9 Centennial Drive, Peabody, Massachusetts 01960, Attention: Investor Relations. Further, our bylaws were filed as an Exhibit to our Annual Report on Form 10-K, filed with the SEC on March 15, 2004.

PROXY SOLICITATION COSTS

The expense of solicitation of proxies will be borne by the Company. In addition to solicitation of proxies by mail, certain officers, directors and Company employees who will receive no additional compensation for their services may solicit proxies by telephone, telegraph or in person. The Company is required to request brokers and nominees who hold stock in their name to furnish this proxy material to beneficial owners of the stock and will reimburse such brokers and nominees for their reasonable out-of-pocket expenses in so doing. In addition, the Company has hired Strategic Stock Surveillance, LLC, a proxy solicitation firm, to assist us with the solicitation of votes. The Company will pay Strategic Stock Surveillance, LLC approximately \$9,500 for its services.

The Annual Report of the Company on Form 10-K (which does not form a part of the proxy solicitation materials), containing the consolidated financial statements of the Company for the fiscal year ended December 31, 2003, is being distributed concurrently with this proxy statement to stockholders.

Director Qualifications

In discharging its responsibilities to nominate candidates for election to the Board of Directors, the Nominating Committee has not specified any minimum qualifications for serving on the Board of Directors. However, the Nominating Committee endeavors to evaluate, propose and approve candidates with business experience and personal skills in technology, finance, marketing, financial reporting and other areas that may be expected to contribute to an effective Board of Directors. The Nominating Committee seeks to assure that the Board of Directors is composed of individuals who have experience relevant to the needs of the Company and who have the highest professional and personal ethics, consistent with the Company's values and standards. Candidates should be committed to enhancing stockholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience.

Identifying and Evaluating Nominees for Directors

The Nominating Committee utilizes a variety of methods for identifying and evaluating nominees for director. Candidates may come to the attention of the Nominating Committee through current Board of Directors members, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of the Nominating Committee, and may be considered at any point during the year. As described above, the Nominating Committee considers properly submitted stockholder nominations and recommendations for candidates for the Board of Directors. Following verification of the stockholder status of persons proposing candidates, nominations and recommendations are aggregated and considered by the Nominating Committee. If any materials are provided by a stockholder in connection with the nomination or recommendation of a director candidate, such materials are forwarded to the Nominating Committee. The Nominating Committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a stockholder.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of the members of the Compensation Committee has been or is an officer or employee of the Company. None of the Company's executive officers serves on the board of directors or compensation committee of a company that has an executive officer that serves on the Company's Board or Compensation Committee. COMPENSATION OF NON-EMPLOYEE DIRECTORS

Effective July 1, 2003, each non-employee director received an annual retainer fee of \$25,000 for his or her services. In February 2004, upon the recommendation of the Compensation Committee, following its review of market data and other considerations, the Board of Directors approved an increase in director compensation. The increase in compensation is effective July 1, 2004. In addition to the annual retainer fee, each non-employee director will also receive compensation for each Board and committee meeting they attend ranging from \$1,500-\$2,000 for regular meetings and \$750 for telephonic meetings. We are also authorized to reimburse directors for expenses in connection with attendance at meetings. The Chairman of the Audit Committee will also receive an annual retainer of \$6,000 and the Chairmen of our other committees will receive an annual retainer of \$3,000.

Non-employee directors are also entitled to participate in the 1995 Directors' Stock Option Plan. The plan, as amended in June 2001, provides that each non-employee director will receive an initial option grant to purchase 50,000 shares of Common Stock at an exercise price equal to the fair market value of the stock on the respective effective date of the grant. Each option is exercisable in installments, 25% each year beginning on the first anniversary of the grant so that the options are 100% exercisable four years after the effective date of the grant. The plan also provides for the automatic annual grant of stock options to purchase 15,000 shares of Common Stock to each non-employee director on January 1 of each year, provided that, on such date, he or she shall have served on the Board for at least six months. These annual grants become fully vested and exercisable on the first anniversary of the date of grant. On January 2, 2001, each non-employee director was granted an option to purchase 5,000 shares of Common Stock pursuant to the plan (which had not yet been amended). On January 2, 2002, each non-employee director was granted an option to purchase 15,000 shares of Common Stock pursuant to the plan at an exercise price of \$4.45, the market price on that date, which amounted to 75,000 shares in the aggregate. On January 2, 2003, each non-employee director was granted an option to purchase 15,000 shares of Common Stock pursuant to the plan at an exercise price of \$5.53, the market price on that date, which amounted to 60,000 shares in the aggregate. The June 2001 amendment also allowed for the non-automatic grant of an option to purchase 40,000 shares of Common Stock to

Edgar Filing: SCANSOFT INC - Form PRE 14A

all non-employee directors who were outside directors on January 23, 2001 ("Eligible Directors"). Accordingly, each Eligible Director received a grant of an option to purchase 40,000 shares on June 27, 2001 at an exercise price

7

of \$1.18, the market price on that date, which amounted to 160,000 shares in the aggregate. These June 27, 2001 options became fully vested and exercisable on June 27, 2002, the first anniversary of the date of grant.

Aggregate fees and costs billed to the Company during the year ended December 31, 2003 by Wilson Sonsini Goodrich & Rosati were approximately \$2,080,000.

COMPENSATION COMMITTEE REPORT ON COMPENSATION

The Company's executive compensation program is administered by the Compensation Committee of the Board of Directors. During the fiscal year ended December 31, 2003, the Compensation Committee consisted of Robert G. Teresi and Robert J. Frankenberg. In February 2004, the Board of Directors appointed Messrs. Robert J. Frankenberg and John C. Freker to the Compensation Committee of the Board of Directors, each of whom is independent within the meaning of the listing standards of the NASDAQ Stock Market. No member of the Compensation Committee during this fiscal year ended December 31, 2003 was an employee of the Company or any of its subsidiaries.

COMPENSATION STRATEGY

Generally, the Company's 2003 executive compensation programs consist of a base salary program, a performance-based cash bonus program and a long-term incentive plan consisting solely of nonqualified stock options. A large part of executive compensation is at-risk and tied to individual and Company performance. The Compensation Committee's executive compensation policy has the following objectives:

- To align the interests of the Company's executives and other key employees with those of the Company's stockholders, employees, and customers;

Edgar Filing: SCANSOFT INC - Form PRE 14A

- To link compensation of executives to the Company's performance;

15

- To target base salaries at about the 50th to 75th percentile and total annual cash incentive at about the 75th percentile for each executive as compared to his or her industry-specific peers; and
- To offer significant levels of at-risk compensation in the form of stock options so that the long-term rewards available to the Company's executive officers will have a direct correlation to stockholder value.

FACTORS CONSIDERED IN ESTABLISHING COMPENSATION PACKAGES

Several of the more important factors that were considered in establishing the components of each executive officer's compensation package are summarized below. Additional factors were also taken into account to a lesser degree.

- Base Salary. The Compensation Committee reviews recommendations and sets the salary levels of executive officers in the spring of each year. This review is based on the duties and responsibilities that we expect each executive to discharge during the current year and upon the executive's performance during the previous year. We perform external market comparisons, relative to industry-specific peers, based on individual job responsibility. The Compensation Committee reviews companies whose employee size and annual revenue are similar to the Company's. The compensation for Messrs. Ricci and Patterson is guided by the terms of their employment agreements.
- Bonuses. The Company Bonus program was paid out in two increments during the 2003 fiscal year. 33.33% of the officers target annual bonus opportunity is tied to the first half business objectives and 66.67% of the officers target annual bonus opportunity is tied to the second half business objectives.

Payments under the First Half 2003 Incentive for Performance Bonus Program, designed to reward 33.33% of the officers target annual bonus opportunity, were contingent upon the achievement of first half business objectives. The Committee, however, determined that these objectives were not met, and thus no first half bonuses were paid.

Payments under the Second Half 2003 Incentive for Performance Bonus Program, designed to reward the remainder of the officers' annual target bonus opportunity, were contingent upon the achievement of year-end business objectives. The Committee determined that 30% of the year-end business objectives were achieved and that bonuses will be paid in the form of restricted stock to each of the Company's officers who were on the Company Bonus program for the fiscal year ended December 31, 2003. The number of shares granted was determined by dividing the fair market value on the date of issuance by 30% of each of the officers' second half 2003 bonus opportunity. The values of the bonuses paid in Restricted Stock are included in the "Long-Term Incentive-Restricted Stock Awards" column in the Summary Compensation Table.

- Options. The Compensation Committee periodically approves grants of stock options to each of the Company's executive officers under the Company's stock option plans. The grants are designed to give executive officers the opportunity to build a meaningful stake in the Company, with the objective of aligning executive officers' long-range interests with those of the stockholders and encouraging the achievement of superior results over time. Each grant generally allows the officer to acquire

Edgar Filing: SCANSOFT INC - Form PRE 14A

shares of the Company's Common Stock at a fixed price per share (the fair market value on the grant date) over a specified period of time (up to 10 years), thus providing a return to the executive officer only if the market price of the shares appreciates over the option term. The Committee approved the issuance of grants to certain Named Executive Officers during 2003. Please see "Recent Option Grants" table for details of options granted during 2003.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

The Company entered into a new employment agreement with Mr. Ricci dated August 11, 2003. This employment agreement established the base annual salary of \$300,000 through December 31, 2003 with an increase in base to \$400,000 from January 1, 2004 through June 30, 2005. On July 1, 2005 and each anniversary thereafter, his base annual salary will increase by at least \$25,000. Other items included in the

16

"Other Annual Compensation" and "All Other Annual Compensation" columns in the Summary Compensation Table include a living expense allowance that is paid to Mr. Ricci pursuant to his employment agreement. This Agreement also includes a target bonus of 50% of his base annual salary for fiscal year ending 2003 based upon achievement of performance criteria established by the Compensation Committee. The Compensation Committee approved 30% of Mr. Ricci's second-half target bonus opportunity to be paid in the form of Restricted Stock. The value of the Restricted Stock is included in the "Long-Term Incentive -- Restricted Stock Award" columns in the Summary Compensation Table. For each fiscal year of the Company following its 2003 fiscal year, Mr. Ricci will be eligible to receive a target bonus of up to 100% of his then base annual salary based upon achievement of performance criteria established by the Compensation Committee. The Agreement also includes the issuance of a Restricted Stock Award for 300,000 shares of common stock of the Company at a per share purchase price equal to the par value of the Company's common stock. One-third of the Restricted Stock will vest at the end of each twelve-month period following the date of grant. In addition, at least once during each fiscal year, the Compensation Committee has agreed to consider granting Mr. Ricci additional options. The number and terms and conditions of any options granted to Mr. Ricci will be determined in the discretion of the Compensation Committee, but the Compensation Committee generally will seek to grant options to Mr. Ricci in an amount and on terms and conditions that are at least as favorable as option grants received by senior officers of companies comparable to the Company. Mr. Ricci did not receive any additional stock options during fiscal year 2003.

The Compensation Committee has considered the potential impact of Section 162(m) of the Internal Revenue Code adopted under the Federal Revenue Reconciliation Act of 1993. This section precludes a public corporation from taking a tax deduction for individual compensation in excess of \$1 million for its chief executive officer or any of its four other highest-paid officers. This section also provides for certain exemptions to this limitation, specifically compensation that is performance based within the meaning of Section 162(m). The Compensation Committee concluded that Section 162(m) should not reduce the tax deductions available to the Company and that no changes to our compensation program were needed in this regard. However, the Compensation Committee may from time to time approve compensation that is not deductible under this Section.

PROPOSAL NUMBER 2

AMENDMENT OF OUR CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

The Board of Directors has adopted an amendment to the Company's Certificate of Incorporation to increase the number of shares of Common Stock par value \$0.001 the Company is authorized to issue from 140,000,000 shares of Common Stock to 280,000,000 shares. As of March 15, 2004, of the 140,000,000 shares of Common Stock the Company is currently authorized to issue, 104,378,973 shares of Common Stock were outstanding, 21,258,796 shares of Common Stock were reserved for issuance under the Company's stock-based compensation plans, and 11,636,457 shares of Common Stock were reserved for issuance upon exercise of other outstanding convertible securities.

The Company is also authorized to issue up to 40,000,000 shares of preferred stock, par value \$0.001 per share. The Company has designated 100,000 shares as Series A Preferred Stock, none of which are issued and outstanding, and 15,000,000 as Series B Preferred Stock, 3,562,238 of which are issued and outstanding.

The purpose of the amendment is to allow the Company to have a sufficient number of shares of authorized and unissued Common Stock which can be issued in connection with such corporate purposes as may, from time to time, be considered advisable by the Board. Having such shares available for issuance in the future will give the Company greater flexibility and will allow such shares to be issued as determined by the Board without the expense and delay of a special stockholder's meeting to approve such additional authorized Common Stock. Such corporate purposes could include, without limitation; the issuance of shares in connection with stock splits or stock dividends, the issuance of shares upon exercise of options granted under the Company's various stock option plans or in connection with other employee benefit plans, the issuance of shares in connection with equity financings and the issuance of shares in connection with acquisitions.

The increase in authorized common stock will not have an immediate effect on the rights of existing stockholders. However, the Board will have the authority to issue authorized Common Stock without requiring future stockholder approval of such issuances, except as may be required by the Certificate of Incorporation and applicable laws and regulations. To the extent that the additional authorized shares are issued in the future, they will decrease the existing stockholders' percentage equity ownership and, depending upon the price at which they are issued as compared to the price paid by existing stockholders for their shares, could be dilutive to the Company's existing stockholders. The holders of Common Stock have no preemptive rights to subscribe for or purchase any additional shares of Common Stock that may be issued in the future.

The increase in the authorized number of shares of Common Stock and the subsequent issuance of such shares could have the effect of delaying or preventing a change in control of the Company without further action by the stockholders. Shares of authorized and unissued Common Stock could (within the limits imposed by applicable law) be issued in one or more transactions that would make a change in control of the Company more difficult, and therefore less likely. Any such issuance of additional stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of common stock, and such additional shares could be used to dilute the stock ownership or voting right of a person seeking to obtain control of the Company. The Board is not aware of any attempt to take control of the Company and has not presented this proposal with the intention that the increase in authorized shares of common stock be used as a type of antitakeover device.

VOTE REQUIRED; RECOMMENDATION OF THE BOARD

Edgar Filing: SCANSOFT INC - Form PRE 14A

The affirmative vote of a majority of the Company's outstanding shares of Common Stock is required for approval of this proposal. Unless marked to the contrary, proxies received will be voted "FOR" the amendment of the Company's certificate of incorporation.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE AMENDMENT OF OUR CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES.

18

PROPOSAL 3

APPROVAL OF THE AMENDED AND RESTATED 2000 STOCK PLAN

The stockholders are being asked to approve the Company's amended and restated 2000 Stock Plan (the "2000 Plan") so that we can continue to use the 2000 Plan to achieve the Company's goals. In March 2004, the Board of Directors approved the amended and restated 2000 Plan, subject to approval from the Company's stockholders at the Annual Meeting. If the stockholders approve the amended and restated 2000 Plan, it will replace the current version of the 2000 Plan. Otherwise, the current version of the 2000 Plan will remain in effect. The Company's named executive officers and directors have an interest in this proposal.

The stockholders are being asked to approve an increase to the number of shares of Common Stock authorized for issuance under the 2000 Plan from 4,750,000 shares to 7,250,000 shares, an increase of 2,500,000 shares. The stockholders are also being asked to approve an amendment to the 2000 Plan to permit the award of restricted stock units and stock appreciation rights under the 2000 Plan. The 2000 Plan currently allows for the grant of stock options and awards of restricted stock. While we believe that restricted stock units and stock appreciation rights can currently be made under the 2000 Plan through the grant of other types of awards already permitted under the 2000 Plan, we want to avoid any confusion that the Company may grant such awards under the 2000 Plan. If the Company's stockholders approve the amended and restated 2000 Plan, no more than 1,000,000 shares of Common Stock reserved thereunder will be able to be awarded pursuant to awards of restricted stock and restricted stock units. The amended and restated 2000 Plan has also been amended to provide that stock options and stock appreciation rights will not have a term greater than seven (7) years. We are not proposing to amend the 2000 Plan in any other material respect.

We believe strongly that the approval of the amended and restated 2000 Plan is essential to the Company's continued success. The Company's employees are its most valuable assets. Stock options and other awards such as those provided under the amended and restated 2000 Plan are vital to the Company's ability to attract and retain outstanding and highly skilled individuals in the extremely competitive labor markets in which the Company must compete. Such awards also are crucial to our ability to motivate employees to achieve the Company's goals. For the reasons stated above and to ensure the Company can continue to grant stock awards to key employees of the Company at levels determined appropriate by the Board and the Compensation Committee of the Board, the stockholders are being asked to approve the amended and restated 2000 Plan.

DESCRIPTION OF THE 2000 PLAN

The essential features of the 2000 Plan are outlined below. The following summary of the principal provisions of the 2000 Plan as proposed to be amended and restated is qualified in its entirety by reference to the full text of the

Edgar Filing: SCANSOFT INC - Form PRE 14A

2000 Plan, which is included as Annex C hereto.

General

The purpose of the 2000 Plan is to attract and retain the best available personnel for positions of substantial responsibility with the Company, to provide additional incentive to the employees, directors and consultants of the Company and employees and consultants of its parent and subsidiary companies and to promote the success of the Company's business. The 2000 Plan authorizes the Board of Directors or one or more of its committees to grant stock options, restricted stock units, rights to purchase restricted stock and stock appreciation rights, which are referred to individually as an "Award."

Administration

The 2000 Plan may generally be administered by the Board or a committee appointed by the Board (as applicable, the "Administrator"). The Administrator may make any determinations deemed necessary or advisable for the 2000 Plan.

19

Number of Shares of Common Stock Available Under the Incentive Plan

Assuming stockholders approve this proposal, a total of 7,250,000 shares of Common Stock will have been reserved for issuance under the amended and restated 2000 Plan. As of February 29, 2004, 2,801,965 shares of Common Stock were available for issuance under the 2000 Plan. Of these 2,801,965 shares, no more than 1,000,000 shares will be available for grant as restricted stock awards or restricted stock units.

Eligibility

Nonstatutory stock options, stock purchase rights (i.e., awards of restricted stock), restricted stock units and stock appreciation rights may be granted under the 2000 Plan to employees, directors and consultants of the Company and employees and consultants of any parent or subsidiary of the Company. Incentive stock options may be granted only to employees. As of February 29, 2004, we had 805 employees, 8 directors (including 2 employee directors), and 98 consultants. The Administrator, in its discretion, selects the employees, directors and consultants to whom Awards may be granted, the time or times at which such Awards will be granted, and the exercise price and number of shares subject to each such grant; provided, however, the exercise price of a stock option and a stock appreciation right may not be less than 100% of the fair market value of the Common Stock on the date such Award is granted.

Limitations

Section 162(m) of the Internal Revenue Code of 1986, as amended ("Code") places limits on the deductibility for federal income tax purposes of compensation paid to certain executive officers of the Company. In order to preserve the Company's ability to deduct the compensation income associated with options and stock appreciation rights granted to such persons, the 2000 Plan provides that no service provider may be granted, in any fiscal year of the Company, options or stock appreciation rights to purchase more than 750,000 shares of Common Stock. Notwithstanding this limit, however, in connection with such individual's initial employment with the Company, he or she may be granted options or stock appreciation rights to purchase up to an additional 750,000 shares of Common Stock.

Terms and Conditions of Options

Edgar Filing: SCANSOFT INC - Form PRE 14A

Each option is evidenced by a stock option agreement between the Company and the optionee, and is subject to the following terms and conditions:

(a) Exercise Price. The Administrator determines the exercise price of options at the time the options are granted. The exercise price of a stock option may not be less than 100% of the fair market value of the Common Stock on the date such option is granted; provided, however, that the exercise price of an incentive stock option granted to a 10% shareholder may not be less than 110% of the fair market value on the date such option is granted. The fair market value of the Common Stock is generally determined with reference to the closing sale price for the Common Stock (or the closing bid if no sales were reported) on the last market trading day prior to the date the option is granted. As of February 27, 2004, the closing price of the Company Common Stock as reported on the Nasdaq Stock Market was \$5.46 per share.

The Company may not reduce the exercise price of any stock option, including stock appreciation right, outstanding or to be granted in the future under the 2000 Plan; cancel and re-grant options at a lower exercise price (including entering into any "6 month and 1 day" cancellation and re-grant scheme), whether or not the cancelled options are put back into the available pool for grant; replace underwater options with restricted stock in an exchange, buy-back or other scheme; or replace any options with new options having a lower exercise price or accelerated vesting schedule in an exchange, buy-back or other scheme.

(b) Exercise of Option; Form of Consideration. The Administrator determines when options become exercisable, and may in its discretion, accelerate the vesting of any outstanding option. The means of payment for shares issued upon exercise of an option is specified in each option agreement. The

20

2000 Plan permits payment to be made by cash, check, promissory note, other shares of Common Stock of the Company (with some restrictions), cashless exercises, any other form of consideration permitted by applicable law, or any combination thereof.

(c) Term of Option. No stock option or stock appreciation right granted under the amended and restated 2000 Plan may have a term greater than seven years after the date of grant. The current 2000 Plan allows for the grant of options with a ten-year maximum term. In the case of an incentive stock option granted to a 10% shareholder, the term of the option may be no more than five (5) years from the date of grant. No option may be exercised after the expiration of its term.

(d) Termination of Service. The Administrator determines the length of the post-termination exercise period of a stock option. In the absence of a time specified in a participant's Award agreement, a participant may exercise the option within three months of such termination, to the extent that the option is vested on the date of termination, (but in no event later than the expiration of the term of such option as set forth in the option agreement), unless such participant's service relationship terminates due to the participant's death or disability, in which case the participant or the participant's estate or the person who acquires the right to exercise the option by bequest or inheritance may exercise the option, to the extent the option was vested on the date of termination, within 12 months from the date of such termination.

(e) Nontransferability of Options. Unless otherwise determined by the

Edgar Filing: SCANSOFT INC - Form PRE 14A

Administrator, options granted under the 2000 Plan are not transferable other than by will or the laws of descent and distribution, and may be exercised during the optionee's lifetime only by the optionee.

(f) Other Provisions. The stock option agreement may contain other terms, provisions and conditions not inconsistent with the 2000 Plan as may be determined by the Administrator.

Stock Purchase Rights

In the case of stock purchase rights, (i.e. rights to acquire restricted stock), unless the Administrator determines otherwise, the Award agreement will grant the Company a repurchase option exercisable upon the termination of the participant's service with the Company for any reason (including death or disability). The purchase price for shares repurchased pursuant to the restricted stock purchase agreement will generally be the original price paid by the purchaser and may be paid by cancellation of any indebtedness of the purchaser to the Company. The repurchase option will lapse at a rate determined by the Administrator.

Restricted Stock Units. If the stockholders approve this proposal, the Administrator will be able to grant restricted stock units under the 2000 Plan. Each restricted stock unit award will be evidenced by an Award agreement that will specify the period of restriction, the number of shares granted and all other terms and conditions as the Administrator may determine in its sole discretion, including, without limitation whatever conditions to vesting it determines to be appropriate. For example, the Administrator may set restrictions based on the achievement of specific performance goals. The Administrator will determine the number of shares granted pursuant to a restricted stock unit award, but as discussed above, the Administrator will not be permitted to grant more than 1,000,000 shares of Common Stock for issuance pursuant to Awards of restricted stock and restricted stock units.

Stock Appreciation Rights. If the stockholders approve this proposal, the Administrator will be able to grant stock appreciation rights either alone or in tandem with stock options. A stock appreciation right is the right to receive the appreciation in fair market value of common stock between the exercise date and the date of grant. The Company can pay the appreciation in either cash or shares of Common Stock. The Administrator will determine the exercise price of a stock appreciation right, which will be no less than 100% of the fair market value of the Common Stock on the date of grant, and the term of each stock appreciation right, which will not be greater than seven (7) years from the date of grant. Stock appreciation rights will become exercisable at the times and on the terms established by the Administrator, subject to the terms of the 2000 Plan. The Administrator will determine the number of shares granted to a service provider pursuant to a stock appreciation right, but as discussed above, the Administrator will not be permitted to grant to a service provider, in any fiscal year of the Company, more than 750,000 shares of Common Stock for issuance pursuant

21

to awards of stock appreciation rights. Notwithstanding this limit, however, in connection with such individual's initial employment with the Company, he or she may be granted stock appreciation rights to purchase up to an additional 750,000 shares of Common Stock.

After termination of service with the Company, a participant will be able to exercise the vested portion of his or her stock appreciation right for the period of time stated in the Award agreement. If no such period of time is stated in a participant's Award agreement, a participant will generally be able

Edgar Filing: SCANSOFT INC - Form PRE 14A

to exercise his or her stock appreciation right for (i) three months following his or her termination for reasons other than death or disability, and (ii) one year following his or her termination due to death or disability. In no event will a stock appreciation right be exercised later than the expiration of its term.

Adjustments Upon Changes in Capitalization

In the event that the stock of the Company changes by reason of any stock split, reverse stock split, stock dividend, combination, reclassification or other similar change in the capital structure of the Company effected without the receipt of consideration, appropriate adjustments will be made in the number and class of shares of Common Stock subject to the 2000 Plan, the number of shares of Common Stock that may be issued pursuant to Awards of restricted stock and restricted stock units, the maximum number of shares of Common Stock that may be issued to service providers in any fiscal year pursuant to Awards of stock options and stock appreciation rights, the number and class of shares of stock subject to any outstanding Award, and the exercise price of any such outstanding Award.

In the event of a liquidation or dissolution, any unexercised Award will terminate. The Administrator may, in its sole discretion, provide that each participant will have the right to exercise all or any part of the Award, including shares as to which the Award would not otherwise be exercisable.

In connection with any merger of the Company with or into another corporation or the sale of all or substantially all of the assets of the Company, each outstanding Award will be assumed or an equivalent Award substituted by the successor corporation. If the successor corporation refuses to assume the Awards or to substitute substantially equivalent Awards, the participant will have the right to exercise the option and stock appreciation right as to all of the shares subject to the Award, all restrictions on restricted stock will lapse, and all performance goals or other vesting requirements for restricted stock units will be deemed achieved, and all other terms and conditions met. In such event, the Administrator will notify the participant that the Award is fully exercisable for fifteen (15) days from the date of such notice and that the Award terminates upon expiration of such period.

Amendment and Termination of the Plan

The Board may amend, alter, suspend or terminate the 2000 Plan, or any part thereof, at any time and for any reason. However, the Company will obtain stockholder approval for any amendment to the 2000 Plan to the extent the Board determines it necessary and desirable to comply with applicable law. No such action by the Board or stockholders may alter or impair any Award previously granted under the 2000 Plan without the written consent of the participant. Unless terminated earlier, the 2000 Plan will terminate ten years from the date the 2000 Plan was originally adopted by the Board.

Plan Benefits

The amount and timing of Awards granted under the 2000 Plan are determined in the sole discretion of the Administrator and therefore cannot be determined in advance. The benefits or amounts that were received by, or allocated to, the CEO, the other Named Executive Officers, all current executive officers as a group, the current Directors of the Company who are not executive officers as a group, and all employees, including all current officers who are not executive officers, as a group under the 2000 Plan for 2003 and 2004 to date are represented below.

Federal Income Tax Consequences

Incentive Stock Options. An optionee who is granted an incentive stock option does not recognize taxable income at the time the option is granted or upon its exercise, although the exercise is an adjustment item for alternative minimum tax purposes and may subject the optionee to the alternative minimum tax. Upon a disposition of the shares more than two years after grant of the option and one year after exercise of the option, any gain or loss is treated as long-term capital gain or loss. If these holding periods are not satisfied, the optionee recognizes ordinary income at the time of disposition equal to the difference between the exercise price and the lower of (i) the fair market value

Edgar Filing: SCANSOFT INC - Form PRE 14A

of the shares at the date of the option exercise or (ii) the sale price of the shares. Any gain or loss recognized on such a premature disposition of the shares in excess of the amount treated as ordinary income is treated as long-term or short-term capital gain or loss, depending on the holding period. The Company is generally entitled to a deduction in the same amount as the ordinary income recognized by the optionee.

Nonstatutory Stock Options. An optionee does not recognize any taxable income at the time he or she is granted a nonstatutory stock option. Upon exercise, the optionee recognizes taxable income generally measured by the excess of the then fair market value of the shares over the exercise price. Any taxable income

23

recognized in connection with an option exercise by an employee of the Company is subject to tax withholding by the Company. The Company is generally entitled to a deduction in the same amount as the ordinary income recognized by the optionee. Upon a disposition of such shares by the optionee, any difference between the sale price and the optionee's exercise price, to the extent not recognized as taxable income as provided above, is treated as long-term or short-term capital gain or loss, depending on the holding period.

Stock Purchase Rights (i.e., Restricted Stock) and Restricted Stock Units. A participant generally will not have taxable income at the time an award of restricted stock and restricted stock units are granted. Instead, he or she will recognize ordinary income in the first taxable year in which his or her interest in the shares underlying the Award becomes either (i) freely transferable or (ii) no longer subject to substantial risk of forfeiture. However, a holder of a restricted stock award may elect to recognize income at the time he or she receives the award in an amount equal to the fair market value of the shares underlying the Award (less any cash paid for the shares) on the date the Award is granted.

Stock Appreciation Rights. No taxable income is reportable when a stock appreciation right is granted to a participant. Upon exercise, the participant will recognize ordinary income in an amount equal to the amount of cash received and the fair market value of any shares received. Any additional gain or loss recognized upon any later disposition of the shares would be capital gain or loss.

Tax Effect for the Company. The Company generally will be entitled to a tax deduction in connection with an Award under the 2000 Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income (for example, the exercise of a nonqualified stock option). Special rules limit the deductibility of compensation paid to the Company's Chief Executive Officer and to each of its four most highly compensated executive officers. Under Section 162(m) of the Internal Revenue Code, the annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000. However, the Company can preserve the deductibility of certain compensation in excess of \$1,000,000 if the conditions of Section 162(m) are met. These conditions include stockholder approval of the amended and restated 2000 Plan and setting limits on the number of options and stock appreciation rights that any individual may receive. The Incentive Plan has been designed to permit the Administrator to grant options and stock appreciation rights that qualify as performance-based for purposes of satisfying the conditions of Section 162(m), thereby permitting the Company to continue to receive a federal income tax deduction in connection with such Awards.

PROPOSAL 4

AMENDMENT OF THE SCANSOFT 1995 EMPLOYEE STOCK PURCHASE PLAN

The ScanSoft 1995 Employee Stock Purchase Plan (the "1995 ESPP") provides employees with an opportunity to purchase Common Stock through accumulated payroll deductions. Employees make such purchases by participation in regular offering periods from which they may withdraw at any time.

The Board has approved an amendment to the 1995 ESPP, subject to stockholder approval, to increase the number of shares authorized for issuance thereunder from 1,500,000 to 2,500,000. If the amendment is approved, Section 12 of the 1995 ESPP would read in its entirety as follows:

"The maximum number of shares of Common Stock which shall be made available for sale under the Plan shall be two million five hundred thousand (2,500,000) shares, subject to adjustment upon changes in capitalization of the Company as provided in Section 18." (Change shown in italics.)

The essential features of the 1995 ESPP are outlined below. The following summary of the principal provisions of the 1995 ESPP as proposed to be amended is qualified in its entirety by reference to the full text of the 1995 ESPP, which is included as Annex D hereto.

GENERAL

The 1995 ESPP is intended to qualify under the provisions of Section 423 of the Code, is not a qualified deferred compensation plan under Section 401(a) of the Code, and is not subject to the provisions of ERISA. A total of 1,500,000 shares are currently authorized to be issued under the 1995 ESPP. As of February 29, 2004, a total of 1,005,277 shares had been issued to employees under the 1995 ESPP, and 494,723 shares remained available for future issuance. The average per share issuance price for shares purchased by employees under the 1995 ESPP to date is approximately \$3.02. As of February 29, 2004, approximately 805 employees were eligible to participate in the 1995 ESPP.

PURPOSE

The purpose of the 1995 ESPP is to provide employees with an opportunity to purchase Common Stock through accumulated payroll deductions. Employees make such purchases by participation in regular offering periods from which they may withdraw at any time.

Edgar Filing: SCANSOFT INC - Form PRE 14A

ADMINISTRATION

The 1995 ESPP may be administered by the Board or a committee appointed by the Board. Currently the 1995 ESPP is administered by the Board. The ScanSoft board of directors or its committee has full power to adopt, amend and rescind any rules deemed desirable and appropriate for the administration of the 1995 ESPP, to construe and interpret the 1995 ESPP, and to make all other determinations necessary or advisable for the administration of the 1995 ESPP.

ELIGIBILITY

Any person who, on the first day of an offering period, is customarily employed by the Company for at least 20 hours per week and more than five months in any calendar year is eligible to participate in the 1995 ESPP.

OFFERING DATES

In general, the 1995 ESPP is implemented by a series of offering periods of 12 months duration, with new offering periods commencing on or about February 16 and August 16 of each year. Each offering period consists of two consecutive purchase periods of six months duration, with the last day of such period being designated a purchase date. The Board has the power to change the duration and frequency of the offering and purchase periods with respect to future offerings without stockholder approval if such change is announced at least fifteen days prior to the scheduled beginning of the first offering or purchase period to be affected.

25

PARTICIPATION IN THE PLAN

Eligible employees may participate in the 1995 ESPP by completing an enrollment form provided by ScanSoft and filing it with the Company prior to the applicable offering date, unless a later time for filing the enrollment form is set by the Company for all eligible employees with respect to a given offering. The enrollment form currently authorizes payroll deductions of not less than 1% and not more than 12% of the participant's eligible compensation on the date of the purchase.

PURCHASE PRICE

The purchase price per share sold under the 1995 ESPP is a price equal to the lower of 85% of the fair market value of the Common Stock at the beginning of the offering period or the purchase date. The fair market value is the per share closing price of the common stock on the NASDAQ National Market as of such date reported by NASDAQ.

PAYMENT OF PURCHASE PRICE; PAYROLL DEDUCTIONS

The purchase price of the shares is accumulated by payroll deductions during the offering period. The deductions may be up to 12% of a participant's eligible compensation received on each payday during the offering period. Eligible compensation is defined in the 1995 ESPP to include the regular straight time gross earnings excluding payments for overtime, shift premium, incentive compensation, bonuses and commissions. A participant may discontinue his or her participation in the 1995 ESPP at any time during the offering period prior to a purchase date, and may decrease the rate of his or her payroll deductions once during the offering period by completing and filing a new enrollment form. No interest accrues on the payroll deductions of a participant in the 1995 ESPP.

Edgar Filing: SCANSOFT INC - Form PRE 14A

PURCHASE OF STOCK; EXERCISE OF OPTION

By executing an enrollment form to participate in the 1995 ESPP, the participant is entitled to have shares placed under option. Unless the participant's participation is discontinued, each participant's option for the purchase of shares will be exercised automatically at the end of each purchase period at the applicable price. Notwithstanding the foregoing, no participant shall be permitted to subscribe for shares under the 1995 ESPP if immediately after the grant of the option he or she would own 5% or more of the voting power or value of all classes of the Company's stock or of any of the Company's subsidiaries (including stock which may be purchased under the 1995 ESPP or pursuant to any other options), nor shall any participant be granted an option which would permit the participant to buy pursuant to all of ScanSoft's employee stock purchase plans more than \$25,000 worth of stock determined at the fair market value of the shares at the time the option is granted) in any calendar year.

TERMINATION OF EMPLOYMENT

Upon termination of a participant's continuous status as an employee prior to the purchase date of an offering period for any reason, including retirement or death, he or she will be deemed to have elected to withdraw from the Plan and the contributions credited to his or her account but not yet used to exercise his or her option under the Plan will be returned to him or her.

NONTRANSFERABILITY

No rights or accumulated payroll deductions of a participant under the 1995 ESPP may be pledged, assigned or transferred for any reason.

AMENDMENT AND TERMINATION OF THE PLAN

The Board may at any time amend or terminate the 1995 ESPP, except that such termination shall not affect options previously granted.

26

CERTAIN FEDERAL INCOME TAX INFORMATION

The following brief summary of the effect of federal income taxation upon the participant and the Company with respect to the shares purchased under the 1995 ESPP does not purport to be complete, and does not discuss the tax consequences of a participant's death or the income tax laws of any state or foreign country in which the participant may reside.

The 1995 ESPP, and the right of participants to make purchases thereunder, is intended to qualify under the provisions of Sections 421 and 423 of the Code. Under these provisions, no income will be taxable to a participant until the shares purchased under the ScanSoft ESPP are sold or otherwise disposed of. Upon sale or other disposition of the shares, the participant will generally be subject to tax in an amount that depends upon the holding period. If the shares are sold or otherwise disposed of more than two years from the first day of the applicable offering period and one year from the applicable date of purchase, the participant will recognize ordinary income measured as the lesser of (a) the excess of the fair market value of the shares at the time of such sale or disposition over the purchase price, or (b) an amount equal to 15% of the fair market value of the shares as of the first day of the applicable offering period. Any additional gain will be treated as long-term capital gain. If the shares are sold or otherwise disposed of before the expiration of these holding periods, the participant will recognize ordinary income generally measured as the excess of the fair market value of the shares on the date the shares are

Edgar Filing: SCANSOFT INC - Form PRE 14A

purchased over the purchase price. Any additional gain or loss on such sale or disposition will be long-term or short-term capital gain or loss, depending on how long the shares have been held from the date of purchase. The Company generally is not entitled to a deduction for amounts taxed as ordinary income or capital gain to a participant except to the extent of ordinary income recognized by participants upon a sale or disposition of shares prior to the expiration of the holding periods described above.

VOTE REQUIRED; RECOMMENDATION OF THE BOARD

The affirmative vote of a majority of the Company's Common Stock present at the Annual Meeting in person or by proxy and entitled to vote is required to approve the amendment to the 1995 ESPP. Unless marked to the contrary, proxies received will be voted "FOR" approval of the 1995 Employee Stock Purchase Plan.

THE SCANSOFT BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SCANSOFT STOCKHOLDERS VOTE FOR THE PROPOSED AMENDMENT OF THE SCANSOFT 1995 EMPLOYEE STOCK PURCHASE PLAN.

PROPOSAL NUMBER 5

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has appointed PricewaterhouseCoopers LLP ("PwC") as independent auditors for the Company for the fiscal year ending December 31, 2004.

The stockholders are asked to ratify the appointment of PwC as independent auditors for the Company for the fiscal year ending December 31, 2004. A representative of PwC is expected to be present at the Annual Meeting to make a statement if he or she desires to do so, and such representative is expected to be available to respond to appropriate questions.

Although ratification by stockholders is not required by law, the Board is submitting the selection of PwC for ratification as a matter of good corporate governance. Should the stockholders fail to ratify the appointment of PwC as independent auditors, the Audit Committee will reconsider whether or not to retain PwC. Even if the selection is ratified, the Audit Committee may appoint new independent auditors at any time during the year if they believe that such a change would be in the best interests of the Company and its stockholders.

Unless marked to the contrary, proxies received will be voted "FOR" ratification of the designation of PricewaterhouseCoopers LLP as independent auditors for the Company's fiscal year ending December 31, 2004.

This category also consists of services that are normally provided by the independent auditors in connection with regulatory filings including consents, comfort letters and assistance with and review of documents filed with the Securities and Exchange Commission.

 - (2) **Audit Related:** This category consists primarily of due diligence related to acquisitions, audits in connection with acquisitions, accounting consultations and consultations concerning financial accounting and reporting standards and advisory services associated with the Sarbanes-Oxley Act of 2002.

 - (3) **Tax Fees:** This category consists of tax compliance, tax planning and tax advice including tax return preparation, refund claims, assistance with tax audits and appeals, advice related to mergers and acquisitions, and requests for rulings or technical advice from tax authorities. POLICY ON AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND PERMISSIBLE NON-AUDIT SERVICES OF INDEPENDENT AUDITORS

The Audit Committee pre-approves all audit and permissible non-audit services provided by the Company's independent auditors. On May 5, 2003, the Audit Committee approved the retention of PWC as the Company's independent auditors for 2003 and pre-approved certain audit services, audit-related services, tax and other services. Specifically, the Audit Committee pre-approved the Company's independent auditors working on (a) integrated projects with a budget no greater than \$50,000 and (b) non-project related, non-audit services with a budget no greater than \$15,000 per month for international services and \$20,000 per month for US services. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. During 2003, all services provided by the Company's independent auditors were pre-approved by the Audit Committee in accordance with this policy.

RECOMMENDATION OF THE BOARD

Unless marked to the contrary, proxies received will be voted "FOR" approval of the ratification of the appointment of PwC as independent auditors for the Company for the fiscal year ending December 31, 2004.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" RATIFICATION OF APPOINTMENT OF PWC AS THE COMPANY'S INDEPENDENT AUDITORS.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is responsible for providing an independent, objective review of the Company's accounting functions and internal controls. During the fiscal year ended Decem-

ber 31, 2003, the Audit Committee was comprised of Messrs. Frankenberg, Teresi and Myers, and was governed by a written charter first adopted and approved by the Board of Directors in June 2001, and as amended during fiscal 2003 on April 29, 2003. The Audit Committee met four times during the fiscal year ended December 31, 2003. Each of the members of the Audit Committee, other than Mr. Teresi, was independent based upon the independence standards adopted by the Board, which incorporate the independence requirements under applicable laws, rules and regulations. The Board of Directors has determined that Mr. Teresi is not "independent" by reason of the deferred payments he receives from the Company in connection with arrangements in place relating to the Company's acquisition of Caere. Under these arrangements, the Company paid Mr. Teresi \$1.0 million in cash on March 5, 2002, and agreed to make future cash payments totaling \$3.3 million, with such amounts payable in equal quarterly installments of approximately \$0.4 million over the following two years. During the year ended December 31, 2003, the Company paid four quarterly installments under this agreement totaling \$1,638,116. In addition, Mr. Teresi receives salary and benefit continuation pursuant to an Executive Compensation and Benefit Continuation Agreement assumed in connection with the Caere acquisition. This agreement provides for salary continuation benefits payable in our normal payroll cycle for a period of five years as well as continuation of medical insurance coverages for Mr. Teresi and qualified dependents for the same period. Benefits will continue through March 2005. The Board of Directors determined that exceptional and limited circumstances existed and Mr. Teresi's membership on the Audit Committee in fiscal 2003 was in the best interests of the Company and its stockholders due to Mr. Teresi's experience in the technology industry and his familiarity with the Company's business as the prior President and CEO of Caere, as well as Mr. Teresi's understanding of accounting and finance matters. The Board of Directors further determined that notwithstanding Mr. Teresi's interest in the deferred payments described above, Mr. Teresi would be able to exercise independent judgment and to perform his Audit Committee responsibilities in a fair and impartial manner.

In February 2004, the Board of Directors appointed Messrs. Robert Finch, Robert J. Frankenberg and Mark B. Myers to the Company's Audit Committee, each of whom is independent within the meaning of the listing standards of the NASDAQ Stock Market. The Audit Committee has met three times since our fiscal year end.

In connection with the Company's audited financial statements for the year ended December 31, 2003, the Audit Committee (1) reviewed and discussed the audited financial statements with management, (2) discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, and (3) received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 and discussed with the independent auditors the independent auditors' independence. The Audit Committee has considered and determined that the provision of the services other than audit services referenced above is compatible with maintenance of PwC's independence. Based upon these reviews and discussions, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the Securities and Exchange Commission.

On February 24, 2004, an Amended and Restated Audit Committee Charter was adopted by the Board of Directors governing the Audit Committee, a copy of which is attached to this proxy statement as Annex B.

- the time or times when Awards may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine;
- (vi) to construe and interpret the terms of the Plan and awards granted pursuant to the Plan;

All elections by a Participant to have Shares withheld for this purpose shall be made in such form and under such conditions as the Administrator may deem necessary or advisable;
 - (x) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator;
 - (xi) to allow a Participant to defer the receipt of payment of cash or the delivery of Shares that would otherwise be due to such Participant under an Award; or
 - (xii) to make all other determinations deemed necessary or advisable for administering the Plan.

(c) Effect of Administrator's Decision. The Administrator's decisions,

Edgar Filing: SCANSOFT INC - Form PRE 14A

determinations and interpretations shall be final and binding on all Participants and any other holders of Awards.

5. Eligibility. Nonstatutory Stock Options, Stock Purchase Rights, Stock Appreciation Rights, and Restricted Stock Units may be granted to Service Providers. Incentive Stock Options may be granted only to Employees.

6. Limitations.

(a) Each Option shall be designated in the Award Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Participant during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds \$100,000, such Options shall be treated as Nonstatutory Stock Options. For purposes of this Section 6(a), Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares shall be determined as of the time the Option with respect to such Shares is granted.

(b) The following limitations shall apply to grants of Options and Stock Appreciation Rights:

(i) No Service Provider shall be granted, in any Fiscal Year, Options or Stock Appreciation Rights covering more than 750,000 Shares.

(ii) In connection with his or her initial service, a Service Provider may be granted Options or Stock Appreciation Rights covering up to an additional 750,000 Shares, which shall not count against the limit set forth in subsection (i) above.

(iii) The foregoing limitations shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 14.

C-4

(iv) If an Option or Stock Appreciation Right is cancelled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 14), the cancelled Option or Stock Appreciation Right will be counted against the limits set forth in subsections (i) and (ii) above. For this purpose, if the exercise price of an Option or Stock Appreciation Right is reduced, the transaction will be treated as a cancellation of the Option or Stock Appreciation Right and the grant of a new Option or Stock Appreciation Right.

(c) The exercise price of any Option or SAR outstanding or to be granted in the future under the Plan shall not be reduced or cancelled and re-granted at a lower exercise price (including pursuant to any "6 month and 1 day" cancellation and re-grant scheme), regardless of whether or not the Shares subject to the cancelled Options or SARs are put back into the available pool for grant. In addition, the Administrator shall not replace underwater Options or SARs with restricted stock in an exchange, buy-back or other scheme. Moreover, the Administrator shall not replace any Options or SARs with new options or stock appreciation rights having a lower exercise price or accelerated vesting schedule in an exchange, buy-back or other scheme.

7. Term of Plan. Subject to Section 20 of the Plan, the Plan shall become effective upon its adoption by the Board. It shall continue in effect for a term of ten (10) years unless terminated earlier under Section 17 of the Plan.

Edgar Filing: SCANSOFT INC - Form PRE 14A

8. Stock Options

(a) Term of Option. The term of each Option shall be stated in the Award Agreement, but in no event shall the term of an Option be more than seven (7) years from the date of grant. Moreover, in the case of an Incentive Stock Option granted to a Participant who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option shall be five (5) years from the date of grant or such shorter term as may be provided in the Award Agreement.

(b) Option Exercise Price and Consideration.

(i) Exercise Price. The per Share exercise price for the Shares to be issued pursuant to the exercise of an Option shall be no less than 100% of the Fair Market Value per Share on the date of grant. In the case of an Incentive Stock Option granted to an Employee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(ii) Waiting Period and Exercise Dates. At the time an Option is granted, the Administrator shall fix the period within which the Option may be exercised and shall determine any conditions that must be satisfied before the Option may be exercised.

(iii) Form of Consideration. The Administrator shall determine the acceptable form of consideration for exercising an Option, including the method of payment. In the case of an Incentive Stock Option, the Administrator shall determine the acceptable form of consideration at the time of grant. Such consideration may consist entirely of:

(1) cash;

(2) check;

(3) promissory note;

(4) other Shares which (A) in the case of Shares acquired upon exercise of an option, have been owned by the Participant for more than six months on the date of surrender, and (B) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option shall be exercised;

(5) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan;

C-5

(6) a reduction in the amount of any Company liability to the Participant, including any liability attributable to the Participant's participation in any Company-sponsored deferred compensation program or arrangement;

(7) any combination of the foregoing methods of payment; or

(8) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

(c) Exercise of Option.

Edgar Filing: SCANSOFT INC - Form PRE 14A

(i) Procedure for Exercise; Rights as a Stockholder. Any Option granted hereunder shall be exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Administrator and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share.

a) An Option shall be deemed exercised when the Company receives: (i) written or electronic notice of exercise (in such form as the Administrator may specify from time to time) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised (together with any applicable withholding taxes). Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option shall be issued in the name of the Participant or, if requested by the Participant, in the name of the Participant and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 14 of the Plan.

b) Exercising an Option in any manner shall decrease the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(ii) Termination of Relationship as a Service Provider. If a Participant ceases to be a Service Provider, other than upon the Participant's death or Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option shall remain exercisable for three (3) months following the Participant's termination. If, on the date of termination, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(iii) Disability of Participant. If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within such period of time as is specified in the Award Agreement to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). In the absence of a specified time in the Award Agreement, the Option shall remain exercisable for twelve (12) months following the Participant's termination. If, on the date of termination, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(iv) Death of Participant. If a Participant dies while a Service Provider, the Option may be exercised following the Participant's death within such period of time as is specified in the Award Agreement (but in no

event may the Option be exercised later than the expiration of the term of such Option as set forth in the Award Agreement), by the Participant's estate or by a person who acquires the right to exercise the Option by bequest or inheritance, but only to the extent that the Option is vested on the date of death. In the absence of a specified time in the Award Agreement, the Option shall remain exercisable for twelve (12) months following the Participant's termination. If, at the time of death, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall immediately revert to the Plan. The Option may be exercised by the executor or administrator of the Participant's estate or, if none, by the person(s) entitled to exercise the Option under the Participant's will or the laws of descent or distribution. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(v) Buyout Provisions. The Administrator may at any time offer to buy out for a payment in cash or Shares an Option previously granted based on such terms and conditions as the Administrator shall establish and communicate to the Participant at the time that such offer is made.

9. Stock Purchase Rights.

(a) Rights to Purchase. Stock Purchase Rights may be issued either alone, in addition to, or in tandem with other Awards granted under the Plan and/or cash awards made outside of the Plan. After the Administrator determines that it will offer Stock Purchase Rights under the Plan, it shall advise the offeree in writing or electronically, of the terms, conditions and restrictions related to the offer, including the number of Shares that the offeree shall be entitled to purchase (subject to the limits set forth in Section 3), the price to be paid, and the time within which the offeree must accept such offer. The offer shall be accepted by execution of a Restricted Stock Purchase Agreement in the form determined by the Administrator.

(b) Repurchase Option. Unless the Administrator determines otherwise, the Restricted Stock Purchase Agreement shall grant the Company a repurchase option exercisable upon the voluntary or involuntary termination of the purchaser's service with the Company for any reason (including death or Disability). The purchase price for Shares repurchased pursuant to the Restricted Stock Purchase Agreement shall be the original price paid by the purchaser and may be paid by cancellation of any indebtedness of the purchaser to the Company. The repurchase option shall lapse at a rate determined by the Administrator.

(c) Other Provisions. The Restricted Stock Purchase Agreement shall contain such other terms, provisions and conditions not inconsistent with the Plan as may be determined by the Administrator in its sole discretion.

(d) Rights as a Stockholder. Once the Stock Purchase Right is exercised, the purchaser shall have the rights equivalent to those of a stockholder, and shall be a stockholder when his or her purchase is entered upon the records of the duly authorized transfer agent of the Company. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Stock Purchase Right is exercised, except as provided in Section 14 of the Plan.

10. Stock Appreciation Rights

(a) Grant of SARs. Subject to the terms and conditions of the Plan, an SAR may be granted to Service Providers at any time and from time to time as will be determined by the Administrator, in its sole discretion. The Administrator may

Edgar Filing: SCANSOFT INC - Form PRE 14A

grant Affiliated SARs, Freestanding SARs, Tandem SARs, or any combination thereof.

(b) Number of Shares. The Administrator will have complete discretion to determine the number of SARs granted to any Service Provider.

(c) Exercise Price and Other Terms. The Administrator, subject to the provisions of the Plan, will determine the terms and conditions of SARs granted under the Plan; provided, that, the exercise price of an SAR is at least 100% of the Fair Market Value of the Shares subject to the SAR; provided, further, the exercise price of Tandem or Affiliated SARs will equal the exercise price of the related Option.

C-7

(d) Exercise of Tandem SARs. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable. With respect to a Tandem SAR granted in connection with an Incentive Stock Option: (i) the Tandem SAR will expire no later than the expiration of the underlying Incentive Stock Option; (ii) the value of the payout with respect to the Tandem SAR will be for no more than one hundred percent (100%) of the difference between the exercise price of the underlying Incentive Stock Option and the Fair Market Value of the Shares subject to the underlying Incentive Stock Option at the time the Tandem SAR is exercised; and (iii) the Tandem SAR will be exercisable only when the Fair Market Value of the Shares subject to the Incentive Stock Option exceeds the Exercise Price of the Incentive Stock Option.

(e) Exercise of Affiliated SARs. An Affiliated SAR will be deemed to be exercised upon the exercise of the related Option. The deemed exercise of an Affiliated SAR will not necessitate a reduction in the number of Shares subject to the related Option.

(f) Exercise of Freestanding SARs. Freestanding SARs will be exercisable on such terms and conditions as the Administrator, in its sole discretion, will determine.

(g) SAR Agreement. Each SAR grant will be evidenced by an Award Agreement that will specify the exercise price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Administrator, in its sole discretion, will determine.

(h) Expiration of SARs. An SAR granted under the Plan will expire upon the date determined by the Administrator, in its sole discretion, and set forth in the Award Agreement. Notwithstanding the foregoing, the rules of Section 8(c) also will apply to SARs.

(i) Payment of SAR Amount. Upon exercise of an SAR, a Participant will be entitled to receive payment from the Company in an amount determined by multiplying:

(i) The difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times

(ii) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Administrator, the payment upon SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof.

11. Restricted Stock Units.

(a) Grant of Restricted Stock Units. Restricted Stock Units may be granted to Service Providers at any time and from time to time, as will be determined by the Administrator, in its sole discretion. The Administrator will have complete discretion in determining the number of Restricted Stock Units granted to each Participant, subject to the limits set forth in Section 3 of the Plan.

(b) Value of Restricted Stock Units. Each Restricted Stock Unit will have an initial value that is established by the Administrator on or before the date of grant.

(c) Performance Objectives and Other Terms. The Administrator will set performance objectives or other vesting provisions (including, without limitation, continued status as a Service Provider) in its discretion which, depending on the extent to which they are met, will determine the number or value of Restricted Stock Units that will be paid out to the Service Providers. The time period during which the performance objectives or other vesting provisions must be met will be called the "Performance Period." Each award of Restricted Stock Units will be evidenced by an Award Agreement that will specify the Performance Period, and such other terms and conditions as the Administrator, in its sole discretion, will determine. The Administrator may set performance objectives based upon the achievement of Company-wide, divisional, or individual goals, applicable federal or state securities laws, or any other basis determined by the Administrator in its discretion.

(d) Earning of Restricted Stock Units. After the applicable Performance Period has ended, the holder of Restricted Stock Units will be entitled to receive a payout of the number of Restricted Stock Units earned

C-8

by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance objectives or other vesting provisions have been achieved. After the grant of a Restricted Stock Units, the Administrator, in its sole discretion, may reduce or waive any performance objectives or other vesting provisions for such Restricted Stock Unit.

(e) Form and Timing of Payment of Restricted Stock Units. Payment of earned Restricted Stock Units will be made as soon as practicable after the expiration of the applicable Performance Period. The Administrator, in its sole discretion, may pay earned Restricted Stock Units in the form of cash, in Shares (which have an aggregate Fair Market Value equal to the value of the earned Restricted Stock Units at the close of the applicable Performance Period) or in a combination thereof.

(f) Cancellation of Restricted Stock Units. On the date set forth in the Award Agreement, all unearned or unvested Restricted Stock Units will be forfeited to the Company, and again will be available for grant under the Plan.

12. Leaves of Absence. Unless the Administrator provides otherwise, vesting of Awards granted hereunder will be suspended during any unpaid leave of absence. A Service Provider will not cease to be an Employee in the case of (i) any leave of absence approved by the Company or (ii) transfers between locations of the Company or between the Company, its Parent, or any Subsidiary. For purposes of Incentive Stock Options, no such leave may exceed ninety (90) days, unless reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, then three months following the 91st day of such leave any Incentive Stock Option held by the Participant will cease to be treated as an Incentive Stock Option and will be treated for tax purposes as a

Edgar Filing: SCANSOFT INC - Form PRE 14A

Nonstatutory Stock Option.

13. Non-Transferability of Awards. Unless determined otherwise by the Administrator, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Participant, only by the Participant. If the Administrator makes an Award transferable, such Award shall contain such additional terms and conditions as the Administrator deems appropriate.

14. Adjustments Upon Changes in Capitalization, Dissolution, Merger or Asset Sale.

(a) Changes in Capitalization. Subject to any required action by the stockholders of the Company, the number and class of Shares that may be delivered under the Plan and/or the number, class, and price of Shares covered by each outstanding Award, and the numerical Share limits in Sections 3 and 6 of the Plan, shall be proportionately adjusted for any increase or decrease in the number of issued Shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Shares, or any other increase or decrease in the number of issued Shares effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an Award.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for a Participant to have the right to exercise his or her Award until ten (10) days prior to such transaction as to all of the Optioned Stock covered thereby, including Shares as to which the Award would not otherwise be exercisable. In addition, the Administrator may provide that any Company repurchase option applicable to any Shares purchased upon exercise of an Award shall lapse as to all such Shares, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed action.

C-9

(c) Merger or Asset Sale. In the event of a merger of the Company with or into another corporation, or the sale of substantially all of the assets of the Company, each outstanding Award shall be assumed or an equivalent option or right substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Award, the Participant will fully vest in and have the right to exercise all of his or her outstanding Options and Stock Appreciation Rights, including Shares as to which such Awards would not otherwise be vested or exercisable, all restrictions on Restricted Stock will lapse, and, with respect to Restricted Stock Units, all performance goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met. In addition, if an Option or Stock Appreciation Right becomes fully vested and exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Administrator will notify the Participant in writing or electronically that the Option or Stock Appreciation Right will be fully vested and exercisable for a period of 15 days from the date

Edgar Filing: SCANSOFT INC - Form PRE 14A

of such notice, and the Option or Stock Appreciation Right will terminate upon the expiration of such period.

For the purposes of this paragraph, the Award shall be considered assumed if, following the merger or sale of assets, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the merger or sale of assets, the consideration (whether stock, cash, or other securities or property) or, in the case of a Stock Appreciation Right upon the exercise of which the Administrator determines to pay cash or a Restricted Stock Unit which the Administrator can determine to pay in cash, the fair market value of the consideration received in the merger or sale of assets by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or sale of assets is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of an Option or Stock Appreciation Right or upon the payout of a Restricted Stock Unit, for each Share subject to such Award (or in the case of Restricted Stock Units, the number of implied shares determined by dividing the value of the Restricted Stock Units by the per Share consideration received by holders of Common Stock in the merger or sale of assets), to be solely common stock of the successor corporation or its Parent equal in fair market value to the per Share consideration received by holders of Common Stock in the merger or sale of assets.

Notwithstanding anything in this Section 14(c) to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more performance goals will not be considered assumed if the Company or its successor modifies any of such performance goals without the Participant's consent; provided, however, a modification to such performance goals only to reflect the successor corporation's corporate structure post-merger or post-sale of assets will not be deemed to invalidate an otherwise valid Award assumption.

15. No Effect on Employment or Service. Neither the Plan nor any Award will confer upon a Participant any right with respect to continuing the Participant's relationship as a Service Provider with the Company, nor will they interfere in any way with the Participant's right or the Company's right to terminate such relationship at any time, with or without cause, to the extent permitted by Applicable Laws.

16. Date of Grant. The date of grant of an Award shall be, for all purposes, the date on which the Administrator makes the determination granting such Award, or such other later date as is determined by the Administrator. Notice of the determination shall be provided to each Participant within a reasonable time after the date of such grant.

17. Amendment and Termination of the Plan.

(a) Amendment and Termination. The Board may at any time amend, alter, suspend or terminate the Plan.

(b) Stockholder Approval. The Company shall obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) Effect of Amendment or Termination. No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Participant, unless mutually agreed otherwise between the Participant and

Edgar Filing: SCANSOFT INC - Form PRE 14A

the Administrator, which agreement must be in writing and signed by the Participant and the Company. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

18. Conditions Upon Issuance of Shares.

(a) Legal Compliance. Shares shall not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares shall comply with Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) Investment Representations. As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

19. Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

20. Stockholder Approval. The Plan shall be subject to approval by the stockholders of the Company within twelve (12) months after the date the Plan is adopted. Such stockholder approval shall be obtained in the manner and to the degree required under Applicable Laws.

Edgar Filing: SCANSOFT INC - Form PRE 14A

(a) Any person who is an Employee as of the Offering Date of a given Offering Period shall be eligible to participate in such Offering Period under the Plan, subject to the requirements of Section 5(a) hereof and the limitations imposed by Section 423(b) of the Code.

(b) Any provisions of the Plan to the contrary notwithstanding, no Employee shall be granted an option under the Plan (i) if, immediately after the grant, such Employee (or any other person whose stock would be attributed to such Employee pursuant to Section 424(d) of the Code) would own stock and/or hold outstanding options to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or of any Subsidiary, or (ii) if such option would permit his or her rights to purchase stock under all employee stock purchase plans (described in Section 423 of the Code) of the Company and its Subsidiaries to accrue at a rate which exceeds twenty-five thousand dollars (\$25,000) worth of stock (determined at the fair market value of such stock at the time such option is granted) for each calendar year in which such option is outstanding at any time.

4. Offering Periods. The Plan shall be implemented by a series of consecutive, overlapping Offering Periods, with a new Offering Period commencing on the first Trading Day on or after February 16 and August 16 of each year (or at such other time or times as may be determined by the Board), and continuing thereafter until terminated in accordance with Section 19 hereof. The Board shall have the power to change the duration and/or the frequency of Offering Periods (including the commencement dates thereof) with respect to future offerings without stockholder approval if such change is announced at least fifteen (15) days prior to the scheduled beginning of the first Offering Period to be affected thereafter. Eligible Employees may not participate in more than one Offering Period at a time.

5. Participation.

(a) An Employee who is eligible to participate in the Plan pursuant to Section 3 hereof may become a participant in the Plan by completing an enrollment form provided by the Company for such purpose and filing it with the Company's payroll office prior to the applicable Offering Date, unless a later time for filing the enrollment form is set by the Board for all eligible Employees with respect to a given Offering Period.

(b) Payroll deductions for a participant shall commence on the first payroll paid following the Offering Date and shall end on the last payroll paid in the Offering Period to which the enrollment form is applicable, unless sooner terminated by the participant as provided in Section 10 hereof.

6. Method of Payment of Contributions.

(a) At the time a participant files his or her enrollment form as provided in Section 5 hereof, he or she shall elect to have payroll deductions made on each payday during the Offering Period in an amount not less than one percent (1%) and not more than twelve percent (12%) of such participant's Compensation on each such payday. All payroll deductions made for a participant shall be credited to his or her account under the Plan and shall be withheld in whole percentages only. A participant may not make any additional payments into such account.

(b) A participant may discontinue his or her participation in the Plan as provided in Section 10 hereof, or, on one occasion only during the Offering Period, may decrease the rate of his or her Contributions during the Offering Period by completing and filing with the Company a new enrollment form authorizing the decrease in Contribution rate. The change in rate shall be effective as of the beginning of the next calendar month following the date of

Edgar Filing: SCANSOFT INC - Form PRE 14A

the Company's receipt of the new enrollment form, if the form is received at least ten (10) business days prior to such date and, if not, as of the beginning of the next succeeding calendar

D-2

month. A participant's enrollment form shall remain in effect for successive Offering Periods unless terminated as provided in Section 10 hereof.

(c) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3(b) hereof, a participant's Contributions may be decreased to zero percent (0%) at any time during a Offering Period. Contributions shall recommence at the rate provided in such participant's enrollment form at the beginning of the first Purchase Period which is scheduled to end in the following calendar year, unless terminated by the participant as provided in Section 10 hereof.

(d) At the time the option is exercised, in whole or in part, or at the time some or all of the Common Stock issued under the Plan is disposed of, the participant must make adequate provision for the Company's federal, state, or other tax withholding obligations, if any, which arise upon the exercise of the option or the disposition of the Common Stock. At any time, the Company may, but shall not be obligated to, withhold from the participant's compensation the amount necessary for the Company to meet applicable withholding obligations, including any withholding required to make available to the Company any tax deductions or benefits attributable to the sale or early disposition of Common Stock by the participant.

7. Grant of Option.

(a) On the Offering Date of each Offering Period, each eligible Employee participating in such Offering Period shall be granted an option to purchase on each Purchase Date during such Offering Period a number of shares of Common Stock determined by dividing such participant's Contributions accumulated prior to such Purchase Date and retained in the participant's account as of the Purchase Date by the purchase price specified in Section 7(b) below; provided, however, that the maximum number of shares a participant may purchase during each Purchase Period shall be two thousand (2,000) shares (subject to any adjustment pursuant to Section 18 hereof), and provided further that such purchase shall be subject to the limitations set forth in Sections 3(b) and 13 hereof. The Board may, for future Offering Periods, increase or decrease, in its absolute discretion, the maximum number of shares of Common Stock that a participant may purchase during each Purchase Period of such Offering Period. Exercise of the option shall occur as provided in Section 8 hereof, unless the participant has withdrawn pursuant to Section 10 hereof. The option shall expire on the last day of the Offering Period.

(b) The purchase price per share of Common Stock covered by each option granted under the Plan shall be the lower of: (i) eighty-five percent (85%) of the fair market value of a share of Common Stock on the Offering Date; or (ii) eighty-five percent (85%) of the fair market value of a share of Common Stock on the Purchase Date. The fair market value of the Common Stock on a given date shall be determined by the Board in its discretion based on the closing price of the Common Stock for such date (or, in the event that the Common Stock is not traded on such date, on the immediately preceding trading date), as reported by The Nasdaq National Market ("Nasdaq") or, if such price is not reported, the mean of the bid and asked prices per share of the Common Stock as reported by Nasdaq or, in the event the Common Stock is listed on a stock exchange, the fair market value per share shall be the closing price on such exchange on such date (or, in the event that the Common Stock is not traded on such date, on the immediately preceding trading date), as reported in The Wall Street Journal.

8. Exercise of Option.

(a) Unless a participant withdraws from the Plan as provided in Section 10 hereof, his or her option for the purchase of shares of Common Stock will be exercised automatically on each Purchase Date of an Offering Period, and the maximum number of full shares subject to the option will be purchased for such participant at the applicable purchase price specified in Section 7(b) hereof with the accumulated Contributions in his or her account. The shares purchased upon exercise of an option hereunder shall be deemed to be transferred to the participant on the Purchase Date. No fractional shares of Common Stock shall be purchased; any Contributions accumulated in a participant's account that are not sufficient to purchase a full share shall be retained in the participant's account for the subsequent Purchase Period or Offering Period, subject to earlier withdrawal by the participant as provided in Section 10 hereof. Any other cash remaining to the credit of a participant's account under the Plan after the Purchase Date shall be

D-3

returned to said participant. During his or her lifetime, a participant's option to purchase shares hereunder is exercisable only by him or her.

(b) If the Board determines that, on a given Purchase Date, the number of shares with respect to which options are to be exercised may exceed (i) the number of shares of Common Stock that were available for sale under the Plan on the Offering Date of the applicable Offering Period, or (ii) the number of shares available for sale under the Plan on such Purchase Date, the Board may in its sole discretion (x) provide that the Company shall make a pro rata allocation of the shares of Common Stock available for purchase on such Offering Date or Purchase Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Purchase Date, and continue all Offering Period then in effect, or (y) provide that the Company shall make a pro rata allocation of the shares available for purchase on such Offering Date or Purchase Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Purchase Date, and terminate any or all Offering Periods then in effect pursuant to Section 19 hereof. The Company may make pro rata allocation of the shares available on the Offering Date of any applicable Offering Period pursuant to the preceding sentence, notwithstanding any authorization of additional shares for issuance under the Plan by the Company's shareholders subsequent to such Offering Date.

9. Delivery. As promptly as practicable following each Purchase Date on which a purchase of shares of Common Stock occurs, the Company shall arrange the delivery to each participant, as appropriate, of a certificate representing the shares purchased upon exercise of his or her option. If permitted by the Company, the shares will be electronically delivered to a brokerage account for the benefit of the participant.

10. Voluntary Withdrawal; Termination of Employment.

(a) A participant may withdraw all but not less than all the Contributions credited to his or her account and not yet used to exercise his or her option under the Plan at any time prior to each Purchase Date by giving written notice to the Company. All of the participant's Contributions credited to his or her account will be paid to him or her promptly after the Company's receipt of his or her notice of withdrawal and his or her option for the Offering Period will be automatically terminated, and no further Contributions for the purchase of

Edgar Filing: SCANSOFT INC - Form PRE 14A

shares will be made during the Offering Period. If a participant withdraws from an Offering Period, Contributions shall not resume at the beginning of the succeeding Offering Period unless the participant files a new enrollment form in accordance with Section 5 hereof.

(b) Upon termination of a participant's Continuous Status as an Employee prior to the Purchase Date of an Offering Period for any reason, including retirement or death, he or she will be deemed to have elected to withdraw from the Plan and the Contributions credited to his or her account but not yet used to exercise his or her option under the Plan will be returned to him or her or, in the case of his or her death, to the person or persons entitled thereto under Section 14 hereof, and his or her option will be automatically terminated.

(c) In the event an Employee fails to remain in Continuous Status as an Employee for at least twenty (20) hours per week during the Offering Period in which the Employee is a participant, he or she will be deemed to have elected to withdraw from the Plan and the Contributions credited to his or her account but not yet used to exercise his or her option under the Plan will be returned to him or her, and his or her option will be automatically terminated.

(d) A participant's withdrawal from an Offering Period will not have any effect upon his or her eligibility to participate in a succeeding Offering Period that commences after the termination of the Offering Period from which the participant withdraws or in any similar plan which may hereafter be adopted by the Company.

11. Interest. No interest shall accrue on the Contributions of a participant in the Plan.

12. Stock.

(a) The maximum number of shares of Common Stock which shall be made available for sale under the Plan shall be two million five hundred thousand (2,500,000) shares, subject to adjustment upon changes in the capitalization of the Company as provided in Section 18 hereof. If the total number of shares which would

D-4

otherwise be subject to options granted pursuant to Section 7(a) hereof on the Offering Date of an Offering Period exceeds the number of shares then available under the Plan (after deduction of all shares for which options have been exercised or are then outstanding), the Company shall make a pro rata allocation of the shares remaining available for option grant in as uniform a manner as shall be practicable and as it shall determine to be equitable. In such event, the Company shall give written notice of such reduction of the number of shares subject to the option to each Employee affected thereby and shall similarly reduce the rate of Contributions, if necessary.

(b) The participant will have no right to vote or receive dividends or any other rights as a shareholder of the Company with respect to the shares covered by his or her option until such option has been exercised and certificates representing such shares have been issued, recorded on the records of the Company or its transfer agents or registrars, and delivered to the participant as provided in Section 9 hereof.

(c) Shares to be delivered to a participant under the Plan will be registered in the name of the participant or in the name of the participant and his or her spouse.

13. Administration. The Board, or a committee named by the Board, shall supervise and administer the Plan, and shall have full and exclusive

Edgar Filing: SCANSOFT INC - Form PRE 14A

discretionary power to adopt, amend and rescind any rules deemed desirable and appropriate for the administration of the Plan and not inconsistent with the Plan, to construe, interpret and apply the terms of the Plan, to determine eligibility and to adjudicate all disputed claims filed under the Plan, and to make all other determinations necessary or advisable for the administration of the Plan. Every finding, decision and determination made by the Board or its committee shall, to the fullest extent permitted by law, be final and binding upon all parties.

14. Designation of Beneficiary.

(a) A participant may file a written designation of a beneficiary who is to receive any shares and cash, if any, from the participant's account under the Plan in the event of such participant's death subsequent to a Purchase Date on which the option is exercised but prior to delivery to him or her of such shares and cash. In addition, a participant may file a written designation of a beneficiary who is to receive any cash from the participant's account under the Plan in the event of such participant's death prior to the exercise of the option. If a participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective.

(b) Such designation of beneficiary may be changed by the participant (and his or her spouse, if any) at any time by written notice. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares and/or cash to the spouse or to any one or more dependents or relatives of the participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

15. Transferability. Neither Contributions credited to a participant's account nor any rights with regard to the exercise of an option or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution, or as provided in Section 14 hereof) by the participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds from an Offering Period in accordance with Section 10 hereof.

16. Use of Funds. All Contributions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such Contributions.

17. Reports. Individual accounts will be maintained for each participant in the Plan. Statements of account will be given to participating Employees promptly following the Purchase Date, which statements will

set forth the amounts of Contributions, the purchase price per share, the number of shares purchased and the remaining cash balance, if any.

18. Adjustments Upon Changes in Capitalization; Corporate Transactions.

(a) Changes in Capitalization. Subject to any required action by the stockholders of the Company, the number of shares of Common Stock covered by each option under the Plan which has not yet been exercised and the number of shares of Common Stock which have been authorized for issuance under the Plan

but have not yet been placed under option (collectively, the "Reserves"), as well as the purchase price per share and the number of shares of Common Stock covered by each option under the Plan which has not yet been exercised and the maximum number of shares each participant may purchase during each [Purchase] Period (pursuant to Section 7 hereof), shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an option.

(b) Corporate Transactions. In the event of the proposed dissolution or liquidation of the Company, the Offering Period then in progress will terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the Board. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, each outstanding option under the Plan shall be assumed or an equivalent option shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless the Board determines, in the exercise of its sole discretion and in lieu of such assumption or substitution, to shorten the Offering Period then in progress by setting a new Purchase Date (the "New Purchase Date"). If the Board shortens the Offering Period then in progress in lieu of assumption or substitution in the event of a merger or sale of assets, the Board shall notify each participant in writing, at least ten (10) days prior to the New Purchase Date, that the Purchase Date for his or her option has been changed to the New Purchase Date, and that his or her option will be exercised automatically on the New Purchase Date, unless prior to such date he or she has withdrawn from the Offering Period as provided in Section 10 hereof. For purposes of this paragraph, an option granted under the Plan shall be deemed to be assumed if, following the sale of assets or merger, the option confers the right to purchase, for each share of option stock subject to the option immediately prior to the sale of assets or merger, the consideration (whether stock, cash or other securities or property) received in the sale of assets or merger by holders of Common Stock for each share of Common Stock held on the effective date of the transaction (and if such holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares of Common Stock); provided, however, that if such consideration received in the sale of assets or merger was not solely common stock of the successor corporation or its parent (as defined in Section 424(e) of the Code), the Board may, with the consent of the successor corporation and the participant, provide for the consideration to be received upon exercise of the option to be solely common stock of the successor corporation or its parent equal in fair market value to the per share consideration received by holders of Common Stock and the sale of assets or merger. The Board may, if it so determines in the exercise of its sole discretion, also make provision for adjusting the Reserves, as well as the purchase price per share of Common Stock covered by each outstanding option, in the event that the Company effects one or more reorganizations, recapitalizations, rights offerings or other increases or reductions of shares of its outstanding Common Stock, and in the event of the Company being consolidated with or merged into any other corporation.

19. Amendment or Termination.

(a) The Board may at any time and for any reason terminate or amend the Plan. Except as provided in Section 18 and this Section 19 hereof, no such termination may affect options previously granted, nor may an amendment make any change in any option theretofore granted which adversely affects the rights of any participant. In addition, to the extent necessary to comply with Section 423 of the Code (or any successor rule or provision or any applicable law or regulation), the Company shall obtain stockholder approval in such a manner and to such a degree as so required.

(b) Without stockholder consent and without regard to whether any participant rights may be considered to have been "adversely affected," the Board (or its committee) shall be entitled to change the Offering Periods, limit the frequency and/or number of changes in the amount withheld during an Offering Period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit payroll withholding in excess of the amount designated by a participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each participant properly correspond with amounts withheld from the participant's Compensation, and establish such other limitations or procedures as the Board (or its committee) determines in its sole discretion advisable which are consistent with the Plan.

(c) In the event the Board determines that the ongoing operation of the Plan may result in unfavorable financial accounting consequences, the Board may, in its discretion and, to the extent necessary or desirable, modify or amend the Plan to reduce or eliminate such accounting consequence including, but not limited to:

(i) altering the purchase price per share of the shares offered in any Offering Period including an Offering Period underway at the time of the change in purchase price;

(ii) shortening any Offering Period so that Offering Period ends on a new Purchase Date, including an Offering Period underway at the time of the Board action; and

(iii) allocating shares.

Such modifications or amendments shall not require stockholder approval or the consent of any Plan participants.

20. Notices. All notices or other communications by a participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

21. Conditions Upon Issuance of Shares. Shares of Common Stock shall not be issued with respect to an option under the Plan unless the exercise of such option and the issuance and delivery of such shares pursuant thereto shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, and the requirements of any stock exchange upon which the shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance. As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the

opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

22. No Effect on Employment. Nothing in the Plan shall be deemed to give any Employee the right to be retained in the employ of any Employer or to interfere with the right of the Employer to discharge the Employee at any time.

23. Term of Plan; Effective Date. The Plan shall become effective upon the earlier to occur of its adoption by the Board or its approval by the stockholders of the Company. It shall continue in effect for a term of twenty (20) years unless sooner terminated under Section 19 hereof.
