The material terms of the Merger Agreement are described in Movie Star s definitive proxy statement (SEC File No. 001-05893) filed November 30, 2007 (hereinafter referred to as the Proxy Statement) in the Sections entitled The Merger and Related Transactions and The Merger Agreement beginning on pages 37 and 60, respectively, and are hereby incorporated by reference.

The material terms of the Subordinated Debt are described below under Financing Transactions. The material terms of the Series A Preferred Stock are described in the Proxy Statement in the Section entitled Other Transaction Documents FOH Holdings Stockholders Agreement Series A Preferred Stock beginning on page 78 and are hereby incorporated by reference. The Debt Conversion Agreement is filed as Exhibit 10.4 to this Current Report on Form 8-K.

In connection with the Merger, Movie Star raised \$20 million of gross proceeds through the issuance of (i) an aggregate of 752,473 shares of common stock upon exercise by Movie Star shareholders of non-transferable subscription rights to purchase shares of common stock at a subscription price of \$3.52 per share (adjusted to reflect the one-for-two reverse split) (the Rights Offering) and (ii) an aggregate of 4,929,346 shares of common stock not subscribed for by Movie Star shareholders in the Rights Offering that were purchased at the same subscription price by Fursa and Tokarz Investments, who acted as standby purchasers (Standby Purchasers) pursuant to the terms of a standby purchase agreement (Standby Purchase Agreement) entered into by Movie Star, Fursa, Tokarz and TTG (the Standby Purchase). The Guarantor Warrants issued to Tokarz and Fursa are filed as Exhibits 4.2 and 4.3, respectively, to this Current Report on Form 8-K.

Financing Transactions

At the Closing, for the purpose of refinancing and consolidating their existing credit facilities, Movie Star, FOH Holdings, Frederick's and the subsidiaries of Frederick's entered into an amended and restated senior credit facility (the Facility), which amends the existing revolving credit facility between FOH Holdings, Frederick's and the subsidiaries of Frederick's and Wells Fargo Retail Finance II, LLC (Senior Lender). The Facility includes Movie Star as a borrower, and extends the maturity date of the Facility to January 28, 2012. Other loan and security agreements related to the Facility (Loan Documents) were amended and restated to make Movie Star a party to the Loan Documents and to include the assets of Movie Star as security for repayment of the Facility. At the Closing, Movie Star's indebtedness to The CIT Group/Commercial Services, Inc. of \$10,588,186 was paid in full.

The Facility is for a maximum amount of \$50 million comprised of a \$25 million line of credit with a \$15 million sub-limit for letters of credit, as well as an additional \$25 million commitment at the option of Movie Star so long as the borrowers are in compliance with the terms of the Facility and the Loan Documents. The actual amount of credit available under the Facility will be determined using measurements based on the borrowers' receivables, inventory and other measures. The Facility is secured by a first priority security interest in the assets of the borrowers.

Interest accrues on obligations under the Facility at an agreed to reference rate, which shall either be the Wells Fargo prime rate less 25 basis points or LIBOR plus 150 basis points. Interest is payable monthly, in arrears. In addition, the Facility provides for certain customary fees to be paid with respect to the Facility, which include (i) a 25 basis point fee on the amount of any increase in the facility above \$25 million, (ii) a 25 basis point fee on any unused portion of the Facility, (iii) a \$2,000 monthly service fee, (iv) letter of credit fees on stand-by letters of credit and documentary letters of credit and (v) a one-time closing fee of \$19,375.

The Loan Documents contain customary representations and warranties, affirmative and negative covenants and events of default, including covenants that restrict the borrowers' ability to, among other things, create certain liens or make certain types of borrowings and engage in mergers, consolidations, significant asset sales, affiliate transactions and certain other transactions. The borrowers also agreed to maintain specified minimum availability reserves in lieu of financial covenants, fixed charge coverage and overall debt ratios. The Senior Lender has the right of last refusal for refinancing the Facility or the Subordinated Debt.

Concurrently with amending the Facility, the term loan agreement for the Subordinated Debt was amended to extend the maturity date for payment to July 28, 2012 and to add Movie Star as a loan party. Movie Star also executed a Joinder in which it agreed to become a pledgor under security agreements, granting the Fursa Debt Holders a security interest in assets of the loan parties to secure repayment of the Subordinated Debt, and to comply with the terms and conditions thereof. The Subordinated Debt originated in January 2003 from a term loan made to FOH Holdings and its subsidiaries and the conversion of certain pre-petition claims against FOH Holdings and certain of its subsidiaries upon their emergence from bankruptcy. At the Closing, and after conversion of \$7.5 million of the Subordinated Debt into Series A Preferred Stock, the balance remaining due on the Subordinated Debt was \$12,185,542. The Subordinated Debt bears interest at the rate of 7% per annum, 1% of which is payable in cash monthly in arrears and 6% of which is paid in kind monthly in arrears and added to the outstanding principal balance. No payment of principal is required until the maturity date, at which time the outstanding principal is payable in full.

At the Closing, an Amended and Restated Intercreditor and Subordination Agreement was entered into by the Senior Lender, Fursa as agent and collateral agent for the Fursa Debt Holders, and the

borrowers, under which the Fursa Debt Holders agreed to subordinate all indebtedness and other liabilities of the borrowers under the Subordinated Debt, as well as dividends on the Series A Preferred Stock issued pursuant to the Debt Conversion Agreement, to the prior payment in full of all of the indebtedness owed by the borrowers under the Facility and to all security interests and other liens securing the Facility. Interest on the Subordinated Debt and dividends on the Series A Preferred Stock are permitted so long as the borrowers are not in default on the Facility and availability under the Facility is at least \$7 million.
