The Merger Resulting in a Change in Control

The Company and Cardo Medical, LLC (Cardo Medical), a company engaged in the development of orthopedic medical devices, completed a merger on August 29, 2008, pursuant to a Merger Agreement and Plan of Reorganization, dated June 18, 2008, as amended. The Merger Agreement provides for the merger of Cardo Medical with and into Cardo Acquisition, LLC, a wholly-owned subsidiary of the Company, with Cardo Medical continuing as the surviving entity in the merger and a wholly-owned subsidiary of the Company (referred to hereafter as the Merger).

As previously disclosed in the Current Report on Form 8-K filed with the Securities and Exchange Commission on June 23, 2008, on or about the signing of the Merger Agreement, Frost Gamma Investments Trust and other investors invested \$12.975 million in Cardo Medical in exchange for units of Cardo Medical s membership interests. Dr. Phillip Frost, Chairman and Chief Executive Officer of Opko Health, Inc. (formerly known as eXegenics Inc.), is the trustee and beneficiary of Frost Gamma Investments Trust. Cardo Medical used

approximately \$9.7 million of the proceeds from these investments to close on the acquisition of the outstanding equity interests of three partially owned subsidiaries of Cardo Medical (Accelerated Innovation, LLC), Cervical Xpand, LLC and Uni-Knee, LLC, to repay an existing member loan (in the amount of \$1.2 million) and for transaction expenses, and expects to use the remaining funds to accelerate its research and product development.

Under the terms of the Merger Agreement, at the closing of the Merger, each Cardo Medical unit issued and outstanding was converted into and exchanged for the right to receive 667,204.70995 shares of common stock of the Company. As a result of the Merger, the Company's current shareholders and optionholders own approximately 5.5% of the combined company on a fully diluted basis, the members of Cardo Medical, excluding the new investors, own approximately 64.8% of the combined company on a fully diluted basis, the new investors own approximately 28.5% of the combined company on a fully diluted basis, and optionholders of Cardo Medical own approximately 1.2% of the combined company on a fully diluted basis.

In connection with the consummation of the Merger, the Company will propose to its shareholders an amendment to its Certificate of Incorporation to change its name from clickNsettle.com, Inc. to Cardo Medical, Inc. The Company's trading symbol is CKST.OB, which the Company expects to change in connection with the name change. The Company intends to apply to have its shares listed on the American Stock Exchange. We cannot ensure that we will be able to satisfy the listing standards of the American Stock Exchange or that the Company's common stock will be accepted for listing.

In addition, as of the tenth day after the filing and transmission of this Information Statement (approximately September 19, 2008), the Board of Directors of Cardo Medical initially will consist of five directors appointed by Dr. Andrew A. Brooks, an orthopedic surgeon, and two directors appointed by Dr. Frost, and Dr. Brooks will serve as Chairman of the Board and Chief Executive Officer. The Company is now headquartered in Los Angeles, California.

The summary discussion of material terms of the Merger Agreement set forth above is qualified by reference to the Merger Agreement, a copy of which is attached as Exhibit 2.1 to the Current Report on Form 8-K filed on June 23, 2008 and is incorporated herein by reference, and Amendment No. 1 to Merger Agreement, a copy of which is attached as Exhibit 2.2 to the Current Report on Form 8-K filed on September 9, 2008.

Previous Changes in Control

First Change in Control

On September 26, 2007, a group of investors led by the Company's current Chairman of the Board, Chief Executive Officer and President, Glenn L. Halpryn of Miami, Florida, and Steven Jerry Glauser of Denver, Colorado, purchased 51.65% of the outstanding common stock of the Company from five shareholders of the Company pursuant to the terms of a stock purchase agreement of the same date. The total consideration paid for the purchase of the shares from the five shareholders was \$585,000. In connection with the purchase of control, the Company issued 44,921,052 shares of its pre-reverse stock split common stock to these investors (4,492,105 shares after giving effect to a 1-for-10 reverse stock split) in exchange for \$1,567,000 for use by the Company as working capital. Including the unregistered shares issued by the Company following the purchase of control, these investors beneficially owned 90.75% of the outstanding shares of the Company on September 26, 2007. These investors used their personal funds to purchase the shares. Control of the Company was previously held by four shareholders, Roy Israel, Carla Israel, Patricia Giuliani-Rheaume and Willem Specht, former officers and directors of the Company, and by a fifth shareholder, ISO Investment Holdings, Inc., which shareholders owned in the aggregate 51.65% of the Company's issued and outstanding shares. In connection with the purchase of control, the Company's officers and directors agreed to resign from all offices that they held with the Company.

Second Change in Control

Pursuant to the terms of a purchase agreement entered into by the Company on December 19, 2007, as amended January 31, 2008, on March 19, 2008, the Company sold to a small group of investors that included Frost Gamma Investments Trust an aggregate of 5,762,448 unregistered shares, which at the time of their sale represented 51% of the outstanding shares of common stock of the Company on a fully diluted basis. The purchase price for

these shares was \$1,338,100. The source of the purchase price was the personal funds of the purchasers and funds held in trust by Frost Gamma Investments Trust.

Agreement of Directors to Resign

In connection with the Merger, the Company's current officers and directors agreed to resign from all offices that they hold with the Company upon the latter of the completion of the Merger and the tenth day after the filing and transmission of this Information Statement to the Company's shareholders (approximately September 19, 2008).

INFORMATION CONCERNING THE COMPANY

Business

The Company was incorporated in the State of Delaware on January 12, 1994. The Company previously was involved in the business of providing alternative dispute resolution, or ADR, services. On October 31, 1994, the Company acquired all of the outstanding common stock of its predecessor operating company, which was formed on February 6, 1992, and was primarily owned by its former Chief Executive Officer and President. The Company's predecessor began operations in March 1992 as a provider of ADR services. The Company's predecessor was merged into the Company as of the end of June 1999. In June 2000, the Company's name was changed from NAM Corporation to clickNsettle.com, Inc. The Company ceased all operations relating to its historical ADR business in January 2005 when it sold that business to National Arbitration and Mediation, Inc., a company owned by the Company's former Chief Executive Officer. From the consummation of the sale of the ADR business and until the closing of the Merger, the Company had no operating business. As such, prior to the Merger, the Company was a publicly traded shell company actively searching for a new operating business to acquire or to enter into a merger transaction. Upon consummation of the Merger, the Company adopted Cardo Medical's business plan and ceased to be a shell company, and Cardo Medical now is a wholly-owned subsidiary of the Company.

Relationship among Directors and Executive Officers

Pursuant to the terms of the Merger Agreement, Dr. Brooks nominated Messrs. Kvitnitsky, Loggia, Morgan and Richards and himself to serve as the Company's directors, and Dr. Frost nominated Mr. Rubin and Dr. Uppaluri to serve as the Company's directors. No family relationships exist among any of the individuals who will serve as the Company's directors or executive officers.

CORPORATE GOVERNANCE MATTERS

Director Independence

Of the four current members of the Company's Board of Directors, only Curtis Lockshin is independent of management. However, we believe a majority of the new members of the Board of Directors (those who will take office as of the tenth day after filing and transmitting this Information Statement (approximately September 19, 2008)) will be independent from management. Those individuals who we believe will be independent directors are Joseph Loggia, Thomas H. Morgan, Ronald N. Richards, Steven D. Rubin and Subbarao Uppaluri, Ph.D. We also believe that a majority of the Board of Directors prior to the change in control that occurred in September 2007 was independent of management. Those independent directors were Kenneth W. Good, Randy Gerstenblatt and Corey J. Gottlieb. The Company's Board of Directors will determine the independence of the Board members from time to time in reference to the listing standards adopted by the American Stock Exchange, the independence standards set forth in the Sarbanes-Oxley Act and the rules and regulations promulgated by the Securities and Exchange Commission under applicable law. In particular, after the completion of the Merger, the Company plans to form an audit committee that will periodically evaluate and report to the Board of Directors on the independence of each member of the Board.

The Company's independent directors will hold formal meetings, separate from management, at least annually in executive session without the presence of non-independent directors and management.

Corporate Governance

The Company's common stock is quoted on the National Association of Securities Dealers, Inc.'s, Over-the-Counter Bulletin Board, or the OTC Bulletin Board. Accordingly, the Company is not required to have, and does not have, an audit, compensation or nominating/governance committee. Because, prior to the completion of the Merger, the Company was a shell company with no operations, the Board of Directors determined it was not necessary at that time to have these committees. However, the Company intends to operate within a comprehensive plan of corporate governance for the purpose of defining responsibilities, setting high standards of professional and personal conduct and assuring compliance with these responsibilities and standards. The Company intends to apply to have its shares listed on the American Stock Exchange. To do so, the Company intends to form these committees prior to submitting its listing application to the American Stock Exchange. We cannot ensure that we will be able to satisfy the listing standards of the American Stock Exchange or that the common stock will be accepted for listing.

Code of Business Conduct and Ethics

The Company has a Code of Business Conduct and Ethics that includes provisions ranging from restrictions on gifts to conflicts of interest. All employees and directors of the Company are bound by the Code of Business Conduct and Ethics. Violations of the Company's Code of Business Conduct and Ethics may be reported to any member of the Board of Directors. The Code of Business Conduct and Ethics includes provisions applicable to all of the Company's employees, including senior financial officers and members of its Board of Directors.

Personal Loans to Executive Officers and Directors

The Company prohibits extensions of credit in the form of personal loans to or for its directors and executive officers.

In connection with this indebtedness, Cardo Medical granted a security interest in certain collateral pursuant to a Security Agreement, dated as of February 6, 2008, by and between Cardo Medical and this individual. Employment Agreement and Compensation Arrangements with Mikhail Kvitnitsky

Mikhail Kvitnitsky Employment Agreement as Terminated as of June 23, 2008

On January 31, 2005, Mikhail Kvitnitsky entered into an employment agreement with Accin Corporation, under which he served as Chief Executive Officer of Accin. Accin assigned this agreement to Cardo Medical's wholly-owned subsidiary, Accelerated Innovation, LLC, on May 21, 2007, along with substantially all of the other assets of Accin. On June 6, 2008, Mr. Kvitnitsky and Accelerated entered into an amendment to this employment agreement to remove references to a shareholders agreement for Accin. On June 23, 2008, Cardo Medical acquired all of the ownership interests in Accelerated held by Accin, and Accelerated became the wholly-owned subsidiary of Cardo Medical. Upon the closing of this acquisition, Mr. Kvitnitsky and Accelerated terminated Mr. Kvitnitsky's employment agreement.

Prior to its termination, the term of the employment agreement was from June 1, 2005 through May 30, 2008, with automatic renewal thereafter for successive one-year periods ending on each May 30, unless (i) either party elected to terminate the employment agreement at the end of the then-current term by giving the other party four months advance written notice, or unless the agreement was earlier terminated by Accelerated for Cause or by Mr. Kvitnitsky for Good Reason, as defined in the employment agreement. The employment agreement was automatically renewed for one year on May 30, 2008 and terminated by mutual agreement effective June 23, 2008. Under this employment agreement, Mr. Kvitnitsky was entitled to receive the following compensation and benefits:

Initial annual base salary of \$52,000;

Eligibility to receive stock options upon implementing a stock option plan;

Eligibility to share in milestone payments;

Five weeks of paid time off, including sick, vacation and personal days;

Reimbursement for all reasonable and necessary business-related expenses;

Participation in the life and health insurance plans, 401(k) plan and other employee benefit plans and programs generally made available to other employees; and

Certain severance benefits if his employment was terminated by Accelerated without Cause or by Mr. Kvitnitsky for Good Reason.

Compensation Arrangement with Mikhail Kvitnitsky

Mikhail Kvitnitsky is entitled to receive 5% of net receipts from the sale of the Align 360 unicompartmental knee product. For the year ended December 31, 2006, Accin (the party from which Cardo Medical acquired its medical device business in 2007) paid \$100,000 to Mr. Kvitnitsky under this arrangement, and paid him \$6,863 for the period from January 1, 2007 through May 21, 2007 (the date of sale of Accin's business to Cardo Medical). For the period from May 21, 2007 through December 31, 2007, Accelerated (which acquired Accin's medical device business) paid \$22,918 to Mr. Kvitnitsky under this arrangement, and paid him \$26,933 for the six months ended June 30, 2008.

The Company plans to substitute this compensation arrangement for Mr. Kvitnitsky with a compensation package competitive with those paid to executives with similar responsibilities and levels of experience paid by companies for similar positions within the medical device industry and within the geographical areas in which the Company operates.

Derrick Romine Employment Offer Letter

Derrick Romine serves as the Chief Financial Officer of Cardo Medical, and will serve in that same capacity for the Company, on an at-will basis pursuant to an employment offer letter dated September 5, 2008. This offer letter provides that Mr. Romine will receive an annual base salary of \$180,000, a discretionary bonus of up to a maximum amount of \$45,000 based on specific performance objectives tied to Cardo Medical meeting its financial targets, and reimbursement for normal business expenses. In addition, he is entitled to participate in all health

insurance and employee benefits adopted by Cardo Medical and is eligible to accrue three weeks of vacation during his first year of employment. The offer letter also confirmed the grant of options to Mr. Romine exercisable for units of membership interests in Cardo Medical, which converted into options exercisable for shares of common stock of the Company upon completion of the Merger. See the section titled "Outstanding Option Grants" below for more information regarding the options granted to Mr. Romine.

If Cardo Medical terminates Dr. Romine's employment without "Cause" (as defined below), or if he terminates his employment without "Good Reason" (as defined below), at any time on or prior to September 4, 2010, Mr. Romine will be entitled to the following severance benefits:

Cardo Medical will pay Mr. Romine the sum of six months of his then-current monthly salary as severance payment to be paid in bi-weekly installments so long as he does not work or otherwise provide services to a competitor of Cardo Medical or the Company during that six-month period.

Fifty percent of Mr. Romine's unvested options will become fully exercisable as of the date of termination of his employment and, together with any vested options at the termination date, may be exercised pursuant to the terms thereof within 90 days of the termination date (or one year after the termination date if Mr. Romine dies during that 90-day period). The remaining unvested options at the termination date, to the extent not then presently exercisable, shall terminate as of the termination date and shall not be exercisable thereafter.

If Mr. Romine is terminated for Cause, or if he voluntarily terminates his employment or resigns from his positions with the Company or the Company without Good Reason, he will not be entitled to the Severance Benefits. As used in the offer letter, the term "Cause" means an act or omission that constitutes fraud, deceit, intentional misconduct, a knowing violation of law, recklessness or gross negligence that materially and adversely has affected or affects the business of Cardo Medical and/or the Company, a material breach of any of Mr. Romine's obligations under any written agreement with Cardo Medical and/or the Company, or material nonperformance of his duties to Cardo Medical and/or the Company which has not been cured after 15 days' written notice from Cardo Medical and/or the Company setting forth in reasonable detail the nature of the nonperformance. As used in the offer letter, the term "Good Reason" means a material breach by Cardo Medical and/or the Company of any of their obligations under any written agreement with Mr. Romine, a substantial and unusual reduction in his duties, responsibilities or authority, or receipt of instructions to take actions in violation of law that has not been cured after 15 days' written notice from Mr. Romine to Cardo Medical and/or the Company setting forth in reasonable detail the nature of the action giving rise to the claim of Good Reason.

Option Grants

In August 2008, Cardo Medical issued options exercisable for units of membership interests in Cardo Medical with an exercise price of \$147,625 per unit (which is not less than the fair market value on the date of grant). In connection with the Merger, these options will convert into options exercisable for shares of the Company's common stock with an exercise price of \$0.22126 per share (which is not less than the fair market value on the date of grant). The following table provides information with respect to (i) the name and relation of the optionee to Cardo Medical, (ii) the number of units of membership interests in Cardo Medical that may be acquired pursuant to an exercise of the options, and (iii) the number of shares of the Company's common

Following the exercise of that option in June 2008, Cardo Medical acquired all of the interests in Accelerated held by Accin, and Accelerated became a wholly-owned subsidiary of Cardo Medical. Mikhail Kvitnitsky is the founder of Accin and, at the time of the exercise of the option, had a 33.0% ownership interest in Accin.
