PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Cognex Corporation (the "Corporation") for use at the Special Meeting in Lieu of the 2006 Annual Meeting of Shareholders to be held on Tuesday, April 25, 2006, at the time and place set forth in the accompanying notice of the meeting, and at any adjournments or postponements thereof. This Proxy Statement is first being sent to shareholders on or about March 15, 2006.

The Corporation's principal executive offices are located at One Vision Drive, Natick, Massachusetts 01760, telephone number (508) 650-3000.

VOTING PROCEDURES

Voting and Quorum

The holders of a majority in interest of all common stock, par value \$.002 per share ("Common Stock"), issued, outstanding and entitled to vote are required to be present in person or be represented by proxy at the meeting in order to constitute a quorum for the transaction of business. The election of a nominee for Director will be decided by a plurality of the votes cast. Votes may be cast for or withheld from each nominee. Both abstentions and broker non-votes (that is, shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter) are counted as present for the purposes of determining the existence of a quorum for the transaction of business. However, for purposes of determining the number of shares voting on a particular proposal, abstentions and broker non-votes are not counted as votes cast or shares voting.

Record Date and Voting Securities

Only shareholders of record at the close of business on March 3, 2006 (the "Record Date"), are entitled to receive notice of and to vote at the meeting. As of the close of business on the Record Date, there were 46,713,903 shares of Common Stock outstanding and entitled to vote. Each outstanding share of the Corporation's Common Stock entitles the record holder to one vote.

Proxies

The Board of Directors recommends an affirmative vote on all proposals specified. Proxies will be voted as specified. If the enclosed proxy is properly executed and returned, it will be voted in the manner directed by the shareholder. If no instructions are specified with respect to any particular matter to be acted upon, proxies will be voted in favor of the Board of Directors' recommendations. Any person giving the enclosed form of proxy has the power to revoke it by voting in person at the meeting, by giving written notice of revocation to the Secretary of the Corporation at any time before the proxy is exercised, or by filing a duly executed proxy bearing a later date. Any shareholder of record as of the Record Date attending the meeting may vote in person whether or not a proxy has been previously given, but the presence (without further action) of a shareholder at the meeting will not constitute revocation of a previously given proxy.

Table of Contents**PROPOSAL 1: ELECTION OF DIRECTORS**

The Board of Directors currently consists of six directors. The Board of Directors is divided into three classes, with one class being elected each year for a term of three years. It is proposed that Robert J. The Audit Committee also appointed the independent registered public accounting firm and reviewed with management various matters related to the Corporation's internal controls. Under the written charter of the Audit Committee, which was attached as *Appendix A* to the Corporation's Proxy Statement filed with the Securities and Exchange Commission (the Commission) on March 17, 2004, and is available on the Corporation's website at www.cognex.com, the Audit Committee also determined funding for the independent registered public accounting firm and pre-approved all audit and permitted non-audit services. Each member of the Audit Committee is independent as such term is defined in the applicable listing standards of NASD and the rules of the Commission. The Board of Directors has also determined that William A. Krivsky qualifies as an audit committee financial expert under the rules of the Commission.

Nominating Committee

The Corporation has a Nominating Committee whose members are William A. Krivsky, Reuben Wasserman and Jerald G. Fishman, Chairman. Each member of the Nominating Committee is independent as such term is defined in the applicable listing standards of the NASD. Under the written charter of the Nominating Committee, which was attached as *Appendix B* to the Corporation's Proxy Statement filed with the Commission on March 17, 2004, and is available on the Corporation's website at www.cognex.com, the Nominating Committee is responsible for identifying individuals qualified to serve as members of the Board and recommending to the Board nominees for election at each annual meeting of shareholders and when vacancies in the Board occur for any reason. During fiscal 2005, there were three meetings of the Nominating Committee.

When considering a potential candidate for membership on the Board of Directors, the Nominating Committee will consider any criteria it deems appropriate, including, among other things, the experience and qualifications of any particular candidate as well as such candidate's past or anticipated contributions to the Board and its committees. At a minimum, each nominee is expected to have high personal and professional integrity and demonstrated ability and judgment, and to be effective, with the other Directors, in collectively serving the long-term interests of the shareholders. In addition to the minimum qualifications set forth for each nominee above, when considering potential candidates for the Board of Directors, the Nominating Committee seeks to ensure that the Board of Directors is comprised of a majority of independent directors and that the committees of the Board of Directors are comprised entirely of independent directors. The Nominating Committee may also consider any other standards that it deems appropriate, including whether a potential candidate has direct experience in the industry or markets in which the Corporation operates and whether such candidate, if elected, would assist in achieving a mix of directors that represents a diversity of background and experience. In practice, the Nominating Committee generally will evaluate and consider all candidates recommended by the Directors, officers and shareholders of the Corporation. The Nominating Committee intends to consider shareholder recommendations for Directors using the same criteria as potential nominees recommended by the members of the Nominating Committee or others.

In December 2005, the Nominating Committee met and recommended Robert J. Shillman and Reuben Wasserman as nominees for election at this year's meeting. The Nominating Committee did not receive any shareholder nominees for election as Director with respect to the meeting.

Shareholders who wish to submit Director candidates for consideration should send such recommendations to the Secretary of the Corporation at the Corporation's executive offices not less than 120 calendar days prior to the date on which the Corporation's proxy statement for the prior year was released. Such recommendations must include: (i) the name and address of record of the shareholder, (ii) a representation

that the shareholder is a record holder of the Corporation's Common Stock, or if the shareholder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Securities Exchange Act of 1934, as amended (the Exchange Act), (iii) the name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five full fiscal years of the proposed Director candidate, (iv) a description of the qualifications of the proposed Director candidate which addresses the minimum qualifications described above, (v) a description of all arrangements or understandings between the shareholder and the proposed Director candidate, and (vi) the consent of the proposed Director candidate to be named in the proxy statement and to serve as a Director if elected at such meeting. Shareholders must also submit any other information regarding the proposed Director candidate that is required to be included in a proxy statement filed pursuant to the rules of the Commission. **COMPENSATION/ STOCK OPTION COMMITTEE
REPORT ON EXECUTIVE COMPENSATION**

The Corporation's executive compensation program is administered by the Compensation/ Stock Option Committee (the Committee), which determines executive officer compensation annually. The Committee is composed of independent directors who are not employees of the Corporation and its determinations with respect to compensation for a fiscal year are generally made at the beginning of the fiscal year.

In its deliberations, the Committee considers (i) the levels of responsibility associated with each executive's position, (ii) the past performance of the individual executive, (iii) the extent to which any individual, departmental or Corporation-wide goals have been met, (iv) the overall competitive environment and the level of compensation necessary to attract and retain talented and motivated individuals in key positions, and (v) the recommendations of appropriate officers of the Corporation.

The Corporation's compensation program utilizes a combination of base salaries, annual bonuses and stock option awards.

In determining the base salaries paid to the Corporation's executive officers for the year ended December 31, 2005, the Committee considered, in particular, their levels of responsibility, salary increases awarded in the past, and the executive's experience and potential.

The Committee views annual bonuses as a vehicle for rewarding executives for meeting performance objectives. The Committee establishes individual and corporate performance targets each year. Executives are eligible to receive annual cash bonuses upon achievement of these predetermined targets. In particular, for 2005, each executive officer was assigned a target annual cash bonus, which that executive officer was eligible to earn based on the achievement of certain financial goals set forth in the Corporation's annual budget related to the Corporation's operating income as a percentage of revenue. The target bonus for Robert J. Shillman, the Chief Executive Officer of the Corporation, was \$210,000, with the opportunity to earn 0-300% of this amount based on the achievement of such goals; the target bonus for James F. Hoffmaster, the President and Chief Operating Officer of the Corporation, was \$175,000, with the opportunity to earn 0-250% of this amount based on the achievement of such goals; and the target bonus for Richard A. Morin, Senior Vice President, Chief Financial Officer and Treasurer of the Corporation, was \$92,000, with the opportunity to earn 0-200% of this amount based on the achievement of such goals. The annual bonuses for the year ended December 31, 2005, reflect the achievement of the predetermined targets, and were paid in February 2006. Dr. Shillman elected to forgo his 2005 bonus, and requested that the Corporation donate it to a public charity.

The Corporation's stock option program is intended to reward the participating executives for their efforts in building shareholder value and improving corporate performance over the long term. The stock option program also promotes the retention of talented executives. In determining the number of options granted to executive officers, the Committee takes into consideration options granted to such executives in previous years and the potential value which may be realized upon exercise of the options as a result of appreciation of the Corporation's stock during the option term.

The Internal Revenue Code limits the deduction a public company is permitted for compensation paid to the chief executive officer and to the four most highly compensated executive officers, other than the chief

Table of Contents

executive officer. Generally, amounts paid in excess of \$1 million to a covered executive, other than performance-based compensation, cannot be deducted. In order to qualify as performance-based compensation under the tax law, certain requirements must be met, including approval of the performance measures by shareholders. In its deliberations, the Committee considers ways to maximize deductibility of executive compensation, while retaining the discretion the Committee considers appropriate to compensate executive officers at levels commensurate with their responsibilities and achievements.

Compensation of Robert J. Shillman, Chief Executive Officer and Chairman

The Committee established the compensation of Robert J. Shillman, the Chief Executive Officer and Chairman of the Board of Directors of the Corporation, for the fiscal year ended December 31, 2005, using the same criteria that were used to determine the compensation of other executive officers as described above. In establishing Dr. Shillman's compensation for the year ended December 31, 2005, the Committee considered his level of responsibility, salary increases awarded in the past, and the significant role that Dr. Shillman has played in setting the strategic direction of the Corporation. Dr. Shillman elected to forgo both his base compensation for fiscal 2005 of \$350,000, which represented an increase of 0% over 2004, as well as his annual bonus of \$181,650, and requested that the Corporation donate his 2005 bonus to a public charity. Dr. Shillman was granted options to purchase 50,000 shares of Common Stock at \$25.02 per share on January 10, 2005.

The foregoing report has been approved by all members of the Committee.

REPORT OF THE AUDIT COMMITTEE

The following is the report of the Audit Committee with respect to the Corporation's audited financial statements for the fiscal year ended December 31, 2005.

The Audit Committee has reviewed and discussed the Corporation's audited financial statements with management. The Audit Committee has discussed with Ernst & Young LLP (Ernst & Young), the Corporation's independent registered public accounting firm, the matters required to be discussed by Statement of Auditing Standards No. 61, *Communication with Audit Committees* which provides that certain matters related to the conduct of the audit of the Corporation's financial statements are to be communicated to the Audit Committee. The Audit Committee has also received the written disclosures and the letter from Ernst & Young required by Independence Standards Board Standard No. 1 relating to the independent registered public accounting firm's independence from the Corporation, has discussed with the independent registered public accounting firm their independence from the Corporation, and has considered the compatibility of non-audit services with the independent registered public accounting firm's independence.

The Audit Committee acts pursuant to the Audit Committee Charter. Each of the members of the Audit Committee qualifies as an independent Director under the applicable listing standards of the NASD and rules of the Commission.

Based on the review and discussions referred to above, the Audit Committee recommended to the Corporation's Board of Directors that the Corporation's audited financial statements be included in the Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

Table of Contents

that the non-audit services are not prohibited under applicable law and the Audit Committee reasonably determines that the non-audit services do not impair the independence of the independent registered public accounting firm. The authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision.

The pre-approval requirement is waived with respect to the provision of non-audit services for the Corporation if (i) the aggregate amount of all such non-audit services provided to the Corporation constitutes not more than 5% of the total amount of revenues paid by the Corporation to its independent registered public accounting firm during the fiscal year in which such non-audit services were provided, (ii) such services were not recognized at the time of the engagement to be non-audit services, and (iii) such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee or by one or more of its members to whom authority to grant such approvals has been delegated by the Audit Committee.

All of the audit-related, tax and all other services proved by Ernst & Young to the Corporation for fiscal years 2005 and 2004 were approved by the Audit Committee by means of either specific approval or pursuant to the procedures contained in the Pre-Approval Policy. All non-audit services provided for fiscal years 2005 and 2004 were reviewed by the Audit Committee, which concluded that the provision of such services was compatible with maintaining the independent registered public accounting firm's independence.

**COMPENSATION/ STOCK OPTION COMMITTEE
INTERLOCKS AND INSIDER PARTICIPATION**

The members of the Compensation/ Stock Option Committee during fiscal 2005 were Mr. Fishman and Mr. Wasserman. Neither of them has served as an officer or employee of the Corporation or any of its subsidiaries, nor had any business relationship or affiliation with the Corporation or any of its subsidiaries other than his service as a Director.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On June 30, 2000, the Corporation became a Limited Partner in Venrock Associates III, L.P. (Venrock), a venture capital fund. In January 2005, the Corporation amended its original agreement with Venrock, which reduced the total investment commitment from \$25,000,000 to \$22,500,000 and extended the commitment period from January 1, 2005 to December 31, 2010. The Corporation does not have the right to withdraw from the partnership prior to December 31, 2010. As of December 31, 2005, the Corporation had contributed \$17,450,000 to the limited partnership. Mr. Sun, a Director of the Corporation, is a managing general partner of Venrock Associates. In the Board's opinion, the Corporation's relationship with Venrock Associates will not interfere with Mr. Sun's exercise of independent judgment in carrying out his responsibilities as a Director of the Corporation.

In May 2001, Mr. Hoffmaster, President and Chief Operating Officer of the Corporation, received a personal, non-interest bearing loan from the Corporation in the principal amount of \$200,000 in conjunction with his hiring. The Corporation automatically applies any cash bonus payments (less applicable taxes and deductions) earned by Mr. Hoffmaster to the repayment of the loan balance. The loan must be repaid upon the termination of Mr. Hoffmaster's employment, unless the Corporation terminates Mr. Hoffmaster's employment for any reason other than cause, in which case the unpaid balance shall be forgiven. The largest aggregate amount outstanding under the loan during fiscal 2005 was \$183,244. The amount outstanding as of February 26, 2006, was \$0.

**COMPLIANCE WITH SECTION 16(a)
BENEFICIAL OWNERSHIP REPORTING**

Section 16(a) of the Exchange Act requires the Corporation's officers and Directors and persons owning more than 10% of the outstanding Common Stock of the Corporation to file reports of ownership and changes in ownership with the Commission. Officers, Directors and greater than 10% holders of Common Stock are required by the Commission's regulations to furnish the Corporation with copies of all forms they file with the Commission under Section 16(a).

Based solely on copies of such forms furnished as provided above, the Corporation believes that during fiscal 2005, all Section 16(a) filing requirements applicable to its officers, Directors and owners of greater than 10% of its Common Stock were complied with, except Mr. Fishman failed to timely file two Form 4's, each reporting one transaction, and Mr. Hoffmaster failed to timely file one Form 4 reporting one transaction. When the oversights were discovered, the appropriate forms were filed promptly.

It is suggested that any shareholder proposal be submitted by certified mail, return receipt requested.
