PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Cognex Corporation (the Corporation) for use at the Special Meeting in Lieu of the 2005 Annual Meeting of Shareholders to be held on Thursday, April 21, 2005, at the time and place set forth in the accompanying notice of the meeting, and at any adjournments or postponements thereof. This Proxy Statement is first being sent to shareholders on or about March 16, 2005.

If the enclosed proxy is properly executed and returned, it will be voted in the manner directed by the shareholder. If no instructions are specified with respect to any particular matter to be acted upon, proxies will be voted in favor thereof. Any person giving the enclosed form of proxy has the power to revoke it by voting in person at the meeting, by giving written notice of revocation to the Secretary of the Corporation at any time before the proxy is exercised, or by filing a duly executed proxy bearing a later date. Any shareholder of record as of the record date attending the meeting may vote in person whether or not a proxy has been previously given, but the presence (without further action) of a shareholder at the meeting will not constitute revocation of a previously given proxy.

The Corporation's principal executive offices are located at One Vision Drive, Natick, Massachusetts 01760, telephone number (508) 650-3000.

VOTING AND QUORUM

The holders of a majority in interest of all common stock, par value \$.002 per share (Common Stock), issued, outstanding and entitled to vote are required to be present in person or be represented by proxy at the meeting in order to constitute a quorum for the transaction of business. The election of a nominee for Director will be decided by a plurality of the votes cast. Votes may be cast for or withheld from each nominee. Both abstentions and broker

non-votes (that is, shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter) are counted as present for the purposes of determining the existence of a quorum for the transaction of business. However, for purposes of determining the number of shares voting on a particular proposal, abstentions and broker non-votes are not counted as votes cast or shares voting.

RECORD DATE AND VOTING SECURITIES

Only shareholders of record at the close of business on March 4, 2005 (the Record Date), are entitled to receive notice of and to vote at the meeting. As of the close of business on the Record Date, there were 46,279,609 shares of Common Stock outstanding and entitled to vote. Each outstanding share of the Corporation's Common Stock entitles the record holder to one vote.

ELECTION OF DIRECTORS

The Board of Directors currently consists of six directors. The Board of Directors is divided into three classes, with one class being elected each year for a term of three years. It is proposed that Robert J. Shillman and Jerald Fishman, whose terms expire at this meeting, be elected to serve terms of three years and in each case until their successors are duly elected and qualified or until they sooner die, resign or are removed.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF ROBERT J. SHILLMAN AND JERALD FISHMAN.

The persons named in the accompanying proxy will vote, unless authority is withheld, for the election of the nominees named above. The Board of Directors anticipates that each of the nominees, if elected, will serve as a director. If any nominee is unable to accept election, the persons named in the accompanying proxy will vote for such substitute as the Board of Directors may recommend. Should the Board of Directors not recommend a substitute for any nominee, the proxy will be voted for the election of the remaining nominee. There are no family relationships between any Director and executive officer of the Corporation or its subsidiaries.

COMMITTEES OF THE BOARD OF DIRECTORS

Compensation/Stock Option Committee

The Board of Directors has a Compensation/ Stock Option Committee whose members are Reuben Wasserman and Jerald Fishman, Chairman. Each member of the Compensation/ Stock Option Committee is independent as such term is defined in the applicable listing standards of the National Association of Securities Dealers. The Compensation/ Stock Option Committee determines the compensation to be paid to key officers of the Corporation and administers the Corporation's stock option plans. The Compensation/ Stock Option Committee met five times in fiscal 2004.

Audit Committee

The Corporation also has an Audit Committee whose members are Reuben Wasserman, Jerald Fishman and William Krivsky, Chairman. For fiscal 2004, among other functions, the Audit Committee reviewed with the Corporation's independent auditors the scope of the audit for the year, the results of the audit when completed and the independent auditors' fees for services performed. The Audit Committee also appointed the independent auditors and reviewed with management various matters related to the Corporation's internal controls. Under the written charter of the Audit Committee, which was attached as Appendix A to the Corporation's Proxy Statement filed with the Securities and Exchange Commission (the Commission) on March 17, 2004, and is available on the Corporation's website at www.cognex.com, the Audit Committee also determined funding for the independent auditors and pre-approved all audit and permitted non-audit services. During fiscal 2004, the Audit Committee held eight meetings. Each member of the Audit Committee is independent as such term is defined in the applicable listing standards of the National Association of Securities Dealers and the rules of the Commission. The Board of Directors has also determined that William Krivsky qualifies as an audit committee financial expert under the rules of the Commission.

Nominating Committee

The Corporation also has a Nominating Committee whose members are William Krivsky, Reuben Wasserman and Jerald Fishman, Chairman. Each member of the Nominating Committee is independent as such term is defined in the applicable listing standards of the National Association of Securities Dealers. Under the written charter of the Nominating Committee, which was attached as Appendix B to the Corporation's Proxy Statement filed with the Commission on March 17, 2004, and is available on the Corporation's website at www.cognex.com, the Nominating Committee is responsible for identifying individu-

als qualified to serve as members of the Board and recommending to the Board nominees for election at each annual meeting of shareholders and when vacancies in the Board occur for any reason. During fiscal 2004, there was one meeting of the Nominating Committee.

When considering a potential candidate for membership on the Board of Directors, the Nominating Committee will consider any criteria it deems appropriate, including, among other things, the experience and qualifications of any particular candidate as well as such candidate's past or anticipated contributions to the Board and its committees. At a minimum, each nominee is expected to have high personal and professional integrity and demonstrated ability and judgment, and to be effective, with the other Directors, in collectively serving the long-term interests of the shareholders. In addition to the minimum qualifications set forth for each nominee above, when considering potential candidates for the Board of Directors, the Nominating Committee seeks to ensure that the Board of Directors is comprised of a majority of independent directors and that the committees of the Board of Directors are comprised entirely of independent directors. The Nominating Committee may also consider any other standards that it deems appropriate, including whether a potential candidate has direct experience in the industry or markets in which the Corporation operates and whether such candidate, if elected, would assist in achieving a mix of directors that represents a diversity of background and experience. In practice, the Nominating Committee generally will evaluate and consider all candidates recommended by the Directors, officers and shareholders of the Corporation. The Nominating Committee intends to consider shareholder recommendations for Directors using the same criteria as potential nominees recommended by the members of the Nominating Committee or others.

In February 2005, the Nominating Committee met and recommended Robert J. Shillman and Jerald Fishman as nominees for election at this year's meeting. The Nominating Committee did not receive any shareholder nominees for election as Director with respect to the meeting.

Shareholders who wish to submit Director candidates for consideration should send such recommendations to the Secretary of the Corporation at the Corporation's executive offices not less than 120 calendar days prior to the date on which the Corporation's proxy statement for the prior year was released. Such recommendations must include: (i) the name and address of record of the shareholder, (ii) a representation that the shareholder is a record holder of the Corporation's Common Stock, or if the shareholder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Securities Exchange Act of 1934, as amended (the Exchange Act), (iii) the name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five full fiscal years of the proposed Director candidate, (iv) a description of the qualifications of the proposed Director candidate which addresses the minimum qualifications described above, (v) a description of all arrangements or understandings between the shareholder and the proposed Director candidate, and (vi) the consent of the proposed Director candidate to be named in the proxy statement and to serve as a Director if elected at such meeting. Shareholders must also submit any other information regarding the proposed Director candidate that is required to be included in a proxy statement filed pursuant to the rules of the Commission. See also the information under Deadlines for Submission of Shareholder Proposals.

COMPENSATION/ STOCK OPTION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Corporation's executive compensation program is administered by the Compensation/ Stock Option Committee (the Committee), which determines executive officer compensation annually. The Committee is composed of independent directors who are not employees of the Corporation and its determinations with respect to compensation for a fiscal year are generally made at the beginning of the fiscal year.

In its deliberations, the Committee considers (i) the levels of responsibility associated with each executive's position, (ii) the past performance of the individual executive, (iii) the extent to which any individual, departmental or Corporation-wide goals have been met, (iv) the overall competitive environment and the level of compensation necessary to attract and retain talented and motivated individuals in key positions, and (v) the recommendations of appropriate officers of the Corporation.

The Corporation's compensation program utilizes a combination of base salaries, annual bonuses and stock option awards.

In determining the base salaries paid to the Corporation's executive officers for the year ended December 31, 2004, the Committee considered, in particular, their levels of responsibility, salary increases awarded in the past, and the executive's experience and potential.

The Committee views annual bonuses as a vehicle for rewarding executives for meeting performance objectives. The Committee establishes individual and corporate performance targets each year. Executive officers are eligible to receive annual cash bonuses upon achievement of such predetermined performance targets. The annual bonuses for the fiscal year ended December 31, 2004, reflect the achievement of predetermined targets related to the Corporation's operating income, other company metrics and individual goals. The annual bonuses were paid in February 2005.

The Corporation's stock option program is intended to reward the participating executives for their efforts in building shareholder value and improving corporate performance over the long term. The stock option program also promotes the retention of talented executives. In determining the number of options granted to executive officers, the Committee takes into consideration options granted to such executives in previous years and the potential value which may be realized upon exercise of the options as a result of appreciation of the Corporation's stock during the option term.

The Internal Revenue Code limits the deduction a public company is permitted for compensation paid to the chief executive officer and to the four most highly compensated executive officers, other than the chief executive officer. Generally, amounts paid in excess of \$1 million to a covered executive, other than performance-based compensation, cannot be deducted. In order to qualify as performance-based compensation under the tax law, certain requirements must be met, including approval of the performance measures by shareholders. In its deliberations, the Committee considers ways to maximize deductibility of executive compensation, while retaining the discretion the Committee considers appropriate to compensate executive officers at levels commensurate with their responsibilities and achievements.

Compensation of Robert J. Shillman, Chief Executive Officer and Chairman

The Committee established the compensation of Robert J. Shillman, the Chief Executive Officer and Chairman of the Board of Directors of the Corporation, for the fiscal year ended December 31, 2004, using the same criteria that were used to determine the compensation of other executive officers as described above. In establishing Dr. Shillman's compensation for the fiscal year ended December 31, 2004, the Committee considered his level of responsibility, salary increases awarded in the past, and the significant role that Dr. Shillman has played in setting the strategic direction of the Corporation. Dr. Shillman elected to forgo

both his base compensation for 2004 of \$350,000, which represented an increase of approximately 7.7% over 2003, as well as his annual bonus of \$336,000. Dr. Shillman was granted options to purchase 115,000 shares of Common Stock at \$31.94 per share on February 25, 2004, and options to purchase 5,000 shares of Common Stock at \$29.35 per share on July 22, 2004.

The foregoing report has been approved by all members of the Committee.

On June 30, 2000, the Corporation became a Limited Partner in Venrock Associates III L.P. (Venrock), a venture capital fund. The loan must be repaid upon the termination of Mr. Hoffmaster's employment, unless the Corporation terminates Mr. Hoffmaster's employment for any reason other than cause, in which case the unpaid balance shall be forgiven. The largest aggregate amount outstanding under the loan during fiscal 2004 was \$192,788. The amount outstanding as of February 27, 2005, was \$17,725.

INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has not yet appointed independent auditors to examine the consolidated financial statements of the Corporation and its subsidiaries for the fiscal year ended December 31, 2005. Ernst & Young LLP (Ernst & Young) served as the Company's independent auditors for fiscal year 2004. A representative of Ernst & Young is expected to be present at the meeting and will have the opportunity to make a statement if he or she so desires and to respond to appropriate questions.

On June 5, 2003, the Audit Committee unanimously agreed to dismiss PricewaterhouseCoopers LLP (PWC) and engage Ernst & Young as the principal independent auditor for the Corporation. The report of PWC on the financial statements of the Corporation for the years ended December 31, 2002 and 2001, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. In

addition, there were no disagreements with PWC during the Corporation's fiscal years ended December 31, 2002 and 2001, and the subsequent interim period through June 5, 2003, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PWC, would have caused PWC to make reference to the subject matter of the disagreements in connection with its reports. None of the reportable events described in Item 304(a)(1)(v) of Regulation S-K occurred during the fiscal years ended December 31, 2002 and 2001, or the subsequent interim period through June 5, 2003.

During the fiscal years ended December 31, 2002 and 2001, and the subsequent interim period through June 5, 2003, the Corporation did not consult with Ernst & Young regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the Corporation's financial statements, and neither a written report was provided to the Corporation nor oral advice provided that Ernst & Young concluded was an important factor considered by the Corporation in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions, or a reportable event, as that term is described in Item 304(a)(1)(v) of Regulation S-K.

Representatives of PWC are not expected to be present at the meeting.

The aggregate fees charged or expected to be charged by Ernst & Young for services rendered in auditing the Corporation's annual financial statements for the most recent fiscal year and reviewing the financial statements included in the Corporation's quarterly reports on Form 10-Q for the most recent fiscal year, as well as the fees charged or expected to be charged by Ernst & Young for other professional services rendered during the most recent fiscal year are as follows:

The aggregate fees charged by Ernst & Young for services rendered in auditing the Corporation's annual financial statements for 2003 and reviewing the financial statements included in the Corporation's quarterly reports on Form 10-Q for the second and third quarters of 2003, as well as the fees charged by Ernst & Young for other professional services rendered during the 2003 fiscal year are as follows:

Pre-approval Policies

The Audit Committee pre-approves all auditing services and the terms of such services and non-audit services provided by the Corporation's independent auditors, but only to the extent that the non-audit services are not prohibited under applicable law and the Audit Committee reasonably determines that the non-audit services do not impair the independence of the independent auditors. The authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision.

The pre-approval requirement is waived with respect to the provision of non-audit services for the Corporation if (i) the aggregate amount of all such non-audit services provided to the Corporation constitutes not more than 5% of the total amount of revenues paid by the Corporation to its independent auditors during the fiscal year in which such non-audit services were provided, (ii) such services were not recognized at the time of the engagement to be non-audit services, and (iii) such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee or by one or more of its members to whom authority to grant such approvals has been delegated by the Audit Committee.

The Audit Committee has considered and determined that the provision of the non-audit services described above is compatible with maintaining the auditor's independence.

REPORT OF THE AUDIT COMMITTEE

The following is the report of the Audit Committee with respect to the Corporation's audited financial statements for the fiscal year ended December 31, 2004.

The Audit Committee has reviewed and discussed the Corporation's audited financial statements with management. The Audit Committee has discussed with Ernst & Young LLP, the Corporation's independent auditors, the matters required to be discussed by Statement of Auditing Standards No. 61, *Communication with Audit Committees* which provides that certain matters related to the conduct of the audit of the Corporation's financial statements are to be communicated to the Audit Committee. The Audit Committee has also received the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 relating to the auditor's independence from the Corporation, has discussed with Ernst & Young LLP their independence from the Corporation, and has considered the compatibility of non-audit services with the auditor's independence.

The Audit Committee acts pursuant to the Audit Committee Charter. Each of the members of the Audit Committee qualifies as an independent Director under the applicable listing standards of the National Association of Securities Dealers and rules of the Commission.

Based on the review and discussions referred to above, the Audit Committee recommended to the Corporation's Board of Directors that the Corporation's audited financial statements be included in the Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2004.
