Section 5 Corporate Governance and Management

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On April 23, 2008, at the annual meeting of BancorpSouth, Inc. (the Company), the Company's shareholders approved an Amendment to the BancorpSouth, Inc. 1995 Non-Qualified Stock Option Plan for Non-Employee Directors (the Amendment). The Amendment was previously approved and recommended to shareholders by the Company's Board of Directors. A copy of the Amendment is filed as Exhibit 10.1 to this Current Report on Form 8-K.

The purpose of the Amendment is to (i) provide for awards of non-qualified stock options, restricted stock and restricted stock units, (ii) eliminate the automatic grant of stock options and provide discretion to the Nominating Committee to determine the awards made under the plan, (iii) limit the number of shares of the Company's common stock that may be issued as awards each year, and (iv) increase the number of shares of the Company's common stock that are available for award under the plan by 400,000 shares to a total of 964,000 shares. A grant of restricted stock is an award of the Company's common stock that is subject to forfeiture until the conditions for vesting stated in the award are satisfied, and the recipient immediately becomes a shareholder of the Company. A restricted stock unit provides the recipient the right to receive the Company's common stock upon the achievement of conditions stated in the award. The recipient of restricted stock units is not a shareholder until such conditions are satisfied.
