## Item 5. Other Events.

Our news release dated January 21, 2003 and supplemental financial information, each concerning full-year and fourth quarter 2002 financial results, filed as Exhibits 20 and 99.1 through 99.6, respectively, to this report, are incorporated by reference herein.

Investors can access replays of a review of our full-year and fourth quarter results by William Clay Ford, Jr., Ford's Chairman and Chief Executive Officer; Nick Scheele, Ford's President and Chief Operating Officer; and Allan Gilmour, Ford's Vice Chairman and Chief Financial Officer, that took place in the morning on January 21, 2003, by visiting one of the following web sites: [www.shareholder.ford.com](http://www.shareholder.ford.com) or [www.streetevents.com](http://www.streetevents.com).

A version of the Equity Investor Presentation, filed as Exhibit 99.5 hereto, posted to the above-referenced web sites for about ten minutes early this morning, contained six back-up slides that were not prepared for public dissemination. Other than the fifth back-up slide regarding Ford Credit's funding plans, which is included in Exhibit 99.6, the back-up slides were draft and/or preliminary materials prepared for background and scenario planning, and contained a number of material inaccuracies. Accordingly, anyone who obtained these slides from the websites listed above should disregard them.
