Item 2.02 Results of Operations and Financial Condition

On February 6, 2008, First BanCorp. (the Corporation) issued a press release announcing, among other things, its unaudited results of operations for the year ended December 31, 2007. The Corporation has included in this release a non-GAAP financial measure which consists of computing the net interest margin rate on a tax equivalent basis excluding the unrealized changes in the fair value of derivative instruments and certain financial liabilities (mainly changes in the fair value of interest rate swaps and certain brokered certificates of deposit). The Corporation believes this non-GAAP measure provides meaningful information to investors about the Corporation s net interest margin and facilitates period-over-period comparability and analysis. Investors should be aware that non-GAAP measures have inherent limitations and should be read only in conjunction with the Corporation s consolidated financial data prepared in accordance with GAAP. A copy of the press release is attached hereto as Exhibit 99.1.

The information furnished pursuant to this Item 2.02 of this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed filed for purposes of the Securities Exchange Act of 1934, as amended, nor shall it be incorporated by reference into any of the Corporation s filings under the Securities Act of 1933, as amended, unless otherwise expressly stated in such filing.

Item 8.01 Other Events

The Corporation also announced in its February 6, 2008 press release the most significant developments undertaken during 2007. A copy of the press release describing developments is incorporated herein by reference from Exhibit 99.1.

On February 4, 2008, the Corporation issued a press release which announced that the Board of Directors of First BanCorp has declared the next payment of dividends on First BanCorp s Series A through E Preferred shares. A copy of the press release is incorporated herein by reference from Exhibit 99.2.
